

OFFICE OF THE PRESIDENT/SUPERINTENDENT
PRESIDENT'S CAMPUS UPDATES

September 16, 2020

Dear Colleagues,

At tonight's Board meeting, the Board of Trustees discussed the upcoming spring 2021 semester. Because we remain in a declared public health emergency at the national, state and local level, we agreed to deliver **spring 2021 classes and services in a primarily remote/online environment--much the same as we are doing this fall semester.**

I appreciate the countless hours of collaboration with each of our constituent groups that led to this decision. While we recognize this is in the best interest of our Cerritos College family and community, it is still a difficult decision to make.

On behalf of the Board, please know that we appreciate your resiliency and tremendous dedication. Despite adversity, we will rise to the occasion as we always do. I am very proud of each of your efforts to make this the best possible experience for our students and one another.

With gratitude,

Jose
