CALL TO ORDER:

Patrick called the meeting to order at 9:06 am.

APPROVAL OF MINUTES:

Approval of minutes moved by Michele Kingston, seconded by Aemiro Beyene. Motion passed with one abstention by Lui Amador.

INFORMATION TECHNOLOGY STANDARDS DISCUSSION:

Cloud Storage

Patrick informed the committee that we are keeping everything as is regarding "Cloud Storage" until Information Technology can evaluate it more in depth. He also spoke about "OneDrive" may be moving away from the "Z" drive etc. We still need to work on getting rid of "Roaming Profiles". There is more storage available to us on "OneDrive" and we will be continuing this conversation at future Standards' meetings.

Replacement Wi-Fi Project Update

Patrick gave an update on the Wi-Fi upgrade and replacement project currently underway. There have been 227 wireless access points replaced with 106 old internal and 20 old external remaining. A discussion took place with committee members regarding details i.e. blocking features, access areas changing, Lenovo issues.

IT Master Plan Update

We will be moving the phone system to fiber vs old copper system. In addition, more phone lines and redundancy will prevent phone systems from going down.

There will be a network upgrade in the evening sometime during Christmas break.

ITEMS FROM THE FLOOR:

Javier informed the committee that there will be an email out soon regarding a, " ZOOM standard configuration Change". Patrick also mentioned that Portal Guard would be moving to the Cloud on 12/20/2021 to avoid single point failure. Randy Diaz asked if it would affect students as well and Patrick said yes, it will.

NEXT MEETING:

Patrick announced the next meeting would be on January 14, 2022 at 9:00 am.

ADJOURNMENT:

Meeting adjourned at 9:23 am.
