PRESIDENT'S CAMPUS UPDATES

May 1, 2020

Dear Colleagues,

I want to take a moment to share some fantastic news with all of you. Today, our Financial Aid team, led by Juan Mercado, Jaimie Quiroz, and Lui Amador, awarded **\$2,751,900** to 7,329 Cerritos College students. This allocation is our first disbursement to students from the Cares Act. Please join me thanking our Financial Aid team for making this a priority and getting these resources to our students so quickly.

Have a great weekend,
Jose
