

Proudly Presents:

Cerritos Community College District's Online Safety Training through

This Program provides the District's employees with regulatory and compliance training. Your safety is very important to us. With that being said, we bring to you online training in the following areas:

Emergency Operations Management

Information Technology

Employment Practices/Supervisory

Nutrition Services

Environmental

Security

Health

Social & Behavioral

Human Resources

Transportation

To log on, please go to your web browser and type in:

<http://cerritos-keenan.safecolleges.com/login> Your

Username is your Cerritos College ID #.

1. Once you enter your username, click "Login." The system will verify who you are on the next page. If it is correct, click the "Log Me In" button.
2. To review the courses available to you, please click on the grey button marked "Take More Courses", which is located at the bottom left hand corner of your screen. Start a course by clicking on the course title. Then click on the version of the course located at the bottom of "Title" and "Duration". Please read the disclaimer and click on "Accept" to access the course. The courses have audio, so be sure to turn up your speakers.
3. You must complete each section of the course and pass the quiz in order to receive full credit.

***Note: Keenan SafeColleges will track where you left off in the course, as long as you complete the entire section. In the event you log off in the middle of a section, you will need to begin that same section once logging back in. You will see a green check mark to the left of the sections you have already completed. You will log back in by typing in your username.**

Thanks and have a safe day!
