

OFFICE OF THE PRESIDENT/SUPERINTENDENT
PRESIDENT'S CAMPUS UPDATES

May 5, 2020

Good Morning Colleagues,

I hope your week is off to a positive start. Collectively, the Board of Trustees and the Administration recognize that the abrupt transition to working from home has been trying for every one of us. All of us have had to make adjustments to our home environment so that we can continue to operate effectively. To offset some of the costs associated with those adjustments, the District will be distributing a one-time stipend of \$500 to each full-time employee of the District and part-time Faculty employed with the District on March 13, 2020.

This \$500 stipend will also be provided to our emergency personnel who are still working on campus.

On behalf of the Board of Trustees, I want you to know that your efforts to serve our students and community are appreciated. We thank you for keeping Cerritos College going strong.

Jose
