# STUDENT RIGHTS AND RESPONSIBILITIES

- (a) All students shall be required to:
  - (1) identify an education and career goal;
  - (2) diligently engage in course activities and complete assigned coursework; and
  - (3) complete courses and maintain progress toward an education goal and completing a course of study.
- (b) Nonexempt first-time students shall, within a reasonable period of time, be required to:
  - (1) identify a course of study;
  - (2) be assessed to determine appropriate course placement;
  - (3) complete an orientation provided by the college;
  - (4) participate in counseling, advising, or another education planning service to develop an abbreviated student education plan (A-SEP).
- (c) For the purposes of this section, a first time student is a student who enrolls at the college for the first time, excluding students who transferred from another institution of higher education. For the purposes of this section, first time enrollment does not include concurrent enrollment during high school. To the extent that a college has the capacity to require and provide the services identified in (b)(1) through (4) to other students, nothing in this section would preclude a college from doing so.
- (d) Nonexempt students who have completed the services identified in (b)(1) through (4) shall be required to complete a comprehensive student education plan (C-SEP) after completing 15 semester units of degree applicable credit course work or prior to the end of the 3rd semester, or a shorter period if required by district or program policy.
- (e) <u>Failure</u> to fulfill the required services listed in (b) may result in a hold on a student's registration or loss of registration priority until the services have been completed.

# INSTITUTIONAL RESPONSIBILITIES

- (a) The college shall take steps to ensure that information regarding matriculation policies is accessible and available to all students during, or prior to, enrollment (e.g. during orientation) and is included in class schedules, catalogs, or other appropriate communications describing student rights and responsibilities.
- (b) Once the student has identified a course of study and completed 15 semester units of degree applicable course work, the college shall provide the student with an opportunity to develop a comprehensive student education plan (C-SEP) within a reasonable time period. Student responsibilities shall also be identified in the student's education plan.
- (c) College policy provides that a nonexempt student will have a hold placed on enrollment if a student fails to fulfill the responsibilities set forth in the section, "Student Rights and Responsibilities".
- (d) The college shall make reasonable efforts to avoid duplication of the orientation, assessment, counseling, advising, or other education planning services, and development of student education plans funded through this subchapter or funded through other programs.

(e) It is intended that the instructional and student services area of the college shall use multiple sources of data from student education planning efforts and identified courses of study to coordinate course scheduling.

# ENROLLMENT APPOINTMENT PRIORITY

#### including Orientation, SRT, Counseling, Student Education Plans, Tier Groups, Probation

The purpose of establishing enrollment priorities is to support students endeavoring to reach their educational goals at Cerritos College by providing priority enrollment to groups of students (as listed herein) with special needs and/or who are in continuing student status, as long as satisfactory progress is made.

# PRIORITY ENROLLMENT CRITERIA AND CONDITIONS

- A. Priority
  - 1. New students not otherwise exempt, including those in any state-provided priority enrollment groups, must complete SRT, orientation, and counseling with at least an abbreviated student education plan (A-SEP), in order to receive priority enrollment.
  - 2. First-time students, beginning with Spring 2020 enrollment, who have identified a course of study, been assessed to determine appropriate course placement, completed an orientation program provided by the college, and participated in counseling, advising, or another education planning service including at least an abbreviated student education plan (A-SEP), are required to complete a comprehensive student education plan (C-SEP) after completing 15 units of degreeapplicable credit course work, or prior to the end of the 3rd semester of enrollment, resources permitting.
  - 3. Continuing students, including those in any state-provided priority enrollment groups, except eligible current and former foster youth, are subject to loss of the enrollment priority for which they would ordinarily be eligible if they are on any combination of progress or academic probation for two consecutive semesters.
  - 4. Continuing students, including those in any state-provided priority enrollment groups, except eligible current and former foster youth, are subject to loss of the enrollment priority for which they would ordinarily be eligible if they have earned 100 degree-applicable, non-basic skills and non-ESL units. Units for high unit majors and programs may be disregarded to the extent they exceed the number of units required for non-high unit majors and programs. Units from Credit by Exam, Advanced Placement, International Baccalaureate, or other similar programs may also be exempted.
- B. Subject to the above, continuing student enrollment appointments shall be set on the basis of units earned and cumulative grade point average at Cerritos College.
- C. Students subject to enrollment priority exclusion shall have a "PRB" negative service indicator, appearing as a Hold in the Student Center in MyCerritos, placed on their enrollment account. The effect shall be to place the student's access to enroll at the end of the enrollment cycle in the period known as Open Enrollment.

# ENROLLMENT LIMITATIONS

Enrollment in courses and programs may be limited to students meeting properly established prerequisites and co-requisites (See Board Policy and Administrative Procedure 4260 titled "Prerequisites and Co-requisites").

#### Additional Enrollment Limitations (including, but not limited to):

- A. Health and safety considerations;
- B. Faculty workload;
- C. Availability of qualified instructors;
- D. Funding limitations;
- E. Regional planning;
- F. Legal requirements;
- G. Facility limitations; and
- H. Accreditation, regulatory, and policy requirements.

# Priorities When Enrollment Must be Limited

- A. First come, first served, or other non-evaluative selection techniques, provided all prerequisite and/or course requisites have been met;
- B. In the case of intercollegiate competition, honors courses, or public performance courses, allocating available seats to those students judged most qualified;
- C. Limiting enrollment to any selection procedure expressly authorized by statute; and
- D. Limiting enrollment in one or more sections to students enrolled in one or more other courses, provided that a reasonable percentage of all sections of the course do not have such restrictions.

# Additional Conditions May Be Applicable to Order of Enrollment

Course sections funded other than by state apportionment, such as contract education, grant-funded programs, and certain fee-based sections (as permitted by law).

# LOSS OF ELIGIBILITY FOR CCPG FEE WAIVER

A student shall become ineligible for a California College Promise Grant (CCPG) Fee Waiver if the student is placed on academic or progress probation, or any combination thereof, for two consecutive primary terms. Loss of eligibility shall become effective at the first registration opportunity after such determination is made.

The District shall notify students of their placement on academic or progress probation no later than 30 days following the end of the term that resulted in the student's placement on probation. The notification must clearly state that two consecutive primary terms of probation will lead to a loss of the CCPG Fee Waiver until the student is no longer on probation. The notification must also advise students about the available student support services to assist them in maintaining eligibility.

The District shall adopt, prominently display, and disseminate policies ensuring that students are advised about the student support services available to assist them in maintaining and re-establishing CCPG Fee Waiver eligibility. Dissemination includes, but is not limited to, information provided in college catalogs and class schedules.

The District shall establish written procedures by which a student may appeal the loss of a CCPG Fee Waiver due to extenuating circumstances, or when a student with a disability applied for, but did not receive, a reasonable accommodation in a timely manner. Extenuating circumstances are verified cases of accidents, illnesses, or other circumstances that might include documented changes in the student's economic situation or evidence that the student was unable to obtain essential student support services. Extenuating circumstances also include special consideration of the specific factors associated with Veterans, CalWORKs, EOPS, and DSPS student status.

Foster Youth shall not be subject to loss of CCPG Fee Waiver due to placement on academic or progress probation. This exemption for Foster Youth is effective until the date specified in the Education Code, section 66025.9(c).

### APPEALS AND EXEMPTIONS

It is the intent of these procedures to support and promote student success, including program completion, through access to needed courses. Petitions for appeals of, or exemption from, the implementation of these procedures are subject to consideration by the Committee on Academic Records and Standards (A&S) or its designee.

- A. Students may appeal the loss of enrollment priority and/or loss of the CCPG Fee Waiver due to extenuating circumstances, certain conditions specified on the Enrollment Priorities and/ or the CCPG Fee Waiver Appeals Form, or where a student with a disability applied for, but did not receive reasonable accommodation in a timely manner. Extenuating circumstances are verified cases of accidents, illnesses, or other circumstances beyond the control of the student.
- B. Students who have demonstrated significant academic improvement will regain the CCPG Fee Waiver and/or priority enrollment status. It is the student's responsibility to timely verify changes in enrollment priority status. Significant academic improvement is defined as achieving no less than the minimum grade point average and progress standard within a term. The minimum academic standard is a 2.0 grade point average, once the student has attempted 12 semester units; the minimum progress standard is greater than 50% of all units enrolled in being other than "W", "I", "NP", or "NC", once the student has enrolled in a total of at least 12 semester units.
- C. Students may request reinstatement of enrollment priority and/ or the CCPG Fee Waiver if an institutional mistake was made.

# SRT/PLACEMENT

## WHAT IS THE PLACEMENT PROCESS?

Placement is required for first-time, new-to-college students. "Placement" means the process of gathering information about an individual student to facilitate his or her success. At Cerritos College, the process includes, but is not limited to, the collection of information regarding a student's study skills, English language proficiency, and/or computational skills. Academic counselors will review high school and/or college transcripts, evidence of an A.A. degree or higher from an accredited institution, learning skills, academic performance, and need for special services.

# DO I NEED TO COMPLETE THE PLACEMENT PROCESS?

As of Fall 2019, all students will have the opportunity to place into transferlevel English and math. By using high school records or guided self-placement, new and continuing students will identify the English/ESL and math courses they are eligible to enroll in.

First-time, new-to-college students are required to complete the placement process prior to enrollment. Continuing students who have been placed into a math course below Math 80 or English 100 are welcome to complete this new placement process.

Depending on when, where, or if students attended high school, they will complete either the Self-Report Tool (SRT) or Guided Placement Tool (GPT), which, in most cases, will place students directly into transfer-level courses in the areas of math and English, or ESL. A current Cerritos College student number and photo ID are required to complete the SRT or GPT.

How do you complete the SRT or GPT? Visit the Assessment Center in MP 206 or online at <u>www.cerritos.edu/assessment-center/</u> to get started.

Students with a history of special education are encouraged to seek additional course placement guidance from counselors in Disabled Student Programs and Services. Visit <u>www.cerritos.edu/dsps/</u> for more information.

# STUDENT SUCCESS & SUPPORT PROGRAM (SSSP) EXEMPTION/EXCEPTION

Cerritos Community College offers Student Success and Support Services to all new students prior to their enrollment in classes. These services include placement, orientation, and counseling. First-time, new-to-college students must complete required SRT/Placement and Orientation-Counseling prior to enrollment. Students not required to complete the requirements under established criteria are automatically exempt upon application to the College. Students wishing to pursue another type of exemption must submit a completed Student Success and Support Program (SSSP) Exemption and Exception form to the Admissions and Records Office. SSSP Exemption and Exception forms are available in the Admissions and Records, Assessment, and Counseling Offices. If you have special needs for completing SRT/ placement, orientation, or counseling; please contact the Assessment Office or Disabled Students Programs and Services.

# SRT/PLACEMENT EXEMPTIONS

Students who already possess an AA degree or higher from a regionally accredited college are not required to complete the SRT/placement process, but will be required to verify the degree by presenting official documents to the Admissions and Records Office at least 10 working days prior to their enrollment appointment date. A Requisite Clearance form must accompany the documents in order to meet prerequisites.

# PLACEMENT EXEMPTIONS FOR:

**English** – Students who have completed English courses at another college may not need to complete the English SRT. Please submit proof (official or unofficial transcripts) and a Requisite Clearance form to a counselor or Admissions and Records prior to enrollment.

**Math** – Students who have completed math courses at another college also may not need to complete the math SRT. Please submit proof (official or unofficial transcripts) and a Requisite Clearance form to a counselor or Admissions and Records prior to enrollment. It is strongly recommended that these math courses have been completed within the past 10 years.

Advanced Placement Exams – Students who participate in advanced placement courses at their high schools and earn passing scores on AP exams may earn college credit for those courses when they come to Cerritos College. For further details, ask a counselor.

**Chemistry** – Please read the prerequisites and recommendations section with each chemistry class listing. Be sure that the prerequisites are satisfied before enrolling in a course.

Based on the cumulative and unweighted United States high school GPA and other academic-related questions, students may be placed directly into transfer level courses in the areas of English, reading, math, or ESL. A current Cerritos College student number and photo ID are required to complete the SRT, which is computerized. For students who completed high school more than 10 years prior to applying to the college, completed the GED or did not complete high school, or are an international student, please contact the Assessment Office for information pertaining to your specific situation.

## PRIORIDAD DE LA CITA DE INSCRIPCIÓN

# incluye la orientación, evaluación, consultoría, planes educativos, grupos de nivel, período de prueba

El propósito de establecer prioridades de inscripción es apoyar a los estudiantes que se esfuerzan por alcanzar sus metas educativas en Cerritos College, proporcionando prioridad de inscripción a grupos de estudiantes (que se enumeran en este documento) con necesidades especiales o que están en condición de estudiantes de reingreso, siempre y cuando el progreso sea satisfactorio.

# CRITERIOS Y CONDICIONES PARA LA PRIORIDAD DE INSCRIPCIÓN

### A. Prioridad

- 1. Los nuevos estudiantes que no se encuentran exentos de otra manera, entre ellos los que son parte de grupos con prioridad de inscripción que establece el estado, deben completar la evaluación, orientación y consultoría con por lo menos un plan educativo abreviado (A-SEP), a fin de recibir prioridad de inscripción.
- 2. La primera vez, a partir de la inscripción en el otoño de 2014, los estudiantes que han identificado un curso de estudio, se han evaluado para determinar la colocación apropiada de cursos, completaron un programa de orientación que proporciona la universidad y han participado en la consultoría, asesoría u otro servicio de planificación de la educación que incluye, al menos, un plan educativo abreviado (A-SEP), están obligados a completar un plan educativo integral (C-SEP) después de completar 15 unidades semestrales de los cursos con créditos aplicables al grado académico o antes de finalizar el tercer (3.er) semestre de inscripción, según lo permitan los recursos.
- 3. Los estudiantes de reingreso, incluidos los de algún grupo con prioridad de inscripción que establece el estado, salvo los jóvenes de crianza actual y anterior que son elegibles, están sujetos a la pérdida de la prioridad de inscripción para los que ordinariamente serían elegibles si están en cualquier combinación de progreso o probatoria académica para dos semestres consecutivos.
- 4. Los estudiantes de reingreso, incluidos los de algún grupo con prioridad de inscripción que establece el estado, salvo los jóvenes de crianza actual y anterior que son elegibles, están sujetos a la pérdida de la prioridad de inscripción para la que ordinariamente serían elegibles si han obtenido 100 destrezas no básicas aplicables al grado académico y que no son unidades del programa ESL. Las unidades para asignaturas y programas principales podrán ignorarse en la medida en que superen el número de unidades requeridas para asignaturas y programas que no son principales. Las unidades de crédito por examen, colocación avanzada, Bachillerato Internacional u otros programas similares también pueden estar exentos.

- B. Sin perjuicio de lo anterior, las citas de matrícula de los estudiantes de reingreso se establecerán con base en las unidades o el promedio de calificaciones acumuladas en Cerritos College.
- C. Los estudiantes que están sujetos a la exclusión de prioridad de inscripción tendrán un indicador de servicio negativo, que aparece como una retención en el Centro estudiantil en MyCerritos, colocado en su cuenta de la matrícula. El efecto será colocar el acceso del estudiante a matricularse al final del ciclo de inscripción en el período conocido como Inscripción Abierta.
- D. Los estudiantes excluidos de la prioridad de inscripción deben recibir notificación de las opciones que tienen o qué se les aconseja ejercer. Vea también la sección de este procedimiento titulada "Apelaciones y Excepciones."

#### *Criterios adicionales para la prioridad de inscripción de determinados estudiantes*

- A. Los estudiantes que de otra manera se especifican en el estatuto.

Un estudiante ya no será elegible para recibir la Exención de cuotas de inscripción de la Promesa de Beca de Colegio de la California (California College Promise Grant, CCPG) si al estudiante se le pone en un período de prueba académico o de progreso, o en alguna combinación de estos, durante dos períodos académicos primarios consecutivos. La pérdida de elegibilidad entrará en vigencia en la primera oportunidad de inscripción después de que se haya tomado dicha determinación.

El distrito deberá notificar a los estudiantes sobre su asignación en el período de prueba académico o de progreso a más tardar treinta días después del final del período académico que provocó que al estudiante se le pusiera en un período de prueba. La notificación debe indicar claramente que dos períodos académicos primarios consecutivos en período de prueba ocasionarán la pérdida de la Exención de cuotas de inscripción de la CCPG hasta que el estudiante ya no esté en el período de prueba. La notificación también debe informar a los estudiantes acerca de los servicios de apoyo para estudiantes disponibles para ayudarlos a conservar la elegibilidad.

El distrito adoptará, exhibirá claramente y divulgará políticas que garanticen que los estudiantes estén informados acerca de los servicios de apoyo para estudiantes disponibles para ayudarlos a conservar y restablecer la elegibilidad para calificar para recibir la Exención de cuotas de inscripción de la CCPG. La divulgación incluye, entre otras, información proporcionada en los catálogos de la universidad y en los programas de clases.

Las circunstancias atenuantes son casos verificados de accidentes, enfermedades u otras circunstancias que podrían incluir cambios documentados en la situación económica del estudiante, o bien, evidencia de que el estudiante no pudo obtener servicios de apoyo esenciales para estudiantes. Las circunstancias atenuantes también incluyen la consideración especial de factores específicos relacionados con el estado del estudiante con respecto a la ayuda para Veteranos, el programa de California de Oportunidades de trabajo y responsabilidad hacia los niños (California Work Opportunity and Responsibility to Kids, CalWORKs), Programa de Oportunidad educativa (Educational Opportunity Program, EOP) y Programas y Servicios para estudiantes discapacitados (Disabled Students Programs & Services, DSPS).

Un joven en régimen de acogida familiar no estará sujeto a la pérdida de la Exención de cuotas de inscripción de la CCPG debido a la asignación en un período de prueba académico o de progreso. Esta exclusión para los Jóvenes en régimen de acogida familiar es válida hasta la fecha que se especifica en la sección 66025.9(c) del Código de Educación.

# APELACIONES Y EXENCIONES

La intención de estos procedimientos es apoyar y promover el éxito del estudiante, incluyendo la finalización del programa, a través del acceso a los cursos necesarios. - A. Los estudiantes pueden apelar la pérdida de la prioridad de inscripción y/o la pérdida de la Exención de cuotas de inscripción de la CCPG debido a circunstancias atenuantes, ciertas condiciones especificadas en el Formulario de Inscripción de Prioridades y/o la Exención de cuotas de inscripción de la CCPG de Apelaciones, o cuando un estudiante con una discapacidad solicitada, pero que no recibió los ajustes razonables en el momento oportuno. Las circunstancias atenuantes verifican los casos de accidentes, enfermedades u otras circunstancias fuera del control del estudiante.
- B. Los estudiantes que han demostrado una mejora académica significativa restablecerán el estado la Exención de cuotas de inscripción de la CCPG y/o de prioridad de inscripción que perdieron. Es responsabilidad del estudiante verificar oportunamente los cambios del estado de las inscripciones de prioridad. El mejoramiento académico significativo se define como haber logrado por lo menos el promedio de calificaciones mínimo y las normas de progreso mínimas durante el semestre. El nivel académico mínimo es una calificación promedio mínima de 2.0, una vez que el estudiante haya intentado tomar 12 unidades semestrales; el progreso mínimo convencional es superior al 50% de todas las unidades en las que se inscribió que no reciban "W", "I", "NP", o "NC", una vez que el estudiante se haya matriculado en un total de al menos 12 unidades semestrales.
- C. Los estudiantes pueden solicitar el reintegro de la prioridad de inscripción y/o la Exención de cuotas de inscripción de la CCPG si se cometió un error institucional.

# SRT/Colocación y Orientación-Consejería (AOC)

SRT/Colocación y Orientación-Consejería (AOC, por sus siglas en inglés) se necesita para los estudiantes de primer ingreso, nuevos en la universidad. Aparecerán dos retenciones en la cuenta MyCerritos de estos estudiantes: una retención por evaluación (ASM) y una retención por asesoría de orientación (ORI). *No se permitirá la inscripción en clases hasta que se haya cumplido con este requerimiento*. # ¿QUE ES "EL PROCESO DE COLOCACIÓN?"

El Colocación es obligatoria para los estudiantes de primer ingreso, nuevos en la universidad. "Colocación" significa el proceso de recopilar información sobre cada estudiante para facilitar su éxito. En Cerritos College el proceso incluyen, pero no se limitan a la recopilación de información relacionada con las técnicas de estudio del estudiante, dominio del inglés o aptitudes de computación. Los orientadores académicos revisarán el expediente académico de la escuela secundaria o universidad, evidencia del título A.A. u otro superior de una institución acreditada, habilidades de aprendizaje, rendimiento académico y uso de servicios especiales.

# ¿DEBO COMPLETAR EL PROCESO DE SRT/ COLOCACIÓN?

A partir de otoño de 2019, todos los estudiantes tendrán la oportunidad de colocarse en cursos de nivelación de inglés y matemáticas. Usando los expedientes de high school o la autocolocación dirigida, los estudiantes nuevos o regulares identificarán los cursos de inglés/inglés como segundo idioma (English as a Second Language, ESL) y matemáticas en los que pueden inscribirse.

Los estudiantes de primer ingreso, nuevos en el college, deben completar el proceso de colocación antes de la inscripción. Invitamos a los estudiantes regulares a quienes se les asignó un curso de matemáticas por debajo de matemáticas 80 o inglés 100 a completar este nuevo proceso de colocación.

Dependiendo de cuándo, dónde o si los estudiantes fueron a high school, completarán la herramienta de autoevaluación (Self-Report Tool, SRT) o la herramienta de colocación dirigida (Guided Placement Tool, GPT) que, en la mayoría de los casos, pondrá a los estudiantes directamente en los cursos de nivelación en las áreas de matemáticas e inglés o ESL. Para completar la SRT o GPT se necesita una identificación con fotografía y el número vigente de estudiante de Cerritos College.

¿Cómo completa la SRT o GPT? Visite el centro de evaluación en MP 206 o en línea en <u>www.cerritos.edu/assessment-center/</u> para comenzar.

Recomendamos a los estudiantes con historia de educación especial a que busquen orientación para la asignación de más cursos con los consejeros en Programas y Servicios para Estudiantes con Discapacidades (Disabled Student Programs and Services). Visite <u>www.cerritos.edu/dsps/</u> para obtener más información.

#### EXENCIÓN/EXCEPCIÓN DEL PROGRAMA DE ÉXITO Y APOYO PARA LOS ESTUDIANTES (STUDENT SUCCESS/ SUPPORT PROGRAM, SSSP)

#### ADAPTACIONES PARA ESTUDIANTES CON DISCAPACIDADES

Cualquier estudiante con una discapacidad comprobada puede gestionar adaptaciones para la evaluación. Debe tener una solicitud vigente registrada en Cerritos College para recibir las adaptaciones. Las solicitudes de adaptaciones se deben hacer con por lo menos 7 días hábiles de anticipación a Programas y Servicios para Estudiantes Discapacitados (Disabled Students Programs and Services, DSPS). Para obtener más información o programar una cita, llame al (562) 860-2451, ext. 2335; (562) 274-7164 (VP); o visite nuestro sitio web en www.cerritos.edu/dsps. # CONSEJERIA

- Antes de inscribirse, todos los estudiantes nuevos en el college deben completar una orientación para estudiantes de primer ingreso para recibir ayuda del consejero en la elección de los cursos. Vea la sección "Orientation" (orientación) para obtener más información sobre la colocación y la orientación-asesoría. También recomendamos a los estudiantes de reingreso o transferidos que vayan con el consejero.
- Los consejeros tienen citas disponibles en persona o en línea, o en lista de espera/sin cita previa.
- Los estudiantes pueden enviar preguntas generales a un consejero en línea en <u>www.cerritos.edu/counseling</u>.
- Planifique: la orientación con citas programadas y en lista de espera/ sin cita previa podría estar limitada durante los períodos de registro con mayor actividad.
- Una vez que empiece el semestre, recomendamos a los estudiantes nuevos, de reingreso y transferidos que hagan una cita para recibir orientación o que asistan a un taller de planificación educativa para hablar sobre sus objetivos educativos y hacer un plan educativo integral del estudiante (Comprehensive Student Educational Plan, C-SEP).
- Recomendamos a los estudiantes regulares que se reúnan con un consejero cada semestre para asegurarse de que su plan educativo refleje de manera precisa su objetivo educativo. Haga una cita o inscríbase para el taller de planificación educativa en la recepción de Counseling (orientación) o llame al (562) 467-5231.
- A los estudiantes que están en período de prueba de su progreso o en período de prueba académica se les limitará la cantidad de unidades que pueden tomar cada semestre con base en su Promedio de Calificaciones (Grade Point Average, GPA) y cursos completados. También se arriesgan a perder su cita de prioridad de inscripción y, a partir de otoño del 2016, es posible que ya no sean elegibles para recibir el beneficio de California College Promise Grant Fee Waiver, CCPGFW, si continúan en período de prueba durante dos semestres consecutivos.

# **SEGUIMIENTO**

Consejería y profesores proporcionan una serie de servicios de seguimiento a los estudiantes. Estos servicios están diseñados para proporcionar infomación con respecto al progreso académico de los estudiantes. Se prestan servicios especiales a estudiantes que están en académico y/o progreso condicional, alumnus en cursos de habilidades básicas, y a los estudiantes que sen encuentran indecisos sobre su meta educativa. Cuando es necesario los estudiantes son referidos a servicios fuera de esta institución.

# **Clear Holds:**

All enrollment holds must be cleared prior to your enrollment date.

# CalWORKs, DSPS, EOPS, Foster Youth, and Student Veterans:

# WAIT LIST NOTES

- Cerritos College uses an "<u>auto-enroll</u>" process from wait list to roster. <u>You are responsible for all drops</u>. If you do not want your wait-listed classes, please drop to avoid a substandard grade and forfeiture of enrollment fees. For more information on wait lists, see "Wait List" on page 17.
- Prerequisites <u>ARE</u> CHECKED WHEN YOU ARE PLACED ON A WAIT LIST. They are also checked at enrollment. YOU MAY LOSE A SEAT if prerequisites are not met when the instructor adds you to a class, or "autoenroll" is activated. "Auto-enroll" will automatically enroll students from the wait list to the official roster when space becomes available.
- If you are enrolled in a class AND are on a wait list for the same course (i.e., enrolled in SOC 101 and #1 on the wait list for SOC 101 at another time), you will lose a seat when "auto-enroll" tries to move you from the wait list to the official roster due to "Multiple Enrollment".

# PAYING YOUR FEES

**IMPORTANT:** Students are required to pay all fees at the time of enrollment. Payment plans are not available. Each enrollment in a class, or add to a wait list for a class, results in a fee amount due. Students adding their names to wait lists will be charged the applicable enrollment fees, tuition, and applicable lab/materials fees. The amounts due will appear on the student account. PAY CLOSE ATTENTION TO ALL DEBTS LISTED FOR EACH TRANSACTION. The California College Promise Grant (CCPG) waives students' course enrollment fees; <u>however, all other fees, including but not limited to the Student Health fee, Student Activity fee, and applicable lab/materials fees, are due and payable at the time of enrollment.</u> (See FEES on page 19 for waiver information.)

# WAIT LIST

As you enroll in classes, you may find that some are "closed." This means that these classes have reached maximum enrollment. In this event you may choose to add your name to the wait list. The number of additions to wait lists is limited to 10 units. Please follow the instructions in **MyCerritos, Student Center**.

Cerritos College has implemented a "<u>paid</u>" <u>wait list</u>. What this means is that once you have added your name to the wait list, you must pay all applicable fees for that class. Additionally, "auto-enroll" will be in operation. Auto-enroll will <u>automatically</u> enroll students <u>from the wait list to</u> <u>the official roster</u> when space becomes available. Auto-enroll from a wait list will not occur if:

- 1. Student has a hold (service indicator) on their account. Please check in **MyCerritos, Student Center,** under **Holds and To Do** List.
- 2. The class prerequisite has not been met.
- 3. Illegal course repetition has occurred (See the Admissions and Records web page for Academic Records and Standards petition).
- 4. There is a class time conflict. Students may not be enrolled in two classes that meet at the same time.
- 5. If you are enrolled in a class AND are on a wait list for the same course (i.e., enrolled in SOC 101 and #1 on the wait list for SOC 101 at another time) you will lose a seat when "auto-enroll" tries to move you from the wait list to the official roster due to "Multiple Enrollment".

Auto-enrollment will continue through the Friday before classes begin. View your enrollment status on **MyCerritos** (<u>http://my.cerritos.edu</u>). <u>Failure to attend class **IS NOT** an automatic drop or refund. If you do not want your wait-listed classes, please drop to avoid a substandard grade and forfeiture of enrollment fees.</u>

Prompt attendance on the first day is recommended for all waitlisted students. Failure to attend will jeopardize your enrollment status.

# FEES

- 1. \*Enrollment Fee: \$46 per unit.
- 2. Non-Resident Tuition: Students who are non-residents of California or International Students, with or without F-1 visas, will be assessed \$285 per unit (\$265 per unit non-resident tuition and a \$20 per unit capital outlay fee) in addition to the \$46 per unit enrollment fee above.
- 3. **Student Activity Fee:** \$10 per semester; \$4 for summer session. This fee is automatically charged and is due and payable at enrollment, but may be waived subsequently by the student. Fee purpose and waiver information is available online at both the Admissions and Records' and the Office of Student Affairs' websites.
- 4. **Student Health Fee:** \$19 per semester; \$16 for summer session. Students who rely on prayer for healing and can supply the college with documentation from their spiritual leader are exempt.
- 5. **Parking:** On-campus student parking for vehicles is \$40 for our spring and fall semesters (\$30 for California College Promise Grant recipients) and \$25 for our summer semester. A daily parking permit can be purchased for \$2 from our permit dispensers located on the Marquee off Alondra, on Falcon Way, and in Lot 1, Lot 6, Lot 8, and Lot 10. In addition, Daily Permits can be purchased via <u>Park Mobile App</u>. - 6. Lab/Materials Fees: As listed with courses in this class schedule. Please note that failure to pay these fees may result in withdrawal from courses for lack of payment.

Students are required to pay all fees at the time of enrollment. Students adding their names to wait lists will be charged the applicable enrollment fees, tuition, and applicable lab/materials fees. Students who do not pay fees and drop classes after the refund date are still responsible for all fees. **California College Promise Grant Fee Waiver (CCPGFW) waives students' course enrollment fees; however, all other fees, including but not limited to the Student Health fee, Student Activity fee, and applicable lab/materials fees, are due and payable at the time of enrollment. Payments for the parking, student activity, and student health fees may be subject to additional considerations.** 

A parking permit is required at all times to park a vehicle on our campus. The student activities fee is subject to student waiver. Information is available from the Office of Student Affairs located in the Student Activities Building. The Waiver Request form is available online at the Admissions and Records Forms web page. Revenue from the collection of this fee may be used by ASCC to support or oppose political measures. The student health fee may be waived with documentation from the student's spiritual leader that the student relies on prayer for healing. \*Subject to legislative change.

# RESIDENT REQUIREMENTS

To be considered a California resident for purposes of admission to Cerritos College, a student is required to have resided in the state of California for at least one year and one day prior to the start of the semester for which the student is enrolling and present intent for one year and one day prior to the start of the semester for which the student is enrolling.

# **REFUND POLICIES AND PROCEDURES**

It is the student's responsibility to apply for a refund. A student is eligible for a refund after classes have been officially dropped. Classes must be dropped by the appropriate deadline for the session in order to be eligible for a refund. Stated deadlines are not adjusted due to late enrollment. Session dates and deadlines available for viewing online.

A student is eligible for a refund if: a) classes are dropped by the required deadline; b) the program change is the result of action taken by the college to cancel or reschedule a class; c) the student is dropped for failure to meet a prerequisite(s) or corequisite(s); and/or, d) the student is active or reserve U.S. Military personnel who withdraws due to military orders.

Eligible students may file a petition with the district requesting refund of their enrollment fee(s). A refund will not be processed if academic credit has been awarded for the class. Refunds are not automatically processed.

To request a refund, a student must come to the Admissions and Records Office and submit a Refund Request Form. The Refund Request Form is also available online and can be mailed to the Admissions and Records Office. Approved refunds will be mailed in approximately four to six weeks. Be sure your current mailing address is on file with the college.

A check is the only form of payment that Cerritos College uses to issue refunds. If a payment is made by credit card for any registration transaction, and you later drop any or all of your classes within the required refund period, we will <u>NOT</u> credit your credit card account. All refund checks are made payable to the student.

Refunds are made pursuant to Title 5, Section 58501 or 58501.1.

#### CREDITS/REFUNDS Credits

**Enrollment Fee, Non-Resident Tuition, and Capital Outlay Fee** will be credited if the official drop has occurred within the appropriate deadline\* for session or semester. This is in accordance with the Refund of Enrollment Fee Regulation, Title 5, 58508.

**Student Health, Student Activity**<sup>1</sup> and Parking Fees<sup>2</sup> will be credited only if all classes within the semester have been officially dropped within the appropriate deadline\* for the semester.

- \* Deadlines for fee credit are defined as the first two weeks of full semester length classes, or 10% of class meetings for shorter than semester-length classes.
  - <sup>1</sup> Student Activity sticker for the semester must be surrendered at the time of refund request. No refund will be given if sticker is marked or used.
  - <sup>2</sup> Parking Permit for the semester must be surrendered at the time of refund request.

# Refunds

A Refund Request Form must be completed to receive credit funds on the account. The Refund Request Form is available online on the Admissions web page under "FORMS", or in the Admissions and Records Office.

**Time limit on requesting a refund:** <u>A one-year limitation</u> exists on the credit. Students must apply for the refund between the beginning of the semester in which the credit was issued and the last day of the semester one year later. Example: Beginning of the Spring semester to the end of the Spring semester of the following year. Credit totals will be removed from the student account after this time.

MYCERRITOS ACCEPTS PAYMENT BY MASTERCARD, VISA, DISCOVER OR AMERICAN EXPRESS CREDIT CARD. This method of payment is encouraged for immediate confirmation of your enrollment.

# **REPETITION OF COURSES**

At Cerritos College, previous course enrollment is reviewed electronically for prior enrollment attempts. All courses have repetition limitations. Cerritos College offers some courses that have designated repeatability. Please review the catalog for maximum repeat units available.

Students may repeat a course in which a substandard grade (D, F, NP, FW) or "W" in any combination has been received one time. Students receiving any combination of substandard grades may petition the Academic Records and Standards Committee for an exception to the two attempts rule. All petitions are subject to approval or denial. Upon completion of a repeated course, the most recent grade earned will be computed in the cumulative grade point average and the student's academic record so annotated.

When a student repeats a class to alleviate substandard academic work, the previous grade and credit shall be disregarded in the computation of grade point averages, but shall not be deleted from the student's permanent record. Courses that are repeated shall be recorded on the student's permanent academic record using an appropriate annotation. Annotating the permanent academic record shall be done in a manner so that all work remains legible, insuring a true and complete academic history.

Students may use an equivalent course from an accredited college or university to replace a Cerritos College course in which a substandard grade was recorded, if earned subsequent to the substandard grade at Cerritos College. The student must petition the Academic Records and Standards Committee to record the change. The College may honor the prior course repetition actions of other accredited colleges and universities in determining acceptance of credits, subject to student petition to, and approval by, the Academic Records and Standards Committee.

# Examples of Exceptions for Consideration of Course Repetition Limitations

An Academic Records and Standards petition must be filed for official consideration of course repetition. All petitions are subject to approval or denial. Contact the Admissions and Records Office for specific directions.

- 1. Student received an "MW" (Military Withdrawal), or student received an "EW" (Extenuating Withdrawal).
- 2. Student's previous grades are a result of documented extenuating circumstances beyond his/her control.
- 3. Cooperative work experience courses, subject to stated maximums, as provided in the College Administrative Procedures.
- Certain activity or skill building courses, subject to stated maximums, as provided in College Administrative Procedures.
- 5. Certain classes for students with disabilities, subject to stated qualifications, as provided in College Administrative Procedures.
- 6. Repetition necessary for legally mandated training. Such courses may be repeated any number of times, regardless of whether or not substandard work was previously recorded, and the grade received each time shall be included for purposes of calculating the student's grade point average.
- 7. After a significant lapse of time, a student may repeat a course in which a grade of "C" or better was received if the course is required by the district as a properly established recency prerequisite or another institution of higher education, to which the student is seeking to transfer, requires the student to have taken the course more recently than the student's last enrollment (Title 5, Sections 55040(b)(3), 55053).

# PASS/NO PASS CLASSES

Classes offered on a non-optional pass/no pass basis only will be indicated on a student's permanent record as a "P" grade (with unit credit) or "NP" grade (no units earned). This will not affect the student's grade point average. Optional pass/no pass courses are designed to encourage students to explore courses in areas they feel they may have an interest. See page 23 for guidelines and a list of approved courses in each department.

# **OPEN ENTRY/OPEN EXIT CLASSES**

All students should meet with the instructor as soon as possible after the start of the session to inquire about enrollment (unless otherwise noted). A student may enter these classes at any time during the session prior to the specific cut-off date for the individual classes. The courses may be completed within the session in whatever time is necessary for the student to finish the course requirements.

### **DIRECTED STUDIES**

Any student interested in pursuing independent projects on an individual basis for one or two units should contact a faculty member to determine if he/she is available to sponsor a directed studies project. Students may enroll in these classes only through the second week and with the authorization to enroll in Directed Studies Form, which must be signed by both the instructional dean and the faculty member conducting the Directed Studies.

# WORK EXPERIENCE

Students may register for Cooperative Work Experience only through the second week of classes. Only a reduction of hours may be made after the first week.

# PREREQUISITES, COREQUISITES, RECOMMENDATIONS AND PREREQUISITE CHALLENGE PROCEDURE

Please see "Prerequisites" in the Cerritos College Catalog.

# DEFINITION OF A CLASS HOUR

A "class hour" is the basic unit of scheduled attendance and/or examination and is defined as a period not less than 50 minutes. A "clock hour" is a 60-minute time frame which is composed of one 50-minute class hour and a 10-minute segment referred to as a "passing period" or "break". Classes scheduled for more than an hour follow formulas to stay within this definition. For example, a class scheduled from 8:00 to 8:50 has already incorporated the passing period and students must be in attendance for the full 50 minutes. Cerritos College has scheduled classes to account for the passing period and there is no need to leave 10 minutes early. Classes that meet for multiple hours may assign a 10-minute break between hours, but not in the last hour of attendance. Cerritos College follows these time patterns.

# WITHDRAWALS [TITLE V, SECTION 58004 (C) (3)]

Pursuant to Title 5, section 58004 and Cerritos College Board Policy, it is the student's responsibility to participate fully in class (es), once enrollment is complete. However, should it become necessary to withdraw from class, it is the student's responsibility to drop in person in the Admissions and Records Office or through MyCerritos.

# THE ULTIMATE RESPONSIBILTY OF WITHDRAWAL FALLS TO THE STUDENT.

# How to officially withdraw after enrollment ends:

Complete an Add/Drop card (available in the Admissions and Records Office) or for a faster response, use MyCerritos (<u>http://my.cerritos.edu</u>). Retain an updated printout for your records.

ALL WITHDRAWALS MUST BE COMPLETED BY THE LISTED DEADLINES. FAILURE TO OFFICIALLY WITHDRAW FROM CLASS(ES) MAY RESULT IN AN "F/FW" GRADE FOR EACH CLASS. See the "Session Dates and Deadlines" now available online at: https://www.cerritos.edu/admissions-and-records/add-drop-dates.

WITHDRAWALS RESULTING IN PROGRESS PROBATION AND/ OR GRADES RESULTING IN ACADEMIC PROBATION FOR TWO CONSECUTIVE TERMS CAUSE LOSS OF ENROLLMENT PRIORITY, WITH CERTAIN EXCEPTIONS, AND ARE SUBJECT TO APPEAL.

# PROBATION

A. Academic Probation

Students who have attempted at least twelve (12) semester units as shown by the official academic record shall be placed on academic probation if the students have earned a grade point average below 2.0 in all units undertaken at Cerritos College.

B. Progress Probation

Students who have enrolled in a total of at least twelve (12) semester units as shown by the official academic record shall be placed on progress probation when the percentage of all units at Cerritos College which the students have attempted and for which entries of "W,""I," and "NP" are recorded reaches or exceeds 50 percent.

Probation is entered on the student's permanent records and transcripts of record. Students placed on academic or progress probation will be notified by email at the email address listed on the official college record.

# **Probation Clearance:**

A. Academic Probation Clearance

Students may clear academic probation by earning sufficient grade points to raise the cumulative grade point average to 2.0 or higher in the next semester of attendance. Probation status is not cleared by one semester of 2.0 GPA if it does not raise the cumulative GPA to 2.0 or higher.

B. Progress Probation Clearance

Students may clear progress probation by decreasing the percentage of "W," "I," or "NP" entries to less than 50 percent of all units in which the students have attempted.

# Appeals:

Appeals of the loss of enrollment priority must be submitted on the Enrollment Priority Appeals Petition available on the Admissions and Records website. Automatic clearance is provided to students who achieve Significant Academic Improvement as defined in regulations.

# STANDARDS FOR DISMISSAL

A. Academic Dismissal

Students are subject to academic dismissal when their GPA is less than 2.0 in 12 units or more for two consecutive semesters on academic probation. Students subject to academic dismissal shall be placed on continued probation when their latest semester's GPA is 2.0 or higher.

B. Progress Dismissal

Students who have been placed on progress probation shall be

subject to dismissal if the percentage of units in which the students have been enrolled and for which entries of "W", "I", or "NP" are recorded in at least two (2) consecutive semesters reaches or exceeds 50 percent. Students subject to progress dismissal shall be placed on continued probation when no "W", "I", or "NP" entries are recorded for their latest semester.

Students are notified they have been placed on probation shortly after the beginning of the subsequent semester. Dismissal notices are issued before the start of the fall semester. Dismissed students may attend summer session to improve academic deficiencies.

# REINSTATEMENT AFTER DISMISSAL

A. Academic Reinstatement

Students may re-enter the semester following academic dismissal through successful petition to the Academic Records and Standards Committee. However, such students will remain on probation until the accumulated GPA is 2.0 or higher.

B. Progress Reinstatement

Students may re-enter the semester following progress dismissal through successful petition to the Academic Records and Standards Committee. However, such students will remain on probation until the percentage of "W", "I", or "NP" entries is less than 50 percent of all units in which the students have enrolled.

Petitions must be filed prior to the deadline indicated on the readmission petition.

# ADD/DROP PROCEDURES

If you wish to change your class schedule, please follow the steps below:

• Classes may be added via MyCerritos, Student Center (<u>http://my.cerritos.edu</u>).

To add a closed class, go to class on the first day and time that it meets; be on time. Respectfully request of the instructor(s) to be added to the class(es). If the instructor approves, an electronic enrollment will be submitted on your behalf to the Admissions and Records Office. Note that prerequisites, holds/service indicators (SI), conflicts, and illegal course repetition will be checked. Refer to the Fee Payment Schedule on page 16 for payment deadlines. Check your student account via **MyCerritos, Student Center** (<u>http://my.cerritos.edu</u>) or in the **Admissions and Records Office.** All enrollments must be completed by the listed add deadlines.

Classes may be dropped via MyCerritos, Student Center (<u>http://my.cerritos.edu</u>). Be mindful of deadline dates for refunds and posting of "W's" to transcripts.

# LEVEL/SECTION CHANGES

Level/section changes must be processed in person. Program changes which involve level changes in skill and performance classes may be made by the add deadline. Students may also make level changes in Work Experience classes by the add deadline, but only a reduction of hours may be made after the add deadline.

Section changes may not be made between terms or semesters. A student may not drop a first 6/8-week course and then enroll in a second 6/8-week course by executing a section change. The student is required to officially drop the first 6/8-week class and then pay the appropriate fees to be enrolled in the second 6/8-week class. The money will not transfer from one term to another if the drop is processed outside of the refund date.

# WHAT CERRITOS COLLEGE OFFERS

- Freshman and sophomore level course work transferable to four-year colleges and universities.
- Vocational/Technical courses designed to prepare for immediate employment.
- General education course work designed for academic, cultural, and educational enrichment.

# DEADLINES

Throughout the enrollment process (including class petitioning), certain deadlines are necessary in order to comply with state attendance laws and must be followed by all students. Failure to comply with these guidelines may mean that the student will not be enrolled and will not receive credit for, or be allowed to, attend classes. Stated deadlines are not adjusted due to late enrollment.

# RETURNED CHECK POLICY

Personal checks are not accepted for payment of tuition, fees, and other costs. If a check is accepted for another purpose, a \$25 fee will be charged on all returned and stop-payment checks. All fees are subject to change without notice in accordance with action taken by the Board of Trustees. Under state law, including California Civil Code 1719, any person who writes a check which is dishonored for lack of funds is civilly liable, and under the law is liable for at least \$100 or three times the amount of the check, plus additional costs.

# FAILURE TO PAY FINANCIAL OBLIGATIONS

Failure to pay a financial obligation will result in an administrative withholding of grades, transcripts, diplomas or enrollment privileges, or any combination thereof. The item or items being withheld shall be released when the financial obligation has been met (California Code of Regulations, Title 5, Section 59410).

# AUDITING OF COURSES

Auditing courses is permitted at Cerritos College. An auditor is a student who attends a course or courses for no credit or notation on an official transcript. Auditing may be available, pending signed permission, for any student who wishes to attend a course for information, review purposes, or skill building. Students wishing to audit should be aware that audited courses will NOT appear on the official transcript.

- 1. Students may not audit a course unless he/she has <u>exhausted all</u> <u>possibilities to take the course for credit</u>.
- 2. If criteria is met, permission to audit a course is granted at the discretion of the instructor. Signature of both the instructor and division dean are required.
- 3. With the instructor's and division dean's signed permission, a student may submit the audit form to the Admissions and Records Office anytime during the semester after the first class meeting.
- 4. An auditor may be allowed to elect credit in lieu of audit **prior** to the end of the **5th week** of school for a semester length course or **prior** to 30% of a course for a short-term course, **with the instructor's written permission**. No refund of audit fees will be available and all credit fees must be paid in full at the time of credit election.
- 5. A credit student may be allowed to elect audit status in lieu of credit **prior** to end of the **5th week** of school for a semester length course or **prior** to 30% of a course for a short-term course, **with the instructor's written permission.** No refund of credit fees will be available after the refund deadline and all audit fees must be paid in full at the time of audit election.
- 6. Credit students have priority over auditing students. If a course closes after an auditor has been admitted, the auditor may be asked to withdraw to make room for a credit student. Instructor discretion is strongly recommended.
- 7. The fee to audit a class is **\$15** per unit (in addition to the student fees). Students enrolled in 10 or more units can audit 3 units free (may be 3 one-unit classes). The **\$15** per unit audit fee will automatically be charged if the student drops below 10 units.

For additional information regarding auditing, students may make inquiries at the Counseling Office, Office of Academic Affairs, division office, or the Admissions and Records Office. Audit forms may be obtained in the Admissions and Records Office.

# CREDIT BY EXAM CLASSES

Occasionally a student may feel that he/she can earn credit for a certain course by taking a special examination. The student may have gained proficiency through work experience, travel, or independent study. In these cases, a student may petition to receive unit credit by taking an exam prepared by the department. For more information, contact your counselor.

Credit by Examination will not be offered this semester by the Modern Languages Department.

to explore courses in areas they may feel they have an interest. Only these courses listed specifically for pass/no pass may be taken on this basis. Units thus earned may be counted toward the A.A. degree, but grade points are not assigned to pass/no pass grading symbols.

Courses approved for pass/no pass will be indicated on the student's permanent record as "P" with units earned and no grade points; or "NP" with no units earned and no grade points. Units attempted for which "NP" is recorded shall be considered in probation and dismissal procedures. The student is required to take all tests, complete all assignments, and shall be subject to all withdrawal and attendance regulations. Standards of evaluation are identical for all students. Please refer to the college catalog for additional information.

#### Non-Optional Pass/No Pass Classes

These classes are offered on a pass/no pass basis only and are graded entirely on a pass/no pass basis.

# COURSE REPEATABILITY

Effective Fall 2013, repeatability in Dance, Drama, Physical Education, Visual Arts, and most Music courses has been changed. Intercollegiate Athletics and some Music and Theater courses that are required for transfer programs are the only courses in these disciplines that will remain repeatable; all other courses previously offered as repeatable will be offered as single enrollment courses. There will be a notation after the course description if the course is allowed to be repeated.

The college has developed Families of Courses. The Families of Courses include old and new courses related in content (see below for Families of Courses listed by department). A family of courses may consist of more than four courses, but students are limited to a maximum of four courses in any family. Further, all grades, including "W"s, will count toward the four-course enrollment limitation. Students can repeat Art, Dance, Drama, Music, and PE courses that are included in Families of Courses in which a grade of "NP", "D", or "F" was earned or a "W" was assigned; however, all enrollments count toward the four-enrollment maximum for each family of courses.

# ATTENDANCE

It is the responsibility of students to attend classes regularly and apply themselves to the college studies in which they are enrolled. When students have been absent due to illness, they should report to their instructor to explain the absence. <u>Students not in attendance or late for the first class meeting</u> <u>are subject to drop</u>. <u>Students who are absent in excess of 10% of the total class hours are subject to drop</u>. <u>Students who are absent during</u> <u>the course add period are subject to drop</u>. Certain academic and career technical education areas may have stricter attendance requirements. Listed below are two types of absences which permit the making up of work missed, provided that the work is of such a nature that it can be made up.

1. AUTHORIZED ABSENCE: For an approved educational field trip or school activity.

2. EXCUSED ABSENCE: For illness, injury, or quarantine.

NO CREDIT WILL BE GIVEN FOR A CLASS IN WHICH A STUDENT IS NOT OFFICIALLY ENROLLED. Students must attend the first class meeting or their names may be removed from the roll to allow another student seeking admission to enter. If a student is unable to attend the first class meeting, the instructor must be notified.

# **REMOVAL FROM CLASS**

A student may be involuntarily removed from a course due to excessive absences, failure to meet prerequisite(s), or as a result of official disciplinary action (California Code of Regulations, Title 5, Section 55003).

# GRADING

Accomplishment in course work is indicated by the following symbols:

Symbol	Definition	Grade Point
A	Excellent	
В	Good	
С	Satisfactory	
D	Passing, less than satisfactory	
F	Failing (earned)	0
FW	Failing, due to lack of participation and failure to withdrawal	0
Ι	Incomplete	
Р	Pass (at least satisfactory, the equivalent of a "C;" units awarded not counted in GPA)	–
NP	No Pass (less than satisfactory or failing; units not counted in GPA)	
EW	Extenuating Withdrawl (without penalty)	
MW	Military Withdrawal (without penalty)	
W	Withdrawal	
RD*	Report Delayed	

\* The RD symbol is used when there is a delay in reporting the grade of a student due to circumstances beyond the control of the student. It is a temporary notation to be replaced by a permanent symbol as soon as possible. RD shall not be used in calculating grade point averages.

# INCOMPLETE

<u>Students are not to re-enroll or audit a course in which a grade of "I" has been recorded.</u> Incomplete academic work for unforeseeable, emergency, and justifiable reasons at the end of the term may result in an "I" symbol being entered in the student's record. The condition for removal of the "I" shall be stated by the instructor in a written record. This record shall contain the conditions for removal of the "I" and the grade assigned in lieu of its removal. This record must be given to the student with a copy on file with the Admissions and Records Office until the "I" is made up or the time limit has passed. A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed. The "I" may be made up no later than one year following the end of the term in which it was assigned. The "I" symbol shall not be used in calculating units attempted, nor for grade points. A student may petition for a time extension due to unusual circumstances by completing a petition form from the Admissions and Records Office.

# **GRADE CHANGES**

The determination of the student's grade by the instructor shall be final in the absence of mistake, fraud, bad faith, or incompetency. The correction of a grade given shall only be allowed for a request initiated within one year following the end of the term in which it was assigned. Exceptions to the one-year limit on grade changes may be requested by petition of the student in extenuating circumstances. A formal petition must be submitted to the Academic Standards Committee. Extenuating circumstances are verified cases of accident, illness, or other circumstances beyond the control of the students (Title 5, Section 55760, Board Policy 4231).

# **GRADE REPORTS**

To view your grades, log in to your MyCerritos account and select "Student Center", followed by "My Academics", and finally "Unofficial Transcript". Grades are not mailed to students.

# FINANCIAL AID PROCESS

Apply every academic year. Applications cover Fall, Spring, and Summer. Applications become available in October.

To be eligible for federal and state financial aid funds (excluding the California College Promise Grant\*), a student must make satisfactory academic progress. The Financial Aid Office at Cerritos College has established the following Satisfactory Academic Progress (SAP) standards to determine if a student is making satisfactory academic progress.

# Grade Point Average (GPA) Requirement

You must maintain a 2.0 cumulative Grade Point Average (GPA).

# Maximum Time Frame Requirement

Students must complete their educational program within a maximum time frame of 150% of the published program's required units at Cerritos College. For example, associate in arts degree and transfer programs generally require 60 units. Therefore, 150% of those programs would be 90 units (60 units  $\times$  1.5).

# Unit Completion Requirement – Pace of Progress

Students are required to complete 67% of the units they have attempted. The cumulative units completed will be divided by the cumulative units attempted to calculate the pace of progress. All units are considered in his calculation. Units for which a grade of W, FW, NP, NC, and/or F was received are considered as units attempted, but not completed.

\*Students must meet institutional academic and progress standards for the California College Promise Grant.

# Special Admit Minors are students enrolled in grades K-12 without high school diplomas, who can benefit from "advanced scholastic or career/technical work."

#### HIGH SCHOOL JUNIORS AND SENIORS

- 1. The high school principal or designee must recommend and give consent with signature on the Dual Enrollment Form that the student would benefit from college instruction.
- 2. A parent/guardian must approve student's participation and give consent by signing the Dual Enrollment Form. Signature of the parent/guardian also acknowledges that the student will conform to all College policies and procedures.

### Academic Eligibility

# CHICANO STUDIES

# WHY STUDY CHICANO STUDIES?

The Mexican American/Chicano(a)/Latinx Department seeks to increase critical understanding and appreciation of social, historical, and continuing cultural significance of Mexican American and Latinx communities. The Latinx population has played an important role in shaping our nation's history and is now the fastest growing population in the United States, and will soon become the majority population in the state of California. Students who major in Chicano Studies will enroll in classes from a variety of disciplines that enrich their understanding of the experiences and contributions of Mexican Americans and Latino[a]s past and present. The Chicano Studies Associate in Arts Degree requires completion of courses from the fields of History, Art, Women's Studies, Sociology, Philosophy, Psychology, Spanish, English, and Anthropology.

Chicano Studies courses are vital to help you learn, value, and practice cultural competence - an imperative and beneficial skill to build in an increasingly diverse society. Chicano Studies courses will help you gain more self-confidence and improved self-esteem to experience new ways of learning, as course framework reflects that of historically marginalized groups that are often overlooked.

#### IF YOU TAKE COURSES IN CHICANO STUDIES, YOU WILL:

- Gain understanding of the importance of Chicano(a)/ Latinx culture in the United States.
- Analyze and evaluate the contributions of Chicano(a)s and Latinx within US society in diverse disciplines such as Politics, Science, Health, Education, Social Sciences, Humanities, Music, and Fine Arts.
- Be introduced to significant Mexican American, Chicano, and Latino leaders in the US, both new and contemporary figures, as a form of mentorship. Learning about these leaders will help you advance further in your personal, academic, and professional lives.
- Become active in today's society to procure benefits for your education and for the benefit of others in your community.

The Associate in Arts Degree in Chicano Studies prepares students to transfer to California State University (CSU) campuses that offer Chicano Studies. In addition, Chicano Studies is an interdisciplinary program that contains a wide array of classes from English, Spanish, History, Social Science, Fine Arts, Women Studies, and Anthropology. All of these major courses of study will also prepare the student to obtain additional coursework to major and/or minor in the disciplines mentioned above. The degree requires students to complete 60 CSU transferable units.

## LEARNING COMMUNITIES

For Spring 2020, there are two Learning Communities: Puente Program and Umoja Success Program.

For more information about enrolling in the Learning Communities Program or for a complete description of each learning community, please check the website at <u>www.cerritos.edu/lcp/</u> or call (562) 860-2451, ext. 2212.

### PUENTE PROGRAM:

The Puente Program is designed to help students achieve academic success, instills a sense of belonging, and guarantees students four transfer courses with textbooks provided at no cost. These courses are all transferrable and will get you more familiar with the transfer process, major and career decision process, and build your leadership skills. The most unique aspect of the Puente Program is that the professors approach these four subjects through a Latina/o perspective, including Latina/o authors; historical and contemporary issues in the Latinx community; and different themes pertaining to the Latina/o community.

Through Puente you will receive counseling, guidance, mentorship, and assistance on the importance of transferring into a CSU, UC, or Private Universities. The Puente Program also takes students on field trips such as visiting Northern California universities free of charge.

For more information on the Puente Program, contact the Counseling Department at (562) 467-5231.

### LEARNING COMMUNITIES CLASSES

Learning communities involve the intentional creation of class pairs or clusters around a common theme, public issue, or question. Typically, the same group of students is co-enrolled in two or more courses, usually from different disciplines—for instance, English and career guidance. Students enroll in both courses but receive a separate grade for each one. Classroom activities, tests, assignments, field trips, research projects, and educational technology are used to engage students in their own learning, as well as provide them with valuable "real-world" skills. Students enroll in both courses but receive a separate grade for each one.

Perhaps more importantly, the learning community model promotes student-centered learning, with an emphasis on an enriched classroom environment. It promotes greater intellectual growth and genuine mastery of course content through collaborative activities, frequent feedback, and increased student-teacher and student-student interactions.

Research indicates learning communities promote student achievement, retention, and progress toward degree completion. Faculty benefit from professional development and training, fresh approaches to teaching, and collaboration with colleagues.

# WHAT ARE THE BENEFITS OF JOINING A LEARNING COMMUNITY?

- Smooth your transition into college
- · Meet other students and form lasting friendships
- Learn how to choose your major and reach your academic goals sooner
- · Graduate or transfer to a four-year college or university sooner
- Increase your learning and earn better grades

# ARE LEARNING COMMUNITY COURSES TRANSFERABLE?

Many of the courses are transferable to CSUs and/or UCs. See the Schedule of Classes, the Cerritos College Catalog, or meet with a counselor to check specific courses.

### WHAT ARE THE REQUIREMENTS TO ENROLL?

- The only requirements to enroll in a Learning Community are that you: a) meet the prerequisites for all courses and
- b) enroll in all courses listed for that Learning Community.

The prerequisites are listed in the Cerritos College Catalog and must be met prior to enrollment.

# HOW WILL LEARNING COMMUNITY COURSES BE LISTED ON MY TRANSCRIPT?

Your transcript will reflect the classes as separate courses.

### QUESTIONS

If you have questions about the Learning Communities Program (LCP), please call (562) 860-2451, ext. 2782, or stop by the LCP Center located in the Multipurpose Building, room MP 100 A-F.

### For complete course descriptions, see the regular course listings in the schedule of classes.

### WHAT IS DISTANCE EDUCATION?

Distance Education takes place when a teacher and students are separated by physical distance. In place of traditional classroom delivery; voice, video, data, and print are used to bridge the instructional gap. Cerritos College offers online and hybrid courses (see definitions in next column). All courses carry full academic credit and their content is equivalent to what you would receive in a more traditional mode of delivery.

### WHAT SKILLS ARE REQUIRED FOR ONLINE LEARNING?

In order to support student success in online classes, students and faculty should be aware of core skills and expectations that promote student achievement in an online learning environment. For students who are interested in taking an online class for the first time, please refer to the Student Success Center in the LRC for assistance, or contact the instructor of the course directly. Students should consider taking a one-unit course: EDT 50: Preparation for Online Learning.

### **Necessary Student Skills:**

- 1. Basic Computer skills (send and receive email and attachments; download files; fundamentals of file management; search and navigate the Internet using a browser)
- 2. Awareness of institutional support services (Student Success Centers)
- 3. Successful completion of prerequisite coursework
- 4. Organizational skills
- 5. Reading comprehension
- 6. Writing skills
- 7. Communication skills
- 8. Time-management skills
- 9. Proficiency in any adaptive computing software/hardware needed to access the online course material when there is a disability-related barrier
- 10. Recommended completion of online orientation (such as EDT 50) or equivalent preparation
- 11. Familiarity with college course management system (such as Canvas)

### Student Learning Expectations:

- 1. Motivated and focused
- 2. Awareness of online expectations, environment and workload
- 3. Autonomous, self-motivated learner
- 4. Positive attitude toward technology
- 5. Intention to complete the course
- 6. Ability to work independently
- 7. Ability to work as a group member
- 8. Having the confidence to follow directions and to ask for assistance

Before registering for any online course, you should make sure that you have proficient skills in basic computing, web browsing, email, and word processing. Your instructor will not teach these skills as part of the course content. If you do not possess these skills, you may want to enroll in EDT 50: Preparation for Online Learning, or CIS 50: Basic Computer Literacy.

### WHAT ARE THE TYPES OF ONLINE INSTRUCTION?

**Online** courses occur online. Some instructors may require on-campus attendance for orientation, test-taking, or to satisfy other course requirements. Access to email and the Internet are required to complete work using email, chat rooms, discussion boards, and other instructional tools. Online courses are designated as OL in the published class schedule.

**Hybrid** courses include the combination of traditional in-class instruction with online instruction. Therefore, students will be required to attend on-campus meetings as scheduled by the instructor, as well as complete work using email, the campus course management system (Canvas) and/or chat rooms, discussion boards, and other instructional tools. These courses are designated as HYBRID in the published class schedule.

### ENROLLING IN AN ONLINE COURSE?

Students enroll in online sections in the same manner as regular classes. Consult the general enrollment procedures in this schedule for more information.

### ACCESSING ONLINE AND HYBRID COURSES:

Once you are enrolled in a class, go to the Canvas website, <u>www.cerritos.</u> <u>edu/canvas</u>, and log on with your username and password.

**Username:** This is your 7-digit student ID number. Example: John Smith, ID #1234567. Your ID number, 1234567, is your username.

**Password**: Your initial password is your 8-digit date of birth in the "mmddyyyy" format. Example: John Smith's date of birth is May 30, 1990. His password would be 05301990.

### **ONLINE ORIENTATION:**

There is also an online general orientation for all online courses. Go to <u>www.cerritos.edu/de</u>. Some instructors give on-campus orientations. Check course listings for information. # POLICY ON AFFIRMATIVE CONSENT, SEXUAL ASSAULT, AND TITLE IX

Cerritos College is committed to providing a safe and secure environment for all members of the campus community. Board Policy and Administrative Procedure 3540: Sexual and Other Assaults on Campus, operationalize relevant State and Federal Laws. These cover sexual assaults including rape, sexual battery, and threat of sexual assault; dating violence; domestic violence; stalking; and failure to have affirmative consent. District response including claimant options, victim resources, case investigation, and administrative and law enforcement response are provided in Administrative Procedure 3540. Any student or employee who becomes a victim of sexual violence, dating violence, domestic violence, or stalking is encouraged to report the matter immediately to Dr. Valyncia C. Raphael, District Title IX Coordinator in the Office of Human Resource Services. The phone number for the Title IX Coordinator is (562) 860-2451, ext. 2276, and the email address is <u>TitleIXcoordinator@cerritos.</u> edu. Additional information is available at <u>https://www.cerritos.edu/title-ix</u>.

The District is dedicated to providing prompt and compassionate services. In the event of an incident, Student Health Services will provide confidential support services and direction. The phone number for Student Health Services is (562) 860-2451, ext. 2321.

For more information, please see Board Policy 3540 and Administrative Procedure 3540: Sexual and Other Assaults on Campus. This Policy and Procedure are on the Board Policy web page at: <u>https://www.cerritos.edu/board/policies</u>.

### AFFIRMATIVE CONSENT POLICY

Board Policy 3540 and 5500 define "affirmative consent" as affirmative, conscious, and voluntary agreement to engage in sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent. People under 18 years old; incapacitated by drugs, alcohol, or medication; asleep, unconscious or otherwise unable to understand the fact, nature, or extent of the sexual activity cannot give consent. Failure, as a person involved in sexual activity, to ensure mutual, affirmative consent throughout sexual activity constitutes good cause for discipline, including but not limited to the removal, suspension, or expulsion of a student.

Information about violators of this policy are encouraged to report this matter immediately to the Director of Diversity, Compliance, and Title IX Coordinator in the Office of Human Resources or the Campus Police. The number for the Campus Police is (562) 860-2451, ext. 2325.

### SEXUAL HARASSMENT

It is the policy of the Cerritos Community College District to provide an educational, employment, and business environment free of unwelcome sexual advances, requests or offers for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment, as defined and otherwise prohibited by federal and state statutes and Board Policy.

The Board of Trustees and the President-Superintendent have provided regulations and procedures to implement this policy and the regulations and procedures are included as a part of the District's Equal Employment Opportunity Plan and Board Policy.

It is a violation of Board Policy for anyone who is authorized to recommend or take personnel or academic actions affecting an employee or student, or who is otherwise authorized to transact business or perform other acts or services on behalf of the Cerritos Community College District, to engage in sexual harassment as defined in Board Policy or as described below.

Sexual harassment occurs when unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature takes place and:

- 1. Is made explicitly or implicitly a term or condition of an individual's educational status or employment; or
- 2. Is used as a basis for educational or employment decisions affecting such individual; or
- 3. Has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive educational or working environment; or
- 4. Is used as the basis for any decision affecting the individual regarding benefits, services, honors, programs, or activities available at or through the District. Informal and formal complaints under this policy shall be processed through the District's Administrative Procedure 3435: Discrimination and Harassment Investigations, through the Director of Diversity, Compliance, and Title IX Coordinator. The District's Policies and Procedures are available on the website at https://www.cerritos.edu/board/policies.

## NOTIFICATION OF RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1) The right to inspect and review the student's education records within 45 days of the day the College receives a request for access.

A student should submit to the registrar or designee a written request that identifies the record(s) the student wishes to inspect. The registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the registrar, the registrar shall advise the student of the correct official to whom the request should be addressed.

2) The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the College to amend a record should write the registrar, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3) The right to provide written consent before the College discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The College discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, or collection agent); or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College. The College may also disclose education records without consent to officials of another school in which a student seeks or intends to enroll.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-5901

### DIRECTORY INFORMATION

Cerritos College will not release personal data about students without their prior written consent except to persons and agencies authorized by law. The college may make an exception to legitimate inquiries, by providing general directory information to include: name • major field of study • class level • dates of attendance • degrees and awards received • participation in officially recognized activities and sports • weight and height of members of athletic teams, and • previous educational institutions attended.

### STUDENT RECORDS CONSENT

Cerritos College may permit access to student records to any person for whom the student has executed written consent specifying the records to be released and identifying the party or parties to whom the records may be released. Such consent must be signed and dated by the student. The recipient must be notified that the transmission of the information to others is prohibited (California Administrative Regulations, Title 5, Section 54616).

### WITHHOLDING OF STUDENT RECORDS

Student records may be withheld pending satisfaction of certain requirements, per Board Policy and Administrative Procedure 5035.

## GENERAL EDUCATION REQUIREMENTS FOR THE ASSOCIATE DEGREE AND FOR TRANSFER TO THE CALIFORNIA STATE UNIVERSITY AND UNIVERSITY OF CALIFORNIA

Requirements for the Associate in Arts (A.A.) Degree at Cerritos College can be met in one of three different ways: Plan A, B, or C.

**PLAN A** is designed primarily for those students interested in preparing for a vocational career upon graduation. Plan A may also be used by university transfer students and for students in vocational majors who may possibly wish to transfer in the future; however, there are courses listed under Plan A that are not transferable for general education credit to the four-year universities. Therefore, students wishing to use this option should see a Cerritos College counselor for advice in selecting the A.A. General Education plan that, in combination with a major, will best match their educational and career goals. Please see the Plan A degree description page for further details.

**PLAN B** is designed primarily for students who will transfer to a California State University (CSU) campus and are not interested in attending a University of California campus. Students may use this plan to combine completion of both the Associate in Arts general education requirements, and the California State University (CSU) General Education Certification pattern. Students should see a counselor for advice on selecting the A.A. General Education plan that, in combination with a major, will best match their educational and career goals. Please see the Plan B degree description page for further details.

**PLAN C** is designed primarily for students who intend to transfer to the University of California (UC), or who are undecided between transferring to the University of California or the California State University. Students may use this plan to combine completion of both the A.A. degree general education requirements and the Intersegmental General Education Transfer Curriculum (IGETC) requirements. Plan C may not be recommended for some majors at certain CSU or UC campuses. Please see the Plan C description page for further details.

### The significant differences between Plan A, Plan B, and Plan C are:

**Plan A** requires the completion of a minimum of 18 units of identified general education courses and requirements and a minimum of 18 units of specified "major" courses, as well as proficiency requirements and electives if necessary, to total a minimum of 60 degree applicable units.

**Plan B** requires a minimum of 39 units of identified CSU general education courses and requirements plus specified major courses, the health and wellness proficiency requirement, and elective courses if necessary, for a minimum of 60 degree applicable units.

If a student only wishes to transfer at an upper division level and is not seeking an A.A. degree, a minimum of 60 CSU transferable units is required (see transfer requirements for CSU and your counselor).

**Plan C** requires a minimum of 34 (UC) or 37 (CSU) units of identified general education courses and requirements plus specified major courses, the health and wellness proficiency requirement, and electives if necessary, to total a minimum of 60 degree applicable units.

If a student only wishes to transfer at an upper division level and is not seeking an A.A. degree, a minimum of 60 UC transferable units is required (see IGETC, UC transfer requirements, and your counselor).

There are important differences among the three plans. In order to select the plan that best meets each individual's A.A. and transfer goals, students should see a Cerritos College counselor.

## GENERAL EDUCATION REQUIREMENTS FOR THE ASSOCIATE DEGREE AND FOR TRANSFER TO THE CALIFORNIA STATE UNIVERSITY

# Associate in Arts Degree General Education 2019-20 Plan B and/or The General Education Certification Requirements For The Bachelor's Degree At The California State University

Plan B is designed primarily for students who will transfer to a California State University (CSU) campus and are not interested in attending a University of California campus. Students may use this plan to combine completion of both the Associate in Arts general education requirements and the CSU General Education Certification pattern. Students should see a counselor for advice on selecting the A.A. General Education plan that, in combination with a major, will best match their educational and career goals.

To earn an Associate in Arts Degree using Plan B, students must complete a minimum of 60 degree applicable units with an overall grade point average of "C" (2.0) or higher, which must include the specified general education requirements and designated courses for a major. The Health and Wellness Proficiency requirement must be completed (see description in Plan A).

If a student wishes only to transfer and is not seeking an A.A. degree, they can follow the requirements below; however, there are no proficiencies required for CSUGE certification.

It should be noted that completion of the CSU General Education Certification is not required for admission to the CSU, nor is it the only way to fulfill the lower division general education requirements. Depending upon the student's major, it may be advantageous to complete the requirements of the specific campus the student plans to attend.

### CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION CERTIFICATION REQUIREMENTS

A maximum of 39 units is required to fulfill the CSU lower division general education requirements, with the units to be distributed as follows: Nine (9) units in Area A; nine (9) units in Areas B, C and D, with no more than 30 units total in areas B through D combined; and three (3) units in Area E.

A letter grade of "C" or higher is required in Oral Communication, Written Communication, Critical Thinking, and Mathematical Concepts.

## GENERAL EDUCATION REQUIREMENTS FOR THE ASSOCIATE DEGREE AND FOR TRANSFER TO THE CALIFORNIA STATE UNIVERSITY AND UNIVERSITY OF CALIFORNIA

# Associate in Arts Degree General Education 2019-20 Plan C and/or The Intersegmental General Education Transfer Curriculum (IGETC) For Transfer To UC And CSU

Plan C is designed primarily for students who intend to transfer to the University of California (UC) or are undecided between transferring to the UC or the California State University (CSU). Students may use this plan to combine completion of both the A.A. Degree general education requirements and the IGETC General Education requirements.

The purpose of IGETC is to provide an option for students to fulfill lower division general education requirements prior to transferring to a UC or CSU campus.

Depending upon the student's major and campus choice, it may be advantageous to complete the requirements of the specific campus the student plans to attend. In general, it is not advisable for transfer students preparing for majors at any UC campus requiring a high number of units, such as engineering and science, to use IGETC.

Plan C can be fulfilled by completing the IGETC requirements specified for either the UC or CSU.

### A letter grade of "C" or higher is required in all Plan C courses.

To earn an Associate in Arts degree using Plan C, students must complete a minimum of 60 degree applicable units with a grade point average of "C" (2.0) or higher, which must include the specified general education requirements and designated courses for a major. The Health and Wellness Proficiency requirement must be completed (see description in Plan A).

If a student wishes only to transfer and is not seeking an A.A. degree, they can follow the requirements below. There are no proficiencies required for IGETC certification.

It should be noted that completion of IGETC is not required for admission to the UC or CSU.

Further information and other regulations pertaining to IGETC and the Associate in Arts Degree are found in the catalog.

# STATEMENT OF STUDENT RIGHTS AND RESPONSIBILITIES PREAMBLE

The community college exists for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth and knowledge.

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Students should exercise their freedom with responsibility so as not to endanger the rights, goals, and beliefs of other students.

Cerritos College is open to all qualified students regardless of national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics, or any other status protected by law in person or in an online environment and, when the victim or victims are associated with the District, whether or not the location is associated with the District.

### CLASSROOM RIGHTS AND RESPONSIBILITIES

The professor in the classroom and in conference should permit free discussion, inquiry, and expression of thought by the student. Student performance should be evaluated solely on an academic basis, not on opinions or willingness to accept professors' personal beliefs, or conduct unrelated to academic standards. Students should be free to take reasoned exception to the data or views offered in any course of study for which they are enrolled and for maintaining standards of academic performance established for each course in which they are enrolled. The student has the right to have the course taught in a systematic, meaningful manner and to know at the beginning of the course those academic standards required of the student in the course.

Administrative staff and faculty members should respect confidential information about students, such as student views, beliefs, and political associations, that is acquired in the course of their work. Transcripts of academic records should contain only information about academic status.

### ON THE CAMPUS RIGHTS AND RESPONSIBILITIES

Students should be free to examine and discuss all questions of interest to them, and express opinions publicly and privately. They should be

free to organize and join associations to promote their common interests. The membership, policies, and actions of a student organization will be determined by vote of only those persons who hold bona fide membership in that college organization. Campus advisors shall advise organizations in the exercise of their rights and responsibilities.

Student organizations shall be required to submit a statement of purpose, criteria for membership, rules of procedures, a current list of officers, and the advisor shall certify the list of verified members. Campus organizations should be open to all students.

Students and student organizations should be free to support causes by orderly means which do not disrupt the regular and essential operation of the college. Student organizations shall have the right to recommend, invite, and hear any person of their own choosing as long as such speakers and topics are in accordance with federal, state, and local laws, and guarantee the safety of students and protection of public property. Guest speakers invited by students or student organizations should be subjected only to those policies, requirements, and regulations as established by the Board of Trustees in order to insure an appropriate and meaningful contribution to the academic community. It should be made clear to the academic community and the larger community that the public expressions of students, student organizations, and guest speakers speak only for themselves.

As constituents of the academic community, students should be free, individually and collectively, to express their views on issues of institutional policy, instruction, the evaluation of professors as it pertains to their course content, and on matters of general interest to the student body.

### IN THE LARGER COMMUNITY

College students are both citizens and members of the academic community. As citizens, students should enjoy the same freedom of speech, peaceful assembly, and right of petition that other citizens enjoy. As citizens, they should be subject to civil law as others and may incur penalties prescribed by civil authorities when violating these laws. Only where the college's interest as an academic community are distinct and clearly involved should the special authority of the college be asserted.

### STUDENT PUBLICATIONS

Student publications and the student press perform the traditional roles of informing, entertaining, and influencing. They are both instructional and informational, and as such should meet the highest academic and professional standards in serving the broad college community and should set forth as the primary goal of the student newspaper the coverage of news events, happenings, and experiences on the college campus.

Associated Student Body, administrative and academic authorities, in consultation with students and advisors have the responsibility to define and clarify the role of student publications, and the standards to be used in their evaluation.

They must also assure that both academic freedom and editorial freedom are protected and exercised so that the integrity of the student publications program and the free press will not be compromised.

It is incumbent upon student editors and managers to act according to the highest ethics of responsible journalism. This corollary responsibility includes careful adherence to the laws of libel and good taste, and such considerations as the avoidance of indecency, undocumented allegations, attacks on personal integrity, and the techniques of harassment and innuendo, and should allow adequate space for rebuttal and differing views in regard to articles in which there is some controversy. Safeguards to assure freedom of the student press with responsibility should include freedom from censorship or arbitrary control of the press, and protection of editors and managers from arbitrary attack, suspension, or removal because of disapproval of editorial policy or content by any external influence.

### STUDENT RIGHTS AND GRIEVANCES

Note: Complaints under Section 504, Section 508, and/or the Americans with Disabilities Act are to be made to the Section 504/508/ ADA Coordinator in the Disabled Student Programs and Services Office or to the Diversity/Compliance/Title IX Officer in the Human Resources Office. Complaints of sexual harassment and other illegal discrimination are to be made to the Diversity/Compliance/Title IX Officer in the Human Resources Office or the Vice President of Human Resources.

If a student files a grievance under this procedure that includes an allegation of unlawful discrimination, including harassment or retaliation, the grievance, or portion of the grievance, will immediately be referred to: (i) the Diversity/Compliance/Title IX Officer or to the Vice President of Human Resources or designee per AP 3435, "Intake and Processing of the Complaint"; or to (ii) the Cerritos College Section 504/ADA Coordinator per Administrative Procedure 3412, for attempted informal resolution or investigation.

### STUDENT GRIEVANCE PROCEDURES

A student of the College may address grievances as applied to and regarding academic, administrative, and instructional matters relating to students, and including, but not limited to, any grievance dealing with any academic or management employee of the District.

A grievance shall herein be defined as any act depriving a student of any of the rights set forth in the statement of "Student Rights and Responsibilities," or any state, federal, or local codes. Grades and grading grievances are not addressed within this administrative procedure. The student should refer to "Student Grade Grievance Procedure."

The determination of whether the Statement of Grievance presents sufficient grounds for a hearing shall be based on the following:

- The statement contains facts which, if true, would constitute a grievance under these procedures;
- The grievant is a student, which includes applicants and former students;
- The grievant is personally and directly affected by the alleged grievance;
- The grievance was filed in a timely manner;
- The grievance is not clearly frivolous, clearly without foundation, or clearly filed for purposes of harassment.

If the grievance does not meet each of the requirements, the Office of Student Conduct and Grievance or ASCC Chief Justice or designee shall notify the student in writing of the rejection of the request for a grievance hearing, together with the specific reasons for the rejection and the procedures for appeal.

### <u>GRIEVANCE PROCEDURE (EXCEPT GRADES AND</u> <u>GRADING, SEXUAL HARASSMENT, AND OTHER ILLEGAL</u> <u>DISCRIMINATION</u>):

### **STEP I - INFORMAL ACTION**

- A. The student with a grievance shall first attempt to resolve the matter by informal discussion with the employee(s) involved.
- B. If the problem is not resolved in step I-A, the student shall then attempt to resolve the matter by informal discussion with

the person at the lowest level of supervisory authority for the person with whom there is a complaint.

- C. If the grievant still believes the issue has not been resolved satisfactorily after Step I-B, a student Statement of Grievance Form may be obtained from the Office of Student Conduct and Grievance. After completion of the Form specifying the time, place, nature of the complaint, and remedy or correction requested; it should be submitted to the Coordinator of Student Conduct and Grievance who will send a copy of the written statement to the ASCC Supreme Court Chief Justice and the Vice President of Academic Affairs. This statement must be submitted within 30 instructional days after the grievant has become aware of the act or condition on which the complaint is based. An instructional day is defined as any day Monday through Friday that all normal college business is conducted, both in the classroom and administrative offices. All weekend days and college holidays are excluded.
- D. The ASCC Chief Justice or Court designee shall attempt to resolve the problem through informal meeting and discussion among the pertinent parties while remaining neutral on all issues involved. This informal meeting and discussion is intended to include the levels of management or administration concerned with the problem and should be completed within ten instructional days, as such days are defined herein. In the event the informal procedure fails, the formal procedure may be implemented.

### STEP II - FORMAL ACTION

### A. PRELIMINARY STEPS

- 1. If the grievant does not believe the grievance has been resolved, the grievant may request Step II-Formal Action through the ASCC Chief Justice. The Chief Justice upon receiving the request of the grievant shall call a meeting of the Student Grievance Hearing Committee. The Hearing Committee will be composed in the following manner:
  - ASCC Chief Justice or designee and two Court Justices or designees,
  - the Vice President of Academic Affairs or administrative designee,
  - the Faculty Senate President or Senate designee, and
  - one Faculty Senate member, chosen by the Faculty Senate.

If replaced per section II.A.5. herein, the ASCC Chief Justice or designee or Court Justices or designees substitute(s) shall be appointed by the ASCC Court.

- 2. The Chief Justice or designee shall serve as the Hearing Committee Chair, but shall have no vote in committee decisions. The five voting members of the Hearing Committee may be selected within the first six weeks of the academic year. Names selected by the Faculty Senate are to be submitted to the Chief Justice. Members of the Committee are to serve for an academic year.
- 3. The Vice President of Academic Affairs or administrative designee shall serve as Hearing Committee Executive Secretary. The Executive Secretary, a voting member of the committee, shall be responsible for keeping necessary records of committee hearings and assist the ASCC Chief Justice in the conduct of the hearing.
- 4. Grievance Committee members are to deal with all grievances in a confidential manner, except when both parties agree to a public hearing or otherwise required by law.

5. No person shall serve as a member of a Hearing Committee if that person has been personally involved in any matter giving rise to the grievance, has made any statement on the matters at issue, or could otherwise not act in a neutral manner. Any party to the grievance may challenge for cause any member of the hearing committee prior to the beginning of the hearing by addressing a challenge to the Hearing Committee Chair, who shall determine whether cause for disqualification has been shown. If the Hearing Committee Chair determines that sufficient grounds for removal of a member of the committee have been presented, the Hearing Committee Chair shall remove the challenged member or members and request a substitute from the original appointing constituent group.

### B. FORMAL HEARING

The Hearing Committee shall conduct its proceedings according to the following procedures:

- 1. The Hearing Committee must meet within 15 instructional days after informal action has been completed and the grievant has requested a formal hearing.
- 2. The Chair must notify the parties involved within five instructional days before the hearing of the date, time, and location of the hearing and must include a copy of the written complaint, a copy of the Statement of Student Rights and Responsibilities, and copy of the Grievance Procedure.
- 3. Four members shall constitute a quorum by which Hearing Committee business may proceed. The quorum must include at least one student member, one faculty member, and one administrative member.
- 4. The members of the Hearing Committee shall be provided with a copy of the grievance and any written response provided by the respondent before the hearing begins.
- 5. Both parties shall have the right to present personal statements, testimony, evidence, and witnesses. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted. Unless the Hearing Committee determines to proceed otherwise, each party to the grievance shall be permitted to make an opening statement. Thereafter, the grievant or grievants shall make the first presentation, followed by the respondent or respondents. The grievant(s) may present rebuttal evidence after the respondent(s)' evidence. The burden shall be on the grievant or grievants to prove by substantial evidence that the facts alleged are true.
- 6. Each party shall have the right to be present, to be accompanied by the person of his or her choice (who may not participate in the hearing), and to question witnesses who are present. In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the committee agree to the contrary.
- 7. The hearing shall be recorded by the Coordinator of Student Conduct and Grievance, either by audio recording or stenographic recording, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. The audio or stenographic recording shall remain in the custody of the District, at all times, unless released to a professional transcribing service. Any recognized party to the grievance may request a copy of the recording.

- The Hearing Committee Chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name.
- 9. The Hearing Committee shall discuss the stated grievance(s), hear testimony, examine witnesses, and receive all available evidence to the charge.
- 10. The hearing shall be closed to the public unless otherwise agreed upon in writing by both parties.
- 11. The Hearing Committee shall make decisions in private. The Hearing Committee shall write up findings and decisions. Copies of findings and decisions, including majority and minority reports, are to be sent to each party and the appropriate Vice President. The Hearing Committee's decision(s) shall be final unless appealed.
- 12. A recording of the proceedings shall be kept in a confidential file in the Office of Student Conduct and Grievance and shall be available at all times to parties directly involved. All documents, communications, and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants. After a period of four years, the grievance file shall be destroyed.
- 13. Reprisals of any kind will not be taken by the District or any of its agents against any party of interest or any other participant in the grievance procedure by reason of such participation.
- 14. Evidence and testimony given in each case presented shall not be the sole cause of initiating or filing further grievances.
- 15. If the grievant does not act within the time limits provided herein, the ability to proceed with the grievance shall be terminated and no further action will be taken.
- 16. The number of instructional days indicated at each step herein should be considered a maximum and every effort must be made to expedite the process. Time limits may be extended by mutual consent in writing or by decision of the Hearing Committee.
- 17. The Hearing Committee should attempt to reach a decision by discussion and consensus on a workable solution. Voting should be a last course of action.
- 18. If in the course of the proceedings a student graduates before a solution is found, the student shall not be denied full consideration under this policy. A student may also submit a grievance after graduation if the grievance did not become known until that time. However, it must be submitted within 30 instructional days after the grievant should have reasonably become aware of the act or condition on which the complaint is based.

### APPEALS PROCESS

1. If a party wishes to formally appeal a recommendation of the Hearing Committee, an appeal must be submitted within ten instructional days to the appropriate Vice President provided the appropriate Vice President is not a direct party to the grievance. If the appropriate Vice President is a direct party to the grievance, and either party is dissatisfied with the recommendation of the Hearing Committee, an appeal may be submitted to a Vice President/Assistant Superintendent not a direct party to the grievance.

- 2. Upon receiving the findings and recommendations of the Hearing Committee, and after examination of the appeal as requested by either party, the appropriate Vice President or alternate may accept or reject the Hearing Committee's decision.
- 3. If the appropriate Vice President or alternate rejects the Hearing Committee's decision, he or she shall submit his/her decision with the stated reasons for objections to the Hearing Committee within ten instructional days. The Hearing Committee shall within ten instructional days reconsider its decision(s) and submit its decisions to the appropriate Vice President for a final decision.
- 4. The appropriate Vice President shall transmit his or her final decision to the parties within ten instructional days.
- 5. An appeal of the appropriate Vice President's decision may be submitted to the President/Superintendent by either party within five instructional days of the appropriate Vice President's decision. The President/Superintendent shall transmit his or her final decision to the parties within ten instructional days.
- 6. An appeal of the President/Superintendent's decision may be submitted to the Board of Trustees by either party within five instructional days of the President/Superintendent's decision. The Board of Trustees may review an appeal for two consecutive regular Board meetings before making a final determination of the matter at the District level.
- 7. The President/Superintendent or designee, or the Board of Trustees may reject a Hearing Committee decision only after reviewing a transcription of the involved hearing.

### STUDENT GRADE GRIEVANCE PROCEDURE

A student of the College may present a grade grievance. The California Education Code, Section 76224, quoted, states for a final course grade the conditions upon which grades or grading can be questioned.

"When grades are given for any courses of instruction taught in a community college district, the grade given to each student shall be determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetence, shall be final." "Mistake" may include, but is not limited to, errors made by an instructor in calculating a student's grade and clerical errors.

### Definitions

**Fraud** – Fraud consists of some deceitful practice with intent to deprive another of their right.

**Bad** Faith – Intentional design to mislead or deceive another, or neglect or refusal to fulfill some duty or contractual obligation.

**Incompetence** – That a person is incapable, inefficient, and without the qualities needed to discharge their obligations and duties.

Mistake – An unintentional act, omission, or error.

**Instructional Day** - Any day Monday through Friday that all normal college business is conducted, both in the classroom and in the administrative offices. All weekend days and college holidays are excluded.

### **STEP I – INDIVIDUAL ACTION**

If a student believes they have valid grounds to challenge a final course grade based on the presence of a mistake, fraud, bad faith, or incompetence, they must first meet with the faculty member to attempt to resolve his or her concern informally. Once grades are available, the student is expected to contact their instructor directly to discuss the dispute. If the instructor is not available or is no longer employed, the student should contact the Division Dean. When challenging a grade, the burden of proof is on the student to provide evidence of mistake, fraud, bad faith, or incompetence.

### STEP II - MANAGEMENT ACTION

Note: If a student files a grade grievance that includes an allegation of unlawful discrimination, including harassment or retaliation, the grievance, or portion of the grievance, will immediately be referred to (i) the Diversity/Compliance/Title IX Officer or to the Vice President of Human Resources or designee per AP 3435, "Intake and Processing of the Complaint" or to (ii) the Cerritos College Section 504/ADA Coordinator per AP 3412, for attempted informal resolution or investigation.

- 1. The student will submit the Grade Grievance Form on the Office of Student Conduct and Grievance website within 30 instructional days after the completion of the course about which the grade grievance is filed. Information from the form will be used to create a Grade Grievance Petition, provided to the student during the meeting with the Student Conduct Coordinator. Students may obtain an alternate electronic format of this form by request to the Student Conduct Coordinator or Dean of Student Services. Stated deadline still applies.
- 2. The Student Conduct Coordinator will meet with the student to review this procedure and the Grade Grievance Petition. The student must schedule and meet with the Student Conduct Coordinator within 10 instructional days of submitting the form. If the student wishes to pursue the grievance, the Student Conduct Coordinator will sign and date the Petition and provide to the student. In the absence of the Coordinator, the Dean of Student Services will perform these duties.
- 3. The student will present a copy of the Grade Grievance Petition and all supporting evidence to the applicable Division Dean within 10 instructional days of obtaining the signature of the Student Conduct Coordinator. The Division Dean may schedule a meeting with the student and the faculty if appropriate. The Division Dean shall render a decision, and communicate the decision in writing to all parties within 15 instructional days. The outcome notice must include a summary of the grievance allegations, findings from review of the grievance and supporting evidence, a statement of analysis and determination, and instructions for appeal.

### STEP III – ADMINISTRATIVE ACTION

If either party is dissatisfied with the decision of the Division Dean, he or she may appeal the matter to the Vice President of Academic Affairs or designee within ten instructional days of the Division Dean's recommendation. The Vice President of Academic Affairs or designee shall call a meeting with the student, the ASCC Chief Justice, the Division Dean, and if needed, the faculty member. The Vice President of Academic Affairs or designee shall transmit his or her decision to the parties within ten instructional days.

The outcome notice must include a summary of the grievance allegations and prior findings, findings from review of the grievance appeal and supporting evidence, a statement of analysis and determination, and instructions for appeal.

### STEP IV – BOARD OF TRUSTEES ACTION

If either party is dissatisfied with the decision of the Vice President of Academic Affairs or designee, an appeal may be submitted to the Board of Trustees. The appeal must be submitted within ten instructional days of the Vice President of Academic Affairs or designee's decision. The Board may review an appeal for two consecutive regular Board meetings during closed session, and if needed, request persons involved in the grievance to appear before making a final determination of the matter at the District level. Following final determination, the outcome will be recorded in the Board minutes and notice provided to all parties in writing from the Office of the President within ten instructional days. The outcome notice must include a summary of the grievance allegations and prior findings, findings from review of the grievance appeal and supporting evidence, and the statement of final determination.

Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties.

### ADDITIONAL INFORMATION

Most complaints, grievances, and disciplinary matters should be resolved at the college level. If a complaint does not fall into one of the college's established procedures, it may be addressed in writing to the President/Superintendent. Individuals are strongly encouraged to make every attempt to resolve matters through the appropriate administrative processes.

Matters that are not resolved at the college level may be submitted to one or more of the following agencies for consideration:

- The Accrediting Commission for Community and Junior Colleges (ACCJC) at <u>http://www.accjc.org/complaint-process</u>, if the complaint is associated with the institution's compliance with academic program quality and accrediting standards. The ACCJC is the agency that accredits the academic programs of the California Community Colleges.
- If the complaint does not concern the college's compliance with academic program quality and accrediting standards, it may be directed to the California Community Colleges Chancellor's Office by completing the web form found at <u>http://californiacommunitycolleges.</u> <u>cccco.edu</u>.

### STANDARDS OF STUDENT CONDUCT

The President/Superintendent shall establish procedures for the imposition of discipline on students in accordance with the requirements for due process of the state and federal laws and regulations.

The procedures shall clearly define the conduct that is subject to discipline, and shall identify potential disciplinary actions, including but not limited to the removal, suspension, or expulsion of a student.

A complainant or witness who participates in an investigation of sexual assault, domestic violence, dating violence, or stalking will not be subject to disciplinary sanctions for a violation of the District's student conduct policy at or near the time of the incident, unless the District determines that the violation was egregious, including but not limited to, an action that places the health or safety of any other person at risk or involves plagiarism, cheating, or academic honesty.

Due process requires that in all significant disciplinary situations a student is informed of charges against him/her, is given an opportunity to refute them, and has the opportunity to appeal a decision.

The Board of Trustees shall consider any recommendation from the President/Superintendent for expulsion. The Board of Trustees shall consider an expulsion recommendation in closed session unless the student requests that the matter be considered in a public meeting. Final action by the Board of Trustees on the expulsion shall be taken at a public meeting. The procedures shall be made widely available to students through the College catalog and other means.

Students enrolling in Cerritos College assume an obligation to abide by all District regulations on District-owned or controlled property or at District-sponsored or supervised functions.

Students who fail to adhere to District regulations are subject to disciplinary actions.

In all disciplinary actions, the student shall be informed of the nature of the charges against him/her and given a fair opportunity to refute them. The District shall not be arbitrary in its actions.

The following conduct while on District-owned or controlled property or at District-sponsored or supervised functions shall constitute good cause for discipline, including but not limited to the removal, suspension, or expulsion of a student.

- 1. Assault, battery, or any threat of force or violence, or causing, attempting to cause, or threatening to cause physical injury to another person, in person or in an online environment and, when the victim or victims are associated with the District, whether or not the location is associated with the District.
- 2. Possession, use, sale, or otherwise furnishing any firearm, knife, explosive, or other dangerous object or chemical, including but not limited to any facsimile firearm, knife, or explosive on District-owned or controlled property or at District-sponsored or supervised functions without the prior authorization of the President/Superintendent or designee.
- 3. Unlawful possession, use, sale, offer to sell, or furnishing, or being under the influence of, any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging, or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code, Section 11014.5.
- 4. Committing or attempting to commit robbery or extortion.
- 5. Theft, attempted theft of, or willful damage to District property or property in the possession of, or owned by, a member of the college community or knowingly receiving stolen property or private property on District premises.
- 6. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the District.
- 7. Committing sexual harassment as defined by law or by District policies and procedures in person or in an online environment and, when the victim or victims are associated with the District, whether or not the location is associated with the District.
- 8. Engaging in harassing or discriminatory behavior based on national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics, or any other status protected by law in person or in an online environment and, when the victim or victims are associated with the District.
- 9. Engaging in intimidating conduct or bullying against another student through words or actions, including direct physical contact; verbal assaults, such as teasing or name-calling; social isolation or manipulation; and cyberbullying.

- 10. Willful misconduct that results in injury or death to a student, client, patient, visitor, guest, or to District personnel or that results in cutting, defacing, or other injury to any real or personal property owned by the District or on campus.

### ACADEMIC HONESTY/DISHONESTY POLICY

Your instructors are eager to help you succeed in your studies at Cerritos College. But success means more than just receiving a passing grade in a course. Success means that you have mastered the course content so that you may use that knowledge in the future, either to be successful on a job, or to continue on with your education in advanced classes.

Your success depends on a combination of the skill and knowledge of your instructors, and your own hard work. You will reach your future goals only if you gain new knowledge from every course you take. That knowledge becomes yours and can be used by you, only if it is gained through your own personal efforts. Receiving a grade in a course, without acquiring the knowledge that goes with it, diminishes your chances for future success.

While in college, you are also shaping the principles which will guide you throughout the rest of your life. Ethical behavior and integrity are a vital part of those principles. A reputation for honesty says more about you, and is more highly prized, than simply your academic skills.

For this reason, academic honesty is taken very seriously by the Cerritos College faculty. The following guidelines have been prepared so that you will understand what is expected of you in maintaining academic honesty.

Academic Dishonesty is normally to be dealt with as an academic action by the instructor, reflected in the student's grade in the particular course, rather than through college disciplinary procedures. No specific departmental, divisional or institutional procedures are established for academic dishonesty other than the normal process for review and appeal of an instructor's grading procedures.

Academic Dishonesty is defined as the act of obtaining or attempting to obtain credit for work by the use of any dishonest, deceptive, or fraudulent means. Examples of academic dishonesty would include, but not be limited to the following:

- Copying, either in part or in whole, from another's test or examination;
- Discussion of answers or ideas relating to the answers, on examination or test when such discussion is prohibited by the instructor;
- · Obtaining copies of an exam without the permission of the instructor;
- Using notes, "Cheat sheets," or otherwise utilizing information or devices not considered appropriate under the prescribed test conditions;
- Altering a grade or interfering with the grading procedures in any course;
- Allowing someone other than the officially enrolled student to represent the same;
- Plagiarism, which is defined as the act of taking the ideas, words or specific substantive material of another and offering them as one's own without giving credit to the source.

Options may be exercised by the faculty member to the extent that the faculty member considers the cheating or plagiarism to manifest the student's lack of scholarship or to reflect on the student's lack of academic performance in the course. One or more of the following actions are available to the faculty member who suspects a student has been cheating or plagiarizing:

- 1. Review-no action.
- 2. An oral reprimand with emphasis on counseling toward prevention of further occurrences.
- 3. A requirement that work be repeated.
- A reduction of the grade earned on the specific work in question, including the possibility of no credit for the work.

- 5. A reduction of the course grade as a result of item 4 above, including the possibility of a failing grade for the course.
- 6. Referral to the Office of Student Conduct and Grievance for further administrative action, such as suspension or expulsion.

### STUDENT DISCIPLINE PROCEDURES

Student Conduct Programs should contribute to the teaching of appropriate individual and group behavior as well as to protecting the campus community from disruption and harm. The Programs should be conducted in ways that will serve to foster the ethical development and personal integrity of students and the promotion of an environment that is in accord with the overall educational goals of the institution. This procedure will be used in a fair and equitable manner, and not for purposes of retaliation. It is not intended to substitute for criminal or civil proceedings that may be initiated by other agencies.

These Administrative Procedures are specifically not intended to infringe in any way on the rights of students to engage in free expression as protected by the state and federal constitutions, and by Education Code Section 76120, and will not be used to punish expression that is protected.

The Office of Student Conduct and Grievances is responsible for the student conduct and sanctioning procedures of the college. Inquiries should be directed to the Office of Student Conduct and Grievances.

The burden shall be on the college representative to prove by the preponderance of the evidence that the facts alleged are true.
- 9. The student may represent himself/herself, and may also have the right to be represented by a person of his/her choice, except that the student shall not be represented by an attorney unless, in the judgment of the hearing panel, complex legal issues are involved. If the student is permitted to be represented by an attorney, the college representative may request that legal counsel to the college participate in his/her place. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.
- 10. Hearings shall be closed and confidential unless the student requests that it be open to the public. If more than one student's case is under consideration, any and all such other students must also request that the hearing be open to the public in order to make it open to the public. Requests contrary to state or federal law or to the safety of the college or participants shall not be approved, subject to appeal to the President/Superintendent or designee.
- 11. In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.

- 12. All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape recorded shall not be considered unavailable for the purposes of this section.
- 13. The hearing shall be recorded by the District either by tape recording or stenographic recording. The official recording shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. The recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. The student may request a copy of the recording. Transcripts may be redacted to comply with law, policies, and to protect the privacy and/or safety of individuals.
- 14. Within five days following the close of the hearing, the hearing panel shall prepare and send to the President/Superintendent or designee a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall also include a specific recommendation regarding the sanction to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

The student shall be notified in writing, by registered or certified mail to the address last on file with the District, or by personal service, at least three days prior to the meeting, of the date, time, and place of the Board's meeting.

### SECTION 504/508/AMERICANS WITH DISABLITIES ACT

Under Section 504/508/ADA of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, Cerritos College will take all necessary steps to ensure that no student with a verified disability is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of auxiliary aids or academic accommodations. The decision to authorize such aids or accommodations is the responsibility of the Disabled Student Programs and Services (DSPS) Dean,

Disability Specialist, or DSPS counselor after a review of documentation verifying the disability and any resulting educational limitations.

It is the responsibility of the student with a verified disability and resulting educational limitations to apply for DSPS assistance in the Liberal Arts/DSPS building by completing the DSPS form entitled "Disabled Student Programs and Services - New Student Application". The request should be completed with adequate notice provided for an effective response, especially during busy times such as the start of the semester. All authorized accommodations are determined via an interactive process which includes the DSPS specialist, the student, and review of disability documentation. It is the student's responsibility to request in advance to receive the authorized accommodations each semester. If the instructor denies the classroom-related request(s) the DSPS Dean or designee will intervene with the appropriate academic staff and attempt to resolve the matter. In the event of continued denial of an accommodation request or request for course substitution or waiver, DSPS will provide the student with the Academic Accommodations Policy and related procedures/forms. The DSPS Dean or designee will concurrently inform the student that he/she has the right to file a complaint under the College's discrimination complaint procedure and/or the Office for Civil Rights, and will provide the student with the information necessary to do so. Inquiries regarding DSPS or the District's non-discrimination policy relative to students, employees, or applicants with disabilities should contact the Director of Diversity, Compliance, and Title IX Coordinator at extension 2276, in the Office of Human Resources.

### SECTION 504/508 COMPLAINT PROCEDURE

The student should first discuss the complaint regarding discrimination due to a disability with the individual(s) involved or with the <u>Director of</u> <u>Diversity, Compliance, and Title IX Coordinator at extension 2276</u>. Alternatively the student may submit a complaint electronically at <u>https://www.cerritos.edu/dsps-complaint</u>.

# Forensics Team Wins Third Place at National Tournament

The Cerritos College Forensics Team competed at the Pi Kappa Delta National Convention and Tournament in Hempstead, New York in March. The team travelled across the country to compete with students from 71 colleges and universities. Team president Anthony Gomez led the way with a Superior Award in impromptu speaking, and Steve Guerra received an Excellent Award in individual debate. TiNa Vejar, Sabrina, Hendifar, and Adriana LaFuente won three of their six debates, contributing to the team's sweepstakes totals. Debbie Grandin also competed in both speech and debate events.

Between rounds of competition, students were able to explore Manhattan. The team navigated the nation's busiest subway system, took in sights such as the National September 11 Memorial & Museum and Battery Park, visited the American Museum of Natural History, and even ventured to the top of the Empire State Building.

# **Cerritos College Receives More than \$1 Million in Gifts to Prepare Future Educators**

President/Superintendent Dr. Jose Fierro announced the College's Teacher TRAC program received a legacy gift of more than \$1 million to support aspiring teachers. Two educators who arranged to leave their estate to the Cerritos College Foundation made the gift anonymously. The funds will go toward ensuring long-term continuity of the College's award-winning teacher preparation program. Additionally, an unnamed donor pledged a generous cash gift of \$100,000 to the program, adding to a total of more than \$1,100,000 in funds.

For 19 years Cerritos College's award-winning Teacher TRAC program has prepared students to become highly qualified K-12 teachers. The program provides students with a seamless transition to earning a bachelor's degree and teaching credential at California State University, Long Beach. To date Teacher TRAC has trained more than 800 teachers who work across Southern California and nationally.
