ABSENT:

1. CALL TO ORDER

Patrick O'Donnell called the meeting to order at 9:04 am.

2. APPROVAL OF MINUTES

Javier Banuelos made a motion to approve the Sept. 11, 2020 minutes and Cezar Montero seconded it. The minutes were approved with 2 abstentions.

3. INFORMATION TECHNOLOGY STANDARDS DISCUSSION

Patrick opened the meeting by discussing the review of the Committee Structure. He mentioned that there had previously been a request to add a Confidential employee category to all committees. Patrick said that he thought that it was a good idea and Javier Banuelos and Aemiro Beyene agreed with him. Aemiro motioned to approve the new category for the Information Technology Standards Committee, Javier seconded the motion. There were no abstentions and the motion was approved. Patrick spoke about the current structure of I.T. Standards and asked for comments.

Javier spoke to committee members about JAMF for Macintosh. A discussion took place by all. Javier gave the committee information about what JAMF is and what it does for the campus. The committee members had questions that were addressed by both Javier and Patrick. Patrick mentioned that this information is being discussed for future standards. Patrick said that we will bring this to the next Standards meeting as a new standard to vote on.

Patrick went on to talk about laptop docking stations. A discussion took place and Patrick gave additional information on the subject. He said that a USB-C connection is included. We will continue working on this to make a future Standards meeting.

Patrick asked if there were any questions or comments. He then asked if there were any items from the floor. There were none.
