

# Facilities

## Purpose and Goals

The mission of the Facilities Department is to provide a safe and physically sound campus environment that promotes student success and a quality work place for our faculty, staff, and community.

## Student Population Served

The Facilities Department serves all students and employees by providing a safe learning environment. Maintaining safe and functional facilities is crucial for fostering an atmosphere conducive to learning and productivity. This includes ensuring that buildings are well-maintained, equipped with necessary safety features, and accessible to all individuals.

## Number of Students Served Annually and Capacity

All students and employees are impacted by the work performed by the Facilities Department. Areas of responsibility include bond management and construction, events management, facilities management, and operations and maintenance.

## High-Impact Interventions

Facilities staff are regularly trained in areas of safety, use of equipment, and in emergency response procedures to effectively handle any unforeseen situations that may arise. The Facilities Department provides around the clock services throughout campus to ensure our facilities are safe and well maintained.

## Intended Impacts and Measured Outcomes

Prioritizing safety and functionality in campus facilities contributes to the overall well-being and success of our students and employees.

## Did You Know?

On average, the Facilities Department addresses 2,600 work orders annually. Moreover, Cerritos College just completed its 20th year of the general obligation bond construction program which has allowed us to complete more than 50 projects including two LEED certified buildings, the Health and Wellness Complex, and the Performing Arts Center.
