

Cerritos College
Child Development Center

Evening Care for Children, Ages 3-5 – Beginning Fall Semester, August 13, 2018

For Student Success

The Child Development Center is offering an “Evening Care” for children of Cerritos College students and Faculty members who are taking and teaching evening classes.

- The program offers developmentally appropriate experiences for children age 3 to 5
- A healthy Dinner/Supper would be provided under the guidelines of the Child Care and Adult Care Food Program
- A rest period for children offered as needed

Times

Monday-Thursday

5:30-10:00 P.M. - Drop-off or pickup will not be permitted outside these hours.

Location

Cerritos College Child Development Center Laboratory School

Who is Eligible to Attend the Child Development Center?

Children ages 3-5 years old of parents attending Cerritos College courses or Faculty members teaching evening College classes.

Capacity & Cost

The program will begin with a maximum of **24** children with the following two options:

Option A: 18 spots available for children who enroll for the entire semester
Option A: Monthly rate \$500. The Center also provides subsidized rates for eligible families under the California State Preschool Program (CSPP). Children must attend on a regular basis for the semester enrolled.

Option B: 6 spots available for daily drop-off
Option B: Daily rate \$ 25.00 for drop-off services

Registration

Registrations starts on May 1, 2018. Registration form is available at the Child Development Center Office or you can download the [Evening Request form](#). Submit the form at the Child Development Center Office.
