Cerritos College CalWORKs, Falcon's Nest and Re-Entry Resource Directory

We in the CalWORKs, Falcon's Nest and Re-Entry Departments understand that students often have stressful and complicated lives. Problems left unresolved today too often evolve into a dropout statistic tomorrow. By providing this directory of resources found in Cerritos College, social service agencies and community resources, we hope to connect students with solutions that will enable them to proactively resolve obstacles and facilitate the attainment of their educational goals.

Thank you to all community and college resources who contributed information to our Cerritos College Resource Directory.
