III. New Business

III.01 Reallocating Approved ASCC Funds, Discussion/Action Item, 15 minutes

The Senate shall acted on SB-2324-09, for the reallocation of funds from the African Studies Account and the Falcon Rising Account to fulfill needs that were not previously approved.

III. 02 Accounts Department Introductions and Recognition, Information Item, 10 minutes

The Accounts Department (Fiscal Services) from Cerritos College introduced themselves, and the ASCC Senate provided a special recognition to our ASCC Accountant, Phu Nguyen, who is retiring this fiscal year.

Senator Poliquin-Hernandez moves to suspend the rules of the day to allow for a brief discussion on Counseling feedback, seconded by Senator Bui. No objections, motion passes.

Dr. Chelena Fisher, Department Chair, is present to hear feedback.

- Senator Bui heard from a friend that they had a counseling appt on a Saturday from 1-3pm, and when he came campus was closed.
 - Possibly Super Saturday event, held in BE class.
- Being able to schedule only a week in advance is a challenge.
 - Understand it is a challenge. Only 16 full-time counselors
 - There will be drop-in counseling on zoom & in-person May 1-31
- Students tell each other just to call office, skip navigate.
- Recommended # times students see counselor to complete/update Ed Plan.
 - Go about once per year.
 - LCP's may have workshops and events – attend those.
 - If you change your major into another LCP, see a counselor.
 - If you're on academic probation, need a hold lifted, see a counselor.
 - Use drop-in for quick questions.
- Students have gone to different counselors and been given different/conflicting info. Being able to visit the same counselor would help. Is there anything in training to help with consistent information be given?
 - Likely it's human error, or perception in how the question was asked.
 - Counselors have focus areas (i.e. art vs. nursing), and may give more info for areas they are experts in. Counseling dept is discussing this challenge, and working with the LCP model.
- Can general counselors have a list of depts on campus that have own counselors (i.e. Umoja). Can counselors suggest special pop programs.
 - Yes. Counselors also consider how students may take being recommended to certain areas. It can be contextual.
 - Idea – give students a list of programs to ask if they think any might be beneficial.
- Students may not be aware of all the services on campus, find out later.
 - Not just on counselor, not just on student. Both.
 - If interested in joining Counseling meeting, drop in (they're on Zoom – see Dr. Fisher for info, cfisher@cerritos.edu)

- It would be good if more students knew that 15+ units can get them more financial aid from Cal Grant.

Senator Poliquin-Hernandez moved to reinstate the rules of the day, seconded by Senator Bui. No objection, motion passes.
