

2024 Women's History Month

Women in Accounting and Finance

March 19, 2024

11 a.m. - 12:15 p.m. | SS136

ZOOM:

Password: 721100

Student Facilitator: Rei Kamio

Women executives and managers from accounting firm Holthouse Carlin and Van Tright LLP (HCVT) will engage with students from the Cerritos College Accounting Club and the broader college student body in a panel fashion discussion about their work experiences and careers in the accounting and finance industry. Students will have the opportunity to ask questions about what they've learned, and engage in dialogues with professional and accomplished women who have successfully navigated being a woman in the modern workplace.
