

Office of the
President

January 16, 2025

Colleagues,

This spring and summer, Executive Council is bringing you **EC Connect** – a series of exciting activities for us all to connect, level up professionally, and have some fun along the way. Whether you're looking to learn, network, or just enjoy a good time, there's something for everyone!

Are you curious about EC Connect? **Our first activity will be held next week, on January 22nd.** We will shortly send out the official email invitation with the details.

What else is in store? Here are a few hints:

1. Something that brews + something you take twice a day at work
2. Something you come to 40 hours a week plus something that grows in the sun
3. Board, card, video, sports – what category do these belong to?
4. Where you'll likely find Executive Council grilling burgers soon

We can't wait to connect this semester. See you on the 22nd!
