President's Message
November 20, 2017

Dear Colleagues,

I am excited to inform you that *Cerritos Complete* has been selected as one of 10 Bellwether Award finalists. [The Bellwether Award](#) recognizes outstanding, innovative programs in higher education. It is often known as “the award of awards” because of its prestige and reputation for having a very competitive process. As one of the top 10 schools across the country, this honor is an incredible accomplishment for Cerritos College. Our team has been invited to give a presentation about Cerritos Complete at the 2018 Community College Futures Assembly on Monday, January 29, 2018 in Orlando, Florida. We are looking forward to the opportunity to highlight our program on a national stage. You can read more about the award in [our press release](#).

12 Falcon Days:

Day one be thoughtful: Thank a Student or a Colleague

I would like to thank everyone who has made this a reality and particularly our Educational Partnerships and programs team.

Congratulations to all!

Thanks,

Jose L. Fierro, D.V.M., Ph.D.
