President's Message
March 15, 2018

Dear Colleagues,

Thank you to everyone who attended our 7th annual [Hall of Fame](#) event on Thursday, March 8. Many friends of the college attended the event, and we had a great time honoring this year's inductees:

- Samie (Garcia) Zuidema, Female Athlete
- Willie Joseph, Male Athlete
- Robert Foerster, Coach
- Randy Gordon, Alumnus
- Janice Cole, Classified
- Wendell Hanks, Faculty

This year, we added more fun to the celebration by hosting a live auction. Rhonda Burd and Dr. Jerry Roodzant won a Naples Island Sailing Tour for Four with the Leutheusers; Steve Richardson won a 7-Night Mediterranean Cruise; and I am looking forward to flying with Erik Duane, who won a flight and flying lesson with our pilot Miodrag Micic on his Piper Cherokee 180.

The Hall of Fame event is a collaborative effort between the College and the Foundation and it is always a pleasure to work with Steve on projects that raise funds for our students. I would like to extend my appreciation for the team who worked tirelessly to ensure that everyone had a great time at the event:

- Alicia Edquist
