

Office of the
President

January 7, 2025

Dear colleagues,

A High Wind Warning and Red Flag Warning are in effect for our area, with strong winds expected today and tomorrow. Please take precautions to ensure your safety.

Key Details:

- High Winds: Winds may reach speeds of 30-40 mph, with gusts up to 60 mph.
- Safety Tips: Secure loose objects, avoid outdoor activities in exposed areas, and stay away from large trees or power lines.

For more detailed weather updates and resources, please refer to the following:
