The college participates in an annual Employee Commuter Survey. The survey keeps the campus in compliance with Rule 2202 of the South Coast Air Quality Management District. In addition, the survey tracks how employees travel to campus over a five-day (Monday through Friday) period and yields an Average Vehicle Ridership number and measures the effectiveness of Cerritos College's Rideshare Program.

The survey takes approximately two minutes to complete. You will be reporting your commute mode and scheduled work report time for each day of the survey period (February 26-March 2, 2018). Please access the survey at: [Cerritos Community College AVR Online Survey Collection](#).

Participation of all college employees in this survey is mandatory, even if you were on vacation, out sick or had a regular day off during the survey week. **The deadline to complete the survey is Friday, April 13 at 5:00 p.m.** All responses, including your personal information, will be kept confidential.

Thank you for completing this survey. Your cooperation is greatly appreciated and will assist the college in meeting our employee commuter program goals. If you have any questions regarding this survey, please feel free to contact Michelle Wheatley, Campus Police Assistant, at extension 2326 or at [mwheatley@cerritos.edu](mailto:mwheatley@cerritos.edu).

Best,  
Jose Fierro, D.V.M., Ph.D.
