

Cerritos College

SIXTY-SIXTH ANNUAL COMMENCEMENT
FRIDAY, THE SEVENTEENTH OF MAY 2024

The President's Message

Dr. Jose Fierro
President/Superintendent
Cerritos College

Congratulations, graduates!

Today marks the first of many achievements in your life. As you receive your well-deserved diplomas, I hope you are excited about this next phase of your journey. Whether you continue in your education or start your career, know your time at Cerritos College prepared you for all the new challenges and opportunities you will face.

Your success is the reason we are here today. Cerritos College trustees, administration, faculty, and staff join you in the celebration of your extraordinary achievements and to thank those who helped support you in your academic and professional journeys.

Thank you for making Cerritos College an exceptional institution. We look forward to witnessing your continued growth and success in the years ahead.

Jose Fierro, D.V.M., Ph.D.
Cerritos College President/Superintendent

The Board President's Message

Dr. Sandra Salazar
Board President
Cerritos College

On behalf of the Cerritos College Board of Trustees, we extend our heartfelt congratulations to the Class of 2024!

As advocates for student success, we are honored to share this momentous occasion with you and your families. We recognize the importance of this moment. Your accomplishment not only places you and your family on a trajectory to a brighter path but serves as an inspiration for our future generations. The entire campus community, from the Board to our faculty, staff, and administrators, thanks you for your hard work and dedication.

Dr. Sandra Salazar
Cerritos College Board President

President/Superintendent

Dr. Sandra Salazar,
President, Board of Trustees

CLOSING REMARKS

Dr. Jose Fierro
President/Superintendent

RECESSIONAL

“Stars and Stripes Forever”
by Mr. John Philip Sousa
Cerritos College Band

Student Commencement Speaker

Ms. Annie Gutierrez

Student Commencement speaker Annie Gutierrez is earning a certificate and associate degree in dental assisting. She currently serves as the Vice President of the Dental Assistant Club of her graduating class. Born and raised in Lynwood, California in a single-parent household, Annie is the youngest of two. Her hard work, determination and dedication is instilled from her mother, an immigrant from Mexico.

Annie's academic career originated from her passion in art, with a focus in animation and technology. In 2019, she received the Student Exhibit Award for her work in graphic design. Her academic plans were halted when she was diagnosed with ovarian cancer in 2019, followed by having a mass extracted from her brain in 2021.

Annie's journey into healthcare was inspired by her experience after her diagnosis. The support in her life from family, friends, and medical specialists motivated Annie to explore a career change in a medical field to assist others.

Annie continues to practice art and enjoys designing video games and drawing animated characters. Annie is deeply committed to serving her community and extending the welfare that was shared towards her, emphasizing the importance of public services to underserved communities just as the one she hails from.

College Degrees

American colleges and universities confer four general types of degrees – the associate, bachelor’s, master’s, and the doctorate. These represent different levels of academic achievement.

THE ASSOCIATE IN ARTS DEGREE usually indicates the completion of two years of collegiate work above the level of high school. It is generally thought that this degree is conferred by only community and junior colleges, but, in fact, it is also granted by some four-year institutions.

THE BACHELOR’S DEGREE usually is conferred upon the completion of a four-year course of study and is the most common as well as the oldest collegiate degree used in the United States. The Bachelor of Arts degree was first conferred by Harvard College in 1642 and for 125 years was the only earned

degree used in colleges and universities in the United States.

THE MASTER’S DEGREE represents one year or more of advanced study beyond the bachelor’s degree. In some instances, two years are required to complete courses in specialized fields.

THE DOCTORATE is ordinarily the most advanced degree. It typically takes at least three years beyond the bachelor’s degree, but often longer, to complete all of the requirements for this degree. There are three main types of doctorate degrees – professional, research, and honorary.

The following is a partial list of the colors which have been designated to represent the various areas of learning:

Arts, Letters, Humanities.	White	Medicine	Green
Business	Drab	Music	Pink
Dentistry	Lilac	Nursing	Apricot
Education	Light Blue	Oratory (Speech)	Silver
Engineering	Orange	Pharmacy	Olive
Fine Arts	Brown	Philosophy	Dark Blue
Home Economics	Maroon	Physical Education	Sage Green
Journalism	Crimson	Science	Gold-Yellow
Law	Purple	Theology or Divinity	Scarlet
Library Science	Lemon	Veterinary Science	Grey

Honor Graduates

The honor graduates are identified by the gold cord worn with their regalia. Graduates who achieve a 3.3 to 3.69 grade point average will graduate “With Honors”. Those earning a 3.70 to 4.0 will graduate “With Highest Honors”. Students achieving “Honors” are designated by one asterisk (*) and students achieving “Highest Honors” are designated by two asterisks (**) in this program.

The Academic Procession

One of the most colorful parts of the commencement exercises is the academic procession, the opening part of the time-honored and traditional ceremonies. The processional includes all of the participants of the exercises, the graduating class, faculty, board of trustees, and participating guests.

The graduating class wears the solid black gown marked with no hood or color. The college's faculty, which includes its instructors, counselors, and administrative staff, along with the trustees and the program guests, wear gowns indicative of their academic rank. The processional is indeed one of the most impressive of all collegiate ceremonies.

The heritage of the cap and gown, with the colorful spectacle of the academic array, dates back to the twelfth century and the establishment of the first universities in Europe. Although there have been many changes in design and color, each individual gown, with its rank, is symbolic of achievement in a special field.

The Continental System, still used by England and the rest of Europe, allows a distinctive design and color for each college and university. In the United States, however, a uniform intercollegiate Academic Code has been adopted. The code is a simple one, regulating the colors and materials to be used. Knowledge of a few of these rules permit the viewer to "read" the costume of

any graduate of an American educational institution and know at once the wearer's degree, the field or department in which it was earned, and occasionally the college from which the degree was received.

Faculty gowns are divided into three groups, dependent upon the degree of the wearer. The bachelor's gown is one made of black worsted material with long, pointed sleeves, and the front is closed at the neck. The master's gown is either of black silk or wool and has a long closed sleeve with an arc of a circle appearing near the bottom and a slit, at elbow length, for the arm. The gown is worn closed at the front. The doctor's gown is black silk with full, round, open sleeves. It is faced with velvet and has three velvet bars on each sleeve. The color of the velvet is usually black but it may be of the same color of velvet as that which edges the hood. The gown is worn closed at the front.

The traditional black mortarboard-style cap is worn for all degrees, the only difference being the tassel. For bachelor's and master's degrees, it is usually black, but occasionally it is the color of the velvet on the hood. The doctorate tassel is gold and may be worn on a tam.

The academic costume is set off by the most distinctive of all insignia, the hood. The hood is made of black material to match the gown and varies in length according to the degree: bachelor's, three feet; master's, three and one-half feet; and doctorate, four feet. Each hood has a velvet edge of varying widths according to the degree: two inches, three inches, and five inches respectively. The edging is carried around to the front of the neck to form a neck band. The color of this velvet trim indicates the field or department of learning in which the degree was earned. All hoods have silk lining of the official color or colors of the college or university conferring the degree.

Cerritos College Alma Mater

*Hail, Alma Mater
Your Sons and Daughters sing of the school
that they love so well
Loyal one, faithful, truthful, courageous,
These are the truths we learned beneath thy wing;
In our hearts we'll always cherish memories
In our minds we carry knowledge gained from thee
Hail Alma Mater
Blue and White we honor
Your name Cerritos College.*

– Jack Wheaton, 1959

Congratulations to the

CERRITOS COLLEGE
ALUMNI

Graduates of 2024!

Cerritos College Foundation (CCF) welcomes you to the newly formed Cerritos College Alumni Association. You're automatically a part of our community if you took a few life-enriching courses, received a certificate, or obtained your associates degree here. Our Alumni Association is a great opportunity to expand your network, stay connected to the campus, and make a lasting impact on current Cerritos College students.

Graduates, you can leave your legacy at Cerritos College today by participating in your 2024 Class Gift Campaign! Your gift will provide an opportunity for future students to accomplish their educational goals. Make a gift of any size or consider making a gift of \$20.23 in honor of your graduating class. Family and friends may also give a gift in your honor to the Class Gift!

Go online to give your gift TODAY!
<http://cerritoscf.org/you-can-give/give-class-gift/>

For more information:
alumni@cerritoscf.org and <http://cerritoscf.org/be-alumni/>
