College Degrees

American colleges and universities confer four general types of degrees – the associate, bachelor's, master's, and the doctorate. These represent different levels of academic achievement.

THE ASSOCIATE IN ARTS DEGREE usually indicates the completion of two years of collegiate work above the level of high school. It is generally thought that this degree is conferred by only community and junior colleges, but, in fact, it is also granted by some four-year institutions.

THE BACHELOR'S DEGREE usually is conferred upon the completion of a four-year course of study and is the most common as well as the oldest collegiate degree used in the United States. The Bachelor of Arts degree was first conferred by Harvard College in 1642 and for 125 years was the only earned

degree used in colleges and universities in the United States.

THE MASTER'S DEGREE represents one year or more of advanced study beyond the bachelor's degree. In some instances, two years are required to complete courses in specialized fields.

THE DOCTORATE is usually the most advanced degree. It usually takes at least three years beyond the bachelor's degree, but often longer, to complete all of the requirements for this degree. There are three main types of doctorate degrees – professional, research and honorary.

The following is a partial list of the colors which have been designated to represent the various areas of learning:

Arts and Letters, Humanities . . .	White	Medicine	Green
Business	Drab	Music	Pink
Dentistry	Lilac	Nursing	Apricot
Education	Light Blue	Oratory (Speech)	Silver
Engineering	Orange	Pharmacy	Olive
Fine Arts	Brown	Philosophy	Dark Blue
Home Economics	Maroon	Physical Education	Sage Green
Journalism	Crimson	Science	Gold-Yellow
Law	Purple	Theology or Divinity	Scarlet
Library Science	Lemon	Veterinary Science	Gray

Honor Graduates

The honor graduates are identified by the gold cord worn with their regalia. Graduates who achieve a 3.3 to 3.69 grade point average will graduate "With Honors". Those earning a 3.70 to 4.0 will graduate "With Highest Honors". Students achieving "Honors" are designated by one asterisk

Cerritos College Alma Mater

Hail, Alma Mater

*Your Sons and Daughters sing of the school
that they love so well*

*Loyal one, faithful, truthful, courageous,
These are the truths we learned beneath thy wing;*

In our hearts we'll always cherish memories

*In our minds we carry knowledge
gained from thee*

Hail Alma Mater

*Blue and White we honor
Your name Cerritos College.*
