

2024 Women's History Month

# Coffee Chat: Women (Scientists) Tell All

March 28 | 12:30-1 p.m.  
Library Shade Area

SEM Faculty  
Nicole Iwaz

Coffee and snacks will be available

Kind of liked that science class but unsure if you belong in that major? Think science is fun but not sure if you can picture yourself working in the field? Committed to science but want to learn more from people who have committed their lives to it? Come grab a cup of coffee, hear stories, and ask questions from women scientists who have been in your shoes!
