

How to Access SRT/GPT Online

1. Log into MyCerritos account.
 - a. Will need a Cerritos College Student ID number
 - b. Birthdate
 - c. A personal email address to receive placement results
2. Once in MyCerritos screen, scroll down to the lower right-hand corner of the screen. Will find “Placement” section.
3. Click on “English/ESL SRT” link to complete placement process for an English/ESL course placement.
4. Click on “Math SRT” link to complete placement process for math course placement.
5. Must complete both SRT processes to receive placement results.
6. Please allow 2 – 3 business days to post to unofficial transcripts and have Assessment hold removed.
7. Upon completion of placement process, it is strongly recommended to meet with a counselor if questions or concerns regarding placement results exist.
