

2024 Women's History Month

Elizabeth Palmer Peabody, Radical Pedagogy, and Consciousness Raising

March 26 | 7 p.m.

ZOOM

Elizabeth Peabody was involved in a variety of reform activities including women's suffrage, world peace, and Native American rights. A philosopher of education, she started the first Kindergarten and advocated for learning through play.

Dr. Ted Stolze will explore her radical pedagogy and her activism. Let's discuss!

The Philosophy Club meets every Tuesday at 7 p.m. on Zoom. Anyone is welcome to stop by and discuss the topic. Come to one or all the meetings.
