

OFFICE OF THE PRESIDENT/SUPERINTENDENT  
PRESIDENT'S CAMPUS UPDATES

January 14, 2021

Dear Colleagues,

I am pleased to share that Cerritos College will be a LA County COVID-19 vaccination site beginning next week. While Cerritos College employees **are not yet eligible** for the vaccination, we are on Tier 1B of the [LA County vaccination schedule](#). This means that our employees should be able to register for vaccinations beginning as early as February.

We are continuing to work with local officials to secure vaccines for our employees as early as possible. Please join me in thanking Dr. Hillary Mennella for her efforts in this regard. I will keep you informed as updates occur.

Best,  
Jose

Jose L. Fierro, D.V.M., Ph.D.  
President/Superintendent
