

OFFICE OF THE PRESIDENT/SUPERINTENDENT
PRESIDENT'S CAMPUS UPDATES

February 24, 2021

Dear Colleagues,

As employees of Cerritos College under the designated state category of [Phase 1B](#), vaccination appointments are now available to interested educators who reside in Los Angeles County.

Appointments can be made by visiting: <https://myturn.ca.gov/>

IMPORTANT: When selecting the county, due to a glitch on the website, designate "Long Beach" as the county in order to proceed, and select "Education" as the field of employment.

You will see that the sites offer Moderna or Pfizer vaccines. You will need to take your pay stub for proof of employment along with a valid California ID.

Jose

Jose L. Fierro, D.V.M., Ph.D.
President/Superintendent
