

**OPTION A**  
**(ASSOCIATE OF SCIENCE IN NURSING DEGREE – ASN)**  
*(requirements beginning Fall 2024)*

The Cerritos College Nursing Program offers eligible candidates who are selected for admission, the opportunity to prepare for professional nursing through the pursuit of specific knowledge and skills. Option A applicants complete the entire two years (4 semesters) of nursing studies. Graduates receive an Associate of Science (ASN) Degree and are eligible for the National Counsel Licensure Examination for Registered Nurses (NCLEX-RN) examination for licensure as a Registered Nurse.

**Option A APPLICANTS** must complete required prerequisites and submit the [application](#) electronically during the annual application cycle (opens in January, closes in February).

ALL Option A applicants will be screened using the **Multiselective Criterion (MSC)**. 50% of the admission for the following academic year will be filled from the applicants with the highest points on the MSC. The other 50% of admission will be filled by a random selection process (lottery).

Applicants must be fully eligible, and applications must be complete when submitted; no additional information may be added after it has been submitted and no late applications will be accepted.

No waitlist is maintained. If an applicant is not admitted and has continued interest in the Cerritos College Nursing Program, the applicant must reapply during following cycle.

**PREREQUISITES**

- A&P 150, A&P 151, ENGL 100, and MICR 200 with GPA of 2.5 or higher
  - Only ONE of the prerequisite courses (A&P 150, A&P 151, ENGL 100, MICR 200) can be repeated for a grade of “C” or higher. Two or more repeated prerequisites due to grades of “D” or “F” will disqualify the applicant.
  - A 6-year recency on all science prerequisites is highly recommended but not required.
  - If an applicant repeats a prerequisite for recency and passed the prerequisite with a “C” or higher the first time taken, that is not considered a “repeat prerequisite.”

**ADDITIONAL REQUIREMENTS**

- Must be at least 18 years of age
- Completed high school or have a GED
- General Education requirements (complete one course in each area):
  - COMM 100, 120, 125, 130, or 132
  - CS 108, HIST 101, 102, 103, 108, POL 101 or 201
  - PSYC 251
  - SOC 101, 201, 210, 215, ANTH 100, or PHIL 104
  - Humanities or Fine Arts
- In addition to the courses listed above students seeking to transfer should complete [Plan B](#) or [Plan C](#) for the CSU system or [Plan C](#) for the UC system
- Cumulative GPA of 2.5 or higher for all prerequisite courses as well as completed college coursework
- TEAS Exam  $\geq$  62% **OR** HESI Exam  $\geq$  70% (HESI must have a science section)

**NURSING CURRICULUM PATHWAY**  
(curriculum beginning Fall 2024 and beyond)

<b>NURSING SEMESTER 1</b>	<b>Semester Units</b>
ADN210: Foundational Concepts of Nursing: Lecture and Clinical	5.0
ADN215: Healthcare Participant: Lecture and Clinical	3.0
N200A: Pharmacology I: Lecture	1.0

<b>NURSING SEMESTER 2</b>	
ADN220: Nursing Health and Illness Concepts: Lecture and Clinical	5.0
ADN225: Maternal Newborn Health Concepts	3.0
ADN200B: Pharmacology 2	1.0

<b>NURSING SEMESTER 3</b>	
ADN230: Nursing Health and Illness Concepts 2	4.5
ADN235: Mental Health Concepts	3.5
ADN200C: Pharmacology 3	1.0

<b>NURSING SEMESTER 4</b>	
ADN240: Nursing Health and Illness Concepts3: lecture and clinical	4.5
ADN245: Nursing Health and Illness Concepts 4: lecture and clinical	4.5
<b>TOTAL</b>	<b>36 Nursing Units</b>

### **OPTIONAL: CONCURRENT ENROLLMENT PATHWAY (CEP)**

Cerritos College has partnered with National University (NU) Nursing to provide a Concurrent Enrollment Pathway (CEP) program for qualified applicants. Qualified applicants have applied for admission to the Cerritos College (CC) Associate of Science in Nursing (ASN) Registered Nursing (RN) program, have met all program eligibility requirements, and have been selected for admission may also apply for the CEP pathway if they have met all CEP eligibility requirements.

A CEP applicant agrees to be dually enrolled in the CC ASN-RN Program and NU Bachelor of Science in Nursing (BSN) Program, concurrently, and complete simultaneous coursework for each higher education institution. The student will complete 9-units with Cerritos College and 3-units with National University each semester. The graduate from the CC ASN-RN CEP will earn an ASN and will be eligible to apply for the National Council Licensure Examination for Registered Nurses (NCLEX-RN) for licensure as a Registered Nurse in the State of California. Upon completing the ASN and successfully passing the NCLEX-RN examination for licensure (following licensure), the graduate will then seamlessly continue their bachelor studies with NU, completing the remaining units for their BSN in less than one year.

#### **CEP Eligibility Requirements:**

- Complete and submit the CC Nursing Program application by the deadline.
- Meet ALL eligibility requirements for the CC Nursing Program (pre-requisites, GPA, TEAS score)
- Receive at least 60 points on the Multiselective Criterion (MSC).
- Be eligible for CSU/IGETC certification:
  - Students can request certification from Cerritos College if they have completed 12 or more units at Cerritos College  
<https://www.cerritos.edu/admissions-and-records/transcripts/ge-igetc-request.htm>.
  - Students who have not completed 12 or more units at Cerritos College may request certification through their primary college of attendance.
  - Students who have completed a Bachelor's Degree at a college or university accredited in the U.S. will not be required to be certified.
- The applicant is responsible for ensuring that ALL unofficial up-to-date transcripts and other necessary documentation have been received by the CC Nursing Program at the time of application.

*\*Tuition for courses taken at NU will be at a discounted rate of \$880.00 per course. Additional fees for books, etc. will apply\**
