1. CALL TO ORDER

Don Mueller called the meeting to order at 1:05 p.m. via ConferZoom.

2. APPROVAL OF THE OCTOBER 20, 2021 MEETING SUMMARY

The October 20, 2021 minutes were approved. Judi Holmes and Timothy Chatman both abstained.

3. RAVE GUARDIAN SAFETY APP

Don Mueller said that the Rave Guardian is working well and that it was used during the Great Shakeout Earthquake Drill. It is a good thing to have on our cell phones, since it seems to work quickly. It is quite reliable right now. If anyone thinks of anything to add to it, please let him know. Also, there are QR codes at every kiosk, so it can be scanned right onto their phones.

4. NEW RADIOS

Don Mueller mentioned that updates to all their radios/MDC/Dispatch will be going to the Board tonight approval. New antenna will be on top of the Fine Arts building. We currently have an agreement with Cal State Long Beach that if our 911 systems go down, they are our back up. Basically, a switch that we flip that rolls all our calls to them. We will be changing our back up to El Camino College.

5. ITEMS FROM THE FLOOR

Anthony Parker said that some people had concerns about the dust at the construction projects on campus. The construction crews use measures to minimize the dust during construction, i.e. watering down the areas as they are working.

Don Mueller said he had another update: Campus Police is looking to purchase E-Bikes for some of his officers. They are doing some research on pricing, at the moment.

Nancy Buvinger said that Human Resources has been working with Patricia Swint, from Keenan & Associates, on training in regards to safety. This probably won't be until after the first of the year. Also, to bring Keenan to one of our Safety meetings.

The meeting for December 15, 2021 is cancelled.

6. NEXT MEETING DATE

The next meeting is scheduled for January 19, 2022 via ConferZoom.

7. ADJOURNMENT

The meeting adjourned at 1:30 p.m.
