Good Evening Colleagues,

I am always so excited to highlight the excellent work happening at our college. It is with great pride that I share with all of you that the **Cerritos College Gallery was selected as one of 15 best college art galleries in Southern California by [LA Weekly magazine](#).**

The Cerritos College Gallery is a lively place and one of my favorite spots on campus. I always look forward to the "Monday Window Dressing" and to all of our different shows. If you haven't attended one of the shows, I would like to encourage you to attend; I assure you, you will have a good time.

Congratulations to everyone who makes the Cerritos College Gallery and special place for our students and community, and especially to our Gallery Director James MacDevitt.

Best,
Jose Fierro, D.V.M., Ph.D.
