The Black/Africana Studies Department invites activist-scholar Dr. Melina Abdullah to Cerritos College to discuss current and ongoing racial and social justice concerns in Los Angeles and the United States. Dr. Abdullah will also discuss the relevance of a Black/Africana Studies degree and the various ways in which it informs resistance and struggle. Additionally, we will provide you with information on the new Black/Africana Studies Associate of Arts Degree offered at Cerritos College in fall 2021.
