College Degrees

American colleges and universities confer four general types of degrees – the associate, bachelor’s, master’s, and the doctorate. These represent different levels of academic achievement.

THE ASSOCIATE IN ARTS DEGREE

usually indicates the completion of two years of collegiate work above the level of high school. It is generally thought that this degree is conferred by only community and junior colleges, but, in fact, it is also granted by some four-year institutions.

THE BACHELOR’S DEGREE

usually is conferred upon the completion of a four-year course of study and is the most common as well as the oldest collegiate degree used in the United States. The Bachelor of Arts degree was first conferred by Harvard College in 1642 and for 125 years was the

only earned degree used in colleges and universities in the United States.

THE MASTER’S DEGREE

represents one year or more of advanced study beyond the bachelor’s degree. In some instances, two years are required to complete courses in specialized fields.

THE DOCTORATE

is ordinarily the most advanced degree. It typically takes at least three years beyond the bachelor’s degree, but often longer, to complete all of the requirements for this degree. There are three main types of doctorate degrees – professional, research, and honorary.

The following is a partial list of the colors which have been designated to represent the various areas of learning:

Arts, Letters, Humanities . . . White	Medicine Green
Business Drab	Music Pink
Dentistry Lilac	Nursing Apricot
Education Light Blue	Oratory (Speech) Silver
Engineering Orange	Pharmacy Olive
Fine Arts Brown	Philosophy Dark Blue
Home Economics Maroon	Physical Education . . . Sage Green
Journalism Crimson	Science Gold-Yellow
Law Purple	Theology or Divinity Scarlet
Library Science Lemon	Veterinary Science Grey

Honor Graduates

The honor graduates are identified by the gold cord worn with their regalia. Graduates who achieve a 3.3 to 3.69 grade point average will graduate “With Honors”. Those earning a 3.70 to 4.0 will graduate “With Highest Honors”. Students achieving “Honors” are designated by one asterisk (*) and students achieving “Highest Honors” are designated by two asterisks (**) in this program.

The Academic Procession

One of the most colorful parts of the commencement exercises is the academic procession, the opening part of the time-honored and traditional ceremonies. The processional includes all of the participants of the exercises, the graduating class, faculty, board of trustees, and participating guests.

The graduating class wears the solid black gown marked with no hood or color. The college's faculty, which includes its instructors, counselors, and administrative staff, along with the trustees and the program guests, wear gowns indicative of their academic rank. The processional is indeed one of the most impressive of all collegiate ceremonies.

The heritage of the cap and gown, with the colorful spectacle of the academic array, dates back to the twelfth century and the establishment of the first universities in Europe. Although there have been many changes in design and color, each individual gown, with its rank, is symbolic of achievement in a special field.

The Continental System, still used by England and the rest of Europe, allows a distinctive design and color for each college and university. In the United States, however, a uniform intercollegiate Academic Code has been adopted. The code is a simple one, regulating the colors and materials to be used. Knowledge of a few of these rules permit the viewer to "read" the costume of any graduate

of an American educational institution and know at once the wearer's degree, the field or department in which it was earned, and occasionally the college from which the degree was received.

Faculty gowns are divided into three groups, dependent upon the degree of the wearer. The bachelor's gown is one made of black worsted material with long, pointed sleeves, and the front is closed at the neck. The master's gown is either of black silk or wool and has a long closed sleeve with an arc of a circle appearing near the bottom and a slit, at elbow length, for the arm. The gown is worn closed at the front. The doctor's gown is black silk with full, round, open sleeves. It is faced with velvet and has three velvet bars on each sleeve. The color of the velvet is usually black but it may be of the same color of velvet as that which edges the hood. The gown is worn closed at the front.

The traditional black mortarboard-style cap is worn for all degrees, the only difference being the tassel. For bachelor's and master's degrees, it is usually black, but occasionally it is the color of the velvet on the hood. The doctorate tassel is gold and may be worn on a tam.

The academic costume is set off by the most distinctive of all insignia, the hood. The hood is made of black material to match the gown and varies in length according to the degree: bachelor's, three feet; master's, three and one-half feet; and doctorate, four feet. Each hood has a velvet edge of varying widths according to the degree: two inches, three inches, and five inches respectively. The edging is carried around to the front of the neck to form a neck band. The color of this velvet trim indicates the field or department of learning in which the degree was earned. All hoods have silk lining of the official color or colors of the college or university conferring the degree.

Cerritos College Alma Mater

Hail, Alma Mater

Your Sons and Daughters sing of the school
that they love so well

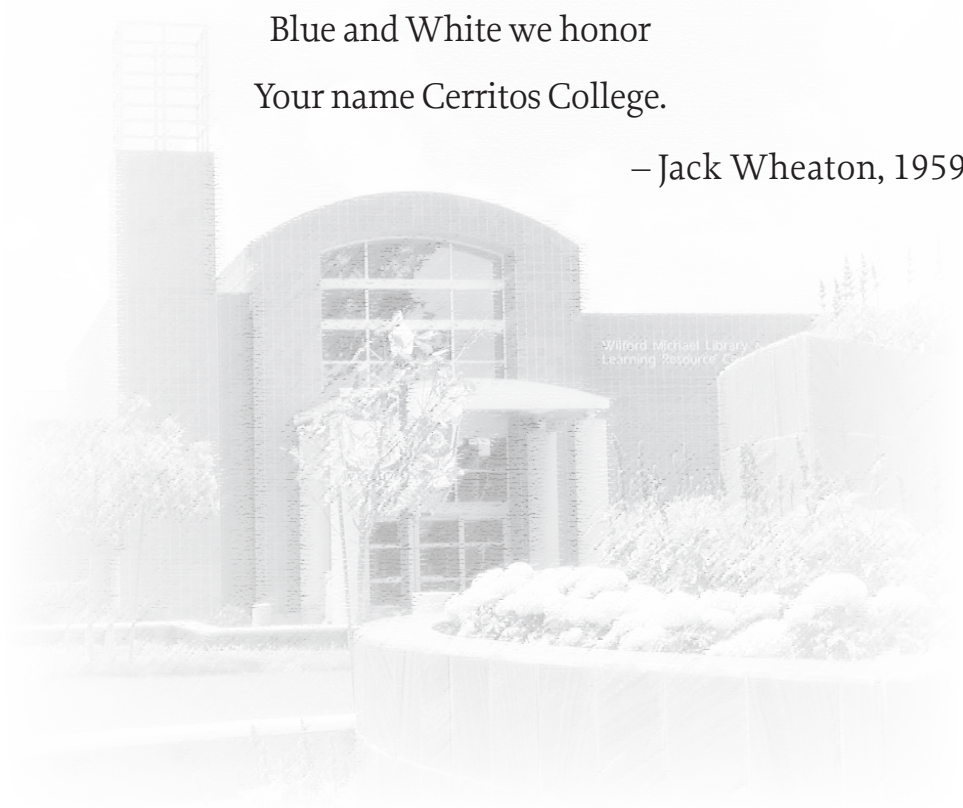

Loyal one, faithful, truthful, courageous,
These are the truths we learned beneath thy wing;

In our hearts we'll always cherish memories
In our minds we carry knowledge gained from thee

Hail Alma Mater

Blue and White we honor
Your name Cerritos College.

– Jack Wheaton, 1959

Congratulations to the graduates of 2022!

Cerritos College Foundation (CCF) welcomes you to the newly formed Cerritos College Alumni Association. You're automatically a part of our community if you took a few life-enriching courses, received a certificate, or obtained your associates degree here. Our Alumni Association is a great opportunity to expand your network, stay connected to the campus, and make a lasting impact on current Cerritos College students.

Graduates, you can leave your legacy at Cerritos College today by participating in your 2020 Class Gift Campaign! Your gift will provide an opportunity for future students to accomplish their educational goals. Make a gift of any size or consider making a \$20.20 in honor of your graduating class. Family and friends may also give a gift in your honor to the Class Gift!

Go online to give your gift TODAY! <http://cerritoscf.org/you-can-give/give-class-gift/>
