Patrick gave an update on Shared Governance Committee evaluation. He then went over each item listed on the evaluation for discussion. The committee gave suggestions on answers to all the questions.   Terrie Lopez suggested getting on the agenda of the Managers meeting to give an update on the status of Information Technology Department. Shawna Baskette suggested that we work on communication to the campus. She said that it needs to be addressed at all levels. She suggested that we bring minutes from the "Universal Access Committee" to "Information Technology Standards" meetings.
