Cerritos advances to final behind two Cornejo goals

Staff Reports

There wasn't much celebration by the Cerritos College women's soccer team following its 3-0 victory over Fresno City College on Friday morning at Fresno Pacific University. The Falcons are saving that for Sunday.

Beatriz Cornejo scored a pair of goals, and goalie Chantal Cervero needed just two saves as Cerritos advanced to Sunday's COA Women's Soccer Championships title game by shutting out the Rams

rebound past FCC goalie Barbara Hansen. Just before halftime, Cornejo scored again on a cross from Villegas, and the Falcons took a commanding 2-0 lead into halftime.

The Rams turned up the pressure in the second half and forced Cervero to make a pair of quick saves. But Cerritos withstood the onslaught, and Villegas closed the scoring in the 57th minute. It was her 32nd goal of the season, tying the school's single-season record
