

Cerritos College

SIXTY-EIGHTH ANNUAL COMMENCEMENT

FRIDAY, THE TWENTY SECOND OF MAY 2026

The President's Message

Dr. Jose Fierro
President/Superintendent
Cerritos College

Congratulations, graduates!

Today is more than a celebration of academic achievement. It marks the beginning of the return on your investment in your future.

Throughout your time here at Cerritos College, you faced both personal and academic challenges, yet you chose to persist, supported by your peers, family, and community. As you accept your hard-earned diplomas, know that you carry forward not just the knowledge gained here, but a valuable return on investment. You developed the skills, built confidence, and opened the door to new careers, continued education, and the stability and independence to truly thrive.

On behalf of the Board of Trustees, administration, faculty, and staff, we celebrate your achievement and thank those who supported you along the way.

Thank you for being part of our Cerritos College community. We look forward to seeing how you continue to grow, lead, and realize the full return on your investment.

Jose Fierro, D.V.M., Ph.D.
Cerritos College President/Superintendent

The Board President's Message

Dr. Dawn Green
President, Board of Trustees

On behalf of the Cerritos College Board of Trustees, it is my honor to congratulate the Class of 2026!

We are proud to share in the joy and excitement of this celebration. Your dedication and perseverance in achieving your goals not only brought you to this moment, but reflect the power of opportunity for your peers, family, and future generations. Your commitment to excellence and growth serves as an inspiration to all who aspire to reach their dreams.

The entire Cerritos College community thanks you for your hard work and the positive impact you made on our campus. As you embark on the next chapter of your journey, we encourage you to carry forward the skills, knowledge, and values you developed during your time at Cerritos College.

Be proud graduates of Cerritos College and know the strength of this foundation and the opportunities it generates for your future.

Once again, congratulations Class of 2026!

Dr. Dawn Green
Cerritos College Board President

CLOSING REMARKS

Dr. Jose Fierro
President/Superintendent

RECESSIONAL

“Stars and Stripes Forever”
by Mr. John Philip Sousa
Cerritos College Band

Student Commencement Speaker

*Ms. Lynnette Sylvia
Bautista*

My name is Lynnette Sylvia Bautista, and I am a daughter, a mother, a student, and an advocate for those rebuilding their lives, graduating from Cerritos College with high honors in Business Administration. I have maintained a 4.0 GPA—earned while holding it all together through one of the most difficult times in my life, through sacrifice, resilience, and refusing to give up—and have earned recognition on the President's and Dean's Lists. I am also a proud member of Phi Theta Kappa and deeply honored to have been chosen as the commencement speaker for the Class of 2026.

I am a recipient of the Soroptimist Live Your Dream Award, the Ellen Carver Scholarship, and the Judy McDonnell Scholarship, and a semifinalist for the Jack Kent Cooke Undergraduate Transfer Scholarship. I will be transferring to California State University, Long Beach as part of the University Honors Program to pursue a Bachelor's degree in Finance, with plans to earn my MBA and beyond.

I was given the opportunity to work within EOPS, CARE, LINC, and NextUp as a CARE assistant under Stephanie Minami, where I found purpose in supporting student parents and giving back.

I grew up with limited resources, and my journey has not been easy. As a survivor of domestic violence, there was a time I lost everything—but I realized what truly matters cannot be replaced. My daughters became my reason to rebuild, and that decision changed everything.

As a proud Mexican and first-generation college student, I am grounded in faith, family, and growth. I hope my story reminds others that your hardest moments don't end your story—they become the reason you rise, rebuild, and become who you were meant to be.

This is only the beginning of the legacy I am building—for my daughters, Lluvianna and Vivianna.

Commencement Address

Ms. Blanca Pacheco
California State Assembly
Member, District 64

California Assemblywoman Blanca Pacheco was elected in 2022 to represent District 64, which includes parts of southeastern Los Angeles County and northern Orange County. She currently chairs the Assembly Rules Committee and serves on the Appropriations, Governmental Organization, Judiciary, and Local Government committees.

Before joining the Assembly, Blanca served two terms as Mayor of Downey after first being elected to the Downey City Council in 2016. She also served as President of the League of California Cities Los Angeles Division and held leadership roles focused on housing, economic development, and local government policy.

Blanca earned her bachelor's degree in political science with a specialization in Chicano/a studies from UCLA and later attended Loyola Law School. She has practiced law since 2003. The daughter of a nurse and a public school bus driver, Blanca credits her upbringing for shaping her commitment to public service, hard work, and community advocacy.

Dr. Dawn Green
President, Board of Trustees

Dr. Dawn Green was appointed to the Cerritos College Board of Trustees in 2022 to represent Trustee Area 2. A South Gate resident with more than 20 years of experience in education, she has dedicated her career to supporting student success and educational equity.

Throughout her career, Dr. Green has served as an elementary school teacher, instructional improvement lead, assistant principal, and transformation specialist. She currently serves as principal of Rosa Parks Elementary School in Lynwood, where she continues to champion student achievement and community engagement.

Dr. Green earned a bachelor's degree in liberal studies from San Diego State University, a master of education degree from California State University, Dominguez Hills, and a doctorate in educational leadership from the University of Southern California.

College Degrees

American colleges and universities confer four general types of degrees – the associate, bachelor’s, master’s, and the doctorate. These represent different levels of academic achievement.

THE ASSOCIATE IN ARTS DEGREE usually indicates the completion of two years of collegiate work above the level of high school. It is generally thought that this degree is conferred by only community and junior colleges, but, in fact, it is also granted by some four-year institutions.

THE BACHELOR’S DEGREE usually is conferred upon the completion of a four-year course of study and is the most common as well as the oldest collegiate degree used in the United States. The Bachelor of Arts degree was first conferred by Harvard College in 1642 and for 125 years was the only earned

degree used in colleges and universities in the United States.

THE MASTER’S DEGREE represents one year or more of advanced study beyond the bachelor’s degree. In some instances, two years are required to complete courses in specialized fields.

THE DOCTORATE is ordinarily the most advanced degree. It typically takes at least three years beyond the bachelor’s degree, but often longer, to complete all of the requirements for this degree. There are three main types of doctorate degrees – professional, research, and honorary.

The following is a partial list of the colors which have been designated to represent the various areas of learning:

Arts, Letters, Humanities..	White	Medicine.....	Green
Business.....	Drab	Music	Pink
Dentistry.....	Lilac	Nursing	Apricot
Education.....	Light Blue	Oratory (Speech).....	Silver
Engineering.....	Orange	Pharmacy	Olive
Fine Arts	Brown	Philosophy.....	Dark Blue
Home Economics	Maroon	Physical Education...Sage	Green
Journalism.....	Crimson	Science.....	Gold-Yellow
Law	Purple	Theology or Divinity.....	Scarlet
Library Science.....	Lemon	Veterinary Science	Grey

Honor Graduates

The honor graduates are identified by the gold cord worn with their regalia. Graduates earning an associate degree who achieve a 3.3 to 3.69 grade point average will graduate “With Honors”. Those earning a 3.70 to 4.0 will graduate “With Highest Honors”. Students achieving “Honors” are designated by one asterisk (*) and students achieving “Highest Honors” are designated by two asterisks (**) in this program.

The Academic Procession

One of the most colorful parts of the commencement exercises is the academic procession, the opening part of the time-honored and traditional ceremonies. The processional includes all of the participants of the exercises, the graduating class, faculty, board of trustees, and participating guests.

The graduating class wears the solid black gown marked with no hood or color. The college's faculty, which includes its instructors, counselors, and administrative staff, along with the trustees and the program guests, wear gowns indicative of their academic rank. The processional is indeed one of the most impressive of all collegiate ceremonies.

The heritage of the cap and gown, with the colorful spectacle of the academic array, dates back to the twelfth century and the establishment of the first universities in Europe. Although there have been many changes in design and color, each individual gown, with its rank, is symbolic of achievement in a special field.

The Continental System, still used by England and the rest of Europe, allows a distinctive design and color for each college and university. In the United States, however, a uniform intercollegiate Academic Code has been adopted. The code is a simple one, regulating the colors and materials to be used. Knowledge of a few of these rules permits the viewer to "read"

the costume of any graduate of an American educational institution and know at once the wearer's degree, the field or department in which it was earned, and occasionally the college from which the degree was received.

Faculty gowns are divided into three groups, dependent upon the degree of the wearer. The bachelor's gown is one made of black worsted material with long, pointed sleeves, and the front is closed at the neck. The master's gown is either of black silk or wool and has a long closed sleeve with an arc of a circle appearing near the bottom and a slit, at elbow length, for the arm. The gown is worn closed at the front. The doctor's gown is black silk with full, round, open sleeves. It is faced with velvet and has three velvet bars on each sleeve. The color of the velvet is usually black but it may be of the same color of velvet as that which edges the hood. The gown is worn closed at the front.

The traditional black mortarboard-style cap is worn for all degrees, the only difference being the tassel. For bachelor's and master's degrees, it is usually black, but occasionally it is the color of the velvet on the hood. The doctorate tassel is gold and may be worn on a tam.

The academic costume is set off by the most distinctive of all insignia, the hood. The hood is made of black material to match the gown and varies in length according to the degree: bachelor's, three feet; master's, three and one-half feet; and doctorate, four feet. Each hood has a velvet edge of varying widths according to the degree: two inches, three inches, and five inches respectively. The edging is carried around to the front of the neck to form a neck band. The color of this velvet trim indicates the field or department of learning in which the degree was earned. All hoods have silk lining of the official color or colors of the college or university conferring the degree.

Cerritos College Alma Mater

Hail, Alma Mater

*Your Sons and Daughters sing of the school
that they love so well*

*Loyal one, faithful, truthful, courageous,
These are the truths we learned beneath thy wing;
In our hearts we'll always cherish memories
In our minds we carry knowledge gained from thee*

Hail Alma Mater

Blue and White we honor

Your name Cerritos College.

— Jack Wheaton, 1959
