INFORMATION TECHNOLOGY STANDARDS DISCUSSION:

Smart Classroom

Guest Faculty members, Veronica Herrera, and Janet Mitchell-Lambert told the committee members that they met with the Coordinating Committee regarding "Hyflex" classroom environments. They will also be visiting other campuses such as California State University Long Beach to view their Hyflex environment to see what we need. A pilot classroom will be set up in the near future. Patrick and Javier met with a vendor that recommended a campus to visit, (Dominquez Hills), for review of their Hyflex set up.

New Printer Standard

Javier told the committee that HP is replacing the M254dw LaserJet Pro with the M255dw, with a cost of $311 per unit. Lui Amador motioned to approve the new standard and Aemiro Beyene seconded it. The new standard passed after some discussion.
