### A BILL

#### **Funding for YSCC End-of-Semester Meeting SB-2122-10**

**Whereas:** The Young Scholars of Cerritos College is an incorporated organization under Associated Students jurisdiction which was established during this current semester; and

**Whereas:** It aims to hold a meeting at the end of the semester as a celebration of its accomplishments and to discuss how it can move forward advocating for all dual enrollment students at Cerritos College, including those enrolled in partnership Early College Programs; and

**Whereas:** Due to it being incorporated mid-semester, it was unable to go before relevant committees via the standard processes for attaining funding, causing it to be devoid of funds; and

**Whereas:** The organization seeks to have food for the students who attend the meeting as an incentive for as many students as possible who are current members of the organization to attend to more effectively administer its duties; and

**Whereas:** The Associated Students of Cerritos College has approved multiple mid-semester funding requests for other organizations, such as for conferences which were not previously approved, as well as engaged in additional expenditures such as further funding commencement; and

**Whereas:** The budget guidelines and legislation allow clubs to request funding for food and refreshments during meetings as long as the total cost does not exceed \$300.00 USD; and

**Whereas:** The Young Scholars of Cerritos College requests the following line items for the meeting, as there will be up to 30 members in attendance:

Line Item	Price (USD)
20 Pearl Teas from Gong Chai, Cerritos	\$80.00
3 2-Liter Coca-Cola Bottles	\$9.00
3 2-Liter Diet Coke Bottles	\$9.00
6 Party Size Chip Bags	\$36.00
4 Boxes of 16-Count Chocolate Chip Cookies	\$24.00
15 Boxes of JITB Spicy Popcorn Chicken	\$75.00

## **Associated Students of Cerritos College**

**Whereas:** These figures do not include taxes, which brings the subtotal of \$233.00 up to \$255.14 with the standard California 9.5% sales tax rate; and

**Whereas:** After adding the standard 10% buffer, the cost to the Associated Students for this meeting equals \$280.65;

**Resolved:** The Associated Students of Cerritos College will provide a fund of \$280.65, which already includes a 10% buffer from the ASCC Senate Fund Account #600-03-015 to fund the aforementioned final semester meeting of the Young Scholars of Cerritos College, which will be expended by their treasurer Gabii Eclevia after approval by a majority vote of the organization; and

**Resolved:** Young Scholars of Cerritos College Treasurer Gabii Eclevia is directed to return all unused funding to the Associated Students of Cerritos College to be returned into ASCC Senate Fund Account #600-03-015.
