9 Employees and students who use District computers and networks and the information
10 and related resources they contain have a responsibility not to abuse those resources
11 and to respect the rights of others. The President/Superintendent shall establish
12 procedures that provide guidelines to students and staff for the appropriate use of
13 information technologies. The procedures shall include that users must respect software
14 copyrights and licenses, respect the integrity of computer-based information resources,
15 refrain from seeking to gain unauthorized access, and respect the rights of other computer
16 users.
