The President/Superintendent delegates the authority to the Vice President of Business Services to ensure that all information technology-related contracts address accessibility requirements per 29 U.S. Code, Section 794d.

Whenever the District enters into a contract for the purchase, development, procurement, maintenance, or use of any electronic or information technology, the vendor shall certify that it complies with the requirements of Section 508 of the Rehabilitation Act of 1973 (29 U.S. Code, Section 794d) and its related regulations. This requirement shall apply to software applications, operating systems, web-based intranet and internet information and applications, telecommunications products, video or multimedia products, self-contained closed products such as copiers, and desktop and portable computers.

Each contract with such a vendor shall contain the following provision:

"The vendor hereby warrants that the products or services to be provided under this agreement comply with the accessibility requirements of Section 508 of the Rehabilitation Act of 1973, as amended, and its implementing regulations. Vendor agrees to respond promptly to and resolve any complaints regarding accessibility of its products or services that are brought to its attention. Vendor further agrees to indemnify and hold harmless the District from and against any claim arising out of its failure to comply with these requirements. Failure to comply with these requirements shall constitute a breach and be grounds for termination of this agreement and/or action for damages."
