

2024 Women's History Month Women Leaders in Education Tell Their Stories

“At a time when women constitute more than half of undergraduate, master’s degree and Ph.D. students, they account for less than a quarter of college presidents and this hasn’t changed in a decade.”

(Rhodes, Women and Leadership, 2017)

**Monday, March 25
12:30-2p.m. | LA103**

Light refreshments will be served

What better way to celebrate Women’s History month than to feature some of our own female educators telling their stories.
