President's Message
July 12, 2017

Dear All,

It is hard to believe that the fall semester is almost here. I know you have been working hard preparing for the fall semester and making sure our students and faculty have everything. Now it is time for you to take care of yourself and take some time off to rejuvenate and relax before the beginning of the fall semester. If you have not taken a few days off, I encourage you to take them and spend some time with family and friends.

Have a good rest of the week!

Best,
Jose Fierro, D.V.M., Ph.D.
President/Superintendent
