

OFFICE OF THE PRESIDENT/SUPERINTENDENT
PRESIDENT'S CAMPUS UPDATES

July 3, 2020

Good Morning Colleagues,

Once more I would like to thank everyone who participated in the Week of Action. We have been reviewing all the information that many of you submitted and as a result of this, I had the opportunity to deliver a presentation to the Cerritos Board of Trustees last Wednesday. During this presentation, we stated our commitment to the Chancellor's Call of Action applying strategies suggested by many of you during the week of action. Please find our action plan and the presentation delivered to the board here: BoardDocs - [Action Plan and Video Presentation](#)

Our measure of success as we move to develop a more equitable institution for our students will be measured by closing the achievement gaps that currently exist among our student groups (disproportionally impacted groups). If we are to become equitable for all, all of our students should have the same opportunities to be successful and reach the same levels of success regardless of the color of their skin or their background.

I hope you take a moment to review the [action plan](#); these actions will be incorporated into the Board/President Annual Goals. In addition, we are calling upon all campus committees to discuss our [Diversity Statement](#) at the start of the fall semester.

Thank you for all you do and enjoy the holiday weekend.

Jose
