President's Message
November 29, 2016

Dear Colleagues:

The California Community Colleges Chancellor's Office has joined the UC and CSU systems in calling for President-Elect Trump to preserve the Deferred Action for Childhood Arrivals (DACA) program. By joining forces we can advocate from a stronger position and ensure that our voice is heard in Washington DC. Cerritos College is in full support of the incoming Chancellor Eloy Oakley's decision to join the CSU and UC systems. Here is the [link](#) for the press release, distributed today by the state Chancellor's Office.

Best,
Jose Fierro, D.V.M., Ph.D.
President/Superintendent
