Dear Colleagues,

I am happy to report that we are narrowing our search to fill the Vice President of Academic Affairs position. The initial interviews have been scheduled April 12, 13 and 15. Following the initial interviews, the Human Resources Office will send an email notification announcing the names of the finalist. The final interviews and campus forums will take place April 17, 18 and 19. All forums will be at 11:00 a.m. in the Teleconference Center. Please come, meet the candidates, and provide your informal feedback to the committee.

Best,
