Special Recognitions

Falcon’s Nest — A centralized network of resources that support **meeting students’ basic needs** including food, clothing, hygiene support, emergency aid resources, and housing resources, among other services. Its offerings include **The Village**, California’s first community college housing development exclusively for students facing homelessness, and **Franco’s Market**, a free campus food pantry with an assortment of healthy, fresh food and vegetables. The Falcon’s Nest was selected as a national finalist for the 2024 Bellwether Awards.

Bachelor’s Degree in Dental Hygiene — Coming in the fall of 2025, the new bachelor’s degree program in dental hygiene will allow students to earn a four-year degree for less than \$11,000 – a fraction of the tuition at a four-year university, helping students obtain an advanced degree with little to no college debt and increasing the communities’ social and upwards mobility.

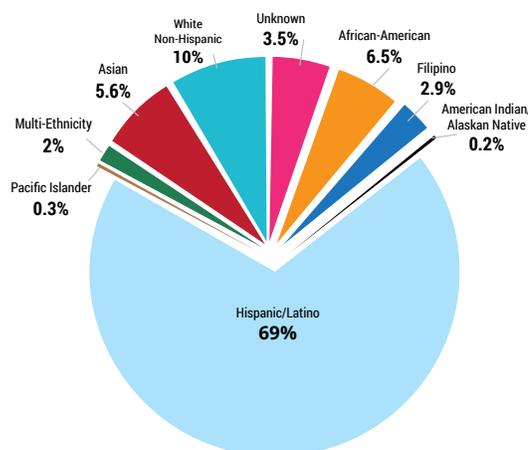

Cerritos Complete — Cerritos Complete is the College’s official California Promise Program that provides high school seniors from the college’s partner districts and schools two years of college – free. The program also

provides student support services including one-on-one counseling, early enrollment, and financial aid to help students succeed. Cerritos Complete won the 2018 Examples of Excelencia Award (associate level), and was selected as a finalist for the 2018 Bellwether Award. Since its inception in 2015, the program has served over 2,500 students.

Strong Workforce Stars — Twenty-six of Cerritos College’s career technical education programs earned recognition as California Community Colleges’ Strong Workforce Stars in 2019. Gold Stars are Dental Hygiene and Registered Nursing. Silver Stars include Engineering Technology, New Product Development, Machine Tool Technology, Physical Therapist Assistant, Dental Assisting, and Infant/Toddler Teacher. Bronze Stars are Welding Technology, Automotive Technology, Automotive Collision Repair, Accounting, Business Management, Cosmetology, Children with Special Needs, Architecture and Architectural Technology, Drafting Technology, International Business and Trade, Speech-Language Pathology and Audiology, Office Technology-Office Computer Applications, Computer Programming, Computer Networking, Administration of Justice, Retail Store Operations and Management, Culinary Arts, and Human Services.

Green Cerritos Campus Sustainability Initiatives — The District is creating a campus environment that fosters sustainability through conscious decision-making strategies. The College received Green Technology Magazine’s Green Community College Leadership Award for reducing its water consumption by using reclaimed water for landscape irrigation. The California Community Colleges/Investor Owned Utilities (CCC/IOU) partnership selected the College for a pilot study to develop a Campus Energy Master Plan. The College received the California Community Colleges Board of Governors 2017 Energy and Sustainability Award for its Science Building retro-commissioning project that is saving the campus \$25,000 in energy cost annually.

Student Ethnicity (Fall 2023)

In addition, the college is home to more than 72 international students representing 19 countries.

Assemblymember Blanca Pacheco presented \$782K to expand the Child Development Center
