President's Message
January 31, 2017

Dear Colleagues:

I would like to thank everyone who participated in the FAR Bazaar specially, James Mac Devitt. Please know your hard work and time spent on preparations definitely translated into a great event. I had the opportunity to be on campus Saturday and was especially impressed by the quality and creativity of the different pieces. Here is a [link](#) to one of my favorite rooms.

Thanks to you, Cerritos College was able to contribute to the historical significance of hosting the largest bazaar ever, and pay homage to the rich history of celebrating the arts in Southern California. Exposure to the arts is an integral part of our development and society, and I am proud not only of the role we played to garner awareness and spark discussions this weekend, but also of your role in facilitating education in the arts on a daily basis.

Best,
Jose Fierro, D.V.M., Ph.D.
