# NANCY KELLY FIELD

Along with the dedication, the field was renovated and is considered to be one of the finest community college softball facilities in the state. The dimensions of the field are 200-feet to all fields, while there are also additional bleachers that can hold up to 500 spectators.

In recognition of her dedication to the college and the athletic program, the college named the field in Kelly's honor on February 22, 2001 in a special ceremony. During her 23 years as the head coach, Kelly led the team to 15 Southern California Regional Playoff appearances, five South Coast Conference Championships in addition to their state title when they posted a 33-2 record. The year before, she led the team to a 27-3 mark and were the Southwest AIAW runner-up as well as the National AIAW runner-up.

In addition to her name dedication, Kelly has also helped establish the Nancy Kelly Academic Scholarship, which is awarded to a student-athlete who attended Cerritos College for two years, played softball for two years and qualifies to transfer under the National

**L**ocated on the Cerritos College campus directly south of the tennis courts and just west of the football stadium, Nancy Kelly Field is one of only two athletic fields at the college to be named after its first coach. From 1976 through 1997, Nancy Kelly directed the Cerritos College softball program to 502 career wins and the first state championship back in 1978. It also marked the first year the state championships were held.

## NANCY KELLY - OUR GUARDIAN FALCON

Coach Kelly, our guardian Falcon, not only sees to it that our softball complex has funding for upgrades, she personally funds a scholarship to the outstanding student athlete from the softball program each year. I believe this is the only two-year book scholarship donated from a personal source to a softball student/athlete in the state of California.

### The NANCY KELLY SCHOLARSHIP award winners are:

- 2003 ..... Michelle Santillian
- 2004 ..... Manisha Vadgama
- 2005 ..... Nicole Deel
- 2006 ..... Mayra Oliden
- 2007 ..... Manisha Vadgama
- 2008 ..... Katie Colln  
Jenel Guadagno

Coach Kelly, on behalf of myself, Kodee Murray, and all the athletes that have and will pass through the gates of Nancy Kelly Field, we would like to thank you for what you have done and continue to do for us - the Cerritos Softball Family. We realize that without people like you, we may never have gotten this opportunity. Our goal is to represent the Cerritos College Softball Program with utmost respect and integrity.

Thank you again!
