This cover page contains certain information for quick reference only. It is not a summary of this issue. Investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision. Capitalized terms used on this cover page not otherwise defined shall have the meanings set forth herein.

The Cerritos Community College District (Los Angeles County, California) Election of 2004, General Obligation Bonds, Series 2012D (the "Bonds") were authorized at an election of the registered voters of the Cerritos Community College District (the "District") held on March 2, 2004 at which more than fifty-five percent of the persons voting on the proposition voted to authorize the issuance and sale of \$210,000,000 principal amount of general obligation bonds of the District (the "Authorization"). The Bonds are being issued to finance the acquisition, construction, modernization and renovation of District sites and facilities, to retire the District's outstanding 2011 General Obligation Bond Anticipation Notes maturing on April 30, 2012, and to pay the costs of issuance associated with the Bonds.

The Bonds are general obligations of the District, payable solely from the proceeds of *ad valorem* property taxes. The Board of Supervisors of Los Angeles County is empowered and obligated to levy *ad valorem* taxes, without limitation as to rate or amount, upon all property within the District subject to taxation thereby (except certain personal property which is taxable at limited rates), for the payment of principal and Maturity Value of and interest on the Bonds when due.

The Bonds will be issued in book-entry form only, and will be initially issued and registered in the name of Cede & Co. as nominee for The Depository Trust Company, New York, New York ("DTC"). Purchasers of the Bonds (the "Beneficial Owners") will not receive certificates representing their interest in the Bonds.

The Bonds will be issued as current interest bonds (the "Current Interest Bonds") and capital appreciation bonds (the "Capital Appreciation Bonds"). Interest on the Current Interest Bonds accrues from the date of delivery of the Bonds (the "Date of Delivery"), and is payable on February 1 and August 1 of each year, commencing February 1, 2013 (each, a "Bond Payment Date"). The Capital Appreciation Bonds are dated the Date of Delivery and accrete interest from such date, compounded semiannually on February 1 and August 1 of each year, commencing August 1, 2012. The Capital Appreciation Bonds are payable only at maturity and will not pay interest on a current basis.

Payments of principal or Maturity Value of and interest on the Bonds will be made by the designated Paying Agent, Bond Registrar and Transfer Agent (the "Paying Agent"), to DTC for subsequent disbursement to DTC Participants (defined herein) who will remit such payments to the Beneficial Owners of the Bonds. See "APPENDIX E – BOOK-ENTRY ONLY SYSTEM." U.S. Bank National Association, Los Angeles, California, has been appointed as agent of the Treasurer and Tax Collector of Los Angeles County to act as Paying Agent for the Bonds

The Bonds are subject to optional redemption and mandatory sinking fund redemption prior to their stated maturity dates as described herein.

MATURITY SCHEDULE

A default under this Disclosure Certificate shall not be deemed an event of default under the Resolutions, and the sole remedy under this Disclosure Certificate in the event of any failure of the District to comply with this Disclosure Certificate shall be an action to compel performance.
