MESSAGE FROM THE PRESIDENT

Welcome to Cerritos College!

As President of Cerritos College, it is my pleasure to welcome you to our college catalog. This catalog is designed to provide you with an overview of our college, its programs, and services. We hope that it will serve as a valuable resource for you as you make decisions about your educational journey.

Our college is committed to providing our students with a high-quality education that prepares them for success in their chosen careers. We offer a wide range of programs that are designed to meet the needs of our diverse student population. Whether you are interested in pursuing a career in healthcare, business, education, or any other field, we have programs that will help you achieve your goals.

In addition to our academic programs, we offer a variety of support services to help you succeed. From tutoring and counseling services to career planning and job placement, we are committed to helping you reach your full potential.

At our college, we are dedicated to fostering a community of learning that is inclusive, supportive, and welcoming. We believe that education is the key to a better future, and we are committed to providing our students with the skills and knowledge they need to make a difference in the world.

Thank you for considering our college as you embark on your educational journey. We look forward to the opportunity to help you achieve your goals and fulfill your dreams.

Sincerely,

Jose L. Fierro, D.V.M., Ph.D.
President/Superintendent

OUR MISSION

Cerritos College provides its diverse student population with high-quality, comprehensive instructional programs and support services through clear, equity-minded pathways to their educational goals. In doing so, the college develops culturally competent students with the knowledge, skills, and values that prepare them to be productive members of their local and global communities.

ANNUAL SECURITY REPORT
Cerritos College publishes an Annual Security Report in accordance with the Clery Act. This report includes statistics for the previous three years concerning reported crimes that occurred on-campus; in certain off-campus buildings or property owned or controlled by Cerritos College; and on public property within, or immediately adjacent to and accessible from, the campus. This report also includes institutional policies concerning campus security, such as policies concerning sexual assault, and other matters. You can obtain a copy of this report by contacting the Campus Police Department in person or at (562) 924-3618. This report is also available on the college website at www.cerritos.edu/police/annual-security-report.htm.

CERRITOS COLLEGE 2023–24
ABOUT CERRITOS COLLEGE

COLLEGE HISTORY
From 1955 to 2020, Cerritos College has enveloped a larger service area and population, and the growth in the number of certificates and degrees Cerritos College students earn has reinforced the community’s trust in their potential for academic achievement. Of the 197 students from the five founding districts who attended the college’s first classes in rented classrooms at Excelsior High School in the fall of 1956, 13 students stayed on track to earn their associate of arts degrees at the first commencement ceremony in the spring of 1958. During its 61st commencement ceremony in the spring of 2019, students earned more than 5,000 certificates and degrees— including more than 1,300 associate degrees for transfer.

2019 was the fourth year in a row that the College shattered its own graduation record. This increase was, in part, a reflection of the growth of the College’s service area to include all of the communities of Artesia, Bellflower, Cerritos, Downey, Hawaiian Gardens, La Mirada, Norwalk, and South Gate, as well as portions of the communities of Bell Gardens, East Compton, Lakewood, Long Beach, Pioneer, Santa Fe Springs, and South Whittier. By the spring of 2019, the College’s enrollment had grown to 21,671 students.

Throughout its 65 years, Cerritos College has utilized self-evaluations, such as this Institutional Self-Evaluation Report, to thoughtfully guide its growth into an institution that truly meets the needs of its service area. The College’s commitment to serve its diverse students is reflected not only in its mission statement, but also in its results. As of the fall of 2019, Cerritos College ranks 17th among the top 100 postsecondary institutions with the highest Hispanic enrollment in the United States. Cerritos College also currently ranks among the top 100 two-year colleges with the highest alumni salaries in the U.S. These results reflect the founding belief in the potential of the residents in Cerritos College’s community.

VISION
Cerritos College will provide innovative learning opportunities and support services that will close persistent educational achievement gaps.

VALUES
We have strong core values:
- Support and promote student success
- Promote excellence in teaching, learning, and service
- Support innovation and creativity to enhance and enrich learning
- Celebrate diversity in people, philosophies, cultures, beliefs, programs and learning
- Promote respect and trust in all people regardless of background, including students, community members and employees
- Foster integrity
- Develop nurturing and supportive partnerships with our educational, business and industry communities
- Support comprehensive curricular offerings
- Promote inclusiveness in a collaborative decision-making process

MISSION
Cerritos College provides its diverse student population with high-quality, comprehensive instructional programs and support services through clear, equity-minded pathways to their educational goals. In doing so, the college develops culturally competent students with the knowledge, skills, and values that prepare them to be productive members of their local and global communities.

EDUCATIONAL PHILOSOPHY
Cerritos College embraces community, diversity, innovation, and active learning. We strive for high academic and ethical standards, as well as academic freedom; we believe in the worth and dignity of all of our learners. In educating, we consider the learner’s cognitive growth and emotional
and physical well-being. The college prepares individuals for full participation in a complex democratic society as citizens and leaders, for the fulfillment of personal needs, and for the future. We believe that the purpose of education is to cultivate critical thinking skills and enhance the quality of life.

**COMMITMENT**

The District provides a technologically advanced educational community in which students pursue a variety of educational goals: attainment of an associate degree, transfer to a four-year university, career/technical degree or certificate, or job skills. Achievement of these goals is strongly supported with instruction in basic skills as well as with student and instructional support services. Beyond these college credit programs and services, Cerritos College actively enriches the surrounding community through its varied community education programs.

**ACADEMIC FREEDOM**

Cerritos College serves the common good by expanding the boundaries of knowledge and transmitting it imaginatively, preparing students for occupations and preparing them to live successfully in a free society. The fulfillment of this function necessarily rests on the preservation of academic freedom which protects the rights of teachers to teach and students to learn.

The exercise of academic freedom is necessary if society is to receive the benefits of honest intellectual search and unbiased transmittal of knowledge. Cerritos College scholars must be free from pressures or demands which restrict their intellectual searches. The transmittal of knowledge at Cerritos College shall not be impeded by special interests, conflicting public opinion, or unpopularity. Cerritos College shall avoid a climate of education in which either students or faculty dare not assert their ideas for fear of reprisal. At the same time, Cerritos College faculty and students have a responsibility, under the guidelines of academic freedom, to engage in teaching and learning that honors and respects divergent viewpoints that are grounded in cultures of reason, logic, evidence, responsible scholarship, and creativity (Board Policy 4030)

**CERRITOS COLLEGE FOUNDATION**

The Cerritos College Foundation is a 501(c)3 charitable vehicle established in 1979 with the mission to raise funds and engagement to support student scholarship and advance the College’s academic excellence. The Foundation works closely with alumni, donors, college employees, corporate partners, and community organizations to raise funds and expand awareness of Cerritos College as a vital community asset. The Foundation awards more than $250,000 a year in student scholarships, as well as providing significant financial support for programs, services, equipment needs, and capital improvements. The Cerritos College Foundation currently has a 17-member board of directors representing a wide diversity of business, education, and community advocacy; all of who are passionate about supporting Cerritos College students reach their academic goals.

The Foundation also oversees the Cerritos College Alumni Relations Office (ARO). The ARO provides year-round access to events, networking, and volunteer opportunities to help Cerritos College alumni stay connected and aid in their professional and personal development. The Foundation’s Alumni Connection e-newsletter features campus news, updates on alumni, and information about upcoming events. A monthly series features prominent Cerritos College alumni working in fields such as politics, the arts, journalism, healthcare, business, and many more.

**HOLIDAYS (THE CAMPUS WILL BE CLOSED)**

- Independence Day                     July 4, 2023
- Labor Day                            September 4, 2023
- Veterans Day Observance               November 10, 2023
- Thanksgiving Holiday                  November 23-26, 2023
- Winter Holiday                       December 22, 2023 - January 2, 2024
- Dr. Martin Luther King, Jr.
  Birthday Observance                   January 15, 2024
- Abraham Lincoln Birthday Observance   February 16, 2024
- George Washington Birthday Observance February 19, 2024
- Spring Recess (Friday Only)           March 15, 2024
- Memorial Day                         May 27, 2024
- Juneteenth Holiday Observance        June 19, 2024

**RECESS**

- Semester Break                      December 16, 2023 - January 8, 2024
- Spring Recess                       March 11 - 17, 2024

*This calendar is subject to change. The college offers many short-term classes starting at various times throughout the year.*

### 2023–24 FINAL EXAM SCHEDULE

**LOCATION**
Examinations will be conducted in the same room used for the regular class meeting.

**WEEKEND CLASSES**
Saturday and Sunday classes will hold a two-hour final exam on December 9 and 10 for Fall 2023 and May 11 and 12 for Spring 2024 on the regular class day, beginning at the regular class time.

Final examinations for all day classes will be held according to this schedule. On the chart below, find the appropriate square which identifies the starting day and time for your class during the regular semester. From this you can determine the date and two-hour time block for your final exam. Check with your instructor if your class day or start time does not appear on this final exam schedule. These exam times are subject to change and will be announced by instructors.

**LAST DAY OR EVENING FOR CLASSROOM INSTRUCTION IS FRIDAY, DECEMBER 8 (FALL 2023) and FRIDAY, MAY 10 (SPRING 2024).**

**CERRITOS COLLEGE 2023–24**

13
ADMISSION
Any person who is 18 years old and not currently enrolled in high school or any person possessing a high school diploma or its equivalent is eligible for admission to Cerritos College. If you are under 18 and still in college, refer to the information for dual enrollment.

APPLICATION TO THE COLLEGE
Complete the admission application online. Online applications may be submitted at www.cerritos.edu by selecting, “Apply Now”. Transcripts from other institutions will be required to prove prerequisite eligibility which is strictly enforced at enrollment.

Upon receipt of the admission application, the Admissions and Records Office will issue a student identification number. A student identification number is necessary to complete the placement, orientation, counseling and enrollment. Additionally, the student identification number is necessary when utilizing MyCerritos as well as other student services.

Application assistance is provided by the Welcome Center and the Admissions & Records Office. To view the hours of operation please visit the website.

RESIDENCY GUIDELINES
Students entering any of the public community colleges of California are subject to the residence requirements as determined by the State of California. The Admissions & Records Office determines a student’s residency classification when they apply to the college. A student whose legal residence is within California is eligible to attend Cerritos College. Residents of any other state or foreign country may be subject to non-resident tuition.

The legal residence of any unmarried student under 18 years of age is considered to be that of the parent or guardian. The student should be prepared to present proof of residence.

Further inquiries may be directed to the Admissions and Records Office at (562) 860-2451, Ext. 2211, or the Cerritos College website at www.cerritos.edu/admissions-and-records.

ADMISSION OF INTERNATIONAL STUDENTS
The Office of International Student Services (OISS) welcomes “F-1” non-immigrant students to enroll at Cerritos College. The college is a Student Exchange Visitor Program (SEVP) approved institution to admit F-1 students. The OISS provides assistance to international students with admissions, counseling, educational support, and cultural adjustment while pursuing their academic goals.

Assistance is also available for international students to submit a Change of Status Petition through the United States Citizenship and Immigration Services (USCIS). Interested students with other visa types (e.g., B-2, H-2, F-2, H-4, E-2, etc.) are encouraged to apply and receive assistance to change to F-1 status from the office of Admissions & Records. F-2 students attending high school should apply for change to F-1 visa status at least 3 – 4 months before graduating. Change of status from B-2 or F-2* must be approved to F-1 before a student can enroll at Cerritos College.

Medical insurance is mandatory and required for all F-1 students attending Cerritos College through the college- approved carrier.

APPLICATION DEADLINES
Out-Of-Country Applicants
- Fall Semester: March 1 through June 1
- Spring Semester: August 1 through October 1
- Summer Semester: January 1 through March 1
Transfers Within United States Schools
- Fall Semester: March 1 through July 1
- Spring Semester: August 1 through November 1
- Summer Semester: January 1 through April 1

Required International Student Documentation
- International Student Application
- Fee of $50 for new students
- Statement of Support
- Bank Certification (verification on bank letterhead signed by a bank official showing at least $22,000 USD available to the student or equivalent)
- Tuberculin (TB) skin test results (signed by medical professional and dated within two years)
- Transcripts (proof of secondary school or high school diploma)
- Cerritos College Assessment result (administered upon arrival)
- Copy of Passport, Visa, and I-94
- Copy of ALL I-20s (if applicable)
- Transfer Authorization (if applicable)
- Proof of Medical Insurance Coverage (available through Relation Insurance Services, www.4studenthealth.com/cerritos)

Required Intensive English Program Documentation
- International Student Application
- Fee of $50 for new students
- Statement of Support
- Bank Certification (verification on bank letterhead signed by a bank official showing $12,000 USD or more available to the student or equivalent)
- Tuberculin (TB) skin test results (signed by medical professional and dated within two years)
- Transcripts (proof of secondary school or high school diploma)
- Cerritos College Assessment result (administered upon arrival)
- Copy of Passport, Visa, and I-94
- Copy of ALL I-20s (if applicable)
- Transfer Authorization (if applicable)
- Proof of Medical Insurance Coverage

SEVIS Fee (Form I-901): Once a new initial I-20 is issued, a Form I-901 along with a payment of $350 SEVIS fee must be completed before applying for an F-1 student visa at the U.S. Embassy in your country. For information on paying the SEVIS fee, go to www.FMJfee.com.

For information regarding Admission of International Students at Cerritos College, please visit the website at https://www.cerritos.edu/international/ or call us at (562) 860-2451, Ext. 2133.

ADMISSION OF DUAL ENROLLMENT STUDENTS
Dual enrollment allows K-12 students to take college credit courses.

1. The K-12 school principal or designee must recommend and give consent with signature on the Dual Enrollment Application that the student would benefit from college instruction.
2. A parent/guardian must approve the student’s participation and give consent.
by signing the Dual Enrollment Application. Signature of the parent/guardian also acknowledges that the student will conform to all College policies and procedures.

Academic Eligibility
For all courses attempted, students must complete the appropriate College placement process and meet the stated prerequisite and/or co-requisite for the desired course.

Academic Accommodations
Students who require accommodation due to a disability should make arrangements through their K-12 school district, in consultation with the Student Accessibility Services (SAS) office at Cerritos College. Please call (562) 860-2451, Ext. 2335, for assistance. For more information, visit www.cerritos.edu/sas/.

Limitations on Enrollment
- Students are able to take up to 11 units in the fall and spring semesters. Students may only take up to 7 units in the summer. If students wish to take units in excess of these amounts approval must be obtained by the Dean of Admissions. Students may not enroll in pre-collegiate courses (1-99).
- Students will not receive priority enrollment status and will be charged all applicable fees, with the exception of the California Community College in-state per unit enrollment fee.

Attending Cerritos College As A Dual Enrollment Student
To attend Cerritos College as a dual enrollment student, please follow the steps below:
1. Complete the Cerritos College online admissions application and the Dual Enrollment form, which can be found on the Dual Enrollment webpage.
2. Complete Placement Process

It is recommended that Dual Enrollment students meet with a Cerritos College academic counselor and participate in New Student Orientation. For more information, please call (562) 860-2451, Ext. 2212.

PLACEMENT
Placement is the process of gathering information about an individual student to facilitate his or her success and provide them a recommended college level placement for English/English as a Second Language (ESL), math, and reading. The Self-Report Tool (SRT) is a questionnaire that utilizes multiple measures to provide a recommended placement for English/ESL, math, and reading courses. The SRT is available in My Cerritos. Students must complete both the English/ESL and Math SRT to receive the recommended placement. It is recommended that you have a copy of your high school transcripts when you are completing the SRT.

Students who complete the SRT will be eligible for the following courses:
- English: Students with a U.S. high school diploma or equivalent will be eligible for transfer level English upon completion of the SRT.
- Math: All students will be eligible for transfer level math upon completion of the SRT
- Reading: Students with a U.S. high school diploma or equivalent will be eligible for transfer level reading upon completion of the SRT.

Placement recommendations will be provided upon completion of the SRT. To view your placement results, request an unofficial transcript in MyCerritos. Your placement information will appear towards the top of the transcript after the listing of your academic major.

If you have questions about your placement results, you may speak to a counselor.

PLACEMENT EXEMPTIONS
Students who already possess an Associate degree or higher from a regionally accredited college are not required to complete the SRT/placement process, but will be required to verify the degree by presenting official documents to the Admissions and Records Office at least 10 working days prior to their enrollment appointment date. To successfully
enroll into a course that has an English or math pre-requisite a Requisite Clearance form must be submitted to the Admissions & Records Office with transcripts demonstrating successful completion of the pre-requisite course.

**ACCOMMODATIONS FOR ENGLISH AS A SECOND LANGUAGE**
Students planning to take ESL (English as a Second Language) courses will also complete the SRT. Based upon your experience, skills and confidence using English in your work and daily life, you will receive your placement recommendation for instruction in the appropriate English or ESL course.

**RETEST POLICY**
Students who have completed the ACCUPLACER test and wish to be assessed, will now complete the Self-Reporting Tool (SRT). Students may complete the SRT multiple times.

**ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES**
Any student with a verified disability may arrange accommodations for the placement process. A current Cerritos College application must be on file to receive accommodations. Accommodation requests should be made at least 7 days in advance to Student Accessibility Services (SAS). For more information or an appointment, call (562) 860-2451, ext. 2335; (562) 274-7164 (VP); or visit our website at www.cerritos.edu/sas/. Academic Accommodations may include, but are not limited to: readers, writers, or the use of assistive technology.

**TRANSCRIPTS**
It may be necessary to submit official transcripts from previous schools, colleges and universities for the establishment of prerequisite eligibility. Transcripts verifying units from other institutions may be used to complete CSU General Education requirements, IGETC requirements, Certificates of Achievement and Associate of Arts or Science Degrees.
ORIENTATION & COUNSELING

FALCON EDGE ORIENTATION
Orientation-Counseling is required for all first-time, new-to-college students. Transfer and returning students are also highly encouraged but not required to complete orientation. An Orientation-Counseling (ORI) hold will appear in the MyCerritos account of all new-to-college students. Enrollment in classes will not be allowed until the orientation requirement is met. Exemptions: Re-admit and transfer students, and some additional categories of students. Contact the Counseling Office for more information on exemptions and exceptions.

OPTIONS FOR FALCON EDGE ORIENTATIONS:
- Online: Start, stop, and restart anytime! Go to www.cerritos.edu, log into MyCerritos, and select Falcon Edge Orientation.
- On-campus: Day and evening orientations are offered prior to the start of each term. Call the Counseling Office at (562) 467-5231, or go online to www.cerritos.edu/counseling for more information.

COUNSELING
Students are encouraged to discuss educational goals and develop an educational plan with a counselor. Counselors will assist students in achieving their educational goals as fully, smoothly, and as efficiently as possible. The constant change of requirements and prerequisites for institutions and occupations make continuing contact with the Counseling staff a vital part of the student’s successful academic experience.

The counseling service consists of four major functions:
1. Assistance in planning academic programs;
2. Assistance in exploring career possibilities;
3. Consultation and referral regarding personal problems;
4. Provision of additional auxiliary services, such as personal development classes, articulation with transfer institutions, referrals to outside agencies, orientation classes, and placement interpretation.

These various services are offered by a professional staff of counselors trained to help students in the appropriate areas of their concerns. The counseling staff works closely with all divisions of the College and keeps abreast of the educational programs both here and at four-year institutions.

Although the use of counseling services is on a voluntary basis, all entering first-time, new-to-college students, F-1 VISA students, and some students on financial aid are required to receive counseling services for program planning before enrollment. Generally, students should schedule an appointment or attend a workshop. Refer to the Counseling website at www.cerritos.edu/counseling for the appropriate services, hours, and general information. Counseling appointments may be made in person in the Counseling Office located in the Administration Building or by calling (562) 467-5231. Limited standby counseling is also available.

Due to the high volume of students seeking counseling before the start of each semester, appointments are limited during the four weeks prior to each semester. Only standby counseling is available during this time. Contact the Counseling Department for hours scheduled for standby counseling.

Students who are on academic and/or progress probation will be limited in the number of units they may take each semester based upon their GPA and course completion rate. They also risk losing their enrollment priority appointment and as of Fall 2016, may be ineligible for the California College Promise Grant (CCPG) Fee Waiver if they remain on probation for two consecutive semesters. Students who have not declared an
educational goal and students who are enrolled in pre-collegiate basic skills courses, as well as re-admit and transfer students, are highly encouraged to develop an educational plan with a counselor. Students can schedule a counseling appointment online through our website www.cerritos.edu/counseling.htm or by calling the Counseling Office at (562) 467-5231.

FOLLOW-UP
Counseling and teaching faculty provide a number of follow-up services to matriculated students. These services are designed to provide information regarding the students’ academic progress. Special services are provided to students on academic and/or progress probation, students in basic skills courses, and students who are undecided about their educational goal. Referrals are made to on and off campus services when appropriate.

PROGRAM PLANNING
Counselors can support students to plan their program of study. Students are expected to take courses on a consecutive basis. For degree and transfer seeking students, the program maps can help guide you in the courses required for each program at the college. Students are not to receive credit for courses which are considered lower in degree of advancement than those already taken. Courses are to be taken in accordance* with the student’s ultimate objective and major.

REGISTERING FOR CLASSES
Information is also available in Spanish. See “Información en Español” in the Table of Contents.

OPEN COURSES
All courses, course sections, and classes of the College shall be open for enrollment to any person who has been admitted to the College. Enrollment shall be limited to students meeting properly validated prerequisites and co-requisites. Exemptions for state or federal statutes or regulations shall be established and the President/Superintendent shall establish procedures to establish exemptions for other practical considerations (Board Policy 5052).

ENROLLMENT APPOINTMENT PRIORITY
Including Orientation, Placement, Counseling, Student Education Plans, Tier Groups, and Probation

The purpose of establishing enrollment priorities is to support students endeavoring to reach their educational goals at Cerritos College by providing priority enrollment to groups of students (as listed herein) with special needs and/or who are in continuing student status, as long as satisfactory progress is made.

Priority Enrollment Criteria & Conditions
A. Priority
1. New students not otherwise exempt, including those in any state-provided priority enrollment groups, must complete assessment, orientation, and counseling with at least an abbreviated student education plan (A-SEP), in order to receive priority enrollment.
2. First time students who have identified a course of study, with appropriate course placement, completed an orientation program provided by the college, and participated in counseling, advising, or another education planning service including at least an abbreviated student education plan (A-SEP), are required to complete a comprehensive student education plan (C-SEP) after completing 15 units of degree-applicable credit course work, or prior to the end of the third (3rd) semester of enrollment, resources permitting.
3. Continuing students, including those in any state-provided priority enrollment groups, except eligible current and former foster youth, are subject to loss of the enrollment priority for which they would ordinarily be eligible if they are on any combination of progress or academic probation for two consecutive semesters.

4. Continuing students, including those in any state-provided priority enrollment groups, except eligible current and former foster youth, are subject to loss of the enrollment priority for which they would ordinarily be eligible if they have earned 100 degree-applicable, non-basic skills, and non-ESL units. Units for high unit majors and programs may be disregarded to the extent they exceed the number of units required for non-high unit majors and programs. Units from credit by exam, advanced placement, International Baccalaureate, or other similar programs may also be exempted.

B. Subject to the above, continuing student enrollment appointments shall be set on the basis of units earned and cumulative grade point average at Cerritos College.

C. Students subject to enrollment priority exclusion shall have a “PRB” negative service indicator, appearing as a Hold in the Student Center in MyCerritos, placed on their enrollment account. The effect shall be to place the student’s access to enroll at the end of the enrollment cycle in the period known as Open Enrollment.

D. Students excluded from enrollment priority shall be notified of options they may have, and/or are advised to exercise. See also the section of this procedure titled “Appeals and Exemptions”.

Additional Criteria For Enrollment Priority Of Certain Students

A. Students who are otherwise specified by statute.

B. Students whose instructional program requires time off-campus or blocks of time associated with scheduled classes for such activities as practice, meetings, counseling, and off-campus time, which limit the choice of class periods.

Student Groups with Priorities

Tier 1: Enrollment appointments for students in Tier 1 groups shall be set tier-wide based on units earned and cumulative grade point average, consistent with applicable regulations.

- Armed Forces Personnel and Recent Veterans: students who are any member or former member of the Armed Forces of the United States, who is a resident of California, for any academic term, within four years of leaving active duty (Education Code Section 66025.8).
- Foster Youth: students formally deemed eligible current or former foster youth who are up to, and including, 24 years of age (Education Code Section 66025.9).
- EOPS: students formally enrolled in Extended Opportunity Programs and Services (Education Code Section 66025.91).
- Students with Disabilities: students who, by their specific disabilities, are enrolled in Student Accessibility Services (Education Code Section 66025.91).
- CalWORKs: students formally enrolled in the CalWORKs Program (Education Code Section 66025.92).

Tier 2: Enrollment appointments for students in Tier 2 groups shall be set in the order of the groups as listed based on units earned and cumulative grade point average, within those groups consistent with applicable regulations.

- Scholars’ Honors Students: students who have been officially admitted to the College’s Scholars’ Honors Program each term and are currently enrolling in Scholars’ Honors Program courses and/or Scholars’ Honors contracts.
- Student Athletes: students who have been identified as eligible to participate in intercollegiate athletics.
Mandatory Enrollment Requirement: Students: students in compliance with program requirements who must maintain full-time status, with completion time requirements, in order to remain in Cerritos College programs and/or who are in grant-funded programs with enrollment priority requirements.

Matriculated Students: students who, prior to their first semester of enrollment, completed the Admission, Orientation, Assessment, and Counseling components of Matriculation.

Cerritos Complete: students who graduated from ABC, Bellflower, Downey, Norwalk-LaMirada, and Paramount School Districts who submitted an intent form during their senior year and have completed the mandatory steps for Cerritos Complete by the established deadlines. Students must enroll in math and English/ESL.

Trial, Grant-funded, or Other Special Groups for Student Success: students in groups identified for enhanced and/or expedited student success measures where trial, grant-funded, and/or other special, short-term measures are employed.

Tier 3: Enrollment appointments for students in Tier 3 groups shall be set in the order of the groups as listed and based on units earned and cumulative grade point average within those groups, consistent with applicable regulations.

Continuing Students: students who were enrolled in the previous academic year or summer session. Students who do not attend summer session will not lose continuing student status. The definition includes non-credit students who are matriculating to credit student status.

Returning Students: students who have completed at least one unit of credit at Cerritos College and are returning after a break of no more than one semester excluding summer session.

Tier 4: Enrollment appointments for students in Tier 4 groups shall be set in the order of the groups as listed and based on units earned and cumulative grade point average within those groups, consistent with applicable regulations.

Dual Enrollment (Grades K-12): high school juniors and seniors, as provided for and limited in, Board Policy 5010 titled “Admissions and Concurrent Enrollment” and Administrative Procedure 5011 titled “Admission and Concurrent Enrollment of High School and Other Young Students”.

ENROLLMENT LIMITATIONS

Enrollment in courses and programs may be limited to students meeting properly established prerequisites and co-requisites (See Board Policy and Administrative Procedure 4260 titled “Prerequisites and Co-requisites”).

Additional Enrollment Limitations (including, but not be limited to):

A. Health and safety considerations;
B. Faculty workload;
C. Availability of qualified instructors;
D. Funding limitations;
E. Regional planning;
F. Legal requirements;
G. Facility limitations; and
H. Accreditation, regulatory, and policy requirements.
Priorities When Enrollment Must Be Limited
A. First come, first served, or other non-evaluative selection techniques, provided all prerequisite and/or course requisites have been met;
B. In the case of intercollegiate competition, honors courses, or public performance courses, allocating available seats to those students judged most qualified;
C. Limiting enrollment to any selection procedure expressly authorized by statute; and
D. Limiting enrollment in one or more sections to students enrolled in one or more other courses, provided that a reasonable percentage of all sections of the course do not have such restrictions.

Additional Conditions May Be Applicable to Order of Enrollment
Course sections funded other than by state apportionment, such as contract education, grant-funded programs, and certain fee-based sections (as permitted by law).

ADMISSION TO CLASS
Students must be officially enrolled before attending any class. If students are unable to attend the first class meeting, every effort should be made to contact the instructor(s) or the instructor(s) may drop the student as a “no show”.

Students seeking admission into a “closed” class must attend the first day of class. Instructors may add students depending on seat availability and students’ completion of prerequisites, if applicable.

WHAT ARE PREREQUISITES, COREQUISITES & RECOMMENDATIONS?
It is the intent of Cerritos College to guide students into courses in which they will have the greatest academic success. Therefore, students will find courses which have prerequisites, corequisites and/or recommendations in the course descriptions.

This is the case when a specific body of knowledge and/or skill(s) must be learned or demonstrated before the student can be expected to successfully progress to the next level course. For example, ENGL 52 must be taken before ENGL 100. This is an example of courses that must be taken in sequence. Students are encouraged to consult the course descriptions found in the current college catalog for the identification of the prerequisites for a course.

Students currently enrolled in a prerequisite course at Cerritos College will be allowed to enroll in the next sequenced course. For example, students enrolled in ENGL 100 for fall may enroll in ENGL 103 for spring. However, it is the student’s responsibility to verify they have passed the prerequisite course. If a passing grade is not received, the student will be dropped some time during the semester.

Automated prerequisite checking will stop students from enrolling in a class that has a required prerequisite that has not been met. Prerequisites are checked at the time of enrollment (Auto-enroll and Instructor adds). Prerequisites are not checked when classes are added to the shopping cart, but are enforced before completion of enrollment.

To avoid being denied enrollment, students should complete the Cerritos College placement procedures or submit transcripts if prerequisite coursework was completed at another institution. Transcripts are accepted in the Admissions and Records Office. Complete the Requisite Clearance Request form available from Counseling, Admissions and Records, or download the form at www.cerritos.edu/admissions-and-records/online-forms.

Definitions for Prerequisites, Corequisites & Recommendations For Course Preparation:
Prerequisite - any requirement which must be satisfied before a student may enroll in a course. In other words, “prerequisite” means a course that a student is required to complete, a test score, or other requirement that demonstrates current readiness for enrollment.
in a course or educational program. The prerequisites offered at Cerritos College are listed with course titles in the “Announcement of Courses” section of the catalog and in the current Schedule of Classes.

Corequisite - a course that a student is required to take at the same time with another course. For example, if a student enrolls in PHAR 60, he/she must take PHAR 60L at the same time.

Recommendation for course preparation - a condition of enrollment that a student is strongly suggested to meet before or along with enrollment in a course or educational program but is not required to do so.

“Passing grade” is at least a grade of “C” (Satisfactory) or “P” (Pass). Requisite clearance credit will not be granted for substandard course work (“D”, “F”, “FW”, or “NP”).

“Satisfactory grade” means that, for the course in question, the student’s academic record has been annotated with the symbol “A”, “B”, “C”, or “P”.

Prerequisite Challenge
A prerequisite may be challenged by students who have presented the appropriate reasons. It is the student’s responsibility to provide information to support the challenge. The prerequisite challenge must be filed and resolved prior to the student’s enrollment into the course. A Requisite Challenge form can be obtained from the Admissions and Records Office, Counseling Center, or downloaded from www.cerritos.edu/admissions-and-records/online-forms.

Prerequisite Challenge Procedure
A. Complete the Requisite Challenge form.
B. Select one of the four choices listed on the form:
   1. I will be subject to undue delay in attaining my educational goal because the requisite has not been made reasonably available (must declare educational goal and major).
   2. The requisite or enrollment limitation is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
   3. Challenging the pre or corequisite on the grounds that it was established in violation of regulation or in violation of the District-approved process (student documentation required).
   4. After careful consideration and against the recommendation of the college, I am requesting placement into the stated course.
C. Submit the completed form to the Admissions & Records Office for approval or denial of request. Please allow at least ten business days for a response.
D. Approval of the prerequisite challenge requires the student to enroll in the course in the Admissions and Records Office in person. MyCerritos will not recognize the approved form. PLEASE NOTE: A challenged requisite will not be deemed as a cleared requisite, therefore it will not appear on the transcript nor will it clear a like requisite in the future.
E. Denial of the prerequisite challenge requires the student to complete the clearance process or course listed as the official requisite. There is no appeal process.

ADD PROCEDURES
If you wish to add to your class schedule, please follow the steps below:
• Classes may be added via MyCerritos, Student Center (http://my.cerritos.edu).
• To add a closed class, go to class on the first day and time that it meets; be on time. Respectfully request of the instructor to be added to the class. If the instructor approves, an electronic enrollment will be submitted on your behalf to Admissions and Records. Please note that prerequisites, holds/service indicators (SI), conflicts, and illegal course repetition will be checked. Fee payment deadlines are
published in the current schedule of classes. Please refer to MyCerritos (http://my.cerritos.edu) or the current schedule of classes for information regarding being dropped from all classes and holds (SI) for lack of payment. Please check your student account via MyCerritos or in the Admissions and Records Office. All enrollments must be completed by the published add deadlines.

- Adding a class may be prevented due to holds or unauthorized course repetition (see “Repetition of Courses”).

LEVEL/SECTION CHANGES
Level/section changes must be processed in person. Program changes which involve level changes in skill and performance classes may be made by the add deadline. Students may also make level changes in Work Experience classes by the add deadline, but only a reduction of hours may be made after the add deadline.

Section changes may not be made between terms or semesters. A student may not drop a first six-/eight-week course and then enroll in a second six-/eight-week course by executing a section change. The student is required to officially drop the first six-/eight-week class and then pay the appropriate fees to be enrolled in the second six-/eight-week class. The money will not transfer from one term to another if the drop is processed outside of the refund date.

DROP PROCEDURES
Pursuant to Title 5, section 58004 and Cerritos College Board Policy, it is the student’s responsibility to participate fully in class(es), once enrollment is complete. However, should it become necessary to drop a class, it is the student’s responsibility to withdraw themselves.

It is strongly advised that students take the initiative to officially drop themselves. Failure to officially drop from class(es) may result in an “F” grade for each class and a delinquent debt and restrictive hold to the student’s account.

Classes may be dropped via MyCerritos, Student Center (http://my.cerritos.edu). Be mindful of deadline dates for refunds and posting of “W’s” to transcripts. See the “Calendar of Important Dates” in the schedule of classes for specific deadlines. Be sure to verify the drop with a printed receipt.

Deadlines: Dropping a class or classes shall be authorized through the last day of the 14th week of an 18-week term or 75% of a shorter than 18-week term, whichever is less. The academic records of a student who remains in a class beyond the date allowed for drop must reflect an authorized symbol, other than a “W.”

“W’s” are considered “honorable withdrawals” and shall not be used in calculating grade point averages. However, excessive “W’s” shall be used as factors for probation and dismissal procedures. Additionally, a student who has a “W” in the same class two or more times, loses the privilege of priority enrollment for that class. Students may submit a Petition for Course Repetition, which is subject to approval or denial, to the Academic Records and Standards Committee for exceptions to the excessive “W” policy for course repetition.

Dropping A Class After the Drop Deadline
A student must have documented circumstances beyond his/her control to initiate a drop after the listed deadline. Examples of circumstances beyond the control of the student include, but are not limited to, the following: accident, illness, change in work schedule, or other documented circumstances. A “W” will be posted to the official transcript. Contact the Dean of Enrollment Services for further information.

Military Withdrawal
Pursuant to Education Code 66023, the Board of Trustees of Cerritos College makes provisions for non-punitive withdrawals from class of students who are members of an active or reserve United States military service unit who receive orders compelling withdrawal from courses. Upon verification of such orders, a military withdrawal (MW) symbol may be
assigned at any time after the period during which no notation is made for withdrawals. There will be no penalty for military withdrawals. Military withdrawal shall not be counted in progress probation and dismissal calculations.

**AUDITING COURSES**

Auditing courses is permitted at Cerritos College. An audit student is a student who attends a course or courses for no credit or notation on an official transcript. Auditing may be available, pending signed permission, for any student who wishes to attend a course for information, review purposes, or skill building. Students wishing to audit should be aware that audited courses will NOT appear on the official transcript.

**Steps to Audit A Course**

- The student must be officially admitted to the College.
- The student must submit the appropriate audit form with the required signatures of the instructor of the course and the division dean. Permission to audit is at the discretion of the instructor and division dean.
- The fee to audit a class is $15 per unit (in addition to student fees). Students enrolled in 10 or more units can audit 3 units free (may be 3 one-unit classes). The $15 per unit audit fee will automatically be charged if the student drops below 10 units.
- Credit students have priority over auditing students. If a course closes after an auditor has been admitted, the auditor may be asked to withdraw to make room for a credit student.
- Students may contact the Admissions and Records Office to request the appropriate audit form and for additional information regarding auditing. (Board Policy 4070).

**WAIT LIST**

Cerritos College utilizes a “paid” wait list. What this means is that once you have added your name to the wait list, you must pay all applicable fees for that class. Additionally, “auto-enroll” will be in operation. Auto-enroll will automatically enroll students in order from the wait list to the official roster when space becomes available. Each student is limited to a maximum of 10 wait-listed units. Auto-enroll from a wait list will not occur if:

1. Student has a hold (service indicator) on their account.
2. The class requisite has not been met.
3. Unauthorized course repetition would occur.
4. There is a class time conflict. Students may not be enrolled in two classes that meet at the same time.
5. If student is enrolled in a class AND on a wait list for the same course (i.e., enrolled in SOC 101 and #1 on the wait list for SOC 101 at another time) he/she will lose a seat when “auto-enroll” tries to move from the wait list to the official roster due to “Multiple Enrollment”.

Auto-enrollment will continue through the Friday before classes begin. Attendance at the first class meeting is required in order to enroll or remain on the wait list. Failure to attend class DOES NOT create an automatic drop or refund. If you do not want your wait-listed classes, please drop them to avoid a substandard grade and forfeiture of fees.

**REPETITION OF COURSES**

At Cerritos College, previous course enrollment is reviewed electronically for prior enrollment attempts. All courses have repeatability limitations.

Students may repeat a course in which a substandard grade (D, F, NP, FW) or “W” in any combination has been received one time. Students receiving any combination of substandard grades may petition the Academic Records and Standards Committee for an exception to the two attempts rule. All petitions are subject to approval or denial. Upon completion of a repeated course, the
most recent grade earned will be computed in the cumulative grade point average and annotated in the student's academic record.

When a student repeats a class to alleviate substandard academic work, the previous grade and credit shall be disregarded in the computation of grade point averages, but shall not be deleted from the student's permanent record. Courses that are repeated shall be recorded on the student's permanent academic record using an appropriate annotation. Annotating the permanent academic record shall be done in a manner so that all work remains legible, insuring a true and complete academic history.

Students may use an equivalent course from an accredited college or university to replace a Cerritos College course in which a substandard grade was recorded, if earned subsequent to the substandard grade at Cerritos College. The student must petition the Academic Records and Standards Committee to record the change. The College may honor the prior course repetition actions of other accredited colleges and universities in determining acceptance of credits, subject to student petition to, and approval by, the Academic Records and Standards Committee. (Board Policy 4225 and Administrative Policy 4225)

Examples of Exceptions for Consideration of Course Repetition Limitations

An Academic Records and Standards Petition must be filed for official consideration of course repetition. All petitions are subject to approval or denial. Contact the Admissions and Records Office for specific directions.

1. Student received an “MW” (Military Withdrawal).
2. Student's previous grades are a result of documented circumstances beyond his/her control.
3. Cooperative work experience courses, subject to stated maximums, as provided in the College Administrative Procedures.
4. Certain activity or skill building courses, subject to stated maximums, as provided in College Administrative Procedures.
5. Certain classes for students with disabilities, subject to stated qualifications, as provided in College Administrative Procedures.
6. Repetition necessary for legally mandated training. Such courses may be repeated any number of times, regardless of whether or not substandard work was previously recorded, and the grade received each time shall be included for purposes of calculating the student's grade point average.
7. After a significant lapse of time, a student may repeat a course in which a grade of “C” or better was received.

Course Repeatability

Intercollegiate athletics and some music and theater courses that are required for transfer programs are the only courses that allow for repeatability. There are limitations on repeatability for dance, drama, physical education, visual arts, and most music courses; these courses are offered as single enrollment courses. There will be a notation after the course description if the course allows for repeatability.

The college has developed Families of Courses that include courses related in content (see next page for Families of Courses listed by department). A family of courses may consist of more than four courses, but students are limited to a maximum of four courses in any family. Further, all grades, including “W”s, will count toward the four-course enrollment limitation. Students can repeat art, dance, drama, music, and physical education courses that are included in Families of Courses in which a grade of “NP”, “D”, or “F” was earned or a “W” was assigned; however, all enrollments count toward the four-enrollment maximum for each family of courses.

CREDIT FOR PRIOR LEARNING
Cerritos College offers Credit for Prior Learning to provide students with increased access to course credit. The college honors previous educational and work experiences by permitting students to demonstrate knowledge and/or skills they have previously acquired. Students who demonstrate proficiency by any of the methods listed below may be awarded credit for prior learning.

- Satisfactory score on an Advanced Placement (AP) examination administered by the College Entrance Examination Board (see page 30 for additional information)
- Satisfactory score on the College Level Examination Program (CLEP)
- Evaluation of military service and/or training (e.g., Joint Services Transcripts). Students interested in credit for military service/training must submit any official transcripts related to the training to the Office of Admissions and Records. Students should refer to Administrative Procedure 4235 for additional information.
- Evaluation of industry-recognized credential, student-created portfolio, or score on a standardized examination administered by external agencies approved by the College. Students interested in credit by these methods should contact the Chair of the related department and refer to Administrative Procedure 4235.
- Satisfactory score on a college-administered examination (i.e., Credit by Examination). Students interested in credit by examination should refer to refer to Administrative Procedure 4235 for additional information.

CREDIT FOR MILITARY SERVICE
Veterans who have served on active duty a period of one year or longer and who have received other than a dishonorable discharge may be granted four (4) units of credit. The units will be designated as "Military Credit" on the transcript. To apply for these units the veteran must present the D.D. Form 214 to the Admissions and Records Office. Credits are elective credits for the A.A. degree only and do not apply to certificate programs.

COURSES APPROVED FOR CREDIT BY EXAMINATION
The courses listed below have been approved by academic divisions for credit by examination:

BUSINESS EDUCATION
Accounting 100
Business Administration 106, 107, 114, 115, 118, 120, 132, 156
Business Communications Office Technology 131

New Product Development 100, 101, 102, 103, 105, 106
Plastics Manufacturing Technology 100, 151, 221
PASS/NO PASS COURSES

Title 5, California Administrative Code 55022, permits the granting of credit toward a degree or certificate for courses completed on a Pass/No Pass basis. All sections of the course must be offered in the same manner. Courses may be offered for Pass/No Pass in either of the following categories and will be specified in the catalog:

PASS/NO PASS POLICIES AND PROCEDURES

No more than fifteen (15) units of Pass/No Pass courses may be completed at Cerritos College, nor may more than fifteen (15) units earned on a Pass/No Pass basis be applied toward the Associate of Arts degree. Some courses are graded entirely on a Pass/No Pass basis. Units earned in such courses shall not be considered as a part of the fifteen (15) unit limit in the optional Pass/No Pass policy.

ELECTING PASS/NO PASS

• The decision to elect Pass/No Pass grading must be made no later than the last day of instruction for the specific session for which the student is enrolled as published in the college’s schedule.

• Pass/No Pass forms are available online or in the Admissions and Records Office in the Administration Building. Forms must be received and processed by the Admissions and Records Office in order to receive the Pass/No Pass notation.

A grade of “P” is earned for coursework equal to a grade of “C” or better. A grade of “NP” is earned for coursework equal to a grade of “D” or “F”. Neither “P” nor “NP” grades are used in computation of grade point average; however, P/NP units will appear on the transcript of record.

A student may reverse P/NP selection to a letter grade, provided the reversal is completed prior to the end of the fifth week of a full semester course or prior to the first 30 percent of a short-term course.

Units attempted for which a grade of “NP” is recorded shall be considered in probation and dismissal procedures. Students may not repeat a course using the P/NP grading basis for a course previously taken for a letter grade.

NON-OPTIONAL PASS/NO PASS CLASSES

These classes are offered on a pass/no pass basis only and are graded entirely on a pass/no pass basis.

TRANSFERRING WITH PASS/NO PASS GRADES
Students are advised that four-year institutions may limit the number of units acceptable for transfer completed with a P/NP notation. (Administrative Policy 4232)

NOTE: As a result of the shift to online instruction in Spring 2019 due to the COVID-19 pandemic, the California Community Colleges Chancellor's Office (CCCCO) issued a formal memo suspending the regulatory limitations outlined in this section through the end of the 2021 calendar year. Unless the Chancellor's Office issues an extension of the suspension, the regulatory limitations related to the P/NP grading option will be restored at that time.

ACCEPTANCE OF TRANSFER COLLEGE CREDIT
A student who presents an official transcript of previous college or university work (other than non-degree applicable course work) in courses comparable to those of Cerritos College, may receive credit towards the Associate of Arts degree from Cerritos College. Before credit can be granted, the course work must have been completed at a college or university that is a member of one of the six regional accrediting associations. Official transcripts must be on file with the Admissions and Records Office. Hand-delivered copies of transcripts are accepted provided they are received in a sealed envelope.

Cerritos College does not guarantee the use of transfer credit towards the university. Each university will have their own evaluation process. Transfer credit from institutions using the quarter system shall be evaluated as follows:
The number of quarter units shall be multiplied by two and divided by three to arrive at the approximate number of semester units. (i.e., 4 quarter units equal approximately 3 semester units.)

Cerritos College is authorized to enroll F-1 non-immigrant students and welcomes applications from such persons. All records of any previous schools (mark sheets, transcripts, diplomas, certificates, etc.) must be submitted. These records must show courses taken and grades earned, and must be translated into English if the original records are in another language. If a translation is supplied, it should be certified as accurate and correct by an appropriate public or school official, or sponsoring agency or government. The original record should also be included.

Prior to the application of credit towards the Associate of Arts degree (A.A.), the international transcript must be submitted to evaluation agencies acceptable to Cerritos College. The college may then choose to accept or not accept the agency's recommendations to award credit towards the Associate of Arts degree.

Since the four-year universities maintain their own individual evaluation staffs, credit from foreign institutions towards the Baccalaureate degree is subject to the universities' review.

International students who wish to enroll as an F-1 status, please refer to the "Admission of International Students" in this catalog. Also, please contact the Office of International Student Services (OISS) at (562) 860-2451, Ext. 2133; email us at intadmissions@cerritos.edu or visit the website at www.cerritos.edu/international.

**ADVANCED PLACEMENT EXAM CREDIT**

Cerritos College will grant degree-applicable credit for College Board Advanced Placement examinations, based on a policy change from the community college Chancellor's Office resulting from an assembly bill. There is now a uniform statewide community college policy on the use of AP for the A.A. degree. A score of 3, 4 or 5 is required in order to receive units toward the A.A. degree. The number of units earned through Advanced Placement exams will be noted on the student's transcript. AP exams that do not specify a general education area will receive elective credit. AP Credit granted can be used to satisfy Cerritos College General Education requirements for the A.A. degree (Plan A) as follows:

****Also satisfies American History-Cerritos GE category 6 b. (1)

Students wishing to apply AP credits toward transfer major requirements should consult the receiving institution’s policy which can often be found in the receiving institution’s university catalog. A Cerritos College counselor may help you with your inquiries.

### COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

The College-Level Examination Program (CLEP) gives college students the opportunity to receive college credit by earning qualifying scores on standardized examinations.

A student must be currently enrolled at Cerritos College at the time they request credit for CLEP exams. Credit will not be granted for courses in which equivalent or more advanced course work has been completed. All official transcripts from CLEP must be submitted directly to the Admissions and Records Office to receive credit. The number of units earned through CLEP will be noted on the student’s transcript.

Departmental approval is required to determine whether test scores will satisfy requirements for the major.

Credit granted towards the associate degree at Cerritos College does not necessarily transfer to other institutions. Transferability of credit is determined by the receiving college or university. Currently, the University of California does not accept CLEP Examinations. Please see a counselor for applicability to transfer requirements.

Credit for the American Government exam does not meet the CSU American Institutions requirement. In addition, the English composition requirement currently cannot be met by a CLEP exam.

*Students wishing to apply AP credits toward one of the transfer general education and unit requirements for admission should consult the appropriate table on the Transfer Center website at [www.cerritos.edu/transfer-center](http://www.cerritos.edu/transfer-center).

INTERNATIONAL BACCALAUREATE (IB) EXAMINATION

Cerritos College will provide general education credit for students towards a local (non-ADT) degree with a minimum score of 4 in selected International Baccalaureate (IB) exams.

The student shall be responsible for submitting official International Baccalaureate examination documentation to the Admissions and Records Office to verify test scores.

Any student who passes an International Baccalaureate (IB) examination with a minimum score of four (4) or five (5) in the notated disciplines will be awarded credit in a Plan A general education area with a subject matter similar to that of the IB examination.

Students wishing to apply IB credit towards transfer general education, unit, and major requirements should consult with a Cerritos College counselor.

HL = Higher Level
STUDENT RIGHTS & RESPONSIBILITIES

A. All students shall be required to:
   1. Identify an education and career goal;
   2. Diligently engage in course activities and complete assigned coursework; and
   3. Complete courses and maintain progress toward an education goal and completing a course of study.

B. Nonexempt first-time students shall, within a reasonable period of time, be required to:
   1. Identify a course of study;
   2. Be assessed to determine appropriate course placement;
   3. Complete an orientation provided by the college;
   4. Participate in counseling, advising, or another education planning service to develop, at a minimum, an abbreviated student education plan (A-SEP).

For the purposes of this section, a first-time student is a student who enrolls at the college for the first time, excluding students who transferred from another institution of higher education.

For purposes of this section, first-time enrollment does not include concurrent enrollment during high school. To the extent that a college has the capacity to require and provide the services identified in (b)(1) through (4) to other students, nothing in this section would preclude a college from doing so.

C. Nonexempt students who have completed the services identified in (b)(1) through (4) shall be required to complete a comprehensive education plan after completing 15 semester units of degree applicable credit course work or prior to the end of the 3rd semester, or a shorter period if required by district or program policy.

Failure to fulfill the required services listed in (b) may result in a hold on a student's registration or loss of registration priority until the services have been completed.

INSTITUTIONAL RESPONSIBILITIES

A. The college shall take steps to ensure that information regarding matriculation policies is accessible and available to all students during or prior to enrollment (e.g., during orientation) and is included in class schedules, catalogs, or other appropriate communications describing student rights and responsibilities.

B. Once the student has identified a course of study and completed 15 semester units of degree applicable course work, the college shall provide the student with an opportunity to develop a comprehensive student education plan within a reasonable time period. Student responsibilities shall also be identified in the student's education plan.

C. College policy provides that a nonexempt student will have a hold placed on enrollment if a student fails to fulfill the responsibilities set forth in the section, "Student Rights and Responsibilities".

D. The college shall make reasonable efforts to avoid duplication of the orientation, assessment, counseling, advising, or other education planning services, and development of student education plans funded through this subchapter or funded through other programs.

E. It is intended that the instructional and student services areas of the college shall use multiple sources of data from student education planning efforts and identified courses of study to coordinate course scheduling.

CHANGE OF ADDRESS

Changes in address must be reported immediately to the Admissions and Records Office. Failure to do so may result in a delay of enrollment appointment or other important notifications. Address changes may be made online at www.cerritos.edu, “My Cerritos”, “Student Center”, “Personal Information.”
**COLLEGE TERMS**

**UNITS**

Each college course is offered for a particular number of units. Course units are based on the type of course and the number of hours per week it was designed to meet. For examples, a lecture course which meets three hours per week during the regular 18-week semester is worth three units; a laboratory course which meets three hours per week during that same semester is worth one unit.

**STUDY LOAD/COURSE LOAD**

In order to meet graduation requirements in four semesters, students should carry an average of 16 units of degree applicable credit each semester. Students desiring to enroll in more than 18 units must have the approval of a counselor. Other unit limitations are:

- Foreign Visa Students: not less than 12 units.
- Intercollegiate Athletes: not less than 12 approved units, throughout season of sport; not less than 24 approved units between seasons of sport.
- Dual Enrollment (K-12th Grade) Students: may enroll in a maximum of 11 units.
- Students on probation are limited to the amount of units based on GPA and/or completion rate.

**CLASS HOUR**

A “class hour” is the basic unit of scheduled attendance and/or examination and is defined as a period not less than 50 minutes. A “clock hour” is a 60-minute time frame which is composed of one 50-minute class hour and a 10-minute segment referred to as a “passing period” or “break.” Cerritos College classes have been scheduled based on these definitions. Classes that meet for multiple hours may include a 10-minute break between hours but not in the last hour of attendance.

**CLASSIFICATION OF STUDENTS**

FRESHMAN: One who has earned fewer than 30 units.

SOPHOMORE: One who has earned 30 or more units but fewer than 60 units, or has completed 60 units but does not hold a degree.

GRADUATE: One who has been awarded the Associate of Arts degree or a higher degree.

FULL-TIME: One who is enrolled in 12 or more units.

PART-TIME: One who is enrolled in less than 12 units.

DUAL ENROLLMENT (K-12): One currently enrolled in K-12th grade who desires to enroll for college credit.

**CAMPUS PARKING**

**PARKING REGULATIONS**

Parking permits are required to park on campus during the Fall 2022 semester. Parking permits must be purchased online at [www.cerritos.edu/police/cp-park.htm](http://www.cerritos.edu/police/cp-park.htm). On-campus student parking for vehicles is $40 per semester. All additional parking violations will be strictly enforced (i.e. students parking in staff stalls, disabled and fire zone violations).

Vehicles that are incorrectly parked can be issued a parking citation. Cerritos College assumes no liability and is not responsible for damage to or theft of any vehicle or its contents. Lost or stolen parking permits are not replaced.

**PARKING AREAS**

Vehicles authorized to park on the Cerritos College campus shall be parked head in only in areas that have been painted with lines indicating parking stalls.

**Designated Parking Areas Are Color Coded:**

WHITE: Student parking

YELLOW: Faculty and staff parking or Disabled Parking with Handicapped Placard issued by DMV
GREEN: Timed stalls; 2-hour max parking time limit

BLUE: Valid “DP” plate or placard.

WHITE GRID MARKED: Motorcycle parking only

PINK: Cosmetology patron parking located in Lot 8. Pink cosmetology patron parking permit required.

Bicycles must park in designated areas only. All designated student and staff parking areas will be enforced Monday, 7 a.m., through Friday, 11 p.m.

Parking On The Interior Campus
Bicycles are to park in District-provided racks. Violators will be cited. Only those vehicles with approval from the Campus Police Department or Facilities are permitted to drive and park on the interior and sidewalks of the campus. Violators will be cited and/or the vehicle taken and put into storage.

Off-Campus Parking
Off-campus parking is extremely restricted. Parking in surrounding residential areas is by city-issued permit only. Student vehicles parking in the surrounding neighborhoods will be cited, towed away and impounded by the city at the student’s expense.

The property owners also prohibit student parking in the shopping centers adjacent to campus. Student vehicles in these shopping centers are also towed away by property managers, at the student’s expense.

Responsibilities for Penalties
The registered owner of any vehicle on campus may be held responsible for liability or damage claims including parking or other traffic violation penalties arising in connection with the possession and/or operation of the vehicles on the Cerritos College campus.

Liability
Cerritos College assumes no liability and is not responsible for damage or theft of any vehicle or its contents.

STUDENT TUITION & FEES
Information is also available in Spanish. See “Información en Español” in the Table of Contents.

Students are expected to furnish all textbooks, supplies, materials, equipment, and uniforms as needed for instruction. The cost of these items will depend upon the number or types of classes taken. Textbooks, supplies, and materials are sold in the college bookstore. Additional fees noted below must be paid at time of enrollment.

STUDENT FEES
*Fees are subject to legislative or other authorized changes without prior notice.

1. Enrollment fees for the community college student are $46 per unit. FEES ARE SUBJECT TO CHANGE WITHOUT NOTICE DUE TO STATE LEGISLATION.

2. Students who are non-residents of California or International Students, with or without F-1 visas, will be assessed $380 per unit ($342 per unit non-resident tuition and a $38 per unit capital outlay fee) in addition to the $46 per unit enrollment fee above. Active military personnel and their dependents are exempt for one year from this out-of-state tuition charge. Non-resident students who have been admitted to a class or classes without payment of the fee because of falsification of information submitted by or for them, shall be subject to dismissal from college.

3. Student Health Fee is $19 per semester, $16 for summer session. Students who rely on prayer for healing and can supply the college with documentation from their spiritual leader are exempt.

4. Student Activity Fee is $19 per semester, $13 for summer session. This fee is automatically charged and is due and payable at enrollment, but may be waived subsequently by the student. Fee includes Metro GoPass, a bus and rail...
pass within LA County. Fee purpose and waiver information is available online at the Admissions and Records and Office of Student Affairs websites.

5. Parking permits are required to park on campus all semesters. Parking permits must be purchased online at www.cerritos.edu/parkingpermit. On-campus student parking for vehicles is $40 per semester. All additional parking violations will be strictly enforced (i.e. students parking in staff stalls, disabled and fire zone violations).

6. Lab/materials fees are listed with courses in the class schedule. Please note that failure to pay these fees may result in withdrawal from courses for lack of payment.

Students are required to pay all fees at the time of enrollment. Students adding their names to wait lists will be charged the applicable enrollment fees, tuition, and applicable lab/materials fees. Students who do not pay fees and drop classes after the refund date are still responsible for all fees. The California College Promise Grant (CCPG) Fee Waiver waives students’ course enrollment fees; however, all other fees, including but not limited to the Student Health fee, Student Activity fee, and applicable lab/materials fees, are due and payable at the time of enrollment.

The parking fee is required to park a vehicle on campus. The student activities fee is subject to student waiver. Information is available from the Office of Student Affairs. The waiver request form is available online at the Admissions and Records forms website. Revenue from the collection of this fee may be used by ASCC to support or oppose political measures. The student health fee may be waived with documentation from the student’s spiritual leader that the student relies on prayer for healing.

REQUIRED INSTRUCTIONAL & OTHER MATERIALS FEES

Students may be required to purchase instructional and other materials required for a credit or noncredit course. Such materials shall be of continuing value to a student outside of the classroom setting and shall not be solely or exclusively available from the District. These fees are not covered by the California College Promise Grant (CCPG) Fee Waiver (Title 5 Cal. Admin. Code Sec. 59400).

Any questions with respect to the interpretation of this regulation shall be in writing and addressed to the College’s Vice President of Academic Affairs.

REFUND POLICIES & PROCEDURES

It is the student’s responsibility to apply for a refund. A student is eligible for a refund after classes have been officially dropped. Classes must be dropped by the appropriate deadline for the session in order to be eligible for a refund. Stated deadlines are not adjusted due to late enrollment.

A student is eligible for a refund if: a) classes are dropped by the required deadline; b) the program change is the result of action taken by the college to cancel or reschedule a class; c) the student is dropped for failure to meet a prerequisite(s) or corequisite(s); and/or, d) the student is active or reserve U.S. Military personnel who withdraws due to military orders.

Eligible students may file a petition with the district requesting refund of their enrollment fee(s). A refund will not be processed if academic credit has been awarded for the class. Refunds are not automatically processed.

To request a refund, a student must submit a Refund Request Form. The Refund Request Form is also available online and can be mailed to the Admissions and Records Office. Approved refunds will be mailed in approximately four to six weeks. Be sure your current mailing address is on file with the college.

A check is the only form of payment that Cerritos College uses to issue refunds. If a payment is made by credit card for any registration transaction, and you drop any or all of your classes within the required refund
period, we will NOT credit your credit card account. All refund checks are made payable to the student.

Refunds are made pursuant to Title 5, Section 58501 or 58501.1.

**CREDITS/REFUNDS**

**Credits**

Enrollment Fee, Non-Resident Tuition, and Capital Outlay Fees will be credited if the official drop has occurred within the appropriate deadline* for session or semester. This is in accordance with the Refund of Enrollment Fee regulation, Title 5, 58508. There are no exceptions.

Student Health, Student Activity and Parking Fees will be credited only if all classes within the semester have been officially dropped within the appropriate deadline* for the semester. There are no exceptions.* Deadlines for fee credit are defined as the first two weeks of full semester length classes or 10% of the number of class meetings for short term classes.

Student Activity sticker for the semester must be surrendered at the time of refund request. No refund will be given if sticker is marked or used.

Parking Permit for the semester will be revoked at the time of refund request.

**Refunds**

A refund request form must be completed to receive credit funds on account. The Refund Request Form is available online at the Admissions webpage under forms or in the Admissions and Records Office.

One Year Limit on Refunds - Classes must be dropped before filing for a refund. Students seeking refunds must meet the requirements listed above to be eligible. Students must have dropped the class(es) and met the appropriate deadlines before filing for a refund. If these conditions have been met, students have one year from the beginning of the semester in which fees were paid to apply for their refund.

Beyond the one-year limit, students will no longer be eligible.

** Returned Check Policy**

Personal checks are not accepted for payment of tuition, fees, and other costs. If a check is accepted for another purpose, a $25 fee will be charged on all returned and stop payment checks. All fees are subject to change without notice in accordance with action taken by the Board of Trustees. Under state law, including California Civil Code 1719, any person who writes a check which is dishonored for lack of funds is civilly liable, and under the law is liable for at least $100 or three times the amount of the check plus additional costs.

**FAILURE TO PAY COLLEGE FINANCIAL OBLIGATIONS**

Failure to pay a financial obligation will result in an administrative withholding of grades, diplomas, or enrollment privileges or any combination thereof. The item or items being withheld shall be released when the financial obligation has been met (California Code of Regulations, Title 5, Section 59410).
LOSS OF ELIGIBILITY FOR CCPG FEE WAIVER

A student shall become ineligible for a California College Promise Grant (CCPG) Fee Waiver if the student is placed on academic or progress probation, or any combination thereof, for two consecutive primary terms. Loss of eligibility shall become effective at the first registration opportunity after such determination is made.

The District shall notify students of their placement on academic or progress probation no later than 30 days following the end of the term that resulted in the student’s placement on probation. The notification must clearly state that two consecutive primary terms of probation will lead to a loss of the CCPG Fee Waiver until the student is no longer on probation. The notification must also advise students about the available student support services to assist them in maintaining eligibility.

The District shall adopt, prominently display, and disseminate policies ensuring that students are advised about the student support services available to assist them in maintaining and reestablishing CCPG Fee Waiver eligibility. Dissemination includes, but is not limited to, information provided in college catalogs and class schedules.

The District has established written procedures by which a student may appeal the loss of a CCPG Fee Waiver due to extenuating circumstances, certain conditions specified on the Enrollment Priorities and/or CCPG Fee Waiver Appeals Form, or where a student with a disability applied for, but did not receive reasonable accommodation in a timely manner. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student.

Foster Youth shall not be subject to loss of CCPG Fee Waiver due to placement on academic or progress probation. This exemption for Foster Youth is effective until the date specified in Education Code section 66025.9(c).

APPEALS & EXEMPTIONS

It is the intent of these procedures to support and promote student success, including program completion, through access to needed courses. Petitions for appeals of, or exemption from, the implementation of these procedures are subject to consideration by the Committee on Academic Records and Standards or its designee.

A. Students may appeal the loss of enrollment priority and/or loss of the CCPG Fee Waiver due to extenuating circumstances, certain conditions specified on the Enrollment Priorities and/or CCPG Fee Waiver Appeals Form, or where a student with a disability applied for, but did not receive reasonable accommodation in a timely manner. Extenuating circumstances are verified cases of accidents, illnesses or other circumstances beyond the control of the student.

B. Students who have demonstrated significant academic improvement will regain the CCPG Fee Waiver and/or priority enrollment status. It is the student’s responsibility to timely verify changes in enrollment priority status. Significant academic improvement is defined as achieving no less than the minimum grade point average and progress standard within a term. The minimum academic standard is a 2.0 grade point average, once the student has attempted 12 semester units; the minimum progress standard is greater than 50% of all units enrolled in being other than “W”, “I”, “NP”, or “NC”, once the student has enrolled in a total of at least 12 semester units.

C. Students may request reinstatement of enrollment priority and/or the CCPG Fee Waiver if an institutional mistake was made.
ADMISIÓN A LA UNIVERSIDAD

ADMISIÓN
Cualquier persona que tenga 18 años y que no esté actualmente inscrita en escuela secundaria o cualquier persona que tenga un diploma de escuela secundaria o su equivalente puede ingresar en Cerritos College. Si tiene menos de 18 años y todavía está en la universidad, consulte la información para la inscripción dual.

SOLICITUD PARA LA UNIVERSIDAD
Complete la solicitud de admisión en línea. Las solicitudes en línea se pueden enviar a www.cerritos.edu seleccionando “Apply Now” (Enviar una solicitud ahora). Es necesario presentar el expediente académico de otras instituciones para probar los prerrequisitos de elegibilidad, lo que se aplica estrictamente en el momento de la inscripción.

Después de recibir la solicitud de admisión, la Oficina de Admisiones y Expedientes expedirá un número de identificación del estudiante. Se necesita un número de identificación de estudiante para completar la ubicación, orientación, consejería e inscripción. Además, el número de identificación del estudiante es necesario cuando se usa MyCerritos y otros servicios para estudiantes.

El Centro de Bienvenida (Welcome Center) y la Oficina de Admisiones y Expedientes dan asistencia con la solicitud. Para ver el horario de atención, visite el sitio web.

DIRECTRICES DE RESIDENCIA
Los estudiantes que ingresan a cualquiera de las universidades públicas de la comunidad de California están sujetos a los requisitos de residencia determinados por el estado de California. La Oficina de Admisiones y Expedientes determina la clasificación de residencia de un estudiante cuando el estudiante envía la solicitud a la universidad. Un estudiante cuya residencia legal está en el territorio de California puede asistir a Cerritos College. Los residentes de cualquier otro estado o país extranjero pueden estar sujetos al pago por los estudios de no residente.

La residencia legal de cualquier estudiante soltero menor de 18 años se considera que es la misma del padre/madre/tutor. El estudiante debe estar preparado para presentar prueba de residencia.

Puede dirigir más consultas a la Oficina de Admisiones y Expedientes al (562) 860-2451, ext. 2211, o el sitio web de Cerritos College en www.cerritos.edu/admissions-and-records.

ADMISIÓN DE ESTUDIANTES INTERNACIONALES
La Oficina de Servicios para Estudiantes Internacionales (OISS) da la bienvenida a los estudiantes no inmigrantes “F-1” para que se inscriban en Cerritos College. La universidad es una institución aprobada por el Programa de Estudiantes y Visitantes de Intercambio (SEVP) para admitir estudiantes F-1. La OISS da asistencia a estudiantes internacionales con adisiones, orientación, apoyo educativo y ajuste cultural mientras buscan lograr sus objetivos académicos.

También hay asistencia disponible para que los estudiantes internacionales presenten una Petición de cambio de estatus por medio de United States Citizenship and Immigration Services (USCIS). Se recomienda que los estudiantes interesados con otros tipos de visa (por ejemplo, B-2, H-2, F-2, H-4, E-2, etc.) soliciten y reciban asistencia para cambiar al estado F-1 en la Oficina de Admisiones y Expedientes. Los estudiantes F-2 que asisten a la escuela secundaria deben solicitar el cambio al estado de visa F-1 al menos 3 a 4 meses antes de graduarse. El cambio de estatus de B-2 o F-2* a F-1 debe estar aprobado antes de que un estudiante pueda inscribirse en Cerritos College.

El seguro médico es obligatorio y necesario para todos los estudiantes F-1 que asisten a Cerritos College por medio de la aseguradora aprobada por la universidad.
FECHAS LÍMITES PARA LA SOLICITUD

Solicitantes Fuera Del País
- Semestre de otoño: 1 de marzo al 1 de junio
- Semestre de primavera: 1 de agosto al 1 de octubre
- Semestre de verano: 1 de enero al 1 de marzo

Transferencias Entre Escuelas De Los Estados Unidos
- Semestre de otoño: 1 de marzo al 1 de julio
- Semestre de primavera: 1 de agosto al 1 de noviembre
- Semestre de verano: 1 de enero al 1 de abril

Documentación Necesaria Para Estudiantes Internacionales
- Solicitud de estudiantes internacionales
- Cargo de $50 para nuevos estudiantes
- Declaración de apoyo
- Certificación bancaria (verificación impresa con membrete del banco firmada por un representante del banco que muestre $12,000 o más disponibles para el estudiante o equivalente)
- Resultados de la prueba cutánea de tuberculina (TB) (firmados por un profesional médico y con fecha de menos de dos años)
- Expediente académico (prueba de escuela secundaria o diploma de escuela secundaria)
- Resultado de la evaluación de Cerritos College (administrada a su llegada)
- Copia del pasaporte, visa e I-94
- Copia de TODOS los I-20 (si corresponde)
- Autorización de transferencia (si corresponde)
- Prueba de cobertura de seguro médico (https://www.cerritos.edu/oiss/medical-insurance-requirement-1.htm)

PROGRAMA DE INGLÉS INTENSIVO

Cerritos College se enorgullece de presentar un Programa de inglés intensivo (IEP). El IEP ofrece a los estudiantes la oportunidad de adquirir y mejorar sus habilidades en inglés, para niveles de principiante, intermedio y avanzado; mientras da oportunidades para la inmersión en las diversas culturas que hay en los Estados Unidos.

Costo: Comuníquese con la Oficina de Servicios para Estudiantes Internacionales (Office of International Students Services) para obtener información completa sobre los costos.

Documentación Necesaria Para El Programa De Inglés Intensivo
- Solicitud de estudiantes internacionales
- Cargo de $50 para nuevos estudiantes
- Declaración de apoyo
- Certificación bancaria (verificación impresa con membrete del banco firmada por un representante del banco que muestre $22,000 disponibles para el estudiante o equivalente)
- Resultados de la prueba cutánea de tuberculina (TB) (firmados por un profesional médico y con fecha de menos de dos años)
- Expediente académico (prueba de escuela secundaria o diploma de escuela secundaria)
- Resultado de la evaluación de Cerritos College (administrada a su llegada)
- Copia del pasaporte, visa e I-94
- Copia de TODOS los I-20 (si corresponde)
- Autorización de transferencia (si corresponde)
- Prueba de cobertura de seguro médico (https://www.cerritos.edu/oiss/medical-insurance-requirement-1.htm)

Cargos de SEVIS (Formulario I-901): cuando se expide un nuevo I-20 inicial, se debe completar un Formulario I-901 junto con el pago de los cargos de SEVIS por $350 antes de enviar una solicitud de visa de estudiante F-1 a la Embajada de los EE. UU. en su país. Para obtener información del pago del cargo de SEVIS, visite www.FMFfee.com.

Para obtener información sobre la admisión de estudiantes internacionales en Cerritos College, visite el sitio web en www.cerritos.edu/international/ o llámenos al (562) 862-2451, ext. 2133.
ADMISIÓN DE ESTUDIANTES DE INSCRIPCIÓN DUAL

La inscripción dual (Dual Enrollment) permite a los estudiantes de K-12 tomar cursos de crédito universitario.

1. El director de la escuela K-12 o su designado debe recomendar y dar su consentimiento con la firma en la Solicitud de inscripción dual de que el estudiante se beneficiaría de la educación universitaria.
2. El padre/madre/tutor debe aprobar la participación del estudiante y dar su consentimiento con su firma en la Solicitud de inscripción dual. La firma del padre/madre/tutor también reconoce que el estudiante cumplirá todas las políticas y procedimientos de la universidad.

Elegibilidad Académica
Para todos los cursos a tomar, los estudiantes deben completar el proceso de ubicación en la universidad correspondiente y cumplir los prerrequisitos o correquisitos establecidos para el curso deseado.

Adaptaciones Académicas
Los estudiantes que necesiten adaptaciones debido a una discapacidad deberán hacer arreglos por medio de su distrito escolar K-12, en consulta con la Oficina de Servicios de Accesibilidad para Estudiantes (Student Accessibility Services, SAS) en Cerritos College. Llame al (562) 860-2451, ext. 2335, para asistencia. Para obtener más información, visite www.cerritos.edu/sas/.

Limitaciones En La Inscripción
- Los estudiantes pueden tomar hasta 11 unidades en los semestres de otoño y primavera. Los estudiantes solo pueden tomar hasta 7 unidades en el verano. Si los estudiantes quieren tomar más de las unidades mencionadas, deben obtener la aprobación del decano de Admisiones. Los estudiantes no pueden inscribirse en cursos preuniversitarios (1-99).
- Los estudiantes no recibirán el estado de inscripción prioritaria y se les cobrarán todos los cargos correspondientes, con la excepción del cargo estatal de California Community College de inscripción por unidad.

Cómo Asistir A Cerritos College Como Estudiante De Inscripción Dual

Para asistir a Cerritos College como estudiante de Inscripción dual, siga los pasos abajo:

1. Complete la solicitud de admisión en línea de Cerritos College y el formulario de inscripción dual, que puede encontrar en la página web Dual Enrollment.
2. Complete el Proceso de ubicación

Se recomienda que los estudiantes de Inscripción dual se reúnan con un consejero académico de Cerritos College y participen en la Orientación para nuevos estudiantes. Para obtener más información, llame al (562) 860-2451, ext. 2212.

UBICACIÓN
La ubicación es el proceso de recopilar información sobre un estudiante individual para facilitar su éxito y darle una ubicación de nivel universitario recomendada para inglés/inglés como segundo idioma (ESL), matemáticas y lectura. La herramienta de autoevaluación (SRT) es un cuestionario que usa varias medidas para dar una ubicación recomendada para cursos de inglés/ESL, matemáticas y lectura. La SRT está disponible en MyCerritos. Los estudiantes deben completar la SRT de inglés/ESL y matemáticas para recibir la ubicación recomendada. Se recomienda que tenga una copia de su expediente académico de la escuela secundaria cuando esté completando la SRT.

Los estudiantes que completen la SRT serán elegibles para los siguientes cursos:
- Inglés: los estudiantes con un diploma de escuela secundaria de EE. UU. o equivalente serán elegibles para inglés de nivel de transferencia después de completar la SRT.
- Matemáticas: todos los estudiantes serán elegibles para matemáticas de nivel de transferencia después de completar la SRT.
• Lectura: los estudiantes con un diploma de escuela secundaria de EE. UU. o equivalente serán elegibles para lectura de nivel de transferencia después de completar la SRT.

Se darán recomendaciones de ubicación al finalizar la SRT. Para ver sus resultados de ubicación, pida un expediente académico no oficial en MyCerritos. Su información de ubicación aparecerá en la parte superior del expediente académico después de la información de su especialización académica.

Si tiene preguntas sobre sus resultados de ubicación, puede hablar con un consejero.

**EXENCIOR EN UBICACIÓN**
Los estudiantes que ya tienen un título de asociado o superior de una universidad regional acreditada, no deben completar el proceso de SRT/ubicación, pero deben verificar su título presentando los documentos oficiales ante la Oficina de Admisiones y Expedientes por lo menos 10 días laborables antes de la fecha de su cita de inscripción. Para inscribirse con éxito en un curso que tiene un prerrequisito de inglés o matemáticas, debe enviar un formulario de Autorización de requisitos a la Oficina de Admisiones y Expedientes con el expediente académico que compruebe que completó el curso de prerrequisito de manera exitosa.

**ADAPTACIONES PARA ESTUDIANTES CON DISCAPACIDADES**
Cualquier estudiante con una discapacidad comprobada puede coordinar adaptaciones para el proceso de ubicación. Debe tener una solicitud vigente registrada en Cerritos College para recibir las adaptaciones. Las solicitudes de adaptaciones se deben hacer al menos 7 días por adelantado a Servicios de Accesibilidad para Estudiantes (Student Accessibility Services, SAS). Para obtener más información o programar una cita, llame al (562) 860-2451, ext. 2335; (562) 274-7164 (VP); o visite nuestro sitio web en www.cerritos.edu/sas/. Las adaptaciones académicas pueden incluir, entre otros: lectores, escritores o el uso de tecnología de apoyo.

**EXPEDIENTES ACADÉMICOS**
Es posible que sea necesario presentar los expedientes académicos oficiales de escuelas, colegios y universidades anteriores para establecer los prerrequisitos de elegibilidad. Los expedientes académicos que verifiquen las unidades de otras instituciones se pueden usar para completar los requisitos de educación general de CSU, los requisitos de IGETC, los certificados logros y los títulos de asociado en Artes o Ciencias.

**PAGO POR LOS ESTUDIATOS Y CARGOS A LOS ESTUDIANTES**
Se espera que los estudiantes traigan todos los libros de texto, suministros, material, equipos y uniformes según sea necesario para la educación. El costo de esos artículos dependerá del número o tipo de clases que se tomen. Los libros de texto, los suministros y el material se venden en la librería de la universidad. Los demás cargos que se mencionan abajo deben pagarse en el momento de la inscripción.

**CARGOS A LOS ESTUDIANTES**
*Los cargos están sujetos a cambios legislativos u otros cambios autorizados sin previo aviso.

1. Los cargos de inscripción para un estudiante de la universidad de la
comunidad son de $46 por unidad. LOS CARGOS ESTÁN SUJETOS A CAMBIOS SIN AVISO DEBIDO A LA LEGISLACIÓN ESTATAL.

2. A los estudiantes que no sean residentes de California o estudiantes internacionales, con o sin visas F-1, se les cobrará $380 por unidad ($342 del pago por los estudios para no residentes por unidad y un cargo de desembolso de capital de $38 por unidad) además del cargo de inscripción de $46 por unidad arriba mencionado. El personal militar activo y sus dependientes están exentos durante un año de ese cargo del pago por los estudios fuera del estado. Los estudiantes no residentes que hayan sido admitidos a una clase o clases sin el pago del cargo, debido a la falsificación de la información presentada por ellos o para ellos, estarán sujetos a la expulsión de la universidad.

3. El cargo médico para los estudiantes es de $19 por semestre, $16 para la sesión de verano. Están exentos los estudiantes que dependen de la oración para la sanación y pueden presentar en la universidad la documentación de su líder espiritual.

4. El cargo de las actividades estudiantiles es de $19 por semestre, $13 por sesión de verano. Ese cargo se cobra automáticamente y vence y es pagadero en el momento de la inscripción, pero se le puede eximir al estudiante del pago posteriormente. El cargo incluye Metro GoPass, un pase de autobús y tren en el condado de Los Ángeles. La información sobre el propósito de los cargos y la exención está disponible en línea en los sitios web de Admisiones y Registros y de la Oficina de Asuntos Estudiantiles (Office of Student Affairs).

5. Se necesitan permisos de estacionamiento para estacionar en el campus durante el semestre de otoño de 2023. Los permisos de estacionamiento deben comprarse en línea en www.cerritos.edu/parkingpermit. El estacionamiento para vehículos de estudiantes en el campus tiene un costo de $40 por semestre. Todas las demás infracciones de estacionamiento se aplicarán estrictamente (por ejemplo, los estudiantes que estacionan en los puestos del personal, en zonas de discapacitados y de incendios).

6. Los cargos del laboratorio/material se mencionan con los cursos en el horario de clases. Tenga en cuenta que no pagar esos cargos puede tener como consecuencia que lo retiren de los cursos por falta de pago.

Los estudiantes deben pagar todos los cargos en el momento de la inscripción. A los estudiantes que agreguen sus nombres a las listas de espera se les cobrarán los cargos de inscripción, pago por los estudios y cargos de laboratorio/material correspondientes. Los estudiantes que no paguen los cargos y abandonen las clases después de la fecha de reembolso siguen siendo responsables de todos los cargos. La exención de cargos mediante la Beca Promesa de California College (California College Promise Grant, CCPG) exime a los estudiantes de los cargos de inscripción de los cursos; sin embargo, todos los demás cargos, incluyendo, entre otros, el cargo médico del estudiante, el cargo de actividades estudiantiles y los cargos aplicables de laboratorio/material, vencen y son pagaderos en el momento de la inscripción.

El cargo de estacionamiento es necesario para estacionar un vehículo en el campus. El cargo de actividades estudiantiles está sujeta a la exención del estudiante. La información está disponible en la Oficina de Asuntos Estudiantiles. El formulario de solicitud de exención está disponible en línea en el sitio web de formularios de Admisiones y Expedientes. Los ingresos de la recaudación de ese cargo los puede usar ASCC para apoyar u oponerse a medidas políticas. El cargo médico del estudiante se puede eximir con la documentación del líder espiritual del estudiante de que el estudiante depende de la oración para la sanación.
**CARGOS DE MATERIAL EDUCATIVO Y OTRO MATERIAL NECESARIO**

Es posible que los estudiantes deban comprar material educativo y de otro tipo necesarios para un curso de créditos o sin créditos. Dicho material deberá ser de valor continuo para un estudiante fuera del entorno del salón de clases y no estarán disponibles única ni exclusivamente a través del Distrito. Los cargos no están cubiertos por la exención de cargos de la Beca Promesa de California College (CCPG) (Sección 59400 del Código administrativo de California, Título 5).

Cualquier duda con respecto a la interpretación de esta reglamentación deberá ser por escrito y dirigida al vicepresidente de Asuntos Académicos (Academic Affairs) de la Universidad.

**POLÍTICAS Y PROCEDIMIENTOS DE REEMBOLSO**

Es responsabilidad del estudiante enviar una solicitud de reembolso. Un estudiante es elegible para un reembolso después de que se haya dado de baja en las clases oficialmente. Debe darse de baja en las clases antes de la fecha límite correspondiente a la sesión para ser elegible para un reembolso. Los plazos establecidos no se ajustan por inscripción tardía.

Un estudiante es elegible para un reembolso si: a) se da de baja de la clase antes de la fecha límite obligatoria; b) el cambio de programa es el resultado de una acción tomada por la universidad para cancelar o reprogramar una clase; c) se da de baja al estudiante por no cumplir uno o más prerrequisitos o correrquisitos; o, d) el estudiante es personal militar activo o de reserva de los EE. UU. que se retira debido a órdenes militares.

Los estudiantes elegibles pueden presentar una petición ante el distrito solicitando el reembolso de los cargos de inscripción. No se procesará un reembolso si se dio crédito académico por la clase. Los reembolsos no se procesan automáticamente.

Para solicitar un reembolso, el estudiante debe enviar un Formulario de solicitud de reembolso. El formulario de solicitud de reembolso también está disponible en línea y se puede enviar por correo a la Oficina de Admisiones y Expedientes. Los reembolsos aprobados se enviarán por correo en aproximadamente cuatro a seis semanas. Asegúrese de que su dirección postal actual esté registrada en la universidad.

Un cheque es la única forma de pago que usa Cerritos College para hacer reembolsos. Si se hace un pago con tarjeta de crédito para cualquier transacción de inscripción y usted se da de baja en alguna o todas sus clases en el período de reembolso obligatorio, NO acreditaremos su cuenta de tarjeta de crédito. Todos los cheques de reembolso se hacen a nombre del estudiante.

Los reembolsos se hacen según el Título 5, Sección 58501 o 58501.1.

**CRÉDITOS/REEMBOLSOS**

**Créditos**

El cargo de inscripción, el pago por los estudios de no residente y los cargos de desembolso de capital se acreditarán si la baja oficial se produjo en el plazo apropiado para la sesión o el semestre. Esto es de acuerdo con la reglamentación de Reembolso del cargo de inscripción, Título 5, 58508. No hay excepciones.

Los cargos médicos del estudiante, de actividades estudiantiles y estacionamiento se acreditarán solo si se dio de baja oficialmente de todas las clases del semestre antes de la fecha límite apropiada para el semestre. No hay excepciones.*

*Los plazos para el crédito de los cargos se definen como las dos primeras semanas de clases de un semestre completo o el 10 % del número de sesiones para clases de corto plazo.

1El sticker para las actividades estudiantiles del semestre debe entregarse en el momento de la solicitud de reembolso. No se dará ningún reembolso si el sticker está marcado o usado.

2El permiso de estacionamiento para el semestre se revocará en el momento de la solicitud de reembolso.
Reembolsos
Se debe completar un formulario de solicitud de reembolso para recibir fondos de crédito a cuenta. El Formulario de solicitud de reembolso está disponible en línea en la página web de Admisiones bajo Forms (Formularios) o en la Oficina de Admisiones y Expedientes.

Límite de un año para los reembolsos: se debe dar de baja de las clases antes de solicitar un reembolso. Los estudiantes que buscan reembolsos deben cumplir los requisitos mencionados arriba para ser elegibles. Los estudiantes deben haberse dado de baja de las clases y haber cumplido los plazos correspondientes antes de solicitar un reembolso. Si se cumplen esas condiciones, los estudiantes tienen un año desde el comienzo del semestre en el que se pagaron los cargos para solicitar el reembolso. Después del límite de un año, los estudiantes ya no serán elegibles.

Política De Cheques Rechazados
No se aceptan cheques personales para el pago por los estudios, cargos y otros costos. Si se acepta un cheque para otro propósito, se cobrará un cargo de $25 por todos los cheques rechazados y retenidos. Todos los cargos están sujetos a cambios sin previo aviso de acuerdo con las medidas tomadas por el Consejo de Administración. Según la ley estatal, incluyendo el Código Civil de California 1719, cualquier persona que emita un cheque rechazado por falta de fondos es civilmente responsable y, según la ley, es responsable por al menos $100 o tres veces la cantidad del cheque más los costos adicionales.

FALTA DE PAGO DE LAS OBLIGACIONES ECONÓMICAS CON LA UNIVERSIDAD
La falta de pago de una obligación económica dará como resultado una retención administrativa de calificaciones, diplomas o privilegios de inscripción o cualquier combinación de estos. El artículo o artículos retenidos se liberarán cuando se haya cumplido la obligación económica (Código de Reglamentaciones de California, Título 5, Sección 58410).
The Financial Aid Office at Cerritos College is here to provide students and the community with a better understanding of financial aid programs and services available. We value and take pride in the diversity of our students and the support we provide in promoting student success. There are many financial aid programs that can help students with fees, books, supplies, transportation, housing, and other related educational expenses.

**FINANCIAL AID PROGRAMS**

**FEDERAL PROGRAMS**

Federal Pell Grants are awarded to eligible undergraduate students. The amount of money awarded is based upon a student’s Expected Family Contribution (EFC), the number of units enrolled, and the cost of attendance.

Federal Supplemental Educational Opportunity Grant (FSEOG) is awarded to eligible undergraduate students with exceptional financial need. It is awarded on a “first-come, first-served” basis and is dependent upon funds available. Students must have a zero EFC and be enrolled in at least six units to receive the funds.

Federal Work-Study (FWS) is a program with limited funding which provides employment to help pay for part of a student’s educational costs. This program is based on financial need and, if awarded, is part of a student’s award package. Students on FWS may work approximately 10-12 hours per week on or off campus. Students must use Job Speaker to apply for FWS positions in addition to submitting the FAFSA.

William D. Ford Federal Direct Subsidized and Unsubsidized Loans must be repaid. Students must complete a Free Application for Federal Student Aid (FAFSA) first. Once a student receives a financial aid award notification, the student may apply for a student loan at www.cerritos.edu/financial-aid/programs/loans.htm.

Loan amounts will be determined at the time the Financial Aid Office certifies a loan application. Once offered a loan, students must accept/decline the loan on MyCerritos.

Both entrance and exit counseling are requirements of the William D. Ford Federal Direct Loan Program. Students must be enrolled at least half-time to receive a loan. Once a student receives loan funds, the student must maintain reasonable progress toward a certificate, associate degree, or transfer program.

In reviewing a request for any loan, the Financial Aid Office may use “professional judgment” to deny a student a loan on a case-by-case basis. If denied a loan, a student will receive a letter from the Financial Aid Office indicating the reason(s) for the loan denial.

**STATE PROGRAMS**

**California College Promise Grant**

California College Promise Grant (CCPG) is a program that provides assistance to cover community college enrollment fees. To be eligible, a student must be a California resident or an AB 540 student, and must qualify under one of the following conditions:

1. Student or parent must currently be receiving Temporary Assistance for Needy Families (TANF)/CalWORKs, Supplemental Security Income (SSI)/State Supplemental Program (SSP), or General Assistance (GA). Documentation is required; or
2. Student must meet income standards based on family size. Documentation may be required; or
3. Student must have submitted a FAFSA or California Dream Act application and have the minimum amount of financial need set by the State; or
4. Students must meet special classification criteria. See application for details or visit the Financial Aid Office.
5. Students must meet institutional academic and progress standards in order to avoid losing the Promise Grant.

**Cal Grant Program**

The Cal Grant Program is a state-funded educational opportunity program to assist students in paying for a college education. There are entitlement awards as well as competitive awards. Application deadlines are in early March and September for community college students.

All basic Cal Grant eligibility requirements are as follows: a) be a California resident or AB 540 student; b) meet U.S. Selective Service requirements; c) attend a qualifying California postsecondary institution; d) be enrolled at least half-time; e) maintain satisfactory academic progress as defined at the school of attendance; f) have family income and assets below the established ceilings; g) not be in default on any student loan; h) not owe any federal or state grant refund; and i) not have a bachelor's or professional degree before receiving a Cal Grant (except for extended Cal Grant A or B awards for a teaching credential program).

Cal Grant B Entitlement Awards are for every graduating high school senior who meets the minimum GPA determined by the state, meets all the Cal Grant requirements and applies by March 2 within one year of graduating (or receiving their GED). This Entitlement Award provides an annual amount for books and living expenses for the first year. Beginning with the second year of Cal Grant B benefits, this award also helps pay for tuition and fees at public or private four-year colleges or other qualifying institutions.

Cal Grant C Awards are available to assist students with tuition, fee, and training costs for occupational or vocational programs. The Cal Grant C award provides for books, tools, and equipment. To qualify for Cal Grant C awards, students must meet basic eligibility requirements and be enrolled in a vocational program that is at least four months in length. For more information, visit the California Student Aid Commission website at www.csac.ca.gov.

Extended Opportunity Program and Services (EOPS) is a state-funded program that provides educationally and economically disadvantaged students assistance, which includes counseling, tutoring, workshops, grants, and transfer assistance. Admission into the EOPS program requires that a student meet either CCPG A or B standards, complete a FAFSA, or Dream application, enroll in 12 units, and have earned less than 40 degree applicable units from ALL colleges/universities attended.

The Cooperative Agencies Resources for Education (CARE) Program is available to students who are current recipients of TANF, in CalWORKs, single, head of household, have at least one child, and have been admitted into the EOPS Program. Students wishing to enter the program must attend an Orientation. Workshops are available.

**SCHOLARSHIPS**

Scholarships are like grants; they do not have to be repaid. The Financial Aid Office is the steward of a number of scholarships that may or may not require financial need. Applications are available in the Financial Aid Office. For information on scholarships, visit www.cerritos.edu/financial-aid/programs/scholarship.htm.

**SCHOLARSHIP & RESIDENCE**

A. A student must complete 60 units of degree applicable work with an overall grade point average of “C” or higher (2.0) in all courses.
B. A student must achieve a grade of Pass, or “C”, or higher in each course to be counted for the major. Courses completed for a Certificate of Achievement that are also to fulfill requirements for the major in an A.A. degree must be completed with a grade of Pass, or “C”, or higher.

C. A minimum of 12 units of degree applicable work must be completed at Cerritos College, to meet the residence requirement.

D. A student may earn multiple Associate Degrees by completing the major requirements for each degree, the appropriate general education for each major, achieve a Pass or “C” grade or better in each major course, a grade point average of “C” (2.0) or higher in all courses, and complete a minimum of 60 degree applicable units.

**APPLICATION PROCESS**

**STEP 1 – APPLY**
- Submit a Free Application for Federal Aid (FAFSA) at [www.fafsa.gov](http://www.fafsa.gov)
- AB 540 students can submit the California Dream Act Application at [www.caldreamact.org](http://www.caldreamact.org).
- List Federal School Code 001161

**STEP 2 – SUBMIT FORMS**
- View “To Do List”, which links to the required documents to complete your file. Documents can be uploaded to the student forms platform.

**STEP 3 – REVIEW AWARDS**
- View awards on MyCerritos at [http://my.cerritos.edu/](http://my.cerritos.edu/)
- You must meet Satisfactory Academic Progress (SAP) standards to receive awards

**STEP 4 – RECEIVE FINANCIAL AID**
- Select your refund option at [www.cerritos.edu/financial-aid](http://www.cerritos.edu/financial-aid) under “Disbursements”.

**IMPORTANT DATES**

October: Free Application for Federal Student Aid (FAFSA) and California Dream Act Application become available for upcoming award year. Submit financial aid application online at [www.fafsa.gov](http://www.fafsa.gov).

March 2nd: Cal Grant application deadline – Submit both FAFSA or California Dream Act Application and GPA Verification.

March – April: View to Do list on MyCerritos. Submit any required documentation on Student Forms.

May – June: Financial Aid Office begins sending Award Notifications to students via the message center on MyCerritos.

**AB 540 & AB 2000**

California’s AB 540 law allows qualifying students, including undocumented immigrant students, to pay in-state fees at public colleges including Cerritos College. A student must attend a California high school for three years or more or attended a combination of elementary, middle, and/or high schools in California for a total of three or more years; graduate from a California high school or receive the equivalent of a high school diploma (such as a GED); and file an affidavit with the Admissions and Records Office stating that they will file an application to adjust their immigration status as soon as they are eligible. Students should inquire at the Admissions and Records Office about applying for AB 540 and AB 2000. AB 540 and AB 2000 students are encouraged to search for scholarships for funding their education. Scholarship information can be found at [www.maldef.org](http://www.maldef.org) and [www.latinocollegedollars.org](http://www.latinocollegedollars.org). Additional resources are available at [www.cerritos.edu/financial-aid/ab540](http://www.cerritos.edu/financial-aid/ab540).
BASIC STUDENT ELIGIBILITY

REQUIREMENTS FOR FEDERAL STUDENT AID

- Be enrolled as a regular student in an eligible program which includes certificate, Associate of Arts degree, or transfer programs
- Cannot also be enrolled in elementary or secondary school
- Have a high school diploma or equivalent
- Make satisfactory academic progress
- Meet enrollment status requirements
- Be a U.S. citizen or eligible noncitizen
- Have resolved any default on an FSA loan or overpayment
- Have a valid social security number
- Resolve any conflicting information

There are also program-specific eligibility requirements that may be required.

SATISFACTORY ACADEMIC PROGRESS (SAP) STANDARDS

To be eligible for financial aid, students must make satisfactory academic progress toward their educational goal. The Financial Aid Office monitors progress using both Qualitative and Quantitative Standards at the end of each semester.

GRADE POINT AVERAGE (GPA) REQUIREMENT (QUALITATIVE)

Students must maintain a 2.0 cumulative Grade Point Average (GPA). The GPA standard is used at all times in the determination of eligibility for financial aid, even when students do not receive financial aid.

UNIT COMPLETION REQUIREMENT – PACE OF PROGRESS (QUANTITATIVE)

Students are required to complete 67 percent of the units they have attempted. The cumulative units completed will be divided by the cumulative units attempted to calculate the pace of progress. All units are considered in this calculation. Units for which a grade of W, NP, NC, and/or F was received are considered as units attempted, but not completed.

BELOW ARE SOME EXAMPLES:

- Student A: Attended Fall and Spring semesters for one year; attempted 24 units, completed 20 units. Pace of progress is calculated as 20 / 24 = 83 percent; student met the 67 percent requirement.
- Student B: Attended Fall and Spring for one year; attempted 24 units, completed 15 units. Pace of progress is calculated as 15 / 24 = 62 percent; student did not meet the 67 percent requirement.
- Student C: Attended Fall and Spring semesters for two years; attempted 48 units, completed 36 units. Pace of progress is calculated as 36 / 48 = 75 percent; student met the 67 percent requirement.
- Student D: Attended Fall and Spring semesters for two years; attempted 48 units, completed 33 units. Pace of progress is calculated as 33 / 48 = 68 percent; student met the 67 percent requirement.

WARNING

Students will be placed on warning status after a semester if they have not met the unit completion requirement and/or the 2.0 grade point average requirement. If students are placed on Financial Aid Warning status, they may remain eligible for financial aid. Students will receive notification of their status and how to avoid disqualification.

Students will also be placed on Warning status and regain their eligibility if they were previously on disqualification status and are now meeting the GPA and Unit Completion Requirement. If the student meets SAP requirements after previously being on warning, they will be placed on good standing the following semester.

Disqualification Students will be placed on disqualification status after a semester on Warning status, if they still have not met the unit completion requirement and/or the 2.0 grade point average requirement. If a student is placed on disqualification status, they will
no longer be eligible to receive financial aid, with the exception of the California College Promise Grant (CCPG).

**MAXIMUM TIME FRAME REQUIREMENT (QUANTITATIVE)**
Students must complete their educational program within a maximum time frame of 150 percent of the published program’s required units at Cerritos College. For example, Associate of Arts degrees and transfer programs generally require 60 units. Therefore, 150 percent of those programs would be 90 units (60 units x 1.5).

Students will be required to meet with a counselor and create an educational plan based on their educational program once the student attempts the following:
- 60 units (excluding remedial and ESL units) for Associate of Arts degree or transfer program
- 30 units (excluding remedial and ESL units) for a certificate program

The Financial Aid Office will notify the student regarding their eligibility for financial aid.

If at any point in time it is determined that the student cannot complete their educational program within the 150 percent time frame, they may be immediately disqualified from financial aid (with the exception of the Promise Grant). It is the student’s responsibility to read and understand the Financial Aid Satisfactory Academic Progress (SAP) Standards.

**WITHDRAWALS, INCOMPLETES, REPEATED COURSES, & TRANSFER CREDIT**
No pass courses, courses noted as excluded, repeated courses, and withdrawals are counted as attempted units in calculating the pace of progress. Courses noted as excluded on the transcripts are not counted for purposes of the cumulative GPA. Grades removed through academic renewal are still counted for pace of progress and GPA requirements. Transfer credits are counted as attempted units and completed units towards the 150 percent maximum time frame. Incompletes are excluded as attempted units for satisfactory Academic Progress (SAP).

**SATISFACTORY ACADEMIC PROGRESS (SAP) APPEALS**
If a student is disqualified due to GPA, Unit Completion, and/or Maximum Time Frame and wishes to appeal their status, they can complete an appeal form to explain in detail their situation and reason(s) for not meeting the SAP Standards. They must elaborate on what steps they have taken to ensure their academic success and include any supporting documentation with their appeal. The appeal must be submitted to the Financial Aid Office by the posted deadline. Students must also complete the Get SAP online videos as part of the appeal process. They will receive notification by mail. The Financial Aid Office may request further documentation including an Academic Plan or a Work-in-Progress report of the student’s current grades. If the appeal is approved, the student will be placed on probation status for the period approved by the committee and may have to meet specific conditions to be reinstated.
RETURN OF TITLE IV FUNDS
Federal aid recipients who withdraw or are dropped from ALL classes by the instructor are subject to regulations regarding the Return of Title IV funds. Students who withdraw or are dropped from all classes may be subject to the Return of Title IV federal regulations which may result in an overpayment to the college or Department of Education.

The amount of federal financial aid that was paid or could have been paid to the student will be based on this percentage. If the student received more financial aid than the amount earned, the student will be billed for the overpayment. Financial aid recipients should be cautioned to (1) avoid total withdrawal from all classes; (2) successfully complete at least one class during the semester, with a passing grade; and (3) repay any “unearned” financial aid as soon as possible to regain eligibility for financial aid.

Any aid recipient who needs to withdraw from all classes should contact the Admissions and Records Office and the Financial Aid Office. Recipients are encouraged to discuss alternatives to withdrawing from class(es) with their instructor(s) or a counselor before making a final decision.

Title IV funds are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded.

GRANT OVER-AWARDS
There are occasions when students receive financial aid payments based upon misreported information. This results in a grant over-award. Examples of misreported information include inaccurate or omitted income, prior loan defaults or grant overpayments, having a bachelor's degree, not having a high school diploma or GED, forged signatures, and unsatisfactory academic progress, just to name a few.

Students who receive grant funds due to misinformation as noted above are required to repay THE ENTIRE SUM RECEIVED.

FINANCIAL AID OFFICE INFORMATION
SERVICES
Financial Aid staff provide assistance during office hours. Assistance is available to students with the application process. Students may use the online Contact Us form and questions will be addressed by email.

CONTACT INFORMATION
The Financial Aid Office is part of Enrollment Services and is located in the Administration Building.

For additional information on financial aid, students are encouraged to visit the Financial Aid Office website at: www.cerritos.edu/finaid or contact the Financial Aid Office by email: finaid@cerritos.edu, or by phone at: (562) 860-2451, Ext. 2397. Questions about financial aid can also be answered through Financial Aid TV video clips at: http://cerritos.financialaidtv.com/. Zoom remote assistance is also available. See website for details.

IMPORTANT NOTICE: The information contained in this document is subject to state, federal and/or other legislative and regulatory change and may be changed without notice.
FIRST YEAR PROGRAMS FOR BLACK & AFRICAN AMERICAN STUDENTS

UMOJA SUCCESS PROGRAM
Be a part of a community of scholars designed with you in mind! The Umoja Success Program assists African American students and others in achieving academic and life success through the exploration of Black Culture and Hip Hop. The program is a dynamic learning experience shared by a group of students with faculty that is committed to their success. Umoja, a place to call home!

So what’s in it for you? A community to support you, trips, mentorship, free school supplies and much more

If you want to go fast, then go alone. If you’re going to go far, go together! —UMOJA!

FIRST YEAR PROGRAMS FOR LATINX STUDENTS

PUENTE PROGRAM
The Puente program is designed to help students achieve academic success, while instilling a sense of belonging and getting students a path to transfer to a 4-year college or university. Students will take four transfer courses with textbooks provided at no cost. These courses will get you more familiar with the transfer process, major and career decision-making process, and build your leadership skills. The most unique aspect of the Puente program is that the professors approach these four subject through a Latina/o perspective. Including Latina/o authors, historical and contemporary issues in the Latina/o community, and different themes pertaining to the Latina/o community.

Through Puente you will receive counseling, guidance, mentorship, campus and cultural trips, and assistance with transferring to a CSU, UC, or Private Universities.

CERRITOS COMPLETE PROMISE PROGRAM
Cerritos Complete, a California College Promise Program, is our student success initiative that focuses on our students’ pledge to earn and complete their degrees or certificates on time. Cerritos Complete Promise Program is a partnership between Cerritos College and our partner school districts: ABC, Bellflower, Compton, Downey, Lynwood, Norwalk-La Mirada, and Paramount Unified School Districts. Cerritos Complete Promise Program also includes certain private and charter schools. For a list of eligible schools view our website at https://www.cerritos.edu/cerritos-complete/Schools.htm.

The Cerritos Complete Promise Program is available to high school seniors or adult students completing high school equivalency to smoothly transition to college. This program provides opportunities to obtain the skills and knowledge needed for college, explore a variety of careers, save money on their college education, and graduate from college on-time.

BENEFITS:
- Two-years free tuition (in-state rates only)
- Two-years of early enrollment
- Step by step assistance to prepare you for College
- One-on-one counseling and advisement
- Career exploration
- Personalized educational plans

HIGH SCHOOL SENIOR OR EQUIVALENCY REQUIREMENTS
- You must be a graduating high school senior or completing high school equivalency in one of our partner schools.
- You must complete the eligibility steps by the deadlines
HOW DO I SIGN-UP FOR THE CERRITOS COMPLETE PROMISE PROGRAM?
Students can apply to the College starting in October and students must submit an interest form by March 2. Visit our website at www.cerritos.edu/cerritoscomplete/ to learn more about the program and view the program steps and deadlines. Contact us at (562) 860-2451, ext. 2212 or cerritoscomplete@cerritos.edu.

LEARNING COMMUNITIES PROGRAM
Learning communities involve the intentional creation of class pairs or clusters. The same group of students is co-enrolled in two or more courses, usually from different disciplines. Students enroll in courses but receive a separate grade for each one. Classroom activities, tests, assignments, field trips, research projects, and educational technology are used to engage students in their own learning, as well as provide them with valuable “real-world” skills.

Perhaps more importantly, the learning community model promotes student-centered learning, with an emphasis on an enriched classroom environment. It promotes greater intellectual growth and genuine mastery of course content through collaborative activities, frequent feedback, and increased student-teacher and student-student interactions.

WHAT ARE THE BENEFITS OF JOINING A LEARNING COMMUNITY?
• Smooth your transition into college
• Meet other students and form lasting friendships as you take classes together as a cohort
• Learn how to choose your major and reach your academic goals sooner
• Graduate or transfer to a four-year college or university sooner
• Increase your learning and earn better grades
• Designated Counselor

ARE LEARNING COMMUNITY COURSES TRANSFERABLE?
Many of the courses are transferable to the CSU’s and UC’s. See the Schedule of Classes, the Cerritos College Catalog or meet with your counselor to check specific courses.

WHAT ARE THE REQUIREMENTS TO ENROLL?
• Meet the prerequisites for all courses. The prerequisites are listed in the Cerritos College Catalog and must be met prior to enrollment.
• Enroll in all courses listed for that Learning Community

HOW WILL LEARNING COMMUNITY COURSES BE LISTED ON MY TRANSCRIPT?
Your transcript will reflect the classes as separate courses.

FIRST YEAR EXPERIENCE PROGRAM
First Year Experience program (FYE) is a student success program designed to help students make a smooth and successful transition into college. FYE pairs classes together in “Houses” that focus on an area of interest and/or major; creating cohorts of students with shared interest. FYE provides a supportive and welcoming learning community environment where students connect with one another and with creative faculty members. The FYE Houses are packaged together during prime class times, so they work well with your schedule and are guaranteed to the first 30 students who sign a contract. FYE also has events during the semester aimed at connecting you to campus and community.

For more information about Learning Communities, please visit our website at https://www.cerritos.edu/lc/, email us at learningcommunities@cerritos.edu, call (562)860-2451 X2212, or stop by the Office in the Multipurpose Building, Room MP100A-F.
TEACHER TRAC

The Teacher Training Academy (Teacher TRAC) offers a guided pathway for any student interested in teaching at any level. Teacher TRAC focuses on preparing future pre-school, elementary school, special education, secondary, and Career Technical Education teachers to prepare for transferring to a four-year degree and credential.

Students who join Teacher TRAC have the opportunity to participate in work experience in schools, paid internships, specialized counseling, participation in conferences and workshops for teachers, classes targeted for future teachers, and access to Teacher TRAC Scholarships.

Change a life, shape a future, and give back to your community. Become a teacher! California schools need new teachers each year. One of them can be you!

HOW DO I APPLY?

Applications for the program are accepted each semester. Visit our website at www.cerritos.edu/teachertrac or www.teachertrac.com for an application and more information, or call (562) 860-2451, Ext. 2212 or email teachertrac@cerritos.edu.

SCHOLARS’ HONORS PROGRAM

The Scholars’ Honors Program (SHP) is the academic and social home that Cerritos College provides for talented and motivated students who plan to transfer to four-year institutions. The SHP values students who embrace creativity, innovation, critical thinking, open-mindedness, research, collaboration, lifelong learning, community service, and academic integrity. The SHP provides transfer-bound students with the opportunity to enrich themselves through participation in unique, challenging, and interactive educational experiences. The SHP promotes this goal by providing an office that supports and assists students by offering Honors course sections taught by outstanding professors, and by offering opportunities for students to work one-on-one with these faculty members on undergraduate research projects.

BENEFITS OF HONORS

- Priority Registration for all Cerritos College Courses
- Special Admissions Agreements with Universities
- Transferable Honors Courses (Lower Class Size)
- Undergraduate Research Opportunities
- Closer Interaction with Honors Faculty
- Designated Honors Counselors
- Special Assistance from the Honors Office
- Private Graduation Ceremony
- Travel to Conferences (all expenses paid)
- Free Access to Libraries at UCLA and UC Irvine
- Honors Courses Designated on Transcripts
- Honors Scholarship & Other Scholarship Opportunities

TRANSFER PARTNERS

UCLA
UC Irvine
Pomona College
Pitzer College
Scripps College
Mill College
Amherst College
LMU
Smith College
Gonzaga University
Tufts University
University of Arizona
Brandeis University
...and other institutions.

MINIMUM CRITERIA FOR ADMISSION

- 3.0 Cumulative GPA
- Consistent Academic Record
- Eligible to enroll in Honors English 100, 103, or 110

COMPLETION REQUIREMENTS FOR THE PROGRAM

SHP students must maintain a 3.0+ cumulative GPA in all their transferable courses, complete the Honors Writing Requirement, complete Plan C and major requirements, and complete five honors courses with a “B” or better.

SERVICES FOR STUDENTS

ACADEMIC & CAREER COUNSELING SERVICES
Counseling services are available to all Cerritos College students. Counseling services support students in navigating the registration process, planning classes, choosing a major, exploring transfer options, and more. The Counseling Department also offers students support with exploring different careers. See Career Services to find out more information about exploring careers and related majors.

To meet with a counselor, students can choose from in-person or online meetings by appointment or attend drop-in counseling hours. More information can be found at www.cerritos.edu/counseling.

Career Services
The Career Services Office, located on the second floor of the Multi-purpose Building (MP201), offers the following services to assist students in exploring and planning their academic and vocational futures:

Career Planning
As part of our commitment to student success, the Career Services office will assist students who are undecided about their majors and/or their vocational goals. Comprehensive career counseling and information resources are available to aid in that process. Career Services is open Monday, Tuesday, Thursday, 8 a.m. - 5:00 p.m.; Friday 8 a.m. - 4:30 p.m. and Wednesday, 8 a.m. - 6 p.m. Summer hours may vary. Call (562) 860-2451, Ext. 2356, for more information.

STUDENT HEALTH SERVICES
Health services are available to all students currently enrolled at Cerritos College upon proof of enrollment. First aid and referrals are available to all faculty, staff, and visitors. Student Health Services is staffed by a group of professionals that include physicians, nurse practitioners, registered nurses, medical assistants, and clerical support. They are all dedicated to your health and wellness. SHS is able to provide basic outpatient services for the diagnosis and treatment of acute and sub-acute illnesses and injuries. A brief overview of services includes urgent care, preventive care, women’s and men’s health care, as well as, chiropractic services, referrals to psychological and optometric services, and a variety of support services (pharmacy, laboratory, health education, etc.). Accident, international student, and supplemental insurances are also available through the SHS. We invite you to visit our website at www.cerritos.edu/shs or call (562) 860-2451, Ext. 2321. We are located on the southeast corner of campus and would like to extend an invitation for you to stop in and visit us.

Health Insurance
Supplemental insurance coverage programs are available for health and hospitalization coverage. Students interested should contact Student Health Services at (562) 860-2451, Ext. 2321, for insurance referrals.

Mental Wellness Program
Psychological services, crisis intervention, and referrals are available to students experiencing emotional problems or concerns. Please contact Student Health Services at (562) 860-2451, Ext. 2321, for assistance or visit our website at www.cerritos.edu/shs.

FALCON’S NEST
The Falcon’s Nest provides centralized support services for students facing basic need insecurities. This is accomplished through access to on and off campus resources, community collaboration, and advocacy that ensures a student’s educational success. The Falcon’s Nest is located off of Lot 2, near the food court. For Basic Needs Inquiries: FalconsNest@cerritos.edu.
Food Resources

CALFRESH
CalFresh is a nutrition assistance program that helps low-income individuals and families buy the food they need (formerly known as the Food Stamp Program). CalFresh dollars help stretch a tight food budget and help many people afford to incorporate healthy foods like fruits and vegetables into their diets. CalFresh is the name of the USDA-funded Supplemental Nutrition Assistance Program (SNAP) in the state of California. Recipients receive and “spend” CalFresh benefits electronically, via personal Golden State Advantage electronic benefits transfer (EBT) cards that look just like any other credit or debit cards. For CalFresh Inquiries: CalFresh@cerritos.edu.

FOOD BANK DISTRIBUTION
Cerritos College is proud to partner with the Los Angeles Regional Food Bank for monthly food distributions on campus. Food resources are available to students and members of the local community. Distributions are held every 4th Wednesday of the month from 9-11am in Lot 1. Some dates may vary. Please check the Falcon's Nest home page for up to date information on the next distribution.

GROCERY CARD ASSISTANCE
Grocery card assistance is designed for students who are not eligible for CalFresh however, are eligible through financial aid for assistance. In addition, grocery cards may be available for students experiencing food insecurity.

We would like to encourage all students to connect with our CalFresh Outreach team at calfresh@cerritos.edu to determine their CalFresh eligibility for these food benefits. Grocery card requests are processed at various times of the month and may take 2 weeks from the date of request to the date of distribution.

FRANCO’S MARKET
Franco’s Market is a one stop shop for students and our local community to access food. From fresh produce, baked goods, and frozen meats, you can make a hearty meal for yourself and your family to enjoy.

Student and community members can access Franco’s Market using Pantry Soft, a virtual shopping experiencing where you can shop for food and hygiene items, supplied at the Falcon's Nest as well as schedule an appointment to pick up your items.

*Please note Franco’s Market can be accessed twice a month for most students and once a month for community members. The best time to place an order is Monday afternoon or Wednesday afternoon. We recommend ordering items one day in advance, items ordered more than once day in advance may be unavailable at appointment time.

For more information or questions please email falconsnest@cerritos.edu.

Housing Resources
In partnership with Cerritos College, Jovenes, Inc. offers multiple college-focused housing options to students experiencing homelessness and housing insecurity so they can focus on achieving their educational goals.
For additional information, email Jovenes at CerritosPN@jovenesinc.org or complete the Jovenes Housing Screening Form

CHILD DEVELOPMENT CENTER
The Cerritos College Child Development Center Program is open for services to students, college employees, and the community. The Center is also a laboratory school for future teachers in the field of Early Childhood Education. We are committed to providing an outstanding quality program that is welcoming, nurturing, stimulating, creative, and safe for children ages 2 to 5 years old. We are a 5-star child development program inspired by the Reggio Emilia approach to learning. We pride ourselves on building meaningful relationships where the children, families, and community are at the heart of our
preschool program. The Child Development Center is open Monday through Friday, from 7:30 a.m. to 5 p.m.

Due to the ongoing COVID-19 pandemic, students interested in these services may visit our website to fill out a “Request for Child Development Services Form” or call (562) 860-2452, ext. 2583.

**LA METRO GOPASS**

Cerritos College students who pay their Student Activities Fee each semester can now ride and transfer between several transit systems all over L.A. county thanks to a Metro pilot program called GoPass. The pass will allow you unlimited rides on: City of Commerce, Culver CityBus, Foothill Transit, Gardena Transit (GTrans), Long Beach Transit, Los Angeles Department of Transportation (LADOT) DASH, Los Angeles Metro (bus and rail), Montebello Bus, Norwalk Transit, Pasadena Transit, Santa Monica Big Blue Bus, and Torrance Transit. Apply for your GoPass at www.cerritos.edu/gopass.

**STUDENT ACCESSIBILITY SERVICES (FORMERLY DISABLED STUDENT PROGRAMS & SERVICES)**

Cerritos Community College District affirms its programs and activities are available to all qualified persons without regard to disability. The College is also subject to Sections 504 and 508 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act.

The primary objective of the Student Accessibility Services (SAS) is to provide accommodations for students with a disability in campus programs and activities to the greatest extent feasible. The ability of each student with a disability to function independently in the collegiate environment is the ultimate goal. Inquiries regarding the Student Accessibility Services or the District’s non-discrimination policy relative to Sections 504 and 508 should be directed to the Dean of Student Accessibility and Wellness Services.

Individuals with a disability may receive support services and instruction from Student Accessibility Services at Cerritos. Students with mobility, visual, hearing, speech, psychological and other health impairments as well as learning and developmental disabilities are served. The student with a disability seeking admission to Cerritos College must meet these levels of independence: (1) The ability to negotiate the campus facilities independently or with the assistance of an attendant; (2) The ability to take care of personal needs (feeding, toileting) unassisted or to provide one’s own attendant; and (3) The possession of a stable level of health to benefit from a full semester's work.

All students are provided with an initial interview, counseling, and referral. Non-classroom related assistance for qualified students includes registration assistance, campus orientation, accommodated placement tests, learning disability eligibility assessment, matriculation, and support with disability management issues. For further information or an initial appointment contact SAS at (562) 860-2451, Ext. 2335; (562) 274-7164/VP; or visit our website at www.cerritos.edu/sas.

SAS services available to qualified students include disability management, in-class aides, note-taking assistance, tutoring referral, test-taking assistance, textbooks in alternate formats, liaison with instructors and other campus offices, community agency resource information, liaison with the Department of Rehabilitation and other agencies, and use of specialized equipment.

**High Tech Center**

The High Tech Center (HTC) provides instruction and technology support to students with disabilities. This includes training on the use of assistive technology software. The HTC also houses the Alternate Media Production Center, which produces textbooks and other course materials in alternate formats such as Braille, MP3, and e-text.

**CAMPUS FOOD SERVICES**

There are a variety of food service locations on campus:
Student Center Food Court
- Healthy Blender – crepes, acai bowls, specialty and boba drinks. Snap/EBT Accepted.
- The Grill at La Mesa – breakfast all day, sandwiches, hamburgers, panini’s, and more. Snap/EBT Accepted.
- Subway - customizable sandwiches, salad, and soups.
- Perfect Timing – Asian-inspired food. Snap/EBT Accepted.
- Student Center Culinary Arts Café - sandwiches, salads, and entrée's.

Social Science Building Breezeway
- Zebra Coffee - prepared coffee and tea beverages, such as blended drinks, espresso-based drinks, and much more. Pastries and breakfast sandwiches available.
- Frantones – pizza, pasta, and grab-n-go options.

Multipurpose Building
- Elbow Room - Convenience store with grab-and-go beverages, candy, snacks, and meals. Snap/EBT Accepted.
- Cassidy's Corner Café - bagels, sandwiches, and specialty coffee drinks.

For current hours and online ordering availability, please visit: https://www.cerritos.edu/activities/vendingservices.htm.

VETERANS’ SERVICES
The Veterans’ Education Office offers information regarding applications and certification for benefits for those eligible for Montgomery G.I. Bill, Selected Reserve, VEAP, Vocational Rehabilitation, or Survivors and Dependents of deceased or disabled veterans. The primary function of this office is to certify to the Veteran’s Administration that eligible veterans are enrolled at the college and pursuing an approved educational goal.

Veterans’ Resource Center
The Veterans’ Resource Center (VRC) is a one-stop center that houses certifying officials, veteran’s counselors, tutors, and other valuable resources. There are computers available for veteran students’ use and assistive technology for improved learning. Visit our website at www.cerritos.edu/va for more information.

UNDOCUFALCON SCHOLARS PROGRAM
The UndocuFalcon Scholars Program (USP) provides a safe space and support to Undocumented/Dreamer/AB540 and mixed-status students at Cerritos College. Its goal is to empower undocumented students and address their needs through resources and services that enhance and support their academic, career and personal journey.

The program offers guidance, resources, financial aid and scholarship application assistance, immigration legal services, mental health services, informational sessions related to immigration policies, and workshops that center the undocumented experience.

For more information email undocu@cerritos.edu.

D.R.E.A.M. Club
We are Undocumented Leaders Empowering All Dreams through Education, Resources, and Support (UndocuLEADERS) at Cerritos College. As a club we are here, “to empower students through education, bring awareness, and guide the campus in order to achieve equity in higher education.”

For further information regarding the UndocuLEADERS Club please email us at UndocuLEADERS.Cerritos@gmail.com.

STUDENT LIFE & LEADERSHIP
Associated Students
The Associated Students of Cerritos College (ASCC) provides the governing body that finances, organizes, and directs many programs for the student population. It co-
sponsors with the district such activities as athletics, fine arts programs, forensics, and the student newspaper.

The ASCC student government includes legislative, executive, and judicial branches. Participation in these programs and other campus activities has been a significant part of many students’ college experience.

**Student Activity Sticker & Identification Card**

ASCC utilizes the revenue collected from the Student Activity fee to support academic, co-curricular, and student life programs, services, and events.

A student activity sticker and identification card can be obtained from the Student I.D. Center which is located in the Admissions and Records Office in the Administration Building.

It is important that students be in possession of their Cerritos College identification card at all times while on the campus. This card is necessary for “buy-backs” in the College Bookstore and it is important to present when using the College Library and Student Health Center.

**Student Organizations**

Students are encouraged to participate in campus organizations. Cerritos College offers a variety of campus clubs and organizations for every phase of campus life. They provide opportunities for students in social, service, curricular, and special interest programs.

The club program consists of approximately 60 clubs on campus. Every year new clubs are chartered as they are requested by students. Every club on campus is a part of the Inter-Club Council which meets regularly to discuss activities, projects and problems pertaining to its members.

Information concerning clubs may be obtained in the Office of Student Affairs, located in the Auto Partners Building.

The Associated Students also co-sponsors with the District such activities as Athletics, Choir, Band, Forensics, Drama, and Talon Marks.

**ATHLETICS**

Cerritos Athletics is a member of the California Community College Athletic Association (CCCAA) and offers 19 intercollegiate sports, 10 for men and nine for women. 17 of the teams compete in the powerful South Coast Conference, while football (Southern California Football Association) and wrestling (Southern California Wrestling Alliance) are members of other conferences. Visit our website at [www.cerritosfalcons.com](http://www.cerritosfalcons.com) for more information and a listing of sports.

**TRANSFER CENTER**

The Transfer Center is designed to guide Cerritos College students to four-year colleges and universities. The Transfer Center provides information on transfer programs and requirements, provides information on financial assistance for transfer, and personal contact with representatives from colleges and universities. For further information, visit [www.cerritos.edu/transfer](http://www.cerritos.edu/transfer).

**CALWORKS**

The Cerritos College CalWORKs Program assists students who are parents with children under the age of 18 receiving cash aid through the state of California CalWORKs Program, are in good standing with the college, and have developed or are in the process of developing a welfare-to-work plan with the local county welfare office. The program provides eligible students with the following support services: academic, career and/or transfer, and personal counseling services; Priority Enrollment; one-on-one new student orientations; Basic Needs assistance; math tutoring; computer lab; study rooms; workshops and scholarship opportunities; referrals to campus- and community-based organizations; and up-to-date information regarding welfare regulations, rules, and requirements. The staff advocates for students with the Department of Public Social Services (DPSS) in order to ensure that
county, state, and federal regulations are administered fairly and correctly. For eligible students, the CalWORKs Office also provides a work-study program, which includes career guidance, assistance with resume writing, mock interviewing skill building, Pre-Employment Preparation (PEP) workshops, and subsidized paid work-study placements on campus.

The CalWORKs office is located in the Santa Barbara Building. To make an appointment with a CalWORKs Counselor, please call (562) 860-2451, Ext. 2593. For additional information, please visit our website at www.cerritos.edu/calworks.

RE-ENTRY RESOURCE PROGRAM
The Re-entry Resource Program assists adults returning to Cerritos College make a smooth transition, overcome barriers unique to returning adults, and successfully attain their college goals and objectives.

Services include personal assistance, orientations, workshops based on re-entry student issues, support groups, and information regarding child care, financial aid, career counseling, job placement and community resources. Re-entry students of varied ages find these services relevant to their needs and interests.

The Re-entry Resource Program is open Monday and Thursday, 8 a.m. - 5:00 p.m.; Tuesday and Wednesday, 8 a.m. - 6 p.m.; and Friday, 8 a.m. - 4:30 p.m. Summer hours may vary. Call (562) 860-2451, Ext. 2362, for more information.

STUDENT EMPLOYMENT RESOURCES
Cerritos College students and alumni who are seeking employment may review job listings received by Career Services. Job listings are accessible anytime, anywhere through JobSpeaker, the college's job search platform. Assistance in seeking internships is also provided. Guidance with résumé writing, and interviewing skills is available by appointment. Student Employment coordinates the bi-annual job fairs, Employer Business Panel, and on-campus employer information tables.

Student Employment is open Monday, Tuesday, Thursday 8 a.m. - 5:00 p.m. and Friday, 8 a.m. - 4:30 p.m.; and Wednesday, 8 a.m. - 6 p.m. Summer hours may vary. For more information call (562) 860-2451, Ext. 2395; email studentemployment@cerritos.edu; or visit www.cerritos.edu/student-employment.

ACCIDENT INSURANCE
Accident insurance is provided by Cerritos College to all enrolled students in the event of an accident or injury during college sponsored and supervised activities. It may assist in covering medical bills incurred by students and athletes. There are benefit limitations and some exclusions in the policy, so it is important to work with the Student Health Services staff to insure optimum coverage. Students enrolled at Cerritos College, whose children are injured while using the officially designated childcare facility on campus, are covered by accident insurance. If you have any questions, please contact Student Health Services at (562) 860-2451, Ext. 2321.

COLLEGE BOOKSTORE
The Cerritos College Bookstore is maintained by the Follett Higher Education Group in association with the ASCC. The store carries required materials, new and used textbooks, reference materials, school supplies, snacks, imprinted gifts and clothing. Visit our website at www.bkstr.com/cerritosstore/home for current hours and information.

Textbook Rental
The bookstore is offering select textbooks for rent. The renter must be 18 years of age with a government issued ID, a valid credit card, and a valid student ID to be eligible to rent. Rented textbooks may be kept for the entire semester in which they are rented and are due back to the bookstore on the last day of finals. Any rented books not returned to the bookstore by the due date will be charged their full price to the renter's credit card plus a processing fee. For more information regarding the textbook rental program, please refer to the rental website at www.follettrental.com.
**Used Book Buyback at The Bookstore**
The bookstore arranges several formal buybacks during the school year, but will buy back a book anytime throughout the year. The Bookstore shall purchase used textbooks adopted for the next academic term in quantities sufficient to meet course requirements at up to 50% of the purchase price. The Bookstore shall purchase used books not adopted for the next academic term or in excess of course requirements at published national market value.

**Bookstore Refund Policy**
1. Non-textbook items may be refunded or exchanged within 48 hours with the original receipt, providing the merchandise is in resalable condition.
2. Textbooks may be refunded with receipt within seven (7) calendar days from the start of classes or within two (2) days of purchase thereafter.
3. Textbooks purchased during the last week of classes or during exams may be sold back under the book buyback policy.
4. In addition, upon proof of drop/add, the Bookstore will accept course material returns (textbooks) from students who have dropped a course until the end of the official campus drop/add period.

**FOSTER & KINSHIP CARE EDUCATION PROGRAMS**
Foster and Kinship Care Education programs provide foster parents and relative caregivers with educational workshops to enhance and develop parenting skills related to caring for the children in their care. Emancipated foster youth also have the opportunity to take classes to learn independent living skills.

There are two programs under the Foster and Kinship Care Education umbrella:

1. The Resource Family Approval (RFA) Training is a 12-hour training conducted for prospective foster parents, as is required by the Department of Child and Family Services (DCFS); and

2. Foster & Kinship Care Renewal Courses, which give care providers the opportunity to take topical courses, which are required in order to maintain a foster parent license.

All of the classes are free to participants. Classes are mainly held on the Cerritos College Campus. To obtain more information or to register for classes, please contact (562) 860-2451, Ext. 2548.

**LIBRARY & LEARNING RESOURCE CENTER**
The Cerritos College Library and Learning Resource Center (LRC), located near the center of the campus, provides a wide range of materials and services. In addition to several classrooms and faculty offices, the facility houses the Library, an open computer lab, the Center for Teaching Excellence, Media Services (technology and multi-media support for faculty and staff), the Teleconference Center, the Math Learning Center (for semi-independent math courses), and the Success Center. Students have easy access throughout the building via ramps and elevators. All areas of the Library and Learning Resource Center are staffed with qualified personnel who are eager to help you.

**The Library**
Students, faculty, staff, and district residents are invited to use the College Library, where they can enjoy access both online and in-person to over 100,000 books, articles, and videos. Students, faculty, and staff may use their campus ID as their library card, and district residents may purchase a library card at the Circulation Desk in the library. Access to a wide variety of literature and reference databases is available by using the in-house computers or (for students, faculty, and staff) remotely from your home computer. All library resources are listed in the online catalog. The Library is open Monday through Saturday for on-ground and online operations during the fall and spring semesters. Summer semesters offer reduced hours. For hours of operation and special schedules, please call the Library at
Library materials are integral to Cerritos College instructional programs, and all are selected cooperatively by classroom and library faculty. The Reserve Book Area, at the Circulation Desk, permits students to check out high-demand materials for limited periods of time. A wide range of research guides and materials related to the Cerritos College curriculum are available in print at the Reference Desk and online via the Web. Computers are available for student use near the Reference Desk for research and in an open lab setting where printers and group study rooms are also available.

**Success Center**

The Success Center provides online and in-person academic assistance in math, writing, and ESL 24/7. Appointments are also available for virtually any subject. Qualified tutors and instructors provide tutoring and workshops. Academic mentors are available for ongoing individualized support throughout the semester. Faculty and staff in the Success Center involve instructors to develop supplemental instruction in a variety of forms to enhance course offerings. To drop-in for online tutoring, make an appointment, or learn about the Success Center hours and additional information, please visit the Center’s website at [http://www.cerritos.edu/sc](http://www.cerritos.edu/sc).
Learning and Career Pathways (LCPs) are broad clusters of related majors that are grouped together based on similarities across educational and career interests. They were designed to help students narrow down their interests early in their academic careers and decide on a major. All of the degree and certificate programs offered at Cerritos College have been grouped into one of these LCPs to help students stay on track with their educational journey.

Whether you are planning to transfer, earn an associate degree or certificate, or develop new skills for the workforce, Cerritos College has a pathway to help you cross the finish line. Take advantage of these LCPs and explore the degree and certificate programs offered by Cerritos College.

**Applied Technology & Skilled Trades**
Are you action-oriented and prefer practical, hands-on experiences? Do you like working with tools, equipment, or machinery? How about designing, building, and repairing things your community needs? Programs in this LCP prepare students for getting jobs directly in their field of study whether welding, automotive repair, machine tool technology, cosmetology, engineering technology, woodworking, and much more!

**Arts, Humanities, & Communication**
Are you creative? Do you enjoy visual or performing arts? How about reading, analyzing literature, thinking critically, or communicating through speech or writing? Students pursuing programs in this LCP develop highly valued transferable skills preparing them for careers related to visual, applied, and performing arts; TV and film; working in the media; journalism; and public sector, non-profit, and advocacy work.

**Business, Accounting, & Law**
Are you interested in business organizations and developing practical skills that move you toward a well-paid career? Programs in this LCP provide an opportunity to learn how to manage human and financial resources to generate profits and build value for businesses and individuals through studying business administration, accounting, finance, marketing, management, business communications, office technology, paralegal studies, and law.

**Education & Human Services**
Do you enjoy teaching, learning, and collaborating? Do you want to inspire others and help them learn and grow? Programs in this LCP are designed for students who want to advocate for the welfare of children, leverage technology to increase the effectiveness of teaching and learning, or are considering careers as teachers, administrators, or assistants in a variety of educational settings.
Health Sciences & Wellness
Do you find yourself coaching others toward active lifestyles and eating healthy? Are you drawn to helping people to achieve healthy outcomes or physical and psychosocial well-being? Programs in this LCP are ideal for students interested in fitness and wellness or careers in healthcare practice and support such as nurses, dental hygienists, medical or dental assistants, nutritionists, physical therapist assistants, and so much more!

Science, Engineering & Math
Does solving technical or abstract problems appeal to you? Do you like thinking of new ways to do things and performing intellectually challenging tasks? Students pursuing programs in this LCP engage in discovery and the development of new ideas while preparing for careers in the natural sciences, engineering, computer science, working in labs, data science, and the medical field.

Social & Behavioral Sciences
Are you fascinated by people, society, and institutions or curious about human cognition, behavior, and relationships? How about the ways in which the world is interconnected? Programs in this LCP reflect an interest in how societies and people change over time and prepare students for a wide range of careers in which understanding human behavior and/or diverse cultures and societies is an asset.

LCP Student Success Teams
Each Learning and Career Pathway has a Success Team comprised of deans, faculty, and staff who are dedicated to providing you with the resources and guidance you need to succeed. You are not alone in your journey—the Success Teams are here to help you stay on track and reach your goals!
**BUSINESS, COMMUNITY, & ADULT PROGRAMS**

**ECONOMIC DEVELOPMENT/ THE CENTER FOR CORPORATE TRAINING**

The Economic Development Department provides employee training for companies in various industry sectors, with a focus on Manufacturing Skills and Business and Management Skills. We provide highly customized, cost-effective training to meet company's objectives. Training can be conducted, online, on-site at the company facility, or on the college campus. Bilingual training is available for many of the courses.

Most requested training topics include:
- Business and Management
- Supervisory and Leadership Skills
- Team Building
- Communication Skills
- Business Writing
- Customer Service
- Microsoft Office
- Manufacturing Skills
- LEAN
- Quality
- Problem Solving
- Blueprint Reading/GD&T
- Shop Math / Shop Inspection
- Industry Safety

State funding may be available to offset training costs. For more information, please visit us online at www.CerritosTrainsU.com or call us at (562) 860-2451, Ext. 2510. We help businesses compete and succeed!

**COMMUNITY EDUCATION**

The Community Education department promotes lifelong learning for the general population. This department provides fee-based, not-for-credit classes, workshops and programs that can be taken by members of our community of any age (from 18 to 90+ years).

We have a wide variety of course offerings for adults in the topic areas of professional development, entrepreneurship and career, personal enhancement, healthy living, enrichment and interests and motorcyclist training programs. For those under the age of 18, we offer classes in academics, art, music, athletics, and movement. For this age group, we also have a well-established and reputable Summer College for Youth program where students can choose from over 200 classes, and runs for 6-8 weeks in the summer.

Community Education offers classes/programs throughout the year – the schedule of classes for our department is published three times a year and mailed out to over 100,000 homes in our community. You can always come by our office to pick up a copy of our latest printed schedule or visit us on the web at www.CerritosCommunityEd.com to see all that we have to offer.

We are located in the Community Education building in the southwest corner of campus, north of New Falcon Way. Our office hours are Monday through Friday 8 a.m. – 5:00 p.m. and Saturday 8:00 a.m. – 1 p.m. For more information call (562) 467-5050.

**ADULT EDUCATION/DIVERSITY PROGRAMS**

Adult Education and Diversity Programs provide educational opportunities that address the unique needs of adults in the region. Adult Education courses are noncredit, include open entry, open exit, and have No Registration Fees. Bilingual English and Spanish support is provided. Adult Education courses include categories such as:
- Apprenticeship
- OSHA 10 Training/Energy Survey/Electricity & Wiring Fundamentals
- Career Skills
- College English Skills
- College English Support
- College Math Support
- Courses for Immigrants – Citizenship
- GED A & B, English & Spanish
• Elementary and Secondary Basic Skills – GED
• English as a Second Language (Basic to Advanced, 4 levels)
• Literacy, Primary, and Secondary Education – Plaza Comunitaria
• Occupational Preparation
• Older Wiser Learner (OWL)
• Preparatory Math
• Survival ESL (Conversation A & B)
• Vocational English as a Second Language

OWL courses are designed to meet the special needs of older adults. OWL courses are noncredit, open entry, open exit, and have No Registration Fees. Courses include:
• Computers
• Memoir Writing
• Senior Topics
• Stress Management for Older Adults (Chair Exercise)
• Stress Management for Older Adults (Balance & Mobility)
• Stress Management for Older Adults (Tai Chi, Yoga)
• Stress Management for Older Adults (Self Defense)

Cerritos College Adult Education programs also provide access and opportunities for Adult Education students to enter credit, orientation, and workforce college programs.

Services include one-stop registration, assessment, and counseling. For more information call (562) 467-5098.
MISSION OF DISTANCE EDUCATION AT CERRITOS COLLEGE

The Distance Education program supports dynamic, equity-minded distance learning opportunities at Cerritos College. Our goal is to support students, faculty, and administration in the effective use of pedagogical technology in all modalities to lower barriers and increase retention and success. The program supports the overall mission and vision of Cerritos College by drawing on criteria included in Title 5, Section 508, the CVC-OEI and Peralta equity rubrics, and Universal Design for Learning. The DE program is committed to providing training, time, patience, collaboration, and continuous support to all campus constituencies.

DISTANCE EDUCATION MODALITIES

Cerritos Online offers a variety of distance education modalities. Check the class schedule notes to detailed information on the modality of a specific section of a course, the technology requirements, and any required meetings.

- **Online**: Fully online asynchronous with no required meetings
- **Remote**: Online synchronous classes with set meeting times where classes meet via zoom.
- **Hybrid**: A combination of online asynchronous and in-person on campus meetings
- **Online with activities**: Online asynchronous class with set activities required on campus or via zoom
- **Hyflex**: In-person and remote option for enrolled students to attend on campus or via zoom

SUPPORT FOR DISTANCE EDUCATION STUDENTS

Cerritos Online is committed to provide students with excellent online support services to help guide students in every step of the way from the start of your college experience all the way to the completion of your goals. Cerritos Online is open to all students in the state of California. For more information, go to Cerritos.edu and search for Cerritos Online.

**COURSES OFFERED ONLINE***

*The list below is all Cerritos College courses approved to be offered in a distance education modality. Not all courses are offered each semester. Refer to the schedule of classes for specific information about class offerings in a specific semester.

<table>
<thead>
<tr>
<th>COURSE</th>
<th>DESCRIPTION</th>
</tr>
</thead>
<tbody>
<tr>
<td>AUTOBODY</td>
<td></td>
</tr>
<tr>
<td>AB 51</td>
<td>Non-Structural Repair</td>
</tr>
<tr>
<td>AB 52</td>
<td>Structural Damage Repair</td>
</tr>
<tr>
<td>AB 53</td>
<td>Steering, Suspension and Powertrain Damage Repair</td>
</tr>
<tr>
<td>AB 54</td>
<td>Advanced-Design Panel Repair</td>
</tr>
<tr>
<td>AB 55</td>
<td>Structural Panel Replacement</td>
</tr>
<tr>
<td>AB 61</td>
<td>Preparation and Spot Refinishing</td>
</tr>
<tr>
<td>AB 62</td>
<td>Overall and Multi-Coat Refinishing</td>
</tr>
<tr>
<td>AB 63</td>
<td>Production Refinishing</td>
</tr>
<tr>
<td>AB 64</td>
<td>Automotive Air Brush Painting</td>
</tr>
<tr>
<td>AB 65</td>
<td>Mix and Adjusting Color</td>
</tr>
<tr>
<td>AB 66</td>
<td>Lettering, Striping and Design</td>
</tr>
<tr>
<td>AB 80</td>
<td>Autobody Customer Service</td>
</tr>
<tr>
<td>AB 83A</td>
<td>Computerized Damage Estimating - Audatex</td>
</tr>
<tr>
<td>AB 83P</td>
<td>Computerized Damage Estimating - Pathways</td>
</tr>
<tr>
<td>AB 83U</td>
<td>Computerized Damage Estimating - Ultramate</td>
</tr>
<tr>
<td>AB 86</td>
<td>Production Management</td>
</tr>
<tr>
<td>AB 181</td>
<td>Non-Structural Damage Estimating</td>
</tr>
<tr>
<td>AB 282</td>
<td>Steering, Suspension and Powertrain Analysis for Estimators</td>
</tr>
<tr>
<td>AB 283</td>
<td>Advanced-Frame Analysis for Estimators</td>
</tr>
<tr>
<td>AB 287</td>
<td>Advanced Collision Repair Management</td>
</tr>
<tr>
<td>ACCOUNTING</td>
<td></td>
</tr>

**WOMEN’S STUDIES**

WS 108 Women in Sports
WS 208 Leadership for Women in Business
CALIFORNIA VIRTUAL CAMPUS

Cerritos College is part of the California Virtual Campus (CVC). As a Home College in the CVC, Cerritos College students are able to access online classes available at other California Community Colleges without having to apply to that college or worry about requesting transcripts. Students interested in this opportunity can review the CVC course schedule at www.cvc.edu

In fall 2023, Cerritos College will also become a Teaching College in the CVC. When this integration is completed, students from across the state will be able to enroll in Cerritos College classes through CVC while enrolled in their home college.
The Office of Educational Partnerships and Programs (EPP) is dedicated to planning and coordinating the District's K-16 activities to support collaborative partnerships and create a positive and constructive connection with college, school districts, and higher education relations in order to best serve our students.

**PROGRAMS & SERVICES INCLUDE:**

- K12 Articulation, Pathways, and Dual Enrollment
- Cerritos Complete Promise Program
- Learning Communities/First Year Experience (FYE) Program
- Teacher TRAC Program

For more information, visit us on the web at [www.cerritos.edu/epp](http://www.cerritos.edu/epp) or call (562) 860-2451, Ext. 2212.

**K–12 ARTICULATION AGREEMENTS**

An articulation agreement is a formal document verifying that Cerritos College faculty accept a course from a high school, ROP, or Adult School as aligned to a course at the college. It includes what criteria students must meet to be eligible for college credit for that course. Students may earn college credit at Cerritos College for an articulated K12 course through the Credit by Exam process. Cerritos College has waived residency requirements for the students to receive college credit.

**BENEFITS**

- Students earn college credit while in high school, ROP or adult school program.
- Students do not need to repeat coursework at the college.
- Students get basic skills and knowledge prior to college.

Ultimately, students decrease the cost of college tuition and textbook fees, and can complete their college program sooner.

For more information, please visit our website at [www.cerritos.edu/epp/articulation_agreements.htm](http://www.cerritos.edu/epp/articulation_agreements.htm).

---

**DUAL ENROLLMENT**

Dual Enrollment is the term used to describe enrolling in a college course and earning college credits while still enrolled in another K-12 institution.

There are many benefits to participating in Dual Enrollment:

- Research shows that students who participate in Dual Enrollment programs are more likely to graduate and continue into completion studies.
- Dual Enrollment provides an introduction to higher education for future students.
- Offers a low-cost or no-cost way to earn college credit.
- Courses may be offered in-person on the high school campus.
- Courses may be taken in person on the Cerritos College campus.
- Students may participate in asynchronous online course offerings.
- After completing a Dual Enrollment course, students gain confidence in knowing that they are capable of successfully completing a college course.
- Access to community college facilities including the library, student resource center, counseling.

The ability to take classes of interest that may not be offered at the high school level.

In addition to individual dual enrollment courses, some local high schools offer an Early College Program where students may earn up to 46 UC/CSU transferable units. Students participating at designated partner school sites who complete the entire program will earn a high school diploma while also completing the entire inter-segmental General Education Transfer Curriculum (IGETC).

Students interested in participating in dual enrollment should visit the dual enrollment website: [www.cerritos.edu/epp/Dual_Enrollment.htm](http://www.cerritos.edu/epp/Dual_Enrollment.htm).
ACADEMIC POLICIES & PROCEDURES

FINAL EXAMINATIONS
Instructors at Cerritos College have established their course requirements within the framework of the College's philosophy and requirements. Final examinations are required in all courses. A schedule for final examinations is available online at www.cerritos.edu/finalexam. Students are expected to take examinations when scheduled; but in the event of an emergency or severe illness, the instructor should be notified.

GRADING
Accomplishment in course work is indicated by the following symbols:

</tbody>
</table>

GRADE CHANGES
The determination of the student's grade by the instructor shall be final in the absence of mistake, fraud, bad faith, or incompetence. The correction of a grade given shall only be allowed for a request initiated within one year following the end of the term in which it was assigned.

INCOMPLETE
Students are not to re-enroll for a course in which a grade of "I" has been recorded. Incomplete academic work for unforeseeable, emergency, and justifiable reasons at the end of the term may result in an "I" symbol being entered in the student’s record. The condition for removal of the "I" shall be stated by instructor in a written record. This record shall contain the conditions for removal of the "I" and the grade assigned in lieu of its removal. This record must be given to the student with a copy on file with the Admissions and Records Office until the "I" is made up or the time limit has passed. A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed. The "I" must be made up no later than one year following the end of the term in which it was assigned. The "I" symbol shall not be used in calculating units attempted nor for grade points. (Administrative Policy 4230)

TRANSCRIPTS OF RECORD
A transcript of all college work completed may be obtained online at www.cerritos.edu/Admissions-and-Records/Transcripts/. The first 2 transcripts (whether official or unofficial) are free. For subsequent copies, a fee of $5.50 is charged for each regular transcript; a $10 fee is charged for each rush transcript requested at least 2 hours before closing.
VERIFICATION OF STUDENT STATUS

FEES
The following are the fees for verification of enrollment:

- $2 per verification of status.
- $10 additional rush fee per verification to be completed within the same business day.

Exemptions for these fees are for verification of enrollment and grade point average for the California Student Aid Commission for financial aid purposes.

GOOD STANDING
Students are considered to be in good academic standing if s/he maintains a cumulative grade point average of 2.0 or higher for all course work completed, and if the percentage of all units attempted for which entries of “W”, “I”, and “NP” are recorded does not reach or exceed 50 percent.

PROBATION
A. Academic Probation
Students who have attempted at least twelve (12) semester units as shown by the official academic record shall be placed on academic probation if the students have earned a grade point average below 2.0 in all units undertaken at Cerritos College.

B. Progress Probation
Students who have enrolled in a total of at least twelve (12) semester units as shown by the official academic record shall be placed on progress probation when the percentage of all units at Cerritos College which the students have attempted and for which entries of “W”, “I”, and “NP” are recorded reaches or exceeds 50 percent.

Probation is entered on the student’s permanent records and transcripts of record. Students placed on academic or progress probation will be notified through the MyCerritos Portal, please check the Message Center.

PROBATION CLEARANCE
A. Academic Probation Clearance
Students may clear academic probation by earning sufficient grade points to raise the cumulative grade point average to 2.0 or higher in the next semester of attendance. Probation status is not cleared by one semester of 2.0 GPA if it does not raise the cumulative GPA to 2.0 or higher.

B. Progress Probation Clearance
Students may clear progress probation by decreasing the percentage of “W”, “I”, or “NP” entries to less than 50 percent of all units in which the students have attempted.

STANDARDS FOR DISMISSAL
A. Academic Dismissal
Students are subject to academic dismissal when their GPA is less than 2.0 in 12 units or more for two consecutive semesters on academic probation. Students subject to academic dismissal shall be placed on continued probation when their latest semester’s GPA is 2.0 or higher.

B. Progress Dismissal
Students who have been placed on progress probation shall be subject to dismissal if the percentage of units in which the students have been enrolled and for which entries of “W”, “I”, or “NP” are recorded in at least two (2) consecutive semesters reaches or exceeds 50 percent. Students subject to progress dismissal shall be placed on continued probation when no “W”, “I”, or “NP” entries are recorded for their latest semester.

Students are notified they have been placed on probation shortly after the beginning of the subsequent semester. Dismissed students may attend summer session to improve academic deficiencies.

REINSTATEMENT AFTER DISMISSAL
A. Academic Reinstatement
Students may re-enter the semester following academic dismissal through
successful petition to the Academic Records and Standards Committee. However, such students will remain on probation until the accumulated GPA is 2.0 or higher.

B. Progress Reinstatement
Students may re-enter the semester following progress dismissal through successful petition to the Academic Records and Standards Committee. However, such students will remain on probation until the accumulated GPA is 2.0 or higher.

Petitions must be filed prior to the deadline indicated on the readmission petition.

REMOVAL FROM CLASS
A student may be involuntarily removed from a course due to excessive absences, failure to meet prerequisite(s), or as a result of official disciplinary action (California Code of Regulations, Title 5, Section 55003).

ATTENDANCE
It is the responsibility of students to attend classes regularly and apply themselves to the college studies in which they are enrolled. When students have been absent due to illness, they should report to their instructor to explain the absence. Students not in attendance or late for the first class meeting are subject to drop. Students who are absent during the course add period are subject to drop. Certain academic and career technical education areas may have stricter attendance requirements.

Listed below are two types of absences which permit the making up of work missed, provided that the work is of such a nature that it can be made up.

1. AUTHORIZED ABSENCE: For an approved educational field trip or school activity.
2. EXCUSED ABSENCE: For illness, injury, or quarantine.

NO CREDIT WILL BE GIVEN FOR A CLASS IN WHICH A STUDENT IS NOT OFFICIALLY ENROLLED.

Students must attend the first class meeting or their names may be removed from the roll to allow another student seeking admission to enter. If a student is unable to attend the first class meeting, the instructor must be notified.

WITHDRAWAL
Pursuant to Title 5, section 58004 and Cerritos College Board Policy, it is the student’s responsibility to participate fully in class(es), once enrollment is complete. However, should it become necessary to withdraw from class, it is the student’s responsibility to withdraw. The ultimate responsibility of withdrawal falls to the student.

To officially withdraw from a course use MyCerritos or visit the Admissions & Records Office for assistance. Retain an updated printout for your records. All withdrawals must be completed by the listed deadlines. Failure to officially withdraw from class(es) may result in an “F/FW” grade for each class.

See the “Add/Drop Dates” on the Admissions & Records website for specific deadlines.

ACADEMIC RENEWAL REGULATIONS
An Academic Renewal procedure permits alleviation of previously recorded sub-standard (“D”, “F”, and “NP”) academic performance which is not reflective of a student’s present demonstrated ability and level of performance. The permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.

1. A student may request that up to 30 units substandard course work attempted be annotated and disregarded in the computation of the student’s grade point average or requirements for a degree. Only those requested courses with substandard grades will be disregarded.

2. At least twenty-four (24) units of college work from an accredited institution with a grade point average of 2.0 must be
completed after the 30 units of course work to be alleviated.

3. A student may be granted academic renewal only once.

4. No alleviated course work shall apply toward degree requirements.

5. In the petition, the student must specify the course(s) to be considered under the academic renewal policy as well as the term in which the course work was attempted.

6. Some senior-level institutions and, possibly, certain out-of-state community colleges do not honor academic renewal. It is the student’s responsibility to ensure that his/her transfer institution will approve of academic renewal from Cerritos College.

A student may petition for academic renewal at the Admissions & Records Office.

HONORS & AWARDS

HONOR GRADUATES
The honor graduates are identified by the gold cord worn with their regalia. Graduates who achieved a 3.3 to 3.69 grade point average will graduate “With Honors.” Those receiving a 3.70 to 4.0 will graduate “With Highest Honors.” Only units earned at Cerritos College may be used in computing the grade point average for honor graduates. To be considered for honor status a minimum of 24 units must be earned at Cerritos College. If you are a spring or summer graduate, your honors for Commencement are based on your GPA up to and including the previous fall semester.

DEAN’S LIST
Full-time students who achieve a 3.5 grade point average or higher for 12 units or more of college-level courses in a single semester qualify for the Dean’s List.

PRESIDENT’S LIST
Full-time students with 12 units earned or more of college-level courses in a single semester and who achieve a 4.0 grade point average within those units earned will qualify for the President’s List.

ACADEMIC EXCELLENCE AWARDS
The Cerritos College Foundation annually sponsors an awards program for those students selected for outstanding academic achievement from the various subject matter areas on campus. Academic honors are awarded to students who do outstanding work in their major field of study. Students must show promise, possess a current Associated Student Body card, have above average grades, and be recommended by the instructors in their major field.

ASSOCIATED STUDENTS AWARDS
The Associated Students offer a number of honors and awards to students for outstanding leadership, service, and academic achievements.

SERVICE & LEADERSHIP AWARDS
- The Gold and Silver Falcons are the highest and most prestigious awards that are given to students for service, leadership and scholarship each semester.
- Bronze Falcons are awarded to students who excel in leadership and participation in programs sponsored by the Associated Students of Cerritos College.
- Service Certificates are awarded in recognition of service and participation in programs sponsored by the Associated Students of Cerritos College.

CLUB/ORGANIZATION AWARDS
Clubs and organizations are recognized and honored for their service and participation in various programs.
STUDENT RIGHTS & RESPONSIBILITIES

PREAMBLE
The community college exists for the transmission of knowledge, the pursuit of truth, the development of students, and the general well being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth and knowledge.

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Students should exercise their freedom with responsibility so as not to endanger the rights, goals, and beliefs of other students.

Cerritos College is open to all qualified students regardless of national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics, or any other status protected by law in person or in an online environment and, when the victim or victims are associated with the District, whether or not the location is associated with the District.

CLASSROOM RIGHTS & RESPONSIBILITIES
The professor in the classroom and in conference should permit free discussion, inquiry, and expression of thought by the student. Student performance should be evaluated solely on an academic basis, not on opinions or willingness to accept professors' personal beliefs, or conduct unrelated to academic standards. Student should be free to take reasoned exception to the data or views offered in any course of study for which they are enrolled and for maintaining standards of academic performance established for each course in which they are enrolled. The student has the right to have the course taught in a systematic, meaningful manner and to know at the beginning of the course those academic standards required of the student in the course. Administrative staff and faculty members should respect confidential information about students, such as student views, beliefs and political associations, that is acquired in the course of their work. Transcripts of academic records should contain only information about academic status.

ON CAMPUS RIGHTS & RESPONSIBILITIES
Students should be free to examine and discuss all questions of interest to them, and express opinions publicly and privately. They should be free to organize and join associations to promote their common interests. The membership, policies and actions of a student organization will be determined by vote of only those persons who hold bona fide membership in that college organization. Campus advisors shall advise organizations in the exercise of their rights and responsibilities.

Student organizations shall be required to submit a statement of purpose, criteria for membership, rules of procedures, a current list of officers, and the advisor shall certify the list of verified members. Campus organizations should be open to all students.

Students and student organizations should be free to support causes by orderly means which do not disrupt the regular and essential operation of the college. Student organizations shall have the right to recommend, invite, and
hear any person of their own choosing as long as such speakers and topics are in accordance with federal, state and local laws, and guarantee the safety of students and protection of public property. Guest speakers invited by students or student organizations should be subjected only to those policies, requirements, and regulations as established by the Board of Trustees in order to insure an appropriate and meaningful contribution to the academic community. It should be made clear to the academic community and the larger community that the public expressions of students, student organizations and guest speakers speak only for themselves.

As constituents of the academic community, students should be free, individually and collectively, to express their views on issues of institutional policy, instruction, the evaluation of professors as it pertains to their course content, and on matters of general interest to the student body.

**IN THE LARGER COMMUNITY**

College students are both citizens and members of the academic community. As citizens, students should enjoy the same freedom of speech, peaceful assembly, and right of petition that other citizens enjoy. As citizens they should be subject to civil law as others and may incur penalties prescribed by civil authorities when violating these laws. Only where the college’s interests as an academic community are distinct and clearly involved should the special authority of the college be asserted.

**STUDENT PUBLICATIONS**

Student publications and the student press perform the traditional roles of informing, entertaining, and influencing. They are both instructional and informational, and as such should meet the highest academic and professional standards in serving the broad college community and should set forth as the primary goal of the student newspaper the coverage of news events, happenings, and experiences on the college campus.

Associated Student Body, administrative and academic authorities, in consultation with students and advisors have the responsibility to define and clarify the role of student publications, and the standards to be used in their evaluation.

They must also assure that both academic freedom and editorial freedom are protected and exercised so that the integrity of the student publications program and the free press will not be compromised.

It is incumbent upon student editors and managers to act according to the highest ethics of responsible journalism. This corollary responsibility includes careful adherence to the laws of libel and good taste, and such considerations as the avoidance of indecency, undocumented allegations, attacks on personal integrity, and the techniques of harassment and innuendo, and should allow adequate space for rebuttal and differing views in regard to articles in which there is some controversy.

Safeguards to assure freedom of the student press with responsibility should include freedom from censorship or arbitrary control of the press, and protection of editors and managers from arbitrary attack, suspension, or removal because of disapproval of editorial policy or content by any external influence.

**STUDENT RIGHTS & GRIEVANCES**

NOTE: Complaints under Section 504, Section 508, and/or the Americans with Disabilities Act are to be made to the Section 504/508/ADA Coordinator in the Disabled Student Programs and Services Office or to the Diversity/Compliance/Title IX Officer in the Human Resources Office. Complaints of sexual harassment and other illegal discrimination are to be made to the Diversity/Compliance/Title IX Officer in the Human Resources Office or the Vice President of Human Resources.

If a student files a grievance under this procedure that includes an allegation of unlawful discrimination, including harassment or retaliation, the grievance, or portion of the grievance, will immediately be
referred to (i) the Diversity/Compliance/Title IX Officer or to the Vice President of Human Resources or designee per AP 3435, “Intake and Processing of the Complaint,” or to (ii) the Cerritos College Section 504/ADA Coordinator per Administrative Procedure 3412, for attempted informal resolution or investigation.

STUDENT GRIEVANCE PROCEDURES

A student of the College may address grievances as applied to and regarding academic, administrative, and instructional matters relating to students, and including, but not limited to, any grievance dealing with any academic or management employee of the District.

A grievance shall herein be defined as any act depriving a student of any of the rights set forth in the statement of “Student Rights and Responsibilities,” or any state, federal, or local codes. Grades and grading grievances are not addressed within this administrative procedure. The student should refer to “Student Grade Grievance Procedure.”

The determination of whether the Statement of Grievance presents sufficient grounds for a hearing shall be based on the following:

- The statement contains facts which, if true, would constitute a grievance under these procedures;
- The grievant is a student, which includes applicants and former students;
- The grievant is personally and directly affected by the alleged grievance;
- The grievance was filed in a timely manner;
- The grievance is not clearly frivolous, clearly without foundation, or clearly filed for purposes of harassment.

If the grievance does not meet each of the requirements, the Office of Student Conduct and Grievance or ASCC Chief Justice or designee shall notify the student in writing of the rejection of the request for a grievance hearing, together with the specific reasons for the rejection and the procedures for appeal.

GRIEVANCE PROCEDURE

(Except Grades and Grading, Sexual Harassment, and Other Illegal Discrimination):

STEP I – Informal Action

A. The student with a grievance shall first attempt to resolve the matter by informal discussion with the employee(s) involved.

B. If the problem is not resolved in step I-A, the student shall then attempt to resolve the matter by informal discussion with the person at the lowest level of supervisory authority for the person with whom there is a complaint.

C. If the grievant still believes the issue has not been resolved satisfactorily after Step I-B, a student Statement of Grievance form may be obtained from the Office of Student Conduct and Grievance. After completion of the form, specifying the time, place, nature of the complaint and remedy or correction requested, it should be submitted to the Coordinator of Student Conduct and Grievance who will send a copy of the written statement to the ASCC Supreme Court Chief Justice and the Vice President of Academic Affairs. This statement must be submitted within 30 instructional days after the grievant has become aware of the act or condition on which the complaint is based. An instructional day is defined as any day Monday through Friday that all normal college business is conducted, both in the classroom and administrative offices. All weekend days and college holidays are excluded.

D. The ASCC Chief Justice or Court designee shall attempt to resolve the problem through informal meeting and discussion among the pertinent parties while remaining neutral on all issues involved. This informal meeting and discussion is intended to include the levels of management or administration concerned with the problem and should be completed within ten instructional days, as such days are defined herein. In the event the informal procedure fails, the formal procedure may be implemented.
STEP II – Formal Action

A. PRELIMINARY STEPS

1. If the grievant does not believe the grievance has been resolved, the grievant may request Step II – Formal Action through the ASCC Chief Justice. The Chief Justice upon receiving the request of the grievant shall call a meeting of the Student Grievance Hearing Committee. The Hearing Committee will be composed in the following manner:
   - ASCC Chief Justice or designee and two Court Justices or designees,
   - the Vice President of Academic Affairs or administrative designee,
   - the Faculty Senate President or Senate designee, and
   - one Faculty Senate member, chosen by the Faculty Senate.

If replaced per section II.A.5. herein, the ASCC Chief Justice or designee or Court Justices or designees substitute(s) shall be appointed by the ASCC Court.

2. The Chief Justice or designee shall serve as the Hearing Committee Chair, but shall have no vote in committee decisions. The five voting members of the Hearing Committee may be selected within the first six weeks of the academic year. Names selected by the Faculty Senate are to be submitted to the Chief Justice. Members of the committee are to serve for an academic year.

3. The Vice President of Academic Affairs or administrative designee shall serve as Hearing Committee Executive Secretary. The Executive Secretary, a voting member of the committee, shall be responsible for keeping necessary records of committee hearings and assist the ASCC Chief Justice in the conduct of the hearing.

4. Grievance Committee members are to deal with all grievances in a confidential manner, except when both parties agree to a public hearing or otherwise required by law.

5. No person shall serve as a member of a Hearing Committee if that person has been personally involved in any matter giving rise to the grievance, has made any statement on the matters at issue, or could otherwise not act in a neutral manner. Any party to the grievance may challenge for cause any member of the hearing committee prior to the beginning of the hearing by addressing a challenge to the Hearing Committee Chair, who shall determine whether cause for disqualification has been shown. If the Hearing Committee Chair determines that sufficient grounds for removal of a member of the committee have been presented, the Hearing Committee Chair shall remove the challenged member or members and request a substitute from the original appointing constituent group.

B. FORMAL HEARING

The Hearing Committee shall conduct its proceedings according to the following procedures:

1. The Hearing Committee must meet within 15 instructional days after informal action has been completed and the grievant has requested a formal hearing.

2. The Chair must notify the parties involved within five instructional days before the hearing of the date, time, and location of the hearing and must include a copy of the written complaint, a copy of the Statement of Student Rights and Responsibilities, and copy of the Grievance Procedure.
3. Four members shall constitute a quorum by which Hearing Committee business may proceed. The quorum must include at least one student member, one faculty member, and one administrative member.

4. The members of the Hearing Committee shall be provided with a copy of the grievance and any written response provided by the respondent before the hearing begins.

5. Both parties shall have the right to present personal statements, testimony, evidence, and witnesses. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted. Unless the Hearing Committee determines to proceed otherwise, each party to the grievance shall be permitted to make an opening statement. Thereafter, the grievant or grievants shall make the first presentation, followed by the respondent or respondents. The grievant(s) may present rebuttal evidence after the respondent(s)’ evidence. The burden shall be on the grievant or grievants to prove by substantial evidence that the facts alleged are true.

6. Each party shall have the right to be present, to be accompanied by the person of his or her choice (who may not participate in the hearing), and to question witnesses who are present. In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the committee agree to the contrary.

7. The hearing shall be recorded by the Coordinator of Student Conduct and Grievance, either by audio recording or stenographic recording, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. The audio or stenographic recording shall remain in the custody of the District, at all times, unless released to a professional transcribing service. Any recognized party to the grievance may request a copy of the recording.

8. The Hearing Committee Chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name.

9. The Hearing Committee shall discuss the stated grievance(s), hear testimony, examine witnesses, and receive all available evidence to the charge.

10. The hearing shall be closed to the public unless otherwise agreed upon in writing by both parties.

11. The Hearing Committee shall make decisions in private. The Hearing Committee shall write up findings and decisions. Copies of findings and decisions, including majority and minority reports, are to be sent to each party and the appropriate Vice President. The Hearing Committee’s decision(s) shall be final unless appealed.

12. A recording of the proceedings shall be kept in a confidential file in the Office of Student Conduct and Grievance and shall be available at all times to parties directly involved. All documents, communications, and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants. After a period of four years, the grievance file shall be destroyed.

13. Reprisals of any kind will not be taken by the District or any of its agents against any party of interest or any other participant in
the grievance procedure by reason of such participation.

14. Evidence and testimony given in each case presented shall not be the sole cause of initiating or filing further grievances.

15. If the grievant does not act within the time limits provided herein, the ability to proceed with the grievance shall be terminated and no further action will be taken.

16. The number of instructional days indicated at each step herein should be considered a maximum and every effort must be made to expedite the process. Time limits may be extended by mutual consent in writing or by decision of the Hearing Committee.

17. The Hearing Committee should attempt to reach a decision by discussion and consensus on a workable solution. Voting should be a last course of action.

18. If in the course of the proceedings a student graduates before a solution is found, the student shall not be denied full consideration under this policy. A student may also submit a grievance after graduation if the grievance did not become known until that time. However, it must be submitted within 30 instructional days after the grievant should have reasonably become aware of the act or condition on which the complaint is based.

C. APPEALS PROCESS

1. If a party wishes to formally appeal a recommendation of the Hearing Committee, an appeal must be submitted within ten instructional days to the appropriate Vice President provided the appropriate Vice President is not a direct party to the grievance. If the appropriate Vice President is a direct party to the grievance, and either party is dissatisfied with the recommendation of the Hearing Committee, an appeal may be submitted to a Vice President/Assistant Superintendent not a direct party to the grievance.

2. Upon receiving the findings and recommendations of the Hearing Committee, and after examination of the appeal as requested by either party, the appropriate Vice President or alternate may accept or reject the Hearing Committee’s decision.

3. If the appropriate Vice President or alternate rejects the Hearing Committee’s decision, he or she shall submit his/her decision with the stated reasons for objections to the Hearing Committee within ten instructional days. The Hearing Committee shall within ten instructional days reconsider its decision(s) and submit its decisions to the appropriate Vice President for a final decision.

4. The appropriate Vice President shall transmit his or her final decision to the parties within ten instructional days.

5. An appeal of the appropriate Vice President’s decision may be submitted to the President/Superintendent by either party within five instructional days of the appropriate Vice President’s decision. The President/Superintendent shall transmit his or her final decision to the parties within ten instructional days.

6. An appeal of the President/Superintendent’s decision may be submitted to the Board of Trustees by either party within five instructional days of the President/Superintendent’s decision. The Board of Trustees may review an appeal for two consecutive regular Board meetings before making a final
determination of the matter at the District level.

7. The President/Superintendent or designee, or Board of Trustees may reject a Hearing Committee decision only after reviewing a transcription of the involved hearing.

STUDENT GRADE GRIEVANCE PROCEDURE

A student of the College may present a grade grievance. The California Education Code, Section 76224 (quoted below) states for a final course grade the conditions upon which grades or grading can be questioned.

When grades are given for any courses of instruction taught in a community college district, the grade given to each student shall be determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetence, shall be final. "Mistake" may include, but is not limited to, errors made by an instructor in calculating a student's grade and clerical errors.

Definitions

FRAUD: Fraud consists of some deceitful practice with intent to deprive another of their right.

BAD FAITH: Intentional design to mislead or deceive another, or neglect or refusal to fulfill some duty or contractual obligation.

INCOMPETENCE: That a person is incapable, inefficient, and without the qualities needed to discharge their obligations and duties.

MISTAKE: An unintentional act, omission, or error.

INSTRUCTIONAL DAY: Any day Monday through Friday that all normal college business is conducted, both in the classroom and in the administrative offices. All weekend days and college holidays are excluded.

STEP I – Individual Action

If a student believes they have valid grounds to challenge a final course grade based on the presence of a mistake, fraud, bad faith, or incompetence, they must first meet with the faculty member to attempt to resolve his or her concern informally. Once grades are available, the student is expected to contact their instructor directly to discuss the dispute. If the instructor is not available or is no longer employed, the student should contact the Division Dean.

When challenging a grade, the burden of proof is on the student to provide evidence of mistake, fraud, bad faith, or incompetence.

STEP II – Management Action

NOTE: If a student files a grade grievance that includes an allegation of unlawful discrimination, including harassment or retaliation, the grievance, or portion of the grievance, will immediately be referred to (i) the Diversity/Compliance/Title IX Officer or to the Vice President of Human Resources or designee per AP 3435, "Intake and Processing of the Complaint" or to (ii) the Cerritos College Section 504/ADA Coordinator per AP 3412, for attempted informal resolution or investigation.

1. The student will submit the Grade Grievance Form on the Office of Student Conduct and Grievance website within 30 instructional days after the completion of the course about which the grade grievance is filed. Information from the form will be used to create a Grade Grievance Petition, provided to the student during the meeting with the Student Conduct Coordinator. Students may obtain an alternate electronic format of this form by request to the Student Conduct Coordinator or Dean of Student Services. Stated deadline still applies.

2. The Student Conduct Coordinator will meet with the student to review this procedure and the Grade Grievance Petition. The student must schedule and meet with the Student Conduct
Coordinator within 10 instructional days of submitting the form. If the student wishes to pursue the grievance, the Student Conduct Coordinator will sign and date the Petition and provide to the student. In the absence of the Coordinator, the Dean of Student Services will perform these duties.

3. The student will present a copy of the Grade Grievance Petition and all supporting evidence to the applicable Division Dean within 10 instructional days of obtaining the signature of the Student Conduct Coordinator. The Division Dean may schedule a meeting with the student and the faculty if appropriate. The Division Dean shall render a decision, and communicate the decision in writing to all parties within 15 instructional days. The outcome notice must include a summary of the grievance allegations, findings from review of the grievance and supporting evidence, a statement of analysis and determination, and instructions for appeal.

STEP III – Administrative Action

If either party is dissatisfied with the decision of the Division Dean, he or she may appeal the matter to the Vice President of Academic Affairs or designee within ten instructional days of the Division Dean’s recommendation. The Vice President of Academic Affairs or designee shall call a meeting with the student, the ASCC Chief Justice, the Division Dean, and if needed, the faculty member. The Vice President of Academic Affairs or designee shall transmit his or her decision to the parties within ten instructional days.

The outcome notice must include a summary of the grievance allegations and prior findings, findings from review of the grievance appeal and supporting evidence, a statement of analysis and determination, and instructions for appeal.

STEP IV – Board of Trustees Action

If either party is dissatisfied with the decision of the Vice President of Academic Affairs or designee, an appeal may be submitted to the Board of Trustees. The appeal must be submitted within ten instructional days of the Vice President of Academic Affairs or designee’s decision. The Board may review an appeal for two consecutive regular Board meetings during closed session, and if needed, request persons involved in the grievance to appear before making a final determination of the matter at the District level. Following final determination, the outcome will be recorded in the Board minutes and notice provided to all parties in writing from the Office of the President within ten instructional days. The outcome notice must include a summary of the grievance allegations and prior findings, findings from review of the grievance appeal and supporting evidence, and the statement of final determination.

Additional Information

Most complaints, grievances, and disciplinary matters should be resolved at the college level. If a complaint does not fall into one of the college’s established procedures, it may be addressed in writing to the President/Superintendent. Individuals are strongly encouraged to make every attempt to resolve matters through the appropriate administrative processes.

Matters that are not resolved at the college level may be submitted to one or more of the following agencies for consideration:

- The Accrediting Commission for Community and Junior Colleges (ACCJC) at www.accjc.org/complaint-process, if the complaint is associated with the institution’s compliance with academic program quality and accrediting standards. The ACCJC is the agency that accredits the academic programs of the California Community Colleges.
- If the complaint does not concern the college’s compliance with academic program quality and accrediting standards, it may be directed to the
BP 5500 STANDARDS OF STUDENT CONDUCT

REFERENCES:
Education Code, Sections 66300, 66301, 67386, 76033, and 76034; ACCJC Accreditation Standards I.C.8 and 10 (formerly II.A.7.b)

Students enrolling in Cerritos College assume an obligation to abide by all District regulations. Students who fail to adhere to District regulations are subject to disciplinary actions. Procedures for student discipline are found in Administrative Procedure 5520 Student Discipline Procedures. Conduct that constitutes sexual harassment under Title IX shall be addressed under Administrative Procedure 3434 Responding to Harassment Based on Sex under Title IX.

“Student” shall be defined as any person who has applied for admission, who is or has been enrolled, or who has expressed their intent to enroll for any college program within the District for the period in which the alleged violation of the Student Code of Conduct occurred, and who maintains an ongoing relationship with the District.

The following conduct shall constitute good cause for discipline: while on District-owned or controlled property; at District-sponsored, supervised, and/or funded activities, including in an online environment; and/or when the conduct threatens the safety or security of the campus community whether or not the location is associated with the District.

ABUSIVE BEHAVIOR & VIOLENCE

1. Assault, battery, or any threat of force or violence, or causing, attempting to cause, or threatening to cause physical injury to another person, including implied threats and/or inciting violence.

2. Committing or attempting to commit robbery or extortion.

3. Engaging in abusive behavior, including but not limited to coercion, sabotage, hazing and/or intimidating conduct through words or actions, including direct physical contact; verbal abuse, such as teasing or name-calling; social isolation or manipulation; and cyberbullying.

4. Violation of a duly issued restraining order, administrative no contact directive, stalking, and/or a pattern of conduct with intent to follow, alarm, or harass another person, and which causes the person to reasonably fear for their safety, and where the pattern of conduct persisted after the person has requested that the conduct cease.

5. Committing, or attempting to commit, the following acts, as defined by law or District policies or procedures: sexual misconduct, gender or sex-based discrimination or harassment, dating violence, domestic violence, stalking and/or retaliation. Engaging in the following behavior: video or audio recording sexual activity without consent, disseminating a sexual photo/video without consent, allowing someone to watch sexual activity without consent of all partners, exposing oneself, voyeurism, and knowingly transmitting an STI without informing partner(s).

6. Conduct of a sexual, gender-based, or harassing nature, which is considered unwelcome if a person did not request or invite it, and considered the conduct to be unwelcome, undesirable, or offensive. Unwelcome conduct may be physically or psychologically threatening, harmful, or humiliating. Unwelcome conduct does not have to include intent to harm, or directed at a specific target, or involve repeated incidents.
DISCRIMINATION, HARASSMENT & RETALIATION

1. Engaging in harassing or discriminatory behavior based on a protected class as defined by law, District policy, or as outlined by the District's annual nondiscrimination notice, or because they are perceived to have one or more of the foregoing characteristics or based on association with a person or group with one or more of these actual or perceived characteristics, or any other status protected by law.

2. Committing sexual harassment and/or misconduct as defined by law or by District policies.

3. Intimidation, harassment, or reprisal against an individual for initiating a good faith complaint, participating in an investigation, or for otherwise advocating for themselves or another person in accordance with campus policy.

DISHONESTY

1. Dishonesty; forgery; alteration or misuse of District documents, records, or identification; or knowingly furnishing false information to the District.

2. Academic dishonesty which provides or facilitates an unfair academic advantage to oneself or others. Includes, but is not limited to: Plagiarism, in individual or group work or in a student publication, including the act of taking the ideas, words or specific substantive material of another and offering them as one's own without giving credit to the source; cheating; unauthorized discussion and/or collaboration; obtaining exam copies without permission; unauthorized use of notes, other information, or devices; and the unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten, electronic, or typewritten class notes, except as permitted by any Board policy or administrative procedure.

3. Misrepresentation and/or impersonation, including arranging for or allowing another individual to impersonate or otherwise misrepresent themselves to be a student generally or to be a particular student either in person or in an online environment, and/or impersonating or otherwise misrepresenting oneself to be another person, and/or misrepresenting of oneself or an organization to be an agent of the District.

4. Unauthorized use of audio, video, or other listening, recording or transmitting device in any classroom, service area or District activity without prior consent of the instructor, service area manager, or activity advisor except as necessary for reasonable accommodation.

5. Unauthorized entry upon, into, or use of District facilities, either in person or in an online environment.

DISRUPTIVE BEHAVIOR & WILLFUL MISCONDUCT

1. Disruptive behavior, with or without intent, that includes but is not limited to: verbal or physical instruction, continual or willful disobedience, persistent defiance of the authority, habitual profanity or vulgarity, abuse of District personnel, interference of District instruction, activities, services, operations interference, and/or interferes with student's academic performance, or District employee's work performance.

2. Lewd, indecent, obscene, slanderous, or libelous conduct; or conduct that so incites students as to create a clear and present danger of the commission of unlawful acts or violations of Board policies and procedures on college premises.

3. Failure to comply with the reasonable request of a District employee acting in the performance of their duties including but not limited to obstruction of a
District employee in performance of their duties, and failure to identify oneself when requested to do so by District officials.

HEALTH & SAFETY

1. Endangering, contributing to or causing harm to the health, safety, and/or well-being of a student (including oneself), client, patient, visitor or guest, or District employee, whether or not there was intent to endanger or harm.
2. Failure to comply with District and/or department regulations determined necessary to meet health and safety guidelines in specialized instructional areas and/or fields, including but not limited to use of equipment and/or clothing, practices and procedures, and instruction by District personnel.

PROHIBITED ITEMS

1. Possession, use, sale, or otherwise furnishing any firearm, knife, explosive, or other dangerous object or chemical, including but not limited to any facsimile firearm, knife, or explosive without the prior authorization of the President/ Superintendent or designee.
2. Unlawful possession, use, sale, offer to sell, or furnishing, or being under the influence of, any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the California Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging, or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code, Section 11014.5.

PROPERTY

Actual or attempted theft of or willful damage/vandalism to District property or property a member of the college community, or knowingly receiving stolen property or private property on District premises.

VIOLATION OF LAW, POLICY, &/OR

PROCEDURE

1. Violation of any federal, state, or local laws, Board policies, or administrative procedures in connection with participation in, attendance at, or use of District programs and services.
2. Violation of Board policies or administrative procedures governing the use of student user accounts, computers, and telecommunication resources, including but not limited to the unauthorized entry, opening, viewing, downloading, or printing of a file; the unauthorized use of another individual’s identification and password; and/or use of computing facilities to interfere with the work of another student or employee of District.
3. Violation of Board policies or administrative procedures concerning the registration and operation of student organizations.
4. Violation of Board policies or administrative procedures concerning the use of District facilities.
5. Willful or persistent smoking, vaping, or e-cigarette use in any area where smoking has been prohibited by law or by regulation of the District.
6. Any other cause not listed above which is identified as “Good Cause” by the Education Code or that disrupts the college, its mission, or campus life.

ACADEMIC HONESTY/DISHONESTY POLICY

Your instructors are eager to help you succeed in your studies at Cerritos College. But success means more than just receiving a passing grade in a course. Success means that you have mastered the course content so that you may use that knowledge in the future, either to be successful on a job, or to continue on with your education in advanced classes.

Your success depends on a combination of the skill and knowledge of your instructors, and your own hard work. You will reach your future goals only if you gain new knowledge from every course you take. That knowledge
becomes yours, and can be used by you, only if it is gained through your own personal efforts. Receiving a grade in a course, without acquiring the knowledge that goes with it, diminishes your chances for future success.

While in college, you are also shaping the principles which will guide you throughout the rest of your life. Ethical behavior and integrity are a vital part of those principles. A reputation for honesty says more about you, and is more highly prized, than simply your academic skills.

For that reason, academic honesty is taken very seriously by the Cerritos College faculty. The following guidelines have been prepared so that you will understand what is expected of you in maintaining academic honesty.

Academic dishonesty is normally to be dealt with as an academic action by the instructor, reflected in the student's grade in the particular course, rather than through college disciplinary procedures.

No specific departmental, divisional or institutional procedures are established for academic dishonesty other than the normal process for review and appeal of an instructor's grading procedures. However, plagiarism, cheating, and other forms of academic dishonesty are violations of the college's official Standards of Conduct.

Academic dishonesty is defined as the act of obtaining or attempting to obtain credit for work by the use of any dishonest, deceptive or fraudulent means. Examples of academic dishonesty would include, but not be limited to, the following:

- Copying, either in part or in whole, from another's test or examination;
- Discussion of answers or ideas relating to the answers, on examination or test when the instructor prohibits such discussion;
- Obtaining copies of an exam without the permission of the instructor;
- Using notes, "cheat sheets," or otherwise utilizing information or devices not considered appropriate under the prescribed test conditions;
- Altering a grade or interfering with the grading procedures in any course;
- Allowing someone other than the officially enrolled student to represent the same;
- Plagiarism, which is defined as the act of taking the ideas, words or specific substantive material of another and offering them as one's own without giving credit to the source.

Options may be exercised by the faculty member to the extent that the faculty member considers the cheating or plagiarism to manifest the student's lack of scholarship or to reflect on the student's lack of academic performance in the course. One or more of the following actions are available to the faculty member who suspects a student has been cheating or plagiarizing:

1. Review-no action.
2. An oral reprimand with emphasis on counseling toward prevention of further occurrences.
3. A requirement that work be repeated.
4. A reduction of the grade earned on the specific work in question, including the possibility of no credit for the work.
5. A reduction of the course grade as a result of item 4 above, including the possibility of a failing grade for the course.
6. Referral to the Office of Student Conduct and Grievance for further administrative action, such as suspension or expulsion.

STUDENT DISCIPLINE PROCEDURES

Student Conduct Programs should contribute to the teaching of appropriate individual and group behavior as well as to protecting the campus community from disruption and harm. The Programs should be conducted in ways that will serve to foster the ethical development and personal integrity of students and the promotion of an environment that is in accord with the overall educational goals of the institution. This procedure will be used in a fair and equitable manner, and not for purposes of retaliation. It is not intended to substitute for criminal or civil proceedings that may be initiated by other agencies.
These Administrative Procedures are specifically not intended to infringe in any way on the rights of students to engage in free expression as protected by the state and federal constitutions, and by Education Code Section 76120, and will not be used to punish expression that is protected.

The Office of Student Conduct and Grievances is responsible for the student conduct and sanctioning procedures of the college. Inquiries should be directed to the Office of Student Conduct and Grievances.

STUDENT CONDUCT PROCEDURES & SANCTIONS

Definitions

DISTRICT: The Cerritos Community College District.

DAY: A day is defined as any day Monday through Friday that all normal College business is conducted, both in the classroom and in the administrative offices. All weekend days and College holidays are excluded.

STUDENT: Any person currently enrolled as a student of the District.

INSTRUCTOR: Any academic employee of the District in whose class a student subject to discipline is or was enrolled, or counselor who is providing or has provided services to the student, or other academic employee who has responsibility for the student’s educational program.

WRITTEN OR VERBAL REPRIMAND: An admonition to the student to cease and desist from conduct determined to violate the Standards of Student Conduct. Written reprimands may become part of a student's permanent record at the college. A record of the fact that a verbal reprimand has been given may become part of a student's record at the college for a period of up to one year.

DISCIPLINARY PROBATION: A period on probation that may include, but is not limited to, exclusion of the individual from designated co-curricular activities of the college for a set period of time.

REMOVAL FROM CLASS: Exclusion of the student by an instructor for the day of the removal and the next class meeting.

WITHDRAWAL OF CONSENT TO REMAIN ON CAMPUS: Withdrawal of consent by the President/Superintendent or designee for any person to remain on campus in accordance with California Penal Code Section 626.4 where the President/Superintendent or designee has reasonable cause to believe that such person has willfully disrupted the orderly operation of the campus.

SHORT-TERM SUSPENSION: Exclusion of the student by the President/ Superintendent or designee for good cause from one or more classes for a period of up to ten consecutive days of instruction.

LONG-TERM SUSPENSION: Exclusion of the student by the President/ Superintendent or designee for good cause from one or more classes for the remainder of the school term, or from all classes and activities of the college for one or more terms.

EXPULSION: Exclusion of the student by the Board of Trustees from the District for one or more terms.

Short-Term Suspensions, Long-Term Suspensions, & Expulsions

Before any disciplinary action to suspend, or expel is taken against a student, the following procedures will apply:

NOTICE: The President/Superintendent or designee will provide the student with written notice of the conduct warranting the discipline. The written notice will include the following:

- The specific section of the Standards of Student Conduct that the student is accused of violating.
- A short statement of the facts supporting the accusation.
- The right of the student to meet with the Dean of Student Services or designee to discuss the accusation, or to respond in writing.
- The nature of the discipline that is being considered.
TIME LIMITS: The notice must be provided to the student within 20 days of the date on which the administration of the college became aware of the conduct; in the case of continuous, repeated, or ongoing conduct of which the administration of the college has become aware, the notice must be provided within 20 days of the date on which the administration became aware that the conduct occurred which led to the decision to take disciplinary action.

HEARING OFFICER MEETING: The student is to have a hearing with the Dean of Student Services or designee serving as the district hearing officer. The hearing must occur no sooner than five days after the notice is provided. At the meeting, the student must again be told the facts leading to the accusation, and must be given an opportunity to respond verbally or in writing to the accusation.

SHORT-TERM SUSPENSION: Within five days after the meeting described above, the President/Superintendent or designee shall, pursuant to a recommendation from the Dean of Student Services or designee, decide whether to impose a short-term suspension, whether to impose some lesser disciplinary action, or whether to end the matter. Written notice of the President/Superintendent’s or designee’s decision shall be provided to the student. The notice will include the length of time of the suspension, or the nature of the lesser disciplinary action. The President/Superintendent or designee decision on a short-term suspension shall be final.

LONG-TERM SUSPENSION: Within five days after the meeting described above, the President/Superintendent or designee shall, pursuant to a recommendation from the Dean of Student Services or designee, decide whether to impose a long-term suspension. Written notice of the President/Superintendent or designee decision shall be provided to the student. The notice will include the right of the student to request a formal hearing before the hearing panel before suspension is imposed, and a copy of this policy describing the procedures for a hearing. The request must be made in writing to the Vice President of Student Services or designee.

EXPULSION: Within 10 days after the meeting described above, the President/Superintendent or designee shall, pursuant to a recommendation from the Dean of Student Services or designee, decide whether to recommend expulsion to the Board of Trustees. Written notice of the decision shall be provided to the student. The notice will include the right of the student to request a formal hearing before the hearing panel before expulsion is imposed, and a copy of this policy describing the procedures for a hearing. The request must be made in writing to the Vice President of Student Services or designee.

A decision of the Board of Trustees to impose expulsion shall be reached no later than the next regularly scheduled regular meeting of the Board after receipt of the recommended decision.

Disciplinary Decisions, Sanctions, and Conditions

WRITTEN OR VERBAL REPRIMAND: May be initiated by any faculty or College manager and sent in writing to the Office of Student Conduct and Grievances. The Disciplinary Officer (Dean of Student Services or designee) shall determine if there exists good and sufficient reason to initiate disciplinary action and the student should be notified of such actions.

DISCIPLINARY PROBATION: Initiated by the Dean of Student Services or designee. The nature of the misconduct, dates, times, places, and the length of probation shall be placed in writing. Written copies shall be sent to the student and copies filed with the Office of Student Conduct and Grievances.

REMOVAL FROM CLASS (EDUCATION CODE SECTION 76032): Any instructor may order a student removed from his/her class for the day of the removal and the next class meeting. The instructor shall immediately report the removal to the Faculty Coordinator for Student Conduct and Grievance and complete a Student Conduct Incident Form. The Faculty Coordinator or designee shall arrange for a
conference between the student and the instructor regarding the removal. If the instructor or the student requests, the Faculty Coordinator or designee shall attend the conference. The student shall not be returned to the class during the period of the removal without the concurrence of the instructor. Nothing herein will prevent the Faculty Coordinator, or designee from recommending further disciplinary procedures in accordance with these procedures based on the facts which led to the removal.

**IMMEDIATE INTERIM SUSPENSION**

(Education Code Section 66017): The President/Superintendent or designee may order immediate suspension of a student where he or she concludes that immediate suspension is required to protect lives or property and to ensure the maintenance of order. In cases where an interim suspension has been ordered, the time limits contained in these procedures shall not apply, and all hearing rights, including the right to a formal hearing where a long-term suspension or expulsion is recommended, will be afforded to the student within ten days.

**WITHDRAWAL OF CONSENT TO REMAIN ON CAMPUS:** The President/Superintendent or designee may notify any person for whom there is a reasonable belief that the person has willfully disrupted the orderly operation of the campus that consent to remain on campus has been withdrawn. If the person is on campus at the time, he/she must promptly leave or be escorted off campus. If consent is withdrawn by the Dean of Student Services or designee, a written report must be promptly made to the President/Superintendent or designee.

The person from whom consent has been withdrawn may submit a written request for a hearing on the withdrawal within the period of the withdrawal. The request shall be granted not later than seven days from the date of receipt of the request. The hearing will be conducted in accordance with the provisions of this procedure relating to interim suspensions.

In no case shall consent be withdrawn for longer than 14 days from the date upon which consent was initially withdrawn.

All applicable conditions of a withdrawal of consent to remain on campus, suspension, or expulsion in effect when a break occurs in the conducting of College business (both in the classroom and in the administrative offices) remain in effect during the break unless specifically excepted in writing by the President/Superintendent or designee.

A withdrawal of consent to remain on campus, suspension, or expulsion prohibits both physical presence on the campus and at a facility or activity operated by the College and any type of online or distance education presence or participation in classes, activities, and/or operations of the College.

Any person as to whom consent to remain on campus has been withdrawn who knowingly reenters the campus during the period in which consent has been withdrawn, except to come for a meeting or hearing, is subject to arrest (Penal Code Section 626.4).

**CLEARANCE TO RETURN:** Prior clearance to return to the college (in-person and/or online) may be required. Clearance requirements may include completion of educational or other courses or processes as specified in the sanction decision. This requirement may include confirmation that the individual is ready for the college classroom and/or that the individual’s continued presence on campus is not a threat to himself/herself, others, and/or the property of the District or others.

**Hearing Panel**

The hearing panel for any disciplinary action subject to hearing by a panel shall be composed of one administrator, two faculty members, and two students.

Unless he or she determines to keep the prior year’s appointees in place, the president of the Faculty Senate, and the President of ASCC shall each, at the beginning of the academic year, establish a list of at least five persons who will serve on student disciplinary hearing panels.
The President/Superintendent or designee shall appoint the hearing panel from the names on these lists plus the Dean of Student Services or designee. However, no administrator, faculty member, or student who has any personal involvement in the matter to be decided, who is a necessary witness, or who could not otherwise act in a neutral manner shall serve on a hearing panel.

The hearing panel shall be responsible to the President/ Superintendent for reviewing and making a recommendation to the President/Superintendent or designee.

MEMBERSHIP OF THE HEARING PANEL SHALL INCLUDE THE FOLLOWING:

1. Two members of the instructional staff appointed by the Faculty Senate.
2. Two ASCC Student Court Justices, or two other students who meet the minimum eligibility requirements to hold office in the ASCC if such justices are party to the matter at hand or are otherwise unavailable to serve, appointed by the ASCC Court Chief Justice or by the Associated Students President, if the Court Chief Justice is a party to the matter.
3. The Disciplinary Officer/Dean of Student Services or designee shall serve as the Chairperson of the Hearing Panel, but will not vote except to break a tie.

PROCEDURES FOR A HEARING, DISPOSITION, & IMPOSITION OF SANCTIONS

1. Written notice of a hearing shall be mailed or delivered to the student. A hearing must be held within ten days of the suspension if the suspension is immediate.
2. Notice shall include date and place of hearing, a statement of all charges, a copy of applicable policies and procedures, the opportunity of the student to appear in person, and the opportunity to present oral and documentary evidence.
3. Hearings shall be conducted in the manner consistent with the orderly conduct of the affairs of the College, and which seems to the hearing panel to be most conducive to the determination of the truth.
4. The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins.
5. The facts supporting the accusation shall be presented by a college representative who shall be the Dean of Student Services or designee.
6. The college representative and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter.
7. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.
8. Unless the hearing panel determines to proceed otherwise, the college representative and the student shall each be permitted to make an opening statement. Thereafter, the college representative shall make the first presentation, followed by the student. The college representative may present rebuttal evidence after the student completes his/her evidence. The burden shall be on the college representative to prove by the preponderance of the evidence that the facts alleged are true.
9. The student may represent himself/herself, and may also have the right to be represented by a person of his/her choice, except that the student shall not be represented by an attorney unless, in the judgment of the hearing panel, complex legal issues are involved. If the student wishes to be represented by an attorney, a request must be presented not less than five days prior to the date of the hearing. If the student is permitted to be represented by an attorney, the college representative may request that legal counsel to the college participate in his/her place. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to
provide legal counsel but shall not be a member of the panel nor vote with it.

10. Hearings shall be closed and confidential unless the student requests that it be open to the public. If more than one student’s case is under consideration, any and all such other students must also request that the hearing be open to the public in order to make it open to the public. Any such request must be made no less than five days prior to the date of the hearing. Requests contrary to state or federal law or to the safety of the college or participants shall not be approved, subject to appeal to the President/Superintendent or designee.

11. In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.

12. All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape recorded shall not be considered unavailable for the purposes of this section.

13. The hearing shall be recorded by the District either by tape recording or stenographic recording. The official recording shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. The recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. The student may request a copy of the recording. Transcripts may be redacted to comply with law, policies, and to protect the privacy and/or safety of individuals.

14. Within five days following the close of the hearing, the hearing panel shall prepare and send to the President/Superintendent or designee a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated.

The decision shall also include a specific recommendation regarding the sanction to be imposed, if any. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

President/Superintendent’s Decision
LONG-TERM SUSPENSION: Within five days following receipt of the hearing panel’s recommended decision, the President/Superintendent or designee shall render a final written decision. The President/Superintendent or designee may accept, modify, or reject the findings, decisions and recommendations of the hearing panel. If the President/Superintendent or designee modifies, or rejects the hearing panel’s decision, the President/Superintendent or designee shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the President/Superintendent or designee shall be final.

EXPULSION: Within ten days following receipt of the hearing panel’s recommended decision, the President/Superintendent or designee shall render a written recommended decision to the Board of Trustees. The President/Superintendent or designee may accept, modify, or reject the findings, decisions and recommendations of the hearing panel. If the President/Superintendent or designee modifies, or rejects the hearing panel’s decision, he/she shall review the record of the
hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The President/Superintendent’s or designee’s decision for expulsion shall be forwarded to the Board of Trustees.

**Board of Trustees Decision**

**EXPULSION:** A decision of the Board of Trustees to impose expulsion shall be reached no later than the next regularly scheduled regular meeting of the Board after receipt of the recommended decision.

The Board shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures. (Education Code Section 72122)

The student shall be notified in writing, by registered or certified mail to the address last on file with the District, or by personal service, at least three days prior to the meeting, of the date, time, and place of the Board’s meeting.

The student may, within forty-eight hours after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

The Board may accept, modify, or reject the findings, decisions and recommendations of the President/Superintendent and/or the hearing panel. If the Board modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Board shall be final.

The final action of the Board on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.

**TIME LIMITS:** Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties.

These procedures may change from time to time and may be superseded by current state and federal laws and regulations. Otherwise, the College Catalog, which is updated annually, contains the most recent information regarding student discipline procedures.

Also see BP 5500 titled "Standards of Student Conduct".

**THE OFFICE OF STUDENT CONDUCT & GRIEVANCE**

The Office of Student Conduct and Grievance is responsible for the student conduct and disciplinary procedures of the college. Inquiries should be directed to the Dean of Student Services in the Office of Student Affairs or by calling (562) 860-2451, Ext. 2472.

**TITLE IX POLICY**

No person shall, on the basis of sex/gender, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any “...education program or activity which ‘benefits from Federal financial assistance (Title IX of the Education Amendments of 1972).

It is the policy of the State of California to afford all persons, regardless of their sex/gender, equal rights and opportunities in the educational institutions of the state (Education Code sections 200-264).

In compliance with Title IX and Board Policy 3410, the District’s educational programs and activities are offered to the community without regard to sex/gender. The District’s procedures regarding responding to sexual harassment can be reviewed in AP 3433 and AP 3434. For more information, please visit the Title IX website at https://www.cerritos.edu/title-ix. Questions regarding Title IX policies affecting the educational program should be directed to the Director of Diversity, Compliance, and Title IX Coordinator by calling (562) 860-2451, Ext. 3968, or via email at titleixcoordinator@cerritos.edu.
EQUAL OPPORTUNITY POLICY
Cerritos College does not discriminate in educational and employment opportunities on the basis of ancestry, age, color, disability (physical and mental, including HIV and AIDS), genetic information, gender identity, gender expression, marital status, medical condition (genetic characteristics, cancer or a record or history of cancer), military or veteran status, national origin, race, religion (includes religious dress and grooming), sex/gender (includes pregnancy, childbirth, breastfeeding and/or related medical conditions), sexual orientation, or on the basis of perception of having one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics, or any other status protected by law in person or in an online environment and, when the victim or victims are associated with the District, whether or not the location is associated with the District.

The District is strongly committed to achieving staff diversity and the principles of equal opportunity education and employment. The District encourages a diverse pool of applicants for employment and does not discriminate in any of its policies, procedures, or practices. The District encourages applications from all segments of qualified people and Board Policies 3410 and 3420 prohibit discrimination and promote equal opportunity.

Questions concerning the application of these policies may be addressed to the Office of Human Resource Services by calling (562) 860-2451, Ext. 2284.

SECTION 504/508, AMERICANS WITH DISABILITIES ACT
Under Section 504/508/ADA of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, Cerritos College will take all necessary steps to ensure that no student with a verified disability is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of auxiliary aids or academic accommodations. The decision to authorize such aids or accommodations is the responsibility of the Dean, Student Accessibility and Wellness Services (SAWS), Disability Specialist, or counselor after a review of documentation verifying the disability and any resulting educational limitations.

It is the responsibility of the student with a verified disability and resulting educational limitations to apply for SAS assistance in the Liberal Arts/SAS building or online at www.cerritos.edu/sas/. The request should be completed with adequate notice provided for an effective response, especially during busy times such as the start of the semester. All authorized accommodations are determined via an interactive process which includes the SAS specialist, the student, and review of disability documentation. It is the student’s responsibility to request in advance to receive the authorized accommodations each semester. If the instructor denies the classroom-related request(s) the SAWS Dean or designee will intervene with the appropriate academic staff and attempt to resolve the matter. In the event of continued denial of an accommodation request or request for course substitution or waiver, SAS will provide the student with the Academic Accommodations Policy and related procedures/forms. The SAWS Dean or designee will concurrently inform the student of their right to file a complaint under the College’s discrimination complaint procedure and/or the Office for Civil Rights, and will provide the student with the information necessary to do so. Inquiries regarding SAS or the District’s non-discrimination policy relative to students, employees, or applicants with disabilities should contact the Director of Diversity, Compliance, and Title IX Coordinator at extension 2276, in the Office of Human Resources.
Section 504/508 Complaint Procedure
The student should first discuss the complaint regarding discrimination due to a disability with the individual(s) involved or with the Director of Diversity, Compliance, and Title IX Coordinator at extension 3968. Alternatively, the student may submit a complaint electronically at www.cerritos.edu/sas/.

STUDENT RECORDS
Notification of Rights Under FERPA
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student’s education records within 45 days of the day the College receives a request for access.

   A student should submit to the registrar or designee a written request that identifies the record(s) the student wishes to inspect. The registrar will make arrangements for access and notify the student of the time and place where the records may be inspected.

   If the records are not maintained by the registrar, the registrar shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

   A student who wishes to ask the College to amend a record should write the registrar, clearly identify the part of the record the student wants changed, and specify why it should be changed.

   If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the College discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

   The College discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, or collection agent); or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

   A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College. The College may also disclose education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

   Family Policy Compliance Office
   U.S. Department of Education
   400 Maryland Avenue
   SW Washington, DC 20202-5901
Directory Information
Cerritos College will not release personal data about students without their prior written consent except to persons and agencies authorized by law. The college may make an exception to legitimate inquiries, by providing general directory information to include:

- Name
- Major field of study
- Class level
- Dates of attendance
- Degrees and awards received
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams, and
- Previous educational institutions attended

Student Records Consent
Cerritos College may permit access to student records to any person for whom the student has executed written consent specifying the records to be released and identifying the party or parties to whom the records may be released. Such consent must be signed and dated by the student. The recipient must be notified that the transmission of the information to others is prohibited (California Administrative Regulations Title 5, section 54616).

Reference: Board Policy and Administrative Procedure 5040

Withholding of Student Records
Student records may be withheld pending satisfaction of certain requirements, per Board Policy and Administrative Procedure 5035.

POLICY ON AFFIRMATIVE CONSENT, SEXUAL ASSAULT, & TITLE IX
Cerritos College is committed to providing a safe and secure environment for all members of the campus community. Cerritos College Board Policy (BP) 3540 and Administrative Policies (AP) 3433 and 3434 operationalize state and federal laws covering sexual assaults including rape, fondling, and non-consensual sexual contact; dating violence; domestic violence; stalking; and retaliation. District response, including claimant options, resources, case investigation, and administrative and law enforcement response are provided in AP 3433 and AP 3434. Any student, employee, applicant for admission, or applicant for employment who experiences sexual assault or sexual misconduct is encouraged to report the matter immediately to Erin Miles, Director of Diversity, Compliance, and Title IX Coordinator in the Office of Human Resources at (562) 860-2451, Ext. 3968. The District is dedicated to providing prompt and compassionate services. In the event of an incident, Student Health Services will provide support services and direction. The phone number for Student Health Services is (562) 860-2451, Ext. 2321.

Additional information is available on the Title IX website at https://www.cerritos.edu/title-ix/default.htm. Questions should be directed to the Title IX Coordinator via telephone or email at titleixcoordinator@cerritos.edu.

Sexual Harassment
It is the policy of the Cerritos Community College District to provide an educational, employment and business environment free of unwelcome sexual advances, requests or offers for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment, as defined and otherwise prohibited by federal and state statutes.

The Board of Trustees and the President/Superintendent have provided regulations and procedures to implement this policy and the regulations and procedures are included as a part of the District’s Equal Employment Opportunity Plan and BP 3540, AP 3433, and AP 3434.

It is a violation of District Policy for anyone who is authorized to recommend or take personnel or academic actions affecting an employee or student, or who is otherwise authorized to transact business or perform other acts or services on behalf of the Cerritos Community...
College District, to engage in sexual harassment as defined in Board Policy and as described below.

Sexual harassment is conduct, on the basis of sex, that satisfies one or more of the following:
- When an employee of the District conditions (implicitly or explicitly) the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct, or
- Unwelcome conduct determined by a reasonable person standing in the shoes of the Complainant to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
- Sexual assault, dating violence, domestic violence, or stalking, as defined in BP 3540, AP 3433, and AP 3434.

Formal complaints under this policy shall be processed through AP 3433 and AP 3434 by the District's Director of Diversity, Compliance, and Title IX Coordinator. The District's Board Policies and Administrative Procedures can be found online at: www.cerritos.edu/board/policies/default.htm.

For the purpose of further clarification, sexual harassment includes, but is not limited to:
1. Making written, verbal, physical and/or visual contact with sexual overtones:
   a. Written examples include, but are not limited to, suggestive or obscene letters, notes, or invitations.
   b. Verbal examples include, but are not limited to, derogatory comments, slurs, jokes, epithets and/or promulgating sexual rumors.
   c. Physical examples include, but are not limited to, assault, touching, impeding or blocking movement.
   d. Visual examples include, but are not limited to, leering, gestures, or display of sexually suggestive objects, pictures, cartoons or posters.
2. Continuing to express sexual interest after being informed that the interest is unwelcome.
3. Making reprisals, threats of reprisals, or implied threats of reprisals following a negative response. For example:
   a. within the work environment - either implying or actually withholding support for an appointment, promotion, or change of assignment, suggesting a poor performance report will be prepared, or suggesting probation will be failed.
   b. within the educational environment - either implying or actually withholding grades earned or deserved, suggesting a poor performance evaluation will be prepared, or suggesting a scholarship recommendation or college application will be denied.

CERRITOS COLLEGE ALCOHOL & DRUG POLICY
BP 3550 – Alcohol and Drug Free Environment and Alcohol and Drug Abuse Prevention Program

The District shall maintain a drug and alcohol free campus/ workplace environment for students and employees. The District prohibits the unlawful possession, use, or distribution of illicit drugs and/or alcohol by students and employees.

The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in all facilities under the control and use of the District.

Any student who violates this policy will be subject to disciplinary action, which may include, but is not limited to, referral to an appropriate rehabilitation program, suspension or expulsion. Any employee who violates this policy will be subject to disciplinary action up to and including termination. The District may refer students and employees who violate this policy to the
Campus Police or other appropriate law enforcement agency for appropriate criminal action.

The President/Superintendent shall assure that the District annually distributes the information required by the Drug-Free Schools and Communities Act Amendments of 1989 to all students and employees and that the District complies with other requirements of the Act.

The President/Superintendent shall ensure that a biennial report is prepared to review the effectiveness of the District's policies and programs in maintaining a drug and alcohol-free campus and workplace environment.

The District is committed to providing its employees and students with an alcohol and drug-free campus and workplace environment. It emphasizes prevention and intervention through education.

Health Risks That May Be Associated with The Use of Illicit Drugs & The Abuse of Alcohol

- Partner and/or child abuse.
- Unintended injuries or death, including motor vehicle crashes.
- Sexual assault, including rape, sexual battery, and threat of sexual assault; dating violence; domestic violence; stalking; and failure to have affirmative consent.
- Being hit, otherwise assaulted, violently attacked, and/or murdered by another under the influence.
- Sexual activity without protection against HIV, hepatitis (A, B, and C), and other STDs.
- Unsafe interactions with medications, including more than 150 medications that should not be mixed with alcohol.
- Binge and other drinking behaviors leading to ingestion of toxic amounts of alcohol, which can lead to alcohol poisoning, with effects including mental confusion, stupor, coma, inability to be roused, vomiting, seizures, slow or irregular breathing, hypothermia, bluish skin color, and paleness, and, if left untreated, seizures, permanent brain damage, and/or death.
- Premature births and low birth weights; alcohol and illicit drug-related birth defects, including fetal alcohol syndrome (FAS) involving severe physical, mental, and behavioral problems; and in the case of prenatal cocaine exposure, a 1.5 times increased likelihood of needing special education services in school.
- Suicide.
- Long-term health problems including liver disease; heart disease; cancers including those of the mouth, throat, larynx (voice box), breast, rectum, and colon; and pancreatitis.
- Homelessness.

Prevention & Intervention Programs

The District provides education and maintains programs and services designed to aid students, employees and their families in receiving assistance for alcohol and/or drug abuse problems. Included in these educational and assistive programs and services are:

- Notification of the dangers of drug use and dependency in the class schedule;
- Mental health services provided to students through the Student Health Services; and
- An Employee Assistance Program (EAP) for employees and their families.

ALCOHOL & DRUG PROHIBITIONS

The unlawful manufacture, distribution, dispensing, possession, or use of alcohol or any controlled substance is prohibited on District property, during District-sponsored field trips, activities or workshops, and in any facility or vehicle operated by the District.

Violation of Board Policy 3550, Drug and Alcohol-Free Environment and Drug and Alcohol Abuse Prevention Program, will be addressed by the District. The District will take
appropriate action designed to address each specific violation, which may include, but is not limited to:

- Termination of employment,
- Expulsion,
- Referral to Campus Police or other law enforcement agency for prosecution as permitted by law, or
- Mandatory participation in an alcohol or drug abuse assistance or rehabilitation program.

As a condition of employment, employees of the District will have their fingerprints recorded with the California State Department of Justice and any conviction or violations of the law involving drugs and/or alcohol will be reported to Campus Police and to the Human Resources Office pursuant to the requirements of law. In addition, employees must notify the District within five (5) calendar days of any conviction for violation of a criminal drug statute occurring in the workplace. The District is required to report any violations of criminal drug or alcohol statutes that occur in the workplace to the United States Department of Education on an annual basis.

Information regarding legal sanctions under federal, state, and local laws is available in the following locations:

1. Library
2. Office of Human Resource Services
3. Office of Student Affairs
4. Student Health Services

**ALCOHOL/DRUG ABUSE COUNSELING, TREATMENT, REHABILITATION INFORMATION**

Referral information and Social Service Directories for Los Angeles and Orange Counties are available in the following locations:

1. Counseling Center, Ext. 2231
2. Student Health Services, Ext. 2321
3. Within the work environment, engaging in implicit or explicit coercive sexual behavior which is used to control, influence, or affect the career, salary, and/or work environment of another employee. Within the educational environment, engaging in implicit or explicit coercive sexual behavior which is used to control, influence, or affect the educational opportunities, grades, and/or learning environment of a student.

4. Offering favors or educational or employment benefits, such as grades or promotions, favorable performance evaluations, favorable assignments, favorable duties or shifts, recommendations, reclassifications, etc. in exchange for sexual favors.

It is a violation of Board Policy for any employee or student to sexually harass another employee, or, student, or campus affiliate, student, or campus affiliate.

Informal and formal complaints under Board Policy shall be processed through the District’s Administrative Procedure 3435, Discrimination and Harassment Investigations, through the Vice President of Human Resources. The College’s policies and procedures are available on the website at [http://www.cerritos.edu/board/policies](http://www.cerritos.edu/board/policies).

**SMOKING POLICY**

Smoking, including the use of electronic cigarettes or other emission-producing products or devices, is prohibited within 20 feet of any exit, entrance, operable window, or ventilation intake of any campus building or structure; in any enclosed area on campus, including lobbies, lounges, courtyards, waiting areas, stairwells, and restrooms that are a part of any building or structure; and in all District vehicles, including gasoline or electric carts.
ASSOCIATE OF ARTS DEGREE
GRADUATION REQUIREMENTS

The California Community College Board of Governors has authorized the Cerritos College Board of Trustees to confer the Associate of Arts degree. A candidate does not automatically receive the Associate of Arts degree upon completion of unit and course requirements, but is required to file a petition for the degree.

College education is usually thought of as consisting of two parts: specialized education and general education. Specialized education is that which prepares the student for vocational competence or for scholastic attainment in a particular field. This the student accomplishes through the department major.

General education, on the other hand, is that which meets the common goals of all students for personal enrichment and cultural development. Work in this area helps the student increase individual ability as a citizen and improve community, home, and family living.

Although courses may be designed with one or the other of these purposes as the primary gain, all courses are presented with the values of general education in mind. College education then becomes the sum total of all the student's experience in college, and the student's education may be completed in both these areas and be granted the degree of Associate of Arts.

STATEMENT OF PHILOSOPHY FOR GENERAL EDUCATION COURSEWORK

Cerritos College offers an array of general education coursework to students so that they may learn concepts and methods of inquiry that have breadth, depth and relevance to their lives. The general education curriculum includes coursework from the liberal arts, humanities, science, mathematics, arts and social sciences disciplines. Possession of knowledge from these disciplines will contribute to personal growth, professional development and citizenship by increasing students’ awareness of the past and present and by developing their creative, adaptive and critical thinking abilities. The general education curriculum will provide students with opportunities to:

- Develop a lifestyle that will enhance physical and mental health and wellness
- Develop logical and cogent arguments, reaching conclusions that are based on comprehensive inquiry
- Adapt and apply technology to facilitate the acquisition and effective use of information
- Communicate clearly and proficiently through both oral and written expression
- Enhance the appreciation of artistic offerings
- Become informed citizens and problem-solvers to deal with current and future societal issues
- Appreciate the contributions of different cultures, eras, and traditions to the human experience
- Develop an appreciation for the value of ethics, integrity, honesty, self-management, and the welfare of others
- Requirements for the Associate of Arts Degree

PETITION FOR ASSOCIATE OF ARTS DEGREE

1. Students desiring an Associate of Arts degree must file a Petition for Associate of Arts Degree form. The petition may be obtained in the Counseling Center and must be submitted before the deadline posted in the College Schedule of Classes. The petition must be approved and validated by a counselor and the Admissions and Records Office before the degree will be granted.

2. Students not in continuous attendance at Cerritos College must meet degree requirements for graduation in effect at the time of readmission.

3. A student is considered in continuous attendance if he/she receives a grade (A, B, C, D, F, P, NP, I, or W) in any semester, fall or spring, during each academic year.
Continuous attendance is not broken at Cerritos College if a student transfers to another accredited institution, maintains his/her continuous attendance at that institution, and returns to Cerritos College to complete his/her degree (Designated programs may require students to return to Cerritos College in good standing. Please check with the Counseling Center regarding these programs).

4. Credit toward the Associate of Arts degree is not granted for non-degree applicable units or classes taken as part of the Adult Education Program.

**STUDENTS WITH BACCALAUREATE DEGREES**

Those students who have been awarded a bachelor's degree from an accredited college or university in the United States will be exempt from the Cerritos College general education breadth requirements and the proficiency requirements, should they pursue an Associate of Arts degree at this institution. Please see your counselor if additional information or clarification is desired.

**ENGLISH/READING COURSE LIMITATIONS**

Students completing both English 52 and Reading 54 will be able to count the units from only one course towards the Associate of Arts degree. Please see a counselor for further information.

**CERRITOS COLLEGE ASSOCIATE OF ARTS DEGREE**

Requirements for the Associate of Arts degree at Cerritos College can be met in one of three different ways: Plan A, B, or C.

PLAN A is designed primarily for those students interested in preparing for a vocational career upon graduation. Plan A may also be used by university transfer students and for students in vocational majors who may possibly wish to transfer in the future. However, there are courses listed under Plan A that are not transferable for general education credit to the four-year universities. Therefore, students wishing to use this option should see a Cerritos College counselor for advice in selecting the A.A. General Education plan that in combination with a major will best match their educational and career goals. Please see the Plan A degree description page for further details.

PLAN B is designed primarily for students who will transfer to a California State University (CSU) campus and are not interested in attending a University of California campus. Students may use this plan to combine completion of both the Associate of Arts general education requirements, with one caveat, and the California State University (CSU) General Education Certification pattern. Students should see a counselor for advice on selecting the A.A. General Education plan that in combination with a major will best match their educational and career goals. Please see the Plan B degree description page for further details.

PLAN C is designed primarily for students who intend to transfer to the University of California (UC), or who are undecided between transferring to the University of California or the California State University. Students may use this plan to combine completion of both the A.A. degree general education requirements and the Intersegmental General Education Transfer Curriculum (IGETC) requirements. Plan C may not be recommended for some majors at certain CSU or UC campuses. Please see the Plan C description page for further details.

The significant differences between Plan A, Plan B, and Plan C are:

PLAN A requires the completion of a minimum of 18 units of identified general education courses and requirements and a minimum of 18 units of specified “major” courses, proficiency requirements and electives, if necessary, to total a minimum of 60 degree applicable units.

PLAN B requires a minimum of 39 units of identified CSU general education courses and requirements plus specified lower-division major preparation, the health and wellness proficiency requirement, and elective courses,
if necessary, for a minimum of 60 degree applicable units.

If a student only wishes to transfer at an upper division level and is not seeking an A.A. degree, a minimum of 60 CSU transferable units is required (See transfer requirements for CSU and your counselor).

PLAN C requires a minimum of 34 (UC) or 37 (CSU) units of identified general education courses and requirements plus specified lower-division major preparation courses, the health and wellness proficiency requirement, and electives, if necessary, to total a minimum of 60 degree applicable units.

If a student only wishes to transfer at an upper division level and is not seeking an A.A. degree, a minimum of 60 UC transferable units is required (See IGETC, UC transfer requirements, and your counselor).

There are important differences among the three plans. In order to select the plan that best meets each individual’s A.A. and transfer goals, students should see a Cerritos College counselor.
ASSOCIATE OF ARTS DEGREE FOR
GENERAL EDUCATION 2023–2024
PLAN A: DEGREE &/OR CAREER OPTION

A total of 60 degree applicable units including the following requirements must be completed to qualify for the A.A. degree:

1. **MAJOR PROGRAM REQUIREMENTS:**
   Complete all requirements for the chosen major program under “Major Requirements” in the Cerritos College Catalog.

2. **MATHEMATICS PROFICIENCY REQUIREMENT:**
   This requirement can be met by one of the following options:
   a. Pass MATH 75, MATH 80, MATH 80B, a transfer-level math course, or PSYC 210 with a grade of “C” or higher or “Pass” at Cerritos College.
   b. Pass two semesters of high school Algebra 2 or Integrated Math 3 with a grade of “C” or higher in each semester. Official high school transcript is required.
   c. Receive a score of 3 or better on a Math AP exam (AP Statistics, AP Calculus AB, AP Calculus BC).
   d. Receive credit by exam for MATH 80 at Cerritos College.

3. **READING PROFICIENCY REQUIREMENT:**
   This requirement can be met by one of the following options:
   a. Completion of READ 100, READ 101, or READ 103, or equivalent with a grade of C or higher or Pass.
   b. Completion of any Plan B Area A3 course or any Plan C Area 1B course or equivalent with a grade of C or higher or Pass.
   c. Receive a score of 3 or better on the English Language and Composition or the English Literature and Composition AP Exams.
   d. Receive a credit by exam in READ 101 at Cerritos College.

4. **WRITING PROFICIENCY REQUIREMENT:**
   Completion of ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher or “Pass”.

5. **HEALTH & WELLNESS PROFICIENCY REQUIREMENT:**
   This requirement can be met by one of the following options:
   a. Completion with a grade of Pass, or “C”, or higher of at least one unit of a course from the approved department list below:
      - Kinesiology 100, 102, 104, 106, 120, 121, 122, 123, 130, 131, 132, 133, 134, 200, 202, 203, 206, 207, 210
Other courses that will meet the requirement include:

b. Completion of HED 100, 101, 103, 105, or 200; HO 100 or 152; CDEC 161; or WGS 103.

c. Completion of Allied Health program (DA, DH, RN, PTA, PHARM TECH, MA).

d. For other options, see your counselor

6. GENERAL EDUCATION REQUIREMENTS: PLAN A 18 UNITS

a. NATURAL SCIENCES: 3 UNITS MINIMUM FROM EITHER PHYSICAL SCIENCES OR BIOLOGICAL SCIENCES

(1) PHYSICAL SCIENCES
Astronomy 102, 103, 104, 105L (lab), 106
Chemistry 100 (lab), **101 110 (lab), 111 (lab), 112 (lab)
Earth Science 101, 102 (lab), 104, 104L (lab), 106, 106L (lab), 110 (lab)
Energy 100
Geography 101, 101L (lab), 103, 115
Geology 101 (lab), 102, 102L (lab), 103, 103L (lab), **106 104 (lab), **105L (lab), 201 (lab), 204, 207 (lab), 208, 209
Physical Science 100, 112 (lab)
Physics 100 (lab), 101 (lab), 102 (lab), 201 (lab), 202 (lab), 203 (lab)

(2) BIOLOGICAL SCIENCES
Anatomy and Physiology 120 (lab), 150 (lab), 151 (lab), 200 (lab), 201 (lab)
Anthropology **110, 115, 115L (lab)
Biology ***105, ***110 (lab), 115 (lab), 120 (lab), 200 (lab), 201 (lab)
Biotechnology ***120
Botany 120 (lab)
Microbiology 200 (lab)
Psychology 241
Zoology 120 (lab)

b. SOCIAL & BEHAVIORAL SCIENCES: 3 UNITS MINIMUM

NOTE: Completion of a U.S. history or government course which fulfills the California State University requirement taken at any accredited institution may be used in lieu of the course requirement.

One course from Section b1 or b2 is required.

(1) CHICANO STUDIES +108; History 101, 102, 103, +108
(This requirement can be met by successfully passing the College Board’s Advanced Placement Exam, American History. Unit credit is awarded for passing the AP exam option with a score of 3 or higher.)

(2) AMERICAN GOVERNMENT
Political Science 101, 201
(This requirement can be met by successfully passing the College Board’s Advanced Placement Exam, Government and Politics: United States. Unit credit is awarded for passing the Advanced Placement exam option with a score of 3 or higher.)

(3) SOCIAL & BEHAVIORAL SCIENCES
Africana Studies **101, ***100, **108

   Philosophy 103, **106,
      **160 Psychology 103, 210
   Reading 103

e. Select an additional general
   education course from those
   listed above or a course from Plan
   B or Plan C so that the earned
   general education units total at
   least 18.

* These courses appear in more than one
category, but may only be counted once.
** These courses do not meet the General
Education Requirements for CSU or IGETC.
*** These courses do not meet the General
Education Requirements for IGETC.
+ These courses are cross-listed with another
   course. Cross-listed courses may only receive
   credit once.

NOTE: The preceding graduation requirements
apply to students who were in attendance during
the 2023-24 school year and thereafter. Students
who enrolled prior to Fall 2023 and who have
maintained continuous attendance at Cerritos
College have the option of meeting the current
requirements or those in effect at the time
continuous attendance began.
ASSOCIATE OF ARTS DEGREE FOR GENERAL EDUCATION 2023–2024

PLAN B: CSU GENERAL EDUCATION REQUIREMENTS

PLAN B is designed primarily for students who will transfer to a California State University (CSU) campus and are not interested in attending a University of California campus. Students may use this plan to combine completion of both the Associate of Arts general education requirement, with one caveat, and the CSU General Education Certification pattern. Students should see a counselor for advice on selecting the A.A. general education plan that in combination with a major will best match their educational and career goals.

To earn an Associate of Arts degree using Plan B, students must complete a minimum of 60 degree applicable units with an overall grade point average of “C” (2.0) or higher, which must include the specified general education requirements and designated courses for a major. The Health and Wellness Proficiency requirement must be completed (See description in Plan A).

However, a student may not use Plan B to fulfill the Math Proficiency Requirement for a local, regular (non-AAT/AST) degree if they have taken FIN 125M, Personal Finance. They would have to meet one of the criteria specified in the Math Proficiency Requirement section for Plan A. Students should consult with a counselor if they have questions about this.

If a student wishes only to transfer and is not seeking an A.A. degree, there are no proficiencies required for CSU GE certification. Credits from international transcripts will not be used to certify general education requirements for transfer. Please see a counselor for more information.

It should be noted that completion of the CSU General Education Certification is not required for admission to the CSU nor is it the only way to fulfill the lower division general education requirements. Depending upon the student’s major, it may be advantageous to complete the requirements of the specific campus the student plans to attend.

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION CERTIFICATION REQUIREMENTS

A maximum of 39 units is required to fulfill the CSU lower division general education requirements, with the units to be distributed as follows: Nine (9) units in Area 1; nine (9) units in Areas 2, and 3; six (6) units in Area 4; three (3) units in Area 5; and three (3) units in Area 6.

A letter grade of “C” or higher is required in Oral Communication, Written Communication, Critical Thinking, and Mathematical Concepts.

Note: Courses appearing in more than one category may be used to satisfy only one category. Such courses are marked with an *

1. COMMUNICATIONS: 9 UNITS MINIMUM.
   Must take one course from category a, b, and c.
   a. ORAL COMMUNICATION
   Communication Studies 100, 120, 125, 130, 132
   b. WRITTEN COMMUNICATION
   English 100, 100S
   c. CRITICAL THINKING
   Communication Studies 103
   English 103, 110
   Philosophy 105, 106
   Psychology 103
   Reading 103

2. NATURAL SCIENCE & MATHEMATICS: 9 UNITS MINIMUM.
   Take a course from category a, b, and c.
   AT LEAST ONE LABORATORY (LAB) MUST BE INCLUDED IN CATEGORY a or CATEGORY b.
   a. PHYSICAL SCIENCES
   Astronomy 102, 103, 104, 105L (lab), 106
   Chemistry 100 (lab), 110 (lab), 111 (lab), 112 (lab)
   Earth Science 101, 102 (lab), 104, 104L (lab), 106L (lab), 110 (lab)
   Energy 100
   Geography 101, 101L (lab), 103
   Geology 101 (lab), 102, 102L (lab), 103, 103L (lab), 201 (lab), 204, 207 (lab), 208, 209
   Physical Science 100, 112 (not considered a LAB science for CSU GE)
Physics 100 (lab), 101 (lab), 102 (lab), 201 (lab) 202 (lab), 203 (lab)

b. BIOLOGICAL SCIENCES
Anatomy and Physiology 120 (lab), 150 (lab), 151 (lab), 200 (lab), 201 (lab)
Anthropology 115, 115L (lab)
Biology 105, 110 (lab), 115 (lab), 120 (lab), 200 (lab), 201 (lab), 202 (lab)
Botany 120 (lab)
Biotechnology 120
Microbiology 200 (lab)
Psychology 241
Zoology 120 (lab)

+ May not be used for any regular (non-AAT/AST) AA Degree. Please see a counselor for more information.

3. FINE ARTS & HUMANITIES: 9 UNITS MINIMUM.

Take one course in category a and b. The third course may be taken in either category.

a. FINE ARTS
Architecture 112
Chicano Studies *+108 Dance 100, 101
Film 159
Humanities *+108, *+109
Journalism and Media Studies 125, 151
Music 100, 101, 102, 103, 104, 104B, 105, 180
Photography 100, 160
Theatre 101, 102, 103, 104, 150, 151, TH 151,
Women's and Gender Studies +118

b. HUMANITIES
Africana Studies +226
American Sign Language 110, 111, 210, 211, *+220
Art *+108, *+109, 124, +125, +207
Chicano Studies *+108 Chinese 101, 102, 201, 202, 260

French 101, 102, 201, 202, 203, 281, 282, 283, 285
German 101, 102, 201, 202
Humanities 100, 102, *+108, *+109, +125
Japanese 101, 102, 201, 202
Philosophy 100, 102, 104, 105, 107, 108, +109, 130, 140, 200, 201, 203, 204, 205, 206
Photography 150 Political Science *240
Spanish 101, 102, 111, 112, 201, 202, 210, 245, 260, +285
Women's and Gender Studies 102, +109, +207

4. SOCIAL SCIENCES: 6 UNITS MINIMUM.

Take one course from category a and one course from category b.

a. AMERICAN HISTORY & AMERICAN GOVERNMENT
Chicano Studies +108
(Above courses each meet the CSU Graduation Requirements for United States History)

OR

b. AMERICAN GOVERNMENT
Political Science 101, 201
(The above courses each meet CSU Graduation Requirements for Constitution and American Ideals)

c. SOCIAL, POLITICAL, HISTORICAL & ECONOMIC INSTITUTIONS
Administration of Justice 101
Africana Studies 100 American Sign Language *220
Anthropology 100, 120, 170, 200, 202, 203, *+205, 206
Business Administration 100
Chicano Studies 101
Child Development *110
Communication Studies 110, +115  
Economics 101, +102, 201M, 202M, 204  
Education +205  
Environmental Policy 200  
Geography 102, 105, +135, 140  
Education +205  
Environmental Policy 200

Humanities +107  
Journalism 100  
Kinesiology *+108, 211  
Political Science 110, 210, 220, 230, *240, 250, 260, *+280  
Psychology 101, *150, 251, 261, *+262, 265, 271, +275  

Transfer students who have fulfilled Area 4 requirements in their entirety (minimum 6 units) at another Community College or CSU Campus prior to American Government course. Please see your counselor to learn about the waiver procedure.

5. SELF-DEVELOPMENT: 3 UNITS MINIMUM.  
Take one course from the following:  
Anthropology *+205  
Child Development *110 Counseling 200  
Health Education 100, 101, +103, 105  
Health Occupations 152, +245  
Kinesiology 104, *+108  
Psychology *150, +245, 278  
Reading 101 Sociology *110, *120  
Women's and Gender Studies +103, *+108, *+205

6. ETHNIC STUDIES  
* Africana Studies 100  
*+ Geography 135  
*+ Political Science 280  
*+ Psychology 262  
*+ Sociology 210  
*+ Women's and Gender Studies 105  
Please see a counselor for any updates and your options for satisfying this requirement.
ASSOCIATE OF ARTS DEGREE FOR
GENERAL EDUCATION 2023–2024
PLAN C: INTERSEGMENTAL GENERAL
EDUCATION TRANSFER CURRICULUM
(IGETC) FOR TRANSFER TO UC & CSU

PLAN C is designed primarily for students who intend to transfer to the University of California (UC) or are undecided between transferring to the UC or the California State University (CSU). Students may use this plan to combine completion of both the A.A. degree general education requirements and the IGETC General Education requirements.

The purpose of IGETC is to provide an option for students to fulfill lower division general education requirements prior to transferring to a UC or CSU campus.

Depending upon the student’s major and campus choice, it may be advantageous to complete the requirements of the specific campus the student plans to attend. In general, it is not advisable for transfer students preparing for majors at any UC campus requiring a high number of units, such as engineering and science, to use IGETC.

Plan C can be fulfilled by completing the IGETC requirements specified for either the UC or CSU. A letter grade of “C” or higher is required in all Plan C courses.

To earn an Associate of Arts degree using Plan C, students must complete a minimum of 60 degree applicable units with a grade point average of “C” (2.0) or higher, which must include the specified general education requirements and designated courses for a major. The Health and Wellness Proficiency requirement must be completed (See description in Plan A).

If a student wishes only to transfer and is not seeking an A.A. degree, there are no proficiencies required for IGETC Certification. Credits from international transcripts will not be used to certify general education requirements for transfer. Partial certification may be possible if a student is missing no more than two courses. Please see a counselor for more information.

It should be noted that completion of IGETC is not required for admission to the UC or CSU.

AREA 1: ENGLISH COMMUNICATION
CSU: Courses from A, B, and C required. UC: Courses from A and B required.

A. ENGLISH COMPOSITION
   (1 course, 3 semesters/4-5 quarter units)
   English 100, 100S

B. CRITICAL THINKING-ENGLISH COMPOSITION
   (1 course, 3 semesters/4-5 quarter units)
   Communication Studies 103
   English 103, 110
   Philosophy 103
   Psychology 103
   Reading 103

C. ORAL COMMUNICATION (CSU ONLY)
   (1 course, 3 semesters/4-5 quarter units)
   Communication Studies 100, 120, 130, 132

AREA 2: MATHEMATICAL CONCEPTS AND QUANTITATIVE REASONING
(1 course, 3 semesters/4-5 quarter units)
   Psychology 210+

AREA 3: ARTS AND HUMANITIES
(3 courses, with at least one from A and one from B below; 9 semesters/12-15 quarter units)

A. ARTS

Sociology +210
Women’s and Gender Studies +105

* These courses appear in more than one
category but may be used only to satisfy one
category.
+ A + preceding the course number means these
courses are cross-listed with another course.
See individual cross-listed course descriptions
in the college catalog.
+ A + following the course number indicates
there is a possible UC credit limitation for this
course. UC credit limitations may apply for
certain courses in IGETC, as well as other UC
transferable courses which are not in IGETC. An
explanation for each course which has credit
limitations, appears in the college catalog
course description. For details, see a counselor.

ADDITIONAL REQUIREMENTS
A. UC ONLY: Language other than English
There are several ways to satisfy this
requirement. They include:
a. Complete two years of the same
foreign language in high school
with a grade of “C-” or higher.
b. Complete first college course in
any foreign language or ASL 110.
c. Earn a minimum score of 500 on an appropriate College Board Achievement Test in a foreign language.

d. For other options, see your counselor.

B. CSU ONLY: The CSU has a specific American Institutions requirement that is separate from the general education requirements. Courses used to meet the American Institutions requirement may be used to satisfy requirements for the IGETC, at the discretion of the receiving CSU campus. It is recommended that this requirement be met prior to transfer. The following will meet the CSU American Institutions requirement.

6 units, one course from Group 1 and one course from Group 2.

Group 1
- Chicano Studies +108
- History 101+, 102+, 103+, 108

Group 2:
- Political Science 101+, 201+

C. The UC-bound student should be aware of the American history and institutions requirements at the campus of choice. Requirements may vary. See your counselor for details.
TRANSFER REQUIREMENTS

Students planning to transfer to a four-year college or university should remember that admission and subject requirements will vary. Consequently, students planning to transfer should study carefully the requirements set forth in the catalogs and brochures of the institutions which interest them. Such publications may be obtained directly from the colleges and universities. Many websites allow students to access such information via the Internet. Many of these links are available at the Transfer Center website, www.cerritos.edu/transfer. To ensure that appropriate transfer coursework is being undertaken at Cerritos College, students should plan to communicate regularly with a counselor.

INTERSTATE PASSPORT

The Interstate Passport enables the successful transfer of a block of lower-level, general education course credit to other institutions participating in the Interstate Passport Network (IPN). Students who earn their Passport at Cerritos College will not be required to repeat or take additional coursework to meet lower-division, general education requirements in the Interstate Passport’s nine areas upon transfer to any other IPN institution. Students with an interest in achieving the Passport-LDGE should visit our website at www.cerritos.edu/interstate-passport/ and contact their advisor.

INDEPENDENT AND OUT-OF-STATE COLLEGES AND UNIVERSITIES TRANSFER REQUIREMENTS

There are many choices for transfer students when deciding to earn a bachelor's degree and beyond. In addition to the California State University and University of California systems, there are many California independent institutions. There are also many colleges, private and public, located throughout the United States to which Cerritos College students can transfer. Each of these institutions has its own unique requirements for admission. In order to determine eligibility, students should refer to the school's catalog or website and consult with a counselor at Cerritos College and/or the university of choice. It is recommended to consult with a Transfer Center Counselor.

GENERAL EDUCATION REQUIREMENTS FOR INDEPENDENT AND OUT-OF-STATE COLLEGES AND UNIVERSITIES

In planning for transfer, students should consider the general education requirements for all institutions of interest. Many in-state independent institutions accept CSU general education and IGETC. Students transferring to independent or out-of-state institutions should refer to the school's catalog or website and meet with a counselor to determine appropriate general education requirements. Cerritos College has articulated general education requirements with a number of independent institutions. You can visit the Transfer Center’s website at www.cerritos.edu/transfer for a complete list of articulation agreements.

THE CALIFORNIA STATE UNIVERSITY

Transfer Requirements

Lower Division Transfer Requirements: If you have completed fewer than 60 transferable semester (90 quarter) units, you will qualify for admission if you have a grade point average of 2.0 (C) or higher in all transferable units attempted, are in good standing at the last college or university attended, and meet the admission requirements for first-time freshmen; i.e., you have completed with a grade of “C” or higher each of the courses in the comprehensive pattern of college preparatory subject requirements and have a qualifiable eligibility index. If you did not complete all the subject requirements in high school, appropriate college courses may be used to make up the missing subjects. Nonresidents must meet the eligibility index for nonresidents. NOTE: Not all California State Universities accept lower division transfers. Please go to www.calstate.edu to find out more.

Test Scores: Freshmen and transfer applicants, who have fewer than 60 semester or 90 quarter units of transferable college credit, must submit scores, unless exempt,
from either the Scholastic Aptitude Test (SAT) of the College Board or the American College Testing Program (ACT). If you are applying to an impacted program and are required to submit test scores, you should take the test no later than December if applying for fall admission.

Registration forms and dates for the SAT and ACT are available from school and college counselors or from a campus testing office. Or you may write to:

The College Board (SAT) American College Testing Program (ACT) Registration Unit, Box 592 Registration Unit, P.O. Box 168 Princeton, New Jersey 08541 Iowa City, Iowa 52240

Freshmen—The campus to which you are applying will provide information regarding when to submit your official high school transcript. Transcripts must be received in sealed envelopes directly from the high school from which you graduated.

Upper Division Transfer Requirements: Completion of at least 60 transferable semester (90 quarter) units, a grade point average of 2.0 (C) or higher in all transferable units attempted (nonresidents must have a grade point average of 2.4), and in good standing at the last college or university attended are required. In addition, you must have completed at least 30 semester (45 quarter) units of college courses with a grade of “C” or higher in each course to be selected from courses in English, arts and humanities, social science, science, and mathematics at a level at least equivalent to courses that meet general education requirements. The 30 general education semester (45 quarter) units (Plan B/Plan C) must include ENGL 100, oral communication, critical thinking, and transferable mathematics with a minimum prerequisite of intermediate algebra. Effective Fall 2019, FIN 125M-Personal Finance with a prerequisite of Elementary Algebra was approved for a transferable mathematics course. The ENGL 100, oral communication, critical thinking, and transferable mathematics courses must be completed with a grade of “C” or higher.

Although 2.0 is the minimum, the California State University is becoming more competitive and students should try to maintain the highest possible grade point average.

TOEFL Requirement: All undergraduate applicants, regardless of citizenship, who have not attended schools at the secondary level or above for at least three years where English is the principal language of instruction must present a minimum score of 500 or above on the Test of English as a Foreign Language. Some campuses may require a score higher than 500.

Transcripts: Final official transcripts must be submitted prior to enrollment to verify that all required coursework has been completed successfully. CSU campuses will either delay admission or not permit registration or attendance until receipt of final transcripts.

Transfers: Request that official transcripts be sent directly from all colleges or universities previously attended even if no coursework was completed. Transcripts must be received in sealed envelopes from each institution attended. You should keep personal copies of all transcripts and test scores to complete the admission application and for academic advising sessions.
UNIVERSITY OF CALIFORNIA

Transfer Requirements

The University of California considers you a transfer applicant if you graduated from high school and enrolled in a regular session at another college or university. You cannot disregard your college record and apply as a freshman.

If you plan to attend a California community college before applying to the university, you should take courses that are transferable, that satisfy university and college requirements, and that fulfill prerequisites in your major. For assistance in planning for transfer to the University of California, see a community college counselor or university advisor. Many of the university admissions advisors are available for appointments through the Transfer Center.

California Residents

There are three ways in which you can meet the University's minimum admission requirements for transfer students. These requirements are described below. Please note that even though options 1 and 2 are possible, the number of University of California campuses actually accepting students with these two options is very limited.

*Residency Status: The requirements for bonafide California residents also apply to dependents of University of California graduates and employees. The manner in which legal residence is defined for tuition purposes is different. If you have questions about your residency status, contact the Admissions or Registrar's Office at the campus you wish to attend.

1. If you were eligible for admission to the University when you graduated from high school—meaning you satisfied the Subject,* Scholarship, and Examination Requirements—you are eligible to transfer if you have a "C" (2.0) average in your transferable college coursework.

2. If you met the Scholarship Requirement, but did not satisfy the Subject Requirement,* you must take transferable courses in the subjects you are missing to be eligible to transfer. You will need to earn a grade of "C" or higher in each of these required courses, and an overall "C" (2.0) average in all UC transferable college coursework. If you completed less than 18 quarter or 12 semester units of UC transferable college coursework, you must satisfy the Examination Requirement for freshman applicants.

3. If you were not eligible for admission to the University when you graduated from high school because you did not meet the Scholarship Requirement, or you did not meet the Scholarship Requirement and did not complete all the required “a-g” subjects,* you must:

   a. Complete 60 semester units or 90 quarter units of UC transferable college credit with a grade point average of at least 2.4, and

   b. Complete a course pattern requirement to include:

      i. Two transferable college courses (3 semester or 4-5 quarter units each) in English composition; and

      ii. One transferable college course (3 semester or 4-5 quarter units) in Mathematical Concepts and Quantitative Reasoning.

CAREER PATHWAYS

In addition, Cerritos College courses needed for career pathways (listed in boldface) can be found at the Transfer Center website address as well www.cerritos.edu/transfer-center/includes/transfer-and-major-paths.htm. Career Pathways inform students of common course requirements for professional preparation which can be completed at Cerritos College. Career Pathways such as pre-medical studies for medical school preparation are not majors offered at the university level and may not meet all requirements for various transfer majors in this area. Some Career Pathways provide students with a listing of the Cerritos College courses that meet requirements for selected professional programs such as Liberal Studies for elementary school teaching. Career Pathways detail courses that may be taken at
Cerritos College and that may or may not count toward a specific major for BA/BS degree requirements. Students following a Career Pathway who plant to transfer should also complete the preparation for a major available for the university where they plan to transfer. Career Pathways do not lead to an AA or AS degree. Students should consult with a counselor regarding options for completing a related associate’s degree.

- Family and Consumer Science (Career Pathway)
- Pre-Chiropractic (Career Pathway)
- Pre-Dental (Career Pathway)
- Pre-Medical (Career Pathway)
- Pre-Optometry (Career Pathway)
- Pre-Pharmacy (Career Pathway)
- Pre-Physical Therapy (Career Pathway)
- Pre-Veterinary (Career Pathway)
- Social Work - Human Services (Career Pathway)
- Teaching Credential Preparation (Career Pathway)

**CERTIFICATE OF ACHIEVEMENT**

Cerritos College is authorized to award a Certificate of Achievement to any student who satisfactorily completes an organized curricula designed for a specific occupational goal. In order to obtain a Certificate, a student must satisfy the following requirements:

1. Complete the course requirements for the chosen program of study as detailed in the “Programs of Study” section of this catalog.
2. Maintain a minimum grade point average of “C” (2.0) in all required courses, including a GPA of 2.0 for all departmental courses specified, as well as a 2.0 for all course outside the major designated as requirements in the curriculum pattern.
3. A minimum of twelve (12) units of course work within the certificate must be taken at Cerritos College if Certificate of Achievement is to be awarded by this institution.
4. Upon completion of required course work, file a “Petition for Certificate of Achievement” form. The petitions are available in the Counseling Center.
5. Units earned toward the Certificate of Achievement may be applied toward an Associate of Arts Degree.
6. Credit toward the Certificate of Achievement is not granted for classes taken as part of the Adult Education Program.
7. Courses completed for a Certificate of Achievement that are also to fulfill requirements for the major in an A.A. Degree must be completed with a grade of Pass, or “C” or better.

**REQUIREMENTS FOR THE ASSOCIATE OF ARTS FOR TRANSFER (AA-T) OR ASSOCIATE IN SCIENCE FOR TRANSFER (AS-T):**

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate of Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree.

California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission somewhere in the CSU system to a CSU program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 80 quarter units.

To find out which CSU campus accepts each degree as similar, please meet with a Cerritos College counselor. You can also locate this information at www2.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx.
An AA-T or AS-T degree may not be the best option for students intending to transfer to a specific CSU majors or campuses or to a university that is not part of the CSU system.

Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Requirements
The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units. At least 12 of those units must be earned at Cerritos College.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major as detailed in the Majors, and Certificates section of the catalog. All courses in the major must be completed with a grade of “C” or better or “P” if the course is taken on a “pass-no pass” basis.
4. Certified completion of the California State University General Education – Breadth pattern (CSUGE Breadth-Plan B) OR the Intersegmental General Education Transfer Curriculum (IGETC-Plan C) pattern.

Students pursuing an ADT in Biology or Chemistry have the option of using CSU General Education for STEM or IGETC for STEM. The CSU General Education for STEM requirements can only be used by students pursuing the Biology or Chemistry ADT and the IGETC for STEM requirements can only be used by students pursuing the either the Biology or Chemistry ADT.

For IGETC For STEM Certification:
Complete the following courses before transfer:
- All courses in Area 1 (except 1C for UC-bound students), 2, and 5 of the traditional IGETC; and
- One course in Area 3A; one course in Area 3B; and two courses in Area 4 from two different disciplines.
- Complete the following courses after transfer:
  - One remaining lower-division general education course in Area 3;*
  - One remaining lower-division general education course in Area 4;* and
  - One course in Area 6 for UC-bound students who have not satisfied it through proficiency.*

*These deferred lower division courses must be replaced with calculus and/or science courses required by the major before transfer.

For CSU
If any specific AS-T degree allows IGETC for STEM Majors as its general education pattern, the specific courses that should replace the deferred lower division general education courses may be indicated on the Transfer Model Curriculum (TMC) for that discipline.

For UC
UC will accept IGETC for STEM if the UC school/college/major program to which the student transfers accepts partial IGETC certification.

For CSU & UC
Alternatively, STEM students may complete the traditional IGETC. However, IGETC and IGETC for STEM Majors may not be appropriate for those colleges or majors which prefer that transfer students follow a more prescribed lower-division curriculum.
FOR CSU GE BREADTH FOR STEM CERTIFICATION; COMPLETE THE FOLLOWING COURSES BEFORE TRANSFER:

- All courses in Areas A, B, and E of the traditional GE Breadth curriculum; and
- One course in Area C1 Arts and one course in Area C2 Humanities; and
- Two courses in Area D from two different disciplines
- Complete the following courses after transfer:

- One remaining lower-division general education course in Area C*; and
- One remaining lower-division general education course in Area D.*

* These deferred lower division courses must be replaced with calculus and/or science courses required by the major before transfer.

VERIFICATION OF COMPLETION

Locally approved certificate programs may consist of one or more courses that lead to an occupationally relevant set of skills.
This section of the catalog provides the course descriptions for all courses approved by the Cerritos College Curriculum Committee. All courses, unless otherwise indicated, apply for credit toward an AA Degree in accordance with California Administrative Code, Title V, Section 55805.5. Courses that do not meet the AA Degree requirements are indicated with a statement “(Not degree applicable)” beside the course title. Students are advised to see a counselor for clarification if they have any questions regarding the appropriateness of a course to meet their educational goal. Please check with your counselor and the department for new developments in curriculum that have not been included in the catalog.

ACLR 86
INTRODUCTION TO UNIVERSAL DESIGN FOR LEARNING
2.0 UNITS
Class hours: 2.0 Lecture
Students will be introduced to the history and principles of Universal Design, the broad range of human abilities, and numerous real-world examples of designs that satisfy the principles. By the end of the course, students should have an appreciation for the diversity of the human race and be able to recognize universal design, as well as unnecessary obstacles that may be designed into products and environments when usability is not considered. This course is designed for students with learning, physical, communicative, or other disabilities, as well as for those who want to enhance their understanding of universal design principles to apply to teaching and learning environments.

ACLR 87
USING SCAN-READ TECHNOLOGY IN UDL
2.0 UNITS
Class hours: 2.0 Lecture
Recommendation: Completion of DSPS 86 or equivalent with a grade of “C” or higher or “Pass”.
This course is designed to teach the principles of Universal Design for Learning (UDL) using scan-and-read programs to facilitate the development of collegiate reading and writing skills. The assistive technology is used as a way to close the achievement gap between students with disabilities and their non-disabled peers. Students will learn to customize the software to assist all students’ needs and learning preferences. This course is appropriate for students with learning, physical, communicative, or other disabilities, as well as for students who want to enhance their learning through incorporating the universal design principles using assistive technology.

ACLR 88
USING VOICE RECOGNITION TECHNOLOGY IN UDL
2.0 UNITS
Class hours: 2.0 Lecture
Recommendation: Completion of DSPS 86 or equivalent with a grade of “C” or higher or “Pass”.
This course is designed to teach the principles of Universal Design for Learning (UDL) using voice recognition software, such as Dragon Naturally Speaking, to facilitate the development of collegiate reading and writing skills. The technology is used as a way to close the achievement gap between students with disabilities and their non-disabled peers. The voice recognition software can be customized to assist all students’ needs and learning preferences. This course is appropriate for students with learning, physical, communicative, or other disabilities, as well as for students who want to enhance their learning through incorporating the universal design principles using assistive technology.

ACLR 89
BUILDING PERCEPTUAL REASONING SKILLS IN UDL
2.0 UNITS
Class hours: 2.0 Lecture
Recommendation: Completion of DSPS 86 or equivalent with a grade of “C” or higher or “Pass”.
This course is designed to teach the principles of Universal Design for Learning (UDL) using assistive technology programs to facilitate the development of perceptual reasoning and critical thinking skills. The technology is used as a way to close the achievement gap between students with disabilities and their non-disabled peers. Students will learn to customize the software according to their
unique needs and learning preferences. This course is appropriate for students with learning, physical, communicative, or other disabilities as well as for those who want to gain skills and enthusiasm for teaching and learning by incorporating the UDL principles through technology targeted toward building perceptual reasoning skills.

ACLR 90 (Not Degree Applicable)
ORIENTATION FOR THE STUDENT WITH DISABILITIES 1.0 UNIT
Class hours: 1.0 Lecture
This course is designed to orient the disabled student to the varied programs and services offered by Cerritos College. An IEP/learning contract will be developed for each student who enrolls in this course. Emphasis is on assisting the disabled student to successfully integrate into all aspects of the college.

ACLR 91 (Not Degree Applicable)
CAREER EXPLORATION FOR THE STUDENT WITH DISABILITIES 1.0 UNIT
Class hours: 1.0 Lecture
This course is designed to assist the disabled student in the process of developing goals for future employment. An Individual Educational Plan (IEP)/learning contract will be developed for each student who enrolls in this course. Emphasis is upon exploring career choices, assessment of interests, and the development of employment seeking skills.

ACLR 101 INCREASING YOUR ACCESS POTENTIAL 2.0 UNITS
Class hours: 2.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass", or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S, and satisfactory completion of READ 54 or READ 97 with a grade of "C" or higher or "Pass", or completion of the Reading assessment/placement process with eligibility for "reading exempt".

This course will provide students with the knowledge and skills to understand the concepts of Emotional Intelligence (e.g. self-awareness, self-monitoring, social awareness and social monitoring), Executive Functioning (e.g. time management, study skills, goal setting, etc.) and a Growth Mindset. Students will learn how to apply these concepts as support seeking behaviors to promote academic integration and academic success within the college community. Students will also learn about various student supports available in Student Accessibility Services as well as the campus at large. Each student will interactively participate in the production of a comprehensive educational plan aligned with a selected educational goal.

Transfer Credit: CSU

ACCOUNTING (ACCT)
(Business Education Division)
ACCT 51 VOLUNTEER INCOME TAX ACCOUNTING 1.5 UNITS
Class hours: 1.0 Lecture/1.5 Laboratory
This course is designed to give students the knowledge and skills necessary to prepare simple federal income tax returns, on a volunteer basis, to low-income and disadvantaged members of the community. With the guidance of the instructor and Internal Revenue Service agents, students will gain experience in interviewing techniques and will apply skills learned in tax preparation while providing a much-needed service to their community.
ACCT 60  
QUICKBOOKS ACCOUNTING  
1.5 UNITS  
Class hours: 1.5 Lecture  
This course introduces QuickBooks, a complete accounting software system for small businesses.

ACCT 61  
TURBO TAX ACCOUNTING  
1.5 UNITS  
Class hours: 1.5 Lecture  
This course introduces personal income tax preparation using Tax Return Preparation with Turbo Tax for Windows, a software package for preparing individual income tax returns.

ACCT 101  
FUNDAMENTALS OF ACCOUNTING I  
3.5 UNITS  
Class hours: 3.0 Lecture/2.0 Laboratory  
Prerequisite: ACCT 100 or equivalent with a grade of “C” or higher or “Pass”.  
This course covers the basic concepts used by businesses for financial accounting. The course includes a study of the accounting concepts and techniques essential to the administration of a business enterprise; measuring and communicating economic information; analyzing and recording financial transactions; and the preparation of financial statements for sole proprietorships, partnerships, and corporations.  
Transfer Credit: CSU; UC  
C-ID: ACCT 120

ACCT 130  
PAYROLL TAX ACCOUNTING  
3.0 UNITS  
Class hours: 3.0 Lecture  
Prerequisite: ACCT 100 or ACCT 101 or equivalent with a grade of “C” or higher or “Pass”.  
This course will cover fundamental principles of payroll tax laws as defined by Federal, State, and local government. It will also include discussion of Social Security, Federal and State income taxes, Federal and State Unemployment Insurance, Workmen’s Compensation Insurance, and journal entries to record payroll information. It will include sales tax requirements in record keeping and computation of sales tax returns. Insurance and union reporting are discussed. It also includes personnel records requirements, data processing, and payroll systems. It is intended to provide the business students with a working knowledge of current tax laws and practical application of the same.  
Transfer Credit: CSU
ACCT 131
COMPUTERIZED
ACCOUNTING – IBM
3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ACCT 100 or ACCT 101 or equivalent with a grade of "C" or higher or "Pass".
This course is designed to develop a working knowledge of basic accounting systems using a microcomputer and current software. The accounting functions covered will include structuring the chart of accounts; journalizing; posting to the general ledger, accounts receivable, and accounts payable subsidiary ledgers; the structure and preparation of financial statements. In addition, forecasting, budgeting, billing, cash, inventory and payroll modules will be utilized. This course will give students practical experience on the microcomputer.
Transfer Credit: CSU

ACCT 134
SPREADSHEET
ACCOUNTING II
3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ACCT 101 and ACCT 133 or equivalent with grades of "C" or higher or "Pass".
Corequisite: ACCT 1T.
This course is designed to teach students the application of accounting functions using the IBM compatible microcomputer and spreadsheet accounting software. The accounting concepts will include corporation financial statements, financial ratios, manufacturing accounting, plant assets, accounts and notes receivable, inventory valuation, notes payable, budgeting, and forecasting utilizing generally accepted accounting principles.
Transfer Credit: CSU

ACCT 133
SPREADSHEET
ACCOUNTING I
3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ACCT 100 or equivalent with a grade of "C" or higher or "Pass".
This course is designed to teach students the application of accounting functions using the IBM compatible microcomputer and standard spreadsheet software. The accounting functions will include the development of financial statements, worksheets, special journals, payroll, bank reconciliations, and personal budgeting.
Transfer Credit: CSU

ACCT 160
ACCOUNTING FOR QUICKBOOKS FOR CERTIFICATION
3.0 UNITS
Class hours: 3.0 Lecture
This course teaches students to use QuickBooks for general accounting and reporting purposes, new company set up, payroll, cash and treasury functions, and management of receivables, payables and inventory. Banking transactions, journal entries, monthly adjustments, and preparation of financial statements will be covered. This course will provide students the knowledge and skill necessary to obtain QuickBooks certification.
Transfer Credit: CSU

ACCT 201
INTERMEDIATE
ACCOUNTING I
3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: ACCT 102 or equivalent with a grade of "C" or higher or "Pass".
This course covers the preparation of accounting statements and the study of accounting theory, utilizing the corporation form of business organizations. The emphasis of the course is on the sequential study of the various classifications and items of the balance sheet, including current and non-current assets.
Transfer Credit: CSU

ACCT 202
INTERMEDIATE
ACCOUNTING
3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: ACCT 201 or equivalent with a grade of "C" or higher or "Pass".
This course is a continuation of ACCT 201. It
is an in-depth study of the balance sheet items relating to non-current assets, current liabilities, long-term liabilities, paid-in capital and retained earnings. The course includes techniques of comparative analysis; interpretation and projection of financial statements, funds-flow and cash-flow reporting; and the study of A.P.B.'s (Accounting Principles Board Bulletins) and F.A.S.B.'s (Financial Accounting Standard Board) pronouncements.

Transfer Credit: CSU

ACCT 220
ACCOUNTING ETHICS
4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: ACCT 101 or equivalent with a grade of "C" or higher or "Pass"
This course is designed to expose students to a comprehensive coverage of ethical and professional issues encountered by accounting professionals. This course prepares students to meet part of the Ethics requirement for becoming a Certified Public Accountant (CPA) in the State of California and primarily focuses on ethics pertaining to the accounting profession. This course studies the ethical framework includes the American Institute of Certified Public Accountants (AICPA) Code of Professional Ethics, audit responsibilities and accounting fraud, legal and regulatory obligations, earnings quality, corporate governance, and international financial reporting.

Transfer Credit: CSU

ACCT 231
CURRENT TOPICS IN PAYROLL ACCOUNTING
1.5 UNITS
Class hours: 1.5 Lecture
This course is designed to give payroll accounting students exposure to experts in federal and state payroll tax law, Workers' Compensation Insurance, union payroll, labor and fair employment law, sales taxes and payroll administration. The course is structured as a current topics seminar with guest speakers from the legal field, the Internal Revenue Service, the Franchise Tax Board, the State Board of Equalization, the Employment Development Department, The California Society of Certified Public Accountants, and Certified Payroll Professionals.

Transfer Credit: CSU

ACCT 240
COST ACCOUNTING
3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: ACCT 100 or ACCT 101 or equivalent with a grade of "C" or higher or "Pass".
This course covers the various methods of cost accounting in use by manufacturing concerns. The details of accounting for materials, labor, and manufacturing overhead costs and expenses are presented. A study is made of the use of job order cost systems, process cost systems, and standard cost systems. The related areas of budgeting, break-even, and profit-volume analysis by management are included. A practice set is used.

Transfer Credit: CSU

ACCT 241
MANAGERIAL ACCOUNTING
4.0 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: ACCT 101 and ACCT 102 or equivalent with grades of "C" or higher or "Pass".
This course introduces the managerial accounting concepts and principles that will enable the student to understand managerial accounting as it is applied in serving management needs. Topics include: fundamentals of managerial accounting; managerial accounting concepts and systems; managerial accounting planning and control; accounting for decentralized operations; analyses for decision making; modern uses of managerial accounting.

Transfer Credit: CSU
ACCT 250
INCOME TAX ACCOUNTING
3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ACCT 100 or ACCT 101 or equivalent with a grade of "C" or higher or "Pass".
This course is a practical study of the current Federal revenue acts as they relate to business and individual income tax procedures. It includes income inclusions and exclusions, exemptions, capital gains and losses, and business and individual deductions. This course reflects the tax laws of the Tax Cuts and Jobs Act of 2018: Public Law 115-97.
Transfer Credit: CSU

ACCT 251
ADVANCED INCOME TAX ACCOUNTING
3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ACCT 250 or equivalent with a grade of "C" or higher or "Pass".
This will be a continuation of ACCT 250 and will cover taxpayers other than individuals. It is designed to fill the needs of the student who desires knowledge of the Federal Income Tax implications of partnerships, corporations, tax option corporations and a general overview of estates, trusts, and gift taxation. This course reflects the tax laws of the Tax Cuts and Jobs Act of 2018: Public Law 115-97.
Transfer Credit: CSU

ACCT 260
GOVERNMENTAL AND NOT FOR-PROFIT ACCOUNTING
4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: ACCT 101 or equivalent with grade "C" or higher or "Pass".
The course will present the characteristics and principles of the financial policies and procedures followed by state, county and municipal governments, as well as public and private universities and hospitals, and certain nonprofit organizations. The course will emphasize the importance to governmental agencies of properly discharging their responsibilities to taxpayers. These responsibilities include the proper accounting for and budgeting of tax and related revenues and expenditures. The course will also emphasize the importance to nonprofit entities of meeting the financial reporting and management needs of various stakeholders such as donors, service providers and recipients, community members, and regulatory agencies. Funds, fund accounting, and the newest Governmental Accounting Standards Board (GASB) and Financial Accounting Standards Board (FASB) pronouncements relating to accounting for governmental and nonprofit entities will also be covered.
Transfer Credit: CSU

ACCT 261
FUNDAMENTALS OF AUDITING
3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ACCT 101 or equivalent with a grade of "C" or higher or "Pass".
This course covers the process of examining and evaluating financial conditions and records. It is designed to provide a basis for an opinion concerning the reliability of the records, as evidenced by a written audit report.
Transfer Credit: CSU

ACCT 280
ADVANCED ACCOUNTING
3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ACCT 101 or equivalent with a grade of "C" or higher or "Pass".
This class covers partnership and joint venture accounting, installment sales, consolidated financial statements, bankruptcy, accounting for trusts and estates, and government and non-profit accounting.
Transfer Credit: CSU
ACCT 298
DIRECTED STUDIES 1.0 UNIT

Class hours: 3.0
Independent Study
Prerequisite: A previous college course in the discipline.

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

ACCT 299
DIRECTED STUDIES 2.0 UNITS

Class hours: 6.0
Independent Study
Prerequisite: A previous college course in the discipline.

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

ADMINISTRATION OF JUSTICE (AJ)
(Humanities & Social Sciences Division)

AJ 101
INTRODUCTION TO ADMINISTRATION OF JUSTICE 3.0 UNITS

Class hours: 3.0 Lecture
Recommendation: An English assessment/placement score into ENGL 100 or ENGL 100S, or ENGL 52 with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of “C” or higher or “Pass”.

This course provides a study of the history and philosophy of the system of administration of criminal justice in the United States. It examines the various sub-systems; role expectations and their interrelationships; theories of crime, punishment, and rehabilitation; ethics; education and training for professionalism in the system; and legal words and phrases as an aid in the communication process.

Transfer Credit: CSU; UC C-ID: AJ 110
AJ 102
CONCEPTS OF CRIMINAL LAW
3.0 UNITS
Class hours: 3.0 Lecture
This course provides an introduction to the historical development and philosophy of law and constitutional provisions; as well as crime definitions, classifications of crimes, common law versus statutory law, crimes against persons, property, morals and public welfare, the nature of acceptable evidence, legal research, legal methodology, and concepts of law as a social force. A brief analysis of criminal intent, parties to a crime, general elements of crime, corpus delicti, defenses to crimes and an introduction to laws of arrest will also be undertaken in this class.
Transfer Credit: CSU; UC
C-ID: AJ 122

AJ 104
CRIMINAL EVIDENCE
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: An English assessment/placement score into ENGL 100 or ENGL 100S, or ENGL 52 with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of “C” or higher or “Pass”.
This course stresses the origin, development, philosophy, and constitutional basis of evidence; constitutional and procedural considerations which affect arrest, search and seizure; kinds and degrees of evidence; the rules governing the admissibility of evidence; and judicial decisions relating to individual rights.
Transfer Credit: CSU
C-ID: AJ 124

AJ 103
CRIMINAL PROCEDURES
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: An English assessment/placement score into ENGL 100 or ENGL 100S, or ENGL 52 with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of “C” or higher or “Pass”.
This course provides a detailed examination of California criminal procedure, including the California court system, jurisdiction and venue, laws of arrest, grand jury proceedings, extradition, pre-trial procedures, conduct of criminal trials, rights of the defendant, post-trial motions and appeals, probation and parole.
Transfer Credit: CSU
C-ID: AJ 122

AJ 105
COMMUNITY RELATIONS AND CULTURAL AWARENESS
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with eligibility for ENGL 100 or ENGL 100S and completion of READ 54 or READ 97 with a grade of “C” or higher, or “Pass” or completion of the Reading assessment/placement process with eligibility for a course above the level or READ 54.
This course provides a study of the complex and dynamic relationships between criminal justice agencies and the changing, diverse communities they serve while addressing crime and conflicts in society. An emphasis will be placed on the challenges and prospects of administering justice within a diverse multicultural population. The course will also focus on the ethics, politics and conflicting values in culture, religion and law.
Transfer Credit: CSU; UC
C-ID: AJ 160
AJ 107
INTRODUCTION TO CORRECTIONS, PROBATION AND PAROLE
3.0 UNITS
Class hours: 3.0 Lecture
This is an introductory course that explains the principles of parole and probation as a governmental function at the federal, state, and local levels. This course is designed to show the relationship between the criminal justice system, particularly the police and the courts, and the effects of sentencing with regards to parole, probation, and incarceration in local and state facilities. The course will explore the conflict within the system between arrest and disposition and the areas of cooperation between service providers and the public.
Transfer Credit: CSU
C-ID: AJ 200

AJ 113
REPORT WRITING PROCEDURE
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or completion of the English placement/assessment process with eligibility for ENGL 100 and READ 54 or READ 97 or READ 102 or completion of the Reading placement/assessment process with eligibility as "Reading Exempt".
This course includes the procedures and practices commonly used to gather data and prepare a variety of police records. Emphasis will be placed upon the need to use correct spelling sentence structure, punctuation and vocabulary in criminal justice reports to meet statistical, legal and prosecution requirements of the criminal justice system. This course is not open to students who are enrolled in or who have received credit in AJ 91.
Transfer Credit: CSU

AJ 110
PATROL PROCEDURES AND ENFORCEMENT TACTICS
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: An English assessment/placement score into ENGL 100 or ENGL 100S or ENGL 52 with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of “C” or higher or “Pass”.
This course explores the theories, philosophies and operational concepts of Law Enforcement Field Services, and examines the role expectations of the police field officer. Emphasis is placed upon patrol, traffic and public service responsibilities and their relationship to the total criminal justice system.
Transfer Credit: CSU

AJ 173
ADMINISTRATION OF JUSTICE OCCUPATIONAL WORK EXPERIENCE
3.0 UNITS
Class hours: 1.0 Work Experience
Recommendation: An English assessment/placement score into ENGL 100 or ENGL 100S or ENGL 52 with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of “C” or higher or “Pass”.
Three units of Administration of Justice Occupational Work Experience require 180 non-paid hours of work or 225 paid hours of work per semester. Work experience provides the opportunity for students to apply skills and knowledge learned in the classroom to exacting experiences in the workplace. The aim of the course is to assist students in becoming more productive workers. In the process of doing so, it creates greater communication with increased understanding between the student/trainees and the college. First-semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their
major and job skills must be completed on the job/training site. Second-, third-, and fourth-semester students must meet weekly with the instructor until their participatory assignments and semester work projects have been approved. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

Transfer Credit: CSU

AJ 202

SUBSTANTIVE LAW

3.0 UNITS

Class hours: 3.0 Lecture
Prerequisite: AJ 102, or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: An English assessment/placement score into ENGL 100 or ENGL 100S or ENGL 52 with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of “C” or higher or “Pass”.

This course is a study of the substantive criminal laws commonly enforced by municipal, county or state police officers, or other criminal justice investigators. The course provides a complete analysis of both statutory laws and case decisions.

Transfer Credit: CSU

AJ 208

SPECIAL ISSUES IN LAW ENFORCEMENT

3.0 UNITS

Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher, or “Pass,” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S and completion of READ 54 or READ 97 with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with eligibility for a course above the level of READ 54.

This course provides instruction in special issues critical to effective service by law enforcement professionals in modern society. Topics covered may include police as professionals; defining and applying values, principles, and moral standards to law enforcement; police and the community; tactical communications; correctly utilizing information systems in police work; dealing effectively with persons with disabilities; dealing effectively with mentally ill persons; human trafficking; gangs, terrorism homeland security and current issues and topics impacting the criminal justice system and society.

Transfer Credit: CSU

AJ 220

CRIMINAL INVESTIGATION

3.0 UNITS

Class hours: 3.0 Lecture

This course stresses the fundamental techniques, procedures and ethical issues of investigations, including organization of the investigative process, crime scene search, recording, collection and preservation of physical evidence, scientific aids and analysis to investigations, the role of the investigator, modus operandi, sources of information, interviews and interrogation, utility of evidence, follow-up investigation and case preparation.

Transfer Credit: CSU

C-ID: AJ 140

AJ 221

NARCOTICS AND VICE CONTROL

3.0 UNITS

Class hours: 3.0 Lecture
Recommendation: An English assessment/placement score into ENGL 100 or ENGL 100S or ENGL 52 with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of “C” or higher or “Pass”.

This course is an introduction to the fields of narcotics and vice investigation. It examines the detection, suppression, apprehension and prosecution of narcotic and
vice law violators. Field identification of controlled substances and their effects on the body are stressed. Laws relating to bookmaking, gambling, prostitution and morals offenses are also covered.

Transfer Credit: CSU

AJ 222
JUVENILE PROCEDURES
3.0 UNITS
Class hours: 3.0 Lecture
Recommended: An English assessment/placement score into ENGL 100 or ENGL 100S or ENGL 52 with a grade of "C" or higher or "Pass" and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of "C" or higher "Pass".

This course emphasizes the organization, functions, and jurisdiction of juvenile agencies; the processing and detention of juveniles; juvenile case disposition; juvenile statutes and court procedures relative to juvenile offenders.

Transfer Credit: CSU
C-ID: AJ 220

AFRICANA STUDIES (AFRS)
(Liberal Arts Division)

AFRS 100
INTRODUCTION TO BLACK/AFRICANA STUDIES
3.0 UNITS
Class hours: 3.0 Lecture
This course is a survey of the major subject areas, themes, concepts, schools of thought, theorists, philosophical underpinnings, and historical evolution in the discipline of Africana Studies. It includes an examination of key historical movements in the struggle for equality, liberation, and freedom for Black people in the United States and world. This course also explores the intersection and impact of race, class, gender and other systems of power and oppression on African American people. (Formerly AFRS 105)

Transfer Credit: CSU

AFRS 108
BLACK POLITICS: SOCIAL AND RACIAL JUSTICE MOVEMENTS
3.0 UNITS
Class hours: 3.0 Lecture
This course examines historical and emerging Black social and racial justice movements, with an emphasis on the political dimensions and historical context. Moreover, it investigates key scholarship on the nature and tradition of Black resistance and political engagement in the collective struggle for liberation and social and racial justice.

Transfer Credit: CSU

AFRS 112
AFRICAN CINEMA
3.0 UNITS
Class hours: 3.0 Lecture
This course explores the evolution of contemporary African cinema from Ousmane Sembene, the "father of African cinema," to Nollywood. It examines its transformative role in creating social change and disrupting oppressive Western colonial representation of Africa, its diverse cultures and peoples. Scholarly readings from Film, Postcolonial, and Africana Studies will provide further analysis and understanding of this dynamic cultural expression.
and how it intersects with issues of gender, race, class, and other systems of power.

*Transfer Credit: CSU*

**AFRS 226**  
**AFRICAN AMERICAN LITERATURE**  
3.0 UNITS

Class hours: 3.0 Lecture

Pre-requisite: ENGL 52, or ENGL 72, or ESL 152, or equivalent with a grade of "C", or higher or "Pass", or completion of the English assessment/placement Process with eligibility for ENGL 100 or ENGL 100S.

This course is a study of selected or representative literature of African American authors, their viewpoints, styles, forms, and themes. The genres included will be the novel, the short story, drama, poetry, autobiography, essays, and oral performance. Modern and contemporary authors will be highlighted. This course is not open to students who are currently enrolled in or have completed ENGL 226.

*Transfer Credit: CSU; UC*

**AMERICAN SIGN LANGUAGE (ASL)**  
(Liberal Arts Division)

**ASL 110**  
**AMERICAN SIGN LANGUAGE I**  
4.0 UNITS

Class hours: 4.0 Lecture/1.0 Laboratory

This beginning course is designed for students who wish to develop technical and grammatical knowledge of American Sign Language (ASL). This course is taught within the context of deaf culture, students will increase their ability to communicate in ASL. This course focuses on ASL structure and grammatical features as used by native signers. The goal is to take students with little or no knowledge of ASL and Deaf culture and provide them with the skills needed to communicate comfortably in a wide variety of situations in the Deaf community. This course is not open to students who have received credit in SL 102.

*Transfer Credit: CSU; UC*

**ASL 111**  
**AMERICAN SIGN LANGUAGE II**  
4.0 UNITS

Class hours: 4.0 Lecture/1.0 Laboratory

Prerequisite: SL 101 or ASL 110 or equivalent with a grade of "C" or higher or "Pass".

American Sign Language II takes students who have some knowledge of basic and beginning sign language to the point where they can function comfortably in a wide variety of situations in the Deaf community. Since students will most likely continue their learning in the Deaf community, it is essential that they learn appropriate behaviors and show awareness of, and respect for Deaf culture. Deaf culture is taught throughout the curriculum using total immersion of American Sign Language. This course uses multimedia presentations, activities, and exercised practice using American Sign Language. This course is not open to students who have received credit in SL 102.

*Transfer Credit: CSU; UC*

**ASL 210**  
**AMERICAN SIGN LANGUAGE III**  
4.0 UNITS

Class hours: 4.0 Lecture/1.0 Laboratory

Prerequisite: SL 102 or ASL 111 or equivalent with a grade of "C" or higher of "Pass".

American Sign Language (ASL) III takes students who have knowledge of basic and intermediate sign language to the point where they can function comfortably in a wide variety of situations in the Deaf Community. Since students will most likely continue their learning in the Deaf community, it is essential that they learn appropriate behaviors and showing awareness of and respect for Deaf culture. Deaf culture is taught
throughout the curriculum. This course uses multimedia presentations, activities, and exercises for advanced practice using American Sign Language. The course will provide students with cultural information and current linguistic research. This course is not open to students who have received credit in SL 201.

Transfer Credit: CSU; UC

ASL 211
AMERICAN SIGN LANGUAGE IV
4.0 UNITS

Class hours: 4.0 Lecture/1.0 Laboratory
Prerequisite: SL 201 or ASL 210 or equivalent with a grade of “C” or higher or “Pass”.

This fourth level American Sign Language (ASL) course continues the study of ASL with the context of Deaf culture. This course will emphasize the acquisition of advanced conversational and narrative skills in receptive, expressive to develop language fluency at the advanced level. This course provides the expanded review of ASL grammar and vocabulary necessary to acquire these skills. Students will also be introduced to the syntactical structure, grammatical patterns, and current linguistic research through lectures, homework assignments, and reading assignments.

Transfer Credit: CSU; UC

ASL 215
BEGINNING INTERPRETING AND ETHICS 1
3.0 UNITS

Class hours: 3.0 Lecture
Prerequisite: Completion of ASL 210 or equivalent with a grade of “C” or higher or “Pass”.

This course is designed to provide students with the historical, theoretical, and practical knowledge of the ASL-English interpreting profession.

Transfer Credit: CSU

ASL 216
BEGINNING INTERPRETING AND ETHICS 2
3.0 UNITS

Class hours: 3.0 Lecture
Prerequisite: ASL 211 or ASL 215 or equivalent with a grade of “C” or higher or "Pass".

This course is designed to provide students with the cognitive skills needed to begin translating from English to ASL and ASL to English.

Transfer Credit: CSU

ASL 220
DEAF CULTURE
3.0 UNITS

Class hours: 3.0 Lecture

This course provides a broad, in-depth exploration of how Deaf people are best understood from a cultural perspective, with topics on how culture is defined, how Deaf culture has evolved over the years, analysis of various segments of the Deaf community, Deaf cultural norms, Deaf art and literature and living as Deaf individuals.

Transfer Credit: CSU; UC

ANATOMY & PHYSIOLOGY (A&P)
(Science, Engineering & Math Division)

A&P 120
INTRODUCTION TO HUMAN ANATOMY AND PHYSIOLOGY
4.0 UNITS

Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.

This course is designed as a survey of human anatomy and physiology. It covers the basic principles of human anatomy and physiology including a survey of the tissues, organ systems, and principal anatomical features. Emphasis is also placed on integrated organ system physiology, human genetics and development. (This course is designed primarily for non-biology majors).

Transfer Credit: CSU; UC*

*UC credit limits may apply.
A&P 150
INTRODUCTION TO HUMAN ANATOMY 4.0 UNITS
Class hours: 3.0
Lecture/3.0 Laboratory
Prerequisite: ENGL 100 or ENGL 100S equivalent with a grade of “C” or higher or “Pass”.
Recommendation: A&P 120 or equivalent with a grade of “C” or higher or “Pass”.
This course examines the gross and microscopic anatomy of the human body using a systems approach. The course is designed for pre-nursing students; however, it also meets the needs of the allied health programs and physical education program.
Transfer Credit: CSU; UC*
*UC credit limits may apply.

A&P 151
INTRODUCTION TO HUMAN PHYSIOLOGY 4.0 UNITS
Class hours: 3.0
Lecture/3.0 Laboratory
Prerequisite: A&P 150 or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: CHEM 100 or equivalents with grades of “C” or higher or “Pass”.
This course involves a detailed study of the function of the human body with an emphasis on the maintenance of homeostasis by the various organ systems. This course will meet the requirements of four year nursing, dental hygiene, physical therapy, paramedical, physical education, and related majors.
Transfer Credit: CSU; UC*
*UC credit limits may apply.

A&P 200
HUMAN ANATOMY 5.0 UNITS
Class hours: 3.0
Lecture/6.0 Laboratory
Prerequisite: A&P 200 and CHEM 100 or equivalents with grades of “C” or higher or “Pass”.
This course emphasizes the gross structure, microscopic anatomy, and embryology of the organ systems of the human body. Emphasis is placed on showing the complementarity structure and function of cellular, tissue, organ, and systems levels. This course is one of the courses that satisfies the requirements of majors in four-year Nursing Programs, Physical Therapy, PEX/Kinesiology, Dental Hygiene, and related fields.
Transfer Credit: CSU; UC*

A&P 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0
Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given
Departments. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

**ANTH 100 CULTURAL ANTHROPOLOGY 3.0 UNITS**
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S and READ 54 or READ 97 or READ 102 with a grade of “C” or higher, or “Pass” or completion of the Reading assessment/placement process with a score of “Reading Exempt”.

This course traces the social behavior of present societies exploring various cultures on earth. The class will study those societies in terms of culture growth, through a survey of the basic, learned behavior patterns. Thus the class will study a wide range of cultural phenomena, including material culture, social organization, customs, religions, languages, family life, economics, the arts and literature. (This course is not open to students who are currently enrolled in or who have received credit for Anthropology 101.)

Transfer Credit: CSU; UC C-ID: ANTH 120

**ANTH 110 INTRODUCTION TO FORENSIC ANTHROPOLOGY 3.0 UNITS**
Class hours: 3.0 Lecture/1.0 Laboratory
Recommendation: ANTH 115 or ANTH 115L or A&P 120 with a grade of “C” or higher “Pass”.

This course focuses on human osteology, the standard scientific techniques used to make determinations of age, sex, ancestry, stature, and pathology. It provides a basic overview of the analytical techniques and procedures used in the medical-legal framework.

Transfer Credit: CSU

**ANTH 115 PHYSICAL ANTHROPOLOGY 3.0 UNITS**
Class hours: 3.0 Lecture

This course is about the human past; where we came from and how we got to be the way we are today in terms of both biological and cultural evolution. The topics covered will include:
the origin and development of the human species; heredity and population genetics; fossil evidence; the human’s relation to the rest of the animal kingdom; and modern human diversity and variation.

*Transfer Credit: CSU; UC C-ID: ANTH 110*

**ANTH 115L**
**INTRODUCTION TO PHYSICAL ANTHROPOLOGY LAB**

1.0 UNIT

Class hours: 3.0 Laboratory
Prerequisite: ANTH 115 with a grade of "C" or higher or "Pass," or concurrent enrollment.

This course is a comparative study of both human and non-human primates, human variation, evolution, genetics, forensic anthropology, the primate fossil record, and provides a coordinated laboratory experience with ANTH 115.

*Transfer Credit: CSU; UC C-ID: ANTH 115L*

**ANTH 120**
**INTRODUCTION TO ARCHAEOLOGY**

3.0 UNITS

Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of English assessment/placement process or ENGL 52 or equivalent with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of “C” or higher or “Pass”.

This course introduces the student to the study of language from an anthropological perspective. Methodology, language and cultural meaning, status and language variation, acquisition of language, multilingualism, and language and institutions will be explored within a cross-cultural perspective.

*Transfer Course: CSU; UC C-ID: ANTH 130*

**ANTH 170**
**INTRODUCTION TO LANGUAGE AND CULTURE**

3.0 UNITS

Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of English assessment/placement process or ENGL 52 or equivalent with a grade of “C” or higher or “Pass,” or concurrent enrollment.

This course explores the world of the archaeologist in order to appreciate the impact that the study of antiquities has had in understanding modern human cultures.

*Transfer Credit: CSU; UC C-ID: ANTH 150*

**ANTH 200**
**NATIVE PEOPLES OF NORTH AMERICA**

3.0 UNITS

Class hours: 3.0 Lecture

The course is a study of the origins, culture areas, and sociocultural patterns of the native Americans, north of Mexico. This will include a study of the historic spectrum, from prehistory to contemporary times. Emphasis will be on the culture change after contact with Europeans, and the impact of the Western expansion.

*Transfer Credit: CSU; UC*

**ANTH 202**
**THE MAYA, INCA AND AZTECS: ANCIENT CIVILIZATIONS OF THE AMERICAS**

3.0 UNITS

Class hours: 3.0 Lecture

This course is a survey of ancient Indian culture of Northern, Middle and South America, including their prehistory and social, political, and religious beliefs. The impact of European contact and resultant adaptations, as well as current life situations of tribal descendent in contemporary society will be examined.

*Transfer Credit: CSU; UC*
ANTH 203
THE ANTHROPOLOGY OF MAGIC, WITCHCRAFT, AND RELIGION
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation:
Satisfactory completion of the English assessment/placement process or ENGL 52 or equivalent with a grade of "C" or higher or "Pass" and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of "C" or higher or "Pass".
This course is a cross-cultural study of the forms and functions of supernatural beliefs and associated rituals in primarily nonwestern societies. Emphasis is on understanding beliefs and rituals involved in animism, individualistic cults, shamanism, totemism, ancestor worship and witchcraft within their social contexts and within the larger scope of religion and human life.
Transfer Credit: CSU; UC

ANTH 205
THE ANTHROPOLOGY OF SEXUALITY AND GENDER
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S and satisfactory completion of READ 54 or READ 97 with a grade of "C" or higher or "Pass" or completion of the Reading assessment/placement process with a score of "Reading Exempt".
This course examines the cultural construction of human sexuality and gender in an anthropological framework. Biological and cultural bases for the multiple expressions of sexuality and gender found around the world will be presented. Case studies will include food foraging, horticultural, agricultural, industrial, and post-industrial societies. A central concern is the interaction between subsistence practices, cultural economies, and status in the construction of "normal" and "abnormal" sexualities and genders.
This course is not open to students who are currently enrolled in or have completed ANTH 204, WS 205, or WGS 205.
Transfer Credit: CSU; UC

ANTH 206
THE ANTHROPOLOGY OF DEATH AND DYING
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation:
Completion of ANTH 100 or equivalent with a grade of "C" or higher or "Pass".
This course is a cross-cultural study of the human response to death, dying, mourning, and remembrance. Using a multi-subfield (cultural, physical, and archaeological) anthropological approach we will survey the variations that exist through time and space in the cultural construction of death, the treatment of mortal remains, as well as the individual and social response to loss.
Transfer Credit: CSU; UC

ANTH 298
DIRECTED STUDIES
1.0 UNIT
Class hours: 3.0
Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.
Transfer Credit: CSU
ANTH 299
DIRECTED STUDIES  2.0 UNITS

Class hours: 6.0
Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

ARCHITECTURE (ARCH)
(Technology Division)

ARCH 101
INTRODUCTION TO CIVIL ENGINEERING AND ARCHITECTURE  4.0 UNITS

Class hours: 3.0
Lecture/3.0 Laboratory

This course introduces the student to the design and construction practices of residential and commercial building projects, design teams and teamwork, communication methods, building codes and ordinances, engineering design calculations, and technical documentation. Students will use industry standard 3D architectural modeling software to facilitate site and building design and technical documentation. Students will use the activity-project-problem-based learning approach to develop their interpersonal skills and creative abilities while applying math, science, and technology knowledge to solve design problems and communicate their solutions.

Transfer Credit: CSU

ARCH 111
ARCHITECTURAL DRAFTING AND DESIGN I  3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory

This course is an introduction to the preparation of architectural working drawings. The course includes drawing conventions, design considerations, and the relationship between different types of architectural drawings, specifications, and construction techniques. Emphasis is placed on residential construction and commercial buildings. The theory of computer-aided drafting is included.

Transfer Credit: CSU

ARCH 110
INTRODUCTION TO ARCHITECTURE AND ENVIRONMENTAL DESIGN  3.0 UNITS

Class hours: 3.0 Lecture

This course provides an overview of the architectural profession allowing the student to make an informed career choice. Topics include professional ethics, licensing and educational requirements, career opportunities in related fields, typical organizational structure of architectural firms, legal requirements, and a review of contemporary issues facing the profession.

Transfer Credit: CSU; UC

ARCH 112
HISTORY OF ARCHITECTURE  3.0 UNITS

Class hours: 3.0 Lecture

This course is a survey of the history of architecture from the birth of civilization to the present. Emphasis is placed upon the understanding of the technological, sociological, aesthetic, and artistic influences which determine our built environment. This course will familiarize students with the different architectural periods as well as their characteristic design elements and significant architects.

Transfer Credit: CSU; UC
ARCH 113
BUILDING CODES  
4.0 UNITS
Class hours: 4.0 Lecture
This course is an in-depth study of the statutes and regulations which have been established by law to protect the public health, safety, and welfare. Analysis of the construction of buildings, their use, and accessibility requirements in compliance with applicable laws will be stressed.
Transfer Credit: CSU

ARCH 114
GREEN ARCHITECTURE AND LEED  
3.0 UNITS
Class hours: 3.0 Lecture
This course is an introduction to sustainable architecture and Leadership in Energy and Environmental Design (LEED). Exercises emphasize the development of basic skills used in the design of environmentally friendly architectural projects. Focus is on the investigation of the relationship between planetary concerns, energy, indoor air, quality, site selection, building orientation, and alternative construction techniques.
Transfer Credit: CSU

ARCH 111
ARCHITECTURAL DRAFTING AND DESIGN II  
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: ARCH 111 or equivalent with a grade of "C" or higher or "Pass" or appropriate work experience.
This course is a continuation of the study of methods utilized in the preparation of architectural working drawings. This course includes advanced drawing conventions, design considerations, construction specifications, and structural requirements. Analysis of the materials and construction details of commercial and industrial buildings is given. Emphasis on the purpose and presentation of working drawings and their relationship to building codes is provided.
Transfer Credit: CSU

ARCH 121
ARCHITECTURAL DRAFTING AND DESIGN I  
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: ARCH 111 or equivalent with a grade of "C" or higher or "Pass" or appropriate work experience.
This course is a continuation of the study of methods utilized in the preparation of architectural working drawings. This course includes advanced drawing conventions, design considerations, construction specifications, and structural requirements. Analysis of the materials and construction details of commercial and industrial buildings is given. Emphasis on the purpose and presentation of working drawings and their relationship to building codes is provided.
Transfer Credit: CSU

ARCH 122
ARCHITECTURAL DELINEATION  
2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is a study of, and laboratory experience in, three-dimensional representations including renderings, perspective drawings, paraline drawings and presentation drawings of architectural projects. Emphasis is on the techniques of various drawing media which will enable the students to express their architectural ideas.
Transfer Credit: CSU; UC

ARCH 123
INTRODUCTION TO 2D COMPUTER AIDED DRAFTING  
4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
This course provides an introduction to two-dimensional computer aided drafting and design using AutoCAD software. Students will learn the fundamentals of creating and modifying objects, the placing of text and dimensions, working with blocks and hatches, and creating professional quality output. Hands-on exercises will be used to reinforce the functions of AutoCAD. Students who repeat this course will improve skills through further practice and remain current with the latest software updates.
Transfer Credit: CSU

ARCH 212
ARCHITECTURAL DESIGN THEORY I  
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
This course is an introduction to the creative thinking process and its application to basic architectural design theory. Exercises emphasize the development of basic skills and presentation
techniques used in the
design of simplified
architectural projects. Focus
on the investigation of the
relationship between
theoretical concepts, color,
space, form, and texture is
emphasized.
Transfer Credit: CSU; UC

ARCH 213
INTRODUCTION TO 3-D
COMPUTER AIDED
DRAFTING
4.0 UNITS
Class hours: 3.0
Lecture/3.0 Laboratory

This course provides an
introduction to three-
dimensional computer
aided drafting and design
using AutoCAD software.
Students will learn the
fundamentals of creating
and modifying three-
dimensional objects, the
placing of cameras and
lights, the creation and
application of materials,
computer rendering
techniques, and creating
professional quality output.
Hands-on exercises will be
used to reinforce the
functions of the applicable
software.
Transfer Credit: CSU

ARCH 221
AUTOCAD ARCHITECTURE
4.0 UNITS
Class hours: 3.0
Lecture/3.0 Laboratory

This course provides an
introduction to the
production of three-
dimensional building design
models and working
drawings using AutoCAD
Architecture software.
Students will learn the
fundamentals of creating
and modifying three-
dimensional massing
objects, creating floor plans
with doors and windows, the
placing of roof and stairs,
generating building
elevations and sections,
annotating and
documenting the drawings,
creating a building walk-
through, and creating
professional quality output.
Hands-on exercises will be
used to reinforce the
functions of AutoCAD
Architecture. Students who
repeat this course will
improve skills through
further practice and remain
current with the latest
software updates.
Transfer Credit: CSU

ARCH 222
ARCHITECTURAL DESIGN
THEORY II
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ARCH 212 or
equivalent with a grade of
“C” or higher or “Pass” or
appropriate work
experience.

This course includes the
continued development of
the creative thinking
process and its application
to advanced architectural
design theory, focusing on
the synthesis of the
relationship between
theoretical concepts, space,
color form, and texture. The
emphasis of the course is on
presentation graphics,
models, and the
development of a portfolio of
student work. This course is
particularly applicable to
students wishing to transfer
into a professional
architectural degree
program.
Transfer Credit: CSU

ARCH 223
REVIT ARCHITECTURE
4.0 UNITS
Class hours: 3.0
Lecture/3.0 Laboratory

This course provides an
introduction to the
production of parametric
three-dimensional building
models and working
drawings using Revit
Architecture software.
Students will learn the
fundamentals of creating
and modifying three-
dimensional topography and
building mass objects,
parametric building walls
with floor and roof slabs,
creating floor and reflected
ceiling plans, generating
building elevations and
sections, annotating and
documenting the drawings,
and creating professional
quality renderings. Hands-on
exercises will be used to
reinforce the functions of
Revit Architecture.

ART & DESIGN (ART)
(Fine Arts & Communications Division)

ART 100
INTRODUCTION TO WORLD ART
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 and READ 54 or READ 97 or equivalent with grades of “C” or higher or “Pass”.

This course is an overview of world art from prehistoric times to the present. It is an introduction to the ideas that prompt art making and the search for “beauty” and “truth” (aesthetics) in various cultural contexts. It includes an analysis of the language of the visual arts using examples from throughout the world. It also includes an investigation of the artistic techniques and materials used in painting, printmaking, photography, film, ceramics, sculpture and architecture.

Transfer Credit: CSU; UC
C-ID: ARTH 100

ART 101
ART HISTORY I: PREHISTORY TO GOTHIC
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 and READ 54 or READ 97 or equivalent with grades of “C” or higher or “Pass”.

This course covers art and its role in human affairs from Prehistory to Gothic with an emphasis on giving students an understanding of all of the visual arts. It is designed to be of interest and value to the art and non-art major alike.

Transfer Credit: CSU; UC
C-ID: ARTH 120

ART 102
ART HISTORY II: RENAISSANCE TO ROCOCO
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 and READ 54 or READ 97 or equivalent with grades of “C” or higher or “Pass”.

This course covers art and its role in human affairs from the Renaissance to the Rococo with an emphasis on giving students an understanding of all of the visual arts. It is designed to be of interest and value to the art and non-art major alike.

Transfer Credit: CSU; UC
C-ID: ARTH 120

ART 103
ART HISTORY III: NEOCLASSICAL TO PRESENT
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 and READ 54 or READ 97 or equivalent with grades of “C” or higher or “Pass”.

This course covers art and its role in human affairs from the Neoclassical period to the present with an emphasis on giving students an understanding of all of the visual arts. It is designed to be of interest and value to the art and non-art major alike.

Transfer Credit: CSU; UC
C-ID: ARTH 120

ART 104
AFRICAN ART HISTORY
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 and READ 54 or READ 97 or equivalent with grades of “C” or higher or “Pass”.

This course is an introduction to the history of African art. Students will explore the background, aesthetics, styles and iconography of Africa through slide presentation, in-class discussions and assigned readings.

Transfer Credit: CSU; UC

ART 105A
THE ARTS OF LATIN AMERICA AND THE CARIBBEAN: PRE-COLUMBIAN
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 and READ 54 or READ 97 or equivalent with grades of “C” or higher or “Pass”.

This course is an overview of the art of the Americas prior to European contact. It will include an examination of the cultural, socio-political, and religious influences that have shaped the art of the Americas with a specific focus on the cultures of Mesoamerica, the
This course will consist of lecture, slide presentations, discussion, and analysis of representative art of the various periods and regions.

**Transfer Credit:** CSU; UC

THE ARTS OF LATIN AMERICA AND THE CARIBBEAN: COLONIAL TO THE PRESENT

3.0 UNITS

Class hours: 3.0 Lecture

Recommendation: ENGL 52 or ENGL 72 or ESL 152 and READ 54 or READ 97 or equivalent with grades of “C” or higher or “Pass”.

This course is an overview of the arts in colonial and post-colonial Latin America and the Caribbean. It will include an examination of the cultural, socio-political, and religious influences that have shaped Latin American and Caribbean art movements with a special focus on colonial hybridity, independence and nationalist movements, globalization, and cultural reactions to modernism and post-modernism. The course will consist of lecture, slide presentation, discussion, and analysis of representative art of the various periods and locations.

**Transfer Credit:** CSU; UC

**ART 106**
MEXICAN ART

3.0 UNITS

Class hours: 3.0 Lecture

Recommendation: ENGL 52 and READ 54 or equivalent with grades of “C” or higher or “Pass”.

This course is a survey of Mexican art history, from Pre-Columbian to Chicano art. It will include an examination of the cultural, socio-political and religious influences that have shaped the art of Mexico. The course will consist of lecture, slide presentation, discussion, and analysis of representative art of the various periods.

**Transfer Credit:** CSU; UC

**ART 107**
ASIAN ART HISTORY

3.0 UNITS

Class hours: 3.0 Lecture

Recommendation: ENGL 52 or ENGL 72 or ESL 152 and READ 54 or READ 97 or equivalent with grades of “C” or higher or “Pass”.

Asian art history surveys the arts of India, Thailand, Cambodia, Vietnam, Java, China, Korea and Japan. Architecture, painting, sculpture, printmaking and other arts are examined within their philosophical, religious, intellectual and social contexts.

**Transfer Credit:** CSU; UC

C-ID: ARTH 130

**ART 108**
BLACK IMAGES IN POPULAR CULTURE

3.0 UNITS

Class hours: 3.0 Lecture

Recommendation: ENGL 52 and READ 54 or equivalent with grades of “C” or higher or “Pass” is strongly recommended.

This course surveys the depiction and development of images of Blacks and the stereotypes created in Western culture. The various means artists have used to counter those stereotypes by using techniques of resistance and counter narratives will be examined. Students will study fine art, comic books, comic strips, cartoons, advertising, literature, music, dance, theatre, cinema, broadcasting and television. Writing a research paper is a significant component of the course. Reading of literature theory and criticism is required. This course is not open to students who are enrolled in or who have received credit in HUM 108.

**Transfer Credit:** CSU; UC

**ART 109**
GENDER AND SEXUALITY IN ART

3.0 UNITS

Class hours: 3.0 Lecture

Recommendation: ENGL 52 and READ 54 or equivalent with grades of “C” or higher or “Pass” is strongly recommended.

This class will investigate the relationship between
gender and sexuality through and examination of visual art, cinema, television, video, and advertising. Close attention will be given to how popular and artistic cultures shape identity and representation. Writing a research paper is a significant component of the course. College level reading is required. This course is not open to students who are enrolled in or who have received credit in HUM 109.

Transfer Credit: CSU; UC

ART 110
FREEHAND DRAWING
3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory

This course is a continuation of the hands-on studio experience of ART 110. The course will explore abstraction, cubism and conceptual ideas based on music, poetry and film that have affected art and culture. It will also synthesize the traditional concepts of drawing with the contemporary approaches to drawing since the 20th century. Students will analyze cultural influences, themes and movements in art history from the Renaissance to our current avant-garde and relate them to the creative process of drawing. The course is designed to help identify and enhance each student's individual sensibilities.

Transfer Credit: CSU; UC

ART 111
INTERMEDIATE FREEHAND DRAWING
3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory

This course teaches the technical and perceptual skills involved with observing and drawing the human figure. By using the human figure as a vehicle, students learn to define the technical and conceptual elements of drawing and the perspective, of human form in space. Demonstrations are given on the use of a variety of materials, including graphite, charcoal, conte crayon, ink, colored pastels, and watercolor. The course focuses on the figure, exploring anatomical structure, using light logic, spatial relationships, and creating compositions based on the figure and its environment. This course also helps identify and enhance students’ individual sensibilities toward drawing from observation and using their personal expression. This course generates an understanding and appreciation of the tradition in art through exposure to and analysis of master drawings of the Renaissance through contemporary art historical periods.

Transfer Credit: CSU; UC

C-ID: ARTS 200

ART 113
ART, SCIENCE, AND TECHNOLOGY
3.0 UNITS

Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S and READ 54 or READ 97 or equivalent with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with a score of “Reading Exempt.”

This course is an overview of the intersections between art, science, and technology, as well as their broader
impact on, and interaction with, visual and material culture. Areas of focus will include the social impact of scientific innovations, technology-driven art, and art/ science collaborative projects, including discussions of code-based and algorithmic art, data visualization, robotic and interactive art, machine aesthetics, body modification and cyborg experiments, ecological and environmental art, conceptual Internet projects, culture jamming and hacktivist art, game art and virtual reality, surveillance art, and tele-presence and locative media.

*Transfer Credit: CSU; UC*

**ART 114**
**STORYBOARDING AND ANIMATION PRINCIPLES FOR FILM**

3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory

This course looks at visual storytelling techniques using storyboards and the principles of animation to effectively communicate a story through pre-visualization and hand drawing of sequences for a live-action production, graphic novel illustration or a character- based animation project. (This course is not open to students who are enrolled in or who have received credit in FILM 114.)

*Transfer Credit: CSU*

**ART 115L**
**PRINTMAKING LAB**

1.0 UNIT

Class hours: 3.0 Laboratory
Corequisite: Concurrent enrollment in ART 116 or ART 117

This is a lab course intended to complement other courses in the Printmaking curriculum. It is designed to give practical experience in working with the techniques of relief printing, intaglio (etching, aquatint, drypoint, softground, viscosity, and photoetching), screen printing, collagraphy, embossing, and monotype. The course will increase the skill and creative output of the student in areas of his/her choice.

*Transfer Credit: CSU; UC*

**ART 116**
**BEGINNING PRINTMAKING**

3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory

This is an introductory course in the theory and practice of printmaking that will expose the student to the historical development and contemporary practice of printmaking as an original art form. The student will explore the processes of relief printmaking (linocut and woodcut) intaglio printmaking (etching, drypoint, and softground), and screenprinting and their contemporary interaction with photographics and digital imagemaking through application and appreciation. Recommended for drawing and painting majors, graphic design majors, and photography majors.

*Transfer Credit: CSU; UC*

**ART 117**
**INTERMEDIATE PRINTMAKING**

3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 116 or equivalent with a grade of “C” or higher or “Pass”.

This is a course designed to further the student’s investigation into the aesthetics and techniques of screenprinting, intaglio (aquatint etching softground, whiteground, sugarlift), multiple color relief printmaking, and collagraphy. Related photographic and digital image-making techniques will be studied and applied further, such as photo-screenprinting, photo-etching, halftoning, posterization technique, and use of the enlarger, digital camera, flatbed scanner, and slide scanner.

*Transfer Credit: CSU; UC*
ART 118  
HISTORY OF WOMEN IN VISUAL ARTS  
3.0 UNITS  
Class hours: 3.0 Lecture  
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S and READ 54 or READ 97 or equivalent with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with a score of “Reading Exempt.”  
This course provides an introduction to the role of women in the visual arts as subjects, patrons, and artists. The course examines global case studies of female involvement in the visual arts from the medieval period through the present. Particular attention is paid to issues of female agency, historical gender roles, and female artists and patrons who shaped the discipline of Art History. This course is not open to students who are currently enrolled or have completed WS 118 or WGS 118.  
Transfer Credit: CSU; UC

ART 119A  
INTRODUCTION TO MUSEUM STUDIES  
3.0 UNITS  
Class hours: 3.0 Lecture  
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S and READ 54 or READ 97 or equivalent with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with a score of “Reading Exempt.”  
This course provides a broad introduction to the operation of various types of museums (art, historical, natural history, science) and galleries (academic, commercial, artist-run spaces). It is designed to introduce students to the various jobs and responsibilities that exist within museums including exhibition design and curation, education, archival research, collection management, and conservation. Emphasis is placed on exploring the historical, theoretical, and practical aspects involved in the collection and display of visual and cultural objects, especially as this relates to social conditions and political ideologies. Numerous landmark and contemporary exhibitions are used as case studies for exploring and analyzing these issues in specific contexts.  
Transfer Credit: CSU; UC

ART 120  
TWO-DIMENSIONAL DESIGN  
3.0 UNITS  
Class hours: 2.0 Lecture/4.0 Laboratory  
ART 120 is an intensive studio course that introduces the practical and the conceptual aspects of two-dimensional design. Working in both color and black and white, students will use the materials, tools, and techniques of design to create a portfolio. They will study the aesthetic functions and formal concerns of line, shape, value, texture, and surface and develop the understanding and vocabulary of the two-dimensional design.  
Transfer Credit: CSU; UC

ART 121  
THREE-DIMENSIONAL DESIGN  
3.0 UNITS  
Class hours: 2.0 Lecture/4.0 Laboratory  
Prerequisite: ART 120 or equivalent with a grade of “C” or higher or “Pass”.  
This course will serve as an introduction to organization and problem solving in three-dimensions with an emphasis on formal concerns. It will also serve as an introduction to the materials, techniques and tools used in the making of three-dimensional forms. This course will emphasize the use and comprehension of the vocabulary of three-dimensional design and its application to the visual image.  
Transfer Credit: CSU; UC

CERRITOS COLLEGE 2023–24
ART 122
COLOR THEORY
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: Completion of Art 110 or Art 120 or equivalent with a grade of "C" or higher or "Pass".
ART 122 is an intensive studio course that introduces the visual and the conceptual interactions of color theory pertaining to painting, drawing, photography media arts and design. The course utilizes the historical theories of color by previous artists to study the distinctive color properties and functions. The course investigates color symbolism and composition through isolation and reintegration of the elements of color theory. Working in both paint and collage, students will use the materials, tools, and techniques of color theory to create a portfolio. They will study the aesthetic functions and formal concerns color and develop the understanding and vocabulary of color theory as it relates to the visual arts. The course combines lecture, demonstration and critique with hands-on exploration in problem solving.
Transfer Credit: CSU; UC
C-ID: ARTS 270

ART 124
INTRODUCTION TO MEDIA STUDIES
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S and READ 54 or READ 97 or equivalent with a grade of "C" or higher or "Pass" or completion of the Reading assessment/placement process with a score of "Reading Exempt".
Introduction to Media Studies will survey the historical development of media: film, video, television, video games, Internet, and new media; examine media theory, its philosophy and aesthetic; and consider its political, social and cultural impact on the individual and society. This course will analyze modes of spectatorship and the impact of changing technologies and institutions within a broad media landscape.
Transfer Credit: CSU; UC

ART 125
INTRODUCTION TO VISUAL AND CULTURAL STUDIES
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass," or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S, and READ 54 or READ 97 or equivalent with a grade of "C" or higher or "Pass," or completion of the Reading assessment/placement process with a score of "Reading Exempt."
This foundation course introduces the essential skills required in visual and cultural studies, including research methodologies and critical theory. Emphasis is placed on critical and creative thinking skills associated with interdisciplinary scholarship. This seminar course culminates in an independent research project. This course is not open to students who are enrolled in or who have received credit in HUM 125.
Transfer Credit: CSU; UC
ART 126
HISTORY OF FURNITURE DESIGN
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" and READ 54 or READ 97 or READ 101 or READ 102 or equivalent with a grade of "C" or higher or "Pass"
This course introduces students to the historical development of furniture from pre-history to contemporary examples from across the world. Period, regional, and major design movements are presented with lectures, videos, and readings. Emphasis is placed on the development of styles, motifs, ornamentation, manufacturing processes, and uses as they respond to cultural forces such as class, gender, sexuality, race, ethnicity, emerging economies, cultural exchange and appropriation.
This course is not open to students who are enrolled in or have received credit in WMT 126.
Transfer Credit: CSU

ART 130A
FUNDAMENTALS OF PAINTING
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: ART 110 or equivalent with a grade of "C" or higher or "Pass".
Recommendation: ART 120 or equivalent with a grade of "C" or higher or "Pass"
This course is an introduction to the material and creative process of painting. The course emphasizes the fundamental techniques and concepts of drawing and painting. The course is a hands-on studio experience that teaches students the formal elements of painting, including accurate observation, composition, proportion, perspective, pictorial space, light logic, color theory, the handling of paint, and creative expression. Students will learn to paint various subject matter, including still-life, portrait, landscape, and original narrative compositions. The course will provide an art historical context to the development of painting, cultural impact, and how art has developed from the Renaissance through Contemporary Art movements. Lectures and critiques open the student to a deeper sensibility as well as an increased theoretical understanding of painting.
Transfer Credit: CSU; UC

ART 130B
FUNDAMENTALS OF PAINTING
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: ART 130A or equivalent with a grade of "C" or higher or "Pass".
This course is a continuation of ART 130A. The student works more deliberately with the expressive properties of color, value, and the organization of pictorial space. A variety of painting problems including still life, portrait, landscape, and narrative painting provide students an opportunity to discover their individual artistic sensibilities. The course will provide an art historical context to the development of painting, cultural impact, and how art has developed from the Renaissance through Contemporary Art movements. Lectures and critiques open the student to a deeper sensibility as well as an increased theoretical understanding of painting.
Transfer Credit: CSU; UC

ART 136
PAINTING FOR ART MAJORS
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: ART 110 or equivalent with a grade of "C" or higher or "Pass".
Recommendation: ART 120 or equivalent with a grade of "C" or higher or "Pass".
This course is designed to provide the basic foundational skills of painting and art historical timeline to the development of painting.
Transfer Credit: CSU; UC
This is a course in painting designed specifically for art majors. Topics include use and manipulation of painting materials and color; depicting mood and sensation; expression of form, application of paint, and communicating through imagery and composition. Projects include creative thinking as applied to non-objective painting, formal invention, and symbolic imagery. Knowledge of art history is expanded through gallery and museum visits and assigned reading. This course introduces the history and evolution of painting as an art form and contemporary purposes are discussed in slide lectures and demonstrations. Students learn modernist approaches to painting, including Impressionism, Expressionism, Symbolism, Surrealism, and Abstraction are introduced to students as they develop their individual approaches to creating narrative paintings.

Transfer Credit: CSU; UC
C-ID: ARTS 210

ART 150
INTRODUCTION TO CERAMICS
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
This course is designed as an introduction to the ideas, techniques, history, and traditional of the art of ceramics.

Transfer Credit: CSU; UC

ART 151
CERAMICS-BEGINNING WHEELTHROWING
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 150 or equivalent with a grade of “C” or higher or “Pass”.

The course builds on the knowledge and skills learned in ART 150, Introduction to Ceramics. Emphasis is on the use of the potter’s wheel.

Transfer Credit: CSU

ART 152
CERAMICS-BEGINNING HANDBUILDING
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 150 or equivalent with a grade of “C” or higher or “Pass”.

This course builds on techniques learned in ART 150, Introduction to Ceramics. Emphasis is on the use of complex hand-forming techniques.

Transfer Credit: CSU

ART 153
CERAMICS-INTERMEDIATE WHEELTHROWING
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: ART 151 or equivalent with a grade of “C” or higher or “Pass”.

This course builds on techniques learned in ART 151. Emphasis is on the use of the potter’s wheel. Glaze technology is introduced.

Transfer Credit: CSU

ART 154
CERAMIC-INTERMEDIATE HANDBUILDING
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 152 or equivalent with a grade of “C” or higher or “Pass”.

This course builds on techniques learned in ART 152. Emphasis is on the use of complex hand-forming techniques. Glaze technology is introduced.

Transfer Credit: CSU

ART 155
BEGINNING CERAMIC SCULPTURE
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 150 or equivalent with a grade of “C” or higher or “Pass”.

This course is designed as an introduction to the ideas, techniques, and tradition of the art of ceramic sculpture.

Transfer Credit: CSU; UC

ART 156L
CERAMICS LAB
1.0 UNIT
Class hours: 3.8 Laboratory
Corequisite: One or more of the following courses: ART 150, ART 151, ART 152, ART 155, ART 252, ART 253 or ART 255
Open Entry/Open Exit
This lab course is intended to complement the other courses in the ceramics curriculum. It is designed to give practical experience in the techniques and
technology of ceramics, including hand building, wheel-throwing, sculpture, surface treatments, and glazing. The course will improve the skills and creativity of students enrolled in the ceramics courses.

Transfer Credit: CSU

ART 162
INTRODUCTION TO SCULPTURE  3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
Recommendation: ART 121 or equivalent with a grade of “C” or higher or “Pass”.
This course is designed as an introduction to the ideas, techniques, and materials involved in the making of sculptural forms.

Transfer Credit: CSU; UC

ART 182A
LETTERING AND TYPOGRAPHY  3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
The exploration of lettering and typography, its creation, use and function in printing, packaging, publishing, and advertising constitute the basis for this course. Skills will be developed through practical studio exercises using both hand skills and computer typography. The classification of type styles will be learned and the basic elements of typography will be explored.

Transfer Credit: CSU

ART 182B
LETTERING AND TYPOGRAPHY II  3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 182A or equivalent with a grade of “C” or higher or “Pass”.
The design and application of letter forms requiring increased technical skills and intensive experience in the use of current and computer graphics programs provide the basis for this second semester of lettering and typography. Topics include illustrative lettering, experimental typography, computer-designed letter forms, digital typography and type design.

Transfer Credit: CSU

ART 186
COMPUTER GRAPHICS WITH ADOBE ILLUSTRATOR  3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
This course covers the basic concepts and techniques of computer graphics. The principles of art and design are taught in a studio setting emphasizing hands-on experience. Students create original illustrations using vector-based graphics software.

Transfer Credit: CSU

ART 188
DESIGN FOR DIGITAL PUBLISHING  3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
This course covers design and layout systems for digital publishing stressing typography and grid-based design. Formatting graphics such as illustrations, logos and photographs for print or interactive publishing will be covered emphasizing hands-on experience.

Transfer Credit: CSU

ART 191A
3D COMPUTER ANIMATION  3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
This course will serve as an introduction to 3D computer animation by taking animation principles developed in classical animation and applying those techniques using
computer animation software. Particular emphasis will be placed on character modeling, anthropomorphic techniques, and character modeling. Topics will also include lighting composition, and rendering. Students will animate and render a short narrative as the final project.

Transfer Credit: CSU

ART 191B
3D COMPUTER ANIMATION PROJECT
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 191A or equivalent with a grade of "C" or higher or "Pass".
This course will provide students with the opportunity to continue their exploration of 3D computer animation by writing, modeling, storyboarding, and animating an original animation short. Topics will include storyboard creation, shot development, editing, and sound design.

Transfer Credit: CSU

ART 192
PHOTOSHOP/DIGITAL IMAGING
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
This course covers image editing of photographic media for commercial art direction using Adobe Photoshop. Emphasis is on more advanced Photoshop techniques as well as more involved design projects that will further enhance the student's portfolio.

Transfer Credit: CSU

ART 193
MOTION PICTURE EDITING
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
This course will serve as an introduction to motion picture editing by taking students through the history of editing and analyzing specific techniques through class examples of significant films. Students will explore the work of important directors and editors and chart their contributions to the art of cinematic editing. Students will apply their knowledge of editing techniques through exercises on non-linear editing tools where they will edit their own versions of scenes from common footage.

Transfer Credit: CSU

ART 194A
ADVANCED MOTION PICTURE EDITING
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
This course takes students through the more complex aspects of motion picture editing to gain a better understanding of compositing and effects for multimedia and animation.

Transfer Credit: CSU

ART 195
3D MODELING FOR ANIMATION
3.0 UNITS
Class hours: 2.0
Lecture/4.0 Laboratory
This is the first course in the animation major sequence. It serves as an introduction to 3D computer animation, which adopts basic techniques developed in traditional model making and sculpture and applies those procedures to a virtual 3D environment. Emphasis will be placed on fundamental principles beginning with "Primitives" through intermediate approaches using "SubPatches." Other essential topics included are composition, surfacing, lighting, and rendering techniques.
ART 195B
ADVANCED 3D MODELING
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: Completion of ART 195 or equivalent with a grade of "C" or higher or "Pass".
This is the second course in the 3D Modeling sequence. It serves as a continuation of 3D computer modeling for animation, adopts the techniques developed in 3D model making, and applies those procedures to a desktop 3D printed environment. Emphasis will be placed on advanced modeling techniques beginning with "Boolean and Organic Modeling" and developing models for 3D printing using a variety of tools and techniques. Other essential topics included are slicing a 3D model, controlling a 3D printer, and material considerations.
Transfer Credit: CSU

ART 196
WEB DESIGN WITH FLASH AND DREAMWEAVER
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Recommendation: CIS 205 or equivalent with a grade of "C" or higher or "Pass".
The course introduces students to the principles and design skills essential to designing web pages. The students will use page creation software and the tools they provide to create full-featured-interactive web sites.
Transfer Credit: CSU

ART 198
MOTION GRAPHICS AND POSTPRODUCTION EFFECTS
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Recommendation: Art 193 OR FILM 107
This course addresses the process of communication through typographic animation and visual effects. Emphasis is placed on creating emotional expression and identity through composites of video and text. Topics include the combination of on-screen text and imagery in feature films, broadcast applications, video poetry, and fine art videos.
Transfer Credit: CSU

ART 199
SPECIAL TOPICS IN VISUAL AND CULTURAL STUDIES
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
This course will expand on subjects and themes introduced into the core visual and cultural studies offerings. Each topic will focus on themes, perspectives, and issues of special interest to students. The specific focus of a particular offering will be decided by the course instructor and announced in the schedule of classes. This course is not open to students who are enrolled in or who have received credit in HUM 200.
Transfer Credit: CSU

ART 200
WOMEN AND MEDIA
3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the Reading assessment/placement process with a score of "Reading Exempt."
"Women and Media" explores and analyzes the various portrayals of female representation (historical and contemporary) in media, which may include film, television, music video, video games, commercials, and new media; and uses feminist, gender, and queer theory, criticism, and history to understand how popular culture shapes identity and representation of the female gender in accordance to its
socio-historical, political, and economic contexts, as well as values and cultural norms. The intersection of race, social class, ethnicity, religion, disability, sub-cultures, and sexual orientation will be analyzed, along with social and political movements that inform and assist the construction of these images in a global context. This course is not open to students who are currently enrolled in or completed WS 207 or WGS 207.

Transfer Credit: CSU; UC

ART 213
INTERMEDIATE LIFE DRAWING 3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 112 or equivalent with a grade of “C” or higher or “Pass”.

In this course students continue the process of learning to draw the human figure from observation of a live model. Students practice exploring the rhythm and design inherent in the human figure, seeing and understanding the space a form occupies, understanding the kinesthetics of anatomy, and learning the economy of good drawing technique. This course introduces the history and evolution of drawing as an art form and contemporary purposes in figure drawing are discussed in slide lectures and demonstrations. Students learn Modernist approaches to drawing the human figure, including Impressionism, Expressionism, Symbolism, Surrealism and Abstraction. These are introduced to students as they develop their individual approaches to creating narrative figure drawings.

Transfer Credit: CSU; UC

ART 214
SPECIAL STUDIES IN LIFE DRAWING 3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 213 or equivalent with a grade of “C” or higher or “Pass”.

This course offers advanced work in figure drawing. Emphasis is placed on students’ development of personal styles. The pictorial space of the drawing is given the same importance as in a painting, and the student seeks to elevate the classroom sketch to a complete and effective work of art. The course considers the relationship between the students’ intentions in drawing their work in other media, such as painting or sculpture. Focus is placed on the personal and creative aspects of drawing, how and what a drawing communicates, developing an advanced technique, and using more professional materials.

Transfer Credit: CSU

ART 217L
ADVANCED SCREENPRINTING/ADVANCED ETCHING LAB 1.0 UNIT

Class hours: 3.0 Laboratory
Corequisite: Concurrent enrollment in ART 218 or ART 219.

This is a lab course intended to complement advanced courses in the Printmaking curriculum. It is designed to give practical experience in working with the techniques of relief printing, intaglio (etching, aquatint, drypoint, softground, viscosity, and phototching), screen printing, collagraphy, embossing, and monotype, and integration of digital imagery in conjunction with the traditional printmaking techniques. The course will increase the skill and creative output of the student in areas of his/her choice.

Transfer Credit: CSU

ART 218
SCREENPRINTING 3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 117 or equivalent with a grade of “C” or higher or “Pass”.

This course emphasizes advanced practice, technique, and historical knowledge of screenprinting as a fine art medium. An important feature of the course will be the study of the materials, stencils, films, blockouts, photomechanical processes,
and inks of the screenprinting process. Photographic and digital image-making techniques related to photo screenprinting will be studied and applied further, including use of the enlarger, stat camera, digital camera, flatbed scanner, and slide scanner. Instruction will cover serigraphic flatbed printing as well as use of the rotary press for textile printing. Students will be required to complete particular aesthetic and technical assignments through their prints.

Transfer Credit: CSU; UC

ART 219
ADVANCED ETCHING
3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 117 or equivalent with a grade of “C” or higher or “Pass”.

This course is designed to explore the artistic possibilities and various techniques of advanced etching, including grounds, aquatints, photoetching, multiple plate color etching, viscosity printing, collagraphy, and embossing. Related digital imaging and photographic techniques will be presented for integration into the etching process. Students will be required to deal with particular aesthetic issues and techniques.

Transfer Credit: CSU; UC

ART 231
INTERMEDIATE PAINTING
3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 130B or equivalent with a grade of “C” or higher or “Pass”.

This course is designed for students to develop a deeper understanding of painting through its history, theories, and creative purposes: develop students’ ability to solve technical and conceptual issues related to painting through lectures, discussions, and studio work; and discover, articulate, and develop their own artistic identity and style. Evaluation of their works and technical assistance is given on an individual basis. Emphasis is placed on the students’ progression from idea to technical means and visual accomplishment. Students are encouraged to develop their own painting projects throughout the course, which are presented in a portfolio of their work.

Transfer Credit: CSU; UC

ART 252
CERAMICS-FORM AND TECHNIQUE
3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 151 or ART 152 or equivalent with a grade of “C” or higher or “Pass”.

This course continues the exploration and development of forms and techniques encountered in ART 151 and ART 152. The student is expected to determine some of the projects for the semester’s work.

Transfer Credit: CSU; UC

ART 253
CERAMICS-FORM AND CONTENT
3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 252 or equivalent with a grade of “C” or higher or “Pass”.

This course is designed for individualized study by the ceramist with at least three semesters of prior experience at the college level. Students will be expected to write a proposal for work to be accomplished during the semester. Clay technology and kiln firing technique will be introduced.

Transfer Credit: CSU; UC

ART 284
GRAPHIC DESIGN II
3.0 UNITS

Class hours: 2.0
Lecture/4.0 Laboratory
Prerequisite: ART 184 or equivalent with a grade of “C” or higher or “Pass”.

Continued studies in the theories, techniques, and practices of graphic design for visual communications are undertaken. Emphasis is on more advanced techniques and studies of problems in visual communications. Design solutions will be taken from
the initial concept through refinement to camera-ready art for print production. Students acquire expertise in the use of process cameras, phototypesetters, and additional equipment.

**Transfer Credit: CSU**

**ART 298**  
**DIRECTED STUDIES**  
1.0 UNIT  
Class hours: 3.0  
Independent Study  
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

**Transfer Credit: CSU**

**ART 299**  
**DIRECTED STUDIES**  
2.0 UNITS  
Class hours: 6.0  
Independent Study  
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

**ASTRONOMY (ASTR)**  
(Science, Engineering & Math Division)

**ASTR 102**  
**INTRODUCTORY**  
**ASTRONOMY: STARS AND THE UNIVERSE**  
3.0 UNITS  
Class hours: 3.0 Lecture  
This course is a non-technical introduction to astronomy, with emphasis on stars, galaxies, and the origin and evolution of the universe. Topics include the nature of light, the atom, telescopes; the birth, evolution, and death of stars; the Milky Way Galaxy; normal, active, and cannibal galaxies; and the Big Bang model. This course is not open to students with credit in ASTR 101.

**Transfer Credit: CSU; UC**

*UC credit limits may apply. ASTR 102 and ASTR 103 combined: maximum credit, one course.*

**ASTR 103**  
**INTRODUCTORY**  
**ASTRONOMY: THE SOLAR SYSTEM**  
3.0 UNITS  
Class hours: 3.0 Lecture  
This course is a non-technical introduction to astronomy, with emphasis on the sun, planets, moons, and smaller bodies which make up the solar system. Topics include the nature of light, the atom, telescopes, an examination of the planets and their moons and rings, the origin of the solar system, comets, asteroids,
and meteors, catastrophic events, and the search for planets around other stars. This course is not open to students with credit in ASTR 101.

**Transfer Credit:** CSU; UC

**ASTR 102 and ASTR 103 combined: maximum credit, one course.**

---

**ASTR 104**

**LIFE IN THE UNIVERSE**

3.0 UNITS

Class hours: 3.0 Lecture

This course is a non-technical introduction to the theory of the origin of life in the universe with emphasis on the origin of terrestrial life in the solar system. Topics include the laws of nature, the double helix of life, the origin of the DNA (Deoxyribonucleic Acid) strand, the proliferation of carbon based life forms, speculation on the nature of non-carbon based life, the evolution of intelligence, and the search for extraterrestrial life.

Transfer Credit: CSU; UC

---

**ASTR 106**

**HISTORY OF ASTRONOMY**

3.0 UNITS

Class hours: 3.0 Lecture

This course explores humanity’s changing view of the cosmos and its place in that cosmos from the earliest times to the present. Topics include comparative cosmologies of ancient culture, the Copernican revolution, the Enlightenment, and the modern view of the universe developed over the last two centuries. Course work includes readings about figures and projects using models of historic instruments.

ATHLETICS (ATH)
(Kinesiology Division)

ATH 200L
BASEBALL, MEN  3.0 UNITS
Class hours: 10.0 Laboratory
This course is designed to develop the student for intercollegiate competition in baseball. Skill techniques, good sportsmanship, team play, and strategy will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 201LB
BASEBALL, MEN, OFF SEASON INTERCOLLEGIATE  2.0 UNITS
Class hours: 6.0 Laboratory
This course is designed to develop the student in the off season for intercollegiate competition in baseball. Skill techniques, good sportsmanship, team play, and strategy will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 201LC
BASEBALL, MEN, OFF SEASON INTERCOLLEGIATE  3.0 UNITS
Class hours: 9.0 Laboratory
This course is designed to develop the student in the off season for intercollegiate competition in baseball. Skill techniques, good sportsmanship, team play, and strategy will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 202L
BASKETBALL, MEN  3.0 UNITS
Class hours: 10.0 Laboratory
This course will include training for intercollegiate competition in men’s basketball. It includes daily practice of two hours plus an intercollegiate game schedule. Conditioning for competition will be stressed.

Transfer Credit: CSU; UC*

ATH 203L
BASKETBALL, MEN  3.0 UNITS
Class hours: 10.0 Laboratory
This course is designed to develop the student for intercollegiate competition in basketball. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 203LA
BASKETBALL, MEN OFF SEASON INTERCOLLEGIATE  1.0 UNIT
Class hours: 3.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in basketball. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 203LB
BASKETBALL, MEN OFF SEASON INTERCOLLEGIATE  2.0 UNITS
Class hours: 6.0 Laboratory

Class hours: 6.0 Laboratory
This course is designed to provide off season training for intercollegiate competition in cross country running. Conditioning, skills, technique, proper warm-up exercises and rules of play will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 207LC
CROSS COUNTRY, MEN, OFF SEASON INTERCOLLEGIATE
3.0 UNITS
Class hours: 9.0 Laboratory
This course is designed to provide off season training for intercollegiate competition in cross country running. Conditioning, skills, technique, proper warm-up exercises and rules of play will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 209LA
CROSS COUNTRY, WOMEN, OFF SEASON INTERCOLLEGIATE
1.0 UNIT
Class hours: 3.0 Laboratory
This course is designed to provide off season training for intercollegiate competition in cross country running. Conditioning, skills, technique, proper warm-up exercises and rules of play will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 209LB
CROSS COUNTRY, WOMEN, OFF SEASON INTERCOLLEGIATE
2.0 UNITS
Class hours: 6.0 Laboratory
This course is designed to provide off season training for intercollegiate competition in cross country running. Conditioning, skills, technique, proper warm-up exercises and rules of play will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 210L
FOOTBALL, MEN
3.0 UNITS
Class hours: 10.0 Laboratory
This course is designed to provide training for intercollegiate competition in football. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.
ATH 211LA
FOOTBALL, MEN, OFF SEASON INTERCOLLEGIATE
1.0 UNIT
Class hours: 3.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in football. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC* *Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 211LB
FOOTBALL, MEN, OFF SEASON INTERCOLLEGIATE
2.0 UNITS
Class hours: 6.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in football. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC* *Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 211LC
FOOTBALL, MEN, OFF SEASON INTERCOLLEGIATE
3.0 UNITS
Class hours: 9.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in football. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC* *Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 212L
SOCCER, MEN 3.0 UNITS
Class hours: 10.0 Laboratory
This course is designed to provide training for intercollegiate competition in soccer. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC* *Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 213LA
SOCCER, MEN, OFF SEASON INTERCOLLEGIATE
1.0 UNIT
Class hours: 3.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in soccer. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC* *Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 213LB
SOCCER, MEN, OFF SEASON INTERCOLLEGIATE
2.0 UNITS
Class hours: 6.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in soccer. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC* *Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 213LC
SOCCER, MEN, OFF SEASON INTERCOLLEGIATE
3.0 UNITS
Class hours: 9.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in soccer. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC* *Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 214L
SOCCER, WOMEN 3.0 UNITS
Class hours: 10.0 Laboratory
Training for intercollegiate competition in soccer.
Transfer Credit: CSU; UC* Any or all of these PEX activity courses combined: maximum credit, 4 units.
ATH 215LA
SOCCER, WOMEN, OFF
SEASON INTERCOLLEGIATE
1.0 UNIT
Class hours: 3.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in soccer. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 215LB
SOCCER, WOMEN, OFF
SEASON INTERCOLLEGIATE
2.0 UNITS
Class hours: 6.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in soccer. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 215LC
SOCCER, WOMEN, OFF
SEASON INTERCOLLEGIATE
3.0 UNITS
Class hours: 9.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in soccer. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 216L
SOFTBALL, WOMEN
3.0 UNITS
Class hours: 10.0 Laboratory
Training for intercollegiate competition in women’s softball.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 217LA
SOFTBALL, WOMEN, OFF
SEASON INTERCOLLEGIATE
1.0 UNIT
Class hours: 3.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in softball. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 217LB
SOFTBALL, WOMEN, OFF
SEASON INTERCOLLEGIATE
2.0 UNITS
Class hours: 6.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in softball. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 217LC
SOFTBALL, WOMEN, OFF
SEASON INTERCOLLEGIATE
3.0 UNITS
Class hours: 9.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in softball. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 218L
SWIMMING, MEN
3.0 UNITS
Class hours: 10.0 Laboratory
Training for intercollegiate competition in swimming.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 219LA
SWIMMING, MEN, OFF
SEASON INTERCOLLEGIATE
1.0 UNIT
Class hours: 3.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in swimming for men. Conditioning, skills,
techniques, swim strategy, and sportsmanship will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 219LB
SWIMMING, MEN OFF SEASON INTERCOLLEGIATE
2.0 UNITS
Class hours: 6.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in swimming for men. Conditioning, skills, techniques, swim strategy, and sportsmanship will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 219LC
SWIMMING, MEN, OFF SEASON INTERCOLLEGIATE
3.0 UNITS
Class hours: 9.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in swimming for men. Conditioning, skills, techniques, swim strategy, and sportsmanship will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 220L
SWIMMING, WOMEN
3.0 UNITS
Class hours: 10.0 Laboratory
This course is designed to provide training for women in intercollegiate competitive swimming. Emphasis will be on conditioning and stroke analysis.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 221LA
SWIMMING, WOMEN, OFF SEASON INTERCOLLEGIATE
1.0 UNIT
Class hours: 3.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in swimming for women. Conditioning, skills, techniques, swim strategy, and sportsmanship will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 221LB
SWIMMING, WOMEN, OFF SEASON INTERCOLLEGIATE
2.0 UNITS
Class hours: 6.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in swimming for women. Conditioning, skills, techniques, swim strategy, and sportsmanship will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 221LC
SWIMMING, WOMEN, OFF SEASON INTERCOLLEGIATE
3.0 UNITS
Class hours: 9.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in swimming for women. Conditioning, skills, techniques, swim strategy, and sportsmanship will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 221LD
SWIMMING, WOMEN, OFF SEASON INTERCOLLEGIATE
0.5 UNIT
Class hours: 1.5 Laboratory
This course is designed to provide off-season training for intercollegiate competition in swimming for women. Conditioning, skills, techniques, swim strategy, and sportsmanship will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 222L
TENNIS, MEN
3.0 UNITS
Class hours: 10.0 Laboratory
This course is designed to provide training for
intercollegiate competition in tennis for men. Conditioning skills, techniques, court strategy, and rules of play will be emphasized.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 223LA  
TENNIS, MEN, OFF SEASON INTERCOLLEGIATE  
1.0 UNIT  
Class hours: 3.0 Laboratory  
This course is designed to provide off-season training for intercollegiate competition in tennis for men. Conditioning, skills, techniques, court strategy, and rules of play will be emphasized.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 223LB  
TENNIS, MEN, OFF SEASON INTERCOLLEGIATE  
2.0 UNITS  
Class hours: 6.0 Laboratory  
This course is designed to provide off-season training for intercollegiate competition in tennis for men. Conditioning, skills, techniques, court strategy, and rules of play will be emphasized.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 223LC  
TENNIS, MEN, OFF SEASON INTERCOLLEGIATE  
3.0 UNITS  
Class hours: 9.0 Laboratory  
This course is designed to provide off-season training for intercollegiate competition in tennis for men. Conditioning, skills, techniques, court strategy, and rules of play will be emphasized.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 224L  
TENNIS, WOMEN  
3.0 UNITS  
Class hours: 10.0 Laboratory  
This course will prepare students for competition in women's tennis. Emphasis will be on conditioning and learning competitive strategy and techniques.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 225LA  
TENNIS, WOMEN, OFF SEASON INTERCOLLEGIATE  
1.0 UNIT  
Class hours: 3.0 Laboratory  
This course is designed to provide off-season training for intercollegiate competition in tennis for women. Conditioning, skills, techniques, court strategy, and rules of play will be emphasized.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 225LB  
TENNIS, WOMEN, OFF SEASON INTERCOLLEGIATE  
2.0 UNITS  
Class hours: 6.0 Laboratory  
This course is designed to provide off-season training for intercollegiate competition in tennis for women. Conditioning, skills, techniques, court strategy, and rules of play will be emphasized.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 225LC  
TENNIS, WOMEN, OFF SEASON INTERCOLLEGIATE  
3.0 UNITS  
Class hours: 9.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in tennis for women. Conditioning, skills, techniques, court strategy, and rules of play will be emphasized.

**Transfer Credit:** CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 229LC  
TRACK AND FIELD, WOMEN, OFF SEASON INTERCOLLEGIATE  
3.0 UNITS  
Class hours: 9.0 Laboratory  
This course is designed to provide off-season training for intercollegiate competition in track and field for women. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 230L  
VOLLEYBALL, WOMEN  
3.0 UNITS  
Class hours: 10.0 Laboratory  
This course is designed to provide training for intercollegiate competition in women’s volleyball. It involves daily practice of two hours plus an intercollegiate match schedule. Conditioning for tournament play will be stress.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 231LA  
VOLLEYBALL, WOMEN, OFF SEASON INTERCOLLEGIATE  
1.0 UNIT  
Class hours: 3.0 Laboratory  
This course is designed to provide off-season training for intercollegiate competition in volleyball for women. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 231LB  
VOLLEYBALL, WOMEN, OFF SEASON INTERCOLLEGIATE  
2.0 UNITS  
Class hours: 6.0 Laboratory  
This course is designed to provide off-season training for intercollegiate competition in volleyball for women. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 231LC  
VOLLEYBALL, WOMEN, OFF SEASON INTERCOLLEGIATE  
3.0 UNITS  
Class hours: 9.0 Laboratory  
This course is designed to provide off-season training for intercollegiate competition in volleyball for women. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 232L  
WATER POLO, MEN  
3.0 UNITS  
Class hours: 10.0 Laboratory  
Training for intercollegiate competition in water polo.

Transfer Credit: CSU; UC*  
*Any or all of these PEX activity courses combined: maximum credit, 4 units.
ATH 233LA
WATER POLO, MEN OFF SEASON INTERCOLLEGIATE
1.0 UNIT
Class hours: 3.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in water polo for men. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 233LB
WATER POLO, MEN, OFF SEASON INTERCOLLEGIATE
2.0 UNITS
Class hours: 6.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in water polo for men. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 233LC
WATER POLO, MEN, OFF SEASON INTERCOLLEGIATE
3.0 UNITS
Class hours: 9.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in water polo for men. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 234L
WATER POLO, WOMEN
3.0 UNITS
Class hours: 10.0 Laboratory
Training for intercollegiate competition in water polo.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 235LA
WATER POLO, WOMEN, OFF SEASON INTERCOLLEGIATE
1.0 UNIT
Class hours: 3.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in water polo for women. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 235LB
WATER POLO, WOMEN, OFF SEASON INTERCOLLEGIATE
2.0 UNITS
Class hours: 6.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in water polo for women. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 235LC
WATER POLO, WOMEN, OFF SEASON INTERCOLLEGIATE
3.0 UNITS
Class hours: 9.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in water polo for women. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 235LD
WATER POLO, WOMEN, OFF SEASON INTERCOLLEGIATE
0.5 UNIT
Class hours: 1.5 Laboratory
This course is designed to provide off-season training for intercollegiate competition in water polo for women. Individual skill techniques, good sportsmanship, team play, and strategy will be emphasized.
Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.
ATH 236L
WRESTLING
3.0 UNITS
Class hours: 10.0 Laboratory
This course is designed to provide training for intercollegiate competition in wrestling. Individual skills, proper conditioning, and warm-up exercises will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 237LA
WRESTLING, OFF SEASON INTERCOLLEGIATE
1.0 UNIT
Class hours: 3.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in wrestling. Individual skills, proper conditioning, and warm-up exercises will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 237LB
WRESTLING, OFF SEASON INTERCOLLEGIATE
2.0 UNITS
Class hours: 6.0 Laboratory
This course will involve sport specific training and technical skill development for cheerleaders. There will be a concentration on developing fundamental cheer concepts with emphasis on cardiovascular conditioning, body movement, flexibility and nutrition.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 237LC
WRESTLING, OFF SEASON INTERCOLLEGIATE
3.0 UNITS
Class hours: 9.0 Laboratory
This course is designed to provide off-season training for intercollegiate competition in wrestling. Individual skills, proper conditioning, and warm-up exercises will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 240
CHEERLEADING
3.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: Tryout will include sideline cheer, dance performance and skills demonstration.

This course is designed for competition cheerleaders to develop skills in tumbling, advanced stunting, dance technique, and crowd motivation. Performance is mandatory at school athletic events and campus functions.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 241
CHEERLEADING, OFF-SEASON
2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: Tryout will include sideline cheer, dance performance and skills demonstration.

This course is designed to provide training for intercollegiate competition in wrestling. Individual skills, proper conditioning, and warm-up exercises will be emphasized.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.

ATH 242
CHEERLEADING, COMPETITION
2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: Tryout will include sideline cheer, dance performance and skills demonstration.

This course is designed for competition cheerleaders to develop skills in tumbling, advanced stunting, dance technique, choreography, and competitions. Performance is mandatory at school athletic events, campus functions and competitions.

Transfer Credit: CSU; UC*
*Any or all of these PEX activity courses combined: maximum credit, 4 units.
ATH 244
BEACH VOLLEYBALL
3.0 UNITS
Class hours: 10.0 Laboratory
This is an advanced course designed for students who will be competing at the collegiate level in the sport of women's beach volleyball. Students will be required to spend a minimum of 10 hours per week preparing for competition with other colleges.
Transfer Credit: CSU

AUTOMOTIVE
COLLISION REPAIR
(AB)
(Technology Division)
AB 51
NON-STRUCTURAL REPAIR
4.5 UNITS
Class hours: 3.0
Lecture/5.0 Laboratory
This course is an introduction to the collision repair trade. Emphasis is on safe removal and replacement of external panels, bumpers, lights, and trim. Discussion and demonstration of automotive welding will be introduced. Repair of minor body panel dents, finish preparation concepts, and the safe use of power and hand tools will be covered. This course may include I-CAR Live curriculum.

AB 52
STRUCTURAL DAMAGE REPAIR
4.5 UNITS
Class hours: 3.0
Lecture/5.0 Laboratory
Recommendation: AB 51 or AB 57 or equivalent with a grade of “C” or higher or “Pass”.
This course introduces students to structural repair of collision-damage vehicles. Major emphasis is placed on analysis, measuring, and repair of structural damage and welding of full-frame, space frame, and unitized vehicles. Various methods of measuring and repairing structural damage will be utilized including universal, electronic, and dedicated bench systems. This course may include I-CAR Live curriculum.

AB 53
STEERING, SUSPENSION AND POWERTRAIN DAMAGE
4.5 UNITS
Class hours: 3.0
Lecture/5.0 Laboratory
Recommendation: AB 51 or equivalent with a grade of “C” or higher or “Pass”.
This course introduces students to steering and suspension control point alignment, steering and suspension systems, and power train problems related to automotive collisions. Related topics include structural measuring and repair systems and methodology, welding, and metallurgical experience and an introduction to electrical and electronic systems. I-CAR Live curriculum may be included in course delivery.

AB 54
ADVANCED-DESIGN PANEL REPAIR
4.5 UNITS
Class hours: 3.0
Lecture/5.0 Laboratory
Recommendation: AB 51 or AB 56 or AB 57 or equivalent with a grade of “C” or higher or “Pass”.
This course emphasizes repair and replacement of advanced-design automotive panels. Topics include the repair, replacement, and joining of High-Strength Steel (HSS), Ultra Lightweight Steel Auto Body (ULSAB) panels, Ultra High-Strength Steel, Advanced High-Strength Steel, aluminum, composites, plastics, and other innovative materials used in automotive construction. I-CAR Live curriculum may be included in course delivery.

AB 55
STRUCTURAL PANEL REPLACEMENT
4.5 UNITS
Class hours: 3.0
Lecture/5.0 Laboratory
Recommendation: AB 51 or AB 52 or AB 56 or AB 57 or equivalent with a grade of “C” or higher or “Pass”.
This course emphasizes repair and replacement of structural panels, removal, and replacement of power
train and supports, gauging and analysis of major structural damage, and the measurement and alignment of strut towers. I-CAR Live curriculum may be included in course delivery.

AB 56
NON-STRUCTURAL AUTOMOTIVE WELDING
2.0 UNITS
Class hours: 1.5 Lecture/2.5 Laboratory
This course introduces students to oxy-acetylene, Gas Metal Arc Welding (GMAW), stick arc, and pressure resistance welding. It is designed for students presently employed or soon to be employed in the automotive field. Related subjects include welding, safety, testing of weld joints, material design, and strength of materials, process selection, cutting methods, and metals identification. A major focus of this course is to prepare students to complete the I-CAR GMAW Certification Test. I-CAR Live learning modules may be included in course delivery.

AB 57
STRUCTURAL AUTOMOTIVE WELDING
2.0 UNITS
Class hours: 1.5 Lecture/2.5 Laboratory
Recommendation: AB 56 or equivalent with a grade of “C” or higher or “Pass” or concurrent enrollment.
This course specializes in structural automotive welding. Special emphasis will be placed upon Gas Metal Arc Welding (GMAW) and resistance spot welding of structural high strength steel, ultra high-strength steel (UHSS), boron steel, martensitic steel, laminated steel, aluminum welding, plasma arc, and oxyacetylene cutting. A major focus of this course is to prepare students to complete the I-CAR GMAW Certification Test. I-CAR Live learning modules may be included in course delivery.

AB 58L
COLLISION REPAIR LAB
1.5 UNITS
Class hours: 5.0 Laboratory
Prerequisite: AB 51 or equivalent with a grade of “C” or higher or “Pass” or concurrent enrollment.
This course allows students to perfect and hone skills obtained in prerequisite courses. In this course, students will select and repair a project vehicle of their choosing relevant to the subject material being taught.
Transfer Credit: CSU

AB 59M
COMPUTERIZED MEASURING TRAINING
2.0 UNITS
Class hours: 1.5 Lecture/2.5 Laboratory
Recommendation: AB 51 or equivalent with a grade of “C” or higher or “Pass”. This course develops the skills in the operation and use of computer measuring systems to measure structural automotive damage. Students will learn to properly identify vehicles, components and systems, select and install the appropriate scan targets and attachments onto various vehicles, and provide digital measuring with the electronic measuring systems. Topics include basic collision theory, damage analysis fundamentals, maintenance, and operation of electronic measuring systems. The processes and methods used within each measuring system will be discussed extensively.

AB 59P
STRUCTURAL REPAIR PLANNING
2.0 UNITS
Class hours: 1.5 Lecture/2.5 Laboratory
Recommendation: AB 51 or AB 59M or equivalent with a grade of “C” or higher or “Pass,” or appropriate work experience. Current or previous employment in a collision repair facility.
This entry-level course introduces students to the concepts of damage analysis and repair planning for structurally damaged vehicles. It is designed for collision repair technicians and students with little or no training in structural repair. The course presents case studies that give students the information needed to measure, analyze, and develop repair plans for damaged unitized and full-frame vehicles.
AB 61
PREPARATION AND SPOT REFINISHING
3.0 UNITS
Class hours: 3.0 Lecture
Corequisite: AB 61L or equivalent with a grade of “C” or higher or "Pass".
Recommendation: AB 51 or equivalent with a grade of “C” or higher or "Pass".
This course introduces beginning techniques for automotive refinishing preparation and spot painting techniques. This course includes basic use of abrasives, primers, fillers, and sealers. Students are instructed in the use of solvents, pre-coats, and basic material problems encountered in today’s refinishing market. I-CAR training modules may be included in course delivery.

AB 61L
AUTOMOTIVE REFINISHING LAB
1.5 UNITS
Class hours: 5.0 Laboratory
Prerequisite: AB 61 or equivalent with a grade of “C” or higher or “Pass” or concurrent enrollment.
This course allows students to develop and improve hands-on skills in preparation and spot refinishing by completing automotive refinishing projects. Students will identify and select specific automotive painting projects relevant to the subject matter.

AB 62
OVERALL AND MULTI-COAT REFINISHING
4.5 UNITS
Class hours: 3.0 Lecture/5.0 Laboratory
Recommendation: AB 51 or AB 61 or equivalent with a grade of “C” or higher or "Pass".
This course develops the skills in multi-coat refinishing. Students will be instructed in the art of tinting colors, spot repair of factory and after-market multi-coat finishes, overall refinishing, interior/ exterior care and maintenance, and the refinishing of plastic components. The course includes the testing, research and development of current refinishing materials. I-CAR live curriculum may be incorporated in the training and discussions.

AB 63
PRODUCTION REFINISHING
4.5 UNITS
Class hours: 3.0 Lecture/5.0 Laboratory
Recommendation: AB 61 or AB 62 or equivalent with a grade of “C” or higher or "Pass".
In this course, students learn to prepare and refinish several vehicles, simultaneously. Areas covered include repair of minor body dings, paint preparation, mixing of multiple colors, plus the masking and painting of up to three separate vehicles of varying models, colors, and types. This course provides students with hands-on techniques for increasing the volume of vehicles processed in the professional automotive refinishing environment. I-CAR Live curriculum may be presented during this course of study.

AB 64
AUTOMOTIVE AIR BRUSH PAINTING
2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
Recommendation: AB 61 or equivalent with a grade of “C” or higher or “Pass” or related work experience.
This course introduces students to the art of air brush painting and related effects in automotive applications. Students work with various colors and techniques to create special effects on commercial and passenger vehicles using air brushes. Included are 3-D effects, mural painting, accenting other types of graphic art, and portrait painting on automotive surfaces.

AB 65
MIX AND ADJUSTING COLOR
2.0 UNITS
Class hours: 1.5 Lecture/2.5 Laboratory
Recommendation: AB 61 or equivalent with a grade of “C” or higher or "Pass".
This course introduces students to the art of mixing and adjusting color in automotive refinishing. Emphasis is on color and texture duplication, the
use of automotive toners to scratch paint mix, and to mix specific colors using formulas and tintometers. It also includes spray-blending techniques, compatibility, spray-out panels, let-down panels for multi-coat matches, troubleshooting of materials, and paint chemistry. I-CAR curriculum may be presented during course delivery.

**AB 66**
**LETTERING, STRIPING AND DESIGN**  
2.5 UNITS

Class hours: 2.0 Lecture/2.0 Laboratory
Recommendation: AB 61 or equivalent with a grade of “C” or higher or “Pass,” or appropriate work experience or concurrent enrollment.

This course trains students in the arts of automotive lettering, graphics design, and pin-stripping. Students work with lines, colors, and harmonizing/contrasting concepts to create special effects on commercial and passenger vehicles using a wide range of materials and techniques. Included in this course are the use of computer-generated graphics, stencil making, and hand pin-stripping, and lettering. I-CAR curriculum may be included in course delivery.

**AB 67**
**AUTOMOTIVE CUSTOM PAINTING**  
2.0 UNITS

Class hours: 1.0 Lecture/3.0 Laboratory
Recommendation: AB 61 or AB 62 or equivalent with a grade of “C” or higher or “Pass”.

This is a custom automotive painting course that focuses on building hands-on skills in creating special paint effects, including flames, scallops, checkerboards, shredding, murals, holographic effects, multi-coats, and pearl finishes on automobiles. It includes theory and lab.

**AB 68L**
**REFINISHING LAB**  
1.5 UNITS

Class hours: 5.0 Laboratory
Prerequisite: AB 61 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience or concurrent enrollment.

This course increases student skills in automotive refinishing. Students hone their skills and improve their speed by completing automotive refinishing projects. I-CAR curriculum may be included in course delivery.

**AB 73**
**AUTOMOTIVE COLLISION REPAIR OCCUPATIONAL WORK EXPERIENCE**  
3.0 UNITS

Class hours: 1.0 Work Experience

One (1) hour control class each week plus 15 hours of employment per week for Automotive Collision Repair Work Experience 73. The employment must be in a job related to the student’s educational goal. Work experience/career internship provides the opportunity for Automotive Collision Repair students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. In the process of doing so, it creates greater communication with increased understanding between the student/workers, the college, and the employer/trainers. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to the major and job skills must be completed on the job/training site. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.
AB 80
AUTOBODY CUSTOMER SERVICE
2.0 UNITS
Class hours: 2.0 Lecture
This course focuses on effective customer service in an automotive collision repair facility. Students learn appropriate use of collision repair industry terminology, measuring and improving levels of customer service, interpreting body language, conflict resolution, telephone and in-person communication skills, personal conduct, time scheduling, business ethics, and the completion of paperwork related to autobody customer service positions. I-CAR training may be included in course delivery.

AB 80A
AUTOBODY CUSTOMER SERVICE
2.0 UNITS
Class hours: 2.0 Lecture
This course focuses on effective customer service in an automotive collision repair facility. Students learn appropriate use of collision repair industry terminology, measuring and improving levels of customer service, interpreting body language, conflict resolution, telephone and in-person communication skills, personal conduct, time scheduling, business ethics, and the completion of paperwork related to autobody customer service positions. I-CAR training may be included in course delivery.

AB 83A
COMPUTERIZED DAMAGE ESTIMATING – AUDATEX
1.5 UNITS
Class hours: 1.5 Lecture/0.5 Laboratory
Recommendation: Proficient in MS Windows Software application.
The focus of this course is for students to become proficient in Audatex collision damage estimating software. Students will learn to properly identify vehicles, components, and systems, and how to select and input the appropriate replacement parts and labor costs into a computerized damage report. Topics include development of customer and insurance company profiles, maintenance of user accounts, the generation of supplemental damage reports, and the use of software-specific part codes, as currently used in the collision repair industry. The processes and methods used within the Audatex software program will be reviewed extensively.

AB 83P
COMPUTERIZED DAMAGE ESTIMATING – PATHWAYS
1.5 UNITS
Class hours: 1.5 Lecture/0.5 Laboratory
Recommendation: Proficient in MS Windows Software application.
The focus of this course is for students to become proficient in Pathways collision damage estimating software. Students will learn to properly identify vehicles, components, and systems, and how to select and input the appropriate replacement parts and labor costs into a computerized damage report. Topics include development of customer and insurance company profiles, maintenance of user accounts, the generation of supplemental damage reports, and the use of software-specific part codes, as currently used in the collision repair industry. The processes and methods used within the Pathways software program will be reviewed extensively.

AB 83U
COMPUTERIZED DAMAGE ESTIMATING-ULTRAMATE
1.5 UNITS
Class hours: 1.5 Lecture/0.5 Laboratory
Recommendation: Proficient in MS Windows Software application.
The focus of this course is for students to become proficient in Ultramate collision damage estimating software. Students will learn to properly identify vehicles, components and systems, and to select and input the appropriate replacement parts and labor costs into an Ultramate computerized damage report. Topics include development of customer and insurance company profiles, maintenance of user accounts, the generation of supplemental damage reports and the use of software-specific part codes, as currently used in the collision repair industry. The processes and methods used within the Ultramate software program will be reviewed extensively.

AB 86
PRODUCTION MANAGEMENT
2.0 UNITS
Class hours: 2.0 Lecture
Recommendation: Work experience in the automotive collision repair industry.
This course focuses on production management and improving workflow in automotive repair facilities. The course includes job
analysis, task prioritizing, job descriptions, flow-charting, capacity planning, parts and material procurement, production controls, cycle-time analysis, and development of key production controls for management. I-CAR live training modules may be included in course delivery.

AB 181
NON-STRUCTURAL DAMAGE ESTIMATING
3.0 UNITS
Class hours: 2.5 Lecture/1.5 Laboratory
Recommendation: Proficient in MS Windows Software application.

This is an entry-level course for students wanting to learn to estimate non-structural (minor) automotive damage. Emphasis is on vehicle construction and structural design, repair methodology, vehicle component and systems identification, and in developing appropriate judgment repair times. Students learn to write hand-written estimates identifying the cost of parts, labor materials, sublet, and other charges required to return damaged vehicles to factory specifications. Students use collision estimating guides to establish parts prices and industry standard labor times for replacement and refinishing of damaged parts. Additionally, students learn to use “Procedure Pages” in the estimating guides for processes not included in the standard times listed in the guide. I-CAR Live training may be included in course delivery.

Transfer Credit: CSU

AB 182
STRUCTURAL DAMAGE ESTIMATING
3.0 UNITS
Class hours: 2.5 Lecture/1.5 Laboratory
Recommendation: AB 181 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience. Proficient in MS Windows Software applications.

This course expands students’ ability to estimate complex types of structural, mechanical, and electrical damage to vehicles. Areas of study include understanding collision theory, damage analysis fundamentals, visual inspection process, measuring and analyzing structural damage, suspension and mechanical systems damage, factory build tolerances, and safety systems of the severely damaged vehicles. Other topics include estimator job functions, customer satisfaction, regulatory compliance, and ethics within the collision repair industry. I-CAR Live curriculum may be presented during this course.

Transfer Credit: CSU

AB 188
INTRODUCTION TO AUTOMOTIVE CLAIMS HANDLING
2.0 UNITS
Class hours: 2.0 Lecture
Recommendation: AB 181 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.

In this course, students are introduced to the automotive claims handling process. The course presents the knowledge and skills needed to begin processing automotive insurance claims. Topics include the vehicle inspection process, identification of pre-existing damage, industry repair standards, and completion of claims processing paperwork. Students will identify and recommend appropriate repair methodology for vehicle repairs maintaining required coverage limitations and complete related paperwork. I-CAR Live curriculum may be included in course delivery.

Transfer Credit: CSU

AB 281
STRUCTURAL DAMAGE ANALYSIS FOR ESTIMATORS
1.0 UNIT
Class hours: 1.0 Lecture/1.0 Laboratory
Recommendation: AB 59M or AB 181 or AB 182 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.
This course is designed to help the collision damage estimator, appraiser, and autobody student better understand the process of analyzing structural and suspension damage. Collision theory, industry terminology, structural design, the visual inspection process, and measuring and repair equipment are covered in the course. Anchoring and pulling concepts are described in detail.

Transfer Credit: CSU

AB 282
STEERING, SUSPENSION AND POWERTRAIN ANALYSIS FOR ESTIMATORS
1.0 UNIT

Class hours: 1.0 Lecture/1.0 Laboratory
Recommendation: AB 59M or AB 181 or AB 281 or equivalent with a grade of "C" or higher or "Pass", or appropriate work experience.

This course is designed to assist the collision damage estimator, appraiser and student to better understand the process of analyzing steering and suspension damage from collisions. It builds on student knowledge gained from the prerequisite course and assists in mastery of collision damage analysis of full-frame vehicles. The focus of this course is specific damage analysis of pickup trucks and sport utility vehicles (SUVs).

Transfer Credit: CSU

AB 283
ADVANCED-FRAME ANALYSIS FOR ESTIMATORS
1.0 UNIT

Class hours: 1.0 Lecture/1.0 Laboratory
Recommendation: AB 59M or AB 281 or AB 181 or equivalent with a grade of "C" or higher or "Pass".

This course builds on student knowledge gained from the previous courses and assists in mastery of collision damage analysis of full-frame vehicles. The focus of this course is specific damage analysis of pickup trucks and sport utility vehicles (SUVs).

Transfer Credit: CSU

AB 286
COMPUTERIZED SHOP MANAGEMENT
3.0 UNITS

Class hours: 3.0 Lecture/1.0 Laboratory
Prerequisite: AB 182 or equivalent with a grade of "C" or higher or "Pass," or concurrent enrollment or equivalent work experience.

This is a theory and practical course centering on computerized collision repair shop management. A comparison of various management software applications, features, and functions, as well as available training tutorials are included in the course delivery. Additional content includes interface with estimating and accounting applications, embedding regulatory compliance, parts ordering and tracking, labor dispatching and tracking, payroll processing, administrative and accounting reports, individual work order reports, tracking production cycle-time, customer service calls-backs, and forecasting.

Transfer Credit: CSU

AB 287
ADVANCED COLLISION REPAIR MANAGEMENT
2.0 UNITS

Class hours: 2.0 Lecture

This course includes presentation of the skills required to effectively direct, manage, and promote multi-shop organizations (MSOs). Areas of advanced training include rules and regulations, standard operating procedure (SOP), job costing, equipment and materials procurement, facility cost analysis, department operations, safety, employee and right-to-know issues, warranties, customer satisfaction, licensing and certification, insurance direct repair programs (DRPs) from the perspective of multi-shop organizations and/or franchise body shop operations.

Transfer Credit: CSU
AB 288  
ADVANCED AUTOMOTIVE CLAIMS  
2.0 UNITS  
Class hours: 2.0 Lecture  
Prerequisite: AB 181 or AB 188 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.  
In this course students learn effective automotive claims handling. The course presents the skills needed to effectively process automotive insurance claims with differing coverage criteria. Topics include structural and cosmetic damage analysis, total loss evaluation, theft recoveries, comprehensive claims, vandalism, claims negotiation, vehicle re-inspection process, fraud detection, identification of pre-existing damage, appropriate repair standards, personal presentation, and image projection. I-CAR Live curriculum may be included in course delivery.  
Transfer Credit: CSU

AUTOMOTIVE  
TECHNOLOGY (AUTO)  
(Technology Division)  
AUTO 73  
AUTOMOTIVE MECHANICAL REPAIR OCCUPATIONAL WORK EXPERIENCE  
3.0 UNITS  
Class hours: 1.0 Work Experience  
Automotive Mechanical Repair work experience requires 180 non-paid hours of work or 225 paid hours of work per semester. Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills in automotive mechanical repair. In the process of doing so, it creates greater communication and increased understanding between the student/workers, the college, and the employer/trainers. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 15 units.  
AUTO 80  
BUREAU OF AUTOMOTIVE REPAIR (BAR) ASE ALTERNATIVE COURSES FOR ADVANCED EMISSIONS SPECIAL  
5.0 UNITS  
Class hours: 4.0 Lecture/4.0 Laboratory  
Recommendation: Appropriate work experience.  
This alternative course will meet and exceed the Bureau of Automotive Repair (BAR) for Automotive Service Excellence (ASE) certifications for the following areas: Electrical, Engine Performance, and Advanced Engine Performance. This course meets theory/practical requirements for obtaining the state license for Advanced Smog Technician.

AUTO 100  
AUTOMOTIVE MAINTENANCE AND OPERATION  
4.0 UNITS  
Class hours: 3.0 Lecture/3.0 Laboratory  
Basic class dealing with the selection and maintenance of the modern automobile. Emphasis is on the basic operating principles.  
Transfer Credit: CSU

AUTO 101  
AUTOMOTIVE SERVICE TOOLS AND EQUIPMENT  
4.0 UNITS  
Class hours: 3.0 Lecture/3.0 Laboratory  
Recommendation: AUTO 100 or equivalent with a grade of “C” or higher or “Pass”.  
This course is a study of the principles in the use of hand tools, power tools, diagnostic tools and equipment used in the automotive service industry. Safety, technique, and proper handling are the emphases of the course. This course is taught using contemporary automotive equipment along with manufacturer's proprietary diagnostic tools. Techniques covered will include the latest available for use of modern as well as traditional tool use focusing on safety and quality workmanship.  
Transfer Credit: CSU
AUTO 103
INTRODUCTION TO HIGH VOLTAGE VEHICLES
3.0 UNITS
Class hours: 2.0
Lecture/3.0 Laboratory
This course is an introduction to vehicles that use high voltage. Topics will include advanced technology vehicles such as hybrid electric vehicles (HEV), and battery electric vehicles (BEV).
Transfer Credit: CSU

AUTO 105
HYDRAULICS AND PNEUMATICS
2.0 UNITS
Class hours: 1.5 Lecture/1.5 Laboratory
This course will introduce the student to the fundamentals and principles of hydraulics and pneumatics as they relate to automotive, transportation, heavy duty equipment, and system modification. Applications of each will be explored, as well as the design and operation of simple circuits and systems in the laboratory.
Transfer Credit: CSU

AUTO 107
DIESEL EXHAUST EMISSION CONTROL AND SERVICING
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: AUTO 109 or equivalent with a grade of “C” or higher or “Pass”.
This course will provide instruction on the background, principles, theory, operation, diagnosis, servicing and repair of diesel engine exhaust emissions control and after treatment systems. This course is intended for students entering the field of on-highway and heavy equipment vehicles, and alternative fuel vehicle service and maintenance, or students currently in the industry looking to advance their knowledge of on-highway and heavy equipment vehicles, and alternative fuel vehicle service, maintenance, and repair. Instruction on technical reference materials, parts and service books, diagnostic systems and programs used by the service technicians will be covered.
Transfer Credit: CSU

AUTO 109
AUTOMOTIVE DIESEL SYSTEMS
5.0 UNITS
Class hours: 4.0 Lecture/4.0 Laboratory
Recommendation: Current automotive student or employed as an automotive service professional.
This is a theory/practical course in automotive diesel engine repair that includes operating principles and descriptions of all components. The major emphasis will be on systems operation and diagnosis.
Transfer Credit: CSU

AUTO 110
AUTOMOTIVE ENGINES
5.0 UNITS
Class hours: 4.0 Lecture/4.0 Laboratory
Recommendation: AUTO 100 or equivalent with a grade of “C” or higher or “Pass”.
This is a theory/practical course in Automotive Engine Repair to include operating principles and descriptions of all components. The emphasis is on diagnosis and measurement of internal engine components. Complete disassembly and reassembly of engines will be accomplished using special service tools. Overhead camshaft engines will be the primary focus.
Transfer Credit: CSU

AUTO 108
ENERGY AND TRANSPORTATION SYSTEMS
4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
This introductory class to energy systems provides the connection between energy development and transportation. The course involves all aspects of current and future energy development systems. Energy procurement, transmission, distribution, storage, and usage are introduced. An emphasis is placed on the interrelationships among components of systems.
Transfer Credit: CSU
AUTO 111
AUTOMOTIVE ENGINES  4.0 UNITS
Class hours: 3.3
Lecture/3.3 Laboratory
Recommendation: AUTO 100 or equivalent with a grade of “C” or higher or “Pass”.
This is a theory/practical course in Automotive Engine Repair that includes operating principles and descriptions of all components. The emphasis is on diagnosis and measurement. Complete disassembly and reassembly of engines will be accomplished with the emphasis on manufacturer's specialty tools and techniques of overhead cam engines. Course content will be presented on a single manufacturer's engine.
Transfer Credit: CSU

AUTO 120
AUTOMATIC TRANSMISSIONS AND TRANSAXLES  5.0 UNITS
Class hours: 4.0 Lecture/4.0 Laboratory
Recommendation: AUTO 100 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.
This course is focused on the principles of automatic transmissions and transaxles. Procedures for diagnosing troubles, adjusting, and overhauling the automatic transmission and transaxle are studied and applied in the shop.
Transfer Credit: CSU

AUTO 121
DRIVETRAIN TRANSMISSIONS AND AXLES  6.5 UNITS
Class hours: 5.0 Lecture/5.0 Laboratory
Recommendation: AUTO 100 equivalent with grades of “C” or higher or “Pass”.
This course is a study of the principles of the automotive power systems-clutch, manual and automatic transmission, transaxle, transfer case, driveline, drive-axle, differential, including diagnosis and service. This course is taught using specified manufacturer's components and materials.
Transfer Credit: CSU

AUTO 130
MANUAL DRIVETRAIN AND AXLES  5.0 UNITS
Class hours: 4.0 Lecture/4.0 Laboratory
Recommendation: AUTO 100 or equivalent with a grade of “C” or higher or “Pass”.
This is a study of the principles of the automotive power systems-clutch, manual and automatic transmission, transaxles, transfer cases, drive line, drive-axle, differential, and all-wheel drive systems and service, including diagnosis and service.
Transfer Credit: CSU

AUTO 140
AUTOMOTIVE STEERING AND SUSPENSION  5.0 UNITS
Class hours: 4.0 Lecture/4.0 Laboratory
Recommendation: AUTO 100 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.
This is a course in the theory and practice of steering, suspension, and wheel alignment. It includes operating principles, component description, diagnosis, and service. Alignment instruction includes electronic four-wheel alignment.
Transfer Credit: CSU

AUTO 150
AUTOMOTIVE BRAKES  5.0 UNITS
Class hours: 4.0 Lecture/4.0 Laboratory
Recommendation: AUTO 100 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.
This is a theoretical and practical course in braking systems. It includes operating principles, component description, diagnosis, and service. Brake service includes antilock braking systems.
Transfer Credit: CSU

</table>
AUTO 180  
**ELECTRONIC ENGINE MANAGEMENT SYSTEMS**  
5.0 UNITS  
Class hours: 4.0 Lecture/4.0 Laboratory  
Recommendation: AUTO 100 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.  
This is a theoretical/practical course pertaining to the operation, individual components, and the overall logic by which fuel systems components work together. Feedback carburetion, fuel injection and electronic controls will be included along with OBD-I and OBD-II systems operation and comparisons.  
Transfer Credit: CSU

AUTO 181  
**ELECTRONIC ENGINE MANAGEMENT SYSTEMS—CORPORATE**  
6.5 UNITS  
Class hours: 5.0 Lecture/5.0 Laboratory  
Recommendation: AUTO 100 equivalent with grades of "C" or higher or "Pass".  
This is a theory/practical course in diagnosing automotive drivability problems. Areas such as ignition, carburetion, automotive computers, electronic engine controls and on-board diagnostic systems will be included. The course will be presented using a one or more manufacturer’s product line.  
Transfer Credit: CSU

AUTO 182  
**INTRODUCTION TO ALTERNATIVE FUEL**  
3.5 UNITS  
Class hours: 3.0 Lecture/1.5 Laboratory  
This course introduces students to the role, function, and practical application of alternative fuels for the internal combustion engine. Alternative fuels explored in class and lab include compressed natural gas (CNG), liquefied natural gas (LNG), propane, alcohol (ethanol and methanol), hydrogen, and biodiesel. Fuel cell, hybrid, and electric vehicles will also be explored.  
Transfer Credit: CSU

AUTO 183  
**COMPRESSED NATURAL GAS ENGINES**  
4.0 UNITS  
Class hours: 3.0 Lecture/3.0 Laboratory  
This course covers current trends in the industry for operation, maintenance, and repair of light and heavy duty compressed natural gas (CNG) vehicles. CNG engines, design, tanks, and fuel systems will be analyzed. The course also serves as preparation for taking the fuel systems inspector exam and ASE-F1, Light Duty CNG Vehicles, and ASE-H1 Transit Bus CNG Vehicles.  
Transfer Credit: CSU

AUTO 190  
**AUTOMOTIVE MANAGEMENT**  
3.0 UNITS  
Class hours: 3.0 Lecture  
Recommendation: AUTO 100 or equivalent with a grade of “C” or higher or “Pass”.  
This course is designed to furnish the student with knowledge, experience, and practice in supervision and management of an automotive repair facility. Emphasis is placed on customer relations, scheduling, cost estimation, and efficient, effective use of time and space.  
Transfer Credit: CSU

AUTO 193  
**AUTOMOTIVE SERVICE INFORMATION MANAGEMENT**  
3.0 UNITS  
Class hours: 3.0 Lecture  
Recommendation: Automotive major or employment in an automotive repair facility.  
This course will cover customer satisfaction, understanding new car warranties, service contracts and operating policies. A review of California common laws and BAR regulations will be included. Emphasis is based on computerized and electronic information systems including All Data, Mitchell on Demand, ADP Automotive Management Systems.  
Transfer Credit: CSU
AUTO 194  
RETAILING AUTOMOTIVE SERVICE  
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Current automotive student or employed as an automotive service professional.
This course deals with issues related to the automotive repair facility's management, productivity, and operation of vehicle fleets. Taking into account the facility infrastructure, the focus will be on scheduling work to effectively utilize facilities and staff to improve production and profitability. Cost effective techniques for equipment procurement, management, and maintenance will also be covered. Shop organization and workflow will be discussed including safety and regulatory issues.
Transfer Credit: CSU

AUTO 195  
AUTOMOTIVE CUSTOMER RELATIONS  
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Employment in an automotive repair facility or full-time automotive student.
This course deals with the selling of automotive services to the general public and automotive fleet managers. All aspects of customer relations and developing skills necessary to properly communicate with customers are covered. Special emphasis will be given to interpersonal relationship development and customer confidence building. Cultural differences will be discussed as they affect sales techniques. This course provides participants with the necessary knowledge and skills to effectively handle situations that occur when dealing with unusual, complex or ethical problems.
Transfer Credit: CSU

AUTO 200  
GENERAL MOTORS FUNDAMENTALS  
3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course will cover General Motors specific technical training requirements. Topics covered will include dealership safety, service information, scan tool interface, diagnostic tools, basic electrical theory, and the three Cs (concern, cause, and correction). The course will also contain training on both hand and power tools, vehicle hoisting, and vehicle safety inspections.
Transfer Credit: CSU

AUTO 201  
GENERAL MOTORS ENGINE REPAIR  
3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course will cover General Motors specific technical training requirements. Topics covered will include general engine diagnosis, cylinder head and valve train diagnosis and repair, engine block diagnosis and repair, lubrication and cooling systems diagnosis and repair, and also air induction and exhaust systems diagnosis and repair.
Transfer Credit: CSU

AUTO 202  
GENERAL MOTORS AUTOMATIC TRANSMISSION  
3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course will cover General Motors specific technical training requirements. Topics covered will include general automatic transaxle/transmission diagnosis, in-vehicle maintenance and repair, an off-vehicle repair.
Transfer Credit: CSU

AUTO 203  
GENERAL MOTORS DRIVETRAIN AND AXLE  
3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course will cover General Motors specific technical training requirements. Topics covered will include clutch diagnosis and repair, manual transmission and transaxle diagnosis and repair, drive shaft/half-shaft and universal
joint/constant velocity (CV) joint diagnosis and repair, drive axle diagnosis and repair, and four-wheel drive/all-wheel drive component diagnosis and repair.

Transfer Credit: CSU

AUTO 204
GENERAL MOTORS SUSPENSION AND STEERING SYSTEMS 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course will cover General Motors specific technical training requirements. Topics covered will include diagnosis and repair of steering systems, suspension systems, wheel alignment, wheels, and tires.

Transfer Credit: CSU

AUTO 205
GENERAL MOTORS BRAKING SYSTEMS 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course will cover General Motors braking systems. It will include disc brakes, drum brakes, parking brakes, measuring both rotors and drums, brake lathe use, anti-lock braking systems (ABS), and electronic stability control (ESC).

Transfer Credit: CSU

AUTO 206
GENERAL MOTORS ELECTRICAL SYSTEMS 1 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course will cover General Motors specific technical training requirements. Topics covered will include batteries, starting, and charging systems and their related circuits.

Transfer Credit: CSU

AUTO 207
GENERAL MOTORS HVAC SYSTEMS 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course will cover General Motors specific technical training requirements. Topics included are HVAC diagnosis and repair, engine cooling systems, refrigeration system components, operating systems and related controls.

Transfer Credit: CSU

AUTO 208
GENERAL MOTORS ENGINE PERFORMANCE 1 3.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
This course will cover General Motors specific technical training requirements. Topics included are general engine condition diagnosis, ignition system diagnosis and repair, fuel delivery systems, air induction, and exhaust systems diagnosis and repair.

Transfer Credit: CSU

AUTO 209
GENERAL MOTORS DIESEL TECHNOLOGY 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course will cover General Motors specific technical training requirements. Topics covered will include general diesel diagnosis, cylinder head and valve train diagnosis and repair, engine block diagnosis and repair, lubrication and cooling systems diagnosis and repair, air induction and exhaust systems diagnosis and repair, fuel system diagnosis and repair, and diesel emissions systems.

Transfer Credit: CSU

AUTO 210
AUTOMOTIVE UPPER ENGINE MACHINIST 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Recommendation: AUTO 100 or equivalent with a grade of "C" or higher or "Pass", or appropriate work experience.

This course is designed to teach students the basic operations used in the automotive machine shop. Emphasis is placed on upper engine disassembly, inspection, and machining operations including valve guide reconditioning, valve and valve seat refacing, deck surfacing, combustion chamber volume measuring, and basic flow bench operation. The course
prepares students for the AERA Engine Builders Association Cylinder Head Machinist Certification exam.

Transfer Credit: CSU

be driver information and navigation systems, supplemental restraint systems (SRS), and introduction to hybrid/electric vehicles.

Transfer Credit: CSU

AUTO 265
ADVANCED AUTOMOTIVE ELECTRICAL
1.0 UNIT
Class hours: 4.0 Laboratory
Prerequisite: AUTO 260 or equivalent with a grade of "C" or higher or "Pass".
This course is part three of a three-part series (AUTO 160, 260, and 265). This is an advanced course in automotive electrical systems. Students will complete special projects in the course designed to advance their electrical diagnosis and practical skills. Circuit design, high voltage electric vehicles, infotainment systems, and photovoltaics will be included in the course.

Transfer Credit: CSU

AUTO 281
EMISSION CONTROL SYSTEMS -1997 STANDARDS
5.0 UNITS
Class hours: 4.0 Lecture/4.0 Laboratory
Recommendation: AUTO 100 or equivalent with a grade of "C" or higher or "Pass".
This course gives the advanced automotive student exposure to the current methods, devices, and manufacturers of automotive emission control systems. It provides the student with an opportunity to obtain an advanced emission specialist technician license.

Transfer Credit: CSU

BIOL 100
NATURAL HISTORY OF SOUTHERN CALIFORNIA
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This is a field trip and seminar class in Biology and Geology of selected areas in Southern California. Minerals, geology, landforms, plants, animals, ecology, human use, and recreation value will be studied.

Transfer Credit: CSU

BIOL 105
HUMANS AND THE ENVIRONMENT
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.
This course is designed to help both science majors and those who major in other disciplines to develop a better understanding of some of the important environmental problems facing humankind. The nature and implications of subjects such as loss of...
genetic variability, pollution problems, overpopulation, and the use and abuse of natural resources will be studied. There will be an emphasis on the interrelatedness of these problems and how an understanding of environmental principles can help us to live on this planet more intelligently and more successfully.

*Transfer Credit: CSU; UC*

BIOL 110
CALIFORNIA ANIMALS AND PLANTS
3.0 UNITS
Class hours: 2.0
Lecture/3.0 Laboratory
Prerequisite: BIOL 120 or equivalent with a grade of "C" or higher or "Pass".

The common plants and animals of California are studied with emphasis upon those local forms which can be readily collected or observed. The lecture is designed to familiarize the student with the life history and identification of local species of plants and animals and to aid in the understanding of the relationship of these organisms to their environment. The laboratory and field work emphasize ecological principles and taxonomic identification.

*Transfer Credit: CSU; UC*

BIOL 115
MARINE BIOLOGY
3.0 UNITS
Class hours: 2.0
Lecture/3.0 Laboratory
This introductory course in marine biology is concerned with the adaptations, ecological relationships, economic importance and identification of marine animals and plants. Emphasis is on the intertidal and offshore communities of California with frequent field trips to observe live specimens and study the marine environment.

*Transfer Credit: CSU; UC*

BIOL 120
INTRODUCTION TO BIOLOGICAL SCIENCE
4.0 UNITS
Class hours: 3.0
Lecture/3.0 Laboratory
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.

This course is designed for non-biological science majors. It covers basic principles of life science, including cellular biology, the plant and animal kingdoms, ecology, genetics, and evolution. Emphasis is also placed on human biology as it relates to everyday living.

*Transfer Credit: CSU; UC*

BIOL 180L
LIFE SCIENCE PREPARATIONS
1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: BIOL 120 or equivalent with a grade of "C" or higher or "Pass".

This course is designed for pre-teaching, life science majors. The student will learn the use and care of laboratory apparatus through actual experience in the classroom. The student will assist the instructor in the laboratory by performing such jobs as helping to prepare demonstrations, designing displays, and aiding individuals in the class.

*Transfer Credit: CSU*

BIOL 200
PRINCIPLES OF BIOLOGY
5.0 UNITS
Class hours: 3.0
Lecture/6.0 Laboratory
Prerequisite: BIOL 120 or ZOOL 120 or BOT 120 or equivalent with a grade of "C" or higher or "Pass" and MATH 80 or MATH 80B or equivalent with a grade of "C" or higher or "Pass" or completion of the Math assessment/placement process with a score eligible for MATH courses numbered 100 level or higher.

This course provides a basic survey of major groups of
organisms (Domains Bacteria, Archaea, and Eukarya - Plantae, Fungi, Animalia, and protists) within a context of unifying themes of the evolution and ecology. Emphasis will be on structure and function of organisms with consideration given to phylogeny and taxonomy, adaptations, and interactions among organisms and their environment. Animal behavior and select vertebrate organ systems will be included. This course is designed as one semester of a two-part series (coordinating with BIOL 201) for biology/medical majors.

Transfer Credit: CSU; UC
C-ID: BIOL 140

BIOL 201
PRINCIPLES OF BIOLOGY
5.0 UNITS

Class hours: 3.0 Lecture/6.0 Laboratory
Prerequisite: CHEM 111 or equivalent with a grade of "C" or higher or "Pass". BIOL 120 or ZOOL 120 or BOT 120 or equivalent with a grade of "C" or higher or "Pass".

The principles of modern biology are discussed at the molecular, cellular, and organismic levels. Integrated within the course will be units on biochemistry, cell biology, origin of life, physiology of excitable tissues, genetics, molecular biology, biotechnology, immunology and developmental biology.

Transfer Credit: CSU; UC
C-ID: BIOL 190

BIOL 202
MOLECULAR BIOLOGY/GENETICS
4.0 UNITS

Class hours: 4.0 Lecture
Prerequisite: BIOL 201 and CHEM 211 or equivalent with grades of "C" or higher or "Pass".

BIOL 202 is an extension of the study of molecular biology, cell biology and genetics introduced in BIOL 201. This course examines the structure and function of nucleic acids and proteins in the living cell, as well as how these molecules are studied and manipulated in the laboratory. Topics include regulation of gene expression, recombinant DNA technology, chromosome mapping and viral and prokaryotic genetics.

Transfer Credit: CSU; UC

BIOL 250L
SPECIAL TOPICS IN BIOLOGY
1.0 UNIT

Class hours: 3.0 Laboratory
Prerequisite: BIOL 120 or equivalent with a grade of "C" or higher or "Pass".

This course is designed primarily for biological science majors. Individual research problems are explored using materials, equipment, and techniques not available to larger classes.

Transfer Credit: CSU

BIOL 298
DIRECTED STUDIES
1.0 UNIT

Class hours: 3.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the
guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times.

Transfer Credit: CSU

**BIOTECHNOLOGY (BTEC)**
(Science, Engineering & Mathematics Division)

**BTEC 120**
INTRODUCTION TO BIOTECHNOLOGY
4.0 UNITS

Class hours: 2.0
Lecture/6.0 Laboratory
Prerequisite: BTEC120 or equivalent, and MATH80 or MATH 80B or equivalent, with a grade of "C" or higher or "Pass" or completion of the math assessment/placement process with a score eligible for Math courses numbered 100 or higher or placement based on AB705 mandates

Concepts and techniques in biotechnology will be discussed, with a focus on biomanufacturing. Topics include biomanufacturing products, regulation, facilities, quality control, and protein production, separation, purification, and analysis. This course aims to provide students the skills and training necessary for a job in the biomanufacturing industry.

Transfer Credit: CSU

**BTEC 150**
BIOMANUFACTURING FUNDAMENTALS
4.0 UNITS

Class hours: 2.0
Lecture/6.0 Laboratory
Prerequisite: BTEC120 or equivalent, and MATH80 or MATH 80B or equivalent, with a grade of "C" or higher or "Pass" or completion of the math assessment/placement process with a score eligible for Math courses numbered 100 or higher or placement based on AB705 mandates

Concepts and techniques in biotechnology will be discussed, with a focus on biomanufacturing. Topics include biomanufacturing products, regulation, facilities, quality control, and protein production, separation, purification, and analysis. This course aims to provide students the skills and training necessary for a job in the biomanufacturing industry.

Transfer Credit: CSU

**BTEC 180**
QUALITY AND REGULATORY AFFAIRS IN BIOTECHNOLOGY
3.0 UNITS

Class hours: 3.0 Lecture
This course introduces concepts in regulation and quality in the biotechnology industry that influence the discovery, development and production phases of new product development. The role of government oversight and regulation in ensuring standards for product development are met is discussed.

Transfer Credit: CSU

**BOTANY (BOT)**
(Science, Engineering & Math Division)

**BOT 120**
INTRODUCTION TO PLANT SCIENCE
4.0 UNITS

Class hours: 2.0
Lecture/6.0 Laboratory
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.

This is an introductory course in plant biology designed to introduce students to fundamental and unifying principles of biology and to cover in some depth many of the facets of botany. Topics will include chemistry, cell biology with an emphasis on plant cells, plant structure and response to environment, a taxonomic survey of major plant groups including their life cycles and characteristics, plant ecology, and evolution. The course will both fulfill the general education life science lab requirement and prepare students for a life science major. Field trips to examine local plant communities are part of the class. Students will also conduct a research project,
prepare a scientific paper, and make a presentation based on their project.

Transfer Credit: CSU; UC

BUSINESS ADMINISTRATION (BA)
(Business Education Division)

BA 100
FUNDAMENTALS OF BUSINESS
3.0 UNITS
Class hours: 3.0 Lecture
This course provides an introduction to business and will survey business principles, methodologies, problems, practices, and procedures as they pertain to the societal challenges facing business and the economic challenges facing America in a global environment. Business topics will be discussed, such as: the nature of business, ownership, recruitment and training of personnel, human resources, labor-management relations, human behavior, production and distribution of goods, economics, marketing, competition, profits, transportation, finance and accounting, managerial controls, organizational communications and culture, global markets, government, entrepreneurship and business relations.

Transfer Credit: CSU; UC
C-ID: BUS 110

BA 101
INTERNATIONAL BUSINESS
3.0 UNITS
Class hours: 3.0 Lecture
This course is a survey of the factors, problems, terminology, methodologies, concepts and techniques involved in conducting business in the market places of the world, and includes an overview of economic, legal, political, financial, geographic, human resources and social cultural factors that affect business transactions abroad. Financial management and institutions, marketing, information technology, monetary systems, organizational management and goals will be reviewed in a global business environment.

Transfer Credit: CSU

BA 102
INTERNATIONAL BUSINESS LAW
3.0 UNITS
Class hours: 3.0 Lecture
This is a survey course designed to acquaint the student with the legal aspects of international business law. It includes discussions regarding the responsibilities of states for the treatment of aliens and foreign businesses, multinational enterprises, foreign investments, importing and exporting, and money and banking.

Transfer Credit: CSU

BA 104
MANAGING CULTURAL DIVERSITY
3.0 UNITS
Class hours: 3.0 Lecture
This course introduces students to various human characteristics and differences which exist in worldwide business environments. Communication styles, business ethics, mannerisms, numbers, space, and political and religious beliefs will be highlighted as to their importance in establishing viable and profitable contacts between individuals, cultures, and nations. This course can be taken in either a traditional or an online learning environment.

Transfer Credit: CSU

BA 106
HUMAN RESOURCE MANAGEMENT
3.0 UNITS
Class hours: 3.0 Lecture
This course is designed to acquaint the student with the principles and methods related to the effective utilization of personnel in the business organization. It will develop relations involved in recruitment, selection, placement, training, and supervision of employees. It will also include an introduction to the organized labor movement and current labor relations conditions.

Transfer Credit: CSU
BA 107  
HUMAN RELATIONS IN BUSINESS  
3.0 UNITS  
Class hours: 3.0 Lecture  
This course is designed to aid future employees and employers to understand and utilize human relations concepts as they apply to the business environment. It will cover such areas as morale, personal efficiency, leadership, personality, motivation, and communication.  
Transfer Credit: CSU

BA 109  
HUMAN RESOURCE DEVELOPMENT  
3.0 UNITS  
Class hours: 3.0 Lecture  
This course covers the entire field of Human Resource Development (HRD), from orientation and skills training to career development and organizational development. In addition to being theory- and research-based, it is also practical- and experience-based, designed for students who wish to become HRD professionals, or managers at all levels.  
Transfer Credit: CSU

BA 108  
LABOR MANAGEMENT RELATIONS  
3.0 UNITS  
Class hours: 3.0 Lecture  
This is an introductory course in labor-management relations for supervisors and union shop stewards. It focuses on collective bargaining and the functions of management, unions and labor agreements. An in depth study will be made of the Labor Management Relations Act as amended, the National Labor Relations Board, and the Landrum-Griffin Act. Special attention is given to grievance procedures and arbitration cases. Negotiations of a collective bargaining agreement will be simulated.  
Transfer Credit: CSU

BA 110  
ADVERTISING  
3.0 UNITS  
Class hours: 3.0 Lecture  
This course covers the study of magazine, newspaper, radio, billboard, direct mail, and other special forms of publicity. Problems of space, type, copy, and the preparation of the complete layout are discussed. The principles of effective techniques with ample practice in the preparation of different types of advertisements will be covered.  
Transfer Credit: CSU

BA 113  
LEGAL ENVIRONMENT OF BUSINESS  
3.0 UNITS  
Class hours: 3.0 Lecture  
This is a course that provides a meaningful portrayal of the operation and interaction of public and private law in the political and socio-economic environment. This is achieved by the study of the state and federal legal system and the laws that regulate business organizations. This course can be taken in either a traditional or an online learning environment.  
Transfer Credit: CSU; UC*  
*UC credit limits may apply.  
LAW 110, LAW 111, and BA 113 combined: maximum credit, one course.  
C-ID: BUS 120

BA 114  
MARKETING  
3.0 UNITS  
Class hours: 3.0 Lecture  
This course covers problems and organizations of systems of distributing goods and services in our business world. It will include promotion through retail and wholesale parallels, consumer buyer habits, pricing, budgeting, transportation, warehousing, sources and uses of marketing information, and marketing of agricultural products. This course can be taken in either a traditional or an online learning environment.  
Transfer Credit: CSU

BA 115  
MANAGEMENT-BUSINESS  
3.0 UNITS  
Class hours: 3.0 Lecture  
This course will cover the principles and techniques in
the management of business. It includes organizing, planning, controlling, directing, and the application of management principles to business organizations.

*Transfer Credit: CSU*

**BA 116**
**MANAGING GREEN: SUSTAINABILITY AND INNOVATION**

3.0 UNITS

Class hours: 3.0 Lecture

The class covers sustainability and innovative management from the history of its origin to theories, framework, and business cases that touch on larger societal and ecological challenges. This course meets the educational needs of business leaders, all of whom are being challenged by government regulations, energy costs, and social responsibilities never before faced.

*Transfer Credit: CSU*

**BA 117**
**INTRODUCTION TO SUPERVISION**

3.0 UNITS

Class hours: 3.0 Lecture

This is an introductory course focusing on the leadership skills and responsibilities required of supervisors in industry, business, and government agencies. Topics to be explored will include effective communication practices, training, and evaluation of employees, management systems organization, and delegation of responsibilities. Designed for in-service supervisors and pre-supervisor education, this class offers the demonstration of leadership skills. This course can be taken in either a traditional or an online learning environment.

*Transfer Credit: CSU*

**BA 118**
**RETAIL MANAGEMENT**

3.0 UNITS

Class hours: 3.0 Lecture

This course is designed to meet the needs of retail store managers and help prepare students for positions in retail store management. Topics covered: organizational structure, merchandise planning and control, sales promotion, pricing, and expense management.

*Transfer Credit: CSU*

**BA 120**
**MANAGEMENT-ACCOUNTING AND INTERNAL CONTROL**

3.0 UNITS

Class hours: 3.0 Lecture

The accounting cycle will be introduced with emphasis on understanding financial records. Instruction will be given on the internal control of the industry being studied, as well as an introduction to the analysis of the financial statements. This course can be taken in either a traditional or an online learning environment.

*Transfer Credit: CSU*

**BA 121**
**SALES**

3.0 UNITS

Class hours: 3.0 Lecture

This course covers opportunities in selling, development of desirable personality traits, methods of approach to prospective customers, the art of demonstrating goods, how to meet objections, and how to close the sale.

*Transfer Credit: CSU*

**BA 124**
**FUNDAMENTALS OF TRAINING**

3.0 UNITS

Class hours: 3.0 Lecture

This survey course focuses on the acquisition of knowledge, skill development, and competencies from teaching vocational or practical skills, and knowledge. Methods and concepts of on-the-job training, off-the-job training, virtual training, and professional development will be explored.

*Transfer Credit: CSU*

**BA 125**
**DESIGNING, DEVELOPING, AND DELIVERING EFFECTIVE TRAINING PROGRAMS**

3.0 UNITS

Class hours: 3.0 Lecture

This course provides insightful, practical, and comprehensive learning on
topics that matter the most to training and Human Resources (HR) professionals: How to design, develop, and deliver effective training programs. In addition, students will study practical applications, adult learning principles that guide learning objectives, and how to establish an environment that is conducive to learning.

*Transfer Credit: CSU*

**BA 126**
**E-LEARNING**
**3.0 UNITS**

Class hours: 3.0 Lecture

This course provides students with evidence-based guidelines for both self-study (asynchronous) and virtual classroom (synchronous) forms of E-learning. Students will study the guidelines, evidence, and examples that shape decisions about the design, development, and evaluation of E-learning. This course reflects the current state of the E-learning field, blending real-world practices and up-to-date research.

*Transfer Credit: CSU*

**BA 132**
**COMPUTER APPLICATIONS FOR MANAGERS**
**3.0 UNITS**

Class hours: 3.0 Lecture

This survey course focuses on the business management processes and the software products that are available to assist managers, entrepreneurs, and other business professionals in the successful accomplishment of their demanding jobs in a dynamic, global, and technology-driven business environment. The course is designed to review the latest software available to assist managers in accomplishing the full spectrum of management functions to help them shift from old methods of managing to new methods using tools provided by computer technology.

*Transfer Credit: CSU*

**BA 149**
**CURRENT MANAGEMENT THEORY**
**3.0 UNITS**

Class hours: 3.0 Lecture

This course is an introduction to Total Quality Management (TQM) and other current management theories. The ideas of prominent management consultants will be reviewed, discussed, and analyzed. These theories will be compared as to how they can be applied. This course can be taken in either a traditional or an online learning environment.

*Transfer Credit: CSU*

**BA 152**
**FUNDAMENTALS OF IMPORTING AND EXPORTING**
**3.0 UNITS**

Class hours: 3.0 Lecture

This course offers the basics of importing and exporting, including U.S. Customs Service, customs brokers, duty rates, laws and regulations, currency exchange and letters of credit, storage, transportation, financing, terms of access, documentation, trade patterns by countries and commodities. This course can be taken in either a traditional or online learning environment.

*Transfer Credit: CSU*

**BA 153**
**INTRODUCTION TO ENTREPRENEURSHIP**
**3.0 UNITS**

Class hours: 3.0 Lecture

This course is designed to acquaint the student with the knowledge of principles, procedures, and opportunities in entrepreneurship. It will cover such topics as: the challenge of entrepreneurship, the entrepreneurial journey, launching a business and sources of funding. It will briefly cover the global aspects of entrepreneurship.

*Transfer Credit: CSU*

**BA 155**
**INTRODUCTION TO GLOBAL LOGISTICS**
**3.0 UNITS**

Class hours: 3.0 Lecture

Recommendation: BA 101 or equivalent with a grade of “C” or higher or “Pass”.
In this course students analyze the international environment, learn about logistics systems, and learn the correct control procedures to monitor its success. Students learn the factors involved in bringing new products to market across numerous regions, using customized design, packaging, and service offerings, while providing for quick-response delivery, linking innovation, and value-added services to product offerings.

Transfer Credit: CSU

BA 156
MOTIVATIONAL PRESENTATION SKILLS FOR MANAGERS
3.0 UNITS
Class hours: 3.0 Lecture

This course is designed to teach managers how to communicate the values, mission, and goals of the organization to create an environment that encourages motivation on the part of employees. Students learn business writing, speaking and report development techniques, and presentation skills required to be an effective business leader. Topics of discussion also include handling conflict, managing changes, motivation, and dealing effectively with stress. Emphasis is on the process of developing presentation materials, planning presentations, and using the latest communication technology with which to deliver professional, compelling presentations.

Transfer Credit: CSU

BA 157
PRINCIPLES OF PUBLIC RELATIONS
3.0 UNITS
Class hours: 3.0 Lecture

This class explores the basic theories and principles of communicating information and concepts. Emphasis is on techniques and methods, with attention given to identifying audiences, using public relations tools, planning public relations programs and campaigns, promoting favorable relations with various segments of the public, and dealing with problem solving. The effective use of public information, publicity, and advertising is covered. This course is not available for students who are enrolled in or have completed JOUR 157.

Transfer Credit: CSU
C-ID: JOUR 150

BA 171
BUSINESS ADMINISTRATION OCCUPATIONAL WORK EXPERIENCE
1.0 UNIT
Class hours: 1.0 Work Experience

One unit of Business Administration Occupational Work Experience requires 60 non-paid hours of work or 75 paid hours of work per semester.

Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. This creates greater communication with increased understanding between the student/workers, the college, and the employer/trainers. First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. Students will meet weekly with the instructor until their participatory assignments and semester work projects have been approved. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

Transfer Credit: CSU
BA 172  
BUSINESS ADMINISTRATION OCCUPATIONAL WORK EXPERIENCE  
2.0 UNITS  
Class hours: 1.0 Work Experience  
Two units of Business Administration Occupational Work Experience require 120 non-paid hours of work or 150 paid hours of work per semester.  
Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. This creates greater communication with increased understanding between the student/workers, the college, and the employer/trainers. First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. BA 173  
BUSINESS ADMINISTRATION OCCUPATIONAL WORK EXPERIENCE  
3.0 UNITS  
Class hours: 1.0 Work Experience  
Three units of Business Administration Occupational Work Experience require 180 non-paid hours of work or 225 paid hours of work per semester.  
Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. In the process of doing so, it creates greater communication with increased understanding between the student/workers, the college, and the employer/trainers. First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. Second, third, and fourth semester students must secure departmental approval before enrolling. Students will meet weekly with the instructor until their participatory assignments and semester work projects have been approved. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

BA 204
PROJECT MANAGEMENT
3.0 UNITS
Class hours: 3.0 Lecture
This course presents the essential knowledge and skills students need to make effective contributions and to have an immediate impact on the accomplishment of projects in which they are involved. It is for everyone involved in projects, not just project managers, in order to succeed in interdisciplinary and cross-functional teams. This course provides the foundation students need to be effective members of project teams and, thereby, boost everyone's potential to rise to the challenge of managing teams and projects.

Transfer Credit: CSU

BA 205
ORGANIZATIONAL LEADERSHIP
3.0 UNITS
Class hours: 3.0 Lecture
This course is designed to introduce the student to the concepts, issues, and practices that comprise the core of organizational leadership from a business and global perspective. It describes the core leadership theories, analyzes them in terms of business success, and examines leadership as it unfolds in the workplace. The various styles of leadership are identified, and the methods of developing, or improving, the student's own leadership skills are discussed.

Transfer Credit: CSU

BA 208
LEADERSHIP FOR WOMEN IN BUSINESS
3.0 UNITS
Class hours: 3.0 Lecture
This course explores women's leadership, management, communication styles, and the vision and values women leaders bring to an effective environment in business. It is about balancing work/life and managing drive, ambition, adversity, commitment, networking, and achievement. It examines strategies for developing and encouraging skills that enable and allow women leaders and managers to succeed. This course is not open to students who are currently enrolled in WS 208 or have completed WS 208 or WGS 208.

Transfer Credit: CSU

BA 210
ENTREPRENEURSHIP AND INNOVATION
3.0 UNITS
Contact hours: 3.0 lectures
This course is designed to acquaint the student with concepts of entrepreneurial innovation including the importance of innovation in broad business context. Topics will include sources of innovation, exploiting networks, creating new ventures and managing innovation and entrepreneurship within an organization.

Transfer Credit: CSU

BA 233
APPLE APP DESIGN AND DEVELOPMENT FOR ENTREPRENEURS
3.0 UNITS
Class hours: 3.0 Lecture
This introductory programming course is designed for Business Administration students in the Entrepreneurial program with Apple. Students are required to have Apple hardware in order to read the textbook materials and
develop their projects. This course teaches application development for iOS using Swift and XCode.

Transfer Credit: CSU

BA 298
DIRECTED STUDIES  
1.0 UNIT

Class hours: 3.0
Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a Counselor for an explanation.

Transfer Credit: CSU

BA 299
DIRECTED STUDIES  
2.0 UNITS

Class hours: 6.0
Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a Counselor for an explanation.

BUSINESS
COMMUNICATIONS
OFFICE TECHNOLOGY
(BCOT)
(Business Education Division)

BCOT 60 (Not Degree Applicable)
CUSTOMER SERVICE  
1.0 UNIT

Class hours: 1.0 Lecture

This course teaches the importance of effective telephone and customer service techniques in the business office and the correct manner of identifying customer wants and needs.

BCOT 62
KEYBOARDING FOR THE DIGITAL AGE  
1.0 UNIT

Class hours: 1.0 Lecture/0.5 Laboratory

This course is designed for any student who do not know how to touch type; executives/managers/operators who use computer workstations; people who seek data entry positions; and users of personal home computers. Touch typewriting of alphabetic, numeric, and symbol keys on computers is emphasized. This course can be taken in either a traditional or an on-line learning environment.
BCOT 71
MEDICAL ADMINISTRATIVE OFFICE PROCEDURES
3.5 UNITS
Class hours: 3.0
Lecture/2.0 Laboratory
This course prepares the medical/dental secretary or medical/dental office personnel to work as front office personnel in a health care practice. Students will learn to input patient information, schedule appointments, handle billing, handle insurance claims, and apply computer basics as they relate to the medical office.

BCOT 96
MICROSOFT POWERPOINT
1.5 UNITS
Class hours: 1.5 Lecture/1.0 Laboratory
This course introduces the student to Microsoft PowerPoint software applications. Topics include Microsoft PowerPoint functions: preparing, editing, and formatting a presentation, adding animation, using WordArt and creating organizational charts, adding visual elements, modifying a presentation, importing and exporting data, customizing and creating a slide show, and creating output and delivering presentations. This course prepares the student for Microsoft Certified Application Specialist (MCAS) certification for Microsoft PowerPoint. This course can be taken in a traditional classroom setting, in an individualized modular setting, or in an online learning environment.

Transfer Credit: CSU

BCOT 97
MICROSOFT OUTLOOK
1.5 UNITS
Class hours: 1.5 Lecture/1.0 Laboratory
This course introduces the student to Microsoft Outlook software applications. Topics include Microsoft Outlook functions: sending and receiving e-mail, organizing schedules and events, and maintaining contact lists, to-do lists, notes, and a journal. This course prepares the student for Microsoft Certified Application Specialist (MCAS) certification for MS Outlook. This course can be taken in a traditional classroom setting, in an individualized modular setting, or in an online learning environment.

BCOT 112
MICROSOFT WORD
3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: Ability to type 30 wpm.
This course introduces the student to Microsoft Word software applications. Topics include Microsoft Word functions: creating, printing, and editing word documents; formatting text and using help; enhancing the visual display and clarity of documents; working with multiple documents; formatting documents; creating and formatting tables; inserting graphic elements exploring the Internet; formatting with special features; merging documents and sorting and selecting data; working with shared documents; creating tables and indexes; recording, running, and editing macros; creating fill-in forms; and adding visual appeal to documents. This course prepares the student for Microsoft Certified Application Specialist (MCAS) certification for Microsoft Word. This course can be taken in a traditional classroom setting, in an individualized modular setting, or in an online learning environment.

Transfer Credit: CSU

BCOT 113
MICROSOFT EXCEL
3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
This course introduces the student to Microsoft Excel software applications. Topics include Microsoft Excel functions: preparing and formatting an Excel worksheet, maintaining and enhancing a worksheet, moving data within and between workbooks, inserting formulas in a worksheet, creating a chart in Excel, inserting clip art images, creating maps, formatting Excel worksheets using advanced formatting techniques, working with templates and workbooks using advanced functions, working with lists, using
Excel’s analysis tools, managing and auditing worksheets, collaborating with workgroups, and importing and exporting data. This course prepares the student for Microsoft Certifies Application Specialist (MCAS) certification for Microsoft Excel. This course can be taken in a traditional classroom setting, in an individualized modular setting, or in an online learning environment.

Transfer Credit: CSU

BCOT 114
INTRODUCTION TO MICROSOFT OFFICE
3.5 UNITS

Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: Ability to type 30 wpm.

This course is designed to teach students business applications software and office skills using windows compatible computers and Microsoft Office (Word, Excel, Access, and PowerPoint) to integrate the multifaceted tasks within the office environment. Concepts and skills include creating, editing, and printing letters, memos, reports, presentations, graphics, overheads, business figure analyses, miscellaneous office documents, and maintenance/ modification of databases. This course can be taken in either a traditional or an on-line learning environment.

Transfer Credit: CSU

BCOT 118
MICROSOFT ACCESS FOR OFFICE TECHNOLOGY
1.5 UNITS

Class hours: 1.5 Lecture/1.0 Laboratory

This course introduces the student to Microsoft Access software applications for administrative assistants and office technology. This course prepares the student for Level 1 Microsoft Certified Application Specialist (MCAS) certification for Microsoft Access.

Transfer Credit: CSU

BCOT 131
COLLEGE KEYBOARDING & DOCUMENT PROCESSING
3.5 UNITS

Class hours: 3.0 Lecture/2.0 Laboratory

This is a basic course in keyboarding designed to teach control of the keyboard by touch and the processing of business documents—letters, memos, reports, and employment documents. The student will learn basic computer parts and terminology.

Transfer Credit: CSU

BCOT 146
BUSINESS ENGLISH FOR THE DIGITAL WORKPLACE
3.0 UNITS

Class hours: 3.0 Lecture

This course reviews the fundamentals of grammar, syntax, sentence structure, punctuation, capitalization, spelling, and business vocabulary building for the digital workplace.

Transfer Credit: CSU

BCOT 148
EFFECTIVE BUSINESS PRESENTATION
3.0 UNITS

Class hours: 3.0 Lecture
Recommendation: BCOT 96 or equivalent with a grade of “C” or higher or "Pass".

This course is designed to develop those communication skills necessary to present effective written and oral business briefings and reports. It stresses the need to write and speak clearly, cohesively, concisely, and convincingly. Students will structure reports, both orally and written, on topics about which they are knowledgeable.

Transfer Credit: CSU

BCOT 150
INTERNATIONAL BUSINESS COMMUNICATION
3.0 UNITS

Class hours: 3.0 Lecture

This course covers issues and skills that are crucial to effective intercultural communication in business. The most significant issues pertaining to cross- cultural interaction are examined. Practical guidelines and information on how to conduct negotiations across countries, as well as general do's and don'ts in international business are covered. International business writing styles, formats, and content for letters, reports, résumés, presentations, and other miscellaneous business documents are emphasized.

Transfer Credit: CSU
BCOT 152
EMPLOYMENT SEARCH IN THE JOB MARKET
1.5 UNITS

Class hours: 1.5 Lecture
Recommendation: Completion of or near completion of any certificate or AA Degree in any Business discipline.

This course prepares students for the job search process. It emphasizes job search tools, techniques, and procedures for researching the labor market; health and image professional development; writing strategies for résumés, application/cover letters, and follow-up/thank-you letters/emails; and understanding human relations in job adjustment.

Transfer Credit: CSU

BCOT 151
FILING/RECORDS MANAGEMENT
1.0 UNIT

Class hours: 1.0 Lecture/0.5 Laboratory

This is a computerized filing/records management course that covers the principles of information processing, storage, and retrieval. Instruction is given in the rules of indexing and alphabetizing. A study will be made of geographic, numeric, subject, microfilming, and magnetic tape storage systems. Practice will be given in the processing of materials, filing, indexing, alphabetizing, coding, creating filenames and filename extensions for electronic files, and storing and retrieving electronic data to and from directories and subdirectories. The course emphasizes principles and practices of effective records and information management for physical and electronic records systems. Emphasis is placed on the need to understand the changes occurring with the volume of information, the need for compliance to government regulations, and the advances in technology.

Transfer Credit: CSU

BCOT 155
ADMINISTRATIVE SECRETARIAL PROCEDURES
4.0 UNITS

Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: BCOT 131 or equivalent with a grade of "C" or higher or "Pass".

This course will emphasize the planning, organizing, problem solving, and human relation skills needed by secretaries at the administrative level. Employed or re-entry office support personnel may use this class for a refresher course or for professional purposes. This course can be taken in a traditional classroom setting or online environment.

Transfer Credit: CSU

BCOT 161
BUSINESS DOCUMENT PROOFREADING AND EDITING SKILLS
3.0 UNITS

Class hours: 3.0 Lecture

This course is designed to sharpen proofreading and editing skills. It provides a thorough review of the rules governing language arts and applies them in business documents. Computerized exercises are integrated to give users practice in proofreading, editing, and formatting documents just as they would in everyday situations. The course is designed to teach and to reinforce accurate grammar, spelling, vocabulary, word usage, and proofreading skills with a distinct business orientation. It emphasizes the business context of these basic communications skills, which are needed for integration into other courses.

Transfer Credit: CSU

BCOT 247
MANAGERIAL BUSINESS COMMUNICATIONS
3.0 UNITS

Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher or “Pass”.

This course applies the principles of ethical and effective communication to the creation of letters, memos, e-mails, employment communication, and written
and oral reports for a variety of business situations. The course emphasizes planning, organizing, composing, and revising business documents using word processing software for written documents and presentation graphics software to create and deliver professional-level oral reports. This course is designed for students who already have college-level writing skills.

Transfer Credit: CSU
C-ID: BUS 115

BCOT 248
PROFESSIONAL SOFT SKILLS FOR THE WORKPLACE
3.0 UNITS
Class hours: 3.0 Lecture
This course covers the critical soft skills necessary for workplace success. Topics include, but are not limited to, communication skills, job behavior, customer service, project management leadership, power listening, conflict resolution, teamwork, networking, emotional intelligence, cultural sensitivity, employer expectations, time/stress management, employee attitude, and workplace ethics.

Transfer Credit: CSU

CHEMISTRY (CHEM)
(Science, Engineering & Math Division)

CHEM 95A (Not Degree Applicable)
TUTORING FOR CHEM 100-INTRODUCTORY CHEMISTRY
0.5 UNIT
Class hours: 2.0 Laboratory
Corequisite: CHEM 100
This course is designed to facilitate the learning of scientific principles and techniques through individualized and mediated instruction. It is open to any student enrolled in CHEM 100-Introductory Chemistry. This course is offered on a pass/no pass basis only. Open entry/open exit.
(Formerly CHEM 95)

CHEM 95B (Not Degree Applicable)
TUTORING FOR CHEM 110-ELEMENTARY CHEMISTRY
0.5 UNIT
Class hours: 2.0 Laboratory
Corequisite: CHEM 110
This course is designed to facilitate the learning of scientific principles and techniques through individualized and mediated instruction. It is open to any student enrolled in CHEM 110-Elementary Chemistry. This course is offered on a pass/no pass basis only. Open entry/open exit.
(Formerly CHEM 95)

CHEM 95C (Not Degree Applicable)
TUTORING FOR CHEM 111 GENERAL CHEMISTRY
0.5 UNIT
Class hours: 2.0 Laboratory
Corequisite: CHEM 111
This course is designed to facilitate the learning of scientific principles and techniques through individualized and mediated instruction. It is open to any student enrolled in CHEM 111-General Chemistry. This course is offered on a pass/no pass basis only. Open entry/open exit.
(Formerly CHEM 95)

CHEM 95D (Not Degree Applicable)
TUTORING FOR CHEM 112-GENERAL CHEMISTRY
0.5 UNIT
Class hours: 2.0 Laboratory
Corequisite: CHEM 112
This course is designed to facilitate the learning of scientific principles and techniques through individualized and mediated instruction. It is open to any student enrolled in CHEM 112-General Chemistry. This course is offered on a pass/no pass basis only. Open entry/open exit.
(Formerly CHEM 95)

CHEM 95E (Not Degree Applicable)
TUTORING FOR CHEM 211-ORGANIC CHEMISTRY
0.5 UNIT
Class hours: 2.0 Laboratory
Corequisite: CHEM 211
This course is designed to facilitate the learning of scientific principles and techniques through individualized and mediated instruction. It is open to any student enrolled in CHEM 211-Organic Chemistry. This course is offered on a pass/no pass basis only. Open entry/open exit.
(Formerly CHEM 95)
CHEM 9SF (Not Degree Applicable)
TUTORING FOR CHEM 212 - ORGANIC CHEMISTRY 0.5 UNIT
Class hours: 2.0 Laboratory
Corequisite: CHEM 212
This course is designed to facilitate the learning of scientific principles and techniques through individualized and mediated instruction. It is open to any student enrolled in CHEM 212 - Organic Chemistry. This course is offered on a pass/no pass basis only. Open entry/ open exit.
(Formerly CHEM 95)
CHEM 100 INTRODUCTORY CHEMISTRY 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: MATH 40 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH courses numbered 100 level or higher.
Recommendation: Meet the prerequisite within four years prior to the date of enrollment in CHEM 100.
This course is an introduction to the basic principles of inorganic and organic chemistry and biochemistry with their application to problems encountered in our everyday lives. The course includes the metric system, atomic structure, bonding, solutions, chemical reactions, hydrocarbons, functional groups, carbohydrates, lipids, and proteins. It is designed to give a general introduction to fundamental concepts and to prepare students for majors in nursing, dental hygiene, physician assistant, physical therapy assistant, liberal arts, and technical fields. (Not open to those with credit in more advanced course.)
Transfer Credit: CSU; UC
CHEM 100 and CHEM 110 combined: maximum credit, 1 course. No credit for CHEM 100 or CHEM 110 if taken after CHEM 111.
CHEM 101 CHEMISTRY IN SOCIETY 3.0 UNITS
Class hours: 3.0 Lecture
From the chemistry of living life to running your car, chemistry is integral to our everyday lives. This course is an introduction to the basic principles of chemistry as they apply to our everyday lives and how science can solve real-world problems. You’ll learn how chemistry is used to improve the world around us. You’ll examine alternative fuels, the biochemistry of food, and the environment. The course includes the metric system, atoms, bonding, everyday chemical reactions, nuclear chemistry, inorganic chemistry and biochemistry. You will learn the process and value of science in our society. The course is designed to fulfill a GE physical science course, specifically chemistry, for the non-science major. This course is suitable for students who have little or no background in chemistry. This course is not recommended for science majors or students interested in allied health careers.
Transfer Credit: CSU
CHEM 110 ELEMENTARY CHEMISTRY 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: MATH 80 or MATH 80B or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/ placement process with a score eligible for MATH courses numbered 100 level or higher.
Recommendation: Meet the prerequisite within four years prior to the date of enrollment in CHEM 110.
This introductory inorganic chemistry course emphasizes basic principles, formulas, equations, and chemical math problems. It is designed for students with little or no previous chemistry and prepares students for CHEM 111, General Chemistry.
Transfer Credit: CSU; UC
CHEM 100 and CHEM 110 combined: maximum credit, 1 course. No credit for CHEM 100 or CHEM 110 if taken after CHEM 111.
C-ID: CHEM 101
CHEM 111 GENERAL CHEMISTRY 5.0 UNITS
Class hours: 3.0 Lecture/6.0 Laboratory
Prerequisite: CHEM 110 or equivalent with a grade of “C” or higher or “Pass” and MATH 80 or MATH 80B or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/ placement process with a score eligible for MATH courses numbered 100 level or higher.
Recommendation: Meet the prerequisite within four years prior to the date of enrollment in CHEM 111.
This course is designed for science majors. It includes stoichiometry; properties and changes of state for gases, liquids and solids; solutions; colloids; equilibria of gases, weak acids and bases, and slightly soluble compounds.
Transfer Credit: CSU; UC
C-ID: CHEM 110, CHEM 120S
CHEM 112 GENERAL CHEMISTRY 5.0 UNITS
Class hours: 3.0 Lecture/6.0 Laboratory
Prerequisite: CHEM 111 or equivalent with a grade of "C" or higher or "Pass.
Recommendation: It is strongly recommended that students take MATH 155 prior to taking CHEM 112.

This course is designed for science majors and is a continuation of CHEM 111. It includes oxidation-reduction; electrochemistry; modern atomic structure and bonding; molecular geometry; coordination chemistry; nuclear chemistry; thermodynamics; kinetics, and organic chemistry. The laboratory includes some qualitative analysis.
Transfer Credit: CSU; UC

ID: CHEM 120S

CHEM 211
ORGANIC CHEMISTRY 5.0 UNITS
Class hours: 3.0 Lecture/6.0 Laboratory
Prerequisite: CHEM 112 or equivalent with a grade of "C" or higher or "Pass".
Recommendation: It is strongly recommended that the preceding prerequisite be completed within four years prior to the date of enrollment in CHEM 211.

This course is the first part of a one-year Organic Chemistry course that includes topics on the properties and reactions of aliphatic and aromatic organic compounds. Emphasis is placed on reaction mechanisms, fundamental principles, and modern instrumental methods. The laboratory experiments will stress synthesis, techniques, and spectroscopic and qualitative analysis.
Transfer Credit: CSU; UC

ID: CHEM 160S

CHEM 250L
SPECIAL TOPICS IN CHEMISTRY 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: CHEM 111 or equivalent with a grade of "C" or higher or "Pass".
Recommendation: It is strongly recommended that the preceding prerequisite be completed within four years prior to the date of enrollment in CHEM 212.

This course is the second part of a one-year Organic Chemistry course that includes topics on the properties and reactions of aliphatic and aromatic organic compounds. Emphasis is placed on reaction mechanisms, fundamental principles and modern instrumental methods. The laboratory experiments will stress synthesis, techniques, and spectroscopic and qualitative analysis.
Transfer Credit: CSU; UC

CHEM 212
ORGANIC CHEMISTRY 5.0 UNITS
Class hours: 3.0 Lecture/6.0 Laboratory
Prerequisite: CHEM 211 or equivalent with a grade of "C" or higher or "Pass"

CHICANO STUDIES (CS)
(Humanities and Social Sciences Division)

CS 100
INTRODUCTION TO ETHNIC STUDIES: CHICANO/A STUDIES 3.0 UNITS
Class hours: 3.0 Lecture
This course will survey the origins of Chicana/o Studies as a foundational area of Ethnic Studies in relation to contemporary Chicana/o/Mexican-American culture. Critical analysis is placed on the development of the field in Ethnic Studies as an academic discipline and critical theories of racialization and intersectionality. A socio-political constructivist approach will examine a range of identity-making cultural expressive arts in the form of travel, murals, theatre, fairs, festivals, film, literature, food, music, comedy, dance, religion, incorporated into celebrations. This Ethnic Studies Chicano studies course is intended for students interested in applying their learning through Chicano/ethnic Studies, all majors, career interests, and or for personal and career development.
Transfer Credit: CSU

CS 101
INTRODUCTION TO SOCIAL JUSTICE 3.0 UNITS
Class hours: 3.0 Lecture
This interdisciplinary course introduces students to the social forces that create and resist oppression in the U.S. population in the face of racism and the struggle for ethnic identity in the United States. It also highlights historical and contemporary social justice movements that have responded to inequity and injustice. Students will be provided a basis for understanding local, state, and national socio-economic, political and cultural conditions of the community and the role of power and privilege in societies. Transfer Credit: CSU

CS 108
HISTORY OF MEXICAN AND LATINO AMERICANS IN THE UNITED STATES 3.0 UNITS
Class hours: 3.0 Lecture
This course is a survey of cultural, political, and social trends of Mexican and Latino Americans in the history of the United States from the colonial period to the present. The course combines lectures and class discussions in order to analyze the critical issues and significant turning points in the historical development of the Mexican American as well as Puerto Rican, Cuban and Central American communities in U.S. history. This course is not open to students who are enrolled in or received credit in HIST 108.
Transfer Credit: CSU; UC

CS 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
This course provides opportunities for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.
Transfer Credit: CSU

CS 299
DIRECTED STUDIES 2.0 UNITS

Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours, 2 units). This course may be taken a maximum of 2 times.

CD 110
CHILD DEVELOPMENT 3.0 UNITS
Class hours: 3.0 Lecture
This course examines the major physical, psychosocial, and cognitive/lunguage developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences, and analyze characteristics of development at various stages.
Transfer Credit: CSU; UC
C-ID: CDEV 100

CD 124
TEACHING IN A DIVERSE SOCIETY 3.0 UNITS
Class hours: 3.0 Lecture
Examination of the development of social identities in diverse societies, including theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms, and teaching. Various classroom strategies will be explored, emphasizing culturally and linguistically appropriate anti-bias approaches supporting all children in becoming competent members of a diverse society. The course includes self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media, and schooling.
Transfer Credit: CSU
C-ID: ECE 230

TEACHING IN A DIVERSE SOCIETY 3.0 UNITS
Class hours: 3.0 Lecture
Examination of the development of social identities in diverse societies, including theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms, and teaching. Various classroom strategies will be explored, emphasizing culturally and linguistically appropriate anti-bias approaches supporting all children in becoming competent members of a diverse society. The course includes self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media, and schooling.
Transfer Credit: CSU
C-ID: ECE 230

CHILD DEVELOPMENT (CD)
(Health Occupations Division)
CD 98
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours, 2 units). This course may be taken a maximum of 2 times.

CD 110
CHILD DEVELOPMENT 3.0 UNITS
Class hours: 3.0 Lecture
This course examines the major physical, psychosocial, and cognitive/lunguage developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences, and analyze characteristics of development at various stages.
Transfer Credit: CSU; UC
C-ID: CDEV 100

CD 124
TEACHING IN A DIVERSE SOCIETY 3.0 UNITS
Class hours: 3.0 Lecture
Examination of the development of social identities in diverse societies, including theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms, and teaching. Various classroom strategies will be explored, emphasizing culturally and linguistically appropriate anti-bias approaches supporting all children in becoming competent members of a diverse society. The course includes self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media, and schooling.

CD 139
OBSERVATION, ASSESSMENT, AND POSITIVE GUIDANCE OF CHILDHOOD BEHAVIOR 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: CDEC 111 and CD 110 or equivalent with grades of “C” or higher or “Pass”.
This course covers the appropriate use of observation and assessment strategies to document development, growth, play, and learning of young children. Recording strategies, rating systems, portfolios, and multiple assessment tools are explored. The emphasis will be on developing observation skills that will facilitate understanding children’s behavior and encouraging positive self-esteem while helping the child work toward self-control. Content will cover effective communication with children and families, theories of behavior, guidance techniques, and appropriate teaching and intervention strategies.
Transfer Credit: CSU

CHILD DEVELOPMENT/EARLY CHILDHOOD (CDEC)
(Health Occupations Division)
CDEC 62
EXPLORING CREATIVE ART EXPRESSION BY CHILDREN 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: CDEC 112 or equivalent with a grade of “C” or higher or “Pass”.
This course explores expressive visual arts experiences for children. The major focus will be on documenting and assessing the learning and thinking process of children and how it develops through exploration, discovery, and the creation of images, using a variety of art materials. This course meets the Department of Social Services Classification Indicator DS3.

CDEC 63
EARLY CHILDHOOD EXPERIENCES IN LANGUAGE ARTS AND SOCIAL SCIENCES 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: CDEC 112 or equivalent with a grade of “C” or higher or “Pass”.
This course will acquaint the student with developmentally appropriate language, literature, social sciences, and dramatic activities for children. Instruction will cover pre-reading, pre-writing, and the development of listening and speaking skills. Special needs and diversity issues involved in the development of literacy skills are introduced. This course meets the Department of Social Services Classification Indicator DS3.

CDEC 65
MUSIC AND MOVEMENT FOR CHILDREN 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: CDEC 112 or equivalent with a grade of “C” or higher or “Pass”.
This course focuses on principles and methods of providing creative musical and movement experiences for children. The student will also have the opportunity to learn how to use simple musical instruments suitable for use in Early Childhood Education programs. This course meets the Department of Social Services Classification Indicator DS 3.

CDEC 111
PRINCIPLES AND PRACTICES IN EARLY CHILDHOOD EDUCATION 3.0 UNITS
Class hours: 3.0 Lecture
This course provides an examination of the underlying theoretical principles of developmentally appropriate practices applied to the programs and environments, emphasizing the key role of relationships, constructive adult-child interactions, and teaching strategies in supporting physical, social, creative, and intellectual development for all children. It provides a survey of the field of Early Childhood Education, emphasizing historical roots of a variety of programs, and the evolution of the professional practices promoting ethics, advocacy, and professional identity.
Transfer Credit: CSU C-ID: ECE 120

CDEC 112
INTRODUCTION TO CURRICULUM 3.0 UNITS
Class hours: 3.0 Lecture
This course presents an overview of knowledge and skills related to providing appropriate curriculum and environments for young children from birth to age six. Students will examine a teacher’s role in supporting development and fostering the joy of learning for all young children, using observation and assessment strategies emphasizing the essential role of play. An overview of content areas will include, but not be limited to: language and literacy, social and emotional learning, sensory learning, art and creativity, and math and science.
Transfer Credit: CSU C-ID: ECE 130
CDEC 113
THE CHILD, FAMILY, AND COMMUNITY 3.0 UNITS
Class hours: 3.0 Lecture
This course examines the developing child in a societal context, focusing on the interrelationship of family, school, and community and emphasizes historical and socio-cultural factors. The processes of socialization and identity development will be highlighted, showing the importance of respectful, reciprocal relationships that support and empower families.
Transfer Credit: CSU
C-ID: CDEV 110

CDEC 133
EARLY CHILDHOOD EXPERIENCES IN MATHEMATICS AND SCIENCE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: CDEC 112 or equivalent with a grade of “C” or higher or “Pass”.
This course will acquaint the student with developmentally appropriate mathematics and science activities for pre-kindergarten children. Activities for this age group in counting, sets, earth and life sciences, classification of objects, and cooking experiences will be presented.
This course meets the Department of Social Services Classification Indicator DS 3.
Transfer Credit: CSU

CDEC 161
HEALTH, SAFETY, AND NUTRITION 3.0 UNITS
Class hours: 3.0 Lecture
This course introduces the laws, regulations, standards, policies, procedures, and early childhood curriculum related to child health, safety, and nutrition. The key components that ensure physical health, mental health, and safety for both children and staff will be identified along with the importance of collaboration with families and health professionals. There will be a focus on integrating the concepts into everyday planning and program development for all children.
Transfer Credit: CSU
C-ID: ECE 220

CDEC 164
PRACTICUM FIELD EXPERIENCE 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
Prerequisite: CD 110, CDEC 111, CDEC 112, and CDEC 113 or equivalent with grades of “C” or higher or “Pass”.
Recommendation: CD 124, CD 139, and CDEC 161.
This course is designed to provide an opportunity for students placed in the Cerritos College Child Development Center and off-site practica to explore the relationship between theory and practice in programs for young children. The course includes both lecture and laboratory experiences during which students will examine developmental issues, the role of the teacher/caregiver in early childhood programs, and the relationship between programs and families. Students will explore and practice techniques for the observation and recording of behavior; examine environments for young children; and plan, implement, and evaluate developmentally appropriate, culturally relevant experiences for young children. Students spend 3 hours/week in placement for a total of 54 hours/semester. TB clearance and good health are required to participate in this course. This course meets the Department of Social Services Classification Indicator DS 3.
Transfer Credit: CSU
C-ID: ECE 210

CDEC 166
ADMINISTRATION I: PROGRAMS IN EARLY CHILDHOOD EDUCATION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: CD 110, CDEC 111, CDEC 112, and CDEC 113 or equivalents with grades of “C” or higher or “Pass”.
This course is an introduction to the administration of early childhood programs. It covers program types, budget, management, regulations, laws, and the development and implementation of policies and procedures. The course examines administrative tools, philosophies, and techniques needed to organize, open, and operate an early care education program. This course is not open to students who have received credit in CDEC 66.
Transfer Credit: CSU

CDEC 167
ADMINISTRATION II: PERSONNEL AND LEADERSHIP IN EARLY CHILDHOOD EDUCATION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: CDEC 66 or CDEC 166 or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: Teaching experience.
This course covers effective strategies for personnel management and leadership in early care and education settings. It includes legal and ethical responsibilities, supervision techniques, professional development, and reflective practices for a diverse and inclusive early care and education program. This course is not open to students who have received credit in CDEC 67.
Transfer Credit: CSU
CDEC 230
ADULT SUPERVISION AND MENTORING IN EARLY CARE AND EDUCATION  3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: CD 110, CDEC 111, CDEC 112, and CDEC 113 or equivalents with grades of “C” or higher or “Pass”.
This course is a study of the methods and principles of supervising student teachers, volunteers, staff, and other adults in early care and education settings. Emphasis is on the roles and development of early childhood professionals as mentors and leaders.
Transfer Credit: CSU

CHILDM DEVELOPMENT/INFANT TODDLER (CDIT)
(Health Occupations Division)
CDIT 151
INFANT AND TODDLER DEVELOPMENT 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: CD 110 or equivalent with a grade of “C” or higher or “Pass”.
This course is a study of infants and toddlers from pre-conception to age three including physical, cognitive, language, social, and emotional growth and development. It applies theoretical frameworks to interpret behavior and interactions between heredity and environment. The course also emphasizes the role of family and relationships in development.
Transfer Credit: CSU

CDIT 152
CARE AND EDUCATION FOR INFANTS AND TODDLERS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: CD 110 and CDIT 151 or equivalent with grades of “C” or higher or “Pass”.
This course applies current theory and research to the care and education of infants and toddlers in group settings. It examines essential policies, principles, and practices that lead to quality care and developmentally appropriate curriculum for children birth to 36 months.
Transfer Credit: CSU

CHILD DEVELOPMENT/ SPECIAL EDUCATION (CDSE)
(Health Occupations Division)
CDSE 150
INTRODUCTION TO CHILDREN WITH SPECIAL NEEDS 3.0 UNITS
Class hours: 3.0 Lecture
This course introduces the variations in development of children with special needs ages birth through eight and the resulting impact on families. It also includes an overview of historical and societal influences, laws relating to children with special needs, and the identification and referral process. This course is not open to students who have received credit in CDSE 50.
Transfer Credit: CSU

CDSE 152
CURRICULUM AND STRATEGIES FOR CHILDREN WITH SPECIAL NEEDS 3.0 UNITS
Class hours: 3.0 Lecture
This course covers curriculum and intervention strategies for working with children with special needs in partnership with their families. It focuses on the use of observation and assessment in meeting the individualized needs of children in inclusive and natural environments. Content includes the role of the teacher as a professional working with families, collaboration with interdisciplinary teams, and cultural competence. This course is not open to students who have received credit for CDSE 52.
Transfer Credit: CSU

CHINESE (CHIN)
(Liberal Arts Division)
CHIN 101
ELEMENTARY CHINESE I 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
This beginning Chinese course emphasizes the acquisition of basic skills in pronunciation, listening, speaking, reading, writing, and the grammar and vocabulary necessary to acquire skills. Students will also be introduced to the customs, culture, and geography of China through lectures, films, and reading assignments. This course is not recommended for native speakers.
Transfer Credit: CSU; UC

CHIN 102
ELEMENTARY CHINESE II 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
Prerequisite: CHIN 101 or equivalent with a grade of “C” or higher or “Pass”.
This course is a continuation of the study of the basic principles of Chinese with an emphasis on oral and written communication. It helps continue to develop the appreciation of cultural diversity through the study of the differences and similarities between cultures.
Transfer Credit: CSU; UC
CHIN 103
INTRODUCTION TO BUSINESS
CHINESE 3.0 UNITS
Class hours: 3.0 Lecture
The course introduces students to the dialogues, grammar, and vocabulary designed for beginners, and emphasizes business communication: negotiating, socializing, and establishing and maintaining good relationships. Beyond language acquisition, the course provides students with extensive cultural points to help navigate cultural differences in business and daily life. No prior knowledge of Chinese is required. Transfer Credit: CSU

CHIN 201
INTERMEDIATE CHINESE I 5.0 UNITS
Class hours: 5.0 Lecture/0.3 Laboratory
Prerequisite: CHIN 102 or equivalent with a grade of “C” or higher or "Pass".
This course is the continuation of Beginning Chinese 102. Students will continue to learn more essential skills of listening, speaking, reading and writing for daily communication. A broad variety of expressions and complicated sentence structures will be taught so that students can participate in conversations on various topics related to modern Chinese Society. While equal emphasis will still be given to both characters and structures, students will be guided to write more essays in Chinese. Activities related to the broad spectrum of Chinese culture will be organized to facilitate language learning with knowledge and analysis of the cultural background of the language.
Transfer Credit: CSU; UC

CHIN 202
INTERMEDIATE CHINESE II 5.0 UNITS
Class hours: 5.0 Lecture/0.3 Laboratory
Prerequisite: CHIN 201 or equivalent with a grade of “C” or higher or "Pass".
This course is a continuation of Intermediate Chinese 201. It aims to help students develop communicative competence in the four skills of listening, speaking, reading, and writing in Mandarin Chinese. Semantic topics in the intermediate level are expanded to more abstract and more societal phenomena. Students are exposed to various communicative situations that require them to use and develop the skills such as basic summary, description, discussion, and plan for the future. While equal emphasis is still given to both vocabulary and grammatical structures, students are guided to write cohesive essays with formal and written expressions. Students will discuss and compare cultural differences to gain understanding and knowledge of contemporary Chinese culture and society.
Transfer Credit: CSU; UC

CHIN 260
CHINESE CULTURE AND SOCIETY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or "Pass" or completion of the English assessment/ placement process with a score eligible for ENGL 100 or ENGL 100S.
This course offers an introductory survey of contemporary Chinese culture and society as reflected in literature, art, history, geography, politics, economy, and social development through selected readings and audiovisual materials. The emphasis is on the issues of family and kinship, religion, ethnic minorities, gender, institutional culture, market economy, urbanization, environment, and international relations. No previous knowledge of Chinese culture and language is required. The course is taught in English.
Transfer Credit: CSU; UC

COMM 60
BASICS OF SPEECH COMMUNICATION 3.0 UNITS
Class hours: 3.0 Lecture
This course is designed for students who need an introductory course in oral communication. It will aid them in conversation, small group interaction, identification of speaking purposes, supporting ideas, and listening skills. Videotape is used as an evaluative tool. This course is not open to students who have received credit in SPCH 60.

COMM 100
INTRODUCTION TO COMMUNICATIONS STUDIES 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: Completion of at least one of these courses with a grade of “C” or higher or "Pass," or an equivalent course: COMM 60, ENGL 52, ENGL 72, ESL 152, READ 54, READ 97, or completion of the English or Reading assessment/placement process.
This course explores the basic history, assumptions, principles, processes, variables, methods, and specializations of human communication as an academic field of study. The student develops an
understanding of the communication process, the basic elements of improving interpersonal communication, and how to reduce communication apprehension. Also included are leadership, small groups, intercultural communication, interviewing, and speech preparation. This course includes oral presentations, and recording is used as an instructional tool. This course is not open to students who are enrolled in or who have received credit in SPCH 100.
Transfer Credit: CSU; UC C-ID: COMM 180

COMM 103 ARGUMENTATION, PERSUASION, AND CRITICAL THINKING 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher or “Pass”.
This course focuses on argument and persuasion in the context of speech communication. This course examines the formation of arguments, the quality and types of evidence used to support claims, the use of language, and the analysis of fallacies. In addition, the course covers the role of the speaker/author, audience and message in argument. Emphasis is on the integration of critical thinking principles with techniques of effective argument, with focus on critiques, essays, debate, and speech writing and delivery. This course is not open to students who are enrolled in or who have received credit in SPCH 235.
Transfer Credit: CSU; UC C-ID: COMM 120

COMM 110 INTERCULTURAL COMMUNICATION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: Completion of at least one of these courses with a grade of “C” or higher or “Pass” or an equivalent course: COMM 60, ENGL 52, ESL 152, READ 54, READ 97, or completion of the English or Reading assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.
This course presents theories and principles of communication with an emphasis on application of concepts relevant to intercultural communication. It has a culture general approach focusing on variables which influence the communication process. Assignments and activities involve students in the analysis of different communication patterns across cultures and the exploration and practice of methods, skills and techniques for improving intercultural communication.
Transfer Credit: CSU; UC

COMM 115 GENDER, COMMUNICATION, AND THE DIGITAL REVOLUTION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: Completion of at least one of these courses with a grade of “C” or higher or “Pass” or an equivalent course: COMM 60, ENGL 52, ENGL72, ESL 152, READ 54, READ 97 or completion of the English or Reading assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
This course considers digital technology as an active agent in gender creation, maintenance, change, and expression through communication. Explores communication competency in contemporary gendered relationships. Examines the multiple ways communication across media cultural, digitally mediated, and face-to-face contexts creates and perpetuates gender roles and expectations in society. Investigates a wide range of issues related to the contemporary representation of gender in society. Conceptualizes how digital technology offers possibilities for new social relations and new definitions of the gendered self. This course is not open to students who are enrolled in or have received credit in WGS 115, or SPCH 115.
Transfer Credit: CSU, UC

COMM 120 INTERPERSONAL COMMUNICATION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: Completion of at least one of these courses with a grade of “C” or higher or “Pass” or an equivalent course: COMM 60, ENGL 52, ENGL72, ESL 152, READ 54, READ 97 or completion of the English or Reading assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
The interpersonal communication course is an overview of theory and research on human communication. The course is designed with the opportunity to improve student’s communication skills in a variety of communication contexts. This course includes skill practices, oral presentations, and videotaping as instructional tools. This course is not open to students who are enrolled in or have received credit in SPCH 120.
Transfer Credit: CSU; UC C-ID: COMM 130

COMM 125 ORGANIZATIONAL COMMUNICATION 3.0 UNITS
COMM 130
PUBLIC SPEAKING  3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: Completion of at least one of these courses with a grade of “C” or higher or “Pass” or an equivalent course: COMM 60, ENGL 52, ENGL 72, ESL 152, READ 54, READ 97, or completion of the English or Reading assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This course focuses on the student’s communication of ideas and concepts in various audience settings with emphasis on message organization, supporting amplifying materials, and analysis of audience diversity. Recording is used as an evaluative tool. This course is not open to students who are enrolled in or have received credit in SPCH 130.
Transfer Credit: CSU; UC
C-ID: COMM 110

COMM 132
SMALL GROUP COMMUNICATION  3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: Completion of at least one of these courses: COMM 60, ENGL 52, ENGL 72, ESL 152, READ 54, READ 97 or completion of the English or Reading assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

As an introduction to the fundamentals of group discussion, this course explores small group communication theories to examine group development; leadership in groups; group communication norms, and processes with emphasis on problem-solving, decision-making, and conflict-reduction techniques. Students will learn a variety of techniques to prepare and deliver group presentations. Recordings are used as an evaluative tool. This course is not open to students who are enrolled in or have completed.
Transfer Credit: CSU; UC
C-ID: COMM 170

COMM 145
STORYTELLING  3.0 UNITS
Class hours: 3.0 Lecture

This course is an introduction to the history of storytelling and the techniques of listening, preparation, and the presentation of stories to various age groups and in various settings. Students acquaint themselves with various literary genres—folk tales, sagas, epics, legends, myths, poetry, and drama. Recordings are used as an evaluative tool. This course is not open to students who are enrolled in or have received credit in SPCH 145.
Transfer Credit: CSU

COMM 148
READERS’ THEATRE  3.0 UNITS
Class hours: 3.0 Lecture

This course focuses on the analysis, appreciation and application of communication theory and the arts to historical, political, and socio-cultural issues using various forms of literature including classic and contemporary works of
philosophical and cultural importance across genre including poetry, prose, and drama (scripts, plays, and screenplays). Focus on group communication performances (literature performed by multiple individuals) that provide cultural critique of past and present social inequities and injustices. This course is not open to students who have completed SPCH 148 or SPCH 240.

Transfer credit: CSU; UC

COMM 200
CONTEMPORARY COMMUNICATION TOPICS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Suggested completion of at least one of these courses with a grade of “C” or higher or “Pass” or an equivalent course ENGL 72, or ESL 152, or READ 54, or READ 97, or completion of the English, or ESL or Reading assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This is a specialized course designed to present and acquaint students with communication theories and principles relevant to improving communication effectiveness. It focuses on those issues that reflect the evolutionary nature of communication in a variety of contemporary communication areas. This course is not open to students who are enrolled in or have received credit in SPCH 200.

Transfer Credit: CSU; UC TBD after admission

COMM 231
FORENSICS ACTIVITY 1 (COMPETITIVE SPEECH AND DEBATE) 1.0 UNIT
Class hours: 1.0 Lecture
This class provides training and supervised preparation for participating in collegiate competitive and non-competitive speech activities, such as debate, public speaking, and oral performance of literature. This class requires coaching hours outside of the classroom and participation in interscholastic competition as a competitor at one or more forensics tournaments (held on weekends). This course is open entry/open exit.

Transfer Credit: CSU
C-ID: COMM 160B

COMM 232
FORENSICS ACTIVITY 2 (COMPETITIVE SPEECH AND DEBATE) 2.0 UNITS
Class hours: 2.0 Lecture
This course provides intermediate training and supervised preparation for participating in collegiate competitive speech activities, such as debate, public speaking, and oral performance of literature. This course also requires coaching hours outside of the classroom and participation in interscholastic competition at two or more forensics tournaments (held on weekends). This course is open entry/open exit.

Transfer Credit: CSU
C-ID: COMM 160B

COMM 233
FORENSICS ACTIVITY 3 (COMPETITIVE SPEECH AND DEBATE) 3.0 UNITS
Class hours: 3.0 Lecture
This class provides advanced training and supervised preparation for participating in collegiate competitive speech activities, such as debate, public speaking, and oral performance of literature. This class also requires coaching hours outside of the classroom and participation in interscholastic competition at three or more forensics tournaments (held on weekends). This course is open entry/open exit.

Transfer Credit: CSU
C-ID: COMM 160B

COMM 298
COMMUNICATION STUDIES DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Laboratory
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member once to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). For selected discipline, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation. Course not open to students who have completed SPCH 298.

Transfer Credit: CSU

COMM 299
COMMUNICATION STUDIES DIRECTED STUDIES 2.0 UNIT
Class hours: 6.0 Laboratory
This course provides an opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two
hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation. Course not open to students who have completed SPCH 299.

Transfer Credit: CSU

COMPUTER AND INFORMATION SCIENCES (CIS)
(Science, Engineering, and Math Division)

CIS 50
BASIC COMPUTER LITERACY 0.5 UNIT
Class hours: 2.0 Laboratory
This course provides the student with a basic overview of the components of a computer and application software. This course is for the student who is not familiar with the use of the computer and its applications. Topics will include a basic introduction to computer systems hardware, Windows, Word, Excel, and PowerPoint. The class stresses hands-on use of the computer with its applications.

CIS 58A
PC OPERATING SYSTEM A+ CERTIFICATION 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 101 or CIS 102 or equivalent with a grade of "C" or higher or "Pass" or appropriate work experience.
This course is designed to cover the subject matter required for the operating systems technologies component of CompTIA’s A+ Certification. Topics to be discussed include operating system installation, configuration, upgrading, troubleshooting, and networking.

CIS 58B
PC CORE HARDWARE A+ CERTIFICATION 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 101 or CIS 102 or equivalent with a grade of "C" or higher or "Pass" or appropriate work experience.
This course is designed to cover the subject matter required for the core hardware component of CompTIA’s A+ Certification. Topics to be discussed include computer hardware installation, construction, upgrading, troubleshooting, repair, networking, Internet connectivity and wireless technologies.

CIS 70J
CISCO CCNA CERTIFICATION EXAM REVIEW 1.5 UNITS
Class hours: 1.5 Lecture/1.0 Laboratory
Recommendation: CIS 70G or equivalent with a grade of “C” or higher or “Pass”.
This course is designed to enhance student readiness for the Cisco Certified Network Associate (CCNA) exam. It reviews all key concepts and skills required in the CCNA exam as well as exam question types and test-taking strategies.

CIS 70K
INTRODUCTION TO WIRELESS NETWORK 3.0 UNITS
Class hours: 3.0 Lecture Laboratory
Recommendation: CIS 70A or equivalent with a grade of “C” or higher or “Pass”.
This is an introductory course on the fundamental concepts of wireless networking. It covers the technical foundation of wireless communications and various protocols used in the current wireless applications. Topics include Wireless Application Protocol (WAP), Bluetooth, cellular telephony, Wireless Local Area Networks (WLANs), satellite communications, Global Positioning System (GPS).

CIS 101
INTRODUCTION TO COMPUTER INFORMATION SYSTEMS 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory
This course provides the student with the essential knowledge required for a well-rounded understanding of the use of the computer as a tool to produce useful information in small and large organizational environments. The course allows the student to achieve an understanding of computer technology, computer hardware, computer software, and how computers can be used to produce meaningful information. The student will solve applied problems in spreadsheet preparation and analysis using Microsoft EXCEL and will be introduced to basic operational concepts in database programming using Access, in creating and editing text in Word, and be introduced to presentation graphics using PowerPoint.

Transfer Credit: CSU; UC*
*UC credit limits may apply. CIS 101 and 102 combined: maximum credit, one course.
C-ID: BUS 140, ITIS 120

CIS 102
INTRODUCTION TO MICROCOMPUTER HARDWARE AND APPLICATIONS SOFTWARE 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
This course instructs the students in the use of microcomputers within an organizational environment using the Microsoft Windows interface and current applications software. Software topics include file management, elementary word processing, applications in spreadsheet use, database management, and presentation graphics.

Transfer Credit: CSU; UC* *UC credit limits may apply. CIS 101 and 102 combined: maximum credit, one course.

CIS 103
COMPUTER PROGRAMMING LOGIC 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: Concurrent enrollment in or completion of CIS 101 or CIS 102 or equivalent with a grade of "C" or higher or "Pass".

This is an introductory course in computer programming logic. The student will learn concepts applicable to all programming languages, including: identifiers, data types, arrays, control structures, algorithms, modular programming, generating reports, and computer memory concepts. The student will learn to use charts commonly used in business and information processing. Program logic will be developed using flowcharts and pseudocode. Programs will be written using a programming language. The student will be introduced to the following additional topics: graphical user interface design, object-oriented and event-driven programming, searching, sorting, and file processing concepts.

Transfer Credit: CSU; UC C-ID: ITIS 130

CIS 105

USING MICROSOFT WINDOWS 1.5 UNITS
Class hours: 1.5 Lecture/0.5 Laboratory
Recommendation: CIS 102 or equivalent with a grade of "C" or higher or "Pass".

This course covers the use of Microsoft Windows. Currently available Windows Operating Systems will be explored, including Windows 95, 98, NT, Millennium Edition, and Windows 2000. Topics include file and application management, personalizing the system, using the productivity tools, connecting to the Internet, and exchanging data. Current topics of interest relating to Windows will also be discussed.

Transfer Credit: CSU

CIS 155

MICROSOFT ACCESS 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 102 or equivalent with a grade of "C" or higher or "Pass".

This is a foundation course in database management using Microsoft Access. It covers relational database concepts and design, techniques for building a database using queries, forms, reports, and expressions. Topics also include multiple-table queries and reports and the user interface to a database. This course covers the topics in the Microsoft MOUS and other certifications.

Transfer Credit: CSU

CIS 151
MICROSOFT EXCEL FOR INFORMATION SYSTEMS/INFORMATION TECHNOLOGY 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory

This course is a foundation class for Information Technology. The fundamentals of building worksheets include: creating worksheets, formatting, functions, formulas, macros, data tables, analysis tools, templates, Wizards, and the creation of charts. Techniques to deal with multiple worksheets and large worksheets are covered. The database functions of EXCEL will include sorting, filtering, queries, macros, and record retrieval. This course covers the topics required in industry certifications. Hands-on exercises are used to reinforce the function of EXCEL. This course is not open to students who have taken both CIS 54A and CIS 54B.

Transfer Credit: CSU

CIS 150

WEB PAGE DEVELOPMENT 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory

This course provides the knowledge, skills, and hands-on experience needed to create multimedia web pages. Using a variety of authoring tools, students will create web pages with links, graphics, tables, frames, and forms, and add dimensions of time, audio, video, motion, and interactivity to web pages. Upon completing this course, students will be ready to plan, build, promote, and maintain a professional website, which includes selecting a web host and uploading the site to a web server.

Transfer Credit: CSU

CIS 162
HTML AND CSS 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory

Recommendation: CIS 101 or CIS 102 or equivalent with a grade of "C" or higher or "Pass".

The course will cover HTML (HyperText Markup Language)
and CSS (Cascading Style Sheets) to develop Web pages. Students will learn how to specify the multimedia content of a Web page using HTML tags, and to lay out and format the Web page using CSS styles. An introduction to JavaScript and other Web client development technologies will also be included to create dynamic elements.

Transfer Credit: CSU

CIS 164
JAVA SCRIPT PROGRAMMING 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: CIS 103 and CIS 162 or equivalents with grades of “C” or higher or “Pass”.

This course covers client-side Web scripting using JavaScript and other Web page development tools. It covers the programming techniques of JavaScript useful to Web designers. Students will learn to create interactive and dynamic Web pages.

Transfer Credit: CSU

CIS 168C
SPECIAL TOPICS IN NETWORKING 3.0 UNITS
Class hours: 3.0 Lecture

This course is designed to provide training in the knowledge and skills required by the CompTIA (the Computer Technology Industry Association) for its Network + certification. Topics include network fundamentals, local area network implementation, basic systems administration and various network protocols and devices.

Transfer Credit: CSU

CIS 169A
SPECIAL TOPICS IN SECURITY 1.0 UNIT
Class hours: 1.0 Lecture/1.0 Laboratory

This course is designed to provide basic information on the latest technological developments in the information security field. Students will learn about the latest security issues in the enterprise network as well as various tactics and tools to counter those security threats.

Transfer Credit: CSU

CIS 169D
SPECIAL TOPICS IN SECURITY 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory

This course is designed to provide in-depth training on the latest software and hardware technology used in the enterprise network security field. Students will learn about and research the latest security threats in an organization. They will also explore various tactics and tools to counter those security threats and implement them in the enterprise network.

Transfer Credit: CSU

CIS 170A NETWORKING FUNDAMENTALS 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory

This is a survey course about the computer networking and telecommunications industry. Topics covered include the seven layers of the Open Systems Interconnection Model (OSI), network architectures, internetworking, and telecommunications.

Transfer Credit: CSU

C-ID: ITIS 150

CIS 170B
NETWORK + CERTIFICATION 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory

This course offers training in the knowledge and skills required by the CompTIA (the Computer Technology Industry Association) for its Network + certification. Topics include network fundamentals, local area network implementation, basic systems administration and various network protocols and devices.

Transfer Credit: CSU

CIS 170E
ROUTER CONFIGURATIONS AND PROTOCOL 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: CIS 170A (formerly CIS 70A) or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.

This is the second course of four on Cisco networking technologies. It covers the OSI reference model, routers and their use, router components, router start-up and setup, configurations, and the Cisco Internetworking Operating System (IOS).

Transfer Credit: CSU

CIS 170F
ADVANCED SWITCHING AND ROUTING 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: CIS 170E (formerly CIS 70E) or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.

This is the third in a series of courses that prepares students for certification as a Cisco Certified Network Associate (CCNA). This class covers LAN (Local Area Networks), Switching, VLANs (Virtual Local Area Networks) LAN design, IGRP (Interior Gateway Routing Protocol), Access lists, and Novell IPX.

Transfer Credit: CSU
CIS 170G
WIDE AREA NETWORKS 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: CIS 170E (formerly CIS 70E) or equivalent with a grade of "C" or higher or "Pass" or appropriate work experience.

This is the fourth in a series of courses that prepares students for certification as a Cisco Certified Network Associate (CCNA). It covers Wide Area Network (WAN) design, Point-to-Point Protocol (PPP), Integrated Services Digital Network (ISDN), Frame Relay, and CCNA exam review.
Transfer Credit: CSU

CIS 170I
CISCO NETWORK SECURITY 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: A knowledge of Cisco Internet Operating Systems (IOS) or appropriate work experience.

This course aims to help students develop a detailed understanding of network security principles as well as tools available. It will assist students in developing the skills necessary to design and support network security. The course content matches the objectives in Cisco Certified Network Associate (CCNA) Security certification.
Transfer Credit: CSU

CIS 170J
TCP/IP FUNDAMENTALS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: A knowledge of Web browser and e-mail applications.

This course offers an overview of the most widely-used networking architecture in the networking industry: Transport Control Protocol/Internet Protocol (TCP/IP). Students will learn the underlying applications, components, and protocols of TCP/IP and its necessary link to the Internet, and how to identify TCP/IP layers, components, and functions. Navigation tools, TCP/IP services and troubleshooting methodologies are also reviewed. Topics include usage of TCP/IP applications, structure of TCP/IP and IP routing, TCP/IP addressing and subnetting, how TCP/IP addresses are discovered and used in computer networks, IP routing and router usage, and troubleshooting a TCP/IP network.
Transfer Credit: CSU

CIS 170K
INTRODUCTION TO WIRELESS NETWORKING 3.0 UNITS
Class hours: 3.0 Lecture

This is an introductory course on fundamental concepts of wireless networking. It covers the technical foundation of wireless communications and various protocols used in current wireless applications. Topics include Wireless Application Protocol (WAP), Bluetooth, cellular telephony, wireless local area networks (WLANs), satellite communications, and the Global Positioning System (GPS).
Transfer Credit: CSU

CIS 170L
CYBERSECURITY FUNDAMENTALS 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 170A or equivalent with a grade of "C" or higher or "Pass".

This is an introductory course on fundamentals of information security. It provides a comprehensive overview of communication security, infrastructure security, cryptography, operational/organizational security, disaster recovery, business continuity, as well as computer forensics. The contents also map to the Security+ certification exam by Computing Technology Industry Association (CompTIA).
Transfer Credit: CSU

CIS 170P
INTRODUCTION TO ETHICAL HACKING 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 170A with a grade of "C" or higher or "Pass" or a knowledge of networking concepts or related work experience.

This course introduces students to ethical hacking, which is used to help organizations to identify weaknesses in their information infrastructure and take preemptive measures against malicious attacks. Ethical hackers have to be bound by legal limits and high ethical standards in information security. Students will learn both common hacking techniques and countermeasures to protect information assets.
Transfer Credit: CSU
C-ID: ITIS 164

CIS 170Q
COMPUTER AND DIGITAL FORENSICS 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 58A with a grade of "C" or higher or "Pass" or a knowledge of computer operating systems or related work experience.

This course covers both theoretical concepts and practical skills in digital
forensics. Students will learn various techniques and processes in detecting, collecting, preserving and analyzing digital evidence in the event of cyberattacks, or in cases of law enforcement investigations. This course is part of the cybersecurity program.
Transfer Credit: CSU
C-ID: ITIS 165
CIS 170S
NETWORK DEFENSE 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 170A with a grade of "C" or higher or "Pass" or a knowledge of networking concepts or related work experience.
This course introduces students to concepts and tools in network defense. Topics cover protocol analyzers, Intrusion Detection Systems (IDS), Intrusion Prevention Systems (IPS), firewalls, Virtual Private Networks (VPN), Network Address Translation (NAT), proxy servers and the latest network defense tools. This course is part of the cybersecurity certificate program.
Transfer Credit: CSU
CIS 171A
INTRODUCTION TO CLOUD COMPUTING 3.0 UNITS
Class Hours: 3.0 Lecture/1.0 Laboratory
This course introduces cloud computing which shifts information systems from on-premises computing infrastructure to highly scalable internet architectures. The course provides a solid foundation of cloud computing technologies and provides students with the understanding required to effectively evaluate and assess the business and technical benefits of cloud computing and cloud applications.
Students analyze a variety of cloud services (storage, servers and software applications) and cloud providers. Case studies will be used to examine various industry cloud practices and applications. The course also surveys cloud careers and discusses industry demand for cloud skills.
Transfer Credit: CSU
CIS 171B
AMAZON WEB SERVICES-DATA STORAGE 3.0 UNITS
Class Hours: 3.0 Lecture/1.0 Laboratory
This course introduces Amazon Web Services (AWS) data storage services. The course will cover both an introduction of AWS database technologies and AWS block and object-based storage services. A range of AWS SQL and NoSQL database technologies will be covered, including the principles of database design and management. In addition, AWS block and object-based storage options will be introduced which includes the principles of block and object-based storage options and the various use case scenario for AWS data storage services.
Transfer Credit: CSU
CIS 171C
AMAZON WEB SERVICES-COMPUTING SERVICES 3.0 UNITS
Class Hours: 3.0 Lecture/1.0 Laboratory
This course introduces Amazon Web Services (AWS) computing related services. Students will learn the core computing technologies offered by Amazon Web Services. The computing services students will learn will follow the computing models: Infrastructure as a Service, Platform as a Service, Function as a Service or Micro-services.
Students will learn how to set up and manage computing services, auto scale computing services and configure computing load balancing. You will also learn how to code auto deployment scripts for the AWS infrastructure.
Transfer Credit: CSU
CIS 171D
AMAZON WEB SERVICES-SECURITY 3.0 UNITS
Class Hours: 3.0 Lecture/1.0 Laboratory
This course explores Amazon Web Services (AWS) security at both the AWS services layer and Amazon data center infrastructure layer. This course will go over how Amazon Web Services implemented security measures in their global data center infrastructure. The course will also look at the AWS security shared responsibility model and how to use Amazon security and monitoring tool to ensure security in an AWS cloud infrastructure. The course will provide an understanding of how AWS security tools can provide hardware, service, network and user activity monitoring, key management services, server and application firewall services and an introduction to implementing private and public subnets.
Transfer Credit: CSU
CIS 180
PROGRAMMING IN C/C++ 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: CIS 103 or equivalent with a grade of "C" or higher or "Pass".
This course introduces C and C++ programming language structures. Topics include data types, operators, program control flow, arrays, functions, pointers, character strings,
structures and pointers. This course also includes an introduction to object-oriented programming design.
Transfer Credit: CSU; UC

CIS 181
PYTHON PROGRAMMING 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: CIS 103 or equivalent with a grade of “C” or higher or “Pass”.
This course introduces the Python programming language, its syntax, structures and libraries. It develops object-oriented design and programming techniques and includes practice in robustness and transparency in software development while writing object-oriented console applications and introducing the fundamentals of graphical user interface (GUI) tools.
Transfer Credit: CSU; UC
C-ID: COMP 112

CIS 183
JAVA PROGRAMMING 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: CIS 103 or equivalent with a grade of “C” or higher or “Pass”.
This course introduces the Java programming language, its syntax, structures and libraries. It develops object-oriented design and programming techniques and includes practice in robustness and transparency in software design while writing object-oriented console and graphical user interface (GUI) applications. Students will become familiar with the Java class hierarchy provided with the Java Development Kit (JDK) Standard Edition (Java SE). This course is not open to students with credit in CIS 182.
Transfer Credit: CSU; UC

C-ID: COMP 122

CIS 185
DISCRETE STRUCTURES 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory
Prerequisite: CIS 183 or equivalent with a grade of “C” or higher or “Pass”.
This course is an introduction to the discrete structures used in computer science with an emphasis on their applications. Topics covered include functions, relations and sets, basic logic, proof techniques, basics of counting, graphs and trees, and discrete probability. This course is not open to students with credit in MATH 160.
Transfer Credit: CSU; UC
C-ID: COMP 152

CIS 189A
SPECIAL TOPICS IN SOFTWARE DEVELOPMENT 1.0 UNIT
Class hours: 1.0 Lecture
This course introduces students to new software application designs in the information technology industry. The focus of the course includes programming language structure, programming implementation, and application design.
Transfer Credit: CSU; UC credit determined after admission.

CIS 189B
SPECIAL TOPICS IN SOFTWARE DEVELOPMENT 2.0 UNITS
Class hours: 2.0 Lecture
This course introduces students to new software application designs in the information technology industry. The focus of the course includes programming language structure, programming implementation, and application design.
Transfer Credit: CSU; UC credit determined after admission.

CIS 189C
SPECIAL TOPICS IN SOFTWARE DEVELOPMENT 3.0 UNITS
Class hours: 3.0 Lecture
This course introduces students to new software application designs in the information technology industry. The focus of the course includes programming language structure, programming implementation, and application design.
Transfer Credit: CSU; UC credit determined after admission.

CIS 189D
SPECIAL TOPICS IN SOFTWARE DEVELOPMENT 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 103 or equivalent with a grade of “C” or higher or “Pass”.
This is a software development course designed to acquaint the student with new languages in the information technology industry. The course will focus on programming language structure, programming implementation, and application design.
Transfer Credit: CSU; UC credit determined after admission.

CIS 200A
APPLE MAC OS SUPPORT ESSENTIALS 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: A knowledge of computer operating systems or appropriate work experience.
This course is to prepare desktop specialists, service technicians for Apple computers by providing comprehensive coverage on installation, administration, and support of Macintosh Operating Systems (Mac OS). The topics include system configurations, user account management, file systems, network services and
configuration, and security. The content of this course matches the objectives of the Apple Certified Support Professional (ACSP) certification.

Transfer Credit: CSU

CIS 201
SYSTEMS ANALYSIS AND DESIGN 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory
This course is a detailed study of business systems analysis and design theory and application techniques. It includes interviewing techniques, systems functions, surveys, diagramming, analysis, design, and testing. The systems development life cycle, structured design and object-oriented design methodologies will be studied. Attention is given to the role of the systems analyst within the business environment.
Transfer Credit: CSU

CIS 207
DATABASE DESIGN AND SQL 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 155 or equivalent with a grade of "C" or higher or "Pass".

This course covers the concepts of designing, creating, and accessing relational database management systems (DBMS). SQL (Structured Query Language) is utilized to create, modify, and query multitable databases and produce output.
Transfer Credit: CSU

CIS 208A
ORACLE SQL AND PL/SQL 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 103 and CIS 155 or equivalent with grade of "C" or higher or "Pass" or appropriate work experience.

CIS 211A
SPECIAL TOPICS IN DATABASE 1.0 UNIT
Class hours: 1.0 Lecture
This course covers the concepts of Structured Query Language (SQL) in the SQL *Plus environment, and Oracle's Procedural Language/Structured Query Language (PL/SQL) programming languages for working with relational databases. The students will learn the creation of database objects and the storage, retrieval, and manipulation of data using the Oracle database management system.
Transfer Credit: CSU

CIS 211B
SPECIAL TOPICS IN DATABASE 2.0 UNITS
Class hours: 2.0 Lecture
This course introduces students to recent advancements of database systems in information technology. The focus of this course will be database administration, programming, and security. The specific focus of a particular offering will be decided by the course instructor and announced in the Schedule of Classes.
Transfer Credit: CSU

CIS 211C
SPECIAL TOPICS IN DATABASE 3.0 UNITS
Class hours: 3.0 Lecture
This course introduces students to recent advancements of database systems in information technology. The focus of this course will be database administration, programming, and security. The specific focus of a particular offering will be decided by the course instructor and announced in the Schedule of Classes.
Transfer Credit: CSU

CIS 212
INTRODUCTION TO MICROSOFT WINDOWS ADMINISTRATION 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 58A or equivalent with a grade of "C" or higher or "Pass".

This is a course for system administrators who are responsible for installing and administering networks based on the current Windows operating systems. Students will learn how to install, configure, and optimize the current Windows operating systems, including network inter-operability and troubleshooting.
Transfer Credit: CSU

CIS 213A
MICROSOFT WINDOWS ACTIVE DIRECTORY SERVICES 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 212 or equivalent with a grade of "C" or higher or "Pass" or appropriate work experience.

This course provides an overview of Microsoft Windows Active Directory Services, used in the latest Microsoft network operating systems. It helps students develop knowledge and skills to install, configure,
and administer Windows 2000 Active Directory Services, implement Group Policy, and perform the Group Policy-related tasks that are required to centrally manage users and computers. Students learn to set up and administer domain user accounts and groups, delegate administrative control of Active Directory objects in Windows 2000, create and manage trees and forests in a Windows 2000 network, administer forest-wide resources, manage Active Directory replication and operation masters, manage and restore the Active Directory database, and implement an Active Directory infrastructure. The course also prepares students for the Microsoft Certified Professional (MCP) Exam 70-217 - a core requirement on the Windows 2000 Microsoft Certified Systems Engineer (MCSE) track. Transfer Credit: CSU

CIS 213F MICROSOFT WINDOWS SERVER ADMINISTRATION 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
This course provides the knowledge required by system administrators, network administrators, and IT (Information Technology) professionals who implement, manage, and troubleshoot network and server environments based on the latest Microsoft Windows® platform. It offers up-to-date information on core system administration topics such as Active Directory services, security, disaster planning and recovery, and interoperability with NetWare and Unix. It includes information on Microsoft Internet Security and Acceleration (ISA) Server and scripting. In addition, this course is part of the Microsoft Certified Systems Engineer (MCSE) certification program series. Transfer Credit: CSU

CIS 213H MICROSOFT WINDOWS SECURITY 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: CIS 212B or equivalent with a grade of “C” or higher or “Pass”.
This course will provide training in tools and procedures recommended by the security industries for the System Administrators, Network Administrators, and Information Technology (IT) professionals who design, implement, and manage the Microsoft Windows network environment. Transfer Credit: CSU

CIS 213K DESIGNING WINDOWS ACTIVE DIRECTORY AND NETWORK INFRASTRUCTURE 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
This course will help students develop skills and knowledge necessary to design an organization’s active directory.
and network infrastructure. In addition, this course will prepare students for a core for the Microsoft Certified Systems Engineer (MCSE) certification. Transfer Credit: CSU

CIS 214
UNIX AND LINUX OPERATING SYSTEMS 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: Knowledge of one operating system.

This course introduces UNIX® and Linux workstations. It develops a deeper understanding of operating systems, their functions and services. It provides practical familiarity with UNIX® and Linux hosts and the rich set of tools they provide to power users, operating systems specialists, network engineers, and programmers. Students will learn the power of robust, single-tasked utilities and their coordination into cohesive, productive tool-chains. This course fulfills certificate, AA, and transfer requirements. This course is a prerequisite or elective to all certification tracks. This course is generally applicable to all proprietary UNIX® implementations as well as open source Linux distributions and FreeBSD, including its various incarnations such as Mac OS X. Transfer Credit: CSU

CIS 231
COMPUTER ORGANIZATION AND ASSEMBLY LANGUAGE PROGRAMMING 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: CIS 180 or CIS 183 or equivalent with a grade of "C" or higher or "Pass."

This course provides a detailed coverage of microcomputer architecture and instruction sets and how to use them to design and write assembly language programs. Topics will cover principles of assembly programming including functions, stacks, recursion, macros, input/output devices, precision arithmetic, and logic design. This course is not open to students with credit in CIS 230. Transfer Credit: CSU; UC C-ID: COMP 142

CIS 271
COMPUTER AND INFORMATION SCIENCES OCCUPATIONAL WORK EXPERIENCE 1.0 UNIT
Class hours: 1.0 Work Experience
Class hours: 1 hr/wk coordination class.
One unit of Computer and Information Sciences Occupational Work Experience requires 60 non-paid hours of work or 75 paid hours of work per semester. Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. In the process of doing so, it creates greater communication with increased understanding between the student/workers, the college, and the employer/trainers. First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. Second, third, and fourth semester students must secure departmental approval before enrolling. Students will meet weekly with the instructor until their participatory assignments and semester work projects have been approved. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units. Transfer Credit: CSU

CIS 272
COMPUTER AND INFORMATION SCIENCES OCCUPATIONAL WORK EXPERIENCE 2.0 UNITS
Class hours: 1.0 Work Experience
Class hours: 1 hr/wk coordination class.
Two units of Computer and Information Sciences Occupational Work Experience require 120 non-paid hours of work or 150 paid hours of work per semester.

Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. In the process of doing so, it creates greater communication with increased understanding between the student/workers, the college, and the employer/trainers. First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. Second, third, and fourth semester students must secure departmental approval before enrolling. Students will meet weekly with the instructor until their participatory assignments
and semester work projects have been approved. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

Transfer Credit: CSU

CIS 273
COMPUTER AND INFORMATION SCIENCES OCCUPATIONAL WORK EXPERIENCE 3.0 UNITS
Class hours: 1.0 Work Experience
Class hours: 1 hour/week coordination class.
Three units of Computer and Information Sciences Occupational Work Experience require 180 non-paid hours of work or 225 paid hours of work per semester.

Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. In the process of doing so, it creates greater communication with increased understanding between the student/workers, the college, and the employer/trainers.

First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. Second, third, and fourth semester students must secure departmental approval before enrolling.

Students will meet weekly with the instructor until their participatory assignments and work experience courses have been approved. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

Transfer Credit: CSU

CIS 274
COMPUTER AND INFORMATION SCIENCES OCCUPATIONAL WORK EXPERIENCE 4.0 UNITS
Class hours: 1.0 Work Experience
Class hours: 1 hour/week coordination class.
Four units of Computer and Information Sciences Occupational Work Experience require 240 non-paid hours of work or 300 paid hours of work per semester.

Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. In the process of doing so, it creates greater communication with increased understanding between the student/workers, the college, and the employer/trainers.

First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. Second, third, and fourth semester students must secure departmental approval before enrolling.

Students will meet weekly with the instructor until their participatory assignments and work experience courses have been approved. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

CIS 280
OBJECT-ORIENTED PROGRAMMING IN C++ 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Strongly recommend CIS 180 or equivalent with a grade of “C” or higher or “Pass”.

This is a course in Object-Oriented Programming (OOP) using the C++ programming language. Topics presented include abstract data types, objects and classes, operator overloading, inheritance, constructors and destructors, pointers, member functions, virtual functions, the theory of object-oriented programming, and the techniques of object-oriented design.

Transfer Credit: CSU; UC

CIS 280X
OBJECT-ORIENTED PROGRAMMING IN C++ 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: Strongly recommend CIS 180 or equivalent with a grade of “C” or higher or “Pass”.

This is a course in Object-Oriented Programming (OOP) using the C++ programming language. Topics presented include abstract data types, objects and classes, operator overloading, inheritance, polymorphism, exceptions, Standard Template Library (STL), the theory of

that create fully functional Web applications. The student will learn how to build, implement, and execute scripts that create fully-functional Web applications.
Transfer Credit: CSU
CIS 286
SOFTWARE DEVELOPMENT WITH C# 3.5 UNITS
Class hours: 3.0 Lecture/2.0
Laboratory
Recommendation: Knowledge of one object-oriented programming language.
This course provides students with the knowledge and skills to develop programs useful for a broad range of Windows based and online applications using C# programming language. The course covers object-oriented design, graphical user interface, networking, threading, web services, collections and basic web database programming.
Transfer Credit: CSU
CIS 288
MOBILE APPLICATION DEVELOPMENT 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Recommendation: Knowledge of one object-oriented programming language (such as C++, Java, or C#) or related work experience.
This course explores the design and construction of applications for mobile devices. The course covers designing user interfaces, processing user input and events, retrieving and storing data, communicating via the Internet, and deploying applications.
Transfer Credit: CSU
CIS 292
DATA STRUCTURES 3.0 UNITS
Class hours: 3.0 Lecture Prerequisite: CIS 183 or CIS 280X or equivalent of either course with a grade of “C” or higher or “Pass” or appropriate work experience.
This course introduces the structured representation of data in computer systems and programming languages. It teaches the creation of structures that maintain complex data relationships in order to access, search through, and modify that data in an organized and efficient manner. Students learn to analyze the time and size efficiency tradeoffs of the various data structures and access algorithms. Techniques are presented for organizing data into useful types of lists, trees, stacks, and queues using array-based and linked structures. Students develop efficient algorithms to order and access data using iteration and recursion to solve complex, real-world problems. Other advanced data structures such as self-balancing trees and graphs are designed and evaluated. This course is required for university transfer in computer science.
Transfer Credit: CSU; UC C-ID: COMP 132
CIS 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.
Transfer Credit: CSU
CIS 299
DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

COSMETOLOGY (COS)
(Technology Division)

COS 62A ADVANCED COSMETOLOGY 111.0 UNITS
Class hours: 6.0 Lecture/15.0 Laboratory
Prerequisite: COS 61B or COS 70B with a grade of "C" or higher or "Pass".
This is an advanced course in theory as it pertains to cosmetology. It provides an opportunity for the student to continue developing manipulative skills in haircoloring, thermal hairstyling, competition styling, hair sculpturing, conditioning, reconstruction, chemical waving, chemical straightening, facials, make-up, and manicuring. Emphasis is placed on professionalism, client relationships and State Board examination preparation.

COS 100A INTRODUCTION TO HAIRSTYLING A 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: Admission to the Cosmetology Program and ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass"
Corequisite: COS 100B, COS 101A, COS 101B, COS 102 and COS 103 must all be taken together
This is an introductory theory course in hairstyling. This class will focus on the theory of safety, sanitation, anatomy, tools and basic hairstyling techniques.
Transfer Credit: CSU

COS 100B INTRODUCTION TO HAIRSTYLING B 2.0 UNITS
Class hours: 2.0 Laboratory
Prerequisite: Admission to the Cosmetology Program and ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass"
Corequisite: COS 100A, COS 101A, COS 101B, COS 102 and COS 103 must all be taken together
This is an introductory lab course in hairstyling. This class will focus on the lab skills of safety, sanitation, anatomy, tools, and basic hairstyling techniques.
Transfer Credit: CSU

COS 101A INTRODUCTION TO HAIRCUTTING A 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: Admission to the Cosmetology Program and ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass"
Corequisite: COS 100A, COS 100B, COS 101B, COS 102 and COS 103 must all be taken together
This is an introductory theory course in haircutting. This class will focus on the theory of safety, sanitation, anatomy, tools, and basic haircutting techniques.
Transfer Credit: CSU

COS 101B INTRODUCTION TO HAIRCUTTING B 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: Admission to the Cosmetology Program and ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass"
Corequisite: COS 100A, COS 100B, COS 101A, COS 102 and COS 103 must all be taken together.
This is an introductory lab course in haircutting. This class will focus on the lab skills of safety, sanitation, anatomy, tools, and basic haircutting techniques.
Transfer Credit: CSU

COS 102 HEALTH AND SAFETY IN THE BEAUTY INDUSTRY 1.0 UNIT
Class hours: 1.0 Lecture
Prerequisite: Admission to the Cosmetology program and ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass"
Corequisite: COS 100A, COS 100B, COS 101A, COS 101B, and COS 103 for the Cosmetology program OR COS 115A, COS 115B, COS 116A, COS 116B, and COS 103 for the Esthetician program

This class will focus on the California Board of Barbering and Cosmetology health and safety modules, laws and regulations, and infection control.
Transfer Credit: CSU

COS 103 SCIENCE IN THE BEAUTY INDUSTRY 1.0 UNIT
Class hours: 1.0 Lecture
Prerequisite: Admission to the Cosmetology Program and ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass"

Corequisite: COS 100A, COS 100B, COS 101A, COS 101B, and COS 102 for the Cosmetology program OR COS 115A, COS 115B, COS 116A, COS 116B, and COS 102 for the Esthetician program

This class will focus on the theory of anatomy, physiology, chemistry and electricity as it relates to the beauty industry.

Transfer Credit: CSU

COS 104A
ADVANCED HAIRSTYLING A 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S and COS 100A, COS 100B, COS 101A, COS 101B, COS 102 and COS 103 with a grade of "C" or higher or "Pass".
Corequisite: COS 104B, COS 105A, COS 105B, COS 106, and COS 107 must all be taken together.

This is an advanced theory course in hairstyling. This class will focus on the theory of safety, sanitation, anatomy, tools and advanced hairstyling techniques.

Transfer Credit: CSU

COS 104B
ADVANCED HAIRSTYLING B 2.0 UNITS
Class hours: 2.0 Laboratory
Prerequisite: ENGL 100 or ENGL 100S and COS 100A, COS 100B, COS 101A, COS 101B, COS 102 and COS 103 with a grade of "C" or higher or "Pass".
Corequisite: COS 104A, COS 105A, COS 105B, COS 106, and COS 107 must all be taken together.

This is an advanced lab course in hairstyling. This class will focus on the lab skills of safety, sanitation, anatomy, tools and advanced hairstyling techniques.

Transfer Credit: CSU

COS 105A
ADVANCED HAIRCUTTING A 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S and COS 100A, COS 100B, COS 101A, COS 101B, COS 102 and COS 103 with a grade of "C" or higher or "Pass".
Corequisite: COS 104A, COS 104B, COS 105B, COS 106, and COS 107 must all be taken together.

This is an advanced theory course in haircutting. This class will focus on the theory of safety, sanitation, anatomy, tools and advanced haircutting techniques.

Transfer Credit: CSU

COS 105B
ADVANCED HAIRCUTTING B 2.0 UNITS
Class hours: 2.0 Laboratory
Prerequisite: ENGL 100 or ENGL 100S and COS 100A, COS 100B, COS 101A, COS 101B, COS 102 and COS 103 with a grade of "C" or higher or "Pass".
Corequisite: COS 104A, COS 104B, COS 105A, COS 105B, COS 106, and COS 107 must all be taken together.

This is an advanced lab course in haircutting. This class will focus on the lab skills of safety, sanitation, anatomy, tools and advanced haircutting techniques.

Transfer Credit: CSU

COS 106
BUSINESS IN THE BEAUTY INDUSTRY 1.0 UNIT
Class hours: 1.0 Lecture
Prerequisite: COS 100A, COS 100B, COS 101A, COS 101B, COS 102 and COS 103 for the Cosmetology program OR COS 115A, COS 115B, COS 116A, COS 116B, COS 102, and COS 103 for the Esthetician program AND ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass".
Corequisite: COS 104A, COS 104B, COS 105A, COS 105B, and COS 107 for the Cosmetology program OR COS 117A, COS 117B, COS 118A, COS 118B, and COS 119 for the Esthetician program

This class will focus on the different career opportunities and the business side of owning your own business or working as an independent contractor in the beauty industry.

Transfer Credit: CSU

COS 107
STATE BOARD PREPARATION-HAIRSTYLING LICENSE 1.0 UNIT
Class hours: 1.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, and COS 103 for the Cosmetology program OR COS 115A, COS 115B, COS 116A, COS 116B, COS 102, and COS 103 for the Esthetician program

This class will focus on preparing students for the hairstyling license for the state board examination.

Transfer Credit: CSU

COS 108A
HAIRCOLOR A 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102 and COS 103 with a grade of "C" or higher or "Pass".
Corequisite: COS 104A, COS 104B, COS 105A, COS 105B, and COS 106 must all be taken together.

This is a theory course in haircoloring and bleaching. The class will focus on the theory of color theory, hair lightening, different types of tints, safety, sanitation, hair structure,
application, tools and equipment needed for any hair color service. Transfer Credit: CSU

COS 108B
HAIRCOLOR B  1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, COS 103, COS 104A, COS 104B, COS 105A, COS 105B, COS 106, and COS 107 with a grade of "C" or higher or "Pass".
Corequisite: COS 108A, COS 109A, COS 109B, COS 110A, and COS 110B must be all taken together
This is a lab course in haircoloring and bleaching. The class will focus on the lab skills of perming, relaxing, safety, sanitation, facial structure, tools and equipment needed for any haircolor service. Transfer Credit: CSU

COS 109A
CHEMICAL TEXTURE A  3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, COS 103, COS 104A, COS 104B, COS 105A, COS 105B, COS 106, and COS 107 with a grade of "C" or higher or "Pass".
Corequisite: COS 108A, COS 109A, COS 110B, and COS 110B must be all taken together
This is a theory course in chemical texturizing. The class will focus on the theory of perming, relaxing, safety, sanitation, anatomy, hair structure, tools and equipment needed for a chemical texturizing service. Transfer Credit: CSU

COS 109B
CHEMICAL TEXTURE B  1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, COS 103, COS 104A, COS 104B, COS 105A, COS 105B, COS 106, and COS 107 with a grade of "C" or higher or "Pass".
Corequisite: COS 108A, COS 109A, COS 109B, and COS 110A
This is a lab course in chemical texturizing. The class will focus on the lab skills of perming, relaxing, safety, sanitation, anatomy, hair structure, tools and equipment needed for a chemical texturizing service. Transfer Credit: CSU

COS 110A
MAKEUP A  1.5 UNITS
Class hours: 1.5 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, COS 103, COS 104A, COS 104B, COS 105A, COS 105B, COS 106, and COS 107 with a grade of "C" or higher or "Pass".
Corequisite: COS 108A, COS 109A, COS 109B, and COS 110B must be all taken together
This is a theory course in makeup. The class will focus on the lab skills of perming, relaxing, safety, sanitation, anatomy, hair structure, tools and equipment needed for a chemical texturizing service. Transfer Credit: CSU

COS 110B
MAKEUP B  0.5 UNIT
Class hours: 1.5 Laboratory
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, COS 103, COS 104A, COS 104B, COS 105A, COS 105B, COS 106, COS 107, COS 108A, COS 108B, COS 109A, COS 109B, and COS 110B with a grade of "C" or higher or "Pass".

COS 111A
SKIN CARE A  3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, COS 103, COS 104A, COS 104B, COS 105A, COS 105B, COS 106, COS 107, COS 108A, COS 108B, COS 109A, COS 109B, and COS 110B with a grade of "C" or higher or "Pass".
Corequisite: COS 111B, COS 112A, COS 112B, COS 113A, COS 113B and COS 114 must all be taken together.
This is a theory course in skin care. The class will focus on the theory of safety, sanitation, anatomy of the face, disorders and diseases, facial tools and equipment needed for a facial service. Transfer Credit: CSU

COS 111B
SKIN CARE B  1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, COS 103, COS 104A, COS 104B, COS 105A, COS 105B, COS 106, COS 107, COS 108A, COS 108B, COS 109A, COS 109B, and COS 110B with a grade of "C" or higher or "Pass".
Corequisite: COS 111B, COS 112A, COS 112B, COS 113A, COS 113B and COS 114 must all be taken together.

This is a lab course in skin care. The class will focus on the lab skills of safety, sanitation, anatomy of the face, disorders and diseases, facials, tools and equipment needed for a facial service.

Transfer Credit: CSU

COS 112A
NAIL CARE A 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, COS 103, COS 104A, COS 104B, COS 105A, COS 105B, COS 106, COS 107, COS 108A, COS 108B, COS 109A, COS 109B, COS 110A, and COS 110B with a grade of "C" or higher or "Pass".

Corequisite: COS 111A, COS 111B, COS 112A, COS 112B, COS 113A, COS 113B and COS 114 must all be taken together.

This is a lab course in skin care. The class will focus on the lab skills of safety, sanitation, anatomy of the face, disorders and diseases, facials, tools and equipment needed for a facial service.

Transfer Credit: CSU

COS 112B
NAIL CARE B 1.0 UNIT
Class hours: 1.0 Laboratory
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, COS 103, COS 104A, COS 104B, COS 105A, COS 105B, COS 106, COS 107, COS 108A, COS 108B, COS 109A, COS 109B, COS 110A, and COS 110B with a grade of "C" or higher or "Pass".

Corequisite: COS 111A, COS 111B, COS 112A, COS 112B, COS 113A, COS 113B and COS 114 must all be taken together.

This is a lab course in skin care. The class will focus on the lab skills of safety, sanitation, anatomy of the face, disorders and diseases, facials, tools and equipment needed for a facial service.

Transfer Credit: CSU

COS 113A
HAIR REMOVAL A 1.5 UNITS
Class hours: 1.5 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, COS 103, COS 104A, COS 104B, COS 105A, COS 105B, COS 106, COS 107, COS 108A, COS 108B, COS 109A, COS 109B, COS 110A, and COS 110B with a grade of "C" or higher or "Pass".

Corequisite: COS 111A, COS 111B, COS 112A, COS 112B, COS 113A, COS 113B and COS 114 must all be taken together.

This is a theory course in nail care. The class will focus on the theory of safety, sanitation, anatomy of the hands, disorders and diseases, manicures, pedicures, nail tips, acrylics, gel, nail wraps, tools and equipment needed for a nail service.

Transfer Credit: CSU

COS 113B
HAIR REMOVAL B 0.5 UNIT
Class hours: 1.5 Laboratory
Prerequisite: ENGL 100 or ENGL 100S with a grade of "C" or higher or "Pass".

Corequisite: COS 111A, COS 111B, COS 112A, COS 112B, COS 113A, COS 113B and COS 114 must all be taken together.

This is a lab course in nail removal. The class will focus on the lab skills of safety, sanitation, waxing, tweezing, sugaring, tools and equipment needed for a hair removal service.

Transfer Credit: CSU

COS 114
STATE BOARD PREPARATION-COSMETOLOGY LICENSE 1.0 UNIT
Class hours: 1.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" and COS 100A, COS 100B, COS 101A, COS 101B, COS 102, COS 103, COS 104A, COS 104B, COS 105A, COS 105B, COS 106, COS 107, COS 108A, COS 108B, COS 109A, COS 109B, COS 110A, and COS 110B with a grade of "C" or higher or "Pass".

Corequisite: COS 111A, COS 111B, COS 112A, COS 112B, COS 113A, COS 113B and COS 114 must all be taken together.

This class will focus on preparing students for the cosmetology license state board examination.

Transfer Credit: CSU

COS 115A
INTRODUCTION TO SKIN CARE A 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S with a grade of "C" or higher or "Pass".

Corequisite: COS 102, COS 103, COS 115B, COS 116A and COS 116B must all be taken together.

This is an introductory theory course in skin care. This class will focus on the theory of safety, sanitation, anatomy, tools, equipment and basic facial techniques.

Transfer Credit: CSU
COS 115B
INTRODUCTION TO SKIN CARE B 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: ENGL 100 or ENGL 100S with a grade of "C" or higher or "Pass"
Corequisite: COS 102, COS 103, COS 115A, COS 116A and COS 116B must all be taken together.

This is an introductory lab course in skin care. This class will focus on the lab skills of safety, sanitation, anatomy, tools, equipment and basic facial techniques.
Transfer Credit: CSU

COS 116A
INTRODUCTION TO SKIN BEAUTIFICATION A 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: Admission to the Cosmetology Program and ENGL 100 or ENGL 100S with a grade of "C" or higher or "Pass"
Corequisite: COS 102, COS 103, COS 115A, COS 115B, COS 116A and COS 116B must all be taken together.

This is an introductory theory course in skin beautification. This class will focus on the theory of safety, sanitation, anatomy, tools, equipment, basic hair removal and makeup techniques.
Transfer Credit: CSU

COS 115B
INTRODUCTION TO SKIN CARE B 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: ENGL 100 or ENGL 100S with a grade of "C" or higher or "Pass"
Corequisite: COS 102, COS 103, COS 115A, COS 116A and COS 116B must all be taken together.

This is an introductory lab course in skin care. This class will focus on the lab skills of safety, sanitation, anatomy, tools, equipment and basic facial techniques.
Transfer Credit: CSU

COS 116A
INTRODUCTION TO SKIN BEAUTIFICATION A 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: Admission to the Cosmetology Program and ENGL 100 or ENGL 100S with a grade of "C" or higher or "Pass"
Corequisite: COS 102, COS 103, COS 115A, COS 115B, COS 116A and COS 116B must all be taken together.

This is an introductory theory course in skin beautification. This class will focus on the theory of safety, sanitation, anatomy, tools, equipment, basic hair removal and makeup techniques.
Transfer Credit: CSU

COS 117A
ADVANCED SKIN CARE A 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: Admission to the Cosmetology Program and ENGL 100 or ENGL 100S with a grade of "C" or higher or "Pass" and COS 102, COS 103, COS 115A, COS 115B, COS 116A, and COS 116B with a grade of "C" or higher or "Pass"
Corequisite: COS 106, COS 117B, COS 118A, COS 118B, and COS 119 must be taken together

This is an advanced theory course in skin beautification. This class will focus on the theory of safety, sanitation, advanced tools and techniques.
Transfer Credit: CSU

COS 117B
ADVANCED SKIN CARE B 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: Admission to the Cosmetology Program and ENGL 100 or ENGL 100S with a grade of "C" or higher or "Pass" and COS 102, COS 103, COS 115A, COS 115B, COS 116A, and COS 116B with a grade of "C" or higher or "Pass"
Corequisite: COS 106, COS 117B, COS 118A, COS 118B, and COS 119 must be taken together

This is an advanced lab course in skin beautification. This class will focus on the lab skills of safety, sanitation, advanced tools and techniques.

COS 119
STATE BOARD PREPARATION-ESTHETICIAN LICENSE 1.0 UNIT
Class hours: 1.0 Lecture
Prerequisite: Admission to the Cosmetology Program and ENGL 100 or ENGL 100S with a grade of "C" or higher or "Pass" and COS 102, COS 103, COS 115A, COS 115B, COS 116A, and COS 116B with a grade of "C" or higher or "Pass"
Corequisite: COS 106, COS 117A, COS 117B, COS 118A, and COS 119 must be taken together

This class will focus on preparing students for the state board examination to become a licensed esthetician.
Transfer Credit: CSU

COUN 100
COUNSELOR AIDE IN THE COMMUNITY COLLEGE 2.0 UNITS

COUNSELING (COUN)
(Counseling & Guidance Division)

COUN 100
COUNSELOR AIDE IN THE COMMUNITY COLLEGE 2.0 UNITS
This course is designed to familiarize the student with the functions and training in the techniques of the student counselor aide in a community college setting. (Formerly CG 100)
Transfer Credit: CSU

COUN 110
CAREER PLANNING  1.0 UNIT
Class hours: 1.0 Lecture
This course is designed to help students understand the process of making informed choices pertaining to majors and careers. Students will learn about their values, interests, personality, skills, and personal experiences through career assessments and career development theories. They will connect this self-knowledge to occupational possibilities and college majors using career exploration resources to research options that may be a good fit. Students also learn tools, such as informational interviewing and goal-setting, that complement the decision-making process and career development. (Formerly COUN 10)
Transfer Credit: CSU

COUN 101A
ORIENTATION TO COLLEGE  0.5 UNIT
Class hours: 0.5 Lecture
This course is designed to introduce first-time college students to services offered at Cerritos College; the history and mission of the system of higher education in California; policies and procedures that affect students at Cerritos College; and educational planning, including major and general education requirements and course sequencing. As part of the course, students may tour the Cerritos College campus, acquainting themselves with the location and function of various offices and service providers. Each student will produce a short term educational plan specific to his or her educational goal. This course is offered on a pass/no pass basis only.
Transfer Credit: CSU

COUN 101B
EDUCATIONAL PLANNING  1.0 UNIT
Class hours: 1.0 Lecture
This course is designed to broaden students' understanding of the history and mission of the system of higher education in California, with particular emphasis on the role of the community college; policies and procedures that affect students at Cerritos College; the importance of educational planning. Students will gain college success skills, explore academic programs, and utilize student services intended to enhance students' overall educational and personal goals. This course allows students the opportunity to engage in career exploration in order to aid in the identification of one's major. Students will take part in developing a Comprehensive Student Education Plan specific to the student's educational goal. This course is offered on a pass/no pass basis only.
Transfer Credit: CSU

COUN 150
DYNAMICS OF LEADERSHIP  3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of the English assessment/placement process or ENGL 52 or equivalent with a grade of “C” or higher or “Pass” and participation in a college or community-based organization or club.
This course is designed for students who wish to develop a deeper understanding and appreciation of the theories, principles, and techniques of leadership in a college or community-based organization. It includes the study and practical application of group and individual leadership techniques. It is designed to improve awareness of group dynamics, listening skills, personal values, decision making, problem solving, and organizational development. It emphasizes critical analysis of leaders in the news, history, film, and/or literature.
Transfer Credit: CSU

COUN 200
SUCCESS IN COLLEGE AND CAREER  3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Completion of ENGL 20 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 52, ENGL 72, and ESL 152.
This course will provide students with knowledge, information, and skills to better understand themselves as
students, people, and members of the working world. It will assist them to establish life, career, educational, and personal goals and to develop plans and strategies to successfully meet those goals.

Transfer Credit: CSU; UC

COUN 210
JOB SEARCH STRATEGIES 1.0 UNIT
Class hours: 1.0 Lecture/0.5 Laboratory
Recommendation: Completion or near completion of a degree program or certificate program or be actively seeking a new employment opportunity.

This is an open entry/open exit, self-paced course designed to prepare students to manage their transition from college-to-work and/or work-to-work situations. Students will learn the fundamentals of the job search process. Students will learn to develop job search strategies, prepare print and electronic resumes and improve their interview skills. This course is offered on a credit/no credit basis only.

Transfer Credit: CSU

COUN 220
TRANSITION TO UNIVERSITIES 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of the English assessment/ placement process or ENGL 52 or equivalent with a grade of “C” or higher or “Pass”. Completion of 12 CSU/UC transferable units.

This course is a presentation and discussion of college life transitions. It addresses effective decision-making activities and strategies for transfer students. Included are evaluation of education/career goals; analysis, comparison, and evaluation of university admissions standards; review of major preparations; and an introduction to post-graduate entrance requirements. Students will make on-site research/field visits to universities and review available student services.

Transfer Credit: CSU

COUN 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

CULINARY ARTS (CA) (Health Occupations Division)

CA 55
FUNDAMENTALS OF RESPONSIBLE ALCOHOL SERVICE 1.0 UNIT
Class hours: 1.0 Lecture
This course covers the principles of responsible alcohol service to hospitality customers. Topics include understanding laws and responsibilities pertaining to alcohol service, evaluating intoxication levels of guests, checking identification, and dealing with difficult situations. The ServSafe Alcohol Certification Exam will be administered.

CA 101
INTRODUCTION TO FOOD SERVICE, SAFETY, AND SANITATION 2.0 UNITS
Class hours: 2.0 Lecture
This course covers the principles of food microbiology, important foodborne diseases, standards that are enforced by regulatory agencies, and applied measures for the prevention of foodborne diseases and other microbiological problems. This course meets current food
protection standards for regulatory agents. ServSafe Manager Certification Exam will be administered.
Transfer Credit: CSU

CA 120
INTRODUCTION TO THE HOSPITALITY INDUSTRY 3.0 UNITS
Class hours: 3.0 Lecture
This course is an overview of the hospitality industry with an emphasis on career opportunities for culinary arts students. Topics will include the use of technology, ethics, leadership, human resource functions, management techniques, and services standards for the hotel and resort business. These skills build a strong knowledge base for understanding the hospitality industry.
Transfer Credit: CSU
C-ID: HOSP 100

CA 180
INTRODUCTION TO BAKING SKILLS 4.0 UNITS
Class hours: 2.0 Lecture/6.0 Laboratory
Corequisite: CA 101 or equivalent with a grade of “C” or higher or “Pass” or prior completion.
This course introduces the student to basic baking techniques and basic ingredients utilized in the industry. The course will cover breads, sweet doughs, laminate doughs, pie doughs, fillings, cakes, and various pastries. This course aims to provide students with the basic ability to produce baked goods using various techniques and skills sets for bakers and pastry cooks in the food service industry. T.B. clearance for food service personnel is a State regulation and required for enrollment in this course. (Formerly CA 80).
Transfer Credit: CSU

CA 181
PROFESSIONAL BAKING AND PASTRY PRODUCTION I 5.0 UNITS
Class hours: 3.0 Lecture/7.0 Laboratory
Prerequisite: CA 101 and CA 180 or equivalent with grades of “C” or higher or "Pass".
Students build on their fundamental baking skills and produce a variety of pastries to include doughs, pastries, creams, custards, frozen, and fruit desserts. A review of cake mixing techniques with an emphasis on preparing simple to complex filled cakes, gateaux, and tortes; comparing classical and modern preparation will be overviewed. This course aims to provide students with proficient skills to prepare and accomplish quantity production by producing large volume pastries and baked goods for banquets and retail settings. T.B. clearance for food service personnel is State regulation and required for enrollment in this course. (Formerly CA 81).
Transfer Credit: CSU

CA 182
PROFESSIONAL BAKING AND PASTRY PRODUCTION II 5.0 UNITS
Class hours: 3.0 Lecture/7.0 Laboratory
Prerequisite: CA 181 or equivalent with a grade of “C” or higher or "Pass".
This course is an examination of restaurant plated desserts, petit fours, candies, and European cakes that are assembled and decorated with a modern approach. Basic decorative techniques as applied to show pieces in sugar or chocolate are introduced. Production will include design and assembly of a three-tier wedding cake and advanced decorating techniques. Focus will be placed on food costing formulas and presentation of products. This course aims to increase skills in producing a more uniform product, with high eye appeal, flavor, and texture balance. T.B. clearance for food service personnel is a State regulation and required for enrollment in this course. (Formerly CA 82).
Transfer Credit: CSU

CA 230
PROFESSIONAL HEALTHY COOKING 3.0 UNITS
Class hours: 3.0 Lecture
This course examines basic principles of nutrition and explores the nutritional needs for various populations. Recipe modification, current issues in nutrition, and the application of nutritional principles to menu development is the focus of this course. Topics include alternative ingredients, menu marketing, allergens, and religious dietary laws.
Transfer Credit: CSU

CA 240
Human Relations in Hospitality 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: CA 120 or equivalent with a grade of “C or higher or "Pass"
This course introduces students to the manager’s role in organizing, planning, and control of production for a culinary operation. An emphasis on the skills necessary to be effective leaders, developing human relations’ skills and building on workplace diversity will be reviewed. The course will also cover communicating effectively and creating a positive work climate. Supervision responsibilities of planning, organizing, controlling, decision making, problem solving, and delegating will be included.
Transfer Credit: CSU

CA 250
PROFESSIONAL COOKING I 7.0 UNITS
Class hours: 6.0 Lecture/4.0 Laboratory
Corequisite: CA 101 or prior completion or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: Completion of ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

The course introduces the student to basic cooking techniques and basic ingredients utilized in the industry. This course will cover recipes, knife skills, cooking methods, product identification, herbs and spices, equipment usage, measurements, stocks, soups and basic sauces. This course aims to provide students with a strong foundation of skills and abilities to succeed in the next level of classes. T.B. clearance for food service personnel is a State regulation and required for enrollment in this course. Transfer Credit: CSU

C-ID: HOSP 160

CA 251
PROFESSIONAL COOKING II 8.0 UNITS
Class hours: 3.0 Lecture/15.0 Laboratory
Prerequisite: CA 153 or CA 251 or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: CA 230 or equivalent with a grade of “C” or higher or “Pass” and completion of ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

The course completes the education of practical cooking techniques in a formal dining restaurant. The course will cover dining room service, garde manger, appetizers, canapés, charcutière, plate, and buffet presentations, advanced cooking methods, management techniques, leadership styles, and job readiness skills. T.B. clearance for food service personnel is a State regulation and required for enrollment in this course. Transfer Credit: CSU

C-ID: HOSP 120

CA 252
PROFESSIONAL COOKING III 8.0 UNITS
Class hours: 3.0 Lecture/15.0 Laboratory
Prerequisite: CA 153 or CA 251 or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: CA 230 or equivalent with a grade of “C” or higher or “Pass” and completion of ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

The course completes the education of practical cooking techniques in a formal dining restaurant. The course will cover dining room service, garde manger, appetizers, canapés, charcutière, plate, and buffet presentations, advanced cooking methods, management techniques, leadership styles, and job readiness skills. T.B. clearance for food service personnel is a State regulation and required for enrollment in this course. Transfer Credit: CSU

CA 260
FOODS PURCHASE AND CONTROL 3.0 UNITS
Class hours: 3.0 Lecture
This course is designed to familiarize the student with all aspects of purchasing and cost control within the foodservice industry. Instruction and experience in the areas of forecasting operational needs, menu pricing, food purchasing, and cost control are included. (Formerly CA 160)
Transfer Credit: CSU

C-ID: HOSP 150

DANCE (DANC)
(FINE ARTS & COMMUNICATIONS DIVISION)

DANC 50 (Not Degree Applicable)
INDIVIDUALIZED DANCE DEVELOPMENT 1.0 UNIT
Class hours: 4.0 Laboratory
This course is designed to provide students the individualized opportunity to acquire and practice the dance skills necessary for participation in dance choreography created for regional and national dance festivals, conferences and competitions. This course is geared towards the preparation, attendance and participation in the regional and national American College Dance Association Conference adjudicated competitive concerts. This course may be taken a maximum of 4 times.

DANC 100
DANCE APPRECIATION 3.0 UNITS
Class hours: 3.0 Lecture

This course offers a study styles, artists, and the cultural/historical characteristics of dance as an art form and social expression. Topics for study will include current events, and popular trends. Materials are presented through lectures, video examples, class discussion, and attendance at live dance concerts.
Transfer Credit: CSU; UC

DANC 101
HISTORY OF DANCE 3.0 UNITS
Class hours: 3.0 Lecture

Students will study dance history from ancient to modern times, beginning with tribal, ethnic and folk dance and on through contemporary ballet, modern and jazz dance.
Transfer Credit: CSU; UC

DANC 102
INTRODUCTION TO ADAPTIVE DANCE 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This course introduces elements of multiple dance genres for individuals with disabilities. Students will explore the benefits of breath, components of weight-shifting and gravity, as well as rhythm and space. This course will encourage proprioception, mind body connection, and coordination, and decision-making through choreographic choices. This course is not open to students who have completed PEX 104D.
Transfer Credit: CSU; UC*

*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

DANC 103
DANCE CONDITIONING AND ALIGNMENT 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This course is designed to provide a conditioning program for dance technique classes involving exercises from multiple dance conditioning modalities. Exercises are designed to increase dance specific body awareness, placement, and performance by increasing strength, flexibility, and endurance. This course is not open to students who have completed PEX 157.
Transfer Credit: CSU; UC

DANC 104
CARDIO BARRE CONDITIONING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This course is designed to provide a complete conditioning program for the aspiring dancer or fitness enthusiast, involving exercises based on ballet-based group fitness. These exercises are designed to increase body functioning and alignment by increasing cardiovascular health, flexibility, and muscular strength. This course is not open to students who have taken PEX 137.
Transfer Credit: CSU; UC*

*UC credit limits may apply: Any or all of these PE activity courses combined: maximum credit, 4 units

DANC 105
INTRODUCTION TO DANCE MOVEMENT 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory

Students will study dance movement in three basic styles: ballet, modern and jazz. For each form, proper body alignment, stretching and styling techniques will be presented in a dance class format. This includes warm-ups, progressions and dance combinations.
Transfer Credit: CSU; UC

DANC 106A
BEGINNING BALLET 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

This course is a study in the basics of ballet terminology and technique with emphasis on body alignment, coordination and musicality.
Transfer Credit: CSU; UC

DANC 106B
INTERMEDIATE BALLET 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

Students will study the intermediate terminology and technique of classical ballet.
Transfer Credit: CSU; UC

DANC 106C
ADVANCED BALLET 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

Students will study the advanced terminology and technique of classical ballet.
Transfer Credit: CSU; UC
BALLET VARIATIONS 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is designed to continue the development of technical ballet skills with emphasis on developing physical and artistic expression through the execution of classical and contemporary variations.
Transfer Credit: CSU; UC

DANC 109
INTRODUCTION TO DANCE CULTURES OF THE WORLD 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Students will study dance styles representative of different cultures and nationalities. Introduction to many different dance forms will be explored, taking into consideration historical background, related folklore and how dance differs from culture to culture.
Transfer Credit: CSU; UC

DANC 108A
DANCE, MODERN, BEGINNING 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Students will study the expressive body movements in a creative art form. Emphasis will be on developing modern dance skills and technique as well as conditioning the body by improving posture, flexibility, strength, and coordination.
Transfer Credit: CSU; UC

DANC 108B
DANCE, MODERN, INTERMEDIATE 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Students will study intermediate level modern skills and will utilize basic movement and music principles to choreograph dance sequences.
Transfer Credit: CSU; UC

DANC 108C
DANCE, MODERN ADVANCED 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Students will study advanced level modern dance skills with an emphasis placed on learning the vocabulary and techniques of the main classical modern dance techniques including, but not limited to, Martha Graham, Lester Horton, Jose Limon, and Merce Cunningham.

DANC 110
COMMERCIAL DANCE FOUNDATIONS 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is designed to emphasize movement fundamentals used for commercial dance work in film, concert dance, television and industrial shows and commercials. It offers instruction in foundational and current trends of popular dance.
Transfer Credit: CSU; UC

DANC 112
CONTEMPORARY DANCE 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is the study of current contemporary dance techniques with an emphasis placed on recognizing the vocabulary and influences of multiple contemporary dance genres. Studies will include, but not be limited to, concert-based forms, such as release technique, counter technique, and inversion techniques, as well as television and competition-based commercial styles.
Transfer Credit: CSU; UC

DANC 115
LITURGICAL DANCE 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is the study of Liturgical dance, with an emphasis placed on recognizing the history and influences of sacred and secular dance forms. Traditional and contemporary functions and practices in Liturgical Dance will be explored through the fusion of African, ballet, modern, jazz, contemporary, and hip-hop dance techniques, to express theological concepts.
Transfer Credit: CSU; UC

DANC 120
PARTNERING FOR DANCE 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Students will study partner dancing involving groups of two or more dancers. It will serve as an introduction to the art of partnering in modern, jazz, and classical choreography. Not limited to male/female partnering, students will study choreography involving any body contact or shifting of weight from one individual to another.
Transfer Credit: CSU; UC

DANC 121
LATIN SOCIAL DANCE 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is an overview of Latin social dance including tango, salsa, merengue, paso doble, bolero, mambo and cha cha. Areas of study include movement theory, dance, vocabulary, performance, etiquette and dance history.
Transfer Credit: CSU; UC

DANC 122
MIDDLE EASTERN DANCE 2.0 UNITS
This course is an overview of Latin social dance including tango, salsa, merengue, paso doble, bolero, mambo and cha cha. Areas of study include movement theory, dance, vocabulary, performance, etiquette and dance history.
Transfer Credit: CSU; UC
Class hours: 1.0 Lecture/3.0 Laboratory

The course will introduce students to the history of Middle Eastern dance in its different forms and styles. The evolution of the dance form from its traditional styles to a fusion of Eastern and Western dance styles is also presented.

Transfer Credit: CSU; UC

DANC 123
AFRICAN DANCE 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

This course introduces students to selected dances of Africa through the practice of steps and choreography. Music and history of the dances studied with their social and religious significance in African culture are presented. Emphasis is placed on coordination of polyrhythmic body movements with the music.

Transfer Credit: CSU; UC

DANC 124
HIP HOP DANCE I 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

This course covers the various forms of beginning hip hop dance including a basic history of hip hop dance and the aligned movement vocabulary, terminology, and social/theatrical codifications.

Transfer Credit: CSU; UC

DANC 125
INTRODUCTION TO BALLROOM DANCE 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

This course is designed to introduce ballroom dancing through the understanding of history, music, and performance opportunities. Basic steps, variations and styling techniques for the foxtrot, waltz, swing, cha cha, tango, bolero, rhumba, samba and other selected styles will be included.

Transfer Credit: CSU; UC

DANC 126
HIP HOP DANCE II 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

This course encompasses the study of today's evolving hip hop dance trends and includes a contemporary history of hip hop dance. Study will focus on the current movement styles and include the vocabulary, terminology, and social/theatrical codifications as it is demonstrated in formal (theater) and informal (studio) settings.

Transfer Credit: CSU; UC

DANC 127
BALLET FOLKLORICO 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

This course is an introduction to the history and techniques of Ballet Folklorico through a study of its multiple regional styles. The evolution of the dance, from its indigenous roots, to a fusion of Latin and European dance styles will be explored.

Transfer Credit: CSU; UC

DANC 128
LATIN DANCE PERFORMANCE 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

This course is a continued overview of Latin partnering dances including tango, salsa, merengue, bachata, cumbia, mambo and cha cha. Areas of study include performance technique, open shine work, styling, and choreography execution.

Transfer Credit: CSU; UC

DANC 129
HEELS DANCE CLASS 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

Students will study dance techniques and trends performed in heeled shoes. Current and historical genres such as Waacking, Voguing, and Stiletto Heels Dance from the Femme Hip Hop and commercial dance worlds will be explored through movement, philosophy, and dance technique studies.

Transfer Credit: CSU; UC

DANC 130
DANCE IMPROVISATION 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

Students will study theories and practices of dance improvisation. Students will learn about improvisational dance strategies and structures, playing with space, time, energy, and intention.

Transfer Credit: CSU; UC

DANC 130A
BEGINNING CHOREOGRAPHY 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

Students will study the basic elements of dance composition as well as learn about well-known choreographers and their work. The study will include the selection of movement appropriate to the meaning of a dance, the arrangements of movement in space, the use of tempo, and the overall design of the dance and its staging.

Transfer Credit: CSU; UC

DANC 130B
INTERMEDIATE CHOREOGRAPHY 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Students will study choreographic techniques and styles used in dance composition as well as research current choreographers and their work. The study will include the structure and phrasing of movement appropriate to the meaning of a dance. The intermediate studies will include the use of compositional structures and choreographic tools used to manipulate movement phrases for formal concert presentations on the proscenium stage and their overall effect on the dance.

Transfer Credit: CSU; UC

DANC 131
DANCE MOVEMENT ANALYSIS
3.0 UNITS
Class hours: 3.0 Lecture
This course is the study of basic dance movement analysis using elementary movement analysis and notation systems such as Labanotation, Bartenieff Fundamentals, and other methods of movement codification. These systems are taught by using video, terminology, graphs, scores, and other visual aids.
Transfer Credit: CSU; UC

DANC 132
DANCE AND TECHNOLOGY
3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Basic computer skills and dance knowledge recommended. This course is the study of how technology has historically and is currently being used in the field of dance. Emphasis will be placed on the various technologies that currently impact the art of dance. The majority of topics in the course will be related to the art of dance and how it interacts with the film, editing, and digital arts. Basic computer and dance skills are recommended for successful completion of this course.
Transfer Credit: CSU

DANC 133
DANCE PRODUCTION
2.0 UNITS
Class hours: 6.0 Laboratory
Students will study the elements of dance production such as choreography, lighting, design, costume design, music, and concert publicity. Students will choreograph and perform in the concert or work backstage as part of the technical crew.
Transfer Credit: CSU; UC

DANC 134
DANCE PERFORMANCE
2.0 UNITS
Class hours: 6.0 Laboratory
Students will study the aspects of dance performance through participation in the semester dance concert. Emphasis is placed on improving classroom dance technique and elevating skills to a performance level.
Transfer Credit: CSU; UC

DANC 135
DANCE WORKSHOP
2.0 UNITS
Class hours: 6.0 Laboratory
Students will study the technical dance skills in ballet, jazz and modern dance. The course includes exploration of the elements of composition and affords the opportunity to experiment with improvisation and set choreography. Students will work on individual and group projects and participate in the faculty dance concert.
Transfer Credit: CSU; UC

DANC 136
DANCE REPERTORY
2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: Audition
This course provides structured rehearsal and performance experience through the study of a repertory of dances in the styles of ballet, modern, jazz, dance theatre, and social and/or folk dance. Students are required to participate in performances on campus as well as in the community with a culminating project that includes attendance at the American College Dance Association (ACDA) Conference with participation in their regional and national adjudicated concert competitions. This course may be taken a maximum of 4 times.
Transfer Credit: CSU; UC

DANC 138
DANCE TEACHING METHODS
3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course introduces students to pedagogical principles of dance education. Students will explore methods of dance studio teaching with a focus on class format and management, teaching styles for student-centered learning, multiple intelligence-based cueing, music accompaniment, and genre-specific choreography.
Transfer Credit: CSU

DANC 140
BEGINNING JAZZ DANCE
2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is an introduction to jazz techniques and dance styles. Emphasis is on mastering the fundamental skills basic to jazz dance techniques and artistic performance.
Transfer Credit: CSU; UC

DANC 141
INTERMEDIATE JAZZ DANCE
2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Prerequisite: TH 140
or DANC 140 or equivalent with a grade of "C" or higher or "Pass".

This course is a continuation of the development of jazz dance techniques and style begun in TH 140 or DANC 140. Emphasis is on mastery of more complicated jazz dance combination patterns and their performance.

Transfer Credit: CSU; UC

DANC 142
BEGINNING TAP DANCE    2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

This course is an introduction to basic tap dance techniques and styles. Emphasis is on mastery of basic tap dance steps, rhythms, combination patterns and their performance.

Transfer Credit: CSU; UC

DANC 143
INTERMEDIATE TAP DANCE    2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

Prerequisite: TH 142 or DANC 142 or equivalent with a grade of "C" or higher or "Pass".

This course is a continuation of the development of tap dance techniques and style begun in TH 142 or DANC 142. Emphasis is on mastery of more complicated tap dance steps, rhythms, combination patterns and their performance.

Transfer Credit: CSU; UC

DANC 144
DANCE FOR MUSICAL THEATRE    2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

This course is an introduction to musical theatre dance styles, techniques and repertory. Emphasis is on mastering the fundamental skills and styles basic to musical theatre dance technique and performance.

Transfer Credit: CSU; UC

DANC 150
REHEARSAL FOR FORMAL DANCE CONCERTS    2.0 UNITS
Class hours: 6.0 Laboratory

Students will study professional level standards of dance rehearsal etiquette and choreographic retention while experiencing the development of a concert dance piece over an extended rehearsal period.

Transfer Credit: CSU; UC

DANC 151
REHEARSAL FOR INFORMAL DANCE SHOWCASES    2.0 UNITS
Class hours: 6.0 Laboratory

Students will study appropriate rehearsal etiquette for the development of an informal concert dance piece.

Transfer Credit: CSU; UC

DENTAL ASSISTING (DA)
(Health Occupations Division)

DA 1 (Not Degree Applicable)
DENTAL RADIATION SAFETY LICENSING    1.5 UNITS
Class hours: 1.3 Lecture/1.7 Laboratory

Prerequisite: TH 142 or DANC 142 or equivalent with a grade of "C" or higher or "Pass".

This course is a study of the dental x-ray, the characteristics and methods of controlling x-radiation, types of film used, methods of processing, identifying, and mounting radiographs, radiation safety procedures, interpretation of radiographs, and an analysis of technique errors. It includes modern intra-oral dental and extra-oral radiographic techniques, arrangement and care of the darkroom equipment, composition and preparation of solutions, procedures for processing films, and mounting films. The student will practice on the manikin exposing films using radiation protection and safety guidelines.

DA 51
INTRODUCTION TO CHAIRSIDE ASSISTING    3.0 UNITS
This course involves instruction in the role and responsibilities of the chairside assistant. It includes basic qualifications, preparing patient for treatment, taking of a health history, charting, terminology, positioning of patient-operator-auxiliary for four-handed dental procedures, assisting with administration of local anesthetics agents, assessment/placement of a rubber dam, instrument exchange, oral evacuation, retraction, illumination, and assisting with endodontic procedures.

DA 54
INTRODUCTION TO OPERATORY PROCEDURES 4.0 UNITS
Class hours: 2.0 Lecture/6.0 Laboratory
Corequisite: DA 53.

This course includes manikin instruction in the techniques, materials, and instrumentation for assisting in operative dental procedures such as amalgam and composite restorations, gold inlays and crowns, and fixed bridges. An introduction to intra-oral tasks delegated to registered dental assistants which are related to operative dentistry, such as matrix placement, placement of bases and liners, placement of plastic temporary restorations, and removal of excess cement is also provided.

DA 61
APPLIED DENTAL SCIENCE II 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
Prerequisite: DA 51 or equivalent with a grade of “C” or higher or “Pass”.
Corequisite: DA 63

This course includes a study of oral pathology, nitrous oxide, pharmacology and medical emergencies in the dental office. Students will develop and implement a community dental health project. In addition, emphasis will be placed on preventive dentistry, which includes the use of fluorides, effective oral hygiene, nutritional guidelines, and development of a plaque control program. Instruction, clinical experience, and evaluation of both coronal polishing and application of pit and fissure sealants on teeth will be included.

DA 62
DENTAL RADIOGRAPHY II 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Prerequisite: DA 52 or equivalent with a grade of “C” or higher or “Pass”.

The student will be instructed in advance techniques of dental radiography, anatomical landmarks and dental anatomy pertaining to dental radiography with emphasis placed on evaluation of films. The student will practice taking full mouth radiographs for diagnosis by a dentist. Operation of panoramic equipment will also be included.

DA 63
ADVANCED CHAIRSIDE ASSISTING 4.0 UNITS
Class hours: 2.0 Lecture/6.0 Laboratory
Prerequisite: DA 53 and DA 54 or equivalent with grades of “C” or higher or “Pass”.
Corequisite: DA 65.

This course includes instruction in the specialties of dentistry and armamentarium required in each specialty. Laboratory content includes development of preclinical skills in the extended functions which are required for the Registered Dental Assistant.

DA 64
DENTAL OFFICE MANAGEMENT 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Prerequisite: DA 51 or equivalent with a grade of “C” or higher or “Pass”.

This course includes instruction in the non-clinical functions which are integral to the dental office. Subject areas include office communications, scheduling appointments, making financial arrangements, recall, completing insurance forms, record keeping, inventory, bookkeeping, marketing strategies, the use of computers, and other related skills required of a secretarial dental assistant.

DA 65
CLINICAL I DENTAL SCHOOLS 3.0 UNITS
Class hours: 1.0 Lecture/7.0 Laboratory
Prerequisite: DA 53, DA 54 or equivalent with grades of “C” or higher or “Pass”.
Corequisite: DA 61, 62, and 63.

This course includes the practice of dealing with patients and working with dental students in four-handed dental procedures. The clinical instruction in this course is conducted at dental schools. Emphasis is placed on general operative dentistry, endodontics, and treating emergency patients. Weekly seminars are devoted to the evaluation of the clinical experience which includes techniques, patients’ special needs, and communicating with patients and staff.
CLINICAL II COOPERATIVE OFFICE TRAINING  5.0 UNITS
Class hours: 1.1 Lecture/10.7 Laboratory
Prerequisite: DA 65 or equivalent with a grade of “C” or higher or “Pass”.

This course includes the practice of working as a member of the dental team in community dental offices under the direct supervision of dentists. Emphasis is placed on general practice procedures, specialty areas, and the clinical application of intraoral tasks assigned to the registered dental assistant. Proficiency of all skills in the use of equipment is emphasized. The students will develop a professional attitude in all phases of dental assisting, including legal and ethical aspects of dental practice. Weekly seminars are held to evaluate and review clinical applications. Preparation for the certification and Registered Dental Assistant examinations will be included.

DA 85 (Not Degree Applicable)
ORTHODONTIC ASSISTING PERMIT COURSE  2.0 UNITS
Class hours: 1.5 Lecture/2.0 Laboratory
Prerequisite: Completion of DA 75 with a grade of “C” or higher or “Pass”. Graduation from the Cerritos College Dental Assisting Program and current Infection Control (IC) certificate.

This course is designed to provide advanced education in orthodontic training for the Registered Dental Assistant or Dental Assistant currently working in an Orthodontic practice setting. Instruction includes ultrasonic scaling for cement removal and it meets the didactic and laboratory requirements by the Dental Board of California Orthodontic Assisting Permit course approval. Students must provide verification of Hepatitis B immunization or HBV refusal form, proof of negative TB test, and current CPR certification.

DA 86 (Not Degree Applicable)
CLINICAL EXPERIENCE IN A ORTHODONTIC SPECIALTY PRACTICE  0.5 UNIT
Class hours: 1.8 Laboratory
Prerequisite: DA 85 with a grade of “C” or higher or “Pass” and an Infection Control Certificate and CPR Healthcare Provider Card.
Prerequisite: Infection Control Certificate, CPR Healthcare Provider Card.

Provides students with the required clinical hours associated with working in an orthodontic specialty practice or a general dental office with an attending orthodontist, under the instructor’s supervision. Students will be required to attend an orientation and complete assigned hours in an approved clinical site.

DENTAL HYGIENE (DH)
(Health Occupations Division)

DH 110
PREVENTIVE DENTISTRY I  2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: Admission to the Dental Hygiene Program.

This course introduces the student to the concept of optimum oral health care through plaque control, preventive dentistry and the role of the auxiliaries on the dental health team. Emphasis is placed on oral hygiene practices and patient motivation. Also included are etiology of soft and hard deposits, and patient instruction in plaque control care.
Transfer Credit: CSU

DH 111
INFECTION CONTROL AND DENTAL OFFICE EMERGENCIES  2.0 UNITS
Class hours: 2.0 Lecture
Corequisite: DH 115C.
Prerequisite: Admission to the Dental Hygiene Program.

This course covers the basic principles of infection control and the application of “standard precautions” in the dental health care setting. Included in this course is the selection and use of procedures and products to prevent the spread of infectious diseases in the practice of dental hygiene. Specific step-by-step procedures and current regulatory mandates related to infection control and the management of hazardous materials will be covered in detail. In addition, knowledge and skills related to preparedness for the prevention of medical emergencies in the dental setting will be covered.
Transfer Credit: CSU

DH 112
DENTAL HYGIENE RADIOGRAPHY  2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Prerequisite: Admission to the Dental Hygiene Program.

This course is a study of dental radiography, the characteristics and methods of controlling x-radiation, types of film used, methods of processing, identifying, and mounting radiographs, radiation safety procedures, and interpretation of radiographs for preliminary evaluation. It includes the theories and techniques of intra-oral, extra-oral, and digital radiography with laboratory experience and analysis of technique errors.
Transfer Credit: CSU

DH 114
DENTAL HYGIENE CLINICAL SCIENCES I 2.0 UNITS
Class hours: 2.0 Lecture
Corequisite: DH 115C.
Prerequisite: Admission to the Dental Hygiene Program.
This course introduces the student to the methodology and rationale for patient assessment and data collection. It includes patient histories, determination of vital signs, extraoral and intraoral examination, examination of the gingival and periodontal tissues, examination of the teeth and appropriate documentation of the data. The student will receive essential information for assessment of a patient prior to the formulation of the dental hygiene treatment service plan.
Transfer Credit: CSU

DH 115C
PRE-CLINICAL DENTAL HYGIENE I 2.0 UNITS
Class hours: 6.0 Laboratory
Corequisite: DH 114.
Prerequisite: Admission to the Dental Hygiene Program and a valid adult, child and infant CPR card including two-person CPR.
This course provides the student with the pre-clinical and clinical experience designed to develop thorough and efficient dental instrumentation techniques for comprehensive oral hygiene services.
Transfer Credit: CSU

DH 116
HEAD AND NECK ANATOMY 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Corequisite: DH 119.
Prerequisite: Admission to the Dental Hygiene Program.
This course is a detailed study of the anatomy and physiology of the human head and neck. Emphasis is placed on the correlation of structure and function especially where applicable to clinical dental hygiene.
Transfer Credit: CSU

DH 119
DENTAL EMBRYOLOGY, HISTOLOGY, AND ANATOMY 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Corequisite: DH 115C and DH 116.
Prerequisite: Admission to the Dental Hygiene Program.
This course covers an introduction to orofacial structures and the study of orofacial embryology, oral histology, and dental anatomy. Clinical considerations relevant to dental hygiene practice and root morphology to enhance instrumentation are included.
Transfer Credit: CSU

DH 120
PREVENTIVE DENTISTRY II 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: DH 114 or equivalent with a grade of “C” or higher or “Pass”.
Corequisite: DH 125C.
Recommendation: DH 110 or equivalent with a grade of “C” or higher or “Pass”.
This course offers clinical information in the areas of patient motivation for plaque control, including periodontal disease, and dietary analysis. Techniques in nutritional counseling for the dental patient will be emphasized.
Transfer Credit: CSU

DH 125
DENTAL HYGIENE CLINICAL SCIENCES II 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Prerequisite: DH 114 and DH 115C or equivalent with a grade of “C” or higher or “Pass”.
Corequisite: DH 125C.
This course is designed to support Clinical Dental Hygiene II. It is intended to allow for weekly discussions pertinent to clinical skills and related subjects which can be applied in the dental clinic setting. An overview of the technique and procedures particular to each dental specialty is presented. Dental clinic policies and procedures for clinic operation will be emphasized.
Transfer Credit: CSU

DH 125C
CLINICAL DENTAL HYGIENE II 3.0 UNITS
Class hours: 9.0 Laboratory
Prerequisite: DH 115C or equivalent with a grade of “C” or higher or “Pass”.
Corequisite: DH 125.
This course provides the student with clinical experiences in the practical application of dental procedures to perform comprehensive oral hygiene services. Students are scheduled at off-campus dental clinics with supervision from the Cerritos College Dental Hygiene Faculty and will have the opportunity to observe various dental specialties.
Transfer Credit: CSU

DH 126
GENERAL AND ORAL PATHOLOGY 2.0 UNITS
Class hours: 1.0 Lecture/2.0 Laboratory
Prerequisite: DH 112, DH 116, and DH 119 or equivalent with grades of “C” or higher or “Pass”.
Corequisite: DH 125C.
This course includes an in-depth study of the principles of general pathology and the specifics of oral pathology. Emphasis is placed on the clinical recognition, differential diagnosis, and treatment of oral pathologic conditions and associated systemic disorders.
Transfer Credit: CSU

DH 127
PHARMACOLOGY 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: DH 115C, DH 116, and DH 119 or equivalent with grades of “C” or higher or “Pass”.
Corequisite: DH 125C and DH 128.

This course covers the general principles of pharmacology, use of therapeutic agents utilized in dental practice, an overview of medically prescribed drugs used by dental patients and a background of contemporary pharmacologic issues which concern the consumer. Transfer Credit: CSU

DH 128
MANAGEMENT OF PAIN 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Prerequisite: DH 116 with a grade of “C” or higher or “Pass”.
Corequisite: DH 125 and DH 127.

This course is designed to teach the student management of pain control through the use of local anesthetic agents and the administration of nitrous oxide and oxygen when used as a sedative. The physiology and pharmacology agents, indications and contra-indications for use, and the treatment of complications and emergencies are stressed. Other modalities of pain control will be discussed. Transfer Credit: CSU

DH 129
APPLIED PERIODONTICS 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: DH 114 or equivalent with a grade of “C” or higher or “Pass”.
Corequisite: DH 125C

This course is designed to provide the student with a thorough understanding of the role of the hygienist in the treatment of periodontal disease. The normal periodontium, the pathogenesis of periodontal disease, etiology, and therapy are studied in detail. Soft tissue curettage and root planning are emphasized. Transfer Credit: CSU

DH 150C
CLINICAL DENTAL HYGIENE IIA 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: DH 125C & DH 128 or equivalent with a grade of “C” or higher or “Pass”.

This course provides the student with clinical experiences in the delivery of dental services on patients, utilizing instructor assisted guided discovery learning methodology. Students are scheduled at select contract dental facilities. Transfer Credit: CSU

DH 232L
DENTAL MATERIALS LABORATORY 1.0 UNIT
Class hours: 3.0 Laboratory
Corequisite: DH 235C

This course emphasizes the reasons specific dental materials are employed and the ways in which they react to the oral environment. Biological considerations in the selection and utilization of various dental materials are stressed. The course is designed to provide the dental hygiene student with an understanding of laboratory techniques and chairside procedures commonly encountered in dentistry. Transfer Credit: CSU

DH 234
DENTAL CARE FOR THE SPECIAL PATIENT 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: DH 125C and DH 127 or equivalent with grades of “C” or higher or “Pass”.
Corequisite: DH 235C

This introductory course for dental hygiene care of the medically compromised and older adult patient covers basic information on disease entities which cause disabilities and are common in the older person. Emphasis will be on recognition of medical precautions, medications which affect oral health, barriers and access to oral health care, and prevention and treatment of oral diseases. Transfer Credit: CSU

DH 235
DENTAL HYGIENE CLINICAL SCIENCES III 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Prerequisite: DH 125C or equivalent with a grade of “C” or higher or “Pass”.
Corequisite: DH 235C

This course is designed to support Clinical Dental Hygiene III. It is intended to allow for further studies in advanced periodontal treatment. Transfer Credit: CSU

DH 235C
CLINICAL DENTAL HYGIENE III 4.0 UNITS
Class hours: 12.0 Laboratory
Prerequisite: DH 125C or equivalent with a grade of “C” or higher or “Pass”.
Corequisite: DH 235

This course is designed to provide the student with the continuation of clinical experiences in performing comprehensive dental hygiene services. Students are scheduled at a variety of dental facilities in Los Angeles County. Under the supervision of the Cerritos College Dental Hygiene faculty, the student will perform traditional dental hygiene.
functions increasing in complexity through the sequence of clinical courses.
Transfer Credit: CSU

DH 238
COMMUNITY OUTREACH I  1.0 UNIT
Class hours: 1.0 Lecture/1.0 Laboratory
Prerequisite: DH 110 or equivalent with a grade of “C” or higher or “Pass”.
This course provides a basic introduction to the principles of health education, including discussion of the teaching/learning process, and effective pedagogy for the diverse population of the elementary school-aged child. The principles learned will be applied in the delivery of dental health education to elementary school children in the community. In addition, a basic framework for table clinic development will be presented, and support will be given to students in the planning process of this activity.
Transfer Credit: CSU

DH 239
INTRODUCTION TO DENTAL BIOSTATISTICS AND RESEARCH  2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: Admission to the Dental Hygiene Program.
This course provides an introduction to research methodology and biostatistics. Emphasis will be placed on the reading and interpreting of scientific literature in dentistry and dental hygiene and using technology in searching for appropriate research to complete applicable assignments.
Transfer Credit: CSU

DH 244
ETHICAL ISSUES IN DENTAL HYGIENE  2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: DH 235C or equivalent with a grade of “C” or higher or “Pass”.
Corequisite: DH 245C.
This course investigates ethical issues, dilemmas, and the State Dental Practice Act that affect the standards of behavior for the dental hygienist. Principles of general and biomedical ethics are applied to common examples of situations faced by dentists and hygienists in today’s dental practice.
Transfer Credit: CSU

DH 245
DENTAL HYGIENE CLINICAL SCIENCES IV  2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Prerequisite: DH 235C or equivalent with a grade of “C” or higher or “Pass”.
Corequisite: DH 245C.
This course is designed to support Clinical Dental Hygiene IV and prepare the students for the National Board Dental Hygiene Examination. Current dental treatment philosophies and technological advances in dentistry are presented through case-base problem simulations. In addition, the subject of myofunctional evaluation and therapeutic treatment modalities will be introduced.
Transfer Credit: CSU

DH 248
COMMUNITY OUTREACH II  1.0 UNIT
Class hours: 1.0 Lecture/1.0 Laboratory
Prerequisite: DH 238 or equivalent with a grade of “C” or higher or “Pass”.
This course provides a basic introduction to the principles of adult education. Opportunities are provided to deliver dental health education to a variety of age groups and special needs individuals in the community. Emphasis will be on student knowledge and initiative in the design, implementation, and evaluation of a dental health program for an adult group in the community. (Formerly DH 248L)
Transfer Credit: CSU

DH 249
PRINCIPLES OF COMMUNITY ORAL HEALTH  1.0 UNIT
Class hours: 1.20 Laboratory
Prerequisite: Admission to the Dental Hygiene Program.
This course introduces basic concepts of dental public health including career opportunities for the dental hygienist, community health assessment, oral health status and trends, and health care delivery and financing. Emphasis will be placed on complex periodontal problems. Increased opportunities are experienced at multiculturally diverse community settings. With supervision from the Cerritos College Dental Hygiene faculty, the student will perform traditional dental hygiene functions to a greater number of patients with increased efficiency and complexity.
Transfer Credit: CSU

DH 248
COMMUNITY OUTREACH II  1.0 UNIT
Class hours: 1.20 Laboratory
Prerequisite: Admission to the Dental Hygiene Program.
This course introduces basic concepts of dental public health including career opportunities for the dental hygienist, community health assessment, oral health status and trends, and health care delivery and financing. Emphasis will be placed on complex periodontal problems. Increased opportunities are experienced at multiculturally diverse community settings. With supervision from the Cerritos College Dental Hygiene faculty, the student will perform traditional dental hygiene functions to a greater number of patients with increased efficiency and complexity.
Transfer Credit: CSU
public health issues and related research.
Transfer Credit: CSU

DH 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.
Transfer Credit: CSU

EARTH SCIENCE
(ESCI)
(Science, Engineering, and Math Division)

ESCI 104
OCEANOGRAPHY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S, and MATH 40 or equivalent with a grade of “C” or higher or “Pass,” or completion of the math assessment/placement process with a score eligible for MATH 60.
This course is an introduction to the geography of the oceans, geology of the ocean basins, and the chemistry and physics of sea water. The ecology of the sea and its effect on the ecosphere are also covered. Landforms and processes of the coastal zone and use and abuse of the marine environment are discussed.
Transfer Credit: CSU; UC

ESCI 104L
OCEANOGRAPHY LABORATORY 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: ESCI 104 or equivalent with a grade of “C” or higher or “Pass” or concurrent enrollment.
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S, and MATH 40 or equivalent with a grade of “C” or higher or “Pass,” or completion of the math assessment/placement process with a score eligible for MATH 60.
This laboratory/field study course is designed to supplement ESCI 104—Oceanography. Emphasis will be placed on the interrelationships between the geological, chemical, physical, and biological aspects of the marine environment. In addition, human use and abuse of the coastal zone and marine environment will be analyzed.
Transfer Credit: CSU; UC

ESCI 106
WEATHER AND CLIMATE 3.0 UNITS
Class hours: 3.0 Lecture /3.0 Laboratory
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S, and MATH 40 or equivalent with a grade of “C” or higher or “Pass,” or completion of the math assessment/placement process with a score eligible for MATH 60.
This course is a survey of the processes and patterns in the atmosphere which result in the regional distribution of weather and climate.
Transfer Credit: CSU; UC
C-ID: GEOG 130

ESCI 106L
WEATHER AND CLIMATE LABORATORY 1.0 UNITS
Class hours: 3.0 Laboratory
Prerequisite: ESCI 106 or equivalent with a grade of "C" or higher or "Pass".
This laboratory/field study course is designed to supplement Earth Science 106 Weather and Climate. Emphasis will be placed on the basic techniques used by meteorologists (and other scientists) to gather and interpret atmospheric data.
Transfer Credit: CSU; UC

ESCI 110 INTRODUCTION TO EARTH SCIENCE 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S, and MATH 40 or equivalent with a grade of "C" or higher or "Pass" or completion of the Math assessment/placement process with a score eligible for MATH 60.
This course is an introduction to the Earth system. It is an integrated course designed to give broad, general knowledge in the areas of astronomy, geology, meteorology, and oceanography. The laboratory component focuses on the solar system, plate tectonics, glaciers, volcanoes, earthquakes, and climate change.
Transfer Credit: CSU; UC

ESCI 180 EARTH SCIENCE MATERIALS AND PREPARATIONS 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: ESCI 110, or GEOL 101, or GEOG 101, or GEOG 101L with a grade of "C" or higher or "Pass".
This course is designed primarily for earth science, geology, or geography majors. It focuses on the use and care of laboratory and field equipment necessary for the preparation of field and laboratory demonstrations. An introduction to stockroom procedures may be included.
Transfer Credit: CSU

ESCI 298 DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.
Transfer Credit: CSU

ECONOMICS (ECON) (Humanities and Social Sciences Division)

ECON 101 ECONOMIC ISSUES AND POLICY 3.0 UNITS
Class hours: 3.0 Lecture
This is a one-semester survey of basic economic concepts and institutions stressing the role of the United States in the global economy. The course presents the foundations of economic analysis and applications to the market-oriented economy, role of government, and relationships and comparisons with the world economy. It is designed for students who desire an economic perspective without an intensive or technical investigation.
Transfer Credit: CSU

ECON 102 WOMEN IN THE GLOBAL ECONOMY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Completion of
English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S, or ENGL 52, or equivalent with a grade of “C” or higher or “Pass”.

This course is an introduction to the global economy from the perspectives of women in the Third World. Drawing from various disciplinary fields such as economics, history, political science, anthropology and postcolonial studies, it examines critically the processes of globalization that impact the multiple identities and oppressions which shape women’s lives with respect to race, gender, class and culture. This course studies the consequences of strategies of modernization and neocolonialism employed by institutions of economic development such as the World Bank and International Monetary Funds on the lives of women in the developing countries. This course is not open to students who are currently enrolled in or have completed WGS 206 or WS 206. Transfer Credit: CSU; UC

ECON 201M
PRINCIPLES OF MACROECONOMICS 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory
Prerequisite: MATH 60 or equivalent with a grade of “C” or higher or “Pass” or completion of the assessment/ placement process with eligibility for MATH 80 or MATH 80A or higher.
Recommendation: ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher or “Pass”.

This course emphasizes microeconomics: The study of specific markets in the economy. We investigate the dynamics of supply and demand in competitive markets in determining prices and the quantities of goods and services produced. Consumer behavior is investigated using the concept of marginal analysis. The behavior of firms in attempting to maximize profits is studied as is the differing market structures among varying industries. This course uses economic models and mathematical analysis. This course is transferable to the CSU and UC system.
Students who have taken Economics 202 are not eligible for this course.
Transfer Credit: CSU; UC
C-ID: ECON 201

ECON 204
MONEY, ETHICS, AND ECONOMIC JUSTICE 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of English assessment/ placement process or ENGL 52 or equivalent with a grade of “C” or higher or “Pass”.

Students will study the ethical issues such as pros and cons of capitalism, ethics of inequality, responsibilities to the poor, ethics and honesty in business, job responsibility, social obligations of corporations, affirmative action, and sexual harassment.
Transfer Credit: CSU; UC

ECON 210
APPLIED INTRODUCTORY STATISTICS FOR ECONOMICS 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: MATH 75 or MATH 80 or MATH 80B or equivalent with a grade of “C” or higher or “Pass” or determination by appropriate placement based on AB 705 mandates with eligibility for ECON 210.

The use and application of foundational statistical methods to economic, finance, business, sociology and other social science data involving probability, hypothesis testing, and predictive concepts. Topics include descriptive statistics, measures of central tendency, sampling, correlation, statistical tests (such as analysis of variance, t-tests and chi-square tests), statistical inference, linear regression, interpretation of statistical findings, and use of statistical computer applications. This course is not open to students

260 CERRITOS COLLEGE 2023–24
currently enrolled or who have already received credit to MATH 112 or MATH 112S or PSYC 210. Transfer Credit: CSU

ECON 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in

EDUCATION (EDEL)
(Humanities and Social Sciences Division)

EDEL 100
INTRODUCTION TO TEACHING AND LEARNING IN DIVERSE CONTEMPORARY CLASSROOMS 1.0 UNIT
Class hours: 1.0 Lecture

This course will provide students with an introduction to teaching as a profession. The course will address the qualities of an effective teacher, components and purposes of an effective professional portfolio, and critical issues in diverse contemporary classrooms. This course requires a minimum of ten (10) hours of structured fieldwork in an approved public K-8 general education classroom. Transfer Credit: CSU

EDEL 200
INTRODUCTION TO THE TEACHING PROFESSION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: Enrollment in the Cerritos College Teacher Training Academy (Teacher TRAC); AND, EDEL 100 or equivalent with a grade of “C” or higher or “Pass”; AND, ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher or “Pass”; AND, MATH 70 or equivalent with a grade of “C” or higher or “Pass” OR assessment/ placement with eligibility for MATH 110A.

EDEL 205
PHILOSOPHY OF EDUCATION: MULTI-ETHNIC APPROACHES 3.0 UNITS
Class hours: 3.0 Lecture
Recommended: Completion of EDEL 200 or ENG 100 or ENGL 100S or COMM 130 with a grade of “C” or higher or pass.

This course offers an examination and evaluation of philosophies of education from America’s ethnic and marginalized communities. Central to this course will be the history, experiences and contributions of Latinx, Native American, African American, Asian American, women and LGBTQ+ philosophers. The aim of this course is to engage students with philosophies of education that condemn inequality, uphold social justice and explore how the intersectionality of race, ethnicity, gender, and sexuality affect struggle and social justice activism within the American education system. This course is not open to students who are currently enrolled in or have completed ETHN 205. Transfer Credit: CSU; UC

EDEL 209
ETHNIC APPROACHES 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: Enrollment in the Cerritos College Teacher Training Academy (Teacher TRAC); AND, EDEL 100 or equivalent with a grade of “C” or higher or “Pass”; AND, MATH 70 or equivalent with a grade of “C” or higher or “Pass” OR assessment/ placement with eligibility for MATH 110A.

EDEL 209 provides an overview of the concepts and issues related to the teaching profession in a democratic society, including philosophies of education, the history of education in America, the sociology of education, contemporary issues in education, and the role of education in American society. This course requires a minimum of forty-five (45) hours of structured fieldwork in an approved public K-8 general education classroom. Course must be taken for a letter grade. Transfer Credit: CSU
EDUCATIONAL TECHNOLOGY (EDT)
(Business Education Division)

EDT 50
PREPARATION FOR ONLINE LEARNING 1.0 UNIT
Class hours: 2.0 Lecture/1.0 Laboratory
This course teaches students the skills necessary to successfully complete an online course. Topics include study skills, time management, online student profiles, introduction to the Internet and the World Wide Web and information literacy, using email as well as other online services, netiquette, copyright and plagiarism, and basic aspects of word processing as it relates to creating and saving basic documents that can be attached to emails or uploaded to a learning management system.

EDT 77
USING MIND-MAPPING TOOLS IN EDUCATION 2.0 UNITS
Class hours: 2.0 Lecture
This course is intended to teach educators the basics of mind-mapping software, such as Inspiration, an “idea-mapping” and outlining software tool, in an educational setting. Students will create presentation diagrams and outlines to build and reinforce ideas. Students will learn to link presentations directly to the World Wide Web. Using the Internet and other resources, students will create lesson plans to incorporate into their curricula. The nature of this course requires adequate vision to create and critique visual presentations that are designed for visual appeal and effectiveness. All students must be able to perform these activities with or without reasonable accommodations. This course is not open to students with credit in EDT 67.

EDT 110
INTRODUCTION TO EDUCATIONAL TECHNOLOGY 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Introduction to Educational Technology is designed to prepare future teachers with the understanding of how to utilize computers in the educational environment. Participants will earn basic computer terminology, fundamental Internet tools, basic word processing, the use of electronic spreadsheets and use of database management systems. A supportive learning community will be provided where future educators will learn skills in creating effective learning resources using suitable technologies. Transfer Credit: CSU

EDT 112
CREATING VIRTUAL CURRICULUM 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”.
This course is intended to teach educators how to create conferenced and on-line (virtual) curriculum projects for use in the classroom and on the World Wide Web. Students in this course will be given guidelines for developing virtual museums, field trips, on-line exhibits, and exploratoriums from idea conception to the resulting conference or web pages for posting on the Internet. Transfer Credit: CSU

EDT 116
INFORMATION LITERACY FOR EDUCATORS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”.
This course is designed for educators who wish to learn about Internet information literacy and how to incorporate the Internet into the classroom curriculum. Participants will learn fundamental and advanced Internet search methods, techniques for determining validity of search results, and copyright issues. A supportive learning community will be provided in which educators collaborate to improve their skills in creating effective learning resources using suitable technologies.
This course is not open to students with credit in EDT 100.
Transfer Credit: CSU

EDT 117
CREATING DIGITAL PROJECT-BASED CURRICULUM
PROJECTS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: EDT 110 or EDT 116 or equivalent with a grade of “C” or higher or “Pass”. This course is designed for educators and future educators who wish to expand their Internet and technology-integration skills to be used when developing project-based classroom curriculum. Participants will learn to create an Internet-based project. A supportive learning environment will be provided where educators and future educators collaborate to improve their skills in creating effective learning resources using suitable technologies.
Transfer Credit: CSU

EDT 118
EMERGING TRENDS IN EDUCATIONAL TECHNOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
This course is designed for future and current educators who want to take a closer look at emerging trends in Educational Technology (also known as Instructional Technology) now and in the foreseeable future. Students will examine tools and applications that are being used in education today, along with the how and for what purposes. Ed Tech organizations for teachers will also be explored, as well as some of the alternative professional development options that exist for teachers today. Students will experiment with tech tools and practice applying educational technology concepts to learning opportunities.
Transfer Credit: CSU

EDT 122
FUNDRAISING/GRANT WRITING FOR EDUCATORS 2.0 UNITS
Class hours: 2.0 Lecture
This course covers the basics of grant seeking, grant writing, and other forms of fundraising that will enable educators to obtain money for technology and other educational programs. The course will cover the process, structure, and skills to develop a conceptual framework for fundraising research, planning, writing skills and strategies. Budgetary considerations, budgetary planning, and presentation skills will also be addressed.
Transfer Credit: CSU

EDT 123
INTERNET TOOLS FOR EDUCATORS 2.0 UNITS
Class hours: 2.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”. This course covers some of the tools provided on the Internet for educators including blogs, wikis, dictionaries, reference citation makers, libraries, and online rubric creators. Students will learn to use these tools, while discovering practical and creative uses to enhance their teaching. Methods of integrating the tools into the educational setting will be explored.
Transfer Credit: CSU

EDT 124
MOBILE TECHNOLOGY IN EDUCATION 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”. This course introduces educators and prospective educators to use of mobile technology and mobile devices in education to perform administrative, instructional, and other classroom functions. Topics include background and basics of mobile devices, technology showcases that illustrate use of mobile technologies, learning theories and 21st Century skills, and “apps.” Other topics include policy and management issues related to mobile devices. This course is not open to students with credit in EDT 121.
Transfer Credit: CSU

EDT 125
FUNDAMENTALS OF ONLINE TEACHING 2.0 UNITS
Class hours: 2.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”. This course is designed for educators and future educators who wish to learn the fundamentals of teaching online courses. Students will learn online course structures and delivery methods.
Transfer Credit: CSU

EDT 127
FUNDAMENTALS OF MULTIMEDIA FOR EDUCATION 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
This course focuses on multimedia skills for today’s educational environments, including a variety of resources to support educators and educational programs.
Transfer Credit: CSU

EDT 132
USING AUDIO IN THE CLASSROOM 2.0 UNITS
Class hours: 2.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”.
This course covers the use of digital communication in education by creating and using digital music and other audio recordings in the classroom using audio editing software. Using digital music and voice recordings, students will learn to do the following: create, perform, and record original music for digital movies, podcasts, and slideshows; capture streaming audio; create audio files for slideshows; and capture and assess oral readings.

Transfer Credit: CSU

EDT 133 SPREADSHEETS FOR EDUCATORS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”.

This course prepares educators and prospective educators to perform administrative, instructional, and other classroom tasks utilizing spreadsheet software for a variety of educational purposes. Students will be guided through steps for initial projects, simultaneously learning concepts of use and software basics, along with generating ideas and methods to create and use word processing for educational purposes. Topics include using spreadsheet technology to enhance teaching and learning and integration of technology into course curriculum. This course is not open to students with credit in EDT 104.

Transfer Credit: CSU

EDT 135 SLIDE PRESENTATION SOFTWARE FOR EDUCATORS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”.

This course prepares educators and prospective educators to utilize slide presentation software, PowerPoint or Keynote, in their teaching practice as they prepare, present and interact with curriculum. Students will be guided through steps for initial projects, simultaneously learning concepts of use and software basics, along with generating ideas and methods to create and use presentation software for educational purposes. Topics include using slide presentation software technology to enhance teaching and learning and integration of technology into course curriculum. Free slide presentation software, such as Google Slides, will be examined as well. The nature of this course requires adequate vision to create and critique visual presentations that are designed for visual appeal and effectiveness. All students must be able to perform these activities with or without reasonable accommodations.

This course is not open to students with credit in EDT 105.

Transfer Credit: CSU

EDT 136 DATABASES FOR EDUCATORS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”.

This course trains educators and prospective educators in the use of database management systems.

Databases can be powerful productivity tools for teachers and they can also be great learning tools for students. Educators will learn to create and use databases for a variety of purposes. This course will instruct on database fundamentals and provide an overview of database software available for educational use. Other topics include designing curricular lessons and student assignments utilizing databases. This course is not open to students with credit in EDT 106.

Transfer Credit: CSU

EDT 137 CREATING EDUCATIONAL MEDIA 2.0 UNITS
Class hours: 2.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”.

This course covers the concepts and techniques for video editing using movie making software in education. Using free movie editing software, students will learn to bring
lessons to life by creating video “reports” to demonstrate abstract concepts through narration, video, music, and pictures. Methods of integrating these software programs into new and existing lesson plans will be explored.

Transfer Credit: CSU

EDT 139
E-PORTFOLIOS FOR EDUCATION
2.0 UNITS

Class hours: 2.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”.

This course covers features of education-based e-portfolios (electronic portfolios) and examines methods and principles for building an e-portfolio, as well as how an e-portfolio can be used as an authentic assessment tool. E-portfolios can be used as a repository to store an organize digital evidence of teaching and learning. Students can use e-portfolios to demonstrate cumulative learning, competencies, and ongoing construction of ideas and concepts. Teachers can create e-portfolios to augment their resume or demonstrate professional development. This course is not open to students with credit in EDT 109.

Transfer Credit: CSU

EDT 140
EXPLORING ASSISTIVE TECHNOLOGY IN EDUCATION
3.0 UNITS

Class hours: 3.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”.

This course is intended to develop the sensitivity as well as the skills and knowledge needed by teachers to create an educational environment that is conducive to learning for students with disabilities and for those who may have other learning challenges such as English second language learners. Students will investigate strategies for differentiating instruction for students with learning and other disabilities within the general education environment.

Through lecture and hands-on experience, participants will explore practical uses of software that can be applied to classroom learning materials to make those materials more accessible to students needing assistance. This course is not open to students with credit in EDT 120.

Transfer Credit: CSU

EDT 141
WEB DESIGN FOR EDUCATORS
2.0 UNITS

Class hours: 2.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”.

This course is for educators and prospective educators with little or no experience creating or designing web pages. Topics of instruction will be web concepts, principles of good web design, special populations compliance, and school website planning and building. Students will build an educational website. Other topics include educational applications of the World Wide Web, copyright, plagiarism, and security issues. This course is not open to students with credit in EDT 111.

Transfer Credit: CSU

EDT 142
PODCASTING IN EDUCATION
2.0 UNITS

Class hours: 2.0 Lecture
Recommendation: EDT 50 or EDT 151 or equivalent with a grade of “C” or higher or “Pass”.

This course covers the concepts and techniques for creating web-based broadcasting, called podcasts, for educational purposes and making them available on the Internet. Podcasting is a way to post and distribute electronic media files online. Podcasting content, resources, hardware and software requirements, and procedures will be covered in addition to methods of integrating podcasts into educational course content.

Transfer Credit: CSU

EDT 151
ONLINE COMMUNICATION FOR EDUCATORS
2.0 UNITS

Class hours: 2.0 Lecture

This course prepares educators and prospective educators to incorporate a variety of online communication technologies into the academic environment. In addition to the fundamentals of email use and management, emphasis is placed on video communications, discussion forums, and next generation Web communication tools within the educational community. Topics include creating and using a variety of communication methods for use in the educational setting, netiquette, designing good discussion topics for students, modeling appropriate communication techniques, as well as issues surrounding student safety and security in relation to online communications. This course is not open to students with credit in EDT 51.

Transfer Credit: CSU

EDT 150
USING A CMS/LMS FOR EDUCATION
2.0 UNITS

Class hours: 2.0 Lecture

This course covers the use of a Course Management System/Learning Management System (CMS/LMS) as an educator. A course/learning
management system is software that helps to create an effective Internet-based learning environment using pedagogical principles. It also supports collaboration among students, faculty, administrators, and the community and can be used as a repository of materials. 

Transfer Credit: CSU

ENERGY (ENGY)
(Science, Engineering, and Math Division)
ENGY 100
ENERGY AND THE WAY WE LIVE 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S, and MATH 40 or equivalent with a grade of "C" or higher or "Pass" or completion of the math assessment/placement process with a score eligible for MATH 60.

This introductory course describes processes associated with energy in natural systems and the ways people use energy as a resource for human consumption. Renewable and nonrenewable energy resources will be examined as well as the differences in energy use between more-and less-developed countries. This course is not open to students with credit in ENGY 110.

(Formerly ENGY 110.)
Transfer Credit: CSU

ENGY 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

ENGY 299
DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

ENGINEERING (ENGR)
(Science, Engineering, and Math Division)
ENGR 110
INTRODUCTION TO ENGINEERING 2.0 UNITS
Class hours: 2.0 Lecture
This course explores the branches of engineering, the functions of engineers, and the industries in which they work. It explains the engineering education pathways and explores effective strategies for students to reach their full academic potential. Methods and tools of engineering problem-solving and design are presented, including the interface of the engineer with society and engineering ethics. This course develops communication skills pertinent to the engineering profession.

Transfer Credit: CSU; UC C-ID: ENGR 110

ENGR 112
ENGINEERING GRAPHICS 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
Prerequisite: MATH 140 or equivalent with a grade of "C" or higher or "Pass".

This course covers the principles of the graphic language of the engineer expressed through sketching and instrument drawings covering orthographic projection, primary and secondary auxiliary views, dimensioning and tolerancing practices, and the working drawing. This course provides an introduction to computer-aided design (CAD) and 2D and 3D CAD sketching skills. The use of CAD software is an integral part of the course. Descriptive geometry methods
This course presents the internal structures and resulting behaviors of materials used in engineering applications, including metals, ceramics, polymers, composites, and semiconductors. The emphasis is upon developing the ability both to select appropriate materials to meet engineering design criteria and to understand the effects of heat, stress, imperfections, and chemical environments upon material properties and performance. Laboratories provide opportunities to directly observe the structures and behaviors discussed in the course, to operate testing equipment, to analyze experimental data, and to prepare reports.

Transfer Credit: CSU; UC C-ID: ENGR 140B

ENGR 215 CIRCUITS 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: PHYS 202 or equivalent with a grade of “C” or higher or “Pass”.

This course includes the study of the fundamental principles essential to understanding electric circuits. These include Kirchhoff’s laws, Ohm’s law, network theorems, mesh and nodal analysis, Thévenin and Norton equivalents, inductors and capacitors, resister and resistor coil circuits, and sinusoidal steady-state analysis and calculations.

Transfer Credit: CSU; UC C-ID: ENGR 260

ENGR 215L CIRCUITS LABORATORY 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: ENGR 215 or equivalent with a grade of “C” or higher or “Pass” or concurrent enrollment.

This course is an introduction to the construction and measurement of electrical circuits. This includes basic use of circuit testing and measurement instruments (including multimeters, oscilloscopes, power supplies, and function generators); the use of circuit simulation software; interpretation of measured and simulated data based on principles of circuit analysis for DC, transient, and sinusoidal steady-state (AC) conditions; elementary circuit design; and the construction and measurement of basic operational-amplifier circuits.

Practical considerations such as component-value tolerance and nonideal aspects of laboratory instruments will be addressed.

Transfer Credit: CSU; UC C-ID: ENGR 260L

ENGR 220 PROGRAMMING AND PROBLEM-SOLVING IN MATLAB 3.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: MATH 170 or equivalent with a grade of “C” or higher or “Pass”.

This course utilizes the MATLAB environment to provide students with a working knowledge of computer-based problem-solving methods relevant to science and engineering. It introduces the fundamentals of procedural and object-oriented programming, numerical analysis and data structures. Examples and assignments in the course are drawn from practical applications in engineering, physics, and mathematics.

Transfer Credit: CSU; UC C-ID: ENGR 220

ENGR 235 STATICS 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: MATH 190 and PHYS 201 or equivalents with grades of “C” or higher or “Pass”.

This course covers the part of the science of mechanics that deals with external force systems and equilibrium conditions on bodies. Transfer Credit: CSU; UC C-ID: ENGR 130

ENGR 240 DYNAMICS 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGR 235 or equivalent with a grade of “C” or higher or “Pass”. Fundamentals of kinematics and kinetics of particles and rigid bodies. Topics include kinematics of particle motion; Newton’s second law, work-energy and momentum methods; kinematics of planar motions of rigid bodies; work-energy and momentum principles for rigid body motion; introduction to mechanical vibrations.

Transfer Credit: CSU; UC C-ID: ENG 230

ENGR 245 STRENGTH OF MATERIALS 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGR 235 or equivalent with a grade of “C” or higher or “Pass”.

CERRITOS COLLEGE 2023-24
This course is a study of stresses, strains and deformations associated with axial, torsional and flexural loading of bars, shafts and beams, as well as pressure loading of thin-walled pressure vessels. The course also covers stress and strain transformation, Mohr's Circle, ductile and brittle failure theories, and the buckling of columns. Statically indeterminate systems are also studied.

Transfer Credit: CSU; UC
C-ID: ENG 240

ENGINEERING DESIGN TECHNOLOGY (ENGT)
(Technology Division)

ENGT 100
SOFT SKILLS FOR MANUFACTURING, TECHNOLOGY AND ENGINEERING PROFESSIONALS 3.0 UNITS
Class hours: 3.0 Lecture
This class introduces students to the major soft skills needed for job success in engineering, technology and manufacturing workplace. Here we provide information that will prepare students to find and more importantly to keep a job in today's fast changing engineering, technology and manufacturing fields. A variety of topics such as professionalism, ethics, self management, team followership and leadership skills, etiquette, attire, workplace communication skills, proper use of technology at workplace, safety at workplace, respect for diversity, self confidence and self presentation, job seeking and interviewing skills, resume building, negotiations techniques, proper and improper behaviors, use of the basic office resources, basic shop floor measurements, and similar topics, are reviewed and practiced through the course.
Transfer Credit: CSU

ENGT 102
ARDUINO FOR INTERNET OF THINGS (IOT) AND EMBEDDED SYSTEMS DESIGN 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course provides introduction to embedded systems and internet of things (IoT) device design for the engineering design technologist. Students learn basics of design of embedded systems and IoT devices using the Arduino development platform.
Transfer Credit: CSU

ENGT 103
INTRODUCTION TO ENGINEERING DESIGN USING INVENTOR 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course introduces the student to the design process in engineering technology by the use of activities-based learning, project-based learning, and problem-based learning. The student will learn about the design process, geometric relationships, visualization, technical sketching, modeling, model documentation, and assemblies.
Transfer Credit: CSU

ENGT 104
PRINCIPLES OF AEROSPACE DESIGN TECHNOLOGY 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
In this class, students will explore the world of aeronautics, astronautics, flight and aerospace engineering design technology. The class explores the evolution of flight, flight fundamentals, navigation, control, aerospace materials, propulsion, space travel, orbital mechanics, ergonomics, remotely operated systems, and related subjects. Students will use 3D design software to help design related solutions of typical aerospace technology problems. Students will design models of aerospace components, systems, gliders, airplanes, rocket models, and autonomous flight vehicles.
Transfer Credit: CSU

ENGT 105
PRODUCT DESIGN, DEVELOPMENT, AND PROTOTYPE FABRICATION 2.0 UNITS
Class hours: 1.0 Lecture/4.0 Laboratory
Prerequisite: ENGT 103 or ENGT 138 or ENGT 259 and ET 102 or NPD 104 or NPD 105 or equivalent with grades of “C” or higher or “Pass”.
This is a capstone course in the Engineering Design Technology program. In this course, students work in teams to design and develop an original solution to a valid open-ended technical problem by applying the engineering design process. Utilizing the activity-project-problem-based teaching and learning pedagogy, students will perform research to choose, validate, and justify a technical problem. After carefully defining the problem, students will design, build, and test their solution.
Transfer Credit: CSU

ENGT 106
INTRODUCTION TO DRONE TECHNOLOGY 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
This course will provide the student with an introduction to drones or small unmanned
aeroplane systems (sUAS) engineering design and operations technology. The students will learn fundamentals of small unmanned aircraft systems design, fabrications and operations, and will be prepared to take written Federal Aviation Examination (FAA) exam for the privileges of exercising the Remote Pilot Certificate with a Small Unmanned Aircraft Systems (sUAS) rating.

Transfer Credit: CSU

ENGT 116
BLUEPRINT READING 2.0 UNITS
Class hours: 1.5 Lecture/1.5 Laboratory
Recommendation: ENGT 131 or equivalent with a grade of “C” or higher or “Pass”.

This course is a study of working drawings and blueprints used in engineering and manufacturing. Emphasis is placed on the ability to visualize and interpret typical drawings. Research is required regarding standards, specifications, procedures, bulletins, and techniques, which are a parallel part of the shop drawing system. It is intended to prepare the student for accurate interpretation of drawings in order to carry out the applications required or use them as appropriate engineering and manufacturing references.
Transfer Credit: CSU

ENGT 117
GEOMETRICAL DIMENSIONING AND TOLERANCING 2.0 UNITS
Class hours: 2.0 Lecture
Corequisite: ENGT 116 or equivalent with a grade of “C” or higher or “Pass” or prior completion.

This is a basic course in datums, modifiers, form tolerancing, positional tolerance, and coordinate tolerance conversion. It will introduce students to the state of the art in dimensioning and tolerancing used in industry.
Transfer Credit: CSU

ENGT 131
DESIGN FUNDAMENTALS INCLUDING 3D MODELING 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Recommendation: ENGT 116 or equivalent with a grade of “C” or higher or “Pass”.

This course stresses basic design fundamentals using solid modeling software for students who have had no high school or no industry experience in CAD design or CAD drafting. Geometry construction, solid modeling, isometric rendering, orthographic projection, dimensioning, single auxiliary views, sectioning, and solid modeling practices will be introduced. Students will be able to 3D print their solid models and modify their designs based on the feedback they get from the instructor and their peers.
Transfer Credit: CSU

ENGT 133
SOLIDWORKS FOR SHEET METAL DESIGN 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Prerequisite: ENGT 103 or ENGT 138 or ENGT 259 or ENGT 265 or equivalent with a grade of “C” or higher or “Pass”.

This course will familiarize students with sheet metal layout using SolidWorks tools to develop, bend allowances for pattern development, and manufacturing processes for sheet metal. It will also include applications to pipe layout and welding assemblies.
Transfer Credit: CSU

ENGT 137
INDUSTRIAL DESIGN AND 3D MODELLING IN FUSION360 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory

This course will provide students with an introduction to 3D modelling of ornamental objects, parts and simple assemblies on a cloud using the latest version of AutoDesk Fusion 360. The topics covered includes sculpting and parametric 3d parts modelling, bottom up and top down assemblies; rendering and visualization, preparation for 3D printing, and cloud-based CAD project management. The course also covers basic principles of industrial design and rapid manufacturing.
Transfer Credit: CSU

ENGT 138
INTRODUCTION TO ENGINEERING DESIGN USING AUTOCAD 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Recommendation: ENGT 116 and ENGT 131 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.

This course focuses on the introduction to engineering design using the AutoCAD software. It includes drawing preparation based on 2D sketches and 3D models. It will prepare students to operate the systems and understand the applications of computer graphics utilizing industry standards. Students will learn to use an interactive computer graphics system to prepare drawings on personal computers.
Transfer Credit: CSU; UC

ENGT 139
CLOUD BASED 3D MODELING WITH ONSHAPE 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory

This course will provide students with an introduction to 3D modelling on a cloud using the latest version of Onshape cloud-based online CAD system. The topics covered includes sculpting and parametric 3D parts modelling, bottom up and top down assemblies; rendering and visualization, preparation for 3D printing, and cloud-based CAD project management.
Transfer Credit: CSU

ENGT 153
MACHINE DESIGN APPLICATIONS USING SOLID MODELING 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: ENGT 103, 138, 259 or 265 or equivalent with a grade of "C" or higher or "Pass".

This course covers auxiliary projections, sections, dimensions, and threads and fasteners. This course will also cover working drawings of machine parts, including details and assemblies, basic gear, cam layout, and simple mechanisms.
Transfer Credit: CSU

ENGT 237
STATICS AND STRENGTH OF MATERIALS USING SIMULATION 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory

This is a course in the fundamental principles of statics and strength of materials and their applications to the solutions of typical force systems and equilibrium problems. Applications are made in the fields of welded, machined, extruded, and molded parts.
Transfer Credit: CSU

ENGT 257
ADVANCED MODELING USING INVENTOR 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: ENGT 103 or equivalent with a grade of "C" or higher or "Pass".

This course assists students in advanced applications of three dimensional parametric part modeling, assembly modeling, surface modeling, and bills of materials. Students receive instruction utilizing the most recent release of Autodesk Inventor.
Transfer Credit: CSU

ENGT 258
TOOLS AND FIXTURES APPLICATIONS USING SOLID MODELING 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: ENGT 103 or ENGT 138 or ENGT 259 or ENGT 265 or equivalent with a grade of "C" or higher or "Pass".

This course is a study of modern techniques of design using solid modeling. Instruction includes the production, operations, and process materials selection for product design. Planning, scheduling, and cost performance are used to implement design solutions.
Transfer Credit: CSU

ENGT 259
SOLIDWORKS INTRODUCTION 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory

This course assists students in creating three-dimensional (3-D) parametric part modeling, assembly modeling, surface modeling, and bills of materials. Students receive instruction utilizing the most recent release of SolidWorks software.
Transfer Credit: CSU

ENGT 260
ADVANCED MODELING USING SOLIDWORKS 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: ENGT 259 or equivalent with a grade of "C" or higher or "Pass" or appropriate work experience.

This course advances the student's skill in creating three-dimensional (3-D) parametric part modeling, assembly modeling, and surface modeling. Students also learn how to create sheet metal assemblies, welding assemblies, formed tools, and molds.
Transfer Credit: CSU

ENGT 261
SOLIDWORKS FOR SUSTAINABLE DESIGN 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: ENGT 259 or equivalent with a grade of "C" or higher or "Pass".

In this class students will perform life cycle assessment (LCA) of the design of products and predict their environmental footprint. Students will learn to assess how businesses take inputs, process them by adding value, and generate outputs which are tangible and sustainable products. Students will estimate the sustainability of their designs by performing LCA assessments and modify their products to make them “greener.” This will be achieved by evaluating different design and manufacturing and supply chain choices and by performing quantitative LCA analysis to justify their final decision. A major focus of this class will be for students to assess their design using the SolidWorks Environmental Management Systems (EMS). Finally, students will
operationalize the tracking, documentation, and reporting of environmental impacts by businesses, according to the ISO standard 14001. Students will also be prepared for the Certified Sustainable Design Associate industry certification exam.

Transfer Credit: CSU

ENGT 262 SOLIDWORKS FOR WELDMENTS DESIGN 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory

In this class, students will learn how to effectively use SolidWorks to model parametric weldments and welded structures. Standard structural tubing, angle iron, flat plate, pipe, machined components, and custom profiles will be employed and combined in the design of the models. Students will produce weldment shop floor drawings to be used during fabrication. The ANSI and ISO welding symbols will be explored and implemented in both the modeling of weldments and the rendering of shop floor drawings. Students will also be prepared for the Certified SolidWorks Professional Advanced Weldments industry certification exam.

Transfer Credit: CSU

ENGT 263 SOLIDWORKS FOR INDUSTRIAL MOLD TOOLS DESIGN 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory

In this class students will design molded product features and mold tools. Molded parts design will cover design features such as draft, shell, ribs, vents, lips, mounting bosses, and snaps. Mold tools design will cover surfacing repairing, draft analysis, and parting surfacing creation.

Design features such as tooling split for core and cavity creation, knitting the surfaces, sketching the mold block, extracting the core block, and separating the block from the part will be emphasized using specialized menus from SolidWorks. Students will also be prepared for the Certified SolidWorks Mold Tools Design industry certification exam.

Transfer Credit: CSU

ENGT 267 MOLDFLOW SIMULATIONS AND PLASTIC PRODUCTS DESIGN 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory

This course will provide students with an introduction to Plastic product design and Plastic Flow simulation with latest version of AutoDesk Inventor and MoldFlow. The plastic product design will include inventor basic and advanced parametric 3d parts modelling, especially plastic part features like bosses, ribs, grilles, lips, rests, Snap fits and draft angles. and the Plastic flow simulation with MoldFlow will be used to check the manufacturability of the part, show how plastic flow into the part and help identify if and where potential quality problems will arise while providing suggestions for how to improve the design from form to manufacturability.

Transfer Credit: CSU

ENGT 299 DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

ENGINEERING TECHNOLOGY (ET) (Technology Division)

ET 101 PRINCIPLES OF ENGINEERING TECHNOLOGY 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory

This course introduces the student to principles of engineering technology by the use of activity-based learning, project-based learning, and problem-based learning. The student will learn about the design process, communication and documentation, engineering systems, statics and strength of materials, properties of materials and materials testing, reliability, and kinematics. This course is not open to students who have received credit in EL 102.

Transfer Credit: CSU

ET 102 ELECTRONICS FOR ENGINEERING TECHNOLOGISTS 3.0 UNITS
This course introduces the student to the applications of electronics in engineering technology by the use of activites-based learning, project-based learning, and problem-based learning. The student will learn about safety, Ohm's law, direct current circuits, capacitance, inductance, reactance, impedance, analog and digital waveforms, basic motors, logic gates, flip-flops, shift registers, and micro-controllers.

Techniques of troubleshooting will be emphasized using simulation and electrical measurements. This course is not open to students who have received credit in EL 102.

Transfer Credit: CSU

ET 103
INDUSTRIAL PROCESS CONTROL 2.0 UNITS
Class hours: 2.0 Lecture

This course is designed as a survey of process control. It will stress process control for liquid processes. Students will learn how to measure and control flow, pressure, liquid level, and temperature. It will also include an introduction to transducers, transmitters, and control systems.

Transfer Credit: CSU

ENGLISH (ENGL)
Liberal Arts Division

ENGL 50A (Not Degree Applicable)
ENGLISH GRAMMAR 3.0 UNITS
Class hours: 3.0 Lecture

Students will study the fundamentals of English grammar, with an emphasis on parts of speech, phrases and clauses, sentence structure, and correct usage.

ENGL 72 (Not Degree Applicable)
INTRODUCTION TO COLLEGE WRITING AND REASONING 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory

Prerequisite: Completion of ENGL 20 or equivalent with a grade of “C” or higher or “Pass” or completion of the assessment/placement process with eligibility for ENGL 20 or ENGL 52.

As an alternative to the English 20 and English 52 sequence, this accelerated course develops the student’s ability to write essays of varying length and complexity effectively through the writing process. Essay projects integrate critical thinking, analytical reading, multiple modes of college writing, and beginnings of library research in preparation for English 100.

ENGL 100
FRESHMAN COMPOSITION 4.0 UNITS
Class hours: 4.0 Lecture

Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the current English assessment/placement process with eligibility for ENGL 52 or ENGL 72.

This course incorporates and contextualizes reading and writing strategies to develop expository prose with an emphasis on effective organization and correctness. Students will read and comprehend sophisticated texts and respond to diverse ideas and perspectives through writing expository and/or persuasive compositions. Not open to students currently enrolled in or with credit in English 100.

Transfer Credit: CSU, UC
C-ID: ENGL 100

ENGL 100S
ENHANCED FRESHMAN COMPOSITION 4.5 UNITS
Class hours: 4.0 Lecture/2.0 Laboratory

Transfer Credit: CSU, UC
C-ID: ENGL 100

ENGL 102
INTRODUCTION TO LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture

Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher or “Pass”.

This course introduces representative works from major genres, develops students’ close reading and analytical writing skills, and promotes appreciation and critical understanding of the cultural, historical, and aesthetic qualities of literature.
as produced by authors who reflect culturally diverse backgrounds.

Transfer Credit: CSU; UC

ENGL 103
CRITICAL THINKING AND ARGUMENTATIVE WRITING

4.0 UNIT
Class hours: 4.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher or “Pass” or satisfactory completion of the advanced placement English Examination of the College Entrance Examination Board.

This course develops critical thinking and argumentative writing skills beyond English 100/100S. Students will read and comprehend sophisticated, persuasive, multi-modal texts and other visual media, learning to use inductive and deductive reasoning and recognize logical fallacies, rhetorical strategies, and implicit meaning. Students respond to diverse ideas and perspectives through writing compositions that include logical reasoning, analysis, and argumentative writing skills.

Transfer Credit: CSU; UC

VOCABULARY BUILDING 3.0 UNITS
Class hours: 3.0 Lecture
This is a course in vocabulary building that emphasizes the structural approach to vocabulary study. Emphasis is placed on the prefixes, roots, and suffixes as they combine to form words, and on the meanings and patterns of meanings formed by words in the context of a sentence and paragraph.

Transfer Credit: CSU

ENGL 110
CRITICAL THINKING THROUGH LITERATURE 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher or “Pass”.

This course offers instruction in analytical, critical, and argumentative writing, critical thinking, research strategies, information literacy, and proper documentation through the study of literary works from major genres, while developing students’ close reading skills and promoting appreciation for the aesthetic qualities of literature. This course is not open to students who have taken ENGL 101.

Transfer Credit: CSU; UC

ENGL 155
TECHNICAL WRITING 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of the English assessment/ placement process or ENGL 52 or equivalent with a grade of “C” or higher or “Pass”.

This course enhances students’ ability to write clear, effective, and correct technical prose. Students write a series of technical instructions, reports, manuals, and proposals that integrate critical thinking, evaluation, and research. Students will produce a letter of application and resume for technical fields.

Transfer Credit: CSU

ENGL 221A
LITERATURE IN THE BIBLE: HEBREW SCRIPTURES 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This course is a general introduction to the literature composing the Hebrew Scriptures (more familiarly known as the Old Testament) in translation. Emphasis will be on understanding the Bible as a literary document through literary analysis, including the study of biblical genres such as history, poetry, narrative, drama, and homiletic, prophetic, apocalyptic and wisdom literature.

Transfer Credit: CSU

ENGL 221B
LITERATURE IN THE BIBLE: CHRISTIAN SCRIPTURES 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This course studies the New Testament in English in translation as a literary document. Emphasis is on understanding the literary nature of the Bible through literary analysis, including the study of literary genres such as poetry, epistolary, narrative, drama and biography.
ENGL 222
CHILDREN'S LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

The course is designed to survey children's literature with special emphasis on the classics. It concentrates on the fable, folktales, fairy tales and the children's novel.
Transfer Credit: CSU; UC

C-ID: ENGL 180

ENGL 223
CHICANA/CHICANO LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture

Drawing on a variety of genres, this course surveys literature that documents, creates and responds to emerging and historical Chicano/a identities, with readings reflective of literary intellectual and cultural contributions as well as lived experience; including social struggle and activism in the service of social and racial justice. From Mesoamerican origins to contemporary periods, works will be analyzed as literary artifacts within artistic, socioeconomic, political, ethical, and historical contexts. Transfer Credit: CSU; UC

ENGL 224
NATIVE AMERICAN LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course is a study of selected representative literature of Native North American Indian writers. The genres included are the novel, the short story, poetry, autobiography, and essay.
Transfer Credit: CSU; UC

ENGL 225
MEXICAN LITERATURE IN TRANSLATION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

A one-semester course to survey Mexican literature in translation. The genres included will be the novel, the short story, the poem, the essay, and the song.
Transfer Credit: CSU; UC

ENGL 226
AFRICAN-AMERICAN LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52, or ENGL 72, or ESL 152, or equivalent with a grade of "C", or higher or "Pass"; or completion of the English assessment/placement Process with eligibility for ENGL 100 or ENGL 100S.

This course is a study of selected representative literature of African American authors, their viewpoints, styles, forms, and themes. Selected works will be drawn from four major literary periods: Antebellum, Harlem Renaissance, Black Arts Movement, and the New Black Aesthetic. Modern and contemporary authors will be highlighted. This course is not open to students who are enrolled in, or who have received credit in AFRS 226.
Transfer Credit: CSU; UC

ENGL 227
MODERN AND CONTEMPORARY LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course is a study of literature and literary topics valuable to both English majors and students seeking humanities credits. The focus is on literature from the 20th and 21st centuries, with specific topics such as prize-winning literature, film adaptation, science fiction, studies of specific authors, California literature, or literature of the specific literary periods within this time frame (e.g., modernism, postmodernism, post colonialism, realism) or cultures/nations (e.g., 20th c. Irish lit., contemporary Russian lit.). Each semester’s focus will be announced in the schedule of classes.
Transfer Credit: CSU; UC

ENGL 228
SHAKESPEARE'S PLAYS 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course is a general introduction to Shakespeare's plays. Representative selections from the comedies, histories, tragedies, and romances are studied. The emphasis is on discussion and analysis of
Shakespeare’s relevance to his world and to ours. (This is not an acting class.)

Transfer Credit: CSU; UC

ENGL 230A
INTRODUCTION TO AMERICAN LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course studies American literature from its beginnings up to the second half of the 19th century. Selected readings cover key literary and socio-historical periods and movements, and recognize the contributions of indigenous people, free and enslaved Black people, resistance and political leaders, and Transcendental and Romantic writers to the development of American literature.

Transfer Credit: CSU; UC
C-ID: ENGL 130

ENGL 230B
INTRODUCTION TO AMERICAN LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course studies the representative works of American literature from the second half of the 19th century to the present. Readings include major movements and periods such as Realism, Naturalism, Modernism, the Harlem Renaissance, and Postmodernism.

Transfer Credit: CSU; UC

ENGL 231
LITERATURE AND FILM 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or satisfactory completion of the assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

English 231 examines the relationships between film and more traditional literary genres through cinematic adaptations of the novel, short story, drama, poetry, or nonfiction prose, as well as through comparisons of theme, structure, style, and technique. Discussion will include what makes adaptation successful; historical, social, technological and aesthetic perspectives; and critical tools and techniques for interpreting film as literature.

Transfer Credit: CSU; UC

ENGL 232
READINGS IN POETRY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This course introduces students to the basic elements and functions of poetry, including various poetic forms and genres, both traditional and contemporary. Various linguistic and non-linguistic elements of poetry will be studied. Poems of varying genres from different historical, regional, and cultural contexts within different writing communities will be read, discussed, analyzed, and compared. A representative poet will be studied in depth.

Transfer Credit: CSU; UC

ENGL 233
READINGS IN THE NOVEL 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This is a course in the study and development of the novel emphasizing structure, theme, and style. Students will situate the study of the novel within larger political, cultural, historical, and philosophical trends to better understand its development and status. Representative novels from across the globe will be read and discussed.

Transfer Credit: CSU; UC

ENGL 234
READINGS IN SHORT FICTION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course introduces the short story and novelette, with an emphasis on structure and the development of short fiction as a genre. Short fiction by writers from various cultural, historical, and aesthetic backgrounds will be read and analyzed.

Transfer Credit: CSU; UC

ENGL 235
READINGS IN THE DRAMA 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course studies the drama from its ancient Greek origins to its present day expressions, including various forms and genres. Drama of varying genres from different historical, regional, and cultural contexts within different writing communities will be read, discussed, analyzed, and compared.

Transfer Credit: CSU; UC

**ENGL 236**
STUDIES IN WOMEN'S LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course is a survey of literature by women reflecting women's changing roles and identities in society in various historical, political and cultural settings. Works studied are drawn from the genres of poetry, fiction, drama, essays and journals.

Transfer Credit: CSU; UC

**ENGL 237**
ASIAN AMERICAN LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course offers a study of selected representative literature written by Americans of Asian or Pacific Island descent. Genres and their historical context include the novel, drama, short story, and poetry. Memoirs and essays may also be included.

Transfer Credit: CSU; UC

**ENGL 239**
LITERATURE OF INDIA 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

Literature of India is a survey course of selected representative literature of Asian Indian writers and their influence on Indian and American culture. The genres include the novel, the short story, poetry, drama, and autobiography. The course will examine the literature of Ancient, Medieval, Modern, and Post-Independence India.

Transfer Credit: CSU; UC

**ENGL 240**
CREATIVE WRITING 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course provides an opportunity for students to explore their interest in literary creativity by writing original short fiction, poetry, play or screenplay, or magazine article(s). Writers will gain understanding of each literary type, have the opportunity to create in each area, and be introduced to the workshop method of criticism.

Transfer Credit: CSU; UC

**ENGL 241**
SCREENWRITING 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course offers an intensive workshop atmosphere in which to develop a screenplay for film or television. The course focuses on screenplay structure, character, conflict, and theme development along with technical script formatting, examining published scripts as well as produced films and/or TV shows from diverse genres and communities. Students write synopses, treatments, scenes, and a production-worthy short screenplay and regularly present drafts of their own work for critical discussion in a whole-group setting. This course is not open to students enrolled or has received credit in FILM 241.

C-ID: FTVE 115
Transfer Credit: CSU; UC

**ENGL 242**
WRITING POETRY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52, or ENGL 72, or ESL 152 or equivalent with a grade of "C" or higher, or "Pass," or completion of the English Placement Process with eligibility for ENGL 100 or ENGL 100S. This course offers an intensive workshop atmosphere in which to write poetry.

The course focuses on theory, technique, and practical discipline of writing poetry and examines models from various genres and communities. Students discuss the techniques of writing poetry and regularly present drafts of their own work for critical discussion in a whole-group setting. This course is not open to students enrolled or has received credit in FILM 241.

C-ID: FTVE 115
Transfer Credit: CSU; UC
discussion in a whole-group setting.
Transfer Credit: CSU; UC

ENGL 243
PLAYWRITING 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52, or ENGL 72, or ESL 152 or equivalent with a grade of "C" or higher, or "Pass," or completion of the English Placement Process with eligibility for ENGL 100 or ENGL 100S.
This course offers an intensive workshop environment in which to develop a play for the stage. The course focuses on learning theories and techniques of playwriting by examining models – including published scripts and produced plays – from various genres. Students regularly present drafts of their own plays for critique in a whole-class setting.
Transfer Credit: CSU; UC

ENGL 244
WRITING SHORT FICTION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52, or ENGL 72, or ESL 152 or equivalent with a grade of "C" or higher, or "Pass," or completion of the English Placement Process with eligibility for ENGL 100 or ENGL 100S.
This course offers an intensive workshop atmosphere in which to write short fiction. The course focuses on theory, technique and practical discipline of writing fiction, and examines models from various genres. Students discuss the techniques of storytelling and regularly present manuscripts of their own work for critical discussion in a whole-group setting.
Transfer Credit: CSU; UC

WORLD MYTHOLOGY AS LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
This course studies the developments, structures, and techniques of comparable myths from a variety of cultures. Emphasis is on critical analysis of selected creation, hero, and fertility myths as literary expression.
Transfer Credit: CSU; UC

ENGL 246 A
SURVEY OF BRITISH LITERATURE A: ANGLO-SAXON TO 18TH CENTURY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process.
This course studies British literature from the Anglo-Saxon period to the last quarter of the 18th century. Emphasis is on the study of influential and significant texts and authors; the evolution of literary traditions, themes, and genres; and the contexts of British literature: historical, philosophical, social, political, and aesthetic.
Transfer Credit: CSU; UC C-ID: ENGL 160

ENGL 246 B
SURVEY OF ENGLISH LITERATURE B: ROMANTICS TO THE PRESENT 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process.
This course studies Western and world literature from the
ancient world to the 17th century. Various themes, forms and trends are examined in an effort to understand the universal problems of mankind. Transfer Credit: CSU; UC
C-ID: ENGL 140

ENGL 248B
MASTERPIECES OF WORLD LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course studies Western and World literature from the 17th century to the 21st century. Various themes, forms and trends are studied in an effort to examine literature with and among cultures. Transfer Credit: CSU; UC
C-ID: ENGL 165

ENGL 249
LGBT LITERATURE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” OR satisfactory completion of the assessment/placement process with eligibility for ENGL 100 OR ENGL 100S.

This course is focused on the examination and analysis of literature that is written by or about LGBTQ+ individuals, or includes themes, characters or plots that attempt to represent lesbian, gay, bisexual, transgender, or queer issues or problems. We will examine how these authors and texts create characters that challenge or contravene accepted sexual norms as well as transgress traditional or binary gender roles, gender expression, and gender identity. Transfer Credit: CSU; UC

ENGL 250
ADVANCED CREATIVE PORTFOLIO 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 240 OR ENGL 241 OR FILM 241 OR ENGL 242 OR ENGL 243 OR ENGL 244 OR ENGL 247 with a grade of “C” or higher or “Pass”.

This course offers preparation for the world of professional writing. Students will focus on one literary genre—poetry, short fiction, the novel, creative nonfiction, screenplay or play—and produce a substantial body of work. Students will receive both oral and written reviews from the instructor and from fellow students in a supportive workshop format. Students will prepare a portfolio of professional work in their chosen genre; they will write review and critiques; and they will participate in the production of a small-magazine and public performance event. Transfer Credit: CSU

ENGL 257
READINGS IN CREATIVE NONFICTION 3.0 UNITS
Class hours: 3.0 Lecture

This course explores the techniques of creative nonfiction, a genre of prose that treats nonfiction subjects with the creativity required to elevate the writing to the level of literature. Students will learn from models of various forms of creative nonfiction, such as memoir, personal essay, literary journalism, nature writing, and travel writing. Transfer Credit: CSU; UC

ENGL 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation. Transfer Credit: CSU
See a counselor for an explanation.

ENGLISH AS A SECOND LANGUAGE (ESL)
(Liberal Arts Division)

ESL 3 (Not Degree Applicable)
ESL GRAMMAR, READING, AND WRITING 3  5.0 UNITS
Class hours: 5.0 Lecture
This course introduces advanced and high-frequency structures of English and provides practice of these structures. Texts and supplemental materials are used as well as the students’ environment. Sounds continue to be practiced orally. Writing and reading reinforce comprehension.

ESL 7 (Not Degree Applicable)
ESL BEGINNING SPEAKING AND LISTENING 1.5 UNITS
Class hours: 1.5 Lecture
This course identifies and improves the production of American speech sounds. Students prepare, practice and present various oral messages. Emphasis is on stress and intonation. Topics center on students’ needs and personal experiences. (Formerly ESL 22)

ESL 10 (Not Degree Applicable)
ESL SPEAKING AND LISTENING 1  3.0 UNITS
Class hours: 3.0 Lecture
Students practice oral communication and listening skills. Emphasis is on fluency, correct word usage, and syntax. Topics range from everyday situations to elementary abstractions.

ESL 11 (Not Degree Applicable)
ESL READING 1  1.5 UNITS
Class hours: 1.5 Lecture
This course is designed for ESL students who wish to improve in fundamental reading skills. The emphasis will be on phonics, word recognition skills, and basic thinking as they relate to reading.

ESL 12 (Not Degree Applicable)
ESL PRONUNCIATION 1.5 UNITS
Class hours: 1.5 Lecture
This course aids the students in reproducing the sounds of American English accurately. Attention focuses on the individual needs of the students.

ESL 14 (Not Degree Applicable)
PRONUNCIATION PLUS 3.0 UNITS
Class hours: 3.0 Lecture
This is an intensive pronunciation course that includes practice with the sounds of American English in all contexts: syllables, words, sentences, and conversation and an in-depth practice of the stress and intonational patterns of American English. Enunciation (production of sounds with clarity and precision) of American English in varying contexts will be stressed. Each student will be evaluated and assisted with his/her pronunciation difficulties.

ESL 20 (Not Degree Applicable)
ESL SPEAKING AND LISTENING 2  3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ESL 10 or equivalent with a grade of “C” or higher or “Pass”.
This course is a continuation of ESL 10. Students practice oral communication and listening skills. Fluency, correct usage, and syntax are emphasized.

Topics are of a more abstract nature.

ESL 21A (Not Degree Applicable)
ESL INTERMEDIATE VOCABULARY 3.0 UNITS
Class hours: 3.0 Lecture
This course is for ESL students who wish to improve vocabulary skills. Emphasis is on building vocabulary, dictionary skills, and word recognition skills to be used in everyday language and college courses. Students will be introduced to the most frequently used English words and will also learn how to infer meaning from context.

ESL 21B (Not Degree Applicable)
ESL ADVANCED VOCABULARY 3.0 UNITS
Class hours: 3.0 Lecture
This course is for advanced ESL students who wish to improve vocabulary skills at a level beyond that of the intermediate. The emphasis is on general and specialized vocabulary development, advanced dictionary skills, word recognition skills, improvement of sight vocabulary, and application of advanced vocabulary in context techniques.

ESL 31 (Not Degree Applicable)
ESL READING 2  1.5 UNITS
Class hours: 1.5 Lecture
This course improves the literal, interpretive, and critical comprehension skills of the students. Emphasis is on identifying main ideas and significant details, sequence of relationships, inferences of fact and tone, figurative language, and propaganda.

ESL 32 (Not Degree Applicable)
ESL LEARNING AMERICAN IDIOMS 1.5 UNITS
Students study American expressions and American social customs. Students incorporate common expressions in their conversation and writing. Social customs, such as those regarding time, dress, guest behavior, gestures, and selected public encounters, are discussed.

ESL 35 (Not Degree Applicable)
EDITING ADVANCED GRAMMAR/SYNTAX 1.5 UNITS
Class hours: 1.5 Lecture/0.5 Laboratory

This course is designed for the advanced ESL students in writing courses who need help with grammar trouble spots that cause difficulties in writing. Rather than provide English grammar review, the course concentrates on rules to help the student apply general principles. It will aid in finding ways to examine and evaluate writing in terms of grammatical accuracy.

ESL 57 TOEFL PREPARATION COURSE 3.0 UNITS
Class hours: 3.0 Lecture

This course is intended to prepare students for the TOEFL (Test of English as a Foreign Language) test, which is a requirement for international students entering a North American college or university. The test measures proficiency and academic skills of non-native English speakers at the university-level. Students will review and master each of the language skills on the test to perform academic tasks in listening, speaking, reading, and writing. Students will also learn test-taking strategies and take TOFEL simulation tests to gain experience and confidence leading to better test results. Although this is a comprehensive study course for the exam, it will help prepare all English language learners for taking college and university-level courses.

ESL 104 ESL GRAMMAR, READING AND WRITING 4 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory Prerequisite: ESL 3 or ENGL 100/100S with a grade of "C" or higher or "Pass" or equivalent OR AED 42,17 or equivalent with a grade of "Pass" OR completion of placement process with eligibility for ESL 4/104, ESL 5/105, ESL 120, ESL 152 or ENGL 100/100S.

This is a low-intermediate to intermediate integrated skills course designed to improve academic reading, writing, grammar, and communication skills of non-native speakers of English. Students continue to use the writing process as a means of developing ideas into clear, correct, and effective writing. Critical reading, expository paragraph writing, application of advanced grammar concepts, sentence variety, vocabulary development, and communication skills are taught with teaching methods that facilitate comprehension for English language learners. This course is not open to students who enrolled or received credit in ESL 5.

Transfer Credit: CSU

ESL 120 PREPARATION FOR COLLEGE WRITING FOR NON-NATIVE ENGLISH SPEAKERS 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory Prerequisite: Completion of the English as a Second Language assessment/ placement process with a qualifying score for ESL 105, ESL 200, or equivalent with a grade of "C" or higher or "Pass".

This is an advanced ESL writing course designed to improve academic reading, writing, grammar, listening, and speaking skills of non-native English speakers in preparation for college classes. Students continue to use the writing process as a means of developing ideas into clear, correct, and effective writing. Critical reading, summarizing, and expository essay writing are taught with teaching methods.
that facilitate comprehension for English language learners.

Transfer Credit: CSU; UC * UC transfer limits may apply.
ESL 120 and ESL 152 combined: maximum credit 8 units.

ESL 152
INTRODUCTION TO COLLEGE COMPOSITION FOR NON-NATIVE ENGLISH SPEAKERS 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
Prerequisite: Completion of the English as a Second Language placement process with a qualifying score for ESL 152 or completion of ESL 120 or equivalent with a grade of "C" or higher or "Pass".

This course is designed to prepare non-native English speakers for college-level writing and for entrance into English 100 or English 100S. Students develop the ability to write clearly, effectively and correctly, using standard American English. Students write a series of compositions that integrate critical reading and thinking, the writing process, and library research. Students continue to develop listening comprehension, speaking skills, grammar, sentence structure, and vocabulary to facilitate second language acquisition.

Transfer Credit: CSU; UC* UC transfer limits may apply.
ESL 120 and ESL 152 combined: maximum credit 8 units.

ETHNIC STUDIES
(ETHN)
(Humanities, and Social Sciences Division)

ETHN 105
GENDER STUDIES AND THE CHICANA/LATINA EXPERIENCE 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: BIOL 105 or GEOG 103 or equivalent with a grade of "C" or higher or "Pass".

This course offers an examination of the lived experiences of Chicanas/Latinas in the US, Caribbean and Latin America. Central to the course is the study of essential components of gender and Chicana/Latina studies as an academic discipline; delineation of theories of feminism and history of women's movements; evaluation of the social construction and politics of the intersection and impact of gender with race, ethnicity, national origin, immigration status, social class, and sexuality; and identification of the issues of empowerment and responses to the oppression of Chicanas/Latinas in a global context. This course is not open to students enrolled or received credit for WGS 105.

Transfer Credit: CSU; UC

ETHN 135
ETHNIC STUDIES, SPACE, AND SOCIAL JUSTICE 3.0 UNITS
Class hours: 3.0 Lecture
Ethnic Studies focuses on themes of social justice, social responsibility and social change. This course examines the intersections of race, ethnicity, and spatial exclusion in the United States. It focuses on the lived spatial experiences of Native American, African American, Asian American, and Latinx American identity groups and how these groups have responded to a long history of segregation, inequality, and exclusion. This course is not open to students who are enrolled or have received credit for GEOG 135.

Transfer Credit: CSU; UC

ETHN 205
PHILOSOPHY OF EDUCATION: MULTI-ETHNIC APPROACHES 3.0 UNITS
Class hours: 3.0 Lecture
Recommended: Completion of EDEL 200 or ENG 100 or ENGL 100S or COMM 130 with a grade of "C" or higher or "Pass".

This course offers an examination and evaluation of philosophies of education from America's ethnic and marginalized communities. Central to this course will be the history, experiences and contributions of Latinx, Native American, African American, Asian American, women and
The goals of this course is to engage students with philosophies of education that condemn inequality, uphold social justice and explore how the intersectionality of race, ethnicity, gender, and sexuality affect struggle and social justice activism within the American education system.

This course is not open to students who are currently enrolled in or have completed EDEL 205.

Transfer Credit: CSU; UC

**ETHN 210**

**RACE AND ETHNIC RELATIONS IN THE U.S.**

3.0 UNITS

Class hours: 3.0 Lecture

Recommendation: SOC 101 or equivalent with a grade of “C” or higher or “Pass”.

This course is a survey of theories, problems, nature and the dynamics of racism and the lived experiences of Native Americans, Black/African Americans, Asian Americans, Latinx Americans and other racialized groups. Power and inequality, prejudice, and discrimination and patterns of racial/ethnic relations are examined conceptually and historically, using data from scientific, philosophical, sociopolitical, legal and cultural knowledges produced by minoritized communities. Models and concepts for positive change will be explored. This course is not open to students who are enrolled in or who have received credit in SOC 210.

Transfer Credit: CSU; UC

C-ID: SOCI 150

**ETHN 262**

**THE PSYCHOLOGY OF OPPRESSION**

3.0 UNITS

Class hours: 3.0 Lecture

The goals of this ethnic studies course are to familiarize students with a psychological perspective on racism, prejudice, discrimination, and oppression, with a focus of the lived experiences on four historically marginalized groups, including: African-Americans, Asian Americans, Latinx Americans, and Native Americans. It explores psychological theories applied to the experiences of the four core groups, as well as the current social justice and equity movements and their psychological impact on people of color. In addition, this course discusses the personal and social implications of diversity for both majority and minority group members and considers how historical, political, economic, and societal factors shape the way people think about and respond to others. This course is not open to students who have enrolled or received credit in PSYC 262.

Transfer Credit: CSU; UC

**ETHN 280**

**RACE, GENDER AND SEXUAL IDENTITY IN AMERICAN POLITICS**

3.0 UNITS

Class hours: 3.0 Lecture

This course offers an examination and evaluation of the political power and powerlessness of America’s diverse ethnic and marginalized communities. Central to this study will be the history, experiences, and contributions of Native Americans, African Americans, Asian Americans, Latinx women, and LGBTQ+ communities. Of particular focus will be how inequality and intersectionality of race, ethnicity, gender, and sexuality affect political power, political privilege, struggle, and social justice activism within the American political system. This course is not open to students enrolled or received credit for POL 280.

Transfer Credit: CSU; UC

**ETHN 281**

**RACE, ETHNICITY, AND LATINX POLITICS IN THE U.S.**

3.0 UNITS

Class hours: 3.0 Lecture

Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass”, or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S, and satisfactory completion of READ 54 or READ 97 or READ 101 or READ 102, with a grade of “C” or higher or “Pass” or completion of the reading assessment/placement process with eligibility for reading exempt.

This course serves to broaden the ethnic and racial perspectives of students by examining the political, social, and cultural experiences of Latinx communities in the United States. Special attention is devoted to theoretical approaches to the study of Latinx politics, the diversity and intersectionality of Latinx identity and political equality, the systemic barriers to political and socio-economic progress, and how inequalities affect power, privilege, and political behavior in the United States. Students will also analyze the social movements and contemporary issues affecting Latinx Americans in their struggle for equal access to the U.S. political system. This course is not open to students who are currently enrolled in or who have received credit for POL 281.

Transfer Credit: CSU

**ETHN 282**

**RACE, ETHNICITY, AND BLACK POLITICS IN THE U.S.**

3.0 UNITS

Class hours: 3.0 Lecture
FIELD IRONWORKERS APPRENTICESHIP (IWAP)

(Agent Education and Diversity Programs)

IWAP 40.05
IW-ADVANCED WELDING III  1.0 UNIT
Class hours: 0.6 Lecture/2.2 Laboratory

Prerequisite: Student is a registered state indentured apprentice.

This course introduces basic understanding of the structure of ferrous metals and their reactions to heat. This course also provides knowledge of the equipment and materials employed in the use of shielded metal-arc, gas shielded-arc, and oxy-acetylene welding.

IWAP 40.07
FIW-ORIENTATION  3.0 UNITS
Class hours: 3.3 Lecture/0.8 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course provides an overview of the skill and knowledge needed to become a safe and productive working apprentice. It will provide a hands-on approach to general rigging, structural steel, welding and burning, and reinforcing iron.

IWAP 40.09
IW-GEN RIGGING  2.0 UNITS
Class hours: 2.2 Lecture/0.6 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course introduces the proper application of fiber line, steel cable, and chain in various tackle and lever combinations used in raising, transporting, and storing heavy loads. It provides instruction and manipulative experience with the various types of rigging equipment and procedures used in the ironworkers’ trade.

IWAP 40.10
IW-WELDING I-REINFORCING 1.0 UNIT
Class hours: 0.6 Lecture/2.2 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course introduces basic understanding of the structure of ferrous metals and their reactions to heat. This course also provides knowledge of the equipment and materials employed in the use of shielded metal-arc, gas shielded-arc, and oxy-acetylene welding.

IWAP 40.11
IW-WELDING II-REINFORCING  1.0 UNIT
Class hours: 0.6 Lecture/2.2 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course will introduce the apprentice to a basic understanding of the structure of ferrous metals and their reactions to heat. It provides knowledge and basic skills in the equipment and materials employed in the use of shielded metal-arc, gas shielded-arc, and oxy-acetylene welding.

IWAP 40.12
IW-REINFORCING IRON I  2.0 UNITS
Class hours: 2.2 Lecture/0.6 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course will provide the ironworker with the ability to interpret the standard codes, code classifications, plans, schedules, charts, and specifications in common use by the ironworker. The apprentice will become familiar with the contraction techniques used in reinforcing concrete members with steel. They will become familiar with the use of bar supports, placement of reinforcing iron in the structural members of buildings, and in structures other than buildings, general principles of gap splicing and
welding, post tensioning and pre-stressing.

IWAP 40.15
IW-POST TENSION I 2.0 UNITS
Class hours: 2.2 Lecture/0.6 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course will train students in the installation of multi-strand post-tension bar systems, including stressing, grouting, and inspection. Students will become familiar with related topics to post-tension bar systems, which share many of the same procedures and characteristics. This course will cover various types of structures, including bridges, buildings, and storage tanks.

IWAP 40.21
IW-STRUCTURAL STEEL I 2.0 UNITS
Class hours: 1.9 Lecture/0.8 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course promotes understanding of both theory and practice built around the study of blueprint reading, structural erection procedures, and proper construction of various steel structures.

IWAP 40.22
IW-CRANES 2.0 UNITS
Class hours: 2.2 Lecture/0.6 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course continues to develop understanding of both theory and practice built around the study of blueprint reading and the structural erection procedures and proper construction of various steel structures.

IWAP 40.26
IW-METAL BUILDING ERECTION I/FOREMAN TRAINING 2.0 UNITS
Class hours: 2.0 Lecture/0.8 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This class provides the Apprentice with hands-on experience in erecting a pre-engineered metal building. The course will provide the Apprentice with necessary time to perform the tests needed in interpreting charts and tables, blueprint, assembly of prefabricated buildings.

IWAP 40.50
IW-MIXED BASE-REINFORCING 2.0 UNITS
Class hours: 2.2 Lecture/0.6 Laboratory
Prerequisite: Student is a registered state indentured apprentice

The course will acquaint the apprentice with specifications that constitute a safe and healthy working environment under OSHA. It provides an introduction to the rights and obligations that this act imposes. The apprentice will have an overview of construction blueprints commonly used with emphasis on its function and interpretation. This course offers a brief review of the basic math skill and the opportunity to apply these skills in solving typical problems that are apt to arise in the construction trades.

IWAP 40.55
IWS-REINFORCING FOREMAN TRAINING 2.0 UNITS
Class hours: 2.2 Lecture/0.6 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course is designed to heighten the construction worker’s awareness regarding on-the-job hazards. The student will receive training in accordance with OSHA standards and the many aspects of safety, compliance, scheduling, jurisdiction, and the labor law. The student will receive instruction regarding the duties of the ironworker foreman, general foreman, superintendent, and forklift operation.

IWAP 40.56
IW-IRONWORKER HISTORY REINFORCING 2.0 UNITS
Class hours: 2.2 Lecture/0.6 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course will provide insight into the job performed by the detailer of reinforcing iron. Content includes reading and interpreting the communication instruments that are the products of the detailer’s skills such as placing drawings, the bar lists, the bar schedules. These are the instruments that guide the fabrication of reinforcing bars in the shop and their proper placement in the field. This class show how these documents are assembled and from what sources information is derived. Mechanical drawings, math computation skills, and blue prints are covered.
the history of the Ironworker union from its birth in 1896 to the present.

IWAP 40.60
IW-ARCHITECTURAL AND ORNAMENTAL I 1.5 UNITS
Class hours: 1.7 Lecture/1.1 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course is designed primarily for ironworker apprentices and will provide a detailed understanding of procedures and practices employed by the ironworker in architectural and ornamental ironworking. Special emphasis is placed on the tools, anchors, and fasteners in construction curtain walls and window walls.

IWAP 40.61
IW-STRUCTURAL PRECAST CONCRETE 2.0 UNITS
Class hours: 2.2 Lecture/0.6 Laboratory
Prerequisite: Student is a registered state indentured apprentice

The course provides knowledge, coordination task elements and skill needed in the staging and economical erection of a precast concrete building, placing particular emphasis on the rigging, handling and installing of the precast concrete members themselves.

IWAP 40.63
IW-STRUCTURAL LEAD HAZARD 1.5 UNITS
Class hours: 1.8 Lecture/1.0 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course will teach ironworkers to recognize and reduce hazards related to lead when repairing and renovation of bridges or steel structures, or in the demolition of buildings and other structures. It will stress the health effects caused by lead exposure, OSHA regulations in this regard, sampling methods, legal rights of workers and the use of proper protective equipment and work methods.

IWAP 41.03
IW-REINFORCING II 1.0 UNIT
Class hours: 0.6 Lecture/2.2 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course provides students with training in reinforcing concrete, including manufacturing, safety, reinforcing forms, bridge, and highway construction, bending, tagging, marking, and fabricating. This course delineates as precisely as possible the industry practices for reinforcing steel and provides a convenient reference source for the architect/engineer, the inspector, the detailer, fabricator, and ironworker.

IWAP 41.04
IW-ARCHITECTURAL III 1.5 UNITS
Class hours: 1.7 Lecture/1.3 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course teaches the ironworker on how to erect storefronts and entrance ways and how to install the various types for doors commonly found in today’s modern structures. The student will be introduced to the various types of materials used and the installation procedures recommended. This course will also cover installing revolving doors, swinging doors and closers, sliding fronts and doors, hollow metal doors, and balanced doors. The student will learn how to erect a wide variety of doors, stairs, handrails, and ladders, toilet partitions, vanity supports, relief angles, and flagpoles and how to install chain link fences.

IWAP 41.05
IW-ARCHITECTURAL II 1.5 UNITS
Class hours: 1.7 Lecture/1.3 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course will teach the ironworker the many tasks involved in the construction of window wall and curtain wall systems. The student will be introduced to the many techniques used to provide a functioning yet, aesthetically pleasing structure. The student will learn about new construction techniques regarding designs of exterior facing structure enclosure and protection. This class will provide information on building sealants and the effects of weathering.

IWAP 41.06
IW-STRUCTURAL STEEL II 1.5 UNITS
Class hours: 1.9 Lecture/0.8 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course provides the student with training in structural steel erection including history, safety, planning and scheduling, handling materials, and erecting structural steel members.

IWAP 41.07
POST-TENSION II 2.0 UNITS
Class hours: 2.2 Lecture/0.6 Laboratory
Prerequisite: Student is a registered state indentured apprentice

This course is designed to provide the ironworker student with training in post-tension reinforcing, including single-strand unbonded systems and bar post-tensioning. This course is structured to prepare the student for the Post-Tensioning Installation (PTI) certification, which will enable workmen to install single-strand unbonded tendons on superstructures. Students will learn the principles and theories of post-tensioning and identify the components of single-strand unbonded tendon systems and bar post-tensioning systems. Students will also learn the use of tools, equipment, and procedures to unload, handle, layout, install, stress, grout, and finish each type of post-tensioning system.

IWAP 41.09
IW-WELDING III-REINFORCING  2.0 UNITS
Class hours: 0.6 Lecture/0.6 Laboratory
Prerequisite: Student is registered state indentured apprentice

This course will introduce the apprentice to shop safety in welding and burning. It provides a basic understanding of the structure of ferrous metals and their reactions to heat. It provides knowledge of the equipment and materials employed in the use of oxy-acetylene burning and welding. Students will learn the symbols used in welding. This course will prepare the student for the Los Angeles City written welding exam.

FILM (FILM)
(FINE ARTS & COMMUNICATIONS DIVISION)

FILM 101
MOTION PICTURE PRODUCTION  3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: FILM 101 or equivalent with a grade of “C” or higher or “Pass”

This is an introductory course in the study of motion picture production. The course will serve as an introduction to motion picture storytelling, including screenwriting, and the various phases of production including non-linear editing. Students may take this course to work as members of a production team and/or to write and direct their own projects. (Formerly TH 153)
Transfer Credit: CSU
C-ID: FTVE 130

FILM 102
TELEVISION PRODUCTION  3.0 UNITS
Class hours: 1.0 Lecture/5.0 Laboratory

This class provides practice in basic television production and video post-production. The focus will be on field video production using a portable remote video switcher and multi-cam recording and digital editing using Final Cut Pro. Students will do exercises, individual and team projects, learn about producing, directing, camera operation, and post-production.
Transfer Credit: CSU

FILM 103
TELEVISION COMMERCIAL AND PUBLIC SERVICE ANNOUNCEMENT PRODUCTION  3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: FILM 101 or FILM 102 or equivalent with a grade of “C” or higher or “Pass”

This course is an introductory course in the study of the aesthetics and the production of the television commercial, including political ads and public service announcements. (Formerly TH 157)
Transfer Credit: CSU

FILM 104
MOTION PICTURE AND DIGITAL CINEMATOGRAPHY  3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: FILM 101 or equivalent with a grade of “C” or higher or “Pass”

This is an introductory course in the craft of both digital and film cinematography. Students shoot scenes using Super8 and 16mm film, as well as digital video (DV). (Formerly TH 158)
Transfer Credit: CSU

FILM 107
MOTION PICTURE EDITING  3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory

This course will serve as an introduction to motion picture editing, taking students through the history and craft of
film and video editing by analyzing significant works. Students will apply their knowledge of editing techniques using Final Cut Pro.

Transfer Credit: CSU

FILM 114
STORYBOARDING & ANIMATION PRINCIPLES FOR FILM 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory

This course looks at visual storytelling techniques using storyboards and the principles of animation to effectively communicate a story through pre-visualization and hand drawing of sequences for a live-action production, graphic novel illustration or a character-based animation project. (This course is not open to students who are enrolled in or who received credit in ART 114.)

Transfer Credit: CSU

FILM 159
WORLD FILM 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 155 or equivalent with a grade of “C” or higher or “Pass”.

This course examines the art of motion pictures and its international and global impact. It includes the critical analysis of feature films as a reflection of national, ethnic and cultural values. (Formerly TH 159)

Transfer Credit: CSU

FILM 160
GREAT FILM DIRECTORS 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory

This is a survey course on the art and social impact of the film director. Through a series of collective film screenings, lectures, and discussions, students will analyze individual filmmakers. (Formerly TH 160)

Transfer Credit: CSU; UC

FILM 241
SCREENWRITING 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: Completion of ENGL 52 or ENGL 72, or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100.

This course provides an opportunity for students to develop a screenplay for television or motion pictures. Students learn the craft of screenwriting by studying published scripts, movies, and TV shows and by writing synopses, treatments, scenes, and a production-worthy screenplay. (Formerly TH 241)

Transfer Credit: CSU; UC

FILM 256
DOCUMENTARY FILM AND REALITY TELEVISION PRODUCTION 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: FILM 101 and FILM 102 or equivalent with grades of “C” or higher or “Pass”.

This is a production course in the study of the related non-fictional formats of the documentary film and reality television programs. (Formerly TH 256)

Transfer Credit: CSU

FILM 271
MUSIC VIDEO PRODUCTION 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: FILM 101, FILM 107, and FILM 102 or ART 114 courses or equivalents must be completed with grades of “C” or higher or “Pass”.

Recommendation: Adequate hearing and vision to produce and edit music videos. This is an introductory course in the study of the aesthetics, history, and the production of music videos. Unlike narrative films, which focus on character development and story plots, music videos generally aim for instant emotional gratification. (Formerly TH 271)

Transfer Credit: CSU

FILM 293
ADVANCED MOTION PICTURE EDITING 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: FILM 107 or equivalent with a grade of “C” or higher or “Pass”.

This course takes students through the more advanced features of Final Cut Pro X, Motion 5, and Compressor software to develop advanced skills in editing, compositing, and motion graphics to create better-edited projects. (Formerly TH 293)

Transfer Credit: CSU

FILM 294
ADVANCED MOTION PICTURE PRODUCTION 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: FILM 101, FILM 104, and FILM 107 or equivalents with a grade of “C” or higher or “Pass”.

This is an advanced course in the elements and practice of motion picture production. Students create and direct advanced motion picture projects using either 16mm film or digital video. (Formerly TH 254)

Transfer Credit: CSU

FILM 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation. Transfer Credit: CSU

FINANCE (FIN)
(Business Education Division)

FIN 50
ELECTRONIC CALCULATORS/BUSINESS APPLICATIONS 3.0 UNITS
Class hours: 3.0 Lecture

This course is designed to teach students how to properly operate electronic calculators. Students will learn how electronic display calculators work, how to properly enter data using the ten-key keyboard, and how electronic calculators are used in business to solve practical problems. Techniques learned in this class can be applied to data processing and accounting classes.

FIN 51
RETIREMENT PLANNING AND INVESTING 1.5 UNITS
Class hours: 1.5 Lecture

This course introduces methods of computing amounts to be saved and invested in order to fund retirement. The course also discusses various retirement plans available. Additionally, students will learn techniques to research and evaluate mutual fund investment opportunities.

FIN 52
BUSINESS MATHEMATICS FOR ACCOUNTING APPLICATIONS 1.5 UNITS
Class hours: 1.5 Lecture

This course is designed to teach students basic mathematical calculations used in business, finance, and accounting and introduces them to the IBM compatible computer and standard spreadsheet software. Topics covered include fractions and percentages, sales and purchasing cycles, sales tax, markups and markdowns, simple and compound interest, and finance charges.

FIN 125
PERSONAL FINANCE 3.0 UNITS
Class hours: 3.0 Lecture

This course is designed to empower individuals with various tools to manage their money and make sound lifelong financial decisions. Students will understand the social and psychological issues related to money and learn established measurement techniques to analyze, plan, and manage their financial lives. Topics include financial planning, income and expense management, investment analysis, retirement planning, consumerism, insurance, estate planning, home ownership, and credit management. Transfer Credit: CSU

FIN 125M
PERSONAL FINANCE 3.0 UNITS
Prerequisite: MATH 60 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH 80 or MATH 80A.

This course is designed to empower individuals with various tools to manage their money and make sound lifelong financial decisions. Topics include financial planning, income and expense management, investment analysis, retirement planning, consumerism, insurance, estate planning, home ownership, and credit management. This course uses
Students will take a hands-on approach to such learning and skill development with problem-solving assignments and projects that require them to explain information presented in tax forms and financial statements. They will also obtain the knowledge and skills required to convert financial information into portrayals that contribute to an understanding of present and future personal and family financial needs. Students will also be provided with opportunities to analyze and synthesize on documents and reports. They will develop the logical reasoning skills needed by informed and productive citizens. Moreover, instructors will:

(a) provide student-centered activity-based instruction, (b) emphasize the conceptual understanding and skills of mathematics and quantitative reasoning, and (c) facilitate the development of competence and confidence in problem-solving abilities. This course can be taken in either a traditional or an online learning environment. This course is not open to students who are enrolled in or who have received credit in FIN 125.

Transfer Credit: CSU; UC

FREN 101
ELEMENTARY FRENCH
5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
This beginning French course emphasizes listening, speaking, reading and writing and helps to develop the appreciation of cultural diversity through the study of differences and similarities between cultures.
Transfer Credit: CSU; UC

FREN 102
ELEMENTARY FRENCH
5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
Prerequisite: FREN 101 or equivalent with a grade of “C” or higher or “Pass”.
This course is a continuation of the study of the basic principles of French with an emphasis on oral and written communication. It helps continue to develop the appreciation of cultural diversity through the study of differences and similarities between cultures.
Transfer Credit: CSU; UC

FREN 201
INTERMEDIATE FRENCH
5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
Prerequisite: FREN 102 or equivalent with a grade of “C” or higher or “Pass”.
This course provides a review and in-depth study of important grammatical concepts. Reading and interpretation of authentic literary works by French writers are included. Guided and original composition exercises will be assigned as a transition to free written expression. This class is conducted primarily in French.
Transfer Credit: CSU; UC

FREN 202
INTERMEDIATE FRENCH
4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: FREN 201 or equivalent with a grade of “C” or higher or “Pass”.
This is a course in reading of modern French. Emphasis is placed on oral and written expression. Grammar review is completed. FREN 202 aims to give the student a working knowledge of the language and to form the basis for advanced work in literature or science.
Transfer Credit: CSU; UC

FREN 203
INTERMEDIATE FRENCH
ADVANCED LEVEL I
4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: FREN 202 or equivalent with a grade of “C” or higher or “Pass”.
This course consists of selected intermediate readings in literary and technical French designed to meet requirements of students majoring in literature, science, mathematics and engineering with a minimum basic grammar review.
Transfer Credit: CSU; UC

FREN 281
BEGINNING CONVERSATIONAL FRENCH
3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: FREN 102 or equivalent with a grade of “C” or higher or “Pass”.
This course develops conversational French based on French history within an
emphasis on Francophone Americas and Caribbean cultures, as well as language changes. Complex grammar and vocabulary structure will be consolidated. This course will be taught in French. This course is recommended for French Majors.
Transfer Credit: CSU; UC

FREN 282
INTERMEDIATE CONVERSATIONAL FRENCH  3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: FREN 281 or equivalent with a grade of “C” or higher or “Pass”.
This course develops intermediate conversational French based on French history within an emphasis on Francophone culture and language changes in Francophone Europe. Highly complex grammar and vocabulary structure will be consolidated. This course will be taught in French. This course is recommended for French majors.
Transfer Credit: CSU; UC

FREN 283
ADVANCED CONVERSATIONAL FRENCH  3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: FREN 282 or equivalent with a grade of “C” or higher or “Pass”.
This course develops conversational French based on French and Francophone history within an emphasis on Francophone culture and language changes in Francophone Africa and West Indies. Highly complex syntactic structure and vocabulary will be consolidated. This course will be taught in French. This course is recommended for French majors.
Transfer Credit: CSU; UC

FREN 285
ROMANCE LINGUISTICS  3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: FREN 101 with a grade of “C” or higher or “Pass”
This course will analyze the evolution of Romance languages from Latin. French utterances will be structured through phonological, morphosyntactic, and lexical norms. This course is not open to students who are enrolled in or have received credit in SPAN 285. This course will be taught in English.
Transfer Credit: CSU; UC

FREN 298
DIRECTED STUDIES  1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 45 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.
Transfer Credit: CSU

GEOGRAPHY (GEOG)
(Science, Engineering, and Math Division)

GEOG 101
PHYSICAL GEOGRAPHY  3.0 UNITS
Class hours: 3.0 Lecture
This course covers the causes of variations in weather and climate; how landscapes develop; the use of maps or other tools of a geographer; and the effect of earth motions on the seasons, time, and climate.
Transfer Credit: CSU; UC
C-ID: GEOG 110

GEOG 101L
PHYSICAL GEOGRAPHY LABORATORY  1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: GEOG 101 or equivalent with a grade of “C” or higher or “Pass” or concurrent enrollment.
This laboratory/field study is designed to supplement GEOG 101. It introduces the global physical world, its dynamics and spatial relationships. The physical environment is presented as an integration of the atmosphere, hydrosphere, lithosphere, and biosphere. Furthermore, this course will introduce the physical processes that have shaped the earth, including weather and climate, plate tectonics, hydrological cycle, weathering, and glaciation.

Transfer Credit: CSU; UC C-ID: GEOG 111

GEOG 102
CULTURAL GEOGRAPHY 3.0 UNITS
Class hours: 3.0 Lecture
This course examines cultural processes and patterns worldwide such as the distribution and diffusion of diverse people, their religions, their customs, and their economic means. In addition, cultural geography examines the spatial variations that determine how people relate to one another as well as how people interact with their environment, including agriculture and settlement patterns.
Transfer Credit: CSU; UC C-ID: GEOG 120

GEOG 103
ENVIRONMENTAL GEOGRAPHY 3.0 UNITS
Class hours: 3.0 Lecture
This course is a survey of global environmental issues and the effects on society. Emphasis is placed on Earth’s systems, sustainability, population concerns, global warming, energy use, pollution, and availability of natural resources.
Transfer Credit: CSU; UC

WORLD REGIONAL GEOGRAPHY 3.0 UNITS
Class hours: 3.0 Lecture
This course investigates the major cultural and political regions of the world today. Emphasis is placed on cultural relationships, land use patterns, population distribution, trade and political alliances.
Transfer Credit: CSU; UC C-ID: GEOG 125

GEOG 115
PHYSICAL GEOGRAPHY WITH LABORATORY 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
With a spatial perspective, this course studies the interrelationships of people and place through examination of geographic patterns and introductory physical processes that shape Earth. The physical environment is presented through a holistic scope of interconnections between Earth’s four spheres; atmosphere, hydrosphere, lithosphere, and biosphere. This course also includes a laboratory that supplements the lecture portion of the course. This course is not open to students who are enrolled or have received credit in GEOG 101 and GEOG 101L. Transfer Credit: CSU; UC C-ID: GEOG 115

GEOG 135
ETHNIC STUDIES, SPACE, AND SOCIAL JUSTICE 3.0 UNITS
Class hours: 3.0 Lecture
Ethnic Studies focuses on themes of social justice, social responsibility and social change. This course examines the intersections of race, ethnicity, and spatial exclusion in the United States. It focuses on the lived spatial experiences of Native American, African American, Asian American, and Latinx American identity groups and how these groups have responded to a long history of segregation, inequality, and exclusion. This course is not open to students who are enrolled or have received credit for ETHN 135. Transfer Credit: CSU; UC

GEOG 140
CALIFORNIA GEOGRAPHY 3.0 UNITS
Class hours: 3.0 Lecture
This course is a spatial study through a thematic approach of the interrelationships between cultural and physical processes in California. Topics include cultural patterns, demographics, physical environments, weather and climate, water issues, agriculture, settlement, and migration.
Transfer Credit: CSU; UC C-ID: GEOG 140

GEOG 160
FIELD STUDIES IN GEOGRAPHY 2.0 UNITS
Class hours: 1.5 Lecture/1.5 Laboratory
This course brings students into the field to study the physical and cultural geographic processes of locations in Western North America. Topics will vary based on location but may include weather and climate, geology, and biogeography as well as economic activities, land use patterns, water resource issues, and environmental concerns.
Transfer Credit: CSU C-ID: GEOG 160

GEOG 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given
department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

GEOG 299
DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

GEOLOGY (GEOL)
(Science, Engineering, and Math Division)

GEOL 100
NATURAL HISTORY OF SOUTHERN CALIFORNIA 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This is a field trip and seminar class in biology and geology of selected areas in Southern California. Minerals, geology, landforms, plants, animals, ecology, human use, and recreational value will be studied.
Transfer Credit: CSU

GEOL 101
PHYSICAL GEOLOGY 4.0 UNITS
Class hours: 3.0 lecture/3.0 laboratory
This course is an introduction to Earth’s composition, structure, and geologic processes. The laboratory component focuses on rock and mineral identification, using topographic maps to interpret landform features, examining the processes that shape Earth’s surface, and evaluating the causes of natural disasters and climate change. Some lab exercises may involve field trips. This course is not open to students with credit in GEOL 101.
Transfer Credit: CSU; UC C-ID: GEOL 100

GEOL 102
PHYSICAL GEOLOGY LECTURE 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher and MATH 40 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement test with a score eligible for Math 60.
This course is an introduction to the physical processes that make and shape our dynamic planet Earth. This course is not open to students with credit in GEOL 101.
Transfer Credit: CSU; UC C-ID: GEOL 100

GEOL 102L
PHYSICAL GEOLOGY LABORATORY 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: GEOL 102 or equivalent with a grade of “C” or higher or “Pass” or concurrent enrollment.
This course is intended to be the laboratory component to the Physical Geology Lecture course, GEOL 102. Activities include rock and mineral identification, using topographic maps to interpret landform features, analyzing mass wasting events, interpreting seismogram records, and determining the relative age of geologic events. Field trips may replace some lab meeting days/times. This course is not open to students with credit or concurrent enrollment in GEOL 101.
Transfer Credit: CSU; UC C-ID: GEOL 100L

GEOL 103
ENVIRONMENTAL GEOLOGY LECTURE 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher or “Pass” and MATH 40 or equivalent with a grade of “C” or higher or “Pass” or completion of the math assessment/placement process with a score eligible for MATH 60.
This is a general studies course that includes the investigation
of relevant geologic, hydrologic, oceanographic, and atmospheric processes as they affect and are affected by human activities. The technologic, economic, and political aspects of challenges and solutions resulting from these relationships are studied as well. This course is not open to students with credit in ESCI 101.

Transfer Credit: CSU; UC
C-ID: GEOL 130

GEOL 103L
ENVIRONMENTAL GEOLOGY LABORATORY 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: GEOL 103 or equivalent with a grade of "C" or higher or "Pass" or concurrent enrollment.

This is a general studies course that offers an opportunity for a more complete understanding of environmental challenges discussed in GEOL 103 Environmental Geology Lecture. This hands-on course utilizes identification, measurement, and analysis in the lab to promote students' comprehension of the hydrologic, oceanographic, and atmospheric processes affecting and being affected by humans. Not open to students with credit in ESCI 102.

Transfer Credit: CSU; UC

GEOL 104
ENVIRONMENTAL GEOLOGY 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Recommendation: ENGL 100 or equivalent with a grade of "C" or higher or "Pass" and MATH 40 or equivalent with a grade of "C" or higher or "Pass" or completion of the math assessment/placement process with a score eligible for MATH 60.

This is a general studies lecture and laboratory course that includes the investigation of relevant geologic, hydrologic, oceanographic, and atmospheric processes as they affect and are affected by human activities. The technologic, economic, and political aspects of challenges and solutions resulting from these relationships are studied as well. The laboratory portion of this course utilizes identification, measurement, and analysis to promote students' comprehension of main themes in environmental geology. This course is not open to students with credit or who are currently enrolled in ESCI 101 or GEOL 103 or GEOL 103L.

Transfer Credit: CSU; UC
C-ID: GEOL 130

GEOL 105L
INTRODUCTION TO GEOSCIENCE FIELD METHODS 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: GEOL 101 or a combination of GEOL 102 and GEOL 102L or equivalent with a grade of "C" or higher or "Pass".

This is a field-based laboratory course for geosciences and environmental sciences. The geology, topography, structure, and ecology of the southwestern US will be discussed in class and then observed and investigated in the field. Samples and data collected from study areas may be further analyzed in a lab setting. Students will learn how to perform field techniques, such as orienteering, rock and structure identification, geologic mapping, and sample collecting. These skills are valuable for geology, geography, environmental studies, and geoscience majors. This course includes field trips.

Transfer: CSU; UC

GEOL 201
EARTH HISTORY 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S, and MATH 40 or equivalent with a grade of "C" or higher or "Pass" or completion of the Math assessment/placement process with a score eligible for MATH 60.
This course explores the origin and geological history of the earth and the evolution of Earth’s plants and animals over time. Themes include geologic time, plate tectonics, fossils, stratigraphy, paleogeography, and the evolution of the physical and biologic Earth. The laboratory component includes methods of geologic dating, plate tectonics and its relation to paleogeography, stratigraphy, fossil identification, and using fossils to interpret biologic evolution.

Transfer Credit: CSU; UC
C-ID: GEOL 111

GEOL 204
GEOLOGY OF THE WESTERN NATIONAL PARKS AND MONUMENTS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement test with a score eligible for ENGL 100 or ENGL 100S; and MATH 40 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement test with a score eligible for Math 60.

A study of the geologic processes that have helped create the natural beauty of our western National Parks and Monuments.

Transfer Credit: CSU

GEOL 207
PALEONTOLOGY, LIFE OF THE PAST 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement test with a score eligible for ENGL 100 or ENGL 100S, and MATH 40 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH 60.

This course is an introduction to the study of fossils. Fossil preservation, distribution and paleoecology are considered. Particular emphasis is placed on the fossil record as evidence of organic evolution on planet earth. Laboratory will include specimen identification. Two field trips are required.

Transfer Credit: CSU; UC

GEOL 208
THE AGE OF THE DINOSAURS 3.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass,” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.

This is an integrated course designed to give broad, general knowledge in the areas of nonavian dinosaur origins, evolution, lifestyles, habitat, and extinction. It will also provide an in-depth coverage of the origin of avian dinosaurs and other life forms of the Age of Dinosaurs. Two field trips are required activities.

Transfer Credit: CSU; UC

GEOL 209
NATURAL DISASTERS 3.0 UNITS
Class hours: 2.5 Lecture/1.5 Laboratory
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass,” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.

This course is an introduction to the study of natural disasters, including how the origins are explained by atmospheric disturbances and plate tectonics, and how new knowledge can be applied to the betterment of human welfare. The equivalent of three (3) one-day field trips is required and constitutes the laboratory portion of this course.

Transfer Credit: CSU; UC

GEOL 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

GEOL 299
DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing...
the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU; UC

GERMAN (GERM) (Liberal Arts Division)

GERM 101 ELEMENTARY GERMAN 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory

This beginning course emphasizes listening, speaking, reading, and writing, and helps to develop an appreciation of cultural diversity through the study of differences and similarities between cultures.

Transfer Credit: CSU; UC

GERM 102 ELEMENTARY GERMAN 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory

Prerequisite: GERM 101 or equivalent with a grade of “C” or higher or “Pass”.

This course provides a continued review and in-depth study of grammatical concepts and reading and interpretation of literary works by writers of German-speaking countries. Guided and original compositions are included. This class conducted primarily in German, will further develop the appreciation of cultural diversity.

Transfer Credit: CSU; UC

GERM 201 INTERMEDIATE GERMAN 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: GERM 102 or equivalent with a grade of “C” or higher or “Pass”.

This course provides a review and in-depth study of grammatical concepts in the German Language. Reading and interpretation of literary works by German writers, and guided and original compositions are included. This course will further develop the appreciation of cultural diversity. This class is conducted primarily in German.

Transfer Credit: CSU; UC

GERM 202 INTERMEDIATE GERMAN 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: GERM 201 or equivalent with a grade of “C” or higher or “Pass”.

This course provides a continued review and in-depth study of grammatical concepts and reading and interpretation of literary works by writers of German-speaking countries. Guided and original compositions are included. This class conducted primarily in German, will further develop the appreciation of cultural diversity.

Transfer Credit: CSU; UC

GERM 203 SCIENTIFIC GERMAN 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: GERM 202 or equivalent with a grade of “C” or higher or “Pass”.

This course provides a review of grammatical concepts in the German language and consists of selected intermediate readings of literary and technical German designed to meet requirements of students majoring in literature, science, mathematics and engineering.

Transfer Credit: CSU; UC

GERM 204 SCIENTIFIC GERMAN 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: GERM 203 or equivalent with a grade of “C” or higher or “Pass”.

This course consists of selected intermediate readings of popular appeal in scientific and technical German taken from texts published recently. It includes a basic grammar review.

Transfer Credit: CSU; UC

GERM 281 BEGINNING CONVERSATIONAL GERMAN 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: GERM 102 or equivalent with a grade of “C” or higher or “Pass”.

This course gives the student practice in speaking and understanding German as used in travel, in the home, in school, and in everyday life. Emphasis is placed on vocabulary, idioms, and language patterns fundamental to an active and practical use of German. This course is recommended for all German majors and develops the appreciation of cultural diversity.

Transfer Credit: CSU; UC

GERM 282 INTERMEDIATE CONVERSATIONAL GERMAN 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: GERM 281 or equivalent with a grade of “C” or higher or “Pass”.

This course provides intensive oral practice in the discussion
of current topics, including multi-culturalism in German-speaking countries. Emphasis is on the acquisition of special idioms and vocabulary suitable for conversation about the family, the world of work, business, sports, public transportation and ecology. This course conducted primarily in German, is recommended for all German majors.
Transfer Credit: CSU; UC

GERM 283
ADVANCED CONVERSATIONAL GERMAN 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: GERM 282 or equivalent with a grade of “C” or higher or “Pass”.
This course provides intensive oral practice in discussion of controversial topics, expressing informed opinions regarding current affairs, the arts and political issues. Emphasis is on the acquisition of appropriate vocabulary and language patterns, and the creative development of arguments. This course conducted in German, is recommended for all German majors.
Transfer Credit: CSU; UC

HEALTH EDUCATION (HED) (KINESIOLOGY DIVISION)

HED 100
CONTEMPORARY HEALTH PROBLEMS 3.0 UNITS
Class hours: 3.0 Lecture
Students will identify, analyze, and seek solutions to contemporary health issues. The learner will be exposed to such health components as improving nutrition and physical fitness, enhancing mental and emotional health, creating healthy and caring relationships, avoiding and overcoming destructive habits, preventing and fighting disease, and facing life’s transitions.
Transfer Credit: CSU; UC
C-ID: PHS 100
HED 101
STRESS MANAGEMENT 3.0 UNITS
Class hours: 3.0 Lecture
This course is designed to give students an understanding of physiological and mental determinants and manifestations of stress. Topics include the nature and physiology of stress, mental stress, stress as it relates to disease, emotions, and personality, behavior modification, communication, time management, physical exercise and nutrition. Students are also trained in a variety of stress management techniques including imagery, progressive muscle relaxation, biofeedback, problem solving techniques, state and trait anxiety inventories, centering, breathing exercises, yoga, meditation, art therapy, music therapy, and humor therapy.
Transfer Credit: CSU
C-ID: PHS 101
HED 103
WOMEN, THEIR BODIES AND HEALTH 3.0 UNITS
Class hours: 3.0 Lecture
This course will examine contemporary women’s health issues and body image concerns. General topics will include images of women, lifespan changes, mental health, eating disorders, prevention of abuse and self-harm, social roles, sexual identity and sexuality, relationships, birth control and pregnancy. Current research on cardiovascular disease, cancer and other chronic conditions will be discussed as they pertain to women’s issues. Students will develop the skills necessary to become wiser consumers of health and beauty-enhancing products.
Transfer Credit: CSU
C-ID: PHS 103
HED 104
INTRODUCTION TO HEALTH AND SOCIETY 3.0 UNITS
Class hours: 3.0 Lecture
This course provides an introduction to the discipline of Public Health. Students will gain an understanding of the basic concepts and terminologies of public health, and the history and accomplishments of public health officials and agencies. An overview of the functions of various public health professions and institutions, and an in-depth examination of the core public health disciplines are covered. Topics of the discipline include the epidemiology of infectious and chronic disease; prevention and control of diseases in the community including the analysis of the social determinants of health and strategies for eliminating disease, illness and health disparities among various populations; community organizing and health promotion programming; environmental health and safety; global health; and healthcare policy and management. This course is not open to students who are enrolled in or have completed HO 102.
Transfer Credit: CSU
C-ID: PHS 104
Successful completion of all tests, student will be issued an American Red Cross card for Community First Aid and CPR. (This course is not open to students who are currently enrolled in or have received credit for KIN 110). Transfer Credit: CSU; UC C-ID: KIN 101

HED 200
NUTRITION FOR HEALTH, FITNESS, AND PHYSICAL ACTIVITY 3.0 UNITS
Class hours: 3.0 Lecture
This course is an introduction to the basic nutritional principles important to physically active individuals. Content will cover the role of food in enhancing exercise and sport performance, body composition, and energy production. Current research and practical activities will be presented. This course is especially applicable for individuals interested in careers related to fitness or athletics. Transfer Credit: CSU; UC

HED 201
COMMUNITY WORKER IN HEALTH EDUCATION AND PROMOTION 3.0 UNITS
Class hours: 3.0 Lecture
This course focuses on the principles and foundations of health promotion and education for the community health worker. The course materials will provide students from different backgrounds with essential knowledge and preparation to work in community health programs. Students will apply the lessons learned in this course by helping people make healthy choices through different philosophies and theories of health promotion/education. The required textbook is appropriate and ideal for the class since various topics will comprise cultural diversity and equality in health education and promotion. Transfer Credit: CSU

HED 202
HEALTH SYSTEMS AND PERSPECTIVES 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: HED 100 or equivalent with a grade of "C" or higher, or "Pass". Recommendation: Completion of ENGL 100 or 100S, or equivalent with a grade of "C" or higher, or "Pass."
This course focuses on the availability and delivery of the healthcare systems in the United States. The course materials with provide students with knowledge in which health care services are organized and delivered, the forces that impact health care public policy decisions, factors that determine the allocation of health care resources and the establishment of priorities, the relationship of health care costs to measurable benefits, and the contributions of medical technology, research findings, and societal values on the health care delivery system. Transfer Credit: CSU

HED 204
OCCUPATIONAL WORK EXPERIENCE IN COMMUNITY HEALTH WORKER 1.0 UNIT
Class hours: 1.0 Independent Study
Prerequisite: HED 201 or equivalent with a grade of "C" or higher or "Pass."
One unit of Occupational Work Experience in a community health setting requiring 60 non-paid hours or 75 paid hours of work per semester. Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom. This class will be
required for the Certificate of Achievement in Community Health Worker. It will provide occupational experience for the student before entering the workforce. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units. This creates greater communication with increased understanding between the students/workers, the college, and the employers. First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. Students will meet weekly with the instructor until their approved projects are completed.

Transfer Credit: CSU

HEALTH OCCUPATIONS (HO) (Health Occupations Division)

HO 7 (Not Degree Applicable) CARDIOPULMONARY RESUSCITATION 0.5 UNIT
Class hours: 0.5 Lecture
The Basic Life Support for Healthcare Provider course is designed to meet the needs of healthcare professionals who respond to cardiac and respiratory emergencies. Content includes initial management of cardiac arrest, respiratory arrest, and airway obstruction in the infant, child and adult populations as well as two rescuers CPR, and use of automated external defibrillator (AED). This course is offered on a pass/no pass basis only.

HO 53 ELECTROCARDIOGRAPHY 1.0 UNIT
Class hours: 0.7 Lecture/1.0 Laboratory
This course will provide the student with knowledge and skills concerning the theoretical and procedural requirements for performing electrocardiography. This course follows the guidelines set forth by both state and national regulations.

HO 54 MEDICAL LABORATORY SKILLS 1.0 UNIT
Class hours: 0.7 Lecture/1.0 Laboratory
This course will provide the student with knowledge and skills concerning the theoretical and procedural requirements for performing several lab procedures. This course follows guidelines set forth by both state and national regulations including, but not limited to, the parameters of waived testing as set by CLIA (Clinical Laboratory Improvement Act of 1988).

HO 55 PHLEBOTOMY PROCEDURES 1.5 UNITS
Class hours: 1.0 Lecture/1.5 Laboratory
Recommendation: MA 161 or equivalent with a grade of "C" or higher or “Pass”.
This class provides instruction in the principles and practices of blood specimen collection required by the health care regulations in California. Completion of the course meets the following requirements: 1) complete didactic and partial practical to qualify for the examination for Certified Phlebotomy Technician I as defined by the Department of Health Services; 2) complete didactic and partial practical for Medical Assistant certification as defined by the California Society of Medical Assistants.

HO 56 MEDICATION CALCULATIONS 1.0 UNIT
Class hours: 1.0 Lecture
Prerequisite: MATH 40 or equivalent with a grade of “C” or higher or “Pass” or satisfactory completion of the Math assessment/placement process.
This course presents skills and concepts utilized to calculate drug dosage. Problem solving, application of basic algebraic concepts, formulas, proportional relationships, systems of measurement, and measurement system conversions are included.

HO 100 HEALTH OF UNDERSERVED COMMUNITIES 3.0 UNITS
Class hours: 3.0 Lecture
By providing an overview of the dynamics and processes underlying the health profiles of Latinos/Latinas another underrepresented minorities in Los Angeles County, this class aims to transform the student’s individual interest in health into a professional health career goal. Population projections, population characteristics, birth rates and outcomes, causes of death and death rates, patterns of reportable diseases, services utilization, patterns of immigration, health insurances, provider training, risk behaviors, and chronic diseases will be surveyed.
Transfer Credit: CSU;UC

HO 102 INTRODUCTION TO PUBLIC HEALTH 3.0 UNITS
Class hours: 3.0 Lecture
This course provides an introduction to the discipline of
PROFESSIONAL/CPR AND FIRST AID 1.5 UNITS
Class hours: 1.5 Lecture
This course for allied health students will cover cardiopulmonary resuscitation and first aid. Topics will include one-and-two-person CPR for infants, children, and adults; resuscitation will mask and bag-valve mask; automated external defibrillator (AED); and early intervention for wounds, burns, trauma, and sudden illness. A two-person CPR/AED card and a First Aid card will be earned with successful completion of the course.
Transfer Credit: CSU
HO 152 NORMAL AND THERAPEUTIC NUTRITION 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: A&P 150 and A&P 151 or equivalent with grades of "C" or higher or "Pass".
This course is an introduction to basic principles of normal and therapeutic nutrition. Emphasis is placed on nutritional requirements and food selection in health and disease. Course content includes life cycle needs, weight maintenance strategies and discussion of common medical disorders and their relation to diet. This course is designed to meet the requirement for dental hygiene and nursing majors.
Transfer Credit: CSU; UC
HO 245 DRUGS AND BEHAVIOR 3.0 UNITS
Class hours: 3.0 Lecture
This course entails a detailed survey of the issues involved in substance abuse and its relevance to health. The pharmacological, neurological, physiological and psychological behavioral issues of substance abuse and dependence will be the focus. Epidemiologic data on prevalence, incidence and trends of drug dependency in the U.S. will be covered, including the risk factors and safety factors involved in drug use, misuse and abuse. The societal and cultural influences on drug use/abuse, recovery, treatment and prevention, including a survey of local resources, as well as the history, laws, and ethics will be covered in this course. This course is not open to students who have enrolled or received credit in PSYC 245.
Transfer Credit: CSU; UC
C-ID: PHS 103
HO 298 DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times.
For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.
Transfer Credit: CSU
HO 299 DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

HIST 108 and HIST 210 combined: maximum credit, one course.
C-ID: HIST 140

HIST 110
AFRICAN AMERICAN HISTORY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the placement process with eligibility for ENGL 100 or ENGL 100S, and satisfactory
completion of the Reading Placement Process or READ 43 or READ 49 with a grade of “C” or higher or “Pass”.

This course is a survey of the political, legal, economic, and social position and role of African-Americans in the history of the United States. Special emphasis will be given to the contributions of African-Americans in all aspects of American culture.

Transfer Credit: CSU; UC

HIST 120
HISTORY OF CALIFORNIA 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of the English assessment/placement process or ENGL 20 or equivalent with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 43 and READ 49 with a grade of “C” or higher or “Pass”.

This course is an historical examination of the cultural, political, and economic forces that shaped contemporary California. It focuses on the roles played by the diverse people who shared in its development from early Native American societies through the Spanish and Mexican periods and U.S. conquest to the present.

Transfer Credit: CSU; UC

HIST 204
WOMEN IN AMERICAN HISTORY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This lecture/discussion course will survey women’s history in the United States from colonial times to the present. It will focus on defining the similarities and differences in historical experiences of women based on their social class, race, and ethnicity. Topics of concentration include the changing roles of women in the private and public spheres; an analysis of the agendas, strategies, and consequences of the women’s movements; and the historical evolution of the definitions of feminism and social construction of gender.

This course is not open to students who are enrolled in or have received credit in WGS 204 or WS 204.

Transfer Credit: CSU; UC

HIST 210
HISTORY OF THE UNITED STATES IN THE POST WORLD WAR II ERA 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of the Reading assessment/placement process or READ 54 or equivalent with a grade of “C” or higher or “Pass” and satisfactory completion of the English assessment/placement process or ENGL 52 or equivalent with a grade of “C” or higher or “Pass”.

This lecture/discussion course examines and analyzes the development of the United States from 1945 to the present. Attention is given to the political, social, intellectual, cultural, and economic changes in American society. Included as areas of inquiry will be the impact of the Cold War on foreign and domestic policies and society; the effect of social protest movements on society; the interconnected influence of economic, demographic, and cultural changes on policy and society; the expansion and contraction of the social welfare state; the ways that the Vietnam conflict, emergence of multiculturalism, and the new environmentalism have shaped contemporary policy and attitudes, and the pervasive and lasting influence of mass culture, technology and media.

Transfer Credit: CSU; UC
*UC credit limits may apply.

HIST 103 and HIST 210 combined: maximum credit, one course.

HIST 220
HISTORY OF THE AMERICAS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of the English assessment/placement process or ENGL 52 or equivalent with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of “C” or higher or “Pass”.

This course covers the histories of Latin America, Canada, and the United States as an integrated whole. Emphasis is given to the Pre-Columbian setting, Native American heritage, the European conquest and legacy, distinctive colonial institutions, and the growth of independence movements. Major political, social, economic, and cultural factors will be presented focusing on the roles played by the diverse people and cultures who shared in the development of the nations of the Western hemisphere.

Transfer Credit: CSU

HIST 221
HISTORY OF THE AMERICAS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of the English assessment/placement process or ENGL 52 or equivalent with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of “C” or higher or “Pass”.

This course is a study of the histories of the United States, Canada, and the nations of Latin America from the completion of the independence movements to the present. They are studied as an integrated whole focusing on the roles played by the diverse peoples and cultures who shaped their development. Major political, economic, social and cultural factors and issues are presented with emphasis given to emerging international relations within the Western Hemisphere during the nineteenth and twentieth centuries.

Transfer Credit: CSU

HIST 230
HISTORY OF MEXICO 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of the English assessment/placement process or ENGL 20 or equivalent with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 43 or READ 49 with a grade of “C” or higher or “Pass”.

This course is an examination of the origins and evolution of the cultural, social, economic and political institutions, trends, events, issues, and leading personalities of Mexican History from the Pre-Columbian period to contemporary society.

Transfer Credit: CSU; UC

HIST 235
HISTORY OF LATIN AMERICA 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of the English assessment/placement process or ENGL 52 or equivalent with a grade of “C” or higher or “Pass” and satisfactory completion of the Reading assessment/placement process or READ 54 with a grade of “C” or higher or “Pass”.

This course is a study of the history of Latin America from the development of Pre-Columbian cultures to the present. The experiences of individual countries are studied as an integrated whole focusing on the roles played by the diverse peoples and cultures. Major political, economic, social and cultural factors and issues are presented.

HIST 241
WESTERN CIVILIZATION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
Recommendation: Satisfactory completion of the Reading assessment/placement process or READ 54, equivalent with a grade of “C”, or higher or “Pass”.

This course is a survey course in the history of modern Europe and the Western world from the mid-seventeenth century to the present. It emphasizes broad economic, social and changing political trends, with special attention given to the role of science, the arts and technology in creating the modern world.

Transfer Credit: CSU; UC

HIST 245
WORLD CIVILIZATION FROM ANTIQUITY TO 1500 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: READ 54 and ENGL 52 or equivalent with grades of “C” or higher or “Pass”.

This is a survey course of the roots and development of civilizations in Africa, the Americas, Asia, and Europe from the Neolithic Revolution
until the age of European exploration of the Americas (1500). The civilizations of Ancient, Classical, Postclassical, and Early European periods will be studied, emphasizing interaction between civilizations and major cultures. Transfer Credit: CSU; UC

C-ID: HIST 150

HIST 246
WORLD CIVILIZATION FROM 1500 TO PRESENT 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: READ 54 and ENGL 52 or equivalent with grades of “C” or higher or “Pass”.

This is a survey course of the origin of the modern world, tracing both regional histories and global interactions. The root and development of civilizations in Africa, the Americas, Asia, and Europe from the 1500’s to the present day will be chronicled. Topics will include: the origins and the role of universal religions; the examination of political, social, and gender structures in relation to economic and demographic development; and the diffusion of culture and technology via migration, commerce and the expanse of empire.

C-ID: HIST 255

HIST 255
HISTORY OF RUSSIA AND THE SOVIET UNION 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory completion of the English assessment/placement process or ENGL 52 or equivalent with a grade of “C” or higher or “Pass”

This course consists of a study of topical issues and problems concerning 20th Century Asiatic history. Emphasis will
be placed upon political, economic, social and cultural institutions, western imperialism, Asian nationalism, the emergence of modern Asian states, international relations, and contemporary Asian societies.

Transfer Credit: CSU; UC

HIST 270
SPECIAL TOPICS IN HISTORY 3.0 UNITS
Class hours: 3.0 Lecture
This course will expand on subjects and themes introduced in the core history curriculum offerings. Each topic will focus on themes, perspectives and issues of special interest to students. The specific focus of a particular offering will be decided by the course instructor and announced in the Schedule of Classes.

Transfer Credit: CSU; UC credit determined after admission.

HIST 275
GLOBAL STUDIES 3.0 UNITS
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

HIST 299
DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

HUMANITIES (HUM) (FINE ARTS & COMMUNICATIONS DIVISION)

HUM 100
THE ART OF BEING HUMAN 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 AND READ 54 or READ 97 or equivalent with grades of “C” or higher or “Pass”.

This is an introductory humanities course which considers the great works of humanity through the ages in painting, music, architecture, sculpture, dance, literature, and philosophy as they relate to the universal problems of humankind and today’s students. Everyone will be encouraged to develop his/her own doctrine of humanity. College level reading is required.

Transfer Credit: CSU; UC

HUM 102
THE ARAB, THE MUSLIM, AND THE WEST 3.0 UNITS
Class hours: 3.0 Lecture
This course will examine how the West views Arab and Islamic cultures through visual and cultural texts. Since colonization, the West has often mischaracterized and vilified Arab nations, their people, and Islam. Vastly different in political, social and religious affiliations, the Arab population has been presented as a monolithic tribe. Post 9/11, some conservatives and liberals alike in the West have demonized those who associate and identify themselves with Islam. Problematic narratives from colonialism to decolonization to the present
day contribute to these biases and confound the Arab and the Muslim. Students will analyze these cultural and theoretical texts, as well as counter narratives and various forms of resistance.

Transfer Credit: CSU; UC

HUM 107
MEN AND MASCULINITIES: CONSTRUCTING MANHOOD IN AMERICA 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
Recommendation: READ 54 or READ 97 with a grade of “C” or higher, or “Pass,” or completion of the Reading assessment/placement process with a score of “Reading Exempt.”

“Men and Masculinities: Constructing Manhood in America” is a multidisciplinary course that provides a foundation for interpreting aspects of gender in American society. It examines the essential components of Masculinities Studies as an academic discipline; delineates gender theories; evaluates the social construction and politics of gender, and gender-oriented social and political movements; analyzes the intersections of gender with race, ethnicity, social class, disability, sexual orientation, and sub-cultures; and identifies the issues of men and masculinities in a global context. This course is not open to students who are currently enrolled in or have completed WS 107 or WGS 107.
Transfer Credit: CSU; UC

HUM 108
BLACK IMAGES IN POPULAR CULTURE 3.0 UNITS
Class hours: 3.0 Lecture

Recommendation: ENGL 52 and READ 54 or equivalent with a grade of “C” or higher or “Pass” or “C” or higher is strongly recommended.

This course surveys the depiction and development of images of Blacks and the stereotypes created in Western culture. The various means artists have used to counter those stereotypes by using techniques of resistance and counter narratives will be examined. Students will study fine art, comic books, comic strips, cartoons, advertising, literature, music, dance, theatre, cinema, broadcasting and television. This course is not open to students who are enrolled in or who have received credit in ART 108.
Transfer Credit: CSU; UC

HUM 109
GENDER AND SEXUALITY IN ART 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 and READ 54 or equivalent with a grade of “C” or higher or “Pass”.

This course will investigate the relationship between gender and sexuality through and examination of visual art, cinema, television, video, and advertising. Close attention will be given to how popular and artistic cultures shape identity and representation. Writing a research paper is a significant component of the course. College level reading is required. This course is not open to students who are enrolled in or who have received credit in ART 109.
Transfer Credit: CSU; UC

HUM 125
INTRODUCTION TO VISUAL AND CULTURAL STUDIES 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S and READ 54 or READ 97 or equivalent with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with a score of “Reading Exempt”.

This course will expand on subjects and themes introduced into the core visual and cultural studies offerings. Each topic will focus on themes, perspectives, and issues of special interest to students. The specific focus of a particular offering will be
decided by the course instructor and announced in the schedule of classes. This course is not open to students who are enrolled in or who have received credit in ART 200.

INTERDISCIPLINARY STUDIES (INST)
(Humanities and Social Sciences Division)

INST 100
PRINCIPLES AND STRATEGIES FOR PROBLEM SOLVING 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of English assessment/placement process with eligibility for ENGL 100 or ENGL 100S

Students will study problem-solving concepts and strategies from an interdisciplinary perspective needed to succeed as a lifelong learner and contributor to society. Various theories and models for learning, intellectual development and leadership, as applied to problem solving, will be addressed. Emphasis is placed on the application of metacognitive strategies and problem-solving concepts to issues associated with mastering the college experience. Students will apply acquired skills and knowledge to collaborative solutions to problems within their local communities.
Transfer Credit: CSU

INST 151
PRINCIPLES OF RECOVERY AND PSYCHOSOCIAL REHABILITATION 3.0 UNITS
Class hours: 3.0 Lecture

This course provides an overview of the philosophy, practices, and perspectives used in working with people and families with mental illness. The course will introduce and familiarize students with proven recovery and rehabilitation methods that allow individuals to reintegrate into society. Students will apply techniques for service planning, advocating, empowering, and community reintegration.
Transfer Credit: CSU

INST 272
SPECIAL POPULATIONS 3.0 UNITS
Class hours: 3.0 Lecture

This course provides an overview of special populations with mental illness, including the homeless, transitional age youth, the elderly, veterans, gays, lesbians, bisexuals, transsexuals, individuals with physical disabilities, individuals with substance abuse, and different racial and ethnic groups. Emphasis is placed on the issues that are specific to special populations with mental illness, including living skills, education, self-development, empowerment, leadership, transitional support, and recovery efficacy.
(Formerly PSYC 272)

JOURNALISM AND MEDIA STUDIES (JAMS) (FINE ARTS & COMMUNICATIONS DIVISION)
JAMS 151
MOTION PICTURES, RADIO, AND TELEVISION 3.0 UNITS
Class hours: 3.0 Lecture
Introductory course in theory and application of audio production techniques for radio. Students will gain a basic understanding of audio equipment in both live and pre-recorded broadcasting. This includes recording equipment, mixers, digital audio production, radio program formats, broadcast writing and announcing skills. This course is not open to students who have received credit for RTV 152. (Formerly RTV 152)
Transfer Credit: CSU
C-ID: FTVE 100

JAMS 152
INTRODUCTION TO BROADCASTING 3.0 UNITS
Class hours: 3.0 Lecture
Introductory course in theory and application of audio production techniques for radio. Students will gain a basic understanding of audio equipment in both live and pre-recorded broadcasting. This includes recording equipment, mixers, digital audio production, radio program formats, broadcast writing and announcing skills. This course is not open to students who have received credit for RTV 152. (Formerly RTV 152)
Transfer Credit: CSU
C-ID: FTVE 125

KINESIOLOGY (KIN) (KINESIOLOGY DIVISION)
KIN 100
INTRODUCTION TO KINESIOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
This introductory course is designed to provide students an overview of the study of Kinesiology. Students will study fundamental/introductory concepts associated in each area of Kinesiology, exploring those concepts within research and applied contexts, and complete activities to build knowledge of the various dimensions. Theories will be studied from both sport and exercise perspectives. The application of Kinesiology
content will also be discussed as it relates to professional development.
Transfer Credit: CSU; UC
C-ID: KIN 100

KIN 102
INTRODUCTION TO ATHLETIC TRAINING 3.0 UNITS
Class hours: 3.0 Lecture
This course provides instruction in the prevention, assessment, management, and reconditioning of athletic injuries. Taping and bandaging, protective padding, and modalities used for treatment will be presented.
Transfer Credit: CSU; UC

KIN 104
FITNESS AND WELLNESS 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course is designed to cover topics related to health and wellness including principles of fitness, nutrition, coronary heart disease, and stress management. An exercise lab will include pre- and post-assessment of each student’s fitness components such as cardiovascular fitness, muscular strength and endurance, flexibility and body composition. Individualized exercise prescription is provided for each student to improve his/her fitness components. Progress is monitored throughout the semester.
Transfer Credit: CSU; UC
*Any or all of these courses combined: maximum credit, 4 units

KIN 106
STUDENT ATHLETES IN SOCIETY 2.0 UNITS
Class hours: 2.0 Lecture
This course provides students with an analysis and interpretation of issues affecting student athletes in past and present societies. Physiological, sociological and psychological aspects of student athletes as related to sport and education will be covered. Students will plan for future career opportunities.
Transfer Credit: CSU; UC
C-ID: KIN 101

KIN 108
WOMEN IN SPORTS 3.0 UNITS
Class hours: 3.0 Lecture
This course provides students with a chronological history, analysis and interpretation of people, events and issues affecting women in sports, in past and present societies. Physiological, sociological and psychological aspects of female athletes as related to sport, history and education will be covered. Students will gain an understanding of the significant events of women in athletics from the past to the present and how their significance will determine the future of women in sports. (This course is not open to students who have received credit in WS 108 or WGS 108.)
Transfer Credit: CSU; UC

KIN 110
COMMUNITY FIRST AID AND CPR 3.0 UNITS
Class hours: 3.0 Lecture
This course introduces the skills required to provide basic life support in an emergency illness or injury. The course includes adult, infant, and child Cardiopulmonary Resuscitation (CPR) and first aid. Upon successful completion of all tests, student will be issued an American Red Cross card for Community First Aid and CPR. (This course is not open to students who are currently enrolled in or have received credit for HED 110.)
Transfer Credit: CSU; UC

KIN 120
SPORTS OFFICIATING FOR FOOTBALL 1.0 UNIT
Class hours: 1.0 Lecture
Theory and practice are combined in a study of the organization and techniques of officiating football.
Transfer Credit: CSU; UC*
*Any or all of these courses combined: maximum credit, 8 units

KIN 121
SPORTS OFFICIATING FOR MEN’S AND WOMEN’S BASKETBALL 1.0 UNIT
Class hours: 1.0 Lecture
This course is designed to give the student a detailed study of the techniques of officiating men’s and women’s basketball. This course is not open to students who have received credit in PEX 101B.
Transfer Credit: CSU; UC*
*Any or all of these courses combined: maximum credit, 8 units

KIN 122
SPORTS OFFICIATING FOR BASEBALL 1.0 UNIT
Class hours: 1.0 Lecture
This course is an in-depth study of the mechanics and rules of officiating baseball.
Transfer Credit: CSU; UC*
*Any or all of these courses combined: maximum credit, 8 units

KIN 123
SPORTS OFFICIATING FOR MEN’S AND WOMEN’S TRACK AND FIELD 1.0 UNIT
Class hours: 1.0 Lecture
This course is an in-depth study of the organization and techniques of officiating track and field and cross country.
Transfer Credit: CSU; UC*
*Any or all of these courses combined: maximum credit, 8 units
KIN 130
THEORY OF COACHING  3.0 UNITS
Class hours: 3.0 Lecture
This course is designed to provide future coaches with a foundation upon which they may begin a coaching career. The students will be introduced to coaching components that will enhance development of leadership and organizational skills necessary for creating an effective and successful coaching environment. Transfer Credit: CSU; UC*
*Any or all of these courses combined: maximum credit, 8 units

KIN 131
THEORY OF COACHING BASEBALL  2.0 UNITS
Class hours: 2.0 Lecture
This course includes the study of the various aspects of coaching baseball. Topics include organizing the program, developing skills, offensive and defensive play strategies and conditioning techniques. This course will assist coaches for youth league, high school and college teams. Transfer Credit: CSU; UC*
*Any or all of these courses combined: maximum credit, 8 units

KIN 132
THEORY OF COACHING SOFTBALL  2.0 UNITS
Class hours: 2.0 Lecture
This course includes the study of the various aspects of coaching softball. Topics include organizing the program, developing skills, offensive and defensive play strategies and conditioning techniques. This course will assist coaches for youth league, high school and college level teams. Transfer Credit: CSU; UC*

KIN 133
THEORY OF TRACK AND FIELD  2.0 UNITS
Class hours: 2.0 Lecture
This course is designed to introduce the basic fundamentals of coaching the events in track and field. Transfer Credit: CSU; UC*
*Any or all of these courses combined: maximum credit, 8 units

KIN 134
THEORY OF FOOTBALL  2.0 UNITS
Class hours: 2.0 Lecture
This course gives students an understanding of how to coach and teach the skills, principles, and philosophy of offensive and defensive football. Transfer Credit: CSU; UC*
*Any or all of these courses combined: maximum credit, 8 units

KIN 200
SPORTS PSYCHOLOGY  3.0 UNITS
Class hours: 3.0 Lecture
This course is designed to provide students with the knowledge and experience related to the psychological aspects of sport and physical activity. This course will also assist students in understanding the forces involved in participation and performance in athletics through exploring cultural, emotional, and social factors that affect the concept of sport. The course informs the coach and athlete how to improve sport performance through psychological means. Transfer Credit: CSU

KIN 202
MEASUREMENT AND INTERPRETATION OF FITNESS  3.0 UNITS
Class hours: 2.5 Lecture/2.0 Laboratory
This course covers the theory and practical application of current testing procedures and instrumentation used in exercise testing. Students learn to perform and interpret the basic measurement protocols for cardiorespiratory endurance, muscular strength and endurance, flexibility, body composition and blood pressure. Transfer Credit: CSU

KIN 203
PROGRAMS AND PRINCIPLES OF CONDITIONING  3.0 UNITS
Class hours: 3.0 Lecture
This course will provide the student with basic knowledge and principles related to exercise prescription. Students will develop the skills necessary to design and implement training programs as they relate to the components of fitness. Safeguards and effectiveness for all levels of fitness will be addressed. Transfer Credit: CSU; UC
*Any or all of these courses combined: maximum credit, 8 units

KIN 205
ANATOMICAL MOVEMENT ANALYSIS  3.0 UNITS
Class hours: 3.0 Lecture
An introduction to the musculo-skeletal system and its function in human movement. Analysis of movements in fitness and sport skills and the muscles and bones involved will be explored. Transfer Credit: CSU
*Any or all of these courses combined: maximum credit, 8 units
ATHLETIC INJURY TAPING, BANDAGING AND IMMOBILIZATION  
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This course allows the student to expand upon the knowledge and skill of management, bandaging and taping of athletic injuries. Emphasis is placed on immobilization of acute injuries, and the techniques used for preventative bandaging and taping of athletic injuries. Transfer Credit: CSU

KIN 207
ATHLETIC INJURY TAPING, BANDAGING AND IMMOBILIZATION  
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This course allows the student to expand upon the knowledge and skill of management, bandaging and taping of athletic injuries. Emphasis is placed on immobilization of acute injuries, and the techniques used for preventative bandaging and taping of athletic injuries. Transfer Credit: CSU

KIN 206A
LOWER EXTREMITY INJURY ASSESSMENT AND RECONDITIONING  
2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

Recommendation: KIN 205- Anatomical Movement Analysis

This course allows the student to expand upon the knowledge of the mechanism, assessment and reconditioning of lower extremity athletic injuries. Emphasis is placed upon injury mechanism and assessment, the phases of healing, modalities used in the healing process, and the application of exercise and exercise equipment in the reconditioning of lower extremity athletic injuries. Transfer Credit: CSU; UC*

*Any or all of these courses combined: maximum credit, 8 units

KIN 206B
UPPER EXTREMITY INJURY ASSESSMENT AND RECONDITIONING  
2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

Recommendation: KIN 205- Anatomical Movement Analysis

This course allows the student to expand upon the knowledge of the mechanism, assessment and reconditioning of upper extremity athletic injuries. Emphasis is placed upon injury mechanism and assessment, the phases of healing, modalities used in the healing process, and the application of exercise and exercise equipment in the reconditioning of upper extremity athletic injuries. Transfer Credit: CSU

KIN 211
SPORT MANAGEMENT  
3.0 UNITS
Class hours: 3.0 Lecture

This course is designed to introduce the student to managerial and administrative components of the sports industry. Students learn the basic fundamental skills required to plan, organize, supervise and evaluate a sporting event. This course will also assist students with the understanding of the socio-cultural dimensions and history of sport, the principles of budgeting, marketing, strategic planning, legal aspects and ethics, and procedures of personnel, facility, and sports event management. Transfer Credit: CSU

KIN 271A
OCCUPATIONAL WORK EXPERIENCE ATHLETIC TRAINING  
1.0 UNIT
Class hours: 1.0 Lecture

One unit of Occupational Work Experience in Athletic Training requires 60 non-paid hours or 75 paid hours of work per semester. Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. This creates greater communication with increased understanding between the students/workers, the college, and the employers/trainers. First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. Students will meet weekly with the instructor until their approved projects are completed. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units. Transfer Credit: CSU

KIN 271B
OCCUPATIONAL WORK EXPERIENCE IN FITNESS  
1.0 UNIT
Class hours: 1.0 Lecture

One unit of Occupational Work Experience in Fitness Specialist requires 60 non-paid hours or 75 paid hours of work per semester. Work

LAW (LAW)
(Business, Humanities, and Social Sciences Division)

LAW 56
INTRODUCTION TO COMPUTERIZED LEGAL SOFTWARE 3.0 UNITS
Class hours: 3.0 Lecture
This is an introductory course in the utilization of legal software. The student will use software in conjunction with a document control system that will include applications for the following law office functions: document maintenance, document retrieval, document construction, document billing, and document calendaring.

LAW 57
LEGAL DOCUMENT PRODUCTION 3.0 UNITS
Class hours: 3.0 Lecture
This begins the ability to understand, read, write and speak Korean at a basic level. It is designed for those who have limited or no prior knowledge of Korean. Students will learn fundamentals of pronunciation, grammar, basic vocabulary, and useful phrases. The course includes basic facts on the geography, customs and cultures of Korea. This course is equivalent to two years of high school instruction.
Transfer Credit: CSU

KOR 102
ELEMENTARY KOREAN II 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
Prerequisite: KOREAN 101 or equivalent with a grade of “C” or Higher or “Pass”.
Students continue to develop the ability to understand, read, write and speak Korean at a proficiency novice-high level. Students will also further the fundamentals of pronunciation, grammar, complex vocabulary, geography, and customs and cultures of Korea.
Transfer Credit: CSU
Recommendation: LAW 56 with a grade of "C" or higher or "Pass".

This is a course in the production of legal documents using WordPerfect. Topics covered include the development and production of client worksheets, fee agreements, fax forms, interrogatories, legal briefs, office newsletters, deposition summaries, pleadings, and trial notebooks. Students will create these legal documents on a computer.

LAW 65
ADVANCED LEGAL TECHNOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: LAW 56 or equivalent with a grade of "C" or higher or "Pass".

This course focuses on the applications and uses of spreadsheet management software, database management software, and graphics presentations software for the law office. Using spreadsheet management software, students will learn to track figures, anticipate income and expenses, prepare financial documents, and maintain information for the law office. Using database software, students will learn to collect, track, analyze and maintain information in the law office. Using graphics presentation software, students will learn to combine text and graphic images to develop computerized slide shows, transparencies and charts for use in the law office.

LAW 100
INTRODUCTION TO CALIFORNIA CIVIL PROCEDURES 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: LAW 56 with a grade of "C" or higher or "Pass".

This course is an introduction to civil procedures in litigation, including pre-suit claims and notices, jurisdiction, service of process, venue, statutes of limitations, parties, and joinder. Rules governing pleading in complaints and answers are covered, as well as demurrers and amended pleadings. Computerized legal forms are introduced.

Transfer Credit: CSU

LAW 101
INTRODUCTION TO LAW 3.0 UNITS
Class hours: 3.0 Lecture

This course is an introduction to careers in the legal field including the role of the paralegal/legal assistant in the law office and the rules of ethics which govern lawyers and legal assistants. The course also covers substantive law in the areas of crimes and torts and describes the structure of the legal system in the federal and state settings. An introduction to the law library and legal resources is provided.

Transfer Credit: CSU

LAW 102
ADVANCED CALIFORNIA CIVIL PROCEDURES 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: LAW 100 with a grade of "C" or higher or "Pass".
Recommendation: LAW 56 with a grade of "C" or higher or "Pass".

This course continues the study of California Civil Procedures through the trial of a civil matter. Students will study the elements of discovery and develop a written discovery plan. Students will draft motions, judicial arbitration materials, trial briefs, and settlement proceedings. This is an optional course concentrating in advanced civil litigation and writing. Transfer Credit: CSU

LAW 103
LEGAL RESEARCH 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: LAW 101 and LAW 56 or equivalent with grades of "C" or higher or "Pass".

This course is designed to introduce students to the basic techniques of legal research. Emphasis will be placed upon techniques of modern legal research which include the use of the law library and the specific techniques of how to use the primary and secondary sources of the law, legal terms, research aids; and introduction to legal writing. Primary emphasis will be on the legal research in the state of California.

Transfer Credit: CSU

LAW 104
ADVANCED LEGAL RESEARCH 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: LAW 103 or equivalent with a grade of "C" or higher or "Pass".
Recommendation: LAW 56 or equivalent with a grade of "C" or higher or "Pass".

This is an advanced legal research course for the paralegal student. This course will utilize legal research skills to develop sophisticated techniques in the use of legal research materials both at the state and federal levels. Computerized legal research and traditional research methods will be utilized in preparing complex legal research projects. Analysis of the law through practical application of legal research will be developed. Memorandums, points and
This course is an introduction to Federal and California State employment and labor laws that affect the relationship between employers and employees in the work place. It provides an understanding for both employers and employees of their rights and obligations under these laws.

Transfer Credit: CSU

LAW 106
BANKRUPTCY LAW  3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: LAW 56 with a grade of "C" or higher or "Pass".

This course is an introduction to the Federal Bankruptcy law, with emphasis on Chapter 7 Bankruptcies, and discussions and introduction to Chapter 11 and 13 proceedings. The student will complete an entire Chapter 7 Bankruptcy petition and other documents and motions involving a bankruptcy case under the Bankruptcy Code. Included will be creditors' claims and motions for relief of automatic stay.

Transfer Credit: CSU

LAW 107
PROBATE PROCEDURES  3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: LAW 56 with a grade of "C" or higher or "Pass".

This course acquaints the student with the procedures and laws governing the probate of estates, both testate and intestate, and with procedures to transfer decedent's property without probate. Emphasis is placed upon correct completion of probate forms, notice requirements, and time limits.

Transfer Credit: CSU

LAW 108
FAMILY LAW PROCEDURES  3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: LAW 56 with a grade of "C" or higher or "Pass".

This course acquaints the student with the laws governing family relations and procedures for dissolution of marriage actions. These are: Order to Show Cause Hearings, Trials, and Post Dissolution Proceedings. Preparation of marital termination agreements, types of judgments, adoptions and custody agreements are also presented.

Transfer Credit: CSU

LAW 109
TORTS AND PERSONAL INJURY  3.0 UNITS
Class hours: 3.0 Lecture

This course is a study of the major areas of torts and personal injury law including interviewing, claims investigation, claims adjustment techniques, and litigation procedures.

Transfer Credit: CSU

LAW 110
BUSINESS LAW  3.0 UNITS
Class hours: 3.0 Lecture

This course is designed to acquaint the student with the legal aspects of the business world. It will cover an overview of the development of law and the court systems; forms of business governance including partnerships and corporations; contract, tort, criminal, and agency law; and bailments and personal property.

Transfer Credit: CSU; UC*
*UC credit limits may apply.

LAW 111
BUSINESS LAW  3.0 UNITS
Class hours: 3.0 Lecture

This is a course designed to introduce the student to the legal concepts of everyday business transactions. It will include discussions of legal rights, contracts, Universal Commercial Code (UCC) sales, negotiable instruments, and the structure of our judicial system. This course meets 54 hours of the legal requirement for Court Reporting Certification.

Transfer Credit: CSU; UC*
*UC credit limits may apply.

LAW 112
ESTATE PLANNING FOR THE PARALEGAL  3.0 UNITS
Class hours: 3.0 Lecture

This course is an introduction to estate administration. The student will learn the legal theories relating to wills, trusts, succession, taxation, and probate. Document preparation will be required in the areas of wills, trusts, and estate plans.

Transfer Credit: CSU

LAW 113
FUNDAMENTALS OF ALTERNATE DISPUTE RESOLUTIONS  3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: LAW 56 with a grade of "C" or higher or "Pass".

This course is the study of the techniques that resolve disputes to avoid or circumvent a trial in the California Court system. Students will draft the documents utilized in negotiations, mediation, neutral fact finding, contractual arbitration, judicial arbitration, and private judging.

Transfer Credit: CSU

LAW 115
ELDER LAW 3.0 UNITS
Class hours: 3.0 Lecture
This course introduces the student to the expanding legal area of elder law. Topics include ethical considerations, government benefits, healthcare decision making, Medicare and Medi-Cal benefits, home care versus residential care facilities, and protection from physical and/or fiduciary abuse. Upon completion of the course, students will be able to direct the elderly or their families to the appropriate government or private agency for assistance.

Transfer Credit: CSU

LAW 116
CRIMINAL LAW 3.0 UNITS
Class hours: 3.0 Lecture
This is an introduction to criminal law. Concepts covered include the legal system, elements of a crime, crimes against persons and property, defenses, searches and seizures, pre-trial and trial process, sentencing, corporate and white-collar crimes.

Transfer Credit: CSU

LAW 119
LEGAL ASPECTS OF MASS COMMUNICATIONS 1.0 UNIT
Class hours: 1.0 Lecture
This course provides a brief introduction to legal aspects faced by those involved in mass media and new media. Major topics include First Amendment rights and responsibilities, libel, privacy, copyright, freedom of information, open meetings, broadcast decency, and student media. This course is not open to students who are enrolled in or who have received credit in JOUR 119 or RTV 119.

Transfer Credit: CSU

LAW 120
LEGAL ETHICS 3.0 UNITS
Class hours: 3.0 Lecture
This course is a study of the major areas of legal ethics and rules of professional responsibility as they affect paralegal/legal assistants. The course also focuses on legal ethics as they apply to attorneys. The course will cover the substantive rules regarding the regulation of lawyers/paralegals/ legal assistants, the unauthorized practice of law, issues of confidentiality and conflicts of interest, advertising and solicitation, fees and client funds competence, and professionalism.

Transfer Credit: CSU

LAW 150
INTELLECTUAL PROPERTY LAW 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: LAW 56 with a grade of "C" or higher or "Pass".

This is an introduction to Intellectual Property law, including trademarks, copyrights, patents, and trade secrets. Concepts covered include preparing application, searching applicable intellectual property sites, preparing assignments of rights, preparing proper docketing, and an understanding of unfair competition and infringement of intellectual property rights.

Transfer Credit: CSU

LAW 160
CALIFORNIA WORKERS' COMPENSATION LAW 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This course is an overview of California Workers' Compensation law that governs the relationship between employers and employees in the workplace. It provides an understanding for both employers and employees of their rights and obligations under these laws.

Transfer Credit: CSU

LAW 171
LEGAL OCCUPATIONAL WORK EXPERIENCE 1.0 UNIT
Class hours: 1.0 Work Experience
One unit of Legal Occupational Work Experience requires 60 non-paid hours or 75 paid hours of work per semester. Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. This creates greater communication with increased understanding between the student/workers, the college, and the employer/trainers. First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and
strengths. Semester projects that relate to their major and job skills must be completed on the job/training site.

Students will meet weekly with the instructor until their participatory assignments and semester work projects have been approved. Second, third, and fourth semester students who have completed their first semester with a grade of “C” or higher or “Pass,” need only meet with their instructor the first and last week of class. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

Transfer Credit: CSU

LAW 172
LEGAL OCCUPATIONAL WORK EXPERIENCE 2.0 UNITS
Class hours: 1.0 Work Experience
Two units of Legal Occupational Work Experience require 120 non-paid hours of work or 150 paid hours of work per semester.

Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. This creates greater communication with increased understanding between the student/workers, the college, and the employer/trainers. First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. Students will meet weekly with the instructor until their participatory assignments and semester work projects have been approved. Second, third, and fourth semester students who have completed their first semester with a grade of “C” or higher or “Pass,” need only meet with their instructor the first and last week of class. LAW 290 CAPSTONE COURSE- PARALEGAL PROGRAM 1.0 UNIT
Class hours: 1.0 Lecture
Recommendation: To be taken in the final semester of course work for certificate students, and to be taken in the final semester prior to graduation for Paralegal A.A. Degree students.

This course provides the opportunity for students to apply skills and knowledge learned in the other paralegal courses to evidence their mastering of the program outcomes for the Paralegal Program. The aim of the course is to assess students to confirm that they have achieved the learning outcomes for the program, to improve job-readiness, and to have them prepare a portfolio project.

Transfer Credit: CSU

LIBRARY (LIBR) (Learning Resource Center)

LIBR 50 (Not Degree Applicable)
INTRODUCTION TO THE COLLEGE LIBRARY 0.5 UNIT

Class hours: 0.5 Lecture

This course is designed to introduce students to services and resources offered at Cerritos College Library. It offers students with no or minimal library exposure an opportunity to learn vocabulary and skills necessary to use a college library. This course is offered on a credit/no credit basis only.

LIBR 100 INTRODUCTION TO LIBRARY RESEARCH 1.0 UNIT
Class hours: 1.0 Lecture/1.0 Laboratory

This course emphasizes the use of library methods and materials that will enable students to locate information for course related study and research. This course is of special value to those students intending to transfer to four-year institutions. This course is offered on a pass/no pass basis.

Transfer Credit: CSU; UC

LIBR 101 ADVANCED LIBRARY RESEARCH 1.0 UNIT
Class hours: 1.0 Lecture/1.0 Laboratory

Advanced research strategies are introduced. This includes narrowing a topic, keyword selection, advanced Boolean operators, and database truncation techniques. This course is offered on a pass/no pass basis.

Transfer Credit: CSU; UC

LIBR 298 DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students
prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

LIBR 299
DIRECTED STUDIES  2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.
Transfer Credit: CSU

MACHINE TOOL TECHNOLOGY (MTT)
(Technology Division)

MTT 51
MASTERCAM MILLING  3.5 UNITS
Class hours: 3.0 Lecture/1.5 Laboratory
This course will prepare students to operate the MasterCAM Programming Systems for milling machines. Students will learn to create and import Computer Aided Design (CAD) geometry, create proper job plans, devise proper toolpaths, and input the resultant data into virtual Computer Numerical Control (CNC) milling machines.

MTT 52
SETUP AND OPERATION OF CNC MILLING MACHINES  2.5 UNITS
Class hours: 2.0 Lecture/1.5 Laboratory
This course instructs students in the safe and accurate setup and production operation of Computer Numerical Control (CNC) milling machines. Students will learn how to load programs, align fixtures, select offsets, select cutter radius compensation, and run first article parts.

MTT 56
CNC SHOP INSPECTION  2.0 UNITS
Class hours: 2.0 Lecture
This course is designed to give the students a complete understanding of dimensional metrology. The student will also develop skills in preparing inspection reports using all of the appropriate instruments available in a machine shop for validation of part geometry.

MTT 57
SETUP AND OPERATION OF CNC LATHES  2.5 UNITS
Class hours: 2.0 Lecture/1.5 Laboratory
This course instructs students in the safe and accurate set-up and production operation of Computer Numerical Control (CNC) lathes. Students will learn how to load programs, select offset, select cutter radius compensation, and run first article parts.

MTT 59
MASTERCAM TURNING  2.5 UNITS
Class hours: 2.0 Lecture/1.5 Laboratory
This course will prepare students to operate the MasterCAM Programming Systems for lathes. Students will learn to create and import Computer Aided Design (CAD) geometry, create proper job plans, devise proper toolpaths, and input the resultant data into virtual Computer Numerical Design (CNC) milling machines. Toolpaths will include facing, turning, grooving, threading, boring, and parting off.

MTT 62
FIXTURE TOOLING  2.0 UNITS
Class hours: 2.0 Lecture
Corequisite: MTT 52 or MTT 57 or MTT 68 or MTT 100 or ENGT 116 or ENGT 117 or ENGT 259 or equivalent or prior completion, with a grade of "C" or higher or "Pass".
This course teaches planning, design, and fabrication methods for fixturing in the machine shop. It includes decision-making, machine planning, cutter selection, tolerancing, rest areas, clamping, blueprint interpretation, and design.

MTT 68
COMPUTER-ASSISTED INSPECTION USING VERISURF  2.0 UNITS
This course advances the student's skill in the development of inspection methods for complex machined parts using Versurf software. The student will learn the advanced aspects of dimensional metrology by using articulating arms to validate part geometry. Finally, the student will develop skills in preparing production part approval processes.

MTT 71
MASTERCAM MULTI-AXIS MILLING
2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: MTT 51 or equivalent with a grade of "C" or higher or "Pass".

This course advances the student's skill in the programming of 4 and 5 axis milling machines using MasterCAM. Students will also learn to program Curve, Swarf, Flow Multi, and Port surfaces and solids. Basic collision control strategies and rotary axis machining are fully incorporated into this class.

MTT 72
MASTERCAM MULTI-AXIS TURNING
2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: MTT 51 or MTT 59 or equivalent with a grade of "C" or higher or "Pass".

This course advances the student's skill in the programming of milling and drilling on multi-axis turning machines using MasterCAM. Students will also learn to import solids, and program axial and radial tool paths. Basic collision control strategies and rotary indexing are fully incorporated into this class.

This lab course is intended to complement MasterCAM classes. It is designed to give practical experience in working with the current release of the software program. The course will increase students skill and output in areas of their choice.

MTT 78
TOOL BUILDING USING VERISURF
1.0 UNIT
Class hours: 1.0 Lecture
Prerequisite: MTT 51 or equivalent with a grade of "C" or higher or "Pass".
Recommendation: ENGT 117 and MTT 56.

This course advances the student's skill in utilizing Versurf software to build complex assembly tooling and fixtures, such as those used in aerospace. The student will learn how to set tolerances, control feature projection, and apply probe compensation to complex virtual models. Students will set up tools and apply their knowledge to physical models in the lab.

MTT 91L
CNC MILL MACHINING LABORATORY
1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: MTT 51 and MTT 52 with a grade of "C" or higher or "Pass".

This course is designed to further develop specialized Computer Numerical Control (CNC) Milling Machine skills using Computer Assisted Manufacturing (CAM) software on a semi-autonomous basis. The student will receive instructions and blueprints from the instructor and work on those projects individually. The student will plan the work, select the programming method given the tolerances of the part, select the fixture, tools, and run a first article on a CNC Mill.

MTT 92L
MASTERCAM LABORATORY
1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: MTT 51 or MTT 57 or equivalent with grades of "C" or higher or "Pass".

This course is an independent study on an experimental research basis, using the manual lathe, the manual mill, and associated cutting tools and machines. Students will increase their skill and knowledge in specialized areas of their choice with the approval and guidance of the department.

MTT 94L
MANUAL MACHINING LAB
1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: MTT 56 and MTT 100 or equivalent with grades of "C" or higher or "Pass".

This course is an independent study on an experimental research basis, using the manual lathe, the manual mill, and associated cutting tools and machines. Students will increase their skill and knowledge in specialized areas of their choice with the approval and guidance of the department.

MTT 95L
CNC LATHE MACHINING LABORATORY
1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: MTT 57 and MTT 59 with grades of "C" or higher or "Pass".

This course is designed to further develop specialized Computer Numerical Control (CNC) turning machine skills using Computer Assisted Manufacturing (CAM) software on a semi-autonomous basis. The student will receive instructions and blueprints from the instructor and work on those projects individually. The student will plan the work, select the programming method given the tolerances of the part, select the fixture, tools, and run a first article on a CNC lathe.

MTT 96L
CNC MULTI-AXIS MILL MACHINING LAB
1.0 UNIT
**MTT 97L**  
**CNC MULTI-AXIS TURNING LABORATORY**  
1.0 UNIT  
Class hours: 3.0 Laboratory  
Prerequisite: MTT 57 or equivalent with a grade of “C” or higher or “Pass.”  
Corequisite of MTT 72 or equivalent or prior completion, with a grade of “C” or higher or “Pass.”

This course is designed to further develop specialized computer numerical control (CNC) multi-axis turning skills using computer assisted manufacturing (CAM) software and hardware on a semi-autonomous basis. The student will receive instructions and blueprints of parts requiring mill-turn machining from the instructor and work on those projects individually. The student will plan the work, select the programming method given the tolerances of the part, select the fixture, tools, and run a first article on a multi-axis turning center.

**MTT 100 MACHINE TOOL INTRODUCTION**  
2.0 UNITS  
Class hours: 1.0 Lecture/3.0 Laboratory  
This course is designed as a survey of machine tool technology. It will stress traditional machine tool technologies. It includes set-up and operation of the engine lathe, the milling machine, the drill press, and sawing and cutoff machines. It will also incorporate calculation and setup of speeds and feeds, and measurements. This course is required for all Machine Tool Technology majors.

Transfer Credit: CSU

**MTT 110 INDUSTRIAL MAINTENANCE OF MACHINE TOOLS**  
2.0 UNITS  
Class hours: 2.0 Lecture  
This is a survey class that will introduce the students to the fundamentals and principles of industrial maintenance for machine tools. Basics of electronic, electrical, pneumatic, and hydraulic principles will be included. The design and understanding of simple systems typically used in machine construction will be included.

Transfer Credit: CSU

**MTT 111 PROGRAMMABLE LOGIC CONTROLLERS IN AUTOMATED MANUFACTURING**  
2.0 UNITS  
Class hours: 2.0 Lecture  
This course will introduce students to the application of programmable logic controllers (PLCs) in automated manufacturing. The focus of this class will be on acquiring knowledge about selection, acquisition, implementation and integration of PLCs. Students will learn basic programming of PLCs and associated Human Machine Interfaces (HMIs) to gain further understanding of PLCs operations. Students will also learn about integration of input and output devices such as sensors, indicators, HMI panels, and switches.

Transfer Credit: CSU

**MTT 112 VARIABLE FREQUENCY DRIVES IN AUTOMATED MANUFACTURING**  
2.0 UNITS  
Class hours: 2.0 Lecture  
This course will introduce students to variable frequency drives used in automated manufacturing. Students will learn about operator panel functions, human machine interfaces (HMIs) integration and basic programming parameters in programmable logic controllers (PLCs) with the emphasis on inputs, outputs, and control parameters.

Transfer Credit: CSU

**MTT 120 FANUC MULTI-AXIS ROBOTICS**  
2.0 UNITS  
Class hours: 2.0 Lecture  
This is a survey class that will introduce the students to the fundamentals and principles of multi-axis robotics for machine tools using the Fanuc control. Basics of robot simulation, setup, operation, and troubleshooting will be included. The motion optimization and connection of simple systems typically used in machine shop cell environments will be included.

Transfer Credit: CSU

**MTT 168 ADVANCED COMPUTER-ASSISTED INSPECTION USING VERISURF**  
1.0 UNIT  
Class hours: 1.0 Lecture  
Prerequisite: MTT 68 or equivalent with a grade of “C” or higher or “Pass.”
Recommendation: ENGT 117 and MTT 56.

This course advances the student's skill in the utilization of various coordinate metrology equipment using Verisurf software. The student will learn the advanced aspects of coordinate metrology measurement by using articulating arms, laser trackers, and simulated models to validate complex part geometries. The student will develop skills in best fitting virtual models to actual models.

Transfer Credit: CSU

MTT 180
ROBOTICS FOR COMPUTER NUMERICALLY CONTROLLED MACHINES 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory

This course introduces the student to the applications of robotics for computer numerically controlled (CNC) machines by the use of activities-based learning, project-based learning, and problem-based learning. The student will learn how to create a part using software and apply computer-generated toolpaths. The student will also learn about setup, operation, and programming of CNC machines. Techniques of integration between several CNC machines in a work cell environment will be emphasized using simulation and robotic applications.

Transfer Credit: CSU

MTT 278
MASTERCAM ADVANCED 3.5 UNITS
Class hours: 3.0 Lecture/1.5 Laboratory

Prerequisite: MTT 51 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.

This course advances the student's skill in the development of 3D surface models, solids and toolpaths using MasterCAM. Students learn to create swept, ruled, revolved, Coons, draft, trimmed, and lofted surfaces using parametric and NURBS methodology. Basic and advanced solids modeling is fully incorporated into this class. Modification of geometry/toolpath using parametric hooks will be emphasized.

Transfer Credit: CSU

MATHEMATICS (MATH)

(MATH 5 (Not Degree Applicable))

MATH 5 (Science, Engineering, and Math Division)

MATH 5 (Not Degree Applicable)
MATHEMATICS LEARNING STRATEGIES 1.0 UNIT
Class hours: 1.0 Lecture
Corequisite: Concurrent enrollment in MATH 20, 40, 60, 80, 80A, or 80B.

This course is designed to assist the student in developing learning skills and study habits that are important for all college-level coursework. Emphasis will be placed on those learning skills and study habits that are unique to the study of mathematics. The student will develop quantitative literacy by practicing arithmetic and algebraic structures including but not limited to “mathematical facts,” number sense and number theory, proportional reasoning including rational expressions and equations, and the real number system and its properties. Additional topics related to the development of learning skills and study habits may include affective factors influencing learning styles and the study of mathematics, effective management of classroom learning and personal study habits, problem solving and reasoning skills, test preparation and test-taking strategies, appropriate use of technology, and support services for students of mathematics. This course is offered on a pass/no pass basis only.

MATH 60 (Not Degree Applicable)
ELEMENTARY ALGEBRA 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: MATH 40 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH 60.

Recommendation: Meet the prerequisite within two years prior to the date of enrollment in MATH 60.

This course is a first course in algebra. Topics included are first-degree equations and inequalities, multiple representations of a linear relationship, linear systems of equations in two variables, polynomials, rational expressions, exponents and square roots, and quadratic equations.

MATH 70
PLANE GEOMETRY 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: MATH 60 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH 70.

This course includes the study of triangles, quadrilaterals, circles, parallels, and similar figures. Skill development involving equalities,
proportions, and areas of the above figures is included. Logical thinking is stressed in problem solutions. This course is designed for students who have not taken high school plane geometry. May be taken concurrently with MATH 80, MATH 80A or MATH 80B.

MATH 75
MATHEMATICAL LITERACY FOR COLLEGE STUDENTS 6.0 UNITS
Class hours: 6.0 Lecture
Prerequisite: MATH 40 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH 60.

This is a one-semester course integrating numeracy, proportional reasoning, algebraic reasoning, and functions. Students will develop conceptual and procedural tools that support the use of key mathematical concepts in a variety of contexts. Throughout the course, college success content will be integrated with mathematical topics. This course prepares students for the curriculum of MATH 112 and PSYC 210 at Cerritos College.

This course is not open to students with credit in MATH 80.

MATH 80A
INTERMEDIATE ALGEBRA I 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: MATH 60 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH 80.

Recommendation: Meet the prerequisite within two years prior to the date of enrollment in MATH 80A. Students who earn a “C” in MATH 60 should consider enrollment in MATH 80A instead of MATH 80.

This course is a second course in algebra. This course explores multiple representations of functions and relations. The types of functions studied will include linear, quadratic, exponential, and logarithmic. These functions will be used in solving a variety of equations and inequalities, systems of equations, and application problems. This course is not open to students who are enrolled in or who have received credit in Math 80B.

MATH 80B
INTERMEDIATE ALGEBRA II 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: MATH 80A or equivalent with a grade of “C” or higher or “Pass”. This course is the second half of Intermediate Algebra, MATH 80.

This course explores multiple representations of functions and relations. The types of functions studied will include quadratic, radical, exponential, and logarithmic. These functions will be used in solving a variety of equations and inequalities, systems of equations, and application problems. This course is not open to students who are enrolled in or who have received credit in Math 80.

MATH 104
SURVEY OF MATHEMATICS 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: MATH 75 or MATH 80 or MATH 80B with a grade of “C” or higher or “Pass” or appropriate placement based on AB 705 mandates.

This course is a non-technical course surveying a variety of concepts in mathematics. Topics may include: mathematical modeling, proportional reasoning, probability, elementary statistics, finance, geometry, elementary combinatorics, pattern recognition, elementary logic, set theory, history of mathematics, mathematics of the arts, and voting theory. Transfer Credit: CSU
This course will emphasize activities-based explorations of randomization, data representation, measures of central tendency, and dispersion. Coursework includes counting, basic probability, and analysis of experiments requiring hypothesizing, experimental design, and data gathering. Algebraic thinking will be used throughout the course.

Transfer Credit: CSU

MATH 110A
MATHEMATICS FOR ELEMENTARY TEACHERS 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory
Prerequisite: MATH 80 or MATH 80B or equivalent with a grade of "C" or higher or "Pass" or completion of the Math assessment/placement process with a score eligible for MATH courses numbered 100 level or higher and MATH 70 or equivalent with a grade of "C" or higher or "Pass".

Designed for prospective elementary and middle school teachers, this course is an introduction to problem-solving processes and strategies. Topics will include the development and analysis of the structure of and operations on the real number system. The course will include investigations on concept and process development using appropriate models, technology, manipulatives, and activities. It meets elementary education credential requirements.

Transfer Credit: CSU; UC*
*UC credit limits may apply. MATH 110A and MATH 110B combined: maximum credit, one course

C-ID: MATH 120

MATH 110B

MATH 110A and MATH 110B combined: maximum credit, one course

MATH 110B

MATHEMATICS FOR ELEMENTARY TEACHERS 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory
Prerequisite: MATH 110A or equivalent with a grade of "C" or higher or "Pass".

This course is a continuation of MATH 110A. Emphasis will be on problem solving with a focus on making tables and patterning, informal geometry, congruence similarity, constructions, transformations, tessellations, and measurement involving both English and metric units in one, two, and three dimensions. Computer explorations will be integrated into the course. The course will also emphasize hands-on modeling of real-world geometric situations. It meets elementary education credential requirements.

Transfer Credit: CSU*
*UC credit limits may apply. MATH 110A and MATH 110B combined: maximum credit, one course

MATH 112
ELEMENTARY STATISTICS 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: MATH 80 or Math 80B or Math 75 or equivalent with a grade of "C" or higher or "Pass" or appropriate placement based on AB 705 mandates.

This course provides an introduction to descriptive and inferential statistics, with built-in just-in-time remediation to promote student success. Topics include: mean, standard deviation, variance, probability, random variables, binomial probability distribution, normal probability distribution, the central limit theorem, hypothesis testing, confidence intervals, t-distribution, chi-square distribution, F-distribution, linear regression, and linear correlation. This course is a beginning statistics course designed for all majors. Not open to students currently enrolled in or with credit in MATH 112 or PSYC 210.

Statistical software and a calculator are required.

Transfer Credit: CSU; UC*
*UC credit limits may apply. MATH 112, MATH 112S and PSYC 210 combined: maximum credit, one course

C-ID MATH 110

MATH 112S
ENHANCED ELEMENTARY STATISTICS 4.5 UNITS
Class hours: 4.0 Lecture/2.0 Laboratory
Prerequisite: MATH 75 or MATH 80 or MATH 80B with a grade of "C" or higher or "Pass" or appropriate placement based on AB 705 mandates.

This course provides an introduction to descriptive and inferential statistics, with built-in just-in-time remediation to promote student success. Topics include: mean, standard deviation, variance, probability, random variables, binomial probability distribution, normal probability distribution, the central limit theorem, hypothesis testing, confidence intervals, t-distribution, chi-square distribution, F-distribution, linear regression, and linear correlation. This course is a beginning statistics course designed for all majors. Not open to students currently enrolled in or with credit in MATH 112 or PSYC 210.

Statistical software and a calculator are required.

Transfer Credit: CSU; UC*
*UC credit limits may apply. MATH 112, MATH 112S and PSYC 210 combined: maximum credit, one course

C-ID MATH 110

MATH 114
COLLEGE ALGEBRA 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: MATH 80 or MATH 80B or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH courses 100 level or higher.

This course is designed for students majoring in life or social sciences. The main topics to be covered include linear and quadratic equations and inequalities; polynomial, rational, exponential, and logarithmic functions and their graphs; systems of linear equations, matrices, sequences and series; combinatorics; and the binomial theorem.

Transfer Credit: CSU; UC
*UC credit limits may apply.
MATH 114 and MATH 155 combined: maximum credit, 5 semester/7.5 quarter units.

MATH 115
FINITE MATHEMATICS 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: MATH 80 or MATH 80B or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH courses numbered 100 level or higher.

This course includes sets, matrices, systems of equations and inequalities, linear programming, permutations and combinations, probability, and topics from statistics. Applications of various topics from business, social, and behavioral sciences are included.

Transfer Credit: CSU; UC C-ID: MATH 130

MATH 116
CALCULUS FOR MANAGERIAL, BIOLOGICAL AND SOCIAL SCIENCES 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: MATH 114 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH 116.

This course is a survey of calculus designed to meet lower-division university and four-year college requirements for the management, biology, or social-science major student. Topics included are differentiation and integration of algebraic, logarithmic, and exponential functions of single and multi-variables, related rates, areas, and curve sketching. This class is not equivalent to MATH 170 and does not meet the prerequisite for MATH 190. This course is not open to students with credit in MATH 170.

Transfer Credit: CSU; UC
*UC credit limits may apply.
MATH 116 and MATH 170 combined: maximum credit, one course.

C-ID: MATH 140

MATH 140
TRIGONOMETRY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: MATH 80 or MATH 80B or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH courses numbered 100 level or higher and MATH 70 or equivalent with a grade of “C” or higher or “Pass”.

This course includes circular functions, inverses, graphs, angles and trigonometric functions, solutions of right and oblique triangles, identities, solutions of equations, and complex numbers.

Transfer Credit: CSU

MATH 155
PRECALCULUS 5.0 UNITS
Class hours: 5.0 Lecture
Prerequisite: MATH 140 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH 155.

This course is designed to prepare students for calculus. It includes an analysis of linear, absolute value, quadratic, polynomial, rational, radical, exponential, logarithmic, and trigonometric functions and their inverses. Additional topics included are the complex number system, systems of equations and inequalities, conics, sequences, series, the binomial theorem, and mathematical induction. A nonsymbolic graphing calculator is required. (Formerly MATH 150)

Transfer Credit: CSU; UC
*UC credit limits may apply.
MATH 114 and MATH 155 combined: maximum credit, one course.

MATH 160
DISCRETE MATHEMATICS 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: MATH 150 or MATH 155 or equivalent with a grade of “C” or higher or “Pass”.

This course is an introduction to logic, sets, relations, algorithms, number theory, combinatorics, graphs, trees, and Boolean algebra.

Transfer Credit: CSU; UC
*UC credit limits may apply.
MATH 160 and CIS 185 combined: maximum credit, one course.

MATH 170
ANALYTIC GEOMETRY AND CALCULUS I 4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: MATH 150 or MATH 155 or equivalent with a grade of “C” or higher or “Pass” or completion of the math
placement process with a score eligible for MATH 170.

This course is the first semester of calculus, designed to meet lower-division university and four-year college requirements. Topics include differentiation and integration of algebraic and transcendental functions with applications. Analytic geometry is presented as needed to address problems encountered in developing the principles of calculus.

Transfer Credit: CSU; UC

MATH 116 and MATH 170 combined: maximum credit, one course.

C-ID: MATH 211

MATH 190
ANALYTIC GEOMETRY AND
CALCULUS II 4.0 UNITS

Class hours: 4.0 Lecture
Prerequisite: MATH 190 or equivalent with a grade of "C" or higher or "Pass".

This course is a continuation of MATH 170. Topics include analytic geometry of the plane, techniques of integration with applications, sequences, series, and improper integrals.

Transfer Credit: CSU; UC
C-ID: MATH 221

MATH 220
ANALYTIC GEOMETRY AND
CALCULUS III 4.0 UNITS

Class hours: 4.0 Lecture
Prerequisite: MATH 190 or equivalent with a grade of "C" or higher or "Pass".

This course is a continuation of MATH 190. Topics include vectors and vector calculus, solid analytic geometry, functions of two or more variables, partial derivatives and multiple integration.

Transfer Credit: CSU; UC

MATH 225
CALCULUS III 5.0 UNITS

Class hours: 5.0 Lecture
Prerequisite: MATH 190 or equivalent with a grade of "C" or higher or "Pass".

This is the third course in a three-course sequence designed for science, technology, engineering, and mathematics (STEM) majors. Topics include vectors in three-dimensional space, curves and surfaces, functions of several variables, partial differentiation, gradients, curl, divergence, multiple integration, Green's theorem, the divergence theorem, and Stokes' theorem. A nonsymbolic graphing calculator is required.

(Formerly MATH 220)

Transfer Credit: CSU; UC
C-ID: MATH 230

MATH 250
LINEAR ALGEBRA AND
DIFFERENTIAL EQUATIONS 5.0 UNITS

Class hours: 5.0 Lecture
Prerequisite: MATH 190 or equivalent with a grade of "C" or higher or "Pass".

Recommendation: MATH 220 or MATH 225 or equivalent with a grade of "C" or higher or "Pass".

Topics in this course include first-order ordinary differential equations, including separable, linear, homogeneous of degree zero, Bernoulli, and exact with applications and numerical methods; solutions to higher-order differential equations using undetermined coefficients, variation of parameters, and power series, with applications; solutions to linear and nonlinear systems of differential equations, including numerical solutions; matrix algebra, solutions of linear systems of equations, and determinants; vector spaces, including the Gram-Schmidt procedure; and linear transformations, kernel and range, eigenvalues, eigenvectors, diagonalization, and symmetric matrices.

Transfer Credit: CSU; UC
C-ID: MATH 910S

MATH 298
DIRECTED STUDIES 1.0 UNIT

Class hours: 3.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

MATH 299
DIRECTED STUDIES 2.0 UNITS

Class hours: 6.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in
the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

MEDICAL ASSISTANT (MA)
(Health Occupations Division)

MA 60
INTRODUCTION TO MEDICAL ASSISTING 2.0 UNITS
Class hours: 2.0 Lecture
This is an introductory course to study the history of medicine and paramedical professions. Generalized and specialized careers in medical assisting, personal and professional responsibilities, medical ethics and law, communications and records are discussed. The focus is on front office responsibilities, customer service philosophy, and basic communication skills.

MA 63
HEALTH INSURANCE CODING AND BILLING 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: MA 161 or equivalent with a grade of “C” or higher or “Pass”. This course will first present the current International Classification of Diseases - current revision - Clinical Modification and the Current Procedure Terminology (CPT) coding process utilized for health care reimbursement. Principles of insurance, general health and accident insurance programs and billing, government medical care programs with specialized billing procedures, role of coder, role of the insurance officer, and aspects of related medical professional liability.

MA 64
MEDICAL OFFICE ASSISTING 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course includes instruction in developing skills and techniques in the assisting of physical examinations, naming, care and setting-up of instruments, sterilization, and operating room procedures.

MA 66
MEDICATIONS AND SPECIALTIES 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course prepares the student to prepare and administer medications, maintain narcotic control records, and assist the specialist with examinations. This course meets the requirements as set forth in the laws relating to the utilization of medical assistants within the Medical Practice Act.

MA 67
MEDICAL OFFICE ADMINISTRATION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: MA 60. Recommendation: BCOT 62 and BCOT 3T or equivalent with grades of “C” or higher or “Pass”.

This course is designed to develop skills in administrative procedures in the medical office. Topics include telecommunications; bookkeeping, billing and collections; payroll; policy and procedure development; medical records; verbal and written communication for the medical office; counseling employees, and additional office management techniques. Focus is placed on the manager’s perspective.

MA 68
MEDICAL ASSISTING INTERNSHIP EXPERIENCE 4.0 UNITS
Class hours: 1.0 Lecture/10.0 Laboratory
Prerequisite: MA 60, MA 62A and MA 62B or MA 63, and MA 64, MA 161, HO 53, HO 54, HO 55 or equivalent with grades of “C” or higher or “Pass”. Corequisite: MA 66 and MA 67 or prior completion with a grade of “Pass” or “C” or higher.

This course is designed to provide opportunities for the student to intern in a medical facility while receiving supervised instruction in direct patient care.

MA 73
MEDICAL ASSISTANT OCCUPATIONAL WORK EXPERIENCE 3.0 UNITS
Class hours: 1.0 Work Experience
Prerequisite: MA 60, MA 62A and MA 62B or MA 63, and MA 64, MA 161, HO 53, HO 54, HO 55 or equivalent with grades of “C” or higher or “Pass”. Corequisite: MA 66 and MA 67 or prior completion with a grade of “Pass” or “C” or higher.

One (1) hour control class each week plus 15 hours of employment per week. The employment must be in a job related to the student's educational goal. Occupational Work Experience is a supervised employment program in an approved work station related to the student's declared major. Students meet with their instructor for a minimum of one hour per week and will receive credit for on-the-job learning experiences that are new or are an
expansion of their regular responsibilities. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

MA 74
MEDICAL ASSISTANT
OCCUPATIONAL WORK
EXPERIENCE 4.0 UNITS
Class hours: 1.0 Work Experience
Prerequisite: MA 60, MA 62A and MA 62B or MA 63, and MA 64, MA 161, HO 53, HO 54, HO 55 or equivalent with grades of “C” or higher or “Pass”. Corequisite: MA 66 and MA 67 or prior completion with a grade of “Pass” or “C” or higher. One (1) hour control class each week plus 20 hours of employment per week. The employment must be in a job related to the student’s educational goal.

Occupational Work Experience is a supervised employment program in an approved work station related to the students declared major. Students meet with their instructor for a minimum of one hour per week and will receive credit for on-the-job learning experiences that are new or are an expansion of their regular responsibilities. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

MA 99
DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times.

MICROBIOLOGY
(MICR)
(Science, Engineering, and Math Division)

MICR 200
PRINCIPLES AND APPLICATIONS OF MICROBIOLOGY 5.0 UNITS
Class hours: 3.0 Lecture/6.0 Laboratory
Prerequisite: CHEM 100 or BIOL 120 or ZOOL 120 or equivalent with a grade of “C” or higher or “Pass”.

Through lecture and laboratory exercises, this course provides an introduction to the microbial world. Emphasis is on microbial structure, microbial genetics, host-microbe interactions, the immune response, and disease control/prevention. Current issues in acquired immunodeficiency syndrome research and recombinant deoxyribonucleic acid technology are discussed. Laboratory exercises will emphasize microbial morphology and identification through microscopic observation and biochemical testing. This course satisfies the requirements of majors in two and four-year nursing programs, dental hygiene, and is recommended for pre-professional biology majors. Transfer Credit: CSU; UC

MICR 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should
expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

MICR 299
DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. Transfer Credit: CSU

MUSIC (MUS)
(Fine Arts & Communications Division)

MUS 100

MUSIC APPRECIATION 3.0 UNITS
Class hours: 3.0 Lecture
This course is an introductory survey of Western Art music from the Middle Ages to the present. Emphasis is on the historical, aesthetic, and cultural contexts from which music arises.
Transfer Credit: CSU; UC
C-ID: MUS 100

MUS 101 INTRODUCTION TO WORLD MUSIC 3.0 UNITS
Class hours: 3.0 Lecture
This course is an introduction to world music. Emphasis is placed on understanding the substantive features of music as well as social, cultural, political, and economic factors that contribute to different musical traditions found throughout the world.
Transfer Credit: CSU; UC

MUS 103 JAZZ IN AMERICA 3.0 UNITS
Class hours: 3.0 Lecture
This course is an introduction to jazz, its historical background and its development in the United States.
Transfer Credit: CSU; UC

MUS 104 AMERICAN POPULAR MUSIC 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory
This course is a survey of the history and characteristics of the music developed in or for general American culture and various subcultures from the Revolutionary Period to the present. It includes folk music, blues, Swing-era music, rock ‘n’ roll, and rock.
Transfer Credit: CSU; UC

MUS 104B

HISTORY OF ROCK MUSIC 3.0 UNITS
Class hours: 3.0 Lecture
This course introduces students to rock and its influence on American popular music. The students will learn how to actively engage with music by relating rock to other styles of music, relating music to text, and relating rock to its cultural context.
Transfer Credit: CSU; UC

MUS 105 MUSIC FUNDAMENTALS 3.0 UNITS
Class hours: 3.0 Lecture
This course provides the fundamentals of notation, meter, rhythm, intervals, and key signatures, so that the student can gain a sensitivity to, and understanding of, music past, present, and future.
Transfer Credit: CSU; UC

MUS 110 MUSIC TECHNOLOGY FUNDAMENTALS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: MUS 105 or equivalent with a grade of “C” or higher or “Pass” and completion of ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.
The course covers the fundamental vocabulary, techniques, concepts, and devices used in contemporary music production and related media fields. This course covers sound fundamentals, professional audio equipment, computers, music production software, recording studios, MIDI, electronic music, audio-visual productions, and film. Topics such as trade publications, relevant conventions, and employment
opportunities are also discussed.
Transfer Credit: CSU

MUS 112
ELEMENTARY PIANO I 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
This course focuses on basic study technique, which will include reading, writing, listening and playing. A variety of elementary piano repertoire will be studied. Students learn to understand, experience and appreciate the fundamentals of keyboard musicianship. This course is designed for students with little or no background in piano playing.
Transfer Credit: CSU; UC

MUS 113
ELEMENTARY PIANO II 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Prerequisite: MUS 112 or equivalent with a grade of "C" or higher or "Pass".

This course focuses on the continuation of basic piano, which will include reading, writing, listening and playing. A variety of piano repertoire will be studied. Further emphasis will be on understanding, experiencing and appreciating the fundamentals of keyboard musicianship.
Transfer Credit: CSU; UC

MUS 114
INTERMEDIATE PIANO I 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Prerequisite: MUS 113 or equivalent with a grade of "C" or higher or "Pass".

This course is a continuation of piano student at the intermediate level. A variety of assigned piano repertoire will be studied. Emphasis will be on understanding, experiencing and appreciating more advanced course of keyboard musicianship.
Transfer Credit: CSU; UC

MUS 115
INTERMEDIATE PIANO II 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Prerequisite: MUS 114 or equivalent with a grade of "C" or higher or "Pass".

This course is a continuation of piano study that occurred in MUS 114. A variety of assigned piano repertoire at the intermediate to advanced level will be studied.
Transfer Credit: CSU; UC

MUS 116
VOICE I 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Prerequisite: MUS 116 or equivalent with a grade of "C" or higher or "Pass".

This course focuses on vocal techniques including breath management, posture, phonation, resonation, and diction. A variety of elementary vocal repertoire is introduced from different musical styles: folk, classical, musical theater, and popular songs. Students learn to use the unamplified voice to its best advantage and to interpret and perform songs suited to their individual ability.
A concentration on musicianship is emphasized using ear-training techniques.
Transfer Credit: CSU; UC

MUS 117
VOICE II 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Prerequisite: MUS 117 or equivalent with a grade of "C" or higher or "Pass".

This course emphasizes the technical foundations of singing learned in Voice I and II. The song literature is more advanced and requires and understanding of a broad range of styles as previously discussed in the earlier courses. Ear training and musicianship require specific reading and identification skills. Stylistic interpretation is focused on, as well as performance techniques. Greater involvement with microphone and recording techniques will be encouraged.
Transfer Credit: CSU; UC

MUS 118
VOICE III 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Prerequisite: MUS 118 or equivalent with a grade of "C" or higher or "Pass".

This course continues the study of diction, style, technique, musicianship, and interpretation that occurred in Voice III. Acting with emphasis on stage movement, characterization, and improvisational techniques are explored in greater detail.
Singers will be required to perform solos, duets, and in scenes. Popular styles are required to collaborate with recording studio to create projects. This course may be taken a maximum of 2 times.

Transfer Credit: CSU; UC

MUS 120
ELEMENTARY GUITAR I 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory

This course provides basic instruction in classical and other styles of guitar playing at beginning level. It includes appropriate exercises to develop technical facility, material for sight reading, study of basic chords, and repertoire. The student must provide an acoustic guitar for his/her own use in the class.

Transfer Credit: CSU; UC

MUS 121
ELEMENTARY GUITAR II 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory

Prerequisite: MUS 120 or equivalent with a grade of “C” or higher or “Pass”.

This class refines guitar-playing techniques used in elementary classical, flamenco, and other pieces. Elements of improvisation, harmonization, and playing in upper positions are included.

Transfer Credit: CSU; UC

MUS 122
INTERMEDIATE GUITAR I 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory

Prerequisite: MUS 121 or equivalent with a grade of “C” or higher or “Pass”.

This class includes instruction in scales, chords, and arpeggios in all keys and positions. Included are intermediate levels of improvisation, accompanying, sight-reading, transposition, and the performance of folk, classical, and Flamenco styles.

Transfer Credit: CSU; UC

MUS 123
INTERMEDIATE GUITAR II 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory

Prerequisite: MUS 122 or equivalent with a grade of “C” or higher or “Pass”.

This class covers the mastery of the entire guitar fingerboard, a study of intermediate and advanced music in several styles, and the principles of improvisation and transposition.

Transfer Credit: CSU; UC

MUS 135
THIS BUSINESS OF MUSIC 3.0 UNITS
Class hours: 3.0 Lecture

This course focuses on the music business as it relates to the market place and job opportunities. It teaches the student about the important jobs in the industry and their duties and responsibilities. Topics include the process of promotion, publicity, management, touring, recording, contracts, accounting, artists relations and development, marketing, advertising, copyrights, and related music fields.

Transfer Credit: CSU

MUS 139
GOSPEL CHOIR 2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory

This choral ensemble is designed for the student who has had little or no previous vocal experience. Emphasis will be placed upon the development of individual musicianship through the study of vocal concepts and repertoire. A variety of gospel styles ranging from traditional to contemporary will be studied and performed. Required participation in concerts may include both on-campus and off-campus events.

Transfer Credit: CSU; UC

MUS 142
JAZZ IMPROVISATION 1.0 UNIT
Class hours: 1.0 Lecture/2.0 Laboratory

Recommendation: Audition.

This course in basic techniques in improvisation begins with simple question-and-answer phrases and progresses to extended solos. It covers detailed and applied knowledge of chord progressions and stresses harmonic forms employed in all phases of jazz. Emphasis will be on the blues, 32-bar standards, and jazz pieces. Included are performance, analysis, listening, written improvisations, playing with pre-recorded media and transcribed solo study.

Transfer Credit: CSU; UC

MUS 142A
COMPUTER MUSIC PRODUCTION 3.0 UNITS
Class Hours: 2.0 Lecture/3.0 Laboratory

Prerequisite: MUS 110 or equivalent with a grade of “C” or higher or “Pass”.

The course prepares the student to use the computer and related music software to create loop-based and sample based music. The student will learn to configure the computer and software for live performances alone or with music ensemble.

Transfer Credit: CSU

MUS 142B
COMPUTER MUSIC PERFORMANCE
3.0 UNITS
Class Hours: 2.0 Lecture/3.0 Laboratory
Prerequisite: MUS 142A or equivalent with a grade of “C” or higher or “Pass”.
This course builds on the material presented in MUS 142A. Students will design and implement computer audio systems for use in real-time music performances. Students will create configurations that enable them to manipulate sound in real-time for improvisatory music performances. Students will integrate hardware synths into their performance rigs. Students will perform original compositions with the computer rigs. Students will also learn how to integrate with live sound systems and develop redundant solutions for live performances. Transfer Credit: CSU

MUS 143A
SONGWRITING  2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: MUS 180 or equivalent with a grade of “C” or higher or “Pass”. Corequisite: Enrollment in music theory MUS 181.
This course introduces the process of songwriting. Songs from a variety of genres, styles, forms, and cultures will be studied and analyzed. Songs will be analyzed on chord structure, form, rhythm, melody, harmony, and lyrics. Basics of melodic construction, harmonic processes, and text setting will be explored. Students will practice creating chord progressions, melodies and lyrics. Original compositions and performances are expected from all students. Transfer Credit: CSU

MUS 144
ELECTRONIC SYNTHESIZER I 2.0 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
This class is an introduction to MIDI, synthesizer programming, sampling, computer sequencing, drum machine technique, and computer composition. Also, the course introduces the basics of acoustics and the physical properties of sound. Compositions will be required of all students. Individual studio time is provided. Transfer Credit: CSU

MUS 144A
SYNTHESIZER TECHNIQUES 2.0 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: MUS 110 or equivalent with a grade of “C” or higher or “Pass”. Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalents with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.
This class is an application of MIDI, synthesizer programming, sampling, computer sequencing, notation, and computer programming. The course covers the history of electronic music and its evolution with respect to technology. Short compositions will be required of all students. Individual lab time is provided. This course is not open to students who have received credit in MUS 145. Transfer Credit: CSU

MUS 145
ELECTRONIC SYNTHESIZER II 1.0 UNIT
Class hours: 1.0 Lecture/6.0 Laboratory
Prerequisite: MUS 144 or MUS 144A or equivalent with a grade of “C” or higher or “Pass”.
This course is a continuation of tape studio practices, digital recording, synthesizer performance, and computer based recording and processing. This course is not open to students who have received credit in MUS 145. Transfer Credit: CSU

MUS 145A
LIVE SOUND TECHNIQUES  2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: MUS 110 or equivalent with a grade of “C” or higher or “Pass”.
This course provides an overview of live concert sound
reinforcement. Topics include sound system theory and its application. The course covers individual sound system component operation, including microphones, mixers, effects, power amplifiers, and speaker systems. This course offers opportunities for hands-on experiences in troubleshooting, sound checking, and mixing sound for live performance applications. Students are expected to mix live performances.
Transfer Credit: CSU

MUS 146
RECORDING TECHNIQUES 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Recommendation: MUS 105 or equivalent with a grade of “C” or higher or “Pass”.
This course introduces the student to the methods of audio recording for the performing arts. It includes the technical, as well as the artistic, aspects of recording. Emphasis will be placed on the practical use of audio equipment both in a studio situation and on location.
Transfer Credit: CSU

MUS 146A
RECORDING TECHNIQUES 2.0 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: MUS 110 or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: Completion of ENGL 52 or ENGL 72 or ESL 152 or equivalents with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.
This course covers the methods of audio recording in studio and live environments. It includes the technical, as well as the artistic, aspects of recording. Emphasis will be placed on the practical use of audio equipment both in a studio situation and on location. Several recordings will be required of all students. Individual lab time is provided. This course is not open to students who have received credit in MUS 146.
Transfer Credit: CSU

MUS 146B
MIXING TECHNIQUES 2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: MUS 146A or MUS 146 or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.
This course covers the methods of audio mixing in the studio, covering a variety of music genres. It includes the technical, as well as the artistic, aspects of mixing. Emphasis will be placed on the practical mixing strategies and techniques. Students will supervise at least one recording session and provide a mix of that session. Several mix projects in varying genres will be required of all students. Individual lab time is provided.
Transfer Credit: CSU

MUS 147
BASIC APPLIED MUSIC 1.0 UNIT
Class hours: 1.0 Lecture/6.0 Laboratory
Corequisite: Enrollment in a music performance course related to the student’s private study: MUS 200E, or 201E, or 202E, or 203E, or 204E, or 205E, or 206E, or 207E, or 208E, or 209E, or 210E, or 211E, or 213E, or 216E, or 217E, or 218E, or 219E.
This course offers individuals instruction in voice, piano, or band/orchestral instruments with an assigned instructor on the applied music staff. Emphasis will be placed on study at the beginning level of technique and repertoire. It includes one hour per week recital attendance and one hour individual lesson per week. Performance for a faculty jury will be required at the end of the semester.
Transfer Credit: CSU; UC

MUS 148
PRIVATE STUDY/TECHNIQUE 1.0 UNIT
Class hours: 1.0 Lecture/6.0 Laboratory
Prerequisite: Audition Required or MUS 147 with a grade of “C” or higher.
This course offers individuals instruction in voice, piano, band/orchestral instrument with an assigned instructor on the applied music staff. Emphasis will be placed on technique development at the intermediate level necessary to form stronger musical skills and technical facility. Includes one hour per week recital attendance and one hour individual lesson per week. Performance for a faculty jury will be required at the end of the semester. This course is not open to students who have completed MUS 149 or 150 or 151.
Transfer Credit: CSU; UC
C-ID: MUS 160

MUS 149
PRIVATE STUDY/MUSICAL PREPARATION 1.0 UNIT
Class hours: 1.0 Lecture/6.0 Laboratory
Prerequisite: Audition Required or MUS 148 with a grade of "C" or higher.
Corequisite: Enrollment in a music ensemble: MUS 200E - MUS 208E, MUS 210E - MUS 213E, MUS 217E, or MUS 219E
AND Enrollment in music theory: MUS 180, MUS 181, MUS 280, or MUS 281.

This course offers individual instruction in voice, piano, or band/orchestral instruments with an assigned instructor on the applied music staff. Emphasis is on musical preparation of musical style and interpretation for the intermediate student. Repertoire will be representative of various periods and composers. It includes one hour per week recital attendance and one hour individual lesson per week.

Performance for a faculty jury will be required at the end of the semester. This course is not open to students who have completed MUS 150 or 151.

Transfer Credit: CSU; UC
C-ID: MUS 160

MUS 150
PRIVATE
STUDY/PERFORMANCE PRACTICE 1.0 UNIT
Class hours: 1.0 Lecture/6.0 Laboratory
Prerequisite: Audition Required or MUS 149 with a grade of "C" or higher.
Corequisite: Enrollment in a music ensemble: MUS 200E - MUS 208E, MUS 210E - MUS 213E, MUS 217E, or MUS 219E
AND Enrollment in music theory: MUS 180, MUS 181, MUS 280, or MUS 281.

This course offers individual instruction in voice, piano, traditional band or an orchestral instrument with an assigned instructor on the applied music staff. Emphasis is on performance practice and continued study of advanced repertoire representative of various periods and composers. It includes one hour per week recital attendance and one hour individual lesson per week.

Performance for a faculty jury will be required at the end of the semester. Course is not open to students who have completed MUS 151.

Transfer Credit: CSU; UC
C-ID: MUS 160

MUS 151
PRIVATE STUDY/RECITAL PREPARATION 1.0 UNIT
Class hours: 1.0 Lecture/6.0 Laboratory
Prerequisite: Audition Required or MUS 150 with a grade of "C" or higher.
Corequisite: Enrollment in a music ensemble: MUS 200E - MUS 208E, MUS 210E - MUS 213E, MUS 217E, or MUS 219E
AND Enrollment in music theory: MUS 180, MUS 181, MUS 280, or MUS 281.

This course offers individual instruction in voice, piano, traditional band or an orchestral instrument with an assigned instructor on the applied music staff. This level of the applied music program provides advanced development of musical skills and knowledge, performance practice, and technique within a recital activity. It includes one hour per week recital attendance and one hour individual lesson per week.

Performance for a faculty jury will be required at the end of the semester.

Transfer Credit: CSU; UC
C-ID: MUS 160

MUS 152
THE ART OF TEACHING BEGINNING PIANO 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: MUS 112 and MUS 105 or equivalent with a grade of "C" or higher or "Pass".

The course introduces basic principles of successful piano teaching at the beginning level. Special problems encountered in teaching will be addressed. Emphasis will be placed on private and group piano teaching methods, personal development as a teacher and musician, analyzing and selecting appropriate literature, development of technique and reading ability in beginning-level students.

Transfer Credit: CSU

MUS 153
THE ART OF TEACHING INTERMEDIATE PIANO 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: MUS 152 or equivalent with a grade of "C" or higher or "Pass".

The course advances students' knowledge of principles and skills essential to teaching piano at the intermediate level. Emphasis will be on continued development of technique and reading ability in intermediate level students; private and group piano teaching methods; selection of intermediate literature; Baroque, Classical, Romantic and 20th century styles; studio organization and personal development as teacher and musician.

Transfer Credit: CSU

MUS 155
MUSIC ENTREPRENEURSHIP 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: MUS 135 or equivalent with a grade of "C" or higher or "Pass".

This course explores the elements and development of business plans, business structure, finances, marketing, and management for a career in the music industry as a performer, producer, songwriter, or educator. Students will learn
entrepreneurial tools particular to the music industry that will assist in creating new ventures and realize a career path. This course explores New Media and online methods for promotion, distribution, and publishing. Students will be required to design a business plan along with a resume for employment.

Transfer Credit: CSU

MUS 156
CONTEMPORARY MUSIC NOTATION 2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: MUS 105 or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the ENGL assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.

This course trains students in the craft and technique of music notation. Students will learn to create professional-quality vocal scores, lead sheets, piano reductions, arrangements, tablatures, and worksheets. Students will learn practical techniques and workflows to produce manuscripts with computer notation software. Topics include transpositions, part creation, and working from MIDI files.

Transfer Credit: CSU

MUS 157
AUDIO SYSTEMS DESIGN 2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: MUS 110 or 145A or 146A or equivalent with a grade of “C” or higher or “Pass”.

This course trains students to design, implement, and support professional audio systems for studio, theatrical, and outdoor venues. Topics include sound system theory and integration. The course covers analog, digital, and network sound system component design, operation, and diagnostics. This course offers opportunities for hand-on experiences in designing and implementing sound systems for a variety of situations. Students will create several projects for different audio environments.

Transfer Credit: CSU

MUS 171
OCCUPATIONAL WORK EXPERIENCE IN MUSIC 1.0 UNIT
Class hours: 1.0 Work Experience
Recommendation: None.

Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. This creates greater communication with increased understanding between the students/workers, the college, and the employers/trainers.

First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths.

Semester projects that relate to their major and job skills must be completed on the job/training site. Students will meet weekly with the instructor until their approved projects are completed. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

One unit of Occupational Work Experience in Music requires 60 non-paid hours or 75 paid hours of work per semester.

Transfer Credit: CSU

MUS 180
MUSIC THEORY/MUSICIANSHIP I 4.0 UNITS
Class hours: 4.0 Lecture/1.0 Laboratory
Prerequisite: MUS 105 or equivalent with a grade of “Pass” or “C” or higher.

This is a course in music theory and Musicianship. The course incorporates the basic skills of note reading, major and minor scales and key signatures, intervals, and triads to facilitate the study of diatonic triadic harmony, four-voice harmony, voice leading, and figured bass symbols. All concepts will be presented in theoretical examples and actual music. All theoretical concepts will be studied through practical applications including sight singing, ear training, dictation, rhythm exercises, and keyboard harmony. Development of handwritten music notation is expected. This course is not open to students who have received credit in MUS 106.

Transfer Credit: CSU; UC C-ID: MUS 120

MUS 181
MUSIC THEORY/MUSICIANSHIP II 4.0 UNITS
Class hours: 4.0 Lecture/1.0 Laboratory
Prerequisite: MUS 106 or MUS 180 or equivalent with a grade of “C” or higher or “Pass”

This is a course in music theory and musicianship dealing with advanced diatonic harmony. The course covers the major topics of inversions, nonharmonic tones, seventh chords, and diatonic modulation through the study of four-voice harmony, voice
leading, and figured bass symbols. All concepts will be presented in theoretical examples and actual music. All theoretical concepts will be studied through practical applications including sight singing, ear training, dictation, rhythm exercises, and keyboard harmony. This course is not open to students who have received credit in MUS 107. Transfer Credit: CSU; UC C-ID: MUS 130, 135

MUS 200E
BEGINNING BAND 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory

The beginning band is dedicated to the performance of beginning band literature. Emphasis will be placed upon the development of individual musicianship through both large group and small group rehearsal. Musical compositions of a wide variety will be studied. Introduction to ensemble performance and rehearsal techniques is studied. This course may be taken a maximum of 4 times. Transfer Credit: CSU C-ID: MUS 180

MUS 201E
CONCERT BAND 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory

Prerequisite: Audition.
The concert band is dedicated to the performance of standard band literature. Emphasis will be placed upon the development of individual musicianship through both large group and small group rehearsal. Musical compositions of a wide variety of styles will be studied. Ensemble performance and rehearsal techniques are studied. This course may be taken a maximum of 4 times. Transfer Credit: CSU; UC C-ID: MUS 180

MUS 202E
COMMUNITY SYMPHONIC BAND 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Audition.
This is a concert band playing the finest traditional and contemporary band literature available. Emphasis is on a high degree of individual musicianship and fine ensemble playing. Required participation in concerts may include both on-campus and off-campus events. This course may be taken a maximum of 4 times. Transfer Credit: CSU C-ID: MUS 180

MUS 203E
COMMUNITY BAND 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Audition.
The community band is dedicated to the performance of popular, family-oriented literature. Emphasis will be placed upon the development of individual musicianship through both large group and small group rehearsal. Musical compositions of a wide variety of styles will be studied. Ensemble performance and rehearsal techniques are studied. This course may be taken a maximum of 4 times. Transfer Credit: CSU; UC C-ID: MUS 180

MUS 204E
ORCHESTRA 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Audition.
The orchestra is dedicated to the performance of standard orchestral literature. Emphasis will be placed upon the development of individual musicianship through both large group and small group rehearsal. Musical compositions of a wide variety of styles will be studied. Required participation in concerts may include both on-campus and off-campus events. This course may be taken a maximum of 4 times. Transfer Credit: CSU C-ID: MUS 180

MUS 205E
COMMUNITY ORCHESTRA 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory

This community orchestra course is dedicated to the performance of standard orchestral literature. Emphasis will be placed upon the development of individual musicianship through both large group and small group rehearsal. Musical compositions of a wide variety of styles will be studied. Required participation in concerts may include both on-campus and off-campus events. This course may be taken a maximum of 4 times. Transfer Credit: CSU; UC C-ID: MUS 180

MUS 206E
STAGE BAND 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Audition.
This course is designed for the student desiring to enter the fields of professional dance music, radio, or theatre orchestra work. Opportunity is provided for practical experience in organizing instrumental combinations of all kinds and sizes. Training is given in standard dance-band phrasing and improvisation. Nationally-known guest artists...
appear with the group, and opportunities are provided to make professionally-engineered recordings. This course may be taken a maximum of 4 times. Transfer Credit: CSU C-ID: MUS 180

MUS 207E JAZZ ENSEMBLE 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Audition.

The community jazz ensemble is dedicated to the performance of standard jazz band literature. Emphasis will be placed upon the development of individual musicianship through both large group and small group rehearsal. Musical compositions of a wide variety of styles will be studied. Required participation in concerts may include both on-campus and off-campus events. This course may be taken a maximum of 4 times.

Transfer Credit: CSU
C-ID: MUS 180

MUS 208E POP/ROCK LATIN ENSEMBLE 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Audition.

This course will provide the students an opportunity to learn and perform contemporary music with an emphasis on pop, rock, and Latin musical styles. Aspects to be considered will include style, repertoire, instrumentation, equipment, visual presentation, and management. This course may be taken a maximum of 4 times.

Transfer Credit: CSU; UC C-ID: MUS 180

MUS 209E PEP BAND 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory

Recommendation: Music background preferred.

The pep band provides entertainment music before and during home football games in the fall season. Additional performances may include both on-campus and off-campus events. This course may be taken a maximum of 4 times.

Transfer Credit: CSU

MUS 210E STRING ENSEMBLE 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Audition

This class provides each individual student the opportunity to learn and execute the principles of string ensemble playing that only intimate chamber music can provide. Among the topics covered will be musical styles, phrasing, balance and blending techniques, intonation, rehearsal techniques, and performance experience. This course may be taken a maximum of 4 times.

Transfer Credit: CSU
C-ID: MUS 180

MUS 211E WOODWIND ENSEMBLE 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Audition

This class provides each individual student the opportunity to learn and execute the principles of woodwind ensemble playing that only intimate chamber music can provide. Among the topics covered will be musical styles, phrasing, balance and blending techniques, intonation, rehearsal techniques, and performance experience. This course may be taken a maximum of 4 times.

Transfer Credit: CSU

MUS 212E BRASS ENSEMBLE 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Audition.

This class provides each individual student the opportunity to learn and execute the principles of brass ensemble playing that only intimate chamber music can provide. Among the topics covered will be musical styles, phrasing, balance and blending techniques, intonation, rehearsal techniques, and performance experience. This course may be taken a maximum of 4 times.

Transfer Credit: CSU

MUS 213E PERCUSSION ENSEMBLE 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Audition.

This class provides each individual student the opportunity to learn and execute the principles of percussion ensemble playing that only intimate chamber music can provide. Among the topics covered will be musical styles, phrasing, balance and blending techniques, intonation, rehearsal techniques, and performance experience. This course may be taken a maximum of 4 times.

Transfer Credit: CSU

MUS 216E PIANO ENSEMBLE 1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: MUS 112 or equivalent with a grade of “C” or higher or "Pass".

This course will survey various origins and history of piano ensemble repertoire. Emphasis on development of basic technical skills, sight reading, transposition, improvisation,
correct harmonization of melodies with piano accompaniments, principles of accompanying soloists and ensemble playing. This course may be taken a maximum of 4 times.
Transfer Credit: CSU
C-ID: MUS 180

MUS 217E
GUITAR ENSEMBLE  1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: MUS 120 or equivalent with a grade of “C” or higher or “Pass”.
This course is for the intermediate and advanced guitar student, who will gain experience performing music in ensemble situations. Emphasis is given in achieving a professional level of musicianship. Students will be required to perform two concerts, attend extra rehearsals, perform in festivals, practice in music department facilities and provide concert music for campus events. This course may be taken a maximum of 4 times.
Transfer Credit: CSU
C-ID: MUS 180

MUS 218E
COMMUNITY CHORUS  1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
This choral ensemble is designed for the student who has had little or no previous vocal experience. Emphasis will be placed on the development of individual musicianship through the study of musical styles, vocal concepts, and repertoire. A variety of traditional choral music ranging from the Renaissance to the twentieth century, and beyond will be studied and performed with a particular emphasis on major choral works. Required participation in concerts may include both on-campus and off-campus events. This course may be taken for a maximum of 4 times.
Transfer Credit: CSU
C-ID: MUS 180

MUS 219E
COLLEGIATE CHORALE  1.0 UNIT
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Audition.
This choral ensemble is designed for the student who has had some previous vocal experience. Emphasis will be placed on the development of individual musicianship through the study of musical styles, vocal concepts, and repertoire. A variety of traditional choral music ranging from the Renaissance to the twentieth century, and beyond will be studied and performed with a particular emphasis on major choral works. Required participation in concerts may include both on-campus and off-campus events. This course may be taken a maximum of 4 times.
Transfer Credit: CSU

MUS 244A
AUDIO FOR FILM, TV, AND GAMES  2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: MUS 144B or MUS 145 and MUS 146B or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.
This course introduces students to traditional and MIDI orchestration techniques as it pertains to the film, television, and gaming industries. The course will also cover the history of film music and its technological evolution. Students will learn the elements and sound of orchestral and vocal ensembles. Students will create “mock” scores using MIDI and sample libraries in a variety of styles. The course will focus on creating realistic sounding musical scores using sequencers.
Transfer Credit: CSU

MUS 280
MUSIC THEORY/MUSICIANSHIP III  4.0 UNITS
Class hours: 4.0 Lecture/1.0 Laboratory
Prerequisite: MUS 107 or MUS 181 or equivalent with a grade of “C” or higher or “Pass”.
This is a course in music theory and musicianship dealing with chromatic harmony. The course covers all aspects of chromatic and extended tertian harmony in advanced four-part harmony
and analysis of music examples. Secondary dominants, borrowed chords, Neapolitan triads, augmented sixth chords, and advanced modulation techniques are studied. All theoretical concepts also will be studied through practical applications including sight singing, ear training, dictation, rhythm exercises, and keyboard harmony. This course is not open to students who have received credit in MUS 108.

Transfer Credit: CSU; UC C-ID: MUS 140, 145

MUS 281
MUSIC THEORY/ MUSICIANSHIP IV 4.0 UNITS
Class hours: 4.0 Lecture/1.0 Laboratory
Prerequisite: MUS 108 or MUS 280 or equivalent with a grade of “C” or higher or “Pass”

This is a course in music theory and musicianship dealing with advanced chromatic harmony and contemporary composition techniques of the twentieth and twenty-first centuries. The course covers the major topics of enharmonic modulation, modes and modal composition, impressionism, jazz, and atonal styles. The course also includes an overview of electronic music composition and techniques. All concepts will be presented in theoretical examples and actual music. All theoretical concepts will be studied through practical applications including sight singing, ear training, dictation, rhythm exercises, and keyboard harmony. Students will compose music in a variety of twentieth and twenty-first century styles. This course is not open to students who have received credit in MUS 109.

Transfer Credit: CSU; UC C-ID: MUS 150

MUS 298
DIRECTED STUDIES 1.0 UNITS
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

MUS 299
DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

NEW PRODUCT DEVELOPMENT (NPD) (Technology Division)

NPD 100
PRODUCT DEVELOPMENT IN A GLOBAL ECONOMY 3.0 UNITS
Class hours: 3.0 Lecture
This course will introduce students to product development in a global economy. Students will learn about identifying customer needs, generating specifications, selecting concepts, selecting a fabrication or procurement process, generating a prototype, and testing the product. Emphasis will be placed on the lean product development system model and how to integrate suppliers, either local or global, into the product development process.

Transfer Credit: CSU

NPD 101
INNOVATION USING RAPID PROTOTYPING 3.0 UNITS
Class hours: 3.0 Lecture
This course will introduce students to innovation using rapid prototyping methodologies. Students will learn how to produce parts that were created with computer assisted design programs. The focus of the class will be on feasibility, post-production, finishes, and expansion to low volume production methods. Plastic, composite, and metallic materials will be investigated for prototyping.

Transfer Credit: CSU
NPD 102
QUALITY SYSTEMS FOR NEW PRODUCT DEVELOPMENT 3.0 UNITS
Class hours: 3.0 Lecture
This course is a survey of International Standards Organization (ISO) requirements for New Product Development. Students will learn about the relationship between quality systems during new product development and the importance of registration. Emphasis will be placed on how to implement ISO standards and recognized how auditors interpret them.
Transfer Credit: CSU

NPD 103
TOOLING AND MATERIALS FOR NEW PRODUCT DEVELOPMENT 3.0 UNITS
Class hours: 3.0 Lecture
This course will introduce students to the tooling and materials used in new product development. Students will learn about metallic and non-metallic materials used in the design of tooling. Emphasis will be placed on the lean development of tooling and how to integrate suppliers to reduce overall cost of product development.
Transfer Credit: CSU

NPD 105
MECHATRONICS INTEGRATION IN NEW PRODUCT DEVELOPMENT 3.0 UNITS
Class hours: 3.0 Lecture
This course will introduce students to electronic and electrical systems and their integration in new products. Students will learn about the role of electronics and electrical sub-systems in digital new product development. Emphasis will be placed on understanding routing, bill of materials, wire harnesses, inputs and outputs of printed circuit boards and integration in control boxes or design parts.
Transfer Credit: CSU

NPD 106
SAFETY IN NEW PRODUCT DEVELOPMENT 2.0 UNITS
Class hours: 2.0 Lecture
This course will introduce students to safety concerns in new product development. Students will learn about the type of hazards and their effects in product and process design. Emphasis will be placed on recognizing hazards that impact product development and how to devise controls to minimize risk and increase compliance to standards.
Transfer Credit: CSU

NPD 107
AUTOMATION IN NEW PRODUCT DEVELOPMENT 2.0 UNITS
Class hours: 2.0 Lecture
This course will introduce students to automation in new product development. Students will learn about the control logic needed in sequencing control and timers for new product and process design. Emphasis will also be placed on electro and pneumatic power, pressure, flow and speed control.
Transfer Credit: CSU

NPD 108
HUMAN MAN INTERFACES IN NEW PRODUCT DEVELOPMENT 2.0 UNITS
Class hours: 2.0 Lecture
This course will introduce students to human man interfaces in new product development. Students will learn about the design of interfaces for new product and process design. Emphasis will be placed on the output to the human man interface to provide feedback on the physical process. Tool operator adjustments using the interface to programmable logic controllers will also be introduced.
Transfer Credit: CSU

NURSING (NRSG)
(Health Occupations Division)
NRSG 3 (Not Degree Applicable)
PREPARING FOR NURSING 2.0 UNITS
Class hours: 2.0 Lecture
This course is designed for students planning to enter the nursing career. Content includes how to use time and other resources to become a successful nursing student. Overviews of nursing career options and educational pathways are presented, along with trends affecting nursing’s future. Students are introduced to communication skills for use with a diverse student and patient population.

NRSG 5 (Not Degree Applicable)
REMOVING BARRIERS TO SUCCESS IN NURSING 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: Completing prerequisite coursework for the Cerritos College Nursing Program and need to take the ATI TEAS Diagnostic Assessment Exam. Recommendation: Achieved a non-passing score on the ATI TEAS Diagnostic Assessment Exam and is completing a remediation plan to retake the exam in the near future.
This course is designed to facilitate the success of students pursuing entry into a nursing program who did not reach the benchmark score on the diagnostic assessment test. The aim of the course is to aid students in identifying and
strengthening areas needed in academic preparation for a nursing program, as well as to develop critical thinking and study skills essential to success. Resources available to facilitate student success will be identified and explored. This course is offered on a pass/no pass basis only.

NRSG 25 (Not Degree Applicable)
CLINICAL WORKSHOP 10.5 UNIT
Class hours: 0.3 Lecture/1.8 Laboratory
Prerequisite: Current license as a Licensed Psychiatric Technician or Licensed Vocational Nurse or completion of one or more nursing core courses in an approved/accredited nursing program.

The purpose of this course is to provide the nursing applicant with theoretical concepts and skill demonstration and practice related to clinical competency necessary for advanced assessment/placement students entering the first year of the nursing program. Included are assessment processes and individualized planning to assist the student in attaining the necessary level of skills competence to support success in the nursing program. This course is offered on a credit/no credit basis only.

NRSG 48T (Not Degree Applicable)
ELECTIVE NURSING - TUTORIAL 0.5 UNIT
Class hours: 2.0 Laboratory
Prerequisite: Admission to the Nursing Program.

This course is designed as an elective course to facilitate the development of nursing skills that are taught in the Nursing Program. This course is also designed to assist students who need time to practice nursing skills to achieve mastery in performance in a supervised lab setting through individualized and mediated instruction. It is open to students in continuous enrollment, readmitted, or transferring into the Nursing Program. This course is offered on a pass/no pass basis only. (Formerly NRSG 47T, AED 90.47, NRSG 47).

NRSG 57LA
BEGINNING NURSING SKILLS LAB 1.0 UNIT
Class hours: 3.0 Laboratory
Corequisite: NRSG 210 or NRSG 212

This course is designed to facilitate student learning of first semester basic nursing concepts and skills, beginning medication practices, and physical assessment through individualized and peer-, group-, and computer-mediated instruction. This course is offered on a pass/no pass basis only. (Formerly NRSG 47T, AED 90.47, NRSG 47).

NRSG 57LB
INTERMEDIATE NURSING SKILLS LAB 1.0 UNIT
Class hours: 3.0 Laboratory
Corequisite: NRSG 220 or NRSG 222

This course is designed to reinforce basic skills and facilitate learning of second semester intravenous therapy and medication administration concepts and skills for adults, children, and infants through individualized and peer-, group-, and computer-mediated instruction. This course is offered on a pass/no pass basis only.

NRSG 57LC
ADVANCED INTERMEDIATE NURSING SKILLS LAB 1.0 UNIT
Class hours: 3.0 Laboratory
Corequisite: NRSG 230 or NRSG 232

This course is designed to reinforce prior learning and facilitate student learning of third semester advanced intermediate parenteral therapy, central line, and assessment skills and concepts through individualized and peer-, group-, and computer-mediated instruction. This course is offered on a pass/no pass basis only.

NRSG 57LD
ADVANCED NURSING SKILLS LAB 1.0 UNIT
Class hours: 3.0 Laboratory
Corequisite: NRSG 240 or NRSG 242

This course is designed to reinforce prior learning and facilitate student learning of fourth semester advanced
parenteral therapy medication administration, intravenous access, and assessment skills and concepts through individualized and peer-, group-, and computer-mediated instruction. This course is offered on a pass/no pass basis only.

NRSG 80
NURSING PROCESS DOCUMENTATION 1.0 UNIT
Class hours: 1.0 Lecture/0.5 Laboratory
Prerequisite: NRSG 210 or equivalent with a grade of “C” or higher or “Pass” or admission to the Nursing Program.

The focus of this course is on the documentation of the physical and psychosocial assessment of patients utilizing the Nursing process. Emphasis is also placed on the reporting and recording of assessment findings using appropriate medical terminology applicable to the clinical nursing setting.

NRSG 200
PHARMACOLOGY FOR NURSES 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: A&P 150 and A&P 151 or equivalent with grades of “C” or higher or “Pass”.

This course introduces the student to the fundamentals of pharmacology as they relate to the nursing management of drug therapy. Prototype drugs, selected from the major drug classes, are used to illustrate important drug facts. Core drug knowledge is integrated with core patient knowledge to provide a framework for nursing management in drug therapy. Transfer Credit: CSU

NRSG 210
FUNDAMENTALS OF NURSING 5.0 UNITS
Class hours: 3.0 Lecture/6.0 Laboratory
Corequisite: NRSG 211
Prerequisite: Admission to Nursing Program.

The focus of this course is on the introduction of theory and beginning clinical application of the Nursing process and the Roy Adaptation Model when providing care for geriatric patients. Emphasis is also placed on the beginning application of therapeutic communication techniques and the acquisition of adult physical assessment skills and fundamental concepts and skills required for patient care. Students are evaluated using the Educational Competencies for Graduates of Associate Degree Nursing Programs as identified by the National League for Nursing Task Force. The student must receive a grade of “C” or higher in the lecture component and a satisfactory grade in clinical lab to pass the course. Transfer Credit: CSU

NRSG 211
INTRODUCTION TO THEORETICAL FRAMEWORK 1.0 UNIT
Class hours: 1.0 Lecture
Prerequisite: Admission to the Nursing Program or possession of an active Licensed Psychiatric Technician License.

This course introduces beginning nursing students and Licensed Psychiatric Technicians to the theoretical framework used in the Cerritos College Nursing Program. The Nursing process as a dynamic, systematic way of delivering patient care is defined and demonstrated. Students are introduced to concepts central to nursing theory and elements of the Roy Adaptation Model. Students learn to integrate the Nursing process and Roy Adaptation Model into clinical nursing practice when planning and providing patient care. The student must receive a grade of Credit or “C” or higher to pass this course. Transfer Credit: CSU

NRSG 212
MEDICAL-SURGICAL NURSING I 5.0 UNITS
Class hours: 2.5 Lecture/7.5 Laboratory
Prerequisite: NRSG 210 or equivalent with a grade of “C” or higher or “Pass”. For Option B students: Possession of an active Licensed Psychiatric Technician license and admission to the Nursing Program

Corequisite: NRSG 211 may be taken prior to admission or concurrent Recommendation: NRSG 200 or NRSG 213A or equivalent with a grade of “C” or higher or “Pass”.

The focus of this course is on the theory and clinical application of the Nursing process based on the Roy Adaptation Model when providing care for acutely ill medical-surgical patients with specific conditions. Adult physical assessment skills continue to be applied to patients in an acute care setting. The student must receive a grade of “C” or higher in the lecture component and a satisfactory grade in clinical lab in order to pass the course. Transfer Credit: CSU

NRSG 213A
MAJOR DRUGS AND NURSING MANAGEMENT I 0.5 UNIT
Class hours: 0.5 Lecture
Prerequisite: Admission to the Nursing Program.

This course introduces the student to the nursing management of drug therapy. Prototype drugs, selected from the major drug classes, are used to illustrate important drug facts. Core drug knowledge
is integrated with core patient knowledge to provide a framework for nursing management in drug therapy. (Formerly NRSG 213)
Transfer Credit: CSU

NRSG 213B
MAJOR DRUGS AND NURSING MANAGEMENT II 1.0 UNIT
Class hours: 1.0 Lecture
Prerequisite: NRSG 213A or equivalent with a grade of “C” or higher or “Pass”.

This course continues the study of the fundamentals of pharmacology as it relates to the nursing management of drug therapy. Prototype drugs, selected from the major drug classes, are used to illustrate important drug facts.
Transfer Credit: CSU

NRSG 215
ADVANCED PLACEMENT BRIDGE 1.0 UNIT
Class hours: 1.0 Lecture
Prerequisite: An active LVN license or current enrollment in a vocational or registered nursing program or completion of one or more Associate Degree Nursing or Bachelor of Science in Nursing courses with a grade of “C” or higher or “Pass”. Recommendation: Completion of READ 54, ENGL 52, and MATH 60 or equivalent with grade of “C” or higher or “Pass” or successful completion of the college assessment/placement process.

This course introduces Licensed Vocational Nurses and students transferring from other nursing programs to the theoretical framework used in the Cerritos College Nursing Program. The Nursing process as a dynamic, systematic way of delivering patient care is defined and demonstrated. Elements of the Roy Adaptation Model for Nursing are taught as the basis for assessing patient care needs. Students learn to apply the Nursing process and Roy Adaptation Model to clinical practice when planning and providing nursing care. Content also includes communication theory and application, client teaching concepts, assertion theory, and critical thinking foundational skills.
Transfer Credit: CSU

NRSG 220
MEDICAL-SURGICAL NURSING 3 5.5 UNITS
Class hours: 3.0 Lecture/7.5 Laboratory
Prerequisite: NRSG 211, NRSG 212 and NRSG 213A or equivalent with a grade of “C” or higher or “Pass”. For Option B and E students.
Prerequisite: Admission to the Nursing Program.
The focus of this course is on the theory and clinical application of the Nursing process based on the Roy Adaptation Model when providing care for medical-surgical patients and patients with women’s health disorders in acute care settings. The role of the nurse as a manager of care in collaboration with other members of the healthcare team is introduced. The student must receive a grade of “C” or higher in the lecture component and a satisfactory grade in clinical lab in order to pass the course.
Transfer Credit: CSU

NRSG 230
PSYCHOSOCIAL AND COMMUNITY NURSING 5.0 UNITS
Class hours: 3.0 Lecture/6.0 Laboratory
Prerequisite: NRSG 222 or equivalent with a grade of “C” or higher or “Pass”. For Option C, D, E and F students: Admission to the Nursing Program.
The focus of this course is on the theory and clinical application of the Nursing process based on the Roy Adaptation Model when caring for clients in psychiatric and community-based settings. The student must receive a grade of “C” or higher in the lecture component and a satisfactory grade in clinical lab in order to pass the course.
Transfer Credit: CSU

NRSG 232
MEDICAL-SURGICAL NURSING 4 5.0 UNITS
Class hours: 2.5 Lecture/7.5 Laboratory
Prerequisite: NRSG 230 or equivalent with a grade of “C” or higher or “Pass”. For Option C, D, and E students: Admission to the Nursing Program.
The focus of this course is on the theory and clinical application of the Nursing process and the Roy Adaptation Model when providing care for patients with complex medical-surgical conditions in acute
care settings. Continued
emphasis is placed on the role
of the nurse as a manager of
care in collaboration with other
members of the healthcare
team. The student must receive
a “C” grade or better in the
lecture component and a
satisfactory grade in clinical lab
in order to pass the course.
Transfer Credit: CSU

NRSG 240
MEDICAL-SURGICAL NURSING
5.0 UNITS
Class hours: 2.5 Lecture/7.5
Laboratory
Prerequisite: NRSG 232 or
equivalent with a grade of “C” or
higher or “Pass”. For Option E
and F students: Admission to
the Nursing Program.

The focus of this course is on
the theory and clinical
application of the Nursing
process and the Roy Adaptation
Model when providing care for
patients with increasingly
complex medical-surgical
conditions in acute care
settings and exposure to
specialty care areas. The role of
the nurse as a manager of care
continues to be emphasized
with increased focus on
organization, leadership, and
deviation skills. The student
must receive a grade of “C” or
higher in the lecture
component and a satisfactory
grade in clinical lab in order to
pass the course.
Transfer Credit: CSU

NRSG 242
PROFESSIONAL ROLE
TRANSITION
3.0 UNITS
Class hours: 0.5 Lecture/7.7
Laboratory
Prerequisite: NRSG 240 or
equivalent with a grade of “C” or
higher or “Pass”.

The focus of this course is on
the theory and clinical
application of the Nursing
process when providing care for
medical-surgical patients in
the acute care setting. This
course facilitates the transition
from student nurse to graduate
nurse. The student participates
as a preceptor member of the
healthcare team and assumes
responsibility for a group of
patients under the direct
supervision of a registered
nurse. Course content includes
legal and ethical issues related
to nursing practice. By the end
of this course, the graduate is
expected to function
satisfactorily within the
Educational Competencies for
Graduates of Associate Degree
Nursing Programs as identified
by the National League for
Nursing Task Force. The student
must receive a grade of “C” or
higher in the lecture
component and a satisfactory
grade in clinical lab in order to
pass the course.
Transfer Credit: CSU

NRSG 251
BASIC ADULT PHYSICAL
ASSESSMENT
1.0 UNIT
Class hours: 0.5 Lecture/1.5
Laboratory
Prerequisite: Current or prior
enrollment in an accredited
nursing program or licensure as
a health care provider.

This course focuses on physical
examination of healthy adults
stressing identification of
normal and common abnormal
findings in diverse populations.
Variations due to normal age-
related changes are presented.
Examination techniques and
elements of assessing
functional, cognitive, and fluid
status are introduced. Analysis
of findings with clinical
application is emphasized from
the perspective of the entry-
level Registered Nurse. Basic
physical examination is limited
to selected body structures
within the following organ
systems: integumentary,
sensory, respiratory,
cardiovascular,
gastrointestinal,
musculoskeletal, and
neurological. This course is
offered on a pass/no pass basis
only.

NRSG 298
DIRECTED STUDIES
1.0 UNIT
Class hours: 3.0 Independent
Study

A course to provide opportunity
for individual research and field
projects under the direction of a
faculty member in a given
department. With the guidance
of the faculty member, students
prepare and carry out a written
learning agreement describing
the purposes and outcomes of
the project. Students should
expect to meet with the
supervising faculty member
one to two hours each week for
conferences. Credit is based
upon the number of hours in
the semester expected to
complete the project (1 unit for
54 hours). This course may be
taken a maximum of 2 times.
For selected disciplines, UC
transfer credit may be possible
after admission to a UC
campus, pending review of
appropriate course materials by
UC staff. See a counselor for an
explanation.

PHARMACY TECHNOLOGY (PHAR)
(Health Occupations Division)

PHAR 45 (Not Degree Applicable)
RETAIL PRODUCTS FOR PHARMACY CLERKS 2.0 UNITS
Class hours: 2.0 Lecture
This course provides basic knowledge about Over-the-Counter (OTC) products in relation to their accepted therapeutic uses. Students will understand the steps involved in safely choosing a non-prescription product.

PHAR 50
PHARMACEUTICS 1.5 UNITS
Class hours: 1.5 Lecture
Prerequisite: HO 56 or equivalent with a grade of “C” or higher or “Pass”.
This course is designed to develop the practical application of fundamentals of measurements and mathematics utilized by the pharmacy technician.

PHAR 55
PHARMACY INTRODUCTION 1.5 UNITS
Class hours: 1.5 Lecture
Corequisite: PHAR 56
This introductory course is designed to provide the student with an overview of the pharmacy profession and the role of the pharmacist, pharmacy technician, and pharmacy clerk in all pharmacy settings. Students will be introduced to pharmacy law and will learn how to read and process prescriptions. This course is not open to students who have received credit for PHAR 60.

PHAR 56
PHARMACY SKILLS LAB INTRODUCTION 0.5 UNIT
Class hours: 0.5 Lecture/1.0 Laboratory
Corequisite: PHAR 55
This course is designed to provide the student with hands-on experience working with a computerized Pharmacy Management System in the retail setting. This course is not open to students who have received credit for PHAR 60L.

PHAR 57
PHARMACY OPERATIONS I 1.5 UNITS
Class hours: 1.5 Lecture
This course is designed for the student to develop the interpersonal communication skills needed to work in a pharmacy setting dealing with patients, pharmacists, and coworkers. Students will also develop a basic understanding of hospital distribution systems and medication order transcription.

PHAR 63
PHARMACY OPERATIONS II 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Prerequisite: PHAR 55, PHAR 56, and PHAR 57 or equivalent with grades of “C” or higher or “Pass”.
This course will provide training in the art, science, and technology of pharmaceutical compounding. It is designed for the Pharmacy Technician major to develop proficiency in the skills necessary for successful compounding technique and practice in both the hospital and community pharmacy settings. This course includes the history and theory of pharmaceutical compounding, non-sterile preparation, use of dosage forms, rationale for use of various drug formulations, patient-specific criteria

PHAR 64
PHARMACY OPERATIONS III 2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
This course is designed to develop proficiency in the preparation and storage of sterile products. Topics include infection control, aseptic technique, sterile product compatibility and the use of pharmacy equipment in medication preparation. United States Pharmacopeia guidelines and California State Board of Pharmacy regulations are emphasized.

PHAR 65
PHARMACY OPERATIONS IV - NON-STERILE COMPOUNDING 2.0 UNITS
Class hours: 2.0 Lecture/1.0 Laboratory
Prerequisite: PHAR 50 and PHAR 63 or equivalent with grades of “C” or higher or “Pass”.
This course will provide training in the art, science, and technology of pharmaceutical compounding. It is designed for the Pharmacy Technician major to develop proficiency in the skills necessary for successful compounding technique and practice in both the hospital and community pharmacy settings. This course includes the history and theory of pharmaceutical compounding, non-sterile preparation, use of dosage forms, rationale for use of various drug formulations, patient-specific criteria.
indicating alternative dosage forms, herbal alternatives, and regulations governing the practice of compounding and packaging.

PHAR 73
PHARMACY TECHNICIAN OCCUPATIONAL WORK
EXPERIENCE 3.0 UNITS
Class hours: 1.0 Work Experience

One (1) hour control class each week plus 15 hours of employment per week. The employment must be in a job related to the student’s educational goal. Occupational Work Experience is a supervised employment program in an approved work station related to the student’s declared major. Students meet with their instructor for a minimum of one hour per week and will receive credit for on-the-job learning experiences that are new or an expansion of their regular responsibilities. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

PHAR 74
PHARMACY TECHNICIAN OCCUPATIONAL WORK
EXPERIENCE 4.0 UNITS
Class hours: 1.0 Work Experience

One (1) hour control class each week plus 20 hours of employment per week. The employment must be in a job related to the student’s educational goal. Occupational Work Experience is a supervised employment program in an approved work station related to the student’s declared major. Students meet with their instructor for a minimum of one hour per week and will receive credit for on-the-job learning experiences that are new or an expansion of their regular responsibilities. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

PHAR 81
OVER-THE-COUNTER PRODUCTS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: MA 161 or A&P 120 or equivalent with a grade of “C” or higher or “Pass”.

This course is designed to teach Pharmacy Technician students to recognize the classifications, uses and general action of the various Over-the-Counter (OTC) pharmaceutical and herbal products available to and used by consumers. Lectures and discussions include a brief review of anatomy and physiology, a review of the way drugs exert their effects, adverse effects and contraindications. The goal is to help a person select a non-prescription drug safely and rationally.

PHAR 83
PHARMACY TECHNICIAN PHARMACOLOGY I 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: MA 161 or A&P 120 or equivalent with a grade of “C” or higher or “Pass”.

This pharmacology course covers information on drugs affecting the respiratory, integumentary, nervous and cardiovascular systems. Content includes major indications for drug use, how drugs exert their effects, adverse effects and specific implications for consumer awareness. Drugs of abuse, at-risk populations and treatment regimens are included. Emphasis will be on routes of administration and product types.

PHAR 85
PHARMACY TECHNICIAN PHARMACOLOGY II 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: MA 161 or A&P 120 or equivalent with a grade of “C” or higher or “Pass”.

This pharmacology course covers information on drugs affecting the respiratory, integumentary, nervous and cardiovascular systems. Content includes major indications for drug use, how drugs exert their effects, adverse effects and specific implications for consumer awareness. Drugs of abuse, at-risk populations and treatment regimens are included. Emphasis will be on routes of administration and product types.

PHAR 90
CLINICAL EXPERIENCE I 3.0 UNITS
Class hours: 1.0 Lecture/6.7 Laboratory
Prerequisite: PHAR 50, PHAR 63, PHAR 65, and PHAR 81 or equivalents with grades of “C” or higher or “Pass”.

This course is designed to provide the student with practical experiences in selected community pharmacy settings working under the supervision of a registered pharmacist.

PHAR 95
CLINICAL EXPERIENCE II 5.0 UNITS
Class hours: 1.0 Lecture/11.1 Laboratory
Prerequisite: PHAR 64, PHAR 83, and PHAR 85 or equivalent with
grades of “C” or higher or “Pass”.

This course is designed to provide the student with practical experiences in the classroom lab and in selected hospital pharmacy settings working with intravenous additives and sterile extemporaneous packaging areas.

PHAR 98
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times.

PHIL 100
INTRODUCTION TO PHILOSOPHY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This is a humanities course developing philosophical concepts through problems and systems of thought in selected Western philosophers such as Socrates, Plato, Aristotle, Augustine, Aquinas, Bacon, Kant, etc., it, furthermore, studies modern movements in Western culture such as dialectical materialism, pragmatism, analytic philosophy, and existentialism. Transfer Credit: CSU; UC C-ID: PHIL 100

PHIL 102
INTRODUCTION TO ETHICS 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This course represents a survey of the major theories of value in the writings of some prominent Western Asian philosophical traditions, with special attention to a critical evaluation of their relevance to educational, ethical, aesthetic, religious, and social problems of our times. Transfer Credit: CSU; UC C-ID: PHIL 120

PHIL 103
PHILOSOPHICAL REASONING: CRITICAL THINKING IN PHILOSOPHY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S, or equivalent with a grade of “C” or higher or “Pass” or satisfactory completion of the Advanced Placement English Examination of the College Entrance Examination Board.

This course develops critical thinking skills necessary for evaluating and formulating argumentative/persuasive essays and practice in applying those skills. (Formerly PHIL 202) Transfer Credit: CSU; UC

PHIL 104
PHILOSOPHY OF CULTURAL DIVERSITY: CHALLENGE AND CHANGE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This humanities course is designed to create understanding, appreciation, and tolerance of diverse cultures, particularly those of non-Western civilizations which are ethnic minority groups in American culture. Topics covered will include the nature of culture, the epistemology of cultural diversity, world news, religion, traditional values, ethnocentrism, cultural relativism, cultural pluralism, and the philosophy of liberation. Transfer Credit: CSU; UC
PHIL 105
PHILOSOPHY OF ART AND BEAUTY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: Completion of ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass”.
This course examines philosophical theories of aesthetics and philosophy of art by studying traditional and contemporary literary and other artistic expressions, while students are also engaged in understanding the fundamentals of philosophy. Transfer Credit: CSU; UC

PHIL 106
INTRODUCTION TO LOGIC 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher or “Pass”.
This course gives an introduction to the basic principles of inductive and deductive reasoning, the uses of language, definition, analysis of fallacious arguments in various areas, and integration of composition and critical thinking skills. Transfer Credit: CSU; UC C-ID: PHIL 110

PHIL 107
PHILOSOPHY OF SCIENCE AND TECHNOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
This introductory level course examines the nature of scientific reasoning and its relationship to technology, the development of modern technologies, and the impact of science and technology on society, personal life, and the environment. Major areas of philosophical inquiry will include metaphysics, epistemology, ethics, and aesthetics. Transfer Credit: CSU; UC

PHIL 108
PHILOSOPHY OF THE AMERICAS 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
This course examines fundamental elements of metaphysics, epistemology, ethics, aesthetics, and political and social philosophy as found in four cultural worldviews: African-American philosophy, Anglo-American philosophy, Latin-American philosophy, and Native-American philosophy. This introductory course is designed to prepare students to analyze philosophical ideas and to critically assess commonality and divergence among these four worldviews on the subjects of human nature, moral community, freedom, truth, society, ultimate reality, economic justice, environment, and beauty. Transfer Credit: CSU; UC

PHIL 109
PHILOSOPHY OF THE BODY, FEMINISM, AND GENDER 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
Recommendation: READ 54 or READ 97 with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with a score of “Reading Exempt”.
This course examines philosophical scholarship on feminism, gender, and theory of the body in the areas of metaphysics, epistemology, ethics, and aesthetics. Questions about gender identity, the nature of the self and personal identity, friendship, the feminist conception of knowledge, feminism and philosophy of language, philosophy of science; misogynist patterns in philosophical texts, male responses to feminism, moral theories, and feminist questions about beauty and art will be examined in the course, while students are also engaged in understanding the fundamentals of philosophy. This course is not open to students who are currently enrolled in WGS 109 or WS 109. Transfer Credit: CSU; UC

PHIL 130
HISTORY OF ANCIENT PHILOSOPHY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the placement process with eligibility for ENGL 100 or ENGL 100S.
This course covers the genesis of Western philosophy and its development, ranging from the pre-Socratic philosophers, moving through Plato and Aristotle, and ending with the emergence of Neo-Platonism. This study includes the influence Hellenic society and culture had over Athens, Rome, Alexandria, and Asia Minor: from 585 BC/BCE, with the earliest pre-Socratics, the 529
AD/CE, when Justinian closed
Plato’s Academy at Athens.
Special attention is paid to
reading primary philosophical
texts.
Transfer Credit: CSU; UC
C-ID: PHIL 130

PHIL 140
HISTORY OF MODERN
PHILOSOPHY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL
72 or ESL 152 or equivalent with
a grade of “C” or higher or
“Pass” or completion of the
placement process with
eligibility for ENGL 100 or ENGL
100S.
This course addresses 17th and
18th century philosophy with an
emphasis on metaphysical,
estimonial, political, and
psychological developments of
rationalism and empiricism in
philosophical thought from
Descartes to Kant and may
include approximate precursors
and successors. Special
attention is paid to reading
primary philosophical texts.
Transfer Credit: CSU; UC
C-ID: PHIL 140

PHIL 160
SYMBOLIC LOGIC 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL
100S, or equivalent with a grade
of “C” or higher or “Pass”.
Recommendation: PHIL 106 with
a grade of “C” or higher or
“Pass”.
This course is an introduction
to propositional (sentential)
and predicate (quantificational)
logic. PHIL 160 examines the
basic concepts and
achievements of modern logic.
It aims to provide students with
the ability to think rigorously,
identify and deconstruct
arguments, represent
arguments in symbolic
notation, and determine the
validity of arguments using
deductive proofs.
Transfer Credit: CSU; UC C-ID:
PHIL 210

PHIL 200
WORLD RELIGIONS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Satisfactory
completion of the English
assessment/placement
process or ENGL 52 or
ENGL 155 or equivalent with
a grade of “C” or higher or “Pass”
is strongly recommended.
This course presents a
comparative study of the major
religions of the world including
Hinduism, Buddhism, Daoism,
Shinto, Judaism, Christianity,
Islam, etc. The survey pertains
to their origin, historic
development, primary source
book, theological doctrines and
value system.
Transfer Credit: CSU; UC

PHIL 201
CONTEMPORARY PHILOSOPHY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL
72 or ESL 152 or equivalent with
a grade of “C” or higher or
“Pass” or completion of the
English assessment/placement
process with eligibility for ENGL
100 or ENGL 100S.
Recommendation: READ 42 or
READ 48 or equivalent with a
grade of “C” or higher or “Pass”.
This course is a survey of the
major philosophical
movements that characterize
the twentieth and twenty-first
centuries, including the rise of
Continental, Anglo-American,
Marxist, Feminist, Asian,
African, and Latin American
philosophies. Students will
become familiar with the
diversity of styles, methods,
and approaches that
contemporary philosophers
have developed in response to
the problems of self and
subjectivity; mind and
consciousness; alienation,
acceptivity, gender, race, nationality, and
social justice; relativism,
universalism, realism; and the
role of meaning and language
in philosophical inquiry.
Transfer Credit: CSU; UC

PHIL 203
PHILOSOPHY OF RELIGION 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL
72 or ESL 152 or equivalent with
a grade of “C” or higher or
“Pass” or completion of the
English assessment/placement
process with eligibility for ENGL
100 or ENGL 100S.
This course examines
philosophical theories of the
nature of religion, arguments
for the existence of God, the
nature of miracles, religious
experience, faith and pragmatic
reasons for belief, arguments
from evil, God and morality,
religious diversity, God and
language, atheism and
agnosticism, and life after
death. The course examines
traditional and contemporary
theories of philosophy of
religion while students are also
engaged in understanding the
fundamentals of philosophy.
Transfer Credit: CSU; UC

PHIL 204
PHILOSOPHY OF THE BIBLE I
(HEBREW SCRIPTURES) 3.0
UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL
72 or ESL 152 or equivalent with
a grade of “C” or higher or
“Pass” or completion of the
English assessment/placement
process with eligibility for ENGL
100 or ENGL 100S.
This course is a general
introduction to the
philosophical, religious,
cultural and historical
influences on the development of the Hebrew Scriptures. The methods of critical analysis of Biblical materials from an academic point of view will be presented and discussed. Transfer Credit: CSU; UC

PHIL 205
INTRODUCTION TO BIOETHICS
3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This introductory course examines moral theories and philosophical implications relevant to biological and medical procedures, technologies, and treatments, such as organ transplantation, genetic engineering, and care of the terminally ill. This course also studies ethical problems arising from biological research and the application of biological research in other fields such as social and political policies, the environment, and professional careers in medical and some scientific fields. Students learn about the principles of philosophical reasoning and the fundamentals of philosophy while engaged in understanding the elements of bioethics. Transfer Credit: CSU; UC

PHIL 206
PHILOSOPHY OF THE BIBLE II (CHRISTIAN SCRIPTURES) 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This course is a general introduction to the philosophical, religious, cultural and historical influences on the development of the Christian Scriptures. The methods of critical analysis of Biblical materials from an academic point of view will be presented and discussed. Transfer Credit: CSU; UC

PHIL 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation. Transfer Credit: CSU

PHOT 100
INTRODUCTORY PHOTOGRAPHY 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
This is a beginning course in the theory and practice of photography. The lecture portion of the class will emphasize historical trends, contemporary applications, and an appreciation of photography as an art and as a craft. The lab portion will introduce the student to camera technique, film exposure, digital capture, processing, darkroom and computer techniques, lighting, and composition. Transfer Credit: CSU; UC

PHOT 102
INTERMEDIATE PHOTOGRAPHY 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: PHOT 100 or equivalent with a grade of "C" or higher or "Pass".

This photography course is a continuation and expansion of principles taught in the introductory class. This course includes the use of special film processing techniques, advanced exposure techniques, archival print processing, toning techniques, and an introduction to large format cameras. Special effects techniques, lighting set-ups, color film and digital photography will also be covered.

Transfer Credit: CSU

PHOT 110
INTRODUCTION TO DIGITAL PHOTOGRAPHY 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory

This course provides an introduction to the basics of digital photography. Topics include use of digital cameras; scanning techniques; file compression and formatting; use of image editing software (primarily Adobe Photoshop); printing techniques; and legal, philosophical and sociological issues associated with digital photography. Emphasis is placed on constructing meaning in imagery through digital techniques.

Transfer Credit: CSU

PHOT 112
COLOR PHOTOGRAPHY 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory

Prerequisite: PHOT 100 or PHOT 110 or equivalent with a grade of "C" or higher or "Pass".

This course provides instruction in the practical and theoretical principles of color photography. The student will examine choices in film, scanning, digital capture, and digital output. Image evaluation will include technical considerations of light, exposure, color correction, computer monitor calibration, and color profiles for printing. Furthermore, color and vision, color theory, and color symbolism will be examined at length. Specific assignments will be addressed with individual and class critiques.

Transfer Credit: CSU

PHOT 122
COLOR PHOTOGRAPHY 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory

Prerequisite: PHOT 100 or PHOT 110 or equivalent with a grade of "C" or higher or "Pass".

This course provides instruction in the practical and theoretical principles of color photography. The student will examine choices in film, scanning, digital capture, and digital output. Image evaluation will include technical considerations of light, exposure, color correction, computer monitor calibration, and color profiles for printing. Furthermore, color and vision, color theory, and color symbolism will be examined at length. Specific assignments will be addressed with individual and class critiques.

Transfer Credit: CSU

PHOT 130
PHOTO JOURNALISM 3.0 UNITS
Class hours: 3.0 Lecture

Prerequisite: PHOT 100 or PHOT 110 or equivalent with a grade of "C" or higher or "Pass".

This course will examine a variety of topics concerning the interface of photography and society. These include photography and the arts, propaganda and politics, photography and scientific observation, visual anthropology, the visual archive as historical memory, surveillance and power, issues of privacy and censorship, advertising and commodity culture, photojournalism, and the construction of celebrity through images. The manufacturing of personal identity and cultural history through photographic artifacts will be emphasized, as well. Analysis will focus on the way photographic images are used in society and how they help construct our sense of self and the world on a daily basis.

Transfer Credit: CSU; UC

PHOT 150
PHOTOGRAPHY AND SOCIETY 3.0 UNITS
Class hours: 3.0 Lecture

This course is a survey of the history of photography from its origins to the present, speculating on the future. This course traces the development of photographic theory and practice from its inception, through postmodernism to the present. The major concepts of photographic representation...
and the impact of photography on society are also covered.

Transfer Credit: CSU; UC

PHOT 171
OCCUPATIONAL WORK
EXPERIENCE IN PHOTOGRAPHY
1.0 UNIT

Class hours: 1.0 Work Experience

One unit of Occupational Work Experience in Photography requires 60 non-paid hours or 75 paid hours of work per semester. Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. This creates greater communication with increased understanding between the students/workers, the college, and the employers/trainers. First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. Students will meet weekly with the instructor until their approved projects are completed. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

Transfer Credit: CSU

PHOT 200
ADVANCED PHOTOGRAPHY 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory

Prerequisite: PHOT 102 or equivalent with a grade of “C” or higher or “Pass”.

This course is designed to advance student’s knowledge and skills beyond intermediate Photography. This course will cover advanced large format camera use, studio strobe lighting techniques, digital photography, and professional presentation of photographs. At the end of the semester, student will be expected to present portfolio of photographic prints that represent a body of work. Class will include black-and-white as well as color assignments.

Transfer Credit: CSU

PHOT 234
PORTFOLIO DEVELOPMENT 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory

Prerequisite: PHOT 102 or equivalent with a grade of “C” or higher or “Pass” or PHOT 100 and PHOT 110 or equivalent with grades of “C” or higher or “Pass”.

This course is designed to address the marketing aspects of photography. Preparation of portfolios, care of original photographs, photography markets, legal aspects, and gallery exhibition are the primary course topics.

Transfer Credit: CSU

PHOT 235
THE PHOTOGRAPHIC BOOK 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory

Prerequisite: PHOT 100 or equivalent with a grade of “C” or higher or “Pass” or PHOT 100 and PHOT 110 with grades of “C” or higher or “Pass”. Recommendation: ART 188 and ART 182A with grades of Pass or “C” or higher.

This is a course in the theory and practice of portraiture. Lectures will present lighting and contemporary retouching techniques for professional studio portraiture. Topics also include self-portraiture, extended environmental portraiture, typological portraits, narrative, documentary portraiture, candid camera, the snapshot aesthetic, figurative portraiture, directorial portraiture, and fashion. Issues regarding idolatry, gender and sexuality, “the gaze,” ethics, exploitation, and legal questions will be explored.

Transfer Credit: CSU

PHOT 232
APPROACHES TO STUDIO LIGHTING 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory

This course examines a variety of approaches to studio lighting in photography. Concept development, and execution in the studio environment as well as studio construction, location work, and lighting and exposure techniques will be covered. Students will concentrate on a semester-long project in a specialized area of studio work.

Transfer Credit: CSU
include sequencing images, photography book history, contemporary applications, conceptual strategies, book structure and design.
Transfer Credit: CSU

PHOT 240
EXPERIMENTAL PHOTOGRAPHY
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: PHOT 100 or equivalent with a grade of “C” or higher or “Pass”.
This is a course in the theory and practice of experimental photography. Content includes a variety of approaches that differ from standard photography, including experiments with cameraless photography, photomontage, chance procedures, 3-D photography, the slide show, and new genres of photo-based art-making involving sculpture, installation, projection, and performance.
Transfer Credit: CSU

PHOT 250
CONTEMPORARY PHOTOGRAPHIC EXPRESSION
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: PHOT 100 or equivalent with a grade of “C” or higher or “Pass”.
This course is an in-depth study of the use of visual language for contemporary photographic expression. Imagery is stressed, with process used as the tool for achieving a particular expression. Students will explore photographic genres, as well as discover the uniqueness of their own approach through the creation of a personal body of work.
Transfer Credit: CSU; UC

PHOT 252
PHOTOGRAPHY OF THE LANDSCAPE
3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: PHOT 100 or equivalent with a grade of “C” or higher or “Pass”.
This course examines the interpretation of the landscape through the medium of photography. Theories of photographic approaches to the landscape and its development and industrialization are stressed. Topics include preparation for field work, film types, exposure techniques, appropriate equipment and care, and printing techniques.
Transfer Credit: CSU

PHOT 298
DIRECTED STUDIES
1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.
Transfer Credit: CSU

PHYSICAL EDUCATION (PEX)
(KINESIOLOGY DIVISION)

PEX 100
FITNESS FOR STUDENT’S WITH DISABILITIES
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed for the student who is not able to participate in virtually any physical activity course due to a disability. An individualized fitness program will be tailored to the physical abilities and disabilities of the student.
Transfer Credit: CSU; UC
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 100A
ADAPTED INDEPENDENT EXERCISE 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed for the student who is not able to participate in virtually any physical activity course due to a disability. An individualized exercise program will be tailored to the physical abilities and disabilities of the student. Transfer Credit: CSU, UC
*UC credit limits may apply. Any or all of these PEX Activity courses combined: maximum credit, 4 units.

PEX 101 WHEELCHAIR ACTIVITIES 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed to develop the general fitness level for the student who uses a wheelchair through a variety of modified sport activities. Transfer Credit: CSU; UC
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 102 ADAPTED CARDIOVASCULAR EXERCISES 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
Recommendation: Completed adapted physical education physician health clearance for participation, adapted physical education health history questionnaire, intake interview assessment procedures.
This course is designed to provide cardiovascular fitness training. Emphasis is on individual assessment, programming and selection of training methods including a variety of training options for wheelchair and non-wheelchair user. Transfer Credit: CSU; UC

PEX 103 ADAPTED STRENGTH TRAINING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed for the student who is not able to participate in the standard circuit weight-training program due to a disability. An individualized weight-training program will be tailored to the physical abilities and disabilities of the student. Transfer Credit: CSU, UC
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 103A ADAPTED CIRCUIT WEIGHT TRAINING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed to teach individuals with disabilities the fundamentals and techniques of circuit weight training with the use of machines, barbells, dumbbells, and other equipment in the development of muscular strength and endurance. This class is for students who are not able to participate in a standard circuit weight training program due to a disability. Transfer Credit: CSU, UC
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 104 ADAPTED STRETCHING AND RELAXATION 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed for students with physical disabilities requiring an individualized exercise program of stretching and relaxation. Emphasis is on individual assessment, programming and selection of stretching and relaxation techniques to develop and improve flexibility, as well as promote relaxation. Transfer Credit: CSU; UC
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 105 ADAPTED SWIMMING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed for the student who is unable to participate in a regular swimming course due to a disability. Improvement in basic swimming and water safety skills along with other pool activities such as hydroexercises and mobility activities will be included. Transfer Credit: CSU; UC
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 106 ADAPTED AQUATIC EXERCISE 1.0 UNIT
This course is designed for the student who is unable to participate in a regular aquatic exercise course due to a disability. Improvement in the components of fitness and basic water safety skills along with other pool activities such as basic swimming mechanics will be included.

Transfer Credit: CSU; UC*  
*UC credit limits may apply. Any or all of these PEX Activity courses combined: maximum credit, 4 units

PEX 106A  
ADAPTED AQUATIC GROUP FITNESS 1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  

This course is designed to provide group aquatic fitness training. This class will meet the needs of students who want practical instruction in ways to improve their cardiovascular endurance, muscular strength and endurance, and flexibility through various aerobic, strength, and flexibility exercises in the water including a variety of training options for various ability and mobility levels. No swimming skills are required.

Transfer Credit: CSU; UC*  
*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 107  
ADAPTED TEAM SPORTS 1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  

This course is designed for students with disabilities requiring assistance and equipment adaptation to participate in team sports. The course will provide activities to develop general fitness as well as skill and knowledge in a variety of team sports.

Transfer Credit: CSU; UC*  
*UC credit limits may apply. Any or all of these PEX Activity courses combined: maximum credit, 4 units

PEX 107A  
ADAPTED SOCCER 1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  

This class is designed to introduce theory and practice in the fundamental skills and techniques of full size games, short field games, and power soccer for individuals with a disability. Skills and techniques will be tailored to the student's individual ability levels.

Transfer Credit: CSU; UC*  
*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 108  
ADAPTED INDIVIDUAL SPORTS 1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  

This course is designed for students with disabilities requiring assistance and equipment adaptation to participate in individual sports. The course will provide activities to develop general fitness as well as skill and knowledge in a variety of individual sports.

Transfer Credit: CSU; UC*  
*UC credit limits may apply. Any one or all of these PEX Activity courses combined: maximum credit, 4 units.

PEX 109  
ADAPTED GROUP FITNESS 1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  

This course is designed to provide group fitness training. This class will meet the needs of students who want practical instruction in ways to improve their cardiovascular endurance, muscular strength and endurance, and flexibility through various aerobic, strength, and flexibility exercises including a variety of training options for various ability and mobility levels.

Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 110  
AEROBIC ACTIVITIES 1.5 UNITS  
Class hours: 1.0 Lecture/2.0 Laboratory  

This course is designed to meet the needs of students who want practical instruction in ways to improve their cardiovascular endurance, and flexibility through various aerobic activities and stretching movements. Lectures may include areas of basic nutrition, body composition, posture analysis, and principles of safe and effective exercise.

Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 111  
LOW IMPACT AEROBICS 1.5 UNITS  
Class hours: 1.0 Lecture/2.0 Laboratory  

Students will receive practical instruction in ways to improve their cardiovascular endurance, muscular endurance, flexibility and body composition through various low impact aerobic activities. Lectures may include the areas of basic nutrition, body composition, posture analysis and principles of safe and effective exercise.

Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.
This water aerobics exercise class emphasizes development of cardiopulmonary endurance, flexibility and muscle tone. No swimming skills are required.
Transfer Credit: CSU; UC*
*UC credit limits may apply. Any one or all of these PEX Activity courses combined: maximum credit, 4 units

PEX 117
AQUA ZUMBA  1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

Aqua Zumba is designed to develop cardiovascular fitness using the resistance of the water as a means to develop endurance, strength, flexibility and coordination. This course combines some of the traditional elements of aqua fitness with the upbeat, Latin-infused dance moves and music.
Transfer Credit: CSU; UC*
*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units

PEX 118
TRIATHLON BASICS  1.0 UNIT
Class hours: 0.5 Lecture/2.5 Laboratory

This class studies the sport of triathlon. Students will learn the basics of swimming skills, bicycling techniques, running drills, and muscular endurance training. Participants entering this class should be at an intermediate to advanced fitness level. Upon completion of the class, participants will be able to finish a sprint distance triathlon.
Transfer Credit: CSU; UC*
*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units

PEX 119
BASIC TRAINING AND PHYSICAL CONDITIONING  1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This is a high-energy course incorporating sport-specific activities and physical drills. Training will improve sports performance, as well as have a conditioning effect. Participants entering this class should be at an intermediate to advanced fitness level.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units

PEX 120
CARDIO KICKBOXING  1.5 UNITS
Class hours: 1.0 Lecture/2.0 Laboratory

This course is designed to introduce the student to the history, skills and strategies of Cardio Kickboxing/Muay Thai. It will introduce concepts of proper warm up, cool down and stretches. It will provide an overview of effective offensive and defensive combative techniques achieved through participating in Cardio Kickboxing/ Muay Thai drills.
Transfer Credit: CSU; UC*
*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units

PEX 121
HIGH-INTENSITY INTERVAL TRAINING  1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

Recommendation: Students should be able to participate safely in a high-intensity exercise program.

Each workout will consist of a series of 6-8 High-Intensity Exercises followed by short bouts of rest. Students will improve endurance and burn fat within a short amount of
time. Each exercise can be modified for all levels of fitness and injury prevention will be stressed. Students will learn about the basic principles of fitness and wellness and the benefits of High-Intensity Interval Training.

Transfer Credit: CSU; UC*

*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 122
CROSS FIT TRAINING AND FUNCTIONAL CONDITIONING 1.5 UNITS
Class hours: 1.0 Lecture/2.0 Laboratory
This Hybrid Fitness class incorporates components for cardiovascular training, core training, weight lifting, agility, plyometrics and functional training exercises. Improvement in cardiovascular fitness, muscular strength and endurance, and flexibility will be measured.

Transfer Credit: CSU: UC*

*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 124
PERSONAL FITNESS PROGRAM 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed as an exercise program consisting of cardiorespiratory, stretching and weight training activities. Testing will be provided to determine physical assessment and improvement in the areas of flexibility, strength, endurance, aerobic fitness, and body composition. Each student will establish and practice his or her training program based on recommended exercises.

Transfer Credit: CSU; UC*

*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 126
PHYSICAL FITNESS TRAINING 1.5 UNITS
Class hours: 0.8 Lecture/2.3 Laboratory
This course is designed to provide knowledge, resources, and a routine that promotes fitness awareness through a progressive training regimen. The student will participate in a physical conditioning program based on the use of training principles, fitness testing, a variety of exercises, and self-awareness surveys.

Transfer Credit: CSU; UC*

*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 130
WEIGHT MANAGEMENT 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed to provide strategies for weight management. It will include discussion in the physical, emotional, and nutritional components of a successful weight management plan and provide the opportunity for each student to establish and practice an individualized program.

Transfer Credit: CSU; UC*

*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 132
INDOOR CYCLING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
Students will receive practical instruction in ways to improve their cardiorespiratory endurance, muscular endurance, flexibility, and body composition through indoor bicycling. Basic drills and intensity training will be included. Lectures may include the areas of basic nutrition, body composition, posture analysis, and principles of safe and effective exercise on an indoor bicycle.

Transfer Credit: CSU; UC*

*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 134
BODY SCULPTING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed as an exercise program consisting of activities to improve the participant’s muscular tone, strength, endurance and flexibility. The student will participate in body sculpting exercises using various resistance techniques and equipment.

Transfer Credit: CSU; UC*

*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 135
ROPES, BANDS, AND SUSPENSION TRAINING 1.5 UNITS
Class hours: 1.0 Lecture/2.0 Laboratory
A class utilizing jump ropes, heavy ropes, resistance bands, calisthenics, and suspension trainers (i.e., TRX) to create a fun and interesting full body workout. Students will learn how to utilize each type of exercise/equipment safely and effectively and work towards improving in all 5 components of fitness. Lectures include the areas of basic nutrition, body composition, posture analysis, and principles of safe and effective exercise.

Transfer Credit: CSU: UC*

*UC credit limits may apply. Any one or all of these PEX activity
courses combined: maximum credit, 4 units.

PEX 136
STRETCHING AND RELAXATION
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course emphasizes the development of flexibility in muscles and joints to prevent injury and improve posture and body alignment. Relaxation techniques and stretching improve general wellness as they become part of lifestyle.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 137
CARDIO BARRE CONDITIONING
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed to provide a complete conditioning program for the aspiring dancer or fitness enthusiast, involving exercises based on ballet-based group fitness. These exercises are designed to increase body functioning and alignment by increasing cardiovascular health, flexibility, and muscular strength. This course is not open to students who have taken DANC 104.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 138
WALKING FOR FITNESS
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course will emphasize instruction and practice of walking techniques for speed, distance and endurance. Information on aerobic conditioning, heart rate, stretching, and stress reduction will be covered.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 139 WALKING/JOGGING FOR FITNESS
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is recommended for students who wish to increase their cardiovascular endurance and fitness foundation through a combination of walking and jogging. This course is designed to advance students from walking to jogging through a progressive workout plan. Students will improve their fitness substantially in order to begin jogging before the conclusion of the semester.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 140
JOGGING, BASICS
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed specifically for non-runners and those who are in need of building a general fitness foundation. A preliminary training regimen will be utilized in order to achieve improvements and stability while going through the learning process.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 141
JOGGING FOR FITNESS, BEGINNING
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed to be an introduction to a running program that will benefit a broad spectrum of fitness levels. This class will incorporate a weekly mileage progression with attention to running mechanics and injury prevention.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 142
GROUP TREADMILL AND CARDIO MACHINE TRAINING
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
A cardiovascular fitness class that incorporates treadmill running, indoor cycling, and/or indoor stair stepping with short components of resistance training. The focus of each class will rotate from cardiovascular endurance, power, or strength, followed by stretching exercises. Individual’s Heart Rates will be monitored during class to assess intensity throughout and to individualize workouts.
Transfer Credit: CSU; UC*
*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 145
CIRCUIT WEIGHT TRAINING, BEGINNING
1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course covers the fundamentals and techniques of circuit weight training with the use of machines, barbells, dumbbells, jump ropes, and other equipment in the development of an improved level of fitness and physical condition.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.
PEX 147  
PERSONAL SELF DEFENSE  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
A course designed to provide women with specific attitudes, knowledge and skills useful in self-defense. Transfer Credit: CSU; UC*  
*Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 148  
BRAZILIAN JIU JITSU  1.0 UNIT  
Class hours: 0.5 Lecture/4.5 Laboratory  
This course is designed to introduce the student to the history, skills and strategies of Brazilian Jiu Jitsu (BJJ), “The gentle art.” It will introduce concepts of proper warm up, cool down and stretches. It will provide an overview of effective offensive and defensive combative techniques achieved through participating in BJJ drills and sparring. Transfer Credit: CSU; UC*  
*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 148C  
BRAZILIAN JIU JITSU, CONDITIONING  1.5 UNITS  
Class hours: 1.0 Lecture/2.0 Laboratory  
This course is designed to improve the student’s Brazilian Jiu Jitsu (BJJ) physical conditioning and fitness. It will cover strategies and movement patterns to enhance the student’s skill level of Brazilian Jiu Jitsu. It will provide an overview of effective offensive and defensive combative techniques achieved through participating in BJJ drills and sparring. Transfer Credit: CSU; UC*

PEX 149  
TAE KWON DO, BEGINNING  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
This course is designed to teach the student introductory elements of Tae Kwon Do with an emphasis on forms; eleven basic stances; three- step sparring; breakfalls; and basics of punches, blocks, and kicks. Instruction in the history and philosophy relevant to Tae Kwon Do will also be provided. Transfer Credit: CSU; UC*  
*Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 150  
MIXED MARTIAL ARTS 1.5 UNITS  
Class hours: 1.0 Lecture/2.0 Laboratory  
This course is designed to introduce the student to the skills and strategies of Mixed Martial Arts (MMA). Combative techniques will be derived from, but not limited to, Muay Thai, Brazilian Jiu Jitsu, Judo, Jeet Kune Do, Tae Kwon Do, etc. It will introduce concepts of proper warm up, cool down and stretches. It will provide an overview of effective offensive and defensive combative techniques achieved through participating in various Mixed Martial Arts drills and sparring. Transfer Credit: CSU; UC*  
*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 151  
YOGA  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
This course is an introduction to Yoga based on basic yoga practices and principles. Instruction will include yoga postures, guided relaxation, and breathing practices. Benefits of yoga include increased flexibility, strength, balance, and body awareness, as well as stress reduction. Transfer Credit: CSU; UC*  
*Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 152  
GENTLE YOGA  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
This course will emphasize a style of yoga that will allow the body to experience total relaxation in various postures. Various props will be used to allow passive stretching. Transfer Credit: CSU; UC*  
*Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 153  
MEDITATIVE – YOGA AND STRESS REDUCTION  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
This class is meditative yoga class as well as an introduction to mindfulness based stress reduction. Instruction will include basic yoga postures and basic breathing practices, meditation, guided relaxation and expanded instruction in stress reduction strategies with a weekly topic of focus. The benefits of yoga include increased flexibility, strength balance, body awareness, as well as stress reduction. Stress reduction strategies can benefit both physical and emotional health and functioning. Transfer Credit: CSU; UC*
*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 155
PIYO INTRODUCTION TO PILATES AND YOGA 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This course is an introduction to the basic principles of both Hatha Yoga practice and Pilates mat techniques. Instruction will include yoga postures, guided relaxation, and breathing practices and level 1 Pilates mat exercises. Benefits of yoga include increased flexibility, strength, balance, and body awareness, as well as stress reduction. The benefits of Pilates include increased circulation, flexibility and muscular strength.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 156
PILATES CONDITIONING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This course is designed to provide a physical and mental conditioning program for the aspiring dancer or athlete involving exercises from Pilates and dance conditioning based techniques. These exercises are designed to increase dance specific body functioning and alignment by increasing awareness, flexibility, and muscular strength. This course is not open to students who have taken DANC 103.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 157
CONDITIONING FOR DANCERS 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This course is designed to provide a sports-specific physical and mental conditioning program for the aspiring dancer or athlete involving exercises from Pilates and dance conditioning based techniques. These exercises are designed to increase dance specific body functioning and alignment by increasing awareness, flexibility, and muscular strength. This course is not open to students who have taken DANC 103.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 159
SONG UNIT 2.0 UNITS
Class hours: 6.0 Laboratory

This course is designed to present the fundamental techniques, rules, and etiquette of the sport of baseball.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 164
BADMINTON, BEGINNING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

Emphasis will be on fundamental strokes and court techniques for singles, doubles, and mixed doubles.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 165
BASKETBALL, NOVICE 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This course will include instruction and practice in shooting, lay-ups, dribbling, passing, footwork, defensive stance, and basic rules.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 166
BASKETBALL, BEGINNING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This course will include instruction and practice in shooting, passing, offensive play, individual and team defense.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 167
BOWLING, BEGINNING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

The fundamental theory, techniques, rules, etiquette and scoring of bowling will be emphasized.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 168
BASEBALL, BEGINNING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory

This course is designed to develop, improve and
implement the skills necessary to be an effective song leader at the community college level. Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 170  
PEP UNIT  2.0 UNITS  
Class hours: 6.0 Laboratory  
This course is designed to develop, improve and implement the skills necessary to be an effective cheerleader at the community college level. Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 171  
CHEERLEADING  2.0 UNITS  
Class hours: 6.0 Laboratory  
This course is designed to develop individual and group cheerleading training. Students are expected to learn cheerleading techniques such as cheer development, voice projection, and routines to be performed at collegiate athletic events. Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 172  
FLAG FOOTBALL  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
This course is designed to teach the fundamental theory and skills involved in the game of flag football. Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 176  
GOLF, BEGINNING  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
This course is designed to teach fundamental techniques of grip, alignment, stance, and swing for irons, woods, and putting. Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 177  
FUTSAL-INDOOR SOCCER  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
This class is designed to introduce the motor skills, fundamental techniques, decision making strategies, knowledge necessary for successful participation in indoor soccer/futsal. Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 178  
SOCCER, BEGINNING  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
This class is designed to introduce theory and practice in the fundamental skills and techniques of soccer. Proper conditioning will be stressed. Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 179  
SOCCER, FITNESS AND TECHNIQUE  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
This class is designed to develop soccer technique through a conditioning based program. This class will incorporate soccer fitness training while building a foundation of skill development and progression. Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 180  
SWIMMING, NOVICE  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
This class is an introduction to the "non" swimmer. Getting students comfortable in the water is our priority. The class will introduce floating, and the freestyle stroke. Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 181  
SWIMMING, BEGINNING  1.0 UNIT  
Class hours: 0.5 Lecture/1.5 Laboratory  
This class will deal with mastering the fundamental swimming strokes and water safety. In addition to learning the basic strokes, this class will learn how to tread water, jump from the diving board, and dive from the side of the pool. Transfer Credit: CSU; UC*  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 182  
WATER POLO  2.0 UNITS  
Class hours: 1.0 Lecture/3.0 Laboratory  
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.
The student will learn the skills of water polo, which include physical skill development, conditioning, game strategy and terminology.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 188
TENNIS, INTRODUCTION 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed to introduce students to the basic fundamentals of tennis by instruction and practice in fundamental movement skills, grips, forehand, backhand, and serve.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 189
TENNIS, BEGINNING 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course will cover fundamental stroke techniques for singles and doubles. The history of tennis, playing area, tennis vocabulary, etiquette and rules will be included.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 191
VOLLEYBALL, INTRODUCTION 1.0 UNIT
Class hours: 0.5 Lecture/1.5 Laboratory
This course is designed to introduce students to the basic fundamental of volleyball by instruction and practice in fundamental movement skills, passing, setting, hitting, and serving.
Transfer Credit: CSU; UC*

*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

CIRCUIT WEIGHT TRAINING, INTERMEDIATE/ADVANCED 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course will consist of applied theory as well as physical conditioning. Students will use three types of resistance exercise to reach goals: isotonic, isometric, and isokinetic. Individual instruction will be given along with the discussion of strengths, weaknesses, and nutritional needs of each individual.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 246
OLYMPIC WEIGHTS-POWER LIFTING 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is designed to prepare students for Olympic power lifting. It is an intensive power training program based on the overload principle. This course uses Olympic weights in a structured program that primarily builds power. It does not use isometric or cardiovascular training.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 248
BRAZILIAN JIU JITSU, INTERMEDIATE 2.0 UNITS
Class hours: 1 Lecture/2 Laboratory
This course is designed to advance the student's knowledge, skill and combat strategy of Brazilian Jiu Jitsu (BJJ), "The gentle art" to an intermediate level. It will strengthen the students understanding of proper warm up, cool down and stretches. It
will provide an overview of effective intermediate offensive and defensive combative techniques achieved through participating in BJJ drills and sparring.

Transfer Credit: CSU; UC*
*UC credit limits may apply. Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 249
TAE KWON DO, INTERMEDIATE/ADVANCED 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is designed to continue the student’s learning to the intermediate/advanced levels of Tae Kwon Do. Intermediate and advanced versions of all techniques, including basic stances, sparring, punches, blocks, and kicks, will be introduced. In addition, breakfalls and Hapkido will be introduced.
Transfer Credit: CSU; UC*
*Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 261
BADMINTON, INTERMEDIATE/ADVANCED 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is designed for badminton players wishing to improve skills and techniques. Emphasis will be on improving form and court strategy in offensive and defensive play. Interclass competition will be held.
Transfer Credit: CSU; UC*
*Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 263
BASEBALL, INTERMEDIATE/ADVANCED 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is designed to help the student improve their skill in bowling by correction of individual faults, advanced lane adjustment techniques and opportunity for league competition in the class. Additional areas of knowledge will include league organization and psychology of competition.
Transfer Credit: CSU; UC*
*Any one or all of these PEX activity courses combined: maximum credit, 4 units.

PEX 265
BASKETBALL, INTERMEDIATE 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course will provide instruction and practice in transition offense and fast break situations, offensive screening techniques away from the ball to get teammates open, these will be demonstrated in three on three basketball games. This course will introduce basic 2-3 zone defense and how to attack a 2-3 zone offensively.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 266
BASKETBALL, ADVANCED 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Team competitive play situations will be provided in order to increase students’ skills, knowledge, and strategy.
Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 267
BOWLING, INTERMEDIATE/ADVANCED 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is designed to teach individual techniques of offense and defense in football. It is recommended for physical education majors and those interested in varsity competition. Transfer Credit: CSU; UC*
*Any one of all of these PEX activity courses combined: maximum credit, 4 units.
PEX 274
FOOTBALL, TRAINING AND
TECHNIQUES 2.0 UNITS
Class hours: 1.0 Lecture/3.0
Laboratory
This course will consist of in-
season conditioning, theory of
play, opponent evaluation, and
game setting for football. The
student will be instructed in
each of the above to develop a
successful physical and mental
approach to weekly
Transfer Credit: CSU; UC*
*Any one of all of these PEX
activity courses combined:
maximum credit, 4 units.

PEX 276 GOLF,
INTERMEDIATE/ADVANCED 2.0
UNITS
Class hours: 1.0 Lecture/3.0
Laboratory
This course provides group and
individualized instruction to
develop and improve the more
technical and advanced golf
strokes. Specialized strokes
include those used in sand
traps, side hill and down hill
lies, tee shots, and advanced
putting techniques. Golf playing
strategy for use on the course
will be presented. Professional
Golf Association (PGA) rules and
etiquette will be emphasized.
Students will play competitive
golf in class.
Transfer Credit: CSU; UC*
*Any one of all of these PEX
activity courses combined:
maximum credit, 4 units.

PEX 278 SOCCER,
INTERMEDIATE/ADVANCED 2.0
UNITS
Class hours: 1.0 Lecture/3.0
Laboratory
Prerequisite: Must demonstrate
some knowledge of basic
soccer skills.
This course is designed to deal
with advanced techniques,
skills, and tactics for soccer
players. It is recommended for
those interested in varsity
competition. Transfer Credit:
CSU; UC*
*Any one of all of these PEX
activity courses combined:
maximum credit, 4 units.

PEX 281 SOFTBALL,
INTERMEDIATE/ADVANCED 2.0
UNITS
Class hours: 1.0 Lecture/3.0
Laboratory
This course is designed to
provide students with advanced
knowledge and practical skills
necessary to effectively
participate in fast pitch
softball. Emphasis will be
placed on skills which will
prepare the students to
compete on the intercollegiate
softball team.
Transfer Credit: CSU; UC*
*Any one of all of these PEX
activity courses combined:
maximum credit, 4 units.

PEX 282 COMPETITIVE SLOW PITCH
SOFTBALL 1.0 UNIT
Class hours: 0.5 Lecture/1.5
Laboratory
This course is designed to
provide students with the
knowledge and practical skills
necessary to effectively
participate in slow-pitch
softball. In slow-pitch softball
the ball is thrown slowly,
traveling in an arc.
Transfer Credit: CSU; UC*
*Any one of all of these PEX
activity courses combined:
maximum credit, 4 units.

PEX 284 SWIMMING, INTERMEDIATE 2.0
UNITS
Class hours: 1.0 Lecture/3.0
Laboratory
This course will provide
intensive drills in backstroke,
butterfly, breaststroke, and
crawl (freestyle). Fundamentals
of diving, and water polo will
also be introduced.
Transfer Credit: CSU; UC*
*Any one of all of these PEX
activity courses combined:
maximum credit, 4 units.

PEX 285 SWIMMING, ADVANCED 2.0
UNITS
Class hours: 1.0 Lecture/3.0
Laboratory
This course will challenge the
swimmer with competitive
training. Higher standards in
racing techniques and
conditioning will be covered.
Transfer Credit: CSU; UC*
*Any one of all of these PEX
activity courses combined:
maximum credit, 4 units.

PEX 288 TENNIS, INTERMEDIATE 2.0
UNITS
Class hours: 1.0 Lecture/3.0
Laboratory
This course is designed to
develop the student’s
understanding and skill of the
basic fundamentals of tennis
by instruction and practice in
basic tennis strokes, lob shots,
and strategy. Transfer Credit:
CSU; UC*
*Any one of all of these PEX
activity courses combined:
maximum credit, 4 units.

PEX 289 TENNIS, ADVANCED 2.0 UNITS
Class hours: 1.0 Lecture/3.0
Laboratory
This course is designed to
develop the student’s
understanding and skill of
advanced fundamentals of
tennis by instruction and
practice in all ground strokes
including drop shots, lops, and
overheads, and double strategy.
Transfer Credit: CSU; UC*
*Any one of all of these PEX
activity courses combined:
maximum credit, 4 units.
PEX 291
VOLLEYBALL, INTERMEDIATE 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is designed to develop the student’s understanding and skill of intermediate fundamentals of volleyball by instruction and practice in forearm pass, setting, hitting, overhand serve, blocking, and defensive play in a practice setting and team play.
Transfer Credit: CSU; UC* *Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PEX 292
VOLLEYBALL, ADVANCED 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course is designed to develop the student’s understanding and skill of advanced fundamentals of volleyball by instruction and practice in forearm pass, setting, hitting, overhand serve, team blocking, offensive play, and defensive play in a practice setting and team play.
Transfer Credit: CSU; UC* *Any one of all of these PEX activity courses combined: maximum credit, 4 units.

PHYSICAL SCIENCE (PS)
(Science, Engineering, and Math Division)
PS 100
PHYSICAL SCIENCE OF MODERN TECHNOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: MATH 40 or equivalent with a grade of “C” or higher or “Pass” or completion of the Math assessment/placement process with a score eligible for MATH 60.
This is a lecture/demonstration course especially designed to develop an understanding of basic science facts and concepts for non-science majors. Study of the sciences that make our technological world possible will be stressed.
Transfer Credit: CSU; UC* *UC credit limits may apply. No credit for PS 100 if taken after a college course in Astronomy, Chemistry, Geology or Physics.

PS 112
PHYSICAL SCIENCE FOR ELEMENTARY SCHOOL TEACHERS 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
Prerequisite: MATH 105 or MATH 110A or equivalent with a grade of “C” or higher or “Pass” or concurrent enrollment.
This course is an introduction to basic physical science facts and concepts. The physical sciences that make our technological world possible will be studied. This course is designed to give a general introduction to fundamental concepts and to prepare students for teaching at the elementary school level.
Transfer Credit: CSU

PHYSICAL THERAPIST ASSISTANT (PTA)
(Health Occupations Division)
PTA 100
PREPARING FOR CAREERS IN PHYSICAL THERAPY 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: Admission to the Physical Therapist Assistant Program.
This course will introduce the student to the history and ethics of physical therapy as they relate to the health care system; the development of the team approach and the philosophy of rehabilitation; the use of physical agents and interventions; body mechanics and proper handling of patients; vital signs and their relationship to patient care.
Transfer Credit: CSU

PTA 120
KINESIOLOGY 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: Admission to the Physical Therapist Assistant Program
This course is the study of biomechanical principles of human movement and locomotion including specific kinesiological functions of muscles and muscle groups, characteristics of normal posture and gait, and an introduction to the clinical manifestations of muscle dysfunction. Laboratory hours will be used for goniometry, gait observation, muscle action application, and practice.
Transfer Credit: CSU

PTA 125
PATHOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: PTA 110 or equivalent with a grade of "C" or higher or "Pass".

This course will include introduction to and instruction in observation of common pathological conditions. Emphasis will be placed on the following systems: musculoskeletal, circulatory, respiratory, gastrointestinal, and genitourinary.
Transfer Credit: CSU

PTA 129
PHYSICAL THERAPY ASPECTS OF AGING AND INTEGUMENTARY MANAGEMENT 1.5 UNITS
Class hours: 1.5 Lecture
Prerequisite: Acceptance into the Physical Therapist Assistant Program.

This course will introduce the student to concepts and physical therapy principles applied to the aging process, including management of integumentary problems. Emphasis will be placed on pathologies and physical therapy interventions for disabilities in aging, burns, and wounds.
Transfer Credit: CSU

PTA 130
SOFTWARE INTERVENTIONS 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: PTA 120 or equivalent with a grade of "C" or higher or "Pass".

This course introduces students to interventions for the neuro-musculoskeletal and myofascial system. Content includes the philosophy of care, facilitation of mechanical, neurological and physiological changes and documentation of interventions. Specific topics covered are soft tissue assessment and treatment techniques, release, and scar tissue intervention. This course is not open to students who have received credit for PTA 127.
Transfer Credit: CSU

PTA 230
THERAPEUTIC EXERCISE 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: PTA 120 or equivalent with a grade of "C" or higher or "Pass".

This course is for second year physical therapist assistant majors. Therapeutic exercise introduces the student to the use of exercise as a preventive and intervention mechanism for pathological conditions which influence strength, endurance and flexibility of the human body. Emphasis is placed upon identification and application of exercise, developmental sequence of exercise, types of exercise, and the use of exercise equipment. Instruction includes the body's physiological response to exercise.
Transfer Credit: CSU
Prerequisite: PTA 120 or equivalent with a grade of “C” or higher or “Pass”.

This course is designed to increase the student’s knowledge in the anatomy and physiology of the nervous system. Information regarding the central, peripheral and autonomic systems is provided. Emphasis will be placed on the clinical manifestations of disease or injury to the nervous system as it relates to clinical problems encountered in physical therapy.

Transfer Credit: CSU

PTA 236
CLINICAL PRACTICUM II 4.0 UNITS
Class hours: 12.3 Laboratory
Prerequisite: PTA 125 or equivalent with a grade of “C” or higher or “Pass”.

This course is designed to teach the student the necessary intervention skills for physical therapy patient care. These skills will include active, passive and resistive exercise programs, as well as continued practice in physical agent application, gait and transfer training. Students will also learn fundamental procedures for clinical education from direct teaching and evaluation of learning. Laboratory experience involves training in one or more physical therapy settings as designated by the instructor. Student uniforms are required. This course is offered on a pass/no pass basis only.

Transfer Credit: CSU

PTA 240
ACTIVITIES OF DAILY LIVING 2.0 UNITS
Class hours: 2.0 Lecture
Prerequisite: PTA 230 or equivalent with a grade of “C” or higher or “Pass”.

This course will present instruction in the functional rehabilitation of the disabled. Emphasis will be on understanding and utilization of the physical therapy evaluation for implementation of intervention programs. This course will present clinical instruction activities of daily living training techniques, wheelchair fitting, and professional presentations.

Transfer Credit: CSU

PTA 245
ADVANCED MODALITIES 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
Prerequisite: PTA 235 or equivalent with a grade of “C” or higher or “Pass”.

This course is a study of the specific advanced physical therapy interventions and physical agents which are employed in the physical therapy clinic and which require greater expertise in their application.

Transfer Credit: CSU

PTA 246
CLINICAL AFFILIATION 4.0 UNITS
Class hours: 12.3 Laboratory
Prerequisite: PTA 235 or equivalent with a grade of “C” or higher or “Pass”.

This course will provide supervised instruction in activities of daily living training techniques; wheelchair fitting; types of orthotic and prosthetic devices and their proper application; and splinting and bandaging procedures in selected clinical facilities. Experiences will be in acute rehabilitation or out-patient physical therapy settings. Student uniforms are required. This course is offered on a pass/no pass basis only.

Transfer Credit: CSU

PTA 250
LICENSURE EXAMINATION PREPARATION 1.0 UNIT
Class hours: 1.0 Lecture
Co-requisite: PTA 246 or prior completion or equivalent

This course is designed to assist the Physical Therapist Assistant student to prepare for the national and state laws licensing examinations. Content will include the application process, the testing milieu, testing strategies, preparatory study techniques, and a review of material from the Content Outline published by the test editors.

Transfer Credit: CSU

PTA 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

PTA 299
DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

PHYSICS (PHYS)
(Science, Engineering, and Math Division)

PHYS 95 (Not Degree Applicable)

INDIVIDUALIZED PHYSICS INSTRUCTION 0.5 UNIT
Class hours: 2.0 Laboratory
Corequisite: Enrollment in any Physics course.
This course is designed to facilitate the learning of scientific principles and techniques through individualized and mediated instruction. It is open to any student enrolled in any physics course. This course is offered on a pass/no pass basis only. Open Entry/Open Exit

PHYS 100
ELEMENTARY PHYSICS 4.0 UNITS

PHYS 101
GENERAL PHYSICS 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: MATH 140 or equivalent with a grade of "C" or higher or "Pass" or completion of the Math assessment/placement process with a score eligible for MATH 155.

This course is a general survey of the basic principles of physics. It includes mechanics, heat, sound, electricity and magnetism, light, and modern physics with emphasis on mechanics. It is designed primarily as a prerequisite to courses in Engineering Physics. Transfer Credit: CSU; UC* UC credit limits may apply. No credit for PHYS 100 if taken after PHYS 101 or PHYS 201.

PHYS 101 GENERAL PHYSICS 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: MATH 140 or equivalent with a grade of "C" or higher or "Pass".

This course is designed to give students an understanding and appreciation of the basic principles governing the everyday happenings in the physical environment. The subjects covered are mechanics, heat and sound. Transfer Credit: CSU; UC* UC credit limits may apply. PHYS 101, PHYS 102 combined with PHYS 201, PHYS 202 and PHYS 203: maximum credit, one series, deduct credit for duplication of topics.

C-ID: PHYS 110

PHYS 201
ENGINEERING PHYSICS 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: PHYS 100 or PHYS 101 and MATH 170 or equivalents with grades of "C" or higher or "Pass".

This is the first course in a three-semester sequence designed to meet the requirements for engineering and related majors. Topics to be covered are mechanics, wave motion and sound. Transfer Credit: CSU; UC* UC credit limits may apply. PHYS 101, PHYS 102 combined with PHYS 201, PHYS 202 and PHYS 203: maximum credit, one series, deduct credit for duplication of topics.

C-ID: PHYS 205

PHYS 202
ENGINEERING PHYSICS 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: PHYS 201 and MATH 170 or equivalents with grades of "C" or higher or "Pass". Corequisite: MATH 190 or prior completion of MATH 190 or equivalent with a grade of "C" or higher or "Pass".

This course emphasizes the physics of electricity and magnetism. The units of study under electricity include electrostatics, DC circuits and capacitance. Magnetism will cover magnetic fields, force on conductors, torque on coils,
PMT 100
PLASTICS TECHNOLOGY 4.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course provides knowledge of materials and processes used in the field of plastic manufacturing today. An overview of plastic technology and application of production processes, as well as fabrication methods are covered. This course includes molding, forming, reinforced materials, bonding, laminating, and finishing techniques, and plastic materials identification. Transfer Credit: CSU

PMT 101
SUSTAINABLE TOY DESIGN WITH SOLIDWORKS 2.5 UNITS
Class hours: 2.0 Lecture/ 2.0 Laboratory
Recommendation: ENGT 116 OR PMT 100 OR PMT 159
This course will provide students to learn the basic modeling skills and sustainable design process with Solidworks. The basic modeling will include parts design from extrusion/revolution/sweep/loft and bottom up assembly design plus the 2D drawing output. And the sustainable design will cover the definition, scope and metrics of sustainability, environmental assessment dashboard for 4 indicators like carbon footprint/ energy consumption/air acidification/ water eutrophication, and conceptual lifecycle thinking like raw material extraction/material
processing/part manufacturing/assembly/product use/ end of life/transportation. Case studies method will be used in this course and the cases come in with different toy design from simple to complex, and the toys can also be made in class with the laser cutters and 3D printers in the lab.

Transfer Credit: CSU

PMT 151 COMPOSITES FABRICATION 2.0 UNITS
Class hours: 1.0 Lecture/ 3.0 Laboratory
This course will provide students with theory and hands-on exposure to fabrication methods with high-tech materials. Areas of concentration will include composite structures, material choices, design of composite structures, surface bonding, fastener installation, inspection processes and approved repair methods. Fabrication, safety procedures, and material handling are also covered.
Transfer Credit: CSU

PMT 152 COMPOSITE AIR-FRAME ASSEMBLY 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Recommendation: Completion of ENGT 116 and PMT 151
This course is designed for individuals entering the aerospace manufacturing industry, with the focus on the assembly of complex composite aircraft and space craft type vehicles. This Class includes lecture/demonstration and will put the student in a production like environment. This class will cover bonding, light machining and drilling for all types of fasteners, on flat and contoured surfaces. The student will learn about the most common fasteners used the aircraft/ aerospace industry like, rivets, blind rivets, hi-locks, cherry rivets, and others. We will also cover joining of dissimilar materials, Corrosion detection, prevention and control. The student will also be introduced to safety wiring. At the end of class the student will need to complete a test panel per print for their grade.
Transfer Credit: CSU

PMT 153 COMPOSITES REPAIR 2.0 UNITS
Class hours: 1.0 Lecture/ 3.0 Laboratory
This course provides students with hands-on exposure to composite structural repair techniques. Areas of emphasis include structural and nonstructural (cosmetic) evaluation, material handling, surface preparation, and common types of damages encountered within the composite industry.
Transfer Credit: CSU

PMT 159 INJECTION MOLDING I 2.0 UNITS
Class hours: 1.0 Lecture/ 3.0 Laboratory
This course introduces the student to the fundamentals of set-up and operation of injection molding equipment as found in industry. Training on actual industrial equipment as well as safe material and equipment handling is stressed.
Transfer Credit: CSU

PMT 161 FIBERGLASS TECHNOLOGY 2.0 UNITS
Class hours: 1.0 Lecture/ 3.0 Laboratory
This is a course in the industrial use of fiberglass resins, cloth, mat and composite materials. The care and use of equipment (fiberglass chopper gun, gelcoat spray gun) is stressed. Other areas explored are mold laminating, repair, and proper use of resins and fillers. Mixing of resins and safety procedures are emphasized.
Transfer Credit: CSU

PMT 172 TOOLING FOR COMPOSITES 2.0 UNITS
Class hours: 1.0 Lecture/ 3.0 Laboratory
This course covers basic tooling concepts and materials for making various plastic composite molds. These include laminated, cast and high temperature plastic tools as well as plaster tooling. Design recommendations, physical properties data, repair procedures and techniques will be discussed.
Transfer Credit: CSU

PMT 176 FIBERGLASS AND VACUUM INFUSION PROCESS TECHNOLOGY 2.0 UNITS
Class hours: 1.0 Lecture/ 3.0 Laboratory
This course is designed for individuals in the field of Fiberglass/Composites, Production, and Tooling. This course includes lecture/demonstration and lab projects so the student will understand and have the hands on ability to work with the material and equipment used in industry today. This class will cover the industrial use of fiberglass and other fabrics, and resins used in the manufacturing of composite parts. We also cover gel-coats, their application, including Gelcoat spray gun operation. We will introduce the students to the hand layup, Vacuum Infusion Process (VIP), and Resin Transfer Molding (RTM)
POLITICAL SCIENCE
(POL)
(Humanities and Social Sciences Division)

POL 101
AMERICAN POLITICAL INSTITUTIONS 3.0 UNITS
Class hours: 3.0 Lecture
This course is a study of United States and California government and politics, including the national and state constitutions, political institutions and processes, and political actors. It emphasizes the rights and responsibilities of citizens and political issues facing government. Emphasis will be given to practical policy formulation at all levels.
Transfer Credit: CSU

POL 201
INTRODUCTION TO POLITICAL SCIENCE AND AMERICAN GOVERNMENT 3.0 UNITS
Class hours: 3.0 Lecture
This course is an introductory survey of the field of political science designed to familiarize students with basic political concepts, political ideologies, political systems, and subfields within political science. This course will also focus on the major concepts, theories, institutions, processes and policies of government at the national, state, and local levels. The class is intended for college transfer students, especially political science majors.
Transfer Credit: CSU; UC

POL 220
COMPARATIVE GOVERNMENT 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass", or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S, and satisfactory completion of READ 54 or READ 97 with a grade of "C" or higher or "Pass", or completion of the reading assessment/placement process with eligibility for reading exempt.

This course is a study of different kinds of political systems including comparative analysis of their history, political institutions, processes and policies, the environment in which they occur, and differing ideologies, current political problems and their consequences.

Transfer Credit: CSU; UC
C-ID: POLS 130

POL 230
CONTEMPORARY POLITICAL ISSUES: MIDDLE EAST 3.0 UNITS
Class hours: 3.0 Lecture
Recommenation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass", or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S, and satisfactory completion of READ 54 or READ 97 with a grade of "C" or higher or "Pass", or completion of the reading assessment/placement process with eligibility for reading exempt.

A one-semester course emphasizing the basic issues in conflict between nations of the Middle East, this class will investigate, in addition to the political and economic conditions, the social and cultural contributions of the Middle Eastern nations.

Transfer Credit: CSU; UC

POL 240
INTRODUCTION TO POLITICAL THEORY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Engl 52, Engl 72, or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or placement with eligibility for Engl 100 or Engl 100S and completion of Read 54, Read 97, Read 101 or Read 102 or equivalent with a grade of "C" or higher or "Pass" or placement with eligibility for "Reading Exempt"

This course is an introduction to western political thought. The course surveys major themes in the history of political theory, including works by Plato, Aristotle, Augustine, Machiavelli, Locke, Hobbes, Rousseau and Marx. Topics of discussion include how best to govern society, the quality and ethics of political leadership, the sources of law and governmental authority, the issue of liberty and justice, and the role of the state in economic relations.

Transfer Credit: CSU; UC
C-ID: POLS 120

POL 250
MODEL UNITED NATIONS THEORY AND PRACTICE 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Engl 52, or Engl 72, or ESL 152, or equivalent with a grade of "C" or higher or "Pass", or completion of the English assessment/placement process with eligibility for Engl 100 or ENGL100S and Read 54, or Read 97 with a grade of "C" or higher or "Pass", or completion of the reading assessment/placement process with eligibility for reading exempt.

This course introduces students to the theory and practice of international diplomacy through participation in Model United Nations (MUN) simulations and intercollegiate model United Nations conferences. It explores the purpose and functions of international organizations with emphasis on the United Nations. It examines the historical development, norms, rules and procedures of the United Nations. Students will debate major issues of the organization; learn parliamentary procedures, diplomacy, international advocacy and extemporaneous speaking. The MUN simulation activities component of this course will afford students the opportunity to represent specific countries at simulated conferences sponsored and attended by colleges and universities in the region, nation-wide and all over the world. May be repeated for a total of 6 units in different semesters.

Transfer Credit: CSU

POL 255
GLOBAL CITIZENSHIP 3.0 UNITS
Class hours: 3.0 Lecture

This course is an introduction to international studies and global studies for political science majors and non-majors. It reviews the key events and patterns in the world to understand the ways that relations among world communities impact the lives of the people in them. It examines the key elements of global citizenship. And it introduces students to the concept of “Glocal” – think globally, act locally. The world communities are becoming increasingly interconnected, interrelated, and interdependent. This phenomenon undoubtedly has a significant effect on the way people live around the world. This course aims to introduce students to the reality of this occurrence, and to critically analyze the various factors that help us to understand how the interconnectedness,
interrelatedness, and interdependency is happening and the general effects they are having on us. By examining these factors which are rooted in politics, economic, military, environmental, and social relations, we ourselves are immersed in them as global citizens. And ultimately seek to understand what global citizenship is, and what are the rights and responsibilities that accompany this title of global citizen.

Transfer credit: CSU

POL 260
PUBLIC POLICY AND THE SUPREME COURT 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or equivalent with a grade of “C” or higher or “Pass” and READ 54 or equivalent with a grade of “C” or higher or “Pass”.

This course introduces students to the concept of how public policy is formed, how law reflects and affects societal norms, how legal mores change over time, and how law relates to its execution. Students study civil liberties, Supreme Court cases, and the tension between rights guaranteed by the Bill of Rights. Students learn how gender, race and sexuality have been defined over time by policymakers.

POL 280
RACE, GENDER AND SEXUAL IDENTITY IN AMERICAN POLITICS 3.0 UNITS
Class hours: 3.0 Lecture

This course offers an examination and evaluation of the political power and powerlessness of America’s diverse ethnic and marginalized communities. Central to this study will be the history, experiences, and contributions of Native Americans, African Americans, Asian Americans, Latinx, women, and LGBTQ+ communities. Of particular focus will be how inequality and intersectionality of race, ethnicity, gender, and sexuality affect political power, political privilege, struggle, and social justice activism within the American political system. This course is not open to students enrolled or received credit for ETHN 280.

Transfer Credit: CSU; UC

POL 281
RACE, ETHNICITY, AND LATINX POLITICS IN THE U.S. 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass”, or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S, and satisfactory completion of READ 54 or READ 97 or READ 101 or READ 102, with a grade of “C” or higher or “Pass” or completion of the reading assessment/placement process with eligibility for reading exempt.

This course serves to broaden the ethnic and racial perspectives of students by examining the political, social, and cultural experiences of Latinx communities in the United States. Special attention is placed on the study of Latinx politics, the diversity and intersectionality of Latinx identity and political equality, the systemic barriers to political and socio-economic progress, and how discrimination affects power, privilege, and political behavior. Students will also analyze the social movements and contemporary political issues affecting Latinx Americans in their struggle for equal access to the U.S. political system. This course is not open to students who are currently enrolled in or who have received credit for ETHN 281.

Transfer Credit: CSU

POL 282
RACE, ETHNICITY, AND BLACK POLITICS IN THE U.S. 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass”, or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S, and satisfactory completion of READ 54 or READ 97 or READ 101 or READ 102, with a grade of “C” or higher or “Pass” or completion of the reading assessment/placement process with eligibility for reading exempt.

This course serves to broaden the ethnic and racial perspectives of students by examining the political, social, and cultural experiences of African Americans in the United States. Special attention will be placed on Black political ideologies and theories, the diversity and intersectionality of Black identity and political equality, systemic barriers to political and socioeconomic progress, and how discrimination affects power, privilege, and political behavior. Students will also analyze the social movements and contemporary political issues affecting Black Americans in their struggle for equal access to the U.S. political system. This course is not open to students who are currently enrolled in or who have received credit for ETHN 282.

POL 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times.

For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

**PSYCHOLOGY (PSYC)**
(Humanities and Social Sciences Division)

PSYC 101
GENERAL INTRODUCTORY
PSYCHOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
The content focuses on the exploration of major psychological theories and concepts, methods and research findings in psychology. Topics include the biological basis of behavior, perception, development, learning, memory, cognition and consciousness, motivation, emotion, personality, psychological disorders and therapeutic approaches and applied psychology.

Transfer Credit: CSU; UC

C-ID: PSY 110

PSYC 103
CRITICAL THINKING IN
PSYCHOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 100 or ENGL 100S, or equivalent with a grade of “C” or higher, or “Pass”.

This course covers the nature of critical thinking from a psychological perspective. Focusing on the nature of thinking, the course emphasizes the development of critical thinking applied to scientific inquiry. Through an interactive classroom environment that includes lecture/discussion, debates, and writing exercises, critical thinking skills such as problem solving, determining cause and effect relationships, analyzing arguments, fallacies in thinking, comparing facts with opinion, an understanding of probabilities are developed.

There will be an emphasis on the application of critical thinking skills to everyday issues.

Transfer Credit: CSU; UC

PSYC 150 PERSONAL AND SOCIAL ADJUSTMENT 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: PSYC 101 and ENGL 52 or equivalent with a grade of “C” or higher or “Pass”.

This course presents an applied focus on how psychology is used in everyday life. Different theoretical perspectives are applied across the lifespan with an emphasis on culture, gender, ethnicity, personality and relationships. Applications of the concepts taught in this course help students understand themselves better, change behaviors, and enhance relationships. An understanding of how scientists, clinicians and practitioners study and apply psychology is emphasized.

Transfer Credit: CSU; UC

C-ID: PSY 115

PSYC 210
ELEMENTARY STATISTICS 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: MATH 75 or MATH 80 or equivalent with a grade of “C” or higher or “Pass” or satisfactory completion of the assessment/placement process with eligibility for PSYC 210.

This course emphasizes the calculation and interpretation of the basic statistical measures, with major emphasis upon the meaning, limitations, and applicability of statistical procedures. It is intended for majors and minors in the behavioral sciences, especially in psychology and
sociology. The course will include the theory of parametric and non-parametric statistical methods and its application to psychological data. Topics will include descriptive statistics, probability and sampling distributions, statistical inference and power, linear correlation and regression, chi-square, t-test, and one-way analysis of variance. Application of statistical software to psychological data is required.

Transfer Credit: CSU; UC*

*UC credit limits may apply.

PSYC 210, MATH 112, and MATH 112S combined: maximum credit, 1 course.

C-ID: MATH 110

PSYC 220
RESEARCH METHODS 4.0 UNITS
Class hours: 3.0 Lecture/3.0 Laboratory
Prerequisite: PSYC 101 and PSYC 210 or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: ENGL 52 or equivalent with a grade of “Pass” or “C” or higher.

An introduction to the scientific study of psychological principles, this course is intended primarily for prospective psychology majors and other students who plan further work in psychology. Independent projects are developed, performed and reported with emphasis on laboratory and naturalistic techniques of observation and investigation.

Transfer Credit: CSU; UC
C-ID: PSY 205B

PSYC 241
INTRODUCTION TO PSYCHOBIOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: PSYC 101 or equivalent with a grade of “C” or higher or “Pass”.

This course is a study of the biology of behavior, covering cells and what they do; and the structure, function, and development of the nervous and hormone systems. It also covers sensory processes, the neurological basis of motivated and emotional behavior, along with a series of specific behavioral categories, such as pain, aggression, sleep, dreaming, sexual behavior and mental illness. In addition, it explores the biological basis of the higher cerebral functions crucial to human beings as Homo sapiens, learning, memory, intelligence, thought and language.

Transfer Credit: CSU; UC
C-ID: PSY 150

PSYC 245
DRUGS AND BEHAVIOR 3.0 UNITS
Class hours: 3.0 Lecture
This course entails a detailed survey of the issues involved in substance abuse and its relevance to health. The pharmacological, neurological, physiological and psychological behavioral issues of substance abuse and dependence will be the focus. Epidemiologic data on prevalence, incidence and trends of drug dependency in the U.S. will be covered, including the risk factors and safety factors involved in drug use, misuse and abuse. The societal and cultural influences on drug use/abuse, recovery, treatment and prevention, including a survey of local resources, as well as the history, laws, and ethics will be covered in this course. This course is not open to students enrolled or received credit in H0 245

Transfer Credit: CSU; UC
C-ID: PHS 103

PSYC 251

DEVELOPMENTAL PSYCHOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
An integrated study of the social, emotional, cognitive, and biological foundations of the human life cycle from conception to death will be presented in this course. Attention will also be devoted to the study of research methods and the application of research findings to ongoing developmental problems. Implications for personal and professional use will be discussed.

Transfer Credit: CSU; UC
C-ID: PSY 180

PSYC 261
SOCIAL PSYCHOLOGY 3.0 UNITS
Class hours: 3.0 Lecture

This course emphasizes an introduction to methods and content of social psychology; theories of social behavior; communication; social influence; conformity; aggression; leadership; and, prejudice. Since emphasis will be given to practical applications of research findings, this elective course is recommended for students majoring in the social and behavioral sciences.

Transfer Credit: CSU; UC
C-ID: PSY 170

PSYC 262
THE PSYCHOLOGY OF OPPRESSION 3.0 UNITS
Class hours: 3.0 Lecture

The goals of this ethnic studies course are to familiarize students with a psychological perspective on racism, prejudice, discrimination, and oppression, with a focus of the lived experiences on four historically marginalized groups, including: African-Americans, Asian Americans, Latinx Americans, and Native Americans. It explores
psychological theories applied to the experiences of the four core groups, as well as the current social justice and equity movements and their psychological impact on people of color. In addition, this course discusses the personal and social implications of diversity for both majority and minority group members and considers how historical, political, economic, and societal factors shape the way people think about and respond to others. This course is not open to students who have enrolled or received credit in ETHN 262.

Transfer Credit: CSU; UC

PSYC 265
PSYCHOLOGY OF GENDER 3.0 UNITS
Class hours: 3.0 Lecture

This course will examine the psychological issues that are a part of each gender's experiences. An exploration of gender and sex differences and issues specific to women will also be undertaken. Topics include the psychology of reproduction, ability, achievement, work, social interactions, sexuality, growing older, violence against women, and mental illness. An emphasis will be placed on differences that exist between women as they relate to race, ethnicity, culture, religion, and class. The evaluation of these topics is relevant for all genders.

Transfer Credit: CSU; UC* UC credit limits may apply. PSYC 265, SOC 202 or WGS 202 combined: maximum credit, one course.

PSYC 271
ABNORMAL PSYCHOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or equivalent with a grade of “C” or higher or “Pass” and READ 54 or equivalent with a grade of “C” or higher or “Pass”.

This course entails a detailed survey of the various types of abnormal behavior, including behavior resulting from anxiety disorders, mood disorders, substance abuse, sexual disorders, personality disorders, childhood and aging disorders and schizophrenia.

Investigation of different models of abnormal behavior, including biological, psychological and sociocultural approaches. Theory and research in abnormal behavior, the causes, treatment, and prevention of abnormal behavior, as well as ethical and the legal issues will also be discussed. Transfer Credit: CSU; UC

C-ID: PSY 120

PSYC 273
MENTAL HEALTH WORKER FIELD EXPERIENCE 3.0 UNITS
Class hours: 1.0 Lecture/6.0 Laboratory

Prerequisite: INST 151, INST 152, PSYC 101, and PSYC 271, with a grade of “C” or higher or “Pass”. Corequisite: INST 272 with a grade of “C” or higher or “Pass”.

Field experience provides the opportunity for students to apply skills and knowledge learned in the classroom at a direct practice training site, under the supervision of a Psychosocial Rehabilitation Specialist. Emphasis will be placed on helping relationships, including personal/family issues, employment, finances, housing, community integration, living with mental illness, cultural/ethnic issues, and any other special population issues. While interacting with clients, students will engage in the four components of rehabilitation: hope, empowerment, self-responsibility, and obtaining a meaningful role in life. The students will develop a professional attitude in all phases of psychosocial rehabilitation, including the legal and ethical aspects of rehabilitation. Weekly seminars are held to evaluate and review clinical applications. This course is not open to students who are currently enrolled or received credit in INST 273.

Transfer Credit: CSU

PSYC 275
CULTURAL PSYCHOLOGY 3.0 UNITS
Class hours: 3.0 Lecture

Where does cultural variation come from? How does cultural variation shape who you are? In this course we will examine the answers to such questions by examining a range of topics that address the intersection of culture and psychology. Historically Western, educated, industrialized, rich, and democratic populations have characterized the bulk of psychological research, but this is problematic as culture and an individual's psychology are inseparable. Throughout this course, we will explore how culture influences our lives and the lives of others within the U.S. and across the world by addressing how culture shapes childhood experiences, morality, religion, justice, personality, emotions, motivation, perception, mental health, and attraction. We will also discuss techniques in cross-cultural research and living in multi-cultural worlds.

Transfer Credit: CSU; UC

PSYC 276
FORENSIC PSYCHOLOGY 3.0 UNITS
Class hours: 3.0 Lecture

The goals of the course are to familiarize students with the nature and scope of forensic
psychology, to describe in more detail some of the specific responsibilities and activities of forensic psychologists, and to familiarize students with the theory and empirical evidence that guide forensic psychologists in their work within the legal system. Forensic psychology is the combined subfield of psychology and law, applying the concepts and practices of psychological research and study to the legal system and its many components. This course will familiarize students with the contributions of psychology to the criminal justice system, the theory, principles, and research applied to legal issues, and the nature and scope of practice for forensic psychologists. Examination topics may include a range of ethical, moral, and professional issues, including but not limited to insanity in the commission of offenses, competency, eyewitness testimony, offender profiles, psychopathy, violent and sexual behavior, jury selection, and psychopathology. Transfer Credit: CSU; UC

PSYC 278
PSYCHOLOGY OF WELLNESS 3.0 UNITS
Class hours: 3.0 Lecture
How do thoughts and behaviors relate to your state of wellness? This course will provide a general survey of the ways in which theory and empirical research in psychology explain processes relevant to wellness and illness, interconnections between the mind and body, and dynamics in the medical context. Constructs from a variety of research areas within psychology will be applied to topics such as the biopsychosocial model, coping with stress, managing serious and chronic disease, palliative care, death and dying, physician-patient communication, making medical decisions, adherence to treatment regimens, and technology and the health care system. Students will be taught to critically evaluate medical research from a psychological perspective and to analyze representations of medical findings in publications and the popular media.
Transfer Credit: CSU; UC

PSYC 281
CAREERS IN PSYCHOLOGY 3.0 UNITS
Class hours: 3.0 Lecture
This course focuses on career planning and development issues for psychology majors. Using a combination of lecture, readings, interviews, guided small group activities and exercises, students will be exposed to information designed to assist in preparation for and pursuit of a career in psychology or a related field. Topics will include an overview of the undergraduate major in psychology, transferable skills that are mastered in psychology courses and how to market these skills, career options in psychology and related fields, preparation for employment with different degrees, and preparing for and succeeding in graduate school. This course will help students make informed decisions about their degree and career goals.
Transfer Credit: CSU

PSYC 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

READING (READ)
(Liberal Arts Division)

READ 41 (Not Degree Applicable)
INDIVIDUALIZED READING 0.5 UNIT
Class hours: 2.0 Laboratory
This course is for students who wish to improve their reading skills outside of a structured class. Students will be tested as they enter the class, or by the reading component of the Cerritos College assessment test. Based on the scores from the test, work in any of the following areas may be assigned: phonics, vocabulary study, vocabulary in context, literal comprehension, inferential comprehension, critical reading or study-related reading. (Formerly AED 90.41)

READ 44 (Not Degree Applicable)
EFFECTIVE STUDY METHODS FOR COLLEGE 3.0 UNITS
Class hours: 3.0 Lecture
The student will become aware of and experience proven learning techniques ensuring improved comprehension and retention of information from college lectures and textbooks. Skills to be emphasized include: study time management, methods for reading textbooks efficiently, note-taking techniques, understanding textbook assignments, preparation for examinations, test-taking techniques, effective listening techniques, guidelines for vocabulary development, memory techniques, the preparation of research papers and library skills. Study skills surveys will be used to help students identify and improve upon their personal study skills habits and their individual mode of learning.

READ 46 (Not Degree Applicable)
VOCATIONAL/TECHNICAL READING 3.0 UNITS
Class hours: 3.0 Lecture
This course develops the ability to acquire and improve reading skills necessary for success in the students’ occupational lives. All of the instructional activities in this course will strengthen specific technology course curriculum: reading comprehension, vocabulary development, word attack, and study-reading strategies that will prepare students for reading in the workplace.

READ 48 (Not Degree Applicable)
READING ACCESS FOR COLLEGE SUCCESS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: Completion of the Reading assessment/placement process with eligibility for READ 42 or READ 48.
This course is designed to help culturally diverse students make the transition from non-credit courses into college-credit programs. It is open to non-readers and limited readers, both native and immigrants. Visual, auditory, tactile, and kinesthetic instructions are included. Phonics, vocabulary, reading, and writing skills are stressed. This course is not open to students who have received credit for READ 42.

READ 49 (Not Degree Applicable)
INTRODUCTION TO COLLEGE READING 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: READ 42 or READ 48 with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with eligibility for READ 43 or READ 49.
This course is designed for students who wish to improve basic reading skills for success in college-level courses. Coursework includes work on fundamental skills in dictionary use, word analysis and vocabulary development, and fundamental comprehension skills, such as analyzing paragraph structure and determining implied main ideas and rhetorical modes. This course is not open to students who have received credit for READ 43.

READ 54
ADVANCED COLLEGE READING 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: READ 43 or READ 49 with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with a score eligible for READ 54 or higher.
This course is designed to improve literal, interpretive, critical comprehension, and vocabulary skills. Emphasis will be on structured vocabulary development and college-level reading skills.

READ 97
INTRODUCTION TO COLLEGE READING-ACCELERATED 5.0 UNITS
Class hours: 5.0 Lecture
Prerequisite: READ 42 or READ 48 or equivalent with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with eligibility for READ 43 or READ 49 or READ 54.
As an alternative to READ 43/READ 49 and READ 54 sequence, this accelerated course is designed to improve vocabulary skills; literal, interpretive, and critical comprehension; and analytical
reading skills. Emphasis will be on college-level reading skills, and structured vocabulary development, including Latin and Greek roots and affixes and contextual clues. This course is not available to students who have received credit in READ 43 or READ 49 or READ 54.

READ 98
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times.

READ 100
SPEED READING METHODS AND APPLICATIONS 3.0 UNITS
Class hours: 3.0 Lecture
This course is designed to increase reading speed and comprehension in college-level material. Emphasis is placed on developing an improved reading method through learning rapid reading techniques, gaining flexibility in adjusting reading speed to suit purpose for reading and difficulty of the material, overcoming habits of regression and subvocalization, recognizing and using basic writing structures and literary elements as aids to comprehension in depth, and mastering speed study techniques and speed research techniques. All methods and techniques are applied to various types of college-level reading materials. Transfer Credit: CSU

READ 100A
SPEED READING: METHODS 1.5 UNITS
Class hours: 1.5 Lecture
This course is designed to increase reading speed by developing an improved reading method through learning rapid-reading techniques, gaining flexibility in adjusting reading speed to suit purpose for reading and difficulty of the material, overcoming habits of regression and subvocalization, recognizing basic writing structures and literary elements as aids to comprehension. Transfer Credit: CSU

READ 100B
SPEED READING: APPLICATIONS 1.5 UNITS
Class hours: 1.5 Lecture
Prerequisite: READ 100A or equivalent with a grade of "C" or higher or "Pass".
This course is identical to the second half of Reading 100. It is designed to improve comprehension while reading rapidly by utilizing knowledge of basic writing structures and literary elements as aids to comprehension, mastering speed study techniques, and speed research techniques, and applying all methods and techniques learned in Reading 100A to various types of college level reading materials. Transfer Credit: CSU

READ 101
LITERACY AND LEARNING STRATEGIES FOR COLLEGE SUCCESS 3.0 UNITS
Class hours: 3.0 Lecture
This course focuses on providing students with powerful success strategies and tools for college completion and career success. These skills include applying reading and learning strategies, using time management techniques, determining and setting goals, employing effective study-reading strategies, utilizing listening and note-taking skills, preparing for and taking tests, using memory techniques, and developing their information literacy. Students will learn and apply scientifically grounded and practical tips and tools to build emotional intelligence, identify learning preferences, and apply brain-compatible study habits. When course materials are not compatible with a person’s disability, the instructor will develop an Equally Effective Alternate Access Plan (EEAAP). Transfer Credit: CSU;UC

READ 102
ACADEMIC LITERACY IN THE CONTENT AREAS 1.0 UNIT
Class hours: 1.0 Lecture
This course incorporates reading and study skills customized to a student’s particular major/field. The course is designed to give students the skills and abilities needed to read and analyze the complex informational text found typically in Social Studies, Sciences, and Medical and Health fields, etc. Content area reading skills are explicitly taught, modeled, and practiced, using the student’s own textbooks from courses in their major content areas. Attention is given to building vocabulary in content areas, including use of Latin and Greek roots, affixes and contextual clues and, most importantly, word lists specific to the student’s major area of study. Students will read
keeping, sales, trust funds, record management, finance, escrow, estate appraisal, property applications relating to real latest computer software technologies, along with the computer functions a explore and evaluate basic In this course students will higher or “Pass”. Recommendation: RE 101 or Class hours: 3.0 Lecture REAL ESTATE COMPUTER APPLICATIONS IN RE 50 COMPUTER APPLICATIONS IN REAL ESTATE 3.0 UNITS Class hours: 3.0 Lecture Recommendation: RE 101 or equivalent with a grade of “C” or higher “Pass”. In this course students will explore and evaluate basic computer functions and technologies, along with the latest computer software applications relating to real estate appraisal, property management, finance, escrow, sales, trust funds, record keeping, e-Business, and hands on use of real estate business tools such as, using ziforms desktop, online and mobile applications, creating a market analysis for sellers, searching the Multiple Listing Service (MLS) for properties, downloading and e-mailing offers to present to sellers, and renting versus buying analysis. In addition, students will learn to utilize social media such as Facebook, Snapchat, LinkedIn, Twitter, and Instagram, as a real estate business tool.

RE 52 MORTGAGE LOAN BROKERING AND LENDING 3.0 UNITS Class hours: 3.0 Lecture Recommendation: RE 101 or equivalent with a grade of “C” or higher or “Pass” This course introduces the student to the principles and operations of the loan brokering field. The emphasis is on the lending rules for residential property, disclosures, maximum fees and charges, agency relationships, advertising laws, HUD/ RESPA calculations and the loan process. This course partially satisfies the requirements of the Real Estate Salesperson and California Real Estate Broker’s licenses.

RE 55 REAL ESTATE OFFICE ADMINISTRATION 3.0 UNITS Class hours: 3.0 Lecture Recommendation: RE 101 or equivalent with a grade of “C” or higher or “Pass”. This course is designed to acquaint the real estate licensee with skills necessary to manage a profitable and stable business. These skills include techniques in research; office organization; managerial decision making; establishing controls systems and policies; recruiting, selecting, and training of personnel; and product marketing and other skills related to financing, expansion, and growth. This course may be taken as a broker’s license requirement.

RE 98 DIRECTED STUDIES 1.0 UNIT Class hours: 3.0 Independent Study Prerequisite: A previous college course in the discipline.

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times.

RE 99 DIRECTED STUDIES 2.0 UNITS Class hours: 6.0 Independent Study

A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may
be taken a maximum of 2 times.

RE 101
REAL ESTATE PRINCIPLES 3.0 UNITS
Class hours: 3.0 Lecture
This is a beginning course in real estate which introduces the student to real estate fundamentals and principles. Major topics covered are: history of real estate in California, contracts, agency, introduction to financing, deeds, liens and encumbrances, escrow and title insurance, land descriptions, and real estate math. This course is statutorily required by the California Department of Real Estate for the Real Estate Salesperson’s License and is an elective for the Broker’s License.
Transfer Credit: CSU

RE 120
REAL ESTATE FINANCE 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: RE 101 or equivalent with a grade of “C” or higher or “Pass”.
This course is designed to be of assistance to real estate brokers, salesmen, college students majoring in real estate, and others who may have a special interest in real estate financing. Actual case illustrations demonstrating lending policies, problems, and risks involved in financing transactions in residential, apartment, commercial, and special purpose properties will be used. (Statutorily required by the Department of Real Estate for the Real Estate Broker’s License and can be used as an elective course for the Real Estate Salesperson’s License.)
Transfer Credit: CSU

RE 130
REAL ESTATE PRACTICE 3.0 UNITS
Class hours: 3.0 Lecture
This course is designed to acquaint the students with everyday real estate practice and to familiarize them with forms used in the real estate industry, as well as keep them abreast of the changing conditions in the real estate market, notably in lending, land utilization, and zoning. This course will inform the student of current selling practices and techniques. (This course is statutorily required by the Department of Real Estate for a Real Estate Salesperson’s License as well as required for the Real Estate Broker’s License.)
Transfer Credit: CSU

RE 131
INTRODUCTION TO REAL ESTATE APPRAISAL 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: RE 101 or equivalent with a grade of “C” or higher or “Pass”.
This course is an introduction to the field of real property appraisal. It includes the hands-on evaluation of a single family residence and a multi-family income units.

LEGAL ASPECTS OF REAL ESTATE 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: RE 101 or LAW 111 or equivalent with a grade of “C” or higher or “Pass”.
This course is designed to be of material assistance to real estate licensees, college students majoring in real estate, and others interested in real estate. This is a practical, applied study of California real estate law intended to be of help in avoiding legal difficulties which can arise with real estate transactions. (Statutorily required by the Department of Real Estate for a Broker’s License.)
Transfer Credit: CSU

RE 140
REAL ESTATE PROPERTY MANAGEMENT 3.0 UNITS
Class hours: 3.0 Lecture
The course illustrates how skilled management practice can assure the production of maximum financial yield to investment real estate. The students gain an overview of the many different types of properties in which they might become involved. The course considers the specific duties of management, including the establishing rental schedule, merchandising available space, collecting rent, creating and supervising maintenance schedules and repairs, supervising all purchasing, developing a tenant relationship policy, and maintaining proper accounting records. This course is an elective toward a Real Estate Broker’s License.
Transfer Credit: CSU

RE 151
FUNDAMENTALS OF ESCROW 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: RE 101 or equivalent with a grade of "C" or higher or “Pass”.

This is a basic course covering the principles and fundamentals of escrow procedure, with emphasis on the duties and responsibilities of escrow personnel. Students will understand why escrow is a means of facilitating the transfer of property and for protection of the interests of the principals. This is a background course for real estate students and a prerequisite for more advanced courses in escrow. This course may be taken as an elective course for the Real Estate Salesperson’s License and for a Real Estate Broker’s License.

Transfer Credit: CSU

RE 157
REAL ESTATE INVESTMENTS 3.0 UNITS
Class hours: 3.0 Lecture

This course is designed to acquaint the students with real estate investments. Content will include commonly used forms, solving on-the-job problems, cash flow analysis including calculation of cash-on-cash return, net present value and internal rate of return, analysis of the client’s needs, and modern practices and techniques used in industry today.

Transfer Credit: CSU

RE 160
REAL ESTATE ECONOMICS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: RE 101 or equivalent with a grade of “C” or higher or “Pass”.

This course covers principles and problems in urban development such as basic methods of statistical analysis and interpretation, controlling land use, patterns of land use for commercial and industrial facilities, economic aspects of real estate investment theory, economic utilization, land resources, public housing, urban renewal and rehabilitation, and impact of environmental controls. (This course is required for California Real Estate Broker’s License.)

RE 172
REAL ESTATE OCCUPATIONAL WORK EXPERIENCE/CAREER INTERNSHIP 2.0 UNITS
Class hours: 1.0 Work Experience

Two units of Real Estate Occupational Work Experience/Career Internship require 120 non-paid hours of work or 150 paid hours of work per semester. Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to exacting experiences in the workplace. The aim of the course is to assist students in becoming more productive workers. In the process of doing so, it creates greater communication with increased understanding between the broker/ sponsors, student/trainees, and the college. First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Semester projects that relate to their major and job skills must be completed on the job/training site. Second, third, and fourth semester students must meet weekly with the instructor until their participatory assignments and semester work projects have been approved. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units.

Transfer Credit: CSU

RE 173
REAL ESTATE OCCUPATIONAL WORK EXPERIENCE/CAREER INTERNSHIP 3.0 UNITS
Class hours: 1.0 Work Experience

Three units of Real Estate Occupational Work Experience require 180 non-paid hours of work or 225 paid hours of work per semester. Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to exacting experiences in the workplace. The aim of the course is to assist students in becoming more productive workers. In the process of doing so, it creates greater communication with increased understanding between the broker/ sponsors, student/trainees and the college.

First semester students meet with their instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. REAL ESTATE
OCCUPATIONAL WORK
EXPERIENCE/CAREER
INTERNSHIP 4.0 UNITS
Class hours: 1.0 Work
Experience
Prerequisite: Completion of 12
units in Business
Administration, Real Estate or
Paralegal or equivalent.
The Real Estate Occupational
Work Experience Alternate Plan
is supervised employment of
students designed to offer
students opportunities to
attend college full-time one
semester and work full-time the
following semester. Job
experience must relate directly
to the student's educational
goals. Up to eight (8) units may
be earned in one semester.
Occupational work internship is
supervised employment of
students designed to extend
their classroom-based
occupational learning at an on-
the-job learning station in
fields directly related to their
educational or occupational
goals. This course may be taken
a maximum of 4 times.

SOC 101
INTRODUCTORY SOCIOLOGY
PRINCIPLES 3.0 UNITS
Class hours: 3.0 Lecture
Sociology 101 represents an
introductory survey of the
fundamental theories,
philosophies and problems
associated with the study of
sociology in a pluralistic
society. A multicultural
approach is used throughout in
the analysis of human
relationships through a study
of major concepts. Institutions
and their functions, personality
development, social interaction,
social change, collective
behavior, the environment, war
and peace are major themes for
this course.
Transfer Credit: CSU; UC
C-ID: SOCI 110
SOC 110
MARRIAGE AND THE FAMILY 3.0
UNITS
Class hours: 3.0 Lecture
Sociology 110 represents an
introductory survey of the
sociological, psychological and
biological factors involved in
love, marital and family
relationships. Using a
multicultural approach,
consideration is given to the
complex issues of dating
courting, mate selection,
alternatives to marriage,
conflict, communication, sex
roles, child-bearing and child-
rearing.
Transfer Credit: CSU; UC
C-ID: SOCI 130
SOC 120
INTRODUCTION TO HUMAN
SEXUALITY 3.0 UNITS
Class hours: 3.0 Lecture
Sociology 120 represents an
introductory survey of the
behavioral, biological,
historical, religious, and socio-
cultural aspects of human
sexuality in a pluralistic society.
A multicultural approach is
used throughout in the study of
the anatomy and physiology of
sexual function, treatment of
dysfunction, psychosexual
development and the relationship between sexuality, changing social/cultural standards and contemporary values. Sex across the life span, pregnancy, birth control, sexually transmitted diseases, the AIDS crisis, homosexuality, sexual assault, incest, and child molestation are among the topics covered.

SOC 220
INTRODUCTION TO HUMAN SERVICES 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: SOC 101 or PSYC 101 or equivalent with a grade of “C” or higher or “Pass” is strongly recommended.

Sociology 220 represents an introduction to the purposes, historical context and organizational structure of human services. Emphasis is threefold: the development of human services and related careers in response to situations of individuals or groups who need assistance to live better lives (purpose); the recent history of human services dating from the early 1960s, which is marked by an increased awareness that many people need different kinds of assistance; and the purposes of the organizations that deliver services to clients.
Transfer Credit: CSU

SOC 230
JUVENILE DELINQUENCY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: SOC 101 or equivalent with a grade of “C” or higher or “Pass” is strongly recommended.

This course is a study of adolescents and their lives within contemporary society with emphasis on what is defined and accepted as justice for adolescents in general and delinquents in particular.
Transfer Credit: CSU

SOC 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.
Transfer Credit: CSU

SPAN 101
ELEMENTARY SPANISH 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
This beginning Spanish course emphasizes listening, speaking, reading, and writing and helps to develop an appreciation of cultural diversity through the study of differences and similarities between cultures.
Transfer Credit: CSU; UC*
*UC credit limits may apply.
SPAN 101 and SPAN 111 combined: maximum credit, one course.
C-ID: SPAN 100

SPAN 102
ELEMENTARY SPANISH 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
Prerequisite: SPAN 101 or SPAN 103B or SPAN 111 or equivalent with a grade of “C” or higher or “Pass”.

This course is a continuation of the study of the basic principles of Spanish with an emphasis on oral and written communication. It helps to continue to develop an appreciation of cultural diversity through the study of differences and similarities between cultures.
Transfer Credit: CSU; UC*
*UC credit limits may apply.
SPAN 102 and SPAN 112 combined: maximum credit, one course.
C-ID: SPAN 110

SPAN 111
ELEMENTARY SPANISH FOR SPANISH SPEAKERS 5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
This beginning course corresponding to SPAN 101 is designed for students already able to understand and speak the language as used in
everyday situations. Emphasis is on listening, speaking, reading, writing and special problems with structures and vocabulary.
Transfer Credit: CSU; UC
*UC credit limits may apply.
SPAN 101 and SPAN 111 combined: maximum credit, one course.
C-ID: SPAN 100

SPAN 112
ELEMENTARY SPANISH FOR SPANISH SPEAKERS  5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
Prerequisite: SPAN 101 or SPAN 111 or SPAN 103B or equivalent with a grade of "C" or higher or "Pass".
This course is a continuation of SPAN 111 or SPAN 101 designed for the native speaker. It corresponds to SPAN 102 with an emphasis on oral and written communication. This course is designed for students that already speak, understand and have studied Spanish. It helps develop the appreciation of cultural diversity through the study of differences and similarities between the diverse Latin-American and Spanish cultures.
Transfer Credit: CSU; UC
*UC credit limits may apply.
SPAN 102 and SPAN 112 combined: maximum credit, one course.
C-ID: SPAN 110

SPAN 201
INTERMEDIATE SPANISH  5.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
Prerequisite: SPAN 102 or SPAN 112 or equivalent with a grade of "C" or higher or "Pass".
This course provides a review and in-depth study of grammatical concepts. Reading and interpretation of literary works by Hispanic writers and guided and original compositions are included. This course will further develop the appreciation of cultural diversity. The class is conducted primarily in Spanish.
Transfer Credit: CSU; UC
C-ID: SPAN 200

SPAN 202
INTERMEDIATE SPANISH  4.0 UNITS
Class hours: 4.0 Lecture
Prerequisite: SPAN 201 or equivalent with a grade of "C" or higher or "Pass".
This course provides a review and in-depth study of grammatical concepts. Reading and interpretation of literary works by Latin American and Spanish writers, and guided and original compositions are included. This course provides further practice in the discussion and presentation of current cultural topics through literature. This class, conducted primarily in Spanish, will further develop the appreciation of cultural diversity and is recommended for all Spanish majors.
Transfer Credit: CSU
C-ID: SPAN 210

SPAN 210
HIGHLIGHTS OF HISPANIC CULTURE  3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: SPAN 102 or SPAN 112 or equivalent with a grade of "C" or higher or "Pass".
This course traces the principal currents of Hispanic culture through Europe and the New World. Using a thematic approach, it traces the historic, political and economic development of the Spanish speaking people, and presents the highlights of Hispanic achievements from the standpoint of civilization and culture. This course conducted primarily in Spanish, is recommended for Spanish majors.
Transfer Credit: CSU; UC

SPAN 223
SPANISH FOR HEALTH AND MEDICAL CAREERS  3.0 UNITS
Class hours: 3.0 Lecture
This Spanish course for health and medical personnel is designed for students who plan to use Spanish as a communication tool in their field of specialization. A major emphasis is on vocabulary and situational dialogues closely related to health and medical careers.
Transfer Credit: CSU

SPAN 245
INTRODUCTION TO CHICANO/MEXICAN AMERICAN CULTURE  3.0 UNITS
Class hours: 3.0 Lecture
This course is a study of the culture of the Chicano/Mexican American student. It analyzes the family, religious institutions, contributions, advancements, and problems of the Chicano/Chicana in the United States and aids students in achieving self-identification and understanding their relationship to their own community. This course, conducted in English, develops insight into the special nature of Chicano/Chicana culture for those outside that culture. It is open to all Spanish speaking and non-Spanish speaking students.
Transfer Credit: CSU

SPAN 260
FRIDA KAHLO AND MEXICAN MURALISTS  3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" or completion of the English assessment/placement
This course is an introduction to the artwork, life and politics of Frida Kahlo, Diego Rivera, José Clemente Orozco, David Alfaro Siqueiros, and other muralists through a cultural, literary, political, and social approach. The course also provides skills to students to further develop their basic understanding on culture, religion, mestizaje, machismo, literature, geography, and ideas and customs of Mexican society during late 1800s through mid 1900s. In addition, students will be able to improve their writing and critical thinking skills. No previous knowledge of the subject is required. The course is taught in English.

Transfer Credit: CSU; UC

SPAN 281
BEGINNING CONVERSATIONAL SPANISH 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: SPAN 102 or equivalent with a grade of “C” or higher or “Pass”. This course gives the student practice in understanding and speaking Spanish as used in the home, school, business, travel and everyday life. Emphasis is placed on vocabulary, idioms, and language patterns fundamental to an active and practical use of Spanish. This course recommended for all Spanish majors, develops the appreciation of cultural diversity.
Transfer Credit: CSU; UC

SPAN 282
INTERMEDIATE CONVERSATIONAL SPANISH 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: SPAN 281 or equivalent with a grade of “C” or higher or “Pass”. This course provides intensive practice in the discussion of current topics including multiculturalism. Emphasis is on the acquisition of special idioms and vocabulary suitable to conversation about the family, the world of work, business, sports and pastimes, popular culture, travel and ecology. This course conducted primarily in Spanish, is recommended for all Spanish majors.
Transfer Credit: CSU; UC

SPAN 283
ADVANCED CONVERSATIONAL SPANISH 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: SPAN 282 or equivalent with a grade of “C” or higher or “Pass”. This course consists of in-depth oral discussion of cultural topics, including modern family life, the job market, advertising in the business world, pastimes and amusements, economy versus ecology, the world of travel and multiculturalism. Emphasis is on the acquisition of appropriate vocabulary and language patterns, and the creative development of arguments. This course conducted in Spanish, is recommended for all Spanish majors.
Transfer Credit: CSU; UC

SPAN 285
ROMANCE LINGUISTICS 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: SPAN 281 or SPAN 101 or SPAN 111 with a grade of “C” or higher or “Pass”. This course will analyze the evolution of Romance languages from Latin. Spanish utterances will be structured through phonological, morphosyntactic, and lexical norms. This course is not open to students who are enrolled in or have received credit in FREN 285. This course will be taught in English.
Transfer Credit: CSU; UC

SPEECH AND LANGUAGE PATHOLOGY (SLP)
(Health Occupations Division)

SLP 101
INTRODUCTION TO COMMUNICATION DISORDERS 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This course introduces foundational skills and principal theories for identification, classification, and management of communication disorders in individuals. Students will learn what distinctive features constitute normal and disordered speech, language, and hearing in a multicultural society. The legal and ethical scope of practice pertinent to roles in the fields of speech-language pathology and audiology will be delineated. Methods of assessment, observation, and intervention will be introduced.
Transfer Credit: CSU

SLP 105
SPEECH AND LANGUAGE DEVELOPMENT IN CHILDREN 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent
with a grade of “C” or higher or “Pass” or completion of the assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This course is designed to provide the student with an understanding of how speech and language develop in normal monolingual and bilingual children. Students will learn the components of speech and language as well as theories of language development. Cognitive, motor, and social-emotional factors will be discussed as they relate to language development. Students will be introduced to informal measures of communication development using speech and language samples of typically developing children.

Transfer Credit: CSU

SLP 108
INTRODUCTION TO PHONETICS
3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
Prerequisite: Enrollment is dependent on admittance to the Speech-Language Pathology Assistant Program.

This course is designed to provide the student with knowledge and skill in the classification, description, and transcription system of the phonetic speech sounds of American-English. Students will learn to transcribe normal, accented, and disordered speech using the International Phonetic Alphabet (IPA) for broad transcription. Linguistic variation and regional dialects will be addressed.

Transfer Credit: CSU

SLP 125
CHILDHOOD DISORDERS AND TREATMENT
5.0 UNITS
Class hours: 4.0 Lecture/3.0 Laboratory
Prerequisite: SLP 108 and SLP 125 with a grade of “C” or higher or "Pass".

This course introduces the student to the needs of children and adults who are nonverbal or have limited verbal abilities. Students will learn about the types of augmentative and alternative communication (AAC) systems, with emphasis on the preparation, use and maintenance of selected low-tech and high-tech equipment. Opportunities for structured practice in the development and implementation of AAC tools will be provided.

Transfer Credit: CSU

SLP 230
INTRODUCTION TO AUGMENTATIVE AND ALTERNATIVE COMMUNICATION
1.5 UNITS
Class hours: 1.5 Lecture/0.5 Laboratory
Prerequisite: SLP 125 with a grade of “C” or higher or "Pass".

This course focuses on the treatment of speech, language and hearing disorders in children. Students will learn causes and characteristics of specific disorders and the elements of assessment and screening tools. Models of service delivery for children in educational and healthcare settings will be discussed. Students will learn and observe therapeutic principles and methods for treating a variety of speech and language disorders in children, and will demonstrate these skills through therapy simulations. Treatment documentation and data collection will be introduced.

Transfer Credit: CSU

SLP 235
ADULT DISORDERS AND TREATMENT
5.0 UNITS
Class hours: 4.0 Lecture/3.0 Laboratory
Prerequisite: Completion of SLP 125 with a grade of “C” or higher or "Pass".

This course focuses on the classifications, causes, symptoms, and intervention methods of speech and language disorders in adults. Students will learn about service delivery models in a variety of settings that treat these disorders and the role of the speech-language pathology assistant (SLPA). Assessment methods and types will be discussed. Students will have the opportunity to learn and practice therapeutic techniques designed to treat a variety of speech and language disorders in adults.

Transfer Credit: CSU
Prerequisite: Completion of SLP 235 and SLP 241 with a grade of "C" or higher or "Pass".

This final field experience course provides the student with an opportunity to perform advanced speech-language pathology assistant responsibilities under appropriate supervision. Additional emphasis will be placed on report writing and independent execution of therapeutic skills.

Transfer Credit: CSU

THEATRE ARTS (TH)
(FINE ARTS & COMMUNICATIONS DIVISION)

TH 101
INTRODUCTION TO THE THEATRE 3.0 UNITS
Class hours: 3.0 Lecture

This broad survey of the entire theatre field focuses on modern theatre practice and theory. Some historical background is provided. Topics include stage lighting and design, acting and directing, properties and costume, theatre architecture, make-up, career opportunities, and playwriting.

Transfer Credit: CSU; UC
C-ID: THTR 111

TH 102
HISTORY OF THE CLASSICAL THEATRE 3.0 UNITS
Class hours: 3.0 Lecture

This course is designed to introduce the student to the history and literature of the theatre from ancient times to the English Restoration. The role of theatre in human affairs will be explored, and particular attention will be given to the way theatre shapes—and is shaped by—the cultural, intellectual, and political forces of its time.

Transfer Credit: CSU; UC

TH 103
HISTORY OF THE MODERN THEATRE 3.0 UNITS
Class hours: 3.0 Lecture

This course is designed to introduce the student to the history and literature of the theatre from French Classicism to the 20th Century. The role of theatre in human affairs will be explored, and particular attention will be given to the way theatre shapes—and is shaped by—the cultural, intellectual, and political forces of its time.

Transfer Credit: CSU; UC

TH 104
HISTORY AND APPRECIATION OF MUSICAL THEATRE 3.0 UNITS
Class hours: 3.0 Lecture

This course introduces the student to the history and literature of the musical theatre from mid-19th century to present day. The course will explore the stylistic distinctions found in the musical as well as its social and cultural significance. Emphasis is placed on the contributions and influence of the individual writer, composer, or lyricist.

Transfer Credit: CSU; UC

TH 105
INTRODUCTION TO MUSICAL THEATRE TECHNIQUES 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory

This course introduces the student to performance and audition techniques for musical theatre. Emphasis is placed on character development through scene study and song analysis, as well as vocal production and psychomotor awareness exercises.

Transfer Credit: CSU; UC

TH 106A
ENTERTAINMENT TECHNOLOGY FUNDAMENTALS 3.0 UNITS
Class hours: 3.0 Lecture

This course introduces the study and execution of technical theater principles. Topics include theater design and technical practices. The course introduces students to the methods and techniques of lighting, sound, staging, set design, scenery, construction, props, costumes, and makeup. Students will learn the technical components of theatrical, presentation, and performance productions. Topics such as trade publications, relevant conventions, and employment opportunities are also discussed.

Transfer Credit: CSU

TH 108
IMPROVISATION FOR THE THEATRE 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory

In this course, students will learn how to act without a script. The focus will be on improvisational performance, but students will also learn how improvisation is used in actor training and as a tool for rehearsing traditional plays. Class members will participate in exercises designed to free their natural ability in all acting situations.

Transfer Credit: CSU; UC

TH 109
REMOUNTING A PRODUCTION 2.0 UNITS
Class hours: 1.0 Lecture/4.0 Laboratory

Prerequisite: TH 130 or TH 131 or TH 132 or audition or equivalent with a grade of “C” or higher or “Pass”.

Students in this course will remount a major theatrical...
production. This particular course is for those cast in a show previously produced. Transfer Credit: CSU

TH 110
FUNDAMENTALS OF ACTING 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
This course is an introduction to acting methods and exercises. It is appropriate for the beginner, but it also lays a strong foundation for students who would like to pursue a career in acting. Students will perform regularly on stage, and will learn to analyze scenes and monologues. Transfer Credit: CSU; UC C-ID: THTR 151

TH 111
INTERMEDIATE ACTING TO CHARACTERIZATION 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: TH 110 or equivalent with a grade of "C" or higher or "Pass". This is an advanced course in acting methods and practices, with particular focus upon creating exciting, believable characters. Students will learn to find elements from their own lives to use in characterization, and then to explore cultures and walks of life other than their own. Transfer Credit: CSU; UC C-ID: THTR 152

TH 112
SCRIPT ANALYSIS 3.0 UNITS
Class hours: 3.0 Lecture
Principles, theories and techniques of play script analysis for theatrical production. Students will study and analyze selected contemporary one act and full-length plays of various styles, in order to understand more fully the solutions of successful playwrights to problems of dramatic structure, character creation, plot development, dialogue and theatrical style. Transfer Credit: CSU C-ID: THTR 114

TH 113
STAGE MOVEMENT AND COMBAT 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory
This is an introduction to basic stage movement and combat for the actor. Emphasis will be placed on physical and spatial awareness, using movement creatively in characterization, and developing confidence in the physical self. Various stage combat techniques will be covered so that students can fully choreograph their own stage fights. Transfer Credit: CSU; UC

TH 115
STAGE MOVEMENT AND COMBAT 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory
This course presents vocal techniques to free and develop the actor’s voice. It includes exercises in relaxation, physical awareness, and proper breathing, as well as in the development of diction, range and projection as required for theatrical performance. Transfer Credit: CSU; UC

TH 116
THEATRE STAGECRAFT 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course introduces the student to the principles and basic techniques of theatrical scenery construction. The class will be involved in scene shop procedures and practices, safe tool usage, materials selection, and fabrication methods. Transfer Credit: CSU; UC C-ID: THTR 171

TH 117
THEATRE STAGECRAFT 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course provides instruction in techniques of theatrical make-up. Crew assignments in college productions are required. Transfer Credit: CSU; UC C-ID: THTR 175

TH 118
ADVANCED STAGE MAKEUP 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
Prerequisite: TH 123 or equivalent with a grade of "C" or higher or "Pass". This course provides instruction in techniques of theatrical makeup with an emphasis on three-dimensional special effects makeup. A crew assignment on a college production is required. Transfer Credit: CSU; UC

TH 119
WIGS AND HAIR FOR THEATRE I 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course provides basic instruction for the styling, care, and maintenance of hard and soft front wigs. Instruction on
Students in this course will rehearse and perform a major theatrical production. Students should contact the Theatre Department for a schedule of audition dates. This particular course is for those cast in "supporting" roles.

Transfer Credit: CSU; UC C-ID: THTR 191

TH 131
REHEARSAL AND PERFORMANCE FOR THE SUPPORTING ROLE 2.0 UNITS
Class hours: 1.0 Lecture/4.0 Laboratory
Prerequisite: By audition.

This course introduces the student to technical theatre work in connection with the mounting of college plays. Emphasis is on the design and preparation of scenery, lighting, costume, sound, props, and makeup, wigs and hair. Students may also be assigned to a running crew for some of their lab hours. This course may be taken a maximum of 2 times.

Transfer Credit: CSU

TH 132
TECHNICAL PRODUCTION 2.0 UNITS
Class hours: 1.0 Lecture/5.0 Laboratory
This course is an introduction to musical theatre dance styles, techniques, and repertory. Emphasis is on mastering the fundamental skills and styles
basic to musical theatre dance techniques and performance. Transfer Credit: CSU; UC

TH 145
COSTUME PRODUCTION FOR DANCE 1.0 UNIT
Class hours: 1.0 Lecture/3.0 Laboratory
This course introduces the student to the fabrication of costume elements including patterning, machine sewing, hand sewing, dyeing, and decoration for dance. Transfer Credit: CSU; UC

TH 146
MUSICAL THEATRE PRODUCTION FOR CHORUS 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Prerequisite: By audition.
This course involves participation in a major Theatre Department musical production as a member of the chorus. Activities may include singing, dancing, acting and/or playing a musical instrument. Transfer Credit: CSU; UC

TH 147
MUSICAL THEATRE PRODUCTION FOR LEADING ROLES 3.0 UNITS
Class hours: 1.0 Lecture/7.0 Laboratory
Prerequisite: By audition.
This course involves participation in a major Theatre Department musical production in a leading role. Activities will include singing, dancing, acting and/or playing musical instrument. Transfer Credit: CSU; UC

TH 150
APPRECIATION AND HISTORY OF THE MOTION PICTURE 3.0 UNITS
Class hours: 3.0 Lecture
This course examines the art of motion pictures and their impact upon society. It includes the viewing and critical analysis of feature films in various thematic categories. Transfer Credit: CSU; UC

TH 171
OCCUPATIONAL WORK EXPERIENCE IN THEATRE 1.0 UNIT
Class hours: 1.0 Work Experience
One unit of Occupational Work Experience in Theatre requires 60 non-paid or 75 paid hours of work per semester.
Work Experience/Career Internship provides the opportunity for students to apply skills and knowledge learned in the classroom to related experiences on the job/training site. The aim of the course is to assist students in expanding specific job skills. This creates greater communication with increased understanding between the students/workers, the college, and the employers/trainers. First semester students will meet with the instructors for a minimum of one hour per week. Students also pursue a program of self-evaluation to determine individual job weaknesses and strengths. Work experience courses may be taken for a maximum of 8 units per semester. The total work experience units taken by a student may not exceed 16 units. Transfer Credit: CSU

TH 212
SCENE STUDY 3.5 UNITS
Class hours: 3.0 Lecture/2.0 Laboratory
Prerequisite: TH 110 or equivalent with a grade of “C” or higher or “Pass”.
This is an intensive acting course focusing on the study and performance of challenging scenes from Chekhov, Ibsen, Strindberg, Shaw, and Feydeau, as well as from Beckett, Pinter, Ionesco, Albee, and Mamet. Students will explore multiple objectives, acting between the lines, and techniques for absurdist plays and farce. Transfer Credit: CSU; UC

TH 216
ACTING FOR THE CAMERA 3.0 UNITS
Class hours: 2.0 Lecture/4.0 Laboratory
Prerequisite: TH 110 or equivalent with a grade of “C” or higher or “Pass”.
This course is designed for the experienced acting student to adapt stage acting techniques for the motion picture and television camera. Emphasis will be placed on gaining an understanding of camera shots, angles, the shooting process, auditioning and actor behavior in front of the camera. Transfer Credit: CSU

TH 221
COSTUMING FOR THE STAGE 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course introduces the student to the principles and methods of costume crafts for stage purposes. Although design and construction are accentuated, the approach to costuming for the stage is underscored by a historical perspective. Transfer Credit: CSU; UC

C-ID: THTR 174

TH 221A
ADVANCED COSTUMING FOR THE STAGE 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
Prerequisite: TH 221 or equivalent with a grade of “C” or higher or “Pass”.
This course provides instruction to the student who
has become proficient with basic costume construction practices and techniques. In this course, the focus is on pattern drafting, cutting, fitting, construction, and decoration of costumes. The design and construction of costumes is underscored by a historical perspective. Wardrobe crew chief or a design assignment on a college production is required. Transfer Credit: CSU; UC

TH 222
STAGE LIGHTING  3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
This course introduces the student to the theory and practice of modern stage lighting. Emphasis is placed on the design and function of lighting equipment and control systems, as well as color theory, the historical perspective, and hands-on experience. Transfer Credit: CSU; UC
C-ID: THTR 173

TH 223
PORTABLE ENTERTAINMENT TECHNOLOGY - LIGHTING  3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
Recommendation: TH 120, TH 133, or TH 134 or equivalent with grades of “C” or higher or “Pass”.
This course introduces the student to the principles and basic techniques of portable event staging. The class will cover procedures and practices involved in the staging and audio of entertainment events. Transfer Credit: CSU

TH 224
PORTABLE ENTERTAINMENT TECHNOLOGY - AUDIO AND STAGING  3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
Recommendation: TH 120, TH 133, or TH 134 or equivalent with grades of “C” or higher or “Pass”.
This course introduces the student to the basic principles and techniques of sound design for the theatre. The class will be involved in the conceptualization, analysis, and actual exploration of the design process. Emphasis will be placed on the development of the individual's design capabilities and knowledge of contemporary design approaches. Transfer Credit: CSU; UC

TH 225
PORTABLE EVENT PRODUCTION  2.0 UNITS
Class hours: 1.0 Lecture/5.0 Laboratory
Prerequisite: TH 223 or TH 224 or equivalent with grades of “C” or higher or “Pass”.
Recommendation: TH 120, TH 133, or TH 134 or equivalent with grades of “C” or higher or “Pass”.
This course requires the student to set up and run a live event using the skills acquired in the Portable Event Production classes. Students will work in the areas of staging, lighting, and audio on multiple live entertainment events that are open to the public. Transfer Credit: CSU

TH 226
INTRODUCTION TO SCENIC DESIGN  2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
This course introduces the student to the basic principles and techniques of scenic design for the theatre. The class will be involved in the conceptualization, analysis, and actual exploration of the design process. Emphasis will be placed on the development of the individual's design capabilities and knowledge of contemporary design approaches. Transfer Credit: CSU; UC

TH 228
DIRECTED STUDIES  1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation. Transfer Credit: CSU

TH 229
DIRECTED STUDIES  2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect the meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines,
UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

WELDING (WELD)
(Technology Division)

WELD 100
WELDING FUNDAMENTALS 2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
This introductory course is designed to familiarize the student with the history, principles, and practices of the welding industry and their relationship to our economy and society. Emphasis is placed on technical and practical applications of metal cutting, brazing and soldering, shielded metal arc, gas metal arc, flux cored arc, and gas tungsten arc welding processes, shop and field safety practices, weld testing and welding metallurgy.

Transfer Credit: CSU

WELD 120
BEGINNING ARC WELDING 5.0 UNITS
Class hours: 4.0 Lecture/4.0 Laboratory
Recommendation: WELD 100 with a grade of “C” or higher or “Pass” or concurrent enrollment or appropriate work experience.

This course is designed for the beginning student welder covering the technical and practical aspects of the shielded metal arc welding (SMAW), gas metal arc welding (GMAW), and flux cored arc welding (FCAW) processes on ferrous and non-ferrous metals. Emphasis is placed on the safe operation of manual and semi-automatic welding and cutting tools and equipment.

Transfer Credit: CSU

WELD 130
GAS TUNGSTEN ARC WELDING FUNDAMENTALS 5.0 UNITS
Class hours: 4.0 Lecture/4.0 Laboratory
Recommendation: WELD 100 or WELD 120 or equivalent with a grade of “C” or higher or “Pass” or concurrent enrollment or appropriate work experience.

This course is designed to provide the student with technical and practical welding skills on ferrous and non-ferrous metals using the gas tungsten arc welding process (GTAW), commonly known as TIG. Related classroom instruction covers technical data pertaining to this welding process with special emphasis on operational parameters of inverter type machines.

Transfer Credit: CSU

WELD 149
WELDING SHOP MATH 4.0 UNITS
Class hours: 4.0 Lecture
Recommendation: WELD 100 or WELD 120 or WELD 130 or equivalent with a grade of “C” or higher or “Pass”.

This course is designed to familiarize the student with the shop math typical to the welding industry. Emphasis will be placed on the practical applications of measuring, measuring instruments, area, volume, fractions, decimals, and the metric system.

(Formerly WELD 49)

Transfer Credit: CSU

WELD 153
PIPE LAYOUT 2.0 UNITS
Class hours: 1.0 Lecture/4.0 Laboratory
Prerequisite: WELD 120 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.

This advanced welding course emphasizes practical techniques of pipe layout, terminology, use of layout tools, fittings, offset tie-ins, and rolled offset tie-in of parallel pipelines. Instruction in more advanced layout techniques will cover layout of calculated fittings involving pipelines of unequal sizes and compound offset tie-in fittings. (Formerly WELD 53)

Transfer Credit: CSU

WELD 159
BLUEPRINT READING FOR THE WELDING TRADES 4.0 UNITS
Class hours: 4.0 Lecture
Recommendation: WELD 100 or WELD 120 or WELD 130 or equivalent with a grade of “C” or higher or “Pass”.

This course is designed to enable the student to read and interpret shop and structural drawings and blueprints. Emphasis is placed on structural shape identification, nomenclature, and welding symbols. (Formerly WELD 59)

Transfer Credit: CSU

WELD 160
WELDING AND METAL FABRICATION SAFETY 1.0 UNIT
Class hours: 1.0 Lecture
This course is designed to familiarize the welding student with recognized safety practices of the industry. Emphasis will be placed on compliance with government safety codes and regulations. Students will be introduced to preventive health and safety techniques and practices. Safety concerns relating to welding and cutting will be covered for both shop and field work environments. (Formerly WELD 60)

Transfer Credit: CSU

WELD 170
STRUCTURAL FABRICATION 2.0 UNITS
Class hours: 1.0 Lecture/4.0 Laboratory
Prerequisite: WELD 120 or equivalent with a grade of "C" or higher or "Pass".
Recommendation: WELD 149 and WELD 159 or equivalent with grades of "C" or higher or "Pass".

This is a course designed to develop welding skills and structural fabrication techniques on real or simulated metal construction projects. Emphasis will be on the safe operation of fabricating equipment as applied to structural steel components. Transfer Credit: CSU

WELD 172L
ADVANCED STRUCTURAL FABRICATION LABORATORY 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: WELD 170 or equivalent with a grade of "C" or higher or "Pass".

This is a course designed to enhance the previously acquired welding and fabrication skills and techniques commonly used within industry. Emphasis is on safety in the shop environment and the use of typical fabrication shop and field equipment. Transfer Credit: CSU

WELD 200
INTERMEDIATE ARC WELDING 4.0 UNITS
Class hours: 2.0 Lecture/6.0 Laboratory
Prerequisite: WELD 120 or equivalent with a grade of "C" or higher or "Pass" or appropriate work experience.

This is a course designed to refine the student's previously acquired welding skills and prepare the student to pass welding certification tests. Emphasis is placed on welding in the vertical and overhead positions and the welding of alloy steels with compatible filler metals using the shielded metal arc (SMAW), gas metal arc (GMAW), and flux cored arc (FCAW) welding processes. Related classroom instruction is given in the technical data pertaining to these processes.

Transfer Credit: CSU

WELD 210L
ADVANCED ARC WELDING LABORATORY 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: WELD 200 or equivalent with a grade of "C" or higher or "Pass".

This advanced welding course is designed to prepare the student welder for structural steel welding applications using (Shielded Metal Arc Welding (SMAW) and (Flux Cored Arc Welding (FCAW) processes.

Transfer Credit: CSU

WELD 212L
SHIELDED METAL ARC WELDING (SMAW) CERTIFICATION LABORATORY 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: WELD 210L or equivalent with a grade of "C" or higher or "Pass".

This advanced certification laboratory is designed specifically to enhance and prepare the welding students for structural steel welding certifications using the shielded metal arc welding (SMAW) process.

Transfer Credit: CSU

WELD 214L
FLUX CORED ARC WELDING (FCAW) CERTIFICATION LABORATORY 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: WELD 210L or equivalent with a grade of "C" or higher or "Pass".

This advanced certification laboratory is designed specifically to enhance and prepare the welding students for structural steel welding certifications using the Flux Cored Arc Welding (FCAW) process.

Transfer Credit: CSU

WELD 220
CERTIFICATION AND LICENSING FOR WELDERS 2.0 UNITS
Class hours: 2.0 Lecture
Recommendation: WELD 200 or equivalent with a grade of "C" or higher or "Pass" or concurrent enrollment or appropriate work experience.

This is a technical course for the advanced welding student. Material covered will include data on all approved modern welding processes, welding filler metals, approved welded joint design, and welding procedures. Special emphasis will be placed on welding symbols and American Welding Society (AWS) Structural Code specifications leading to Los Angeles City and AWS welding certifications.

Transfer Credit: CSU

WELD 240L
INTERMEDIATE GAS TUNGSTEN ARC WELDING LABORATORY 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: WELD 240.

Formerly WELD 240
Transfer Credit: CSU

WELD 250L
ADVANCED GAS TUNGSTEN ARC WELDING LAB 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: WELD 240L or equivalent with a grade of “C” or higher or “Pass”.

This advanced course is designed to further increase the manipulative skills and technical knowledge of the student welder using the Gas Tungsten Arc Welding (GTAW) process on 0.020 to 0.030 thickness metals as well as welding the root bead on high pressure pipe. All welding samples will comply with standards set by the American Welding Society or industry.

Transfer Credit: CSU

WELD 251L
ADVANCED ARC WELDING SPECIALTY LAB 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: WELD 120 or equivalent with a grade of “C” or higher or “Pass”.

This advanced level welding course is designed to further develop Advanced Arc Welding skills in the structural steel, piping, sheet metal, and construction industries. (Formerly WELD 51L)

Transfer Credit: CSU

WELD 252L
PIPE WELDING LEVEL 1 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: WELD 210L or equivalent with a grade of “C” or higher or “Pass”.

This advanced welding course is designed to utilize previously acquired welding skills and techniques on ferrous pipe in the rotated and fixed positions. Emphasis is placed on the welding of open groove pipe joints using the Shielded Metal arc welding (SMAW) process. Subjects covered will include joint preparation, alignment techniques, pre-heat and inter-pass temperatures, and post-heat requirements. (Formerly WELD 52)

Transfer Credit: CSU

WELD 254L
PIPE WELDING LEVEL 2 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: WELD 252 or equivalent with a grade of “C” or higher or “Pass”.

This is a course designed to build and/or refine the student’s previously acquired pipe welding skills and prepare the student to pass a certification test in pipe welding. Emphasis is placed on welding various diameters of ferrous pipe in the flat (1G), horizontal fixed (2G), vertical fixed (5G) using shielded metal arc (SMAW) process. (Formerly WELD 54L)

Transfer Credit: CSU

WELD 256L
PIPE WELDING LEVEL 3 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: Prerequisite: WELD 254L or equivalent with a grade of “C” or higher or “Pass”.

This is a course designed to refine the student’s previously acquired pipe welding skills and prepare the student to pass a certification test in pipe welding. Emphasis is placed on welding 6” ferrous pipe in the vertical fixed (5G) and 45 degree inclined (6G) positions using the Shielded Metal Arc Welding (SMAW) process. (Formerly WELD 56L)

Transfer Credit: CSU

WELD 258L
PIPE WELDING LEVEL 4 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: WELD 256L or equivalent with a grade of “C” or higher or “Pass”.

This is a course to refine the student’s previously acquired pipe welding skills and prepare the student to pass a certification test in pipe welding. Emphasis is placed on welding 2” ferrous pipe in the vertical fixed (5G) and 45 degree inclined (6G) positions using the Shielded Metal Arc Welding (SMAW) process. (Formerly WELD 58L)

Transfer Credit: CSU

WELD 260L
GAS TUNGSTEN ARC WELDING (GTAW) AEROSPACE CERTIFICATION LABORATORY 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: WELD 250L or equivalent with a grade of “C” or higher or “Pass”.

This is an advanced welding course using the Gas Tungsten Arc Welding (GTAW) process. This course is designed to develop the skills needed to be successful within the aerospace industry. Emphasis is placed on GTAW of various types and thickness of materials commonly used in the aerospace industry.

Transfer Credit: CSU

WELD 270
STRUCTURAL LAYOUT 2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
Prerequisite: Prerequisite: WELD 153 or WELD 170 or equivalent with a grade of Pass or “C” or higher.

Recommendation: WELD 149 and WELD 159 or equivalent with grades of Pass or “C” or higher.

This advanced course is designed to further develop layout skills on structural plate, beams, channel, and angle iron. The student will work from prints utilizing measuring tools and fabrication equipment to...
develop weldments typical in the industry.
Transfer Credit: CSU

WELD 281L
SHIELDED METAL ARC WELDING (SMAW) SPECIALTY LABORATORY 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: WELD 120 or equivalent with a grade of “C” or higher or “Pass”.

This advanced level welding course is designed to further develop advanced specialized welding skills in the structural, piping, sheet metal, and construction industries using the SMAW process. (Formerly WELD 81L)
Transfer Credit: CSU

WELD 282L
SEMIAUTOMATIC WELDING PROCESS SPECIALTY LABORATORY 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: WELD 120 or equivalent with a grade of “C” or higher or “Pass”.

This advanced level welding course is designed to further develop advanced specialized welding skills in the structural, sheet metal, and construction industries using the FCAW process. (Formerly WELD 82L)
Transfer Credit: CSU

WELD 283L
GAS TUNGSTEN ARC WELDING (GTAW) SPECIALTY LABORATORY 1.0 UNIT
Class hours: 3.0 Laboratory
Prerequisite: WELD 130 or equivalent with a grade of “C” or higher or “Pass” or higher, or concurrent enrollment.

This advanced level welding course is designed to further develop advanced Gas Tungsten Arc Welding (GTAW) skills. This is a lab-only course. (Formerly WELD 83L)
Transfer Credit: CSU

WOMEN’S AND GENDER STUDIES (WGS)
(Humanities and Social Sciences Division)

WGS 101
INTRODUCTION TO WOMEN’S AND GENDER STUDIES 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher, or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
Recommendation: READ 54 or READ 97 with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with a score of “Reading Exempt”.

Issues for Women in American Society is a multidisciplinary course that provides a foundation for interpreting gender in American society. It examines the essential components of women’s studies as an academic discipline; delineates theories of feminism and history of women’s movements; evaluates the social construction and politics of gender; analyzes the intersection of gender with race, ethnicity, social class and sexual orientation; and identifies the issues of feminism in a global context. This course is not open to students currently enrolled in or who have completed Transfer Credit: CSU; UC

WGS 103
WOMEN, THEIR BODIES AND HEALTH 3.0 UNITS
Class hours: 3.0 Lecture
This course will examine contemporary women's health issues and body image concerns. General topics will include images of women, lifespan changes, mental health, eating disorders, prevention of abuse and self harm, social roles, sexual identity and sexuality, relationships, birth control and pregnancy. Current research on cardiovascular disease, cancer and other chronic conditions will be discussed as they pertain to women's issues. Students will develop the skills necessary to become wiser consumers of health and beauty-enhancing products.
This course is not open to students currently enrolled in or who have completed HED 103 or WS 103. (Formerly WS103) Transfer Credit: CSU

WGS 104 COMMUNITY ORGANIZING AND ACTIVISM 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: WGS 101 with a grade of “C” or higher or “Pass” and completion of ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.

This course is designed to encourage the relationship between students who are interested in working with feminist-based organizations and the local organizations that need assistance. This class will expose students to potential volunteer, internship, and job opportunities while helping them to build more impressive resumes and improve the lives of women. This course is not open to students currently enrolled in or who have completed WS 104.
Transfer Credit: CSU

WGS 105 GENDER STUDIES AND THE CHICANA/LATINA EXPERIENCE 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152, or equivalent with a grade of “C” or higher or “Pass”, or completion of the English Placement Process with eligibility for ENGL 100 or ENGL 100S and completion of READ 54 or READ 97 or READ 101 or READ 102 with a grade of “C” or higher, or “Pass”, or completion of the Reading Placement Process with a score of “Reading Exempt.”

This course offers an examination of the lived experiences of Chicanas/Latinas in the US, Caribbean and Latin America. Central to the course is the study of essential components of gender and Chicana/Latina studies as an academic discipline; delineation of theories of feminism and history of women’s movements; evaluation of the social construction and politics of Chicanas/Latinas; analyzes of the intersection and impact of gender with race, ethnicity, national origin, immigration status, social class, and sexuality; and identification of the issues of empowerment and responses to the oppression of Chicanas/Latinas in a global context. This course is not open to students enrolled or received credit for ETHN 105. Transfer Credit: CSU; UC

WGS 107 MEN AND MASCULINITIES: CONSTRUCTING MANHOOD IN AMERICA 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
Recommendation: READ 54 or READ 97 with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with a score of “Reading Exempt”.

Men and Masculinities: Constructing Manhood in America is a multidisciplinary course that provides a foundation for interpreting aspects of gender in American society. It examines the essential components of Masculinities. Studies as an academic discipline; delineates gender theories; evaluates the social construction and politics of gender, and gender-oriented social and political movements; analyzes the intersections of gender with race, ethnicity, social class, disability, sexual orientation, and sub-cultures; and identifies the issues of men and masculinities in a global context. This course is not open to students who are enrolled in HUM 107 or WS 107. Transfer Credit: CSU; UC

WGS 108 WOMEN IN SPORTS 3.0 UNITS
Class hours: 3.0 Lecture
This course provides students with a chronological history, analysis and interpretation of people, events and issues affecting women in sports, in past and present societies. Physiological, sociological and psychological aspects of female athletes as related to sport, history and education will be covered. Students will gain an understanding of the significant events of women in athletics from the past to the present and how their significance will determine the future of women in sports. This course is not open to students who are enrolled in or have completed KIN 108 or WS 108. Transfer Credit: CSU; UC

WGS 109 PHILOSOPHY OF THE BODY, FEMINISM, AND GENDER 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
Recommendation: READ 54 or READ 97 with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with a score of “Reading Exempt.”

CERRITOS COLLEGE 2023-24
This course will examine philosophical scholarship on feminism, gender, and theory of the body in the areas of metaphysics, epistemology, ethics, and aesthetics. Questions about gender identity, the nature of the self and personal identity, friendship, the feminist conception of knowledge, feminism and philosophy of language, philosophy of religion, philosophy of science; misogynist patterns in philosophical texts, male responses to feminism, moral theories, and feminist questions about beauty and art will be examined in the course, while students are also engaged in understanding the fundamentals of philosophy. This course is not open to students who are currently enrolled in or who completed PHIL 109 and WS 109.

Transfer Credit: CSU; UC

WGS 115
GENDER, COMMUNICATION, AND THE DIGITAL REVOLUTION
3.0 UNITS

Class hours: 3.0 Lecture
Prerequisite: Choose at least one of these courses with a grade of “C” or higher or “Pass” or an equivalent course: COMM 60, ENGL 72, ESL 152, READ 54, READ 97 or completion of the English or Reading placement/assessment process with eligibility for ENGL 100 or ENGL 100S.

This course considers digital technology as an active agent in gender creation, maintenance, change, and expression through communication. Explores communication competency in contemporary gendered relationships. Examines the multiple ways communication across media cultural, digitally mediated, and face-to-face contexts creates and perpetuates gender roles and expectations in society. Investigates a wide range of issues related to the contemporary representation of gender in society. Conceptualizes how digital technology offers possibilities for new social relations and new definitions of the gendered self. This course is not open to students who are enrolled in COMM 115 or SPCH 115.

Transfer Credit: CSU, UC

WGS 118
HISTORY OF WOMEN IN VISUAL ARTS
3.0 UNITS

Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S, and satisfactory completion of READ 54 or READ 97 or equivalent with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with a score of “Reading Exempt”.

This course provides an introduction to the role of women in the visual arts as subjects, patrons, and artists. The course examines global case studies of female involvement in the visual arts from the medieval period through the present. Particular attention is paid to issues of female agency, historical gender roles, and female artists and patrons who shaped the discipline of Art History. This course is not open to students who are currently enrolled in or who have completed ART 118 or WS 118.

Transfer Credit: CSU, UC

WGS 140

INTRODUCTION TO LGBT STUDIES
3.0 UNITS

Class hours: 3.0 Lecture
Recommendation: ENGL52, or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass”.

This course introduces students to the interdisciplinary scholarship of gender and sexuality by presenting gender and sexuality as fundamental categories of biological, social, cultural, and psychological analysis. Students will examine the history of LGBT+ identities and the representation of these identities in the media, politics, literature, and other domains. Throughout this course, students will work towards a deep understanding of the intersectional dynamics of privilege and oppression as they relate to LGBT+ individuals and culture by exploring the lived experiences of LGBT+ individuals. This course will also highlight the psychological issues affecting LGBT+ individuals in American society such as the conceptualization and origin of sexual orientation and gender, lifespan development, identity, relationships, and internalized homophobia. No previous training in gender and sexuality studies is necessary, as this class is intended both to familiarize students with the scholarly content around LGBT+ studies and allow students to reflect on their own experiences and expectations as they relate to LGBT+ issues and people. The course also emphasizes an affirmative approach and is appropriate for students of any sexual orientation or gender identity.

Transfer Credit: CSU; UC

C-IID: SJS 130

WGS 202
GENDER AND SOCIETY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: SOC 101 or WGS 101 or equivalent with a grade of “C” or higher or “Pass”.
This course addresses the concept of gender as an organizing principle in men’s and women’s lives from a sociological perspective. The class will address the issue of the social construction of gender and how it relates to race, ethnicity, class, and sexuality, and how social institutions are gendered. Topics to be covered will include cultural ideas of gender, and the economy, politics, the media, families, and education. It will also address how gender impacts interactions between individuals and groups. This course is not open to students who are currently enrolled in or who have completed SOC 202 or WS 202. (Formerly WS 202)
Transfer Credit: CSU; UC
WGS 202, PSYC 265, and SOC 202 Combined: maximum credit one course.
C-ID: SOCI 140

WGS 204 WOMEN IN AMERICAN HISTORY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
This lecture/discussion course will survey women’s history in the United States from colonial times to the present. It will focus on defining the similarities and differences in historical experiences of women based on their social class, race, and ethnicity. Topics of concentration include the changing roles of women in the private and public spheres; an analysis of the agendas, strategies, and consequences of the women’s movements; and the historical revolution of the definitions of feminism and social construction of gender. This course is not open to students who are currently enrolled in or have completed HIST 204 or WS 204.
Transfer Credit: CSU; UC

WGS 205 THE ANTHROPOLOGY OF SEXUALITY AND GENDER 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S, and satisfactory completion of READ 54 or READ 97 with a grade of “C” or higher, or “Pass” or completion of the Reading assessment/placement process with score of “Reading Exempt”.
This course examines the cultural construction of human sexuality and gender in an anthropological framework. Biological and cultural bases for the multiple expressions of sexuality and gender found around the world are presented. Case studies include food foraging, horticultural, agricultural, industrial, and post-industrial societies. A central concern is the interaction between subsistence practices, cultural economies, and status in the construction of “normal” and “abnormal” sexualities and genders. This course is not open to students who are currently enrolled in or have completed ANTH 205 or WS 205.
Transfer Credit: CSU; UC

WGS 206 WOMEN IN THE GLOBAL ECONOMY 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 100 or ENGL 100S or equivalent with a grade of “C” or higher or “Pass”.
This course is an introduction to the global economy from the perspectives of women in the Third World Drawing from various disciplinary fields such as economics, history, political science, anthropology and postcolonial studies, it examines critically the processes of globalization that impact the multiple identities and oppressions which shape women’s lives with respect to race, gender, class, and culture. This course studies the consequences of strategies of modernization and neocolonialism employed by institutions of economic development such as the World Bank and International Monetary Funds on the lives of women in the developing countries. This course is included as part of the Women’s Studies program at Cerritos College. This course is not open to students who are currently enrolled in or have completed WS 206 or ECON 102.
Transfer Credit: CSU; UC

WGS 207 WOMEN AND MEDIA 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
Recommendation: READ or READ 97 with a grade of “C” or higher or “Pass” or completion of the Reading assessment/placement process with a score of “Reading Exempt”.
Women and Media explores and analyzes the various portrayals of female representation (historical and contemporary) in media, which may include film, television, music video, video games, commercials, and new media; and uses feminist, gender, and queer theory, criticism, and history to understand how popular culture shapes identity and representation of the female gender in accordance to its socio-historical, political, and economic contexts, as well as values and cultural norms. The intersection of race, social class, ethnicity, religion, disability, sub-cultures, and sexual orientation will be analyzed, along with social and political movements that inform and assist the construction of these images in a global context. This course is not open to students who are currently enrolled in or who have completed ART 207 or WS 207.

Transfer Credit: CSU; UC

WGS 208
LEADERSHIP FOR WOMEN IN BUSINESS 3.0 UNITS
Class hours: 3.0 Lecture
This course explores women’s leadership, management, communication styles, and the vision and values women leaders bring to an effective environment in business. It is about balancing work/life and managing drive, ambition, adversity, commitment, networking, and achievement. It examines strategies for developing and encouraging skills that enable and allow women leaders and managers to succeed. This course is not open to students who are currently enrolled in or have completed BA 208 or WS 208.

Transfer Credit: CSU

WGS 209

GENDER AND SCIENCE 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with eligibility for ENGL 100 or ENGL 100S.
Recommendation: WGS 101 with a grade of “C” or higher.

This course will examine the historical exclusion of women from science, while stressing that science has not been unique in its failure to welcome women as participants. It will address how gender threads through all of society, including sciences commonly understood as free from biases. The course will explore how gender is a central dimension of social structures, authority, cognitive practices, and knowledge claims of science. It will also inquire how scientific institutions, authority, ideals, practices, and knowledge play a critical role in the maintenance of sex and gender norms. This course will also encourage students to reflect on their own gendered experiences and expectations in encountering science as consumers, professionals, and patients.

Transfer Credit: CSU; UC

WGS 250
FOUNDATIONS OF FEMINIST, GENDER, AND QUEER THEORIES 3.0 UNITS
Class hours: 3.0 Lecture
Prerequisite: ENGL 52 ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English Placement Process with eligibility for ENGL 100 or ENGL 100S.
Recommendation: WGS 101 with a grade of “C” or higher or “Pass.”

Foundations of feminist, gender, and queer theories is an interdisciplinary course that surveys critical work in the areas of feminist and queer theories. Emphasis will be on intersections of gender, race, nationality, age, sexuality, language, and subcultures; questioning how gender and sexuality are constructed and defined; and exploring the role of institutions in enforcing gender and sexual norms.

Transfer Credit: CSU, UC

WGS 298
DIRECTED STUDIES 1.0 UNIT
Class hours: 3.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (1 unit for 54 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

WGS 299
DIRECTED STUDIES 2.0 UNITS
Class hours: 6.0 Independent Study
A course to provide opportunity for individual research and field projects under the direction of a faculty member in a given department. With the guidance
of the faculty member, students prepare and carry out a written learning agreement describing the purposes and outcomes of the project. Students should expect to meet with the supervising faculty member one to two hours each week for conferences. Credit is based upon the number of hours in the semester expected to complete the project (2 units for 108 hours). This course may be taken a maximum of 2 times. For selected disciplines, UC transfer credit may be possible after admission to a UC campus, pending review of appropriate course materials by UC staff. See a counselor for an explanation.

Transfer Credit: CSU

WOODWORKING MANUFACTURING TECHNOLOGY (WMT)
(Technology Division)

WMT 80
RUNNING A WOODWORKING BUSINESS 3.0 UNITS
Class hours: 3.0 Lecture

This course provides an overview of business management considerations and practices for the establishment and operation of a successful woodworking business.

WMT 100
WOODWORKING ESSENTIALS 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory

This introductory course introduces students to the essential machinery, processes, and safety procedures necessary to obtain an entry-level job in the woodworking industry. Topics include shop math, basic machinery use, lumber preparation, sheet material handling, joinery, shop etiquette, and safety.

Transfer Credit: CSU

WMT 101
INTRODUCTION TO WOODWORKING 3.0 UNITS
Class hours: 2.5 Lecture/2.0 Laboratory

Recommendation: Basic math skills, spatial skills, and eye/hand coordination are recommended.

This introductory woodworking course acquaints the student with the essential principles of woodworking. Topics include wood technology, use of hand tools, portable power tools, and basic machinery. Emphasis is placed on proper technique, safety, and shop policies for the woodworking facility.

Transfer Credit: CSU

WMT 102
INTRODUCTION TO SOLID WOOD CASEGOODS 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory

Prerequisite: Completion of WMT 101 with a grade of "C" or higher or "Pass."

This intermediate course increases the student’s skill in the use of hand tools, portable power tools, and machinery. Topics include project planning and implementation, wood technology, and hand and machine joinery as it pertains to table construction. Emphasis is placed on proper technique, safety, and shop policies for the woodworking facility. This course is not open to students who are currently enrolled in or have received credit for WMT 171B.

Transfer Credit: CSU

WMT 102L
CASEGOOD MANUFACTURING LAB 2.5 UNITS
Class hours: 8.0 Laboratory

Prerequisite: WMT 102 or equivalent with a grade of "C" or higher or "Pass."

This course allows students to refine and hone skills acquired during WMT 102. In this lab, students will design and construct a solid wood cabinet of their choice.

Transfer Credit: CSU

WMT 103
INTRODUCTION TO TABLES 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory

Prerequisite: Completion of WMT 101 with a grade of "C" or higher or "Pass."

This intermediate course increases the student’s skill in the use of hand tools, portable power tools and machinery. Topics include project planning and implementation, wood technology, and hand and machine joinery as it pertains to table construction. Emphasis is placed on proper technique, safety, and shop policies for the woodworking facility. This course is not open to students who are currently enrolled in or have received credit for WMT 171A.

Transfer Credit: CSU

WMT 103L
TABLE MANUFACTURING LAB 2.5 UNITS
Class hours: 8.0 Laboratory

Prerequisite: WMT 103 or equivalent with a grade of "C" or higher or "Pass."

This course allows students to refine and hone skills acquired during WMT 103. In this lab, students will design and construct a solid wood table of their choice.

Transfer Credit: CSU

WMT 107
WOOD FINISHING 3.0 UNITS
This course introduces the student to wood finishing for furniture makers, cabinetmakers, and general woodworkers. Topics include the chemistry and application of oil, varnish, shellac, polyurethane, lacquer, and water-base finishes. Stains, dyes, glazes, and chemicals for coloring wood are covered, along with spray and application techniques.

Transfer Credit: CSU

WMT 108
WOOD CARVING FOR FURNITURE 2.5 UNITS
Class hours: 2.0 Lecture/2.0 Laboratory
Recommendation: Basic math skills, spatial skills, and eye/hand coordination are recommended.

This course introduces the student to the fundamentals of wood carving relative to wood furniture. Topics include chip carving, letter carving, shallow relief carving, and carving the Newport Shell. Emphasis is placed on the selection and safe use of tools, carving techniques, choice of wood, and wood finishes.

Transfer Credit: CSU

WMT 111L
INTRODUCTION TO WOODWORKING LAB 1.0 UNIT
Class hours: 4.0 Laboratory
Prerequisite: WMT 101 or equivalent with a grade of "C" or higher or "Pass".

This course provides the student who has completed WMT 101 the opportunity to hone and refine basic woodworking skills prior to enrolling in an intermediate course.

Transfer Credit: CSU

WMT 117
WOODWORKING APPRECIATION 1.0 UNIT
Class hours: 1.0 Lecture/1.3 Laboratory

This course analyzes and explores the culture and history of woodworking in the Los Angeles region. Critical analysis of architectural woodworking and furnishings will be studied. The course focus is on wood and wood products design, makers, historically significant buildings, and collections, both public and private.

Transfer Credit: CSU

WMT 118
INTRODUCTION TO WOODTURNING 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Recommendation: Basic math skills, spatial skills, and eye/hand coordination are recommended.

This course introduces students to the methods, tools, materials, and machinery used to woodturning using the woodworking lathe. Topics include creating spindles, bowls, goblets, pens, and other turned objects.

Transfer Credit: CSU

WMT 119L
INTRODUCTION TO WOODTURNING LAB 1.0 UNIT
Class hours: 4.0 Laboratory
Prerequisite: WMT 118 or equivalent with a grade of "C" or higher or "Pass".

This laboratory course provides students who have completed WMT 118 the opportunity to improve and refine their woodturning skills.

Transfer Credit: CSU

WMT 123
DECORATIVE BOXES 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 102 or WMT 103 or equivalent with a grade of "C" or higher or "Pass".

This course introduces the student to the creation of heirloom quality decorative boxes. Advanced skills and techniques will be explored in the design and production of high-quality chests or boxes. Topics include historical styles, box types, materials, and design and construction processes. Emphasis is placed on quality and safety.

Transfer Credit: CSU

WMT 126
HISTORY OF FURNITURE DESIGN 3.0 UNITS
Class hours: 3.0 Lecture
Recommendation: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of "C" or higher or "Pass" and READ 54 or READ 97 or READ 101 or READ 102 or equivalent with a grade of "C" or higher or "Pass".

This course introduces students to the historical development of furniture from pre-history to contemporary examples from across the world. Period, regional, and major design movements are presented with lectures, videos, and readings. Emphasis is placed on the development of styles, motifs, ornamentation, manufacturing processes, and uses as they respond to cultural forces such as class, gender, sexuality, race, ethnicity, emerging economies, cultural exchange and appropriation. This course is not open to students who are enrolled in or have received credit in ART 126.

Transfer Credit: CSU

WMT 130
FURNITURE DESIGN 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
This course builds upon students' understanding and experience in constructing wood furniture and introduces them to the furniture design process. Topics include elements and principles of design, conceptualization, drawing, engineering, ergonomics, style, and prototyping. This course is not open to students who are currently enrolled in or have received credit for WMT 171C. Transfer Credit: CSU

WMT 135
WINDSOR CHAIR 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Recommendation: WMT 101 or equivalent with a grade of “C” or higher or “Pass”.

Basic math skills, spatial skills, and eye/hand coordination are recommended. This course introduces the student to the materials, methods, and tools used to make and manufacture a reproduction of an eighteenth century Windsor chair. Topics include layout, jig creation, steam bending, and shaping the various chair components, final assembly, and finishing of the chair. This course is not open or available to students who have received credit for WMT 235. Transfer Credit: CSU

WMT 135L
WINDSOR CHAIR LAB 2.5 UNITS
Class hours: 8.0 Laboratory
This course allows students to refine and hone skills acquired during WMT 135 Windsor Chair. In this lab, students will design and construct a Windsor chair variant. Transfer Credit: CSU

WMT 144
JIGS AND FIXTURES 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Prerequisite: Completion of WMT 102 or WMT 103 or WMT 151 or equivalent with a grade of “C” or higher or “Pass.”

This course introduces students to jigs and fixtures associated with various machinery and processes in the woodworking lab. Topics include machinery tune-up, jig and fixture design, measurement, materials, hardware, construction techniques, dust collection, and safety.

Transfer Credit: CSU

WMT 151
INTRODUCTION TO FACEFRAME CABINETMAKING 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 101 or equivalent with a grade of "C" or higher or "Pass"
Recommendation: Basic math skills, spatial skills, and eye/hand coordination are recommended.

This course introduces the student to the methods, materials, tools, and machinery used in the construction of traditional faceframe cabinetry. Classroom topics include the design, construction, fabrication, and safe use of woodworking machinery and materials involved in cabinet construction. This course is not open to students who are currently enrolled in or who have completed WMT 171B. Transfer Credit: CSU

WMT 153
INTRODUCTION TO FRAMELESS CABINETMAKING 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 101 or equivalent with a grade of "C" or higher or "Pass"

In this course, students learn the information and skills related to frameless cabinet manufacturing. Topics include the basics of design, sheet materials, layout of boring patterns, panel optimization, sheet material processing, and the use of hardware.

Transfer Credit: CSU

WMT 154
INTRODUCTION TO CABINET INSTALLATION 3.0 UNITS
Class hours: 2.0 Lecture/3.0 Laboratory
Prerequisite: WMT 151 or WMT 153 or equivalent with a grade of "C" or higher or "Pass"

This course introduces the student to the methods, materials, fasteners, hardware, and tools used to install residential, commercial, and institutional cabinets. Classroom topics include reading blueprints, layout, leveling, scrib ing, milling, fitting, and fastening cabinets into place. A significant emphasis will be on the safe use of tools and materials involved in cabinet installation. Transfer Credit: CSU

WMT 155
ARCHITECTURAL MILLWORK 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 151 or WMT 153 or equivalent with a grade of "C" or higher or "Pass"

This course introduces the student to the methods, materials, tools, and machinery used in the manufacturing and installation of architectural millwork. Topics include the fabrication and installation of corner, base, and crown molding; entry door installation; and the safe use of woodworking machinery and materials involved in architectural millwork and finish carpentry. Transfer Credit: CSU

WMT 171A
INTRODUCTION TO TABLES AND WOODWORKING HAND TOOL 6.5 UNITS
This intensive course introduces students to the hand tools used in woodworking and the design and manufacture of a small table with a drawer. Topics include wood technology, sharpening hand tools, sawing joinery by hand, and the steps and machines used to create a small table that incorporates a dovetail drawer. This course is not open to students who have enrolled in or received credit for WMT 103 or WMT 201.

**WMT 171B**
**TOPICS IN CABINETMAKING** 6.5 UNITS
Class hours: 4.0 Lecture/8.0 Laboratory
Prerequisite: WMT 171A or both WMT 103 and WMT 201 with a grade of "C" or higher or "Pass"

This course introduces the student to the methods, materials, tools, and machinery used to construct cabinets. Classroom topics include the design, construction, fabrication, and safe use of woodworking machinery and materials involved in building a solid wood and face-frame cabinet. This course is not open to students who have enrolled in or received credit for WMT 102 or WMT 151.

**WMT 171C**
**WOODWORKING DESIGN AND FABRICATION** 6.5 UNITS
Class hours: 4.0 Lecture/8.0 Laboratory
Prerequisite: WMT 171A and WMT 171B, or all of the following: WMT 102, WMT 103, WMT 151, and WMT 201 with a grade of "C" or higher or "Pass".

This course introduces students to the process of furniture design and integrates Computer-Aided Design (CAD) software into that practice. Students will incorporate technology such as computer-controlled (CNC) routers and laser cutters into a highly effective furniture making practice. This course is not open to students who have enrolled in or received credit for WMT 130 or WMT 184.

**Transfer Credit: CSU**

**WMT 171L**
**FURNITURE INTENSIVE LAB** 2.0 UNITS
Class hours: 6.0 Laboratory
Prerequisite: Concurrent enrollment in WMT 171A or 171B or with department approval

In this course, students will further explore woodworking techniques taught in WMT 171A and WMT 171B. Students will continue their study, design, and construction of their woodworking projects.

**Transfer Credit: CSU**

**WMT 180**
**RUNNING A WOODWORKING BUSINESS** 3.0 UNITS
Class hours: 3.0 Lecture

This course provides an overview of business management considerations and practices for the establishment and operation of a successful woodworking business.

**Transfer Credit: CSU**

**WMT 181**
**INTRODUCTION TO CABINET VISION** 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory
Recommended: WMT 151 with a grade "C" or higher or "Pass"

This course introduces students to Cabinet Vision, a popular cabinet design software program. Topics include utilization of Cabinet Vision to plan and design cabinets, create production drawings and cut lists, and create proposal drawings.

**Transfer Credit: CSU**

**WMT 181L**
**CABINET VISION LAB** 1.0 UNITS
Class hours: 4.0 Laboratory
Prerequisite: WMT 181 with a grade "C" or higher or "Pass"

This course allows students to deepen their understanding of Cabinet Vision, the powerful cabinet design software. Students will design a project of their own and create working drawings of their proposal for construction.

**Transfer Credit: CSU**

**WMT 182**
**ALPHACAM AND THE CNC ROUTER** 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory

This course introduces students to Alphacam software and its use in operating the computer numerical control (CNC) router for woodworking applications. Topics include software operations, preparing tool path instructions for the machine, and operation of the CNC router. Emphasis is placed on design, planning, safety, and effective use of the technology.

**Transfer Credit: CSU**

**WMT 182L**
**CNC WOODWORKING LAB** 2.5 UNITS
Class hours: 8.0 Laboratory
Prerequisite: WMT 182 with a grade of "C" or higher or "Pass"

This course is a project-based learning opportunity for students to practice basic skills acquired during WMT 182. In this lab, students will design and execute a furniture or
cabinet object utilizing Alphacam software and the CNC router.
Transfer Credit: CSU

WMT 183
SKETCHUP FOR WOODWORKERS 3.0 UNITS
Class hours: 3.0 Lecture/1.0 Laboratory
Prerequisite: WMT 100 or WMT 101 or WMT 151 or equivalent with a grade of "C" or higher or "Pass."
Recommendation: Students should have basic knowledge of computers and file management.
This course introduces the student to SketchUp design software and its use in designing furniture and cabinet projects. Topics include software operations, modeling, model revision, presentation graphics, and drawing creation.
Transfer Credit: CSU

WMT 184
INTRODUCTION TO DIGITAL FABRICATION 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Recommendation: WMT 102 or WMT 103 or WMT 151 or equivalent with a grade of "C" or higher or "Pass."
This course introduces the student to computer-aided design (CAD) software and its use in fabrication operations using computer-controlled machines. Topics include software operations and preparing files for use in machines like CNC routers, laser cutters, and 3D printers. Emphasis is placed on design, planning, safety, and integrating technology into an effective making practice. This course is not open to students who are currently enrolled in or have completed WMT 171C.
Transfer Credit: CSU

WMT 187
WOODWORKING MACHINE MAINTENANCE AND REPAIR 1.5 UNITS
Class hours: 1.5 Lecture
This course introduces students to the essentials of woodworking machine maintenance and repair. Specific machines such as the jointer, planer, table saw, bandsaw, and others will be covered. (Formerly WMT 87)
Transfer Credit: CSU

WMT 201
WOODWORKING WITH HAND TOOLS 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
This course introduces students to the hand tools used in woodworking. Topics include wood technology; sharpening chisels, hand planes, and scrapers; sawing and creating joinery; and the tuning and use of hand tools for more efficient woodworking. This course is not open to students who are currently enrolled in or have completed WMT 171A.
Transfer Credit: CSU

WMT 202
ADVANCED FURNITURE CASEGOODS 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 102, WMT 103, WMT 130, WMT 201 or equivalent with a grade of "C" or higher or "Pass."
This advanced course covers the design and construction of high-quality solid wood cabinets. Topics include the aesthetics of design, making scale mockups, selection of grain and color to complement the design, and advanced joinery techniques. Coopering, bent laminating, and basic veneering are also covered. Emphasis is placed on the highest degree of workmanship and design.
Transfer Credit: CSU

WMT 204
ADVANCED TABLES 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: Completion of WMT 102 and WMT 103 or equivalent with grades of "C" or higher or "Pass."
This advanced course expands the student's knowledge of table design and construction to include large tables such as dining and conference tables, expanding tables, and torsion box table top construction. Topics include bent lamination, curved part joinery and angled joinery.
Transfer Credit: CSU

WMT 205
VENEERING AND MARQUETRY 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 102 and WMT 103 or equivalent with a grade of "C" or higher or "Pass."
This course introduces the student to the methods, materials, tools, and machinery used to create decorative veneer panels, parquetry, marquetry, and inlay. Topics include veneer selection, pattern matching and layout, substrate selection, and clamping methods used to lay-up veneer on various types and shapes of substrates.
Transfer Credit: CSU

WMT 221
ADVANCED HANDTOOLS-HANDPLANES 2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Prerequisite: Completion of WMT 201 and WMT 101 or equivalent with a grade of "C" or higher or "Pass."
In this course, students will explore advanced topics in woodworking with handtools, specifically, handplanes.
will include the use of handplanes in creating furniture projects, making wooden handplanes, tuning and using metal and wood handplanes, and building and using tools and fixtures related to handplanes.

Transfer Credit: CSU

WMT 222 ADVANCED HANDTOOLS - JOINERY  2.0 UNITS
Class hours: 1.0 Lecture/3.0 Laboratory
Prerequisite: Completion of WMT 201 or equivalent with a grade of “C” or higher or “Pass” and completion of WMT 101 or WMT 151 or equivalent with a grade of “C” or higher or “Pass”.

In this course, students will explore advanced topics in woodworking with handtools, specifically, joinery used in furniture construction. Topics will include laying out and creating the following joinery; mortise and tenon (blind, through, and wedged), half lap, and dovetail, among others. The use of handtools to augment machine use is emphasized.

Transfer Credit: CSU

WMT 228L PROJECT COMPLETION LAB  1.0 UNIT
Class hours: 4.0 Laboratory
Prerequisite: WMT 102 or WMT 103 or WMT 151 equivalent with a grade of “C” or higher or “Pass”.

This course provides students with the necessary time and facility to continue working a project to completion. Instruction is project specific with emphasis on problem solving and detail.

Transfer Credit: CSU

WMT 229L COMPREHENSIVE WOODWORKING MANUFACTURING SPECIALTY LAB  2.5 UNITS
Class hours: 8.0 Laboratory
Prerequisite: WMT 102 or WMT 103 or WMT 151 or equivalent with a grade of “C” or higher or “Pass”.

This course allows students to refine and hone skills acquired during previous comprehensive woodworking courses. In this lab, students will design and construct a project of their choice that is relevant to the subject matter being taught.

Transfer Credit: CSU

WMT 231 OUTDOOR SEATING  4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 102 and WMT 103 or equivalent with a grade of “C” or higher or “Pass”.

This course for the advanced student covers the history, design, construction and production of outdoor seating pieces. The student will design and build a solid-wood, exposed-frame chair or bench.

Transfer Credit: CSU

WMT 232 CHAIR DESIGN AND CONSTRUCTION  4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 231 or equivalent with a grade of “C” or higher or “Pass”.

This course for the advanced student covers the history, design, construction and production of seating pieces. The student will design and build a solid wood or exposed frame chair with angled joinery.

Transfer Credit: CSU

WMT 237 TRADITIONAL AMERICAN FURNITURE  4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 103 or equivalent with a grade of “C” or higher or “Pass”.
Recommendation: WMT 102, WMT 118, and WMT 201.

This course is designed to increase the students’ knowledge in the use of machine woodworking and woodworking hand tools and expand their understanding of wood technology. This advanced course will reinforce skills learned in previous courses and challenge the student to demonstrate the ability to plan, design, fabricate, reproduce, and finish a piece of traditional furniture. Students will construct woodworking projects that are relevant to the subject matter being taught during the same period of time.

Topics include traditional American furniture (19th century and earlier) including: chairs, beds, and caseworks. Emphasis is placed on machine and hand tool skills and safety.

Transfer Credit: CSU

WMT 237L TRADITIONAL FURNITURE LAB  2.5 UNITS
Class hours: 2.5 Laboratory
Prerequisite: WMT 237 with a grade of “C” or higher or “Pass”.

In this course, students will explore traditional furniture-
building techniques other than those taught in WMT 237. Students will study, design, and build a piece of traditional furniture, in the form and style of their choice. Transfer Credit: CSU

WMT 245
CURVED AND TAPERED FORMS FOR FURNITURE 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 102 and WMT 103 or equivalent with a grade of “C” or higher or “Pass”.

This course introduces the student to a variety of advanced techniques for creating curved and tapered forms appropriate for furniture construction. Transfer Credit: CSU

WMT 246
SCULPTURAL CHAIR 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 231 or WMT 232 or equivalent with a grade of “C” or higher or “Pass.”

This advanced furniture making course introduces the student to the methods, materials, tools, and machinery used to fabricate a sculpted wood chair. Transfer Credit: CSU

WMT 249L
FURNITURE MANUFACTURING SPECIALTY 2.5 UNITS
Class hours: 8.0 Laboratory
Prerequisite: WMT 102 or equivalent with a grade of “C” or higher or “Pass”.

This course allows students to perfect and hone skills acquired during previous furniture courses. In this lab, students will design and construct woodworking projects that are relevant to the subject matter being taught during the same time period. Transfer Credit: CSU

WMT 251
INTERMEDIATE CABINETMAKING 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 151 or WMT 153 or equivalent with a grade of “C” or higher or “Pass”
Recommended: WMT 154 or WMT 155

This course allows the student to improve cabinetmaking skills by using tools and machinery specific to advanced cabinetmaking and millwork. Topics include upper and lower cabinet construction, multiple cabinet systems, and installation of frameless or face frame cabinetry. Emphasis is placed on production techniques and the safe use of woodworking machinery and materials in the industry. This course is not open to students who have received credit for WMT 250 or WMT 252. Transfer Credit: CSU

WMT 251L
CABINETMAKING MANUFACTURING SPECIALTY LAB 2.5 UNITS
Class hours: 8.0 Laboratory
Prerequisite: WMT 151 and one of the following: WMT 102, WMT 103, WMT 153, WMT 155, WMT 181, or WMT 250 or equivalent with a grade of “C” or higher or “Pass”. This course allows students to perfect and hone intermediate level skills acquired during WMT 251. In this lab, students will design and execute a furniture or cabinet object utilizing Alphacam software and the CNC router. Transfer Credit: CSU

WMT 262L
INTERMEDIATE CNC WOODWORKING LAB 2.5 UNITS
Class hours: 8.0 Laboratory
Prerequisite: WMT 282 with a grade of “C” or higher or “Pass”.

This course allows student to perfect and hone intermediate level skills acquired during WMT 282. In this lab, students will review and learn intermediate functions of Alphacam software and additional methods for operating the computer numeric control (CNC) router in woodworking applications. Topics include software operations, 3D surface machining, CNC Router setup, advanced tooling, and operation of the CNC router. Emphasis is placed on design planning, safety, and efficiency. Transfer Credit: CSU

WMT 280
INTERMEDIATE ALPHACAM AND THE CNC ROUTER 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 182 with a grade of “C” or higher or “Pass”.

In this course, the student will review and learn intermediate functions of Alphacam software and additional methods for operating the computer numeric control (CNC) router in woodworking applications. Topics include software operations, 3D surface machining, CNC Router setup, advanced tooling, and operation of the CNC router. Emphasis is placed on design planning, safety, and efficiency. Transfer Credit: CSU

WMT 291
PRODUCTION CABINETMAKING 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 151 and one of the following: WMT 102, WMT 103, WMT 153, WMT 155, WMT 181, or WMT 250 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience. This course enables students to work as a team in the design, manufacturing, and installation of wall-mounted cabinets and fixtures for on-campus use. This course includes instruction in cabinet design, production techniques, materials science, cost estimating, time management, and scheduling. This course specializes in the fabrication and installation of cabinetry and fixtures in the category of
institutional or commercial production. Transfer Credit: CSU

WMT 292 PRODUCTION-SPECIAL PROJECTS 4.0 UNITS
Class hours: 2.5 Lecture/5.5 Laboratory
Prerequisite: WMT 151 and one of the following: WMT 102, WMT 103, WMT 153, WMT 155, WMT 181, or WMT 250 or equivalent with a grade of “C” or higher or “Pass” or appropriate work experience.

This course enables students to work as a team in the design, manufacturing, and installation of a project or projects for on-campus use, other than wall-mounted cabinets. This course includes instruction in design, production techniques, materials science, cost estimating, time management, and scheduling. This course specializes in the fabrication and installation of furniture items, freestanding cabinets, or other items.

Transfer Credit: CSU

ZOOGOGY (ZOOL)
(Science, Engineering, and Math Division)

ZOOL 120 INTRODUCTION TO ANIMAL BIOLOGY 4.0 UNITS
Class hours: 2.0 Lecture/6.0 Laboratory
Prerequisite: ENGL 52 or ENGL 72 or ESL 152 or equivalent with a grade of “C” or higher or “Pass” or completion of the English assessment/placement process with a score eligible for ENGL 100 or ENGL 100S.

This is a survey course in animal biology. Included are a taxonomic review of major invertebrate and vertebrate groups, animal adaptations and behavior, basic anatomy and physiology (with emphasis on vertebrates), cell biology, reproduction and development, genetics, ecology, and evolution. Laboratory dissection is used to illustrate these principles. This is designed as an entry-level course for both majors and non-majors in biology.

Transfer Credit: CSU; UC

ADULT EDUCATION & DIVERSITY (AED)
(Noncredit)

AED 22.06 CAREER SKILLS 0.0 UNIT
Class hours: 4.0 Lecture
The Career Skills course is tailored to help students build or improve their interpersonal skills in the workplace. The course will allow students to develop a broad range of knowledge in several work-related areas such as goal setting, clear and effective communication, collaboration skills, and personal strengths.

Students will develop soft workplace skills to experience new success in their current or prospective job setting.

AED 22.09 TOPICS OF INTEREST SENIORS 0.0 UNIT
Class hours: 2.0 Lecture
This course covers topics of interest to senior citizens and their special needs and concerns. The course is designed to assist older adults in developing physical emotional and mental skills needed to function better and enrich their quality of life. This course may be repeated.

AED 36.01 OCCUPATIONAL ORIENTATION 0.0 UNIT
Class hours: 4.0 Lecture
The Occupational Orientation/Preparation course is designed to prepare students to enter a new job position and/or advance in the workplace. The goal of the course is to build a broad range of knowledge in basic job competencies, evaluate personal abilities regarding vocational areas, and to provide job readiness skills to those seeking employment. The course will allow students to acquire skills that will allow them to be competitive in the job market.

AED 36.02 INTRODUCTION TO THE BUILDING TRADES AND CONSTRUCTION INDUSTRY 0.0 UNIT
Class hours: 2.0 Lecture
This course is intended to introduce students to the wide spectrum of careers that are available in the Building Trades and Construction Industry. The students will receive the foundational knowledge and basic skills required for entry into postsecondary education (Apprenticeship Program) and employment in the Building Trades and Construction sector.

This course will integrate academic and technical preparation, with an emphasis on career awareness, career exploration and skill preparation.

AED 36.03 BASIC READING SKILLS FOR THE BUILDING TRADES AND CONSTRUCTION INDUSTRY 0.0 UNIT
Class hours: 2.0 Lecture
This course is intended to help students understand the foundational knowledge required for entry into postsecondary education (Apprenticeship Program)
and employment in the Building Trades and Construction sector. The course is designed to develop reading skills that can be applied to the various building and construction trades.

AED 36.04 BASIC MATH SKILLS FOR THE BUILDING TRADES AND CONSTRUCTION INDUSTRY 0.0 UNIT
Class hours: 2.0 Lecture
This course is intended to help students understand the foundational knowledge required for entry into postsecondary education (Apprenticeship Program) and employment in the Building Trades and Construction sector. The course is designed to develop mathematical skills that can be applied to the building trades and construction industry through practice and application.

AED 36.05 INTRODUCTION TO BASIC WELDING FOR THE BUILDING TRADES AND CONSTRUCTION INDUSTRY 0.0 UNIT
Class hours: 2.0 Lecture/3.0 Laboratory
This course is intended to provide students with the foundational knowledge and basic skills required for entry into postsecondary education (Apprenticeship Program) and employment in the Building Trades and Construction industry. The course will train students in gas welding, as well as any combination of arc welding processes, thus allowing them to be able to weld metal parts and layout materials, as specified by diagrams, blueprints, or written specifications. Students will also be trained on how to safely use different tools and equipment designed for metal fabrication.

AED 36.06 OCCUPATIONAL TRAINING 0.0 UNIT
Class hours: 4.0 Lecture
Occupational Training will enhance students’ skills to enter a new job position and/or advance in their current work. The goal of the course is to advance students’ technical skills to apply for a new job or to acquire a job advancement.

AED 36.07 COMMUNICATION FOR HEALTHCARE PROFESSIONALS 0.0 UNIT
Class hours: 2.0 lecture/2.0 laboratory
This course provides instruction and practice with American English as it relates to the healthcare setting. Students will learn stress patterns of English and how to pronounce American English speech sounds in medical terms and phrases. In addition, students will practice using these sounds and stress patterns in functional communication activities used in their chosen profession, such as conversing with patients, giving instructions, and phone skills. Aspects of American culture and idioms will be addressed to increase the student's familiarity with social discourse in the workplace.

AED 39.01 INTRODUCTION TO PAINTING/COATING/DECORATING TRADES 0.0 UNIT
Class hours: 2.2 Lecture
This course is an introductory course in a series of specialty courses for people involved in the painting/coating/decorating industry. Emphasis will be placed on safety and the overall aspects of this specialty industry. Demonstrations will cover basic surface preparation and application of materials.

AED 39.02 PROFESSIONALISM IN PAINTING TRADES JOB PLANNING AND SURFACES 0.0 UNIT
Class hours: 2.2 Lecture
This course is the second in a series for apprentices involved in the painting/coating/decorating industry. Specialty topics like professionalism, job planning, ladders and scaffolds, surface identification and preparation, area protection, and interior and exterior painting methods will be included. Lecture and demonstrations will cover surface preparation and application of materials.

AED 39.03 INTRODUCTION TO PAINTS, COATINGS, SEALANTS, REPAIRS AND FILLERS, AND SURFACE CONDITIONS 0.0 UNIT
Class hours: 2.2 Lecture
This course is the third in a series for apprentices involved in the painting/coating/decorating industry. The specialties of paints and coatings, brushing and rolling, paints and coatings, sealants and repair/fillers, and surface materials and conditions will be included. Lecture and demonstrations will include HVLP spray systems, equipment and application, wallcoverings, decorative finishes, and interior brush and roll.

AED 39.04 INTERIOR AND EXTERIOR PROJECTS AND SAFETY 0.0 UNIT
Class hours: 2.2 Lecture
This is the fourth course in a series of specialty courses
developed for people in the painting and decorating industry. Emphasis will be placed on application techniques and potential problems in these painting processes. Demonstrations will include applications of flat and enamel coatings for interior and exterior surfaces. Jobsite cleanup will be addressed.

AED 39.05 JOB PLAN FOR PAINT/COAT 0.0 UNIT
Class hours: 1.8 Lecture/0.4 Laboratory

This is the fifth course in a series of specialty courses developed for apprentices in the painting and decorating industry. Emphasis will be placed on job planning for the painting and decorating industry, including lectures and demonstrations in the areas of job safety, materials planning, equipment planning, and important factors related to paint failures and remedies. Lectures and demonstrations will cover abrasive blasting, chemical cleaning and stripping, low pressure washing, paint failures, stains, clear finishes, and wood finishes.

AED 39.06 CLEAR FINISHES, COATINGS, SPRAY PAINTING DRYWALL, AND SPECIALTY COATINGS 0.0 UNIT
Class hours: 1.3 Lecture/0.9 Laboratory

This is the sixth course in a series of specialty courses for apprentices involved in the painting/coating/decorating industry. Emphasis will be placed on clear finishes application and types of coatings. Lectures and demonstrations will include topic areas of airless spray painting, drywall finishing and patching, and specialty coating applications.

AED 39.07 WALLCOVERINGS, DECORATIVE FINISHES, HVLP, AND BRUSH & ROLL 0.0 UNIT
Class hours: 0.9 Lecture/1.3 Laboratory

This is the seventh course in a series of specialty courses for apprentices involved in the painting/coating/decorating industry. Emphasis will be placed on general safety professionalism of English and how to pronounce American English speech sounds in medical terms and phrases. In addition, students will practice using these sounds and stress patterns in functional communication activities used in their chosen profession, such as conversing with patients, giving instructions, and phone skills. Aspects of American culture and idioms will be addressed to increase the student’s familiarity with social discourse in the workplace.

AED 39.08 APPLICATION & PREPARATION, FAILURES & REMEDIES, AND EXTERIOR BRUSH & ROLL 0.0 UNIT
Class hours: 1.3 Lecture/1.9 Laboratory

This is the eighth course in a series of specialty courses for apprentices involved in the painting/coating/decorating industry. Emphasis will be placed on brush and roll painting of exterior surfaces and the application/preparation related to paint failures and remedies. This will include lectures and demonstrations in the areas of coatings, brush and roll techniques, and safety.

AED 39.09 PROFESSIONALISM, JOB SUPERVISION, PLANNING & CONTROL, COLOR TINTING, AND WALLCOVERINGS 0.0 UNIT
Class hours: 1.1 Lecture/1.1 Laboratory

This is the ninth course in a series of specialty courses for apprentices involved in the painting/coating/decorating industry. Emphasis will be placed on color matching, trade mathematics, and measurement. This will include lectures and demonstrations in the areas of trade history and achievements, special applications of mathematics, color matching, job supervision, planning and control, color tinting, and wall covering. Discussions will also cover the requirements for coating old work as compared to new work.

AED 39.10 TEXTURING, WOOD FINISHING, AND SPRAYING WITH SPECIAL AND ELECTRONIC DEVICES 0.0 UNIT
Class hours: 1.1 Lecture/1.1 Laboratory

This is the tenth course in a series of specialty courses for apprentices involved in the painting/coating/decorating industry. Emphasis will be placed on texturing and wood finishes and spraying with special devices. This will include lectures and demonstrations in the areas of texture material and application, applying finishes and stains to wood, and spraying with devices.

AED 39.11 HIGH PERFORMANCE COATINGS, PRIMERS, URETHANES & EPOXIES, ARCHITECTURAL DRAWINGS & GRAPHICS 0.0 UNIT
Class hours: 1.8 Lecture/0.4 Laboratory

This is the eleventh course in a series of specialty courses for
apprentices involved in the painting/coating/deciding industry. Emphasis will be placed on high performance coatings, graphics, and graining applications. This will include lectures and demonstrations in the area of primers, urethanes, epoxies, blueprints, graphics, quality control, and graining.

AED 39.12  
WALLCOVERING APPLICATION  
0.0 UNIT  
Class hours: 0.4 Lecture/1.8 Laboratory

This is the twelfth course in a series of specialty courses for apprentices involved in the painting/coating/deciding industry. Emphasis will be placed on coatings and finishes wall covering application. This will include lectures, demonstrations and hands-on training in the areas of preparation, hanging, and correcting defects.

AED 40.01  
IRONWORKERS FIRST AID  
MULTI-MEDIA  
0.0 UNIT  
Class hours: 0.2 Lecture/0.2 Laboratory

A non-professional course of Standard First Aid designed to teach knowledge and skills that are needed for the emergency care of the injured and ill until medical care can be obtained, and to create an active interest in the prevention of accidents.

AED 40.05  
IW-ADVANCED WELDING  
0.0 UNIT  
Class hours: 1.3 Lecture/1.3 Laboratory

The apprentice will be trained in metal-arc and gas metal-arc welding with emphasis on skill development in both processes of ferrous and nonferrous metals in the flat, vertical and overhead positions, and for all types of joints. This course may be repeated as necessary.

AED 40.07  
FIW-ORIENTATION  
0.0 UNIT  
Class hours: 2.8 Lecture

This course provides an overview of the skill and knowledge needed to become a safe and productive working apprentice. It will provide a hands-on approach to general information, rigging, structural steel, welding and burning, and reinforcing iron.

AED 40.09  
IW-GEN  
RIGGING/REINFORCING  
0.0 UNIT  
Class hours: 1.8 Lecture/0.7 Laboratory

This course introduces the proper application of fiber line, steel cable, and chain in various tackle and lever combination used in raising, transporting, and storing heavy loads. It provides instruction and manipulative experience with the various types of rigging equipment and procedures used in the ironworkers' trade.

AED 40.10  
IW-WELDING I/REINFORCING  
0.0 UNIT  
Class hours: 1.3 Lecture/1.4 Laboratory

This course introduces basic understanding of the structure of ferrous metals and their reactions to heat. This course also provides knowledge of the equipment and materials employed in the use of shielded metal-arc, gas shielded-arc, and oxy-acetylene welding.

AED 40.11  
IW-WELDING II/REINFORCING  
0.0 UNIT  
Class hours: 1.6 Lecture/0.9 Laboratory

This course will introduce the apprentice to a basic understanding of the structure of ferrous metals and their reactions to heat. It provides knowledge and basic skills in the equipment and materials employed in the use of shielded metal-arc, gas shielded-arc, and oxy-acetylene welding.

AED 40.12  
IW-REINFORCING IRON I  
0.0 UNIT  
Class hours: 2.1 Lecture/0.7 Laboratory

This course will provide the ironworker with the ability to interpret the standard codes, code classifications, plans, schedules, charts and specifications in common use by the ironworker. The apprentice will become familiar with the construction techniques used in reinforcing concrete members with steel. They will become familiar with the use of bar supports, placement of reinforcing iron in the structural members of buildings and in structures other than buildings, general principles of bar splicing and welding, post tensioning and prestressing.

AED 40.15  
IW-REINFORCING IRON II  
0.0 UNIT  
Class hours: 1.8 Lecture/0.7 Laboratory

This course will train students in the installation of multi-strand posttension bar systems, including stressing, grouting, and inspection. Students will become familiar with related topics to post-tension bar systems, which share many of the same procedures and characteristics. This course will cover various types of structures, including bridges, buildings, and storage tanks.

AED 40.21
This course promotes understanding of both theory and practice built around the study of blueprint reading, structural erection procedures, and proper construction of various steel structures.

**AED 40.26**
IW-METAL BUILDING ERECT I
0.0 UNIT
Class hours: 1.0 Lecture/0.5 Laboratory
This course continues to develop understanding of both theory and practice built around the study of blueprint reading and the structural erection procedures and proper construction of various steel structures.

**AED 40.50**
IW-MIXED BASE-REINFORCING
0.0 UNIT
Class hours: 1.8 Lecture/0.7 Laboratory
This course will acquaint the apprentice with specifications that constitute a safe and healthy working environment under OSHA. It provides an introduction to the rights and obligations that this act imposes. The apprentice will have an overview of construction blueprints commonly used with emphasis on its function and interpretation. This course offers a brief review of the basic math skill and the opportunity to apply these skills in solving typical problems that are apt to arise in the construction trades.

**AED 40.53**
DETAILING/REINFORCING IRON
0.0 UNIT
Class hours: 2.5 Lecture/0.6 Laboratory
This course will provide insight into the job performed by the detailer of reinforcing iron. Content includes reading and interpreting the communication instruments that are the products of the detailer’s skills such as placing drawings, the bar lists, the bar schedules. These are the instruments that guide the fabrication of reinforcing bars in the shop and their proper placement in the field. This class shows how these documents are assembled and from what sources information is derived. Mechanical drawings, math computation skills, and blue prints are covered.

**AED 40.55**
IWS-REINFORCING OSHA 500
0.0 UNIT
Class hours: 2.2 Lecture/0.6 Laboratory
This course is designed to heighten the construction worker's awareness regarding on-the-job hazards. The student will receive training in accordance with OSHA standards and the many aspects of safety, compliance, scheduling, jurisdiction, and labor law. The student will receive instruction regarding the duties of the ironworker foreman, general foreman, and superintendent's and forklift operation.

**AED 40.60**
IWS-STRUCTURAL ARCHITECTURAL ORNAMENTAL 1
0.0 UNIT
Class hours: 1.0 Lecture/2.0 Laboratory
This course is designed primarily for ironworker apprentices and will provide a detailed understanding of procedures and practices employed by the ironworker in architectural and ornamental ironworking. Special emphasis is placed on the tools, anchors, and fasteners in constructing curtain walls and window walls.

**AED 40.61**
IWS-STRUCTURAL PRECAST CONCRETE
0.0 UNIT
Class hours: 1.7 Lecture/1.1 Laboratory
The course provides knowledge, coordination task elements and skills needed in the staging and economical erection of a precast concrete building, placing particular emphasis on the rigging, handling and installing of the precast concrete members themselves.

**AED 40.63**
IWS-STRUCTURAL LEAD HAZARD
0.0 UNIT
Class hours: 3.0 Lecture
This course will teach ironworkers to recognize and reduce hazards related to lead when repairing and renovation of bridges or steel structures, or
in the demolition of buildings and other structures. It will stress the health effects caused by lead exposure, OSHA regulations in this regard, sampling methods, legal rights of workers and the use of proper protective equipment and work methods.

AED 41.03
IW - REINFORCING II 0.0 UNIT
Class hours: 2.2 Lecture/0.6 Laboratory

This course provides students with training in reinforcing concrete, including manufacturing, safety, reinforcing forms, bridge, and highway construction, bending, tagging, marking, and fabricating. This course delineates as precisely as possible the industry practices for reinforcing steel and provides a convenient reference source for the architect/engineer, the inspector, the detailer, fabricator, and ironworker.

AED 41.04
IW - ARCHITECTURAL III 0.0 UNIT
Class hours: 1.7 Lecture/1.1 Laboratory

This course teaches the ironworker how to erect storefronts and entrance ways and how to install the various types of doors commonly found in today's modern structures. The student will be introduced to the various types of materials used and the installation procedures recommended. This course will also cover installing revolving doors, swinging doors and closers, sliding fronts and doors, hollow metal doors, and balanced doors. The student will learn how to erect a wide variety of doors, stairs, handrails, ladders, toilet partitions, vanity supports, relief angles and flagpoles and how to install chain link fences.

AED 41.05
IW - ARCHITECTURAL II 0.0 UNIT
Class hours: 1.7 Lecture/1.1 Laboratory

This course will teach the ironworker the many tasks involved in the construction of window wall and curtain wall systems. The student will be introduced to the many techniques used to provide a functioning yet, aesthetically pleasing structure. The student will learn about new construction techniques regarding designs of exterior facing structure enclosure and protection. This class will provide information on building sealants and the effects of weathering.

AED 41.06
IW- STRUCTURAL II 0.0 UNIT
Class hours: 1.7 Lecture/1.1 Laboratory

This course provides the student with training in structural steel erection including history, safety, planning and scheduling, handling materials, and erecting structural steel members.

AED 41.07
POST-TENSION II 0.0 UNIT
Class hours: 2.2 Lecture/0.6 Laboratory

This course is designed to provide the ironworker student with training in post-tension reinforcing, including single-strand unbonded systems and bar post-tensioning. This course is structured to prepare the student for the Post-Tensioning Installation (PTI) certification, which will enable workmen to install single-strand unbonded tendons on superstructures. Students will learn the proper procedures for detensioning and perform lift-offs on post-tensioning systems. Students will learn the use of tools, equipment, and procedures to unload, handle, layout, install, stress, grout, and finish each type of post-tensioning system.

AED 41.08
POST-TENSION III 0.0 UNIT
Class hours: 2.2 Lecture/0.6 Laboratory

This course provides the ironworker student with training in post-tensioned reinforcing, including single-strand unbonded system bar post-tensioning. This course is structured to prepare the student for the Post-Tensioning Installation (PTI) certification, which will enable workmen to install single-strand unbonded tendons on superstructures. Students will learn the use of tools, equipment, and procedures to unload, handle, layout, install, stress, grout, and finish each type of post-tensioning system.

AED 41.09
IW - WELDING III - REINFORCING 0.0 UNIT
Class hours: 2.2 Lecture/0.6 Laboratory

This course will introduce the apprentice to shop safety in welding and burning. It provides knowledge of the equipment and materials employed in the use of oxy-acetylene burning and welding. Students will learn the symbols used in welding. This course will prepare the student for the Los Angeles City written welding exam.

AED 41.10
FIELD IRONWORKERS
STRUCTURAL ORIENTATION 0.0 UNIT
Class hours: 2.8 Lecture/1.7 Laboratory
Prerequisite: Must be a registered apprentice with the California State Division of Apprenticeship Standards.
This course provides an overview of the skill and knowledge needed to become a safe and productive working apprentice. It will provide a hands-on approach to general rigging, structural steel, welding and burning, and reinforcing iron.

AED 42.02
MEDIATION IN BASIC SKILLS 0.0 UNIT
Class hours: 1.0 Lecture/2.0 Laboratory
This course is designed for students who require mediation between verified learning disabilities and basic skill subjects including Reading, Mathematics, and English Composition. Specific assessment procedures will be utilized to isolate basic skill/learning process deficiencies which will then be addressed by individualized instruction.

AED 42.03A
ESL CONVERSATION A 0.0 UNIT
Class hours: 6.0 Lecture
This first course in a series is designed as a survival-level English language course for those students with minimal English language skills. All language learning skills will be utilized: listening, speaking, reading, and writing; the main focus will be on vocabulary building, phonemic awareness, and listening as initial steps for building English language acquisition. Recommended for students with the CASAS scores of 209 and below.

AED 42.03B
ESL CONVERSATION B 0.0 UNIT
Class hours: 6.0 Lecture
This is the second course in a series and follows Conversation A. Students should come to this course with a basic ability to speak English. All language learning skills will be utilized: listening, speaking, reading, and writing. The main focus of this class is to increase the conversational fluency and accuracy in everyday communication; and to increase the use of academic vocabulary, high frequency words, and idiomatic expressions. Required CASAS score of 210 and above.

AED 42.04
BASIC ADULT ENGLISH 0.0 UNIT
Class hours: 5.0 Lecture
This course is designed to prepare the adult student for college English. It is aimed at improving reading, writing, and grammar skills.

AED 42.05
SUPERVISED TUTORING 0.0 UNIT
Class hours: 3.0 Laboratory
This course is intended to give students in need of special supplemental instruction in a basic skills subject area an opportunity to develop and improve their skills and/or knowledge of the subject. It is an open entry/open exit course. Students enrolled in the course are limited to thirty (30) hours per semester.

AED 42.06
BASIC SKILLS 0.0 UNIT
Class hours: 1.0 Lecture/2.0 Laboratory
This course is designed for students who require mediation between disabilities and basic skill subjects including Reading, Mathematics, and English Composition. Specific life experiences, television, radio, books and newspapers, consumer products, and advertising. Students will be prepared to take the battery of GED tests.

AED 42.07
INDEPENDENT MEDIATION LAB 0.0 UNIT
Class hours: 8.0 Laboratory
This course is designed to be an adjunct to Mediation in Basic Skills (M.B.S.). Focus will be upon implementation of activities determined by the student’s individual education plan developed for M.B.S. Initial emphasis may be placed on a variety of other activities designed to mediate between a student’s disability and matriculation at Cerritos.

AED 42.10
SPANISH GED TEST PREP-A 0.0 UNIT
Class hours: 6.0 Lecture
This course will prepare students for the writing and social studies components of the GED examination. This course is designed to assist students limited in English and will provide instruction and materials in Spanish. Students will be tested on knowledge and skills that they have acquired from life experiences, television, radio, books and newspapers, consumer products, and advertising. Students will be prepared to take the battery of GED tests.

AED 42.11
SPANISH GED TEST PREP-B 0.0 UNIT
Class hours: 6.0 Lecture
This course will prepare student for the science, literature, and mathematics components of the GED examination. This course is designed to assist students limited in English and
will provide instruction and materials in Spanish. Students will be tested on knowledge and skills that they have acquired from life experiences, television, radio, books and newspapers, consumer products, and advertising. Students will be prepared to take the battery of GED tests.

AED 42.12
GED PREPARATION-A  0.0 UNIT
Class hours: 6.0 Lecture
This course will prepare students for the writing and social studies components of the GED examination. Students will be tested on knowledge and skills that they have acquired from life experiences, television, radio, books and newspapers, consumer products, and advertising. Students will be prepared to take the battery of GED tests.

AED 42.13
GED PREPARATION-B  0.0 UNIT
Class hours: 6.0 Lecture
This course will prepare students for the science, literature, and mathematics components of the GED examination. Students will be tested on knowledge and skills that they have acquired from life experiences, television, radio, books and newspapers, consumer products, and advertising. Students will be prepared to take the battery of GED tests.

AED 42.14
LOW BEGINNING ENGLISH AS A SECOND LANGUAGE  0.0 UNIT
Class hours: 6.0 Lecture
This second course in a series is designed as a Low Beginning English as a Second Language course for those students transitioning from the Survival Level English as a Second Language course or those students with minimal English language skills. All language learning skills will be utilized: reading, writing, listening, and speaking with an increasing interest in vocabulary building to generate language production and conversation.

AED 42.15
HIGH BEGINNING ENGLISH AS A SECOND LANGUAGE  0.0 UNIT
Class hours: 6.0 Lecture
This third course in a series is designed for those students transitioning from the Low Beginning English as a Second Language course or for those students with some English language skills. All language learning skills will be utilized: reading, writing, listening, and speaking, with an increasing emphasis on language production and conversation in preparation for future vocational and academic work.

AED 42.16
LOW INTERMEDIATE ENGLISH AS A SECOND LANGUAGE  0.0 UNIT
Class hours: 6.0 Lecture
This fourth course in a series is designed as a Low Intermediate English as a Second Language course for those students transitioning from the High Beginning English as a Second Language course or those students with moderate English language skills. All language learning skills will be utilized: reading, writing, listening, and speaking, with an increasing interest in language production and conversation.

AED 42.17
HIGH INTERMEDIATE ENGLISH AS A SECOND LANGUAGE  0.0 UNIT
Class hours: 6.0 Lecture
This fifth course in a series is designed as a High Intermediate English as a Second Language course for those students transitioning from the Low Intermediate English as a Second Language course or those students with moderate English language skills. All language learning skills will be utilized: reading, writing, listening, and speaking, with an increasing interest in language production and conversation. The emphasis of this course is to prepare for transitioning into the appropriate ESL Credit course.

AED 42.18
LOW ADVANCED ENGLISH AS A SECOND LANGUAGE  0.0 UNIT
Class hours: 6.0 Lecture
Prerequisite: Pass AED 42.17
High Intermediate English as a Second Language course or assess into AED 42.18.

This course is designed for students successfully transitioning from the AED High Intermediate English as a Second Language course and for students who assess with moderate to high English language skills. English listening, speaking, reading and writing will be taught using an integrated skills approach with the main objective being to help students advance in fluency and proficiency. Special emphasis will be placed on effective communication, on developing critical thinking skills to prepare students for success in High Advanced ESL courses, success in GED courses and success in their community and in their workplace.

AED 42.19
ESL GRAMMAR, READING, AND WRITING  0.0 UNITS
Class hours: 5.0 Lecture/1.0 Laboratory
Prerequisite: ESL 104 with grade of "C" or higher or "Pass" or equivalent OR AED 42.18 or equivalent (non-credit Adult Ed.
ESL) with a grade of “Pass” OR satisfactory completion of the assessment/placement process with eligibility for ESL 5/105.

This is a low-advanced course designed to improve the grammar, reading, and writing skills of non-native English speakers. This course provides instruction of advanced-level grammar, critical reading and thinking, paragraph and short essay writing. Punctuation rules, sentence variety, and academic vocabulary will also be taught along with continued emphasis and practice in listening and speaking in an academic context.

AED 42.20
LITERACY SKILLS FOR GENERAL EDUCATION DEVELOPMENT (GED) SUCCESS 0.0 UNIT
Class hours: 4.0 Lecture
Recommendation: AED 42.12 GED A or AED 42.13 GED B

The Literacy Skills for General Education Development (GED) Success course is designed to provide students with additional instruction and support to pass the Reasoning Through Language Arts (RLA) subtest of the General Education Development (GED) exam. Students will understand and apply integrated reading and writing tasks that require test-takers to read complex Spanish texts, analyze arguments, and use text-based evidence to support reasoning. Students will learn test taking skills, understand the official General Education Development (GED) RLA test format, and complete practice General Education Development (GED) RLA tests. This course will also provide information to students about the services and resources available on campus; help students identify their current abilities and styles of learning; help students identify any barriers, learning deficiencies or skill gaps with strategies and/or recommendations for improvement.

AED 42.21
SPANISH LITERACY SKILLS FOR GENERAL EDUCATION DEVELOPMENT (GED) SUCCESS 0.0 UNIT
Class hours: 4.0 Lecture
Recommendation: AED 42.10 GED A Spanish or AED 42.11 GEN B Spanish

The Spanish Literacy Skills for General Education Development (GED) Success course is designed to provide students with additional instruction and support to pass the Spanish Reasoning Through Language Arts (RLA) subtest of the Spanish General Education Development (GED) exam. Students will understand and apply integrated Spanish reading and writing tasks that require test-takers to read complex Spanish texts, analyze arguments, and use text-based evidence to support reasoning. Students will learn test taking skills, understand the official General Education Development (GED) RLA test format, and complete practice Spanish General Education Development (GED) RLA tests. This course will also provide information to students about the services and resources available on campus; help students identify their current abilities and styles of learning; help students identify any barriers, learning deficiencies or skill gaps with strategies and/or recommendations for improvement.

AED 42.23
SPANISH SUPPLEMENTAL GENERAL EDUCATION DEVELOPMENT (GED) MATH 0.0 UNIT
Class hours: 4.0 Lecture
Recommendation: AED 42.12 GED A or AED 42.13 GED B

The Supplemental General Education Development (GED) Math course is for students who need additional instruction and support in order to pass the math subtest of the General Education Development (GED) exam. By passing the General Education Development (GED) math exam, students will be much closer to earning their California High School Certification. Students will understand and apply the necessary math concepts needed for estimating, computing, algebra, geometry, and problem solving needed to take the General Education Development (GED) math exam. Students will learn test taking skills, understand the official General Education Development (GED) math test format, and complete practice General Education Development (GED) math tests. This course will also provide information to students about the services and resources available on campus; help students identify their current abilities and styles of learning; help students identify any barriers, learning deficiencies or skill gaps with strategies and/or recommendations for improvement.

AED 42.22
SUPPLEMENTAL GENERAL EDUCATION DEVELOPMENT (GED) MATH 0.0 UNIT
Class hours: 4.0 Lecture

Recommendation: AED 42.12 GED A or AED 42.13 GED B

The Spanish Supplemental General Education Development (GED) Math course is for students who need additional instruction and support in order to pass the math subtest.
of the Spanish General Education Development (GED) exam. By passing the Spanish General Education Development (GED) math exam, students will be that much closer to earning their California High School Certification. Students will understand and apply the necessary math concepts needed for estimating, computing, algebra, geometry, and problem solving needed to take the Spanish General Education Development (GED) math exam. Students will learn test-taking skills, understand the official Spanish General Education Development (GED) math test format, and complete practice Spanish General Education Development (GED) math tests. This course will also provide information to students about the services and resources available on campus; help students identify their current abilities and styles of learning; help students identify any barriers, learning deficiencies or skill gaps with strategies and/or recommendations for improvement.

AED 42.25
SUPERVISED OCCUPATIONAL SKILL DEVELOPMENT 0.0 UNIT
Class hours: 6.0 Laboratory Corequisite: Enrollment in a Career Technical Education (CTE) course.

This course is designed to facilitate learning in Career and Technical Education (CTE) principles through mediated instruction. The goal of this course is to build a broad range of knowledge in basic job competencies and develop personal abilities in regard to specific CTE programs. This course is offered as an open entry/open exit course.

AED 42.98

COLLEGE WRITING SUPPORT 0.0 UNIT
Class hours: 6.0 Lecture Recommendation: Placement into ENGL 20
This course will build pre-college level proficiency in English. Students will develop fundamental concepts of reading and writing and gain familiarity with writing essays. The course develops the student's ability to write essays through the writing process. Essay projects integrate critical thinking, analytical reading, and beginnings of library research in preparation for credit English courses.

AED 42.99
PRE-ALGEBRA SKILLS 0.0 UNIT
Class hours: 6.0 Lecture Recommendation: Placement into AED 49.01 or MATH 40
The concepts of this course will help students build skills and understanding in topics related to Pre-Algebra. Students will receive support in understanding integers, fundamentals of Algebra, solving equations with fractions and/or decimals, percent, and introduction to the Cartesian coordinate system. Students will gain conceptual knowledge and use analytical thinking to solve problems.

AED 48.01
VOCATIONAL ENGLISH FOR WORK 0.0 UNIT
Class hours: 4.5 Lecture
This course is designed to give English-language learners vocation-specific communication skills in the four categories of reading and listening with a special emphasis placed on speaking and writing in the workplace and community. For learners who earned a degree, have work experience from their native country, or seek higher job positions, this course will help them complete and earn a certificate. Other topics include specialized vocabulary development, critical thinking exercises, and soft skills practice.

AED 48.03
CREATIVE WRITING FOR SENIORS 0.0 UNIT
Class hours: 2.0 Lecture
This course is designed to introduce the older adult to techniques for creative writing in the areas of drama, poetry, fiction, and non-fiction. Techniques for a complete autobiography will be taught. This course may be repeated.

AED 48.04
COMMUNICATION SKILLS 0.0 UNIT
Class hours: 1.5 Laboratory
This course is designed to increase receptive and expressive language skills in the senior citizen, as well as improve non-verbal body language, and develop a higher self-confidence through positive interaction with others. This course may be repeated.

AED 48.05
COLLEGE ENGLISH SKILLS 0.0 UNIT
Class hours: 6.0 Lecture
The goal of this course is to reduce beginning writing students' fear and anxiety
about writing. It develops writing fluency through written activities, assignments designed to teach and reinforce conventions of Standard English, and various reading types. This course focuses on sentence structure and development and sentence combining. Students will work toward developing short paragraphs and a simple essay.

AED 49.01
PREPARATORY MATH  0.0 UNIT
Class hours: 6.0 Lecture
This course is for students who wish to master basic mathematical skills in order to pursue subsequent mathematical courses, gain personal enrichment, and develop career readiness. It covers the concepts of addition, subtraction, multiplication and division of whole numbers, fractions, mixed numbers, decimals, and percentages, with an emphasis on real-world applications.

AED 49.02
VOCATIONAL ENGLISH AS A SECOND LANGUAGE  0.0 UNIT
Class hours: 4.5 Lecture
This course is designed to give English-language learners vocation-specific communication skills in the four categories of speaking and writing with a special emphasis on reading and listening. Learners who want to earn a certificate or find employment in a specific vocation will also gain basic computer and workforce readiness skills. Learners will work on their professional careers. Other topics include specialized vocational vocabulary development, critical thinking exercises, and soft skills practice.

AED 49.04
CAHSEE MATH A PREPARATION  0.0 UNIT
Class hours: 4.0 Lecture
This course prepares students to review and pass the Math section of the California High School Exit Exam using vocational contexts for learning activities. This course specifically focuses on basic skills.

AED 49.05
CAHSEE MATH B PREPARATION  0.0 UNIT
Class hours: 4.0 Lecture
This course prepares students to review and pass the Math section of the California High School Exit Exam using vocational contexts for learning activities. This course specifically focuses on Algebra skills.

AED 49.06
CAHSEE ENGLISH PREPARATION  0.0 UNIT
Class hours: 4.0 Lecture
This course prepares students to review and pass the English section of the California High School Exit Exam using a vocational context for learning activities.

AED 60.01
CITIZENSHIP I  0.0 UNIT
Class hours: 4.0 Lecture
This course prepares students to take the oral naturalization interview with a United States Citizenship and Immigration Services (USCIS) officer for U.S. citizenship which includes three English components: reading, writing, and speaking while the civics portion covers important U.S. history and government topics.

AED 80.01
INTRO TO ELECTRICAL TRADES  0.0 UNIT
Class hours: 3.4 Lecture/1.0 Laboratory
This course is the introductory or beginning course for “first period” apprentices in a series of specialty courses for electrical apprentices involved in the construction industry. Emphasis will be placed on safety and the overall aspects of this specialty industry.

AED 80.02
BASIC ELECTRICAL THEORY  0.0 UNIT
Class hours: 3.4 Lecture/1.0 Laboratory
This is the second course in a series of specialty courses for electrical apprentices involved in the construction trades. Emphasis will be placed on electrical prints, drawings and symbols. Also types of information they can find on schematics, one-lines and wiring diagrams will be covered.

AED 80.03
ELECTRICAL THEORY & APPLICATION  0.0 UNIT
Class hours: 3.4 Lecture/1.0 Laboratory
This course is the third in a series of specialty courses for electrical apprentices involved in the construction industry concerning the electrical area. Emphasis will be placed on alternating current, motors, grounding, conduit bending, boxes and fittings, conductor installations, and cable tray.

AED 80.04
BASIC ELECTRICAL THEORY  0.0 UNIT
Class hours: 3.4 Lecture/1.0 Laboratory
This is the fourth course in a series of specialty courses for electrical apprentices involved in the construction industry. Emphasis will be placed on conductor termination’s and splices, reading print material, attending field trips, and by sharing their vocational
experiences with other students. This course is intended as preparation for future credit courses, vocational training, or increased vocational language acquisition for the work situation.

AED 80.05
ELECTRICAL CALCULATIONS AND INSTALLATION  0.0 UNIT
Class hours: 3.4 Lecture/1.0 Laboratory

This is the fifth course in a series of specialty courses for electrical apprentices involved in the construction industry. Emphasis will be on load calculations, conductor selection and calculations, overcurrent protection, raceways, box and fitting fill requirements, wiring devices, distribution equipment, and distribution system transformers.

AED 80.06
ECT LIGHT/MOTOR & HVAC SYSTEMS  0.0 UNIT
Class hours: 3.4 Lecture/1.0 Laboratory

This course is sixth in a series of specialty courses for apprentices involved in the construction industry. Emphasis will be on basic lighting, motor calculations, and motor maintenance, motor controls, electricity in HVAC system, and hazardous locations.

AED 80.07
ECT IND LIGHT LOAD & THEORY  0.0 UNIT
Class hours: 3.4 Lecture/1.0 Laboratory

Number seven in a series of specialty courses for electrical apprentices involved in the construction industry. The emphasis is placed on load calculation-feeder and services, commercial/industrial lighting, specialty lighting, stand-by and emergency systems, basic electronic theory, fire alarm system.

AED 80.08
ECT ADV THEORY & APPLICATIONS  0.0 UNIT
Class hours: 4.0 Lecture/1.0 Laboratory

This is course number eight, the last in a series of specialty courses for electrical apprentices involved in the construction industry. The emphasis is placed on specialty transformers, advanced controls, HVAC controls, welding machines, heat tracing and freeze protection, motor maintenance, part 2, and high voltage terminators/splices.

AED 80.09
CPR AND FIRST AID  0.0 UNIT
Class hours: 0.3 Lecture/0.3 Laboratory

This is a course of Cardiopulmonary Resuscitation (CPR) and Standard First Aid that is designed to teach the knowledge and skills that are needed for the emergency care of the injured and ill until medical care can be obtained and to create an active interest in the prevention of accidents.

AED 90.01
INTRODUCTION TO ENERGY SURVEYING  0.0 UNIT
Class hours: 1.3 Lecture/0.9 Laboratory
Prerequisite: Student must be part of Conservation Corps.

This is a competency-based course designed to align with the American Society of Heating Refrigeration and Air Conditioning Engineers (ASHRAE) Level-1 energy auditing standards. Provides hands-on experience in residential and commercial energy auditing. Emphasis on principles and sources of energy, detailed facilities evaluation techniques, data collection for energy auditing, establishing baselines, and conducting accurate inventories, includes workplace safety policies and practices to comply with OSHA guidelines.

AED 90.02
BASIC ELECTRICITY AND WIRING FUNDAMENTALS  0.0 UNIT
Class hours: 1.2 Lecture/1.2 Laboratory
Prerequisite: Student must be part of Conservation Corps.

This comprehensive introduction to electrical wiring provides a well-rounded understanding of the fundamentals of basic electricity, electrical safety, electrical circuitry, and the processes and procedures of the electrical wiring trades, includes relevant electrical codes and characteristics of transducers, transistors, amplifiers, integrated circuits and photo-operated devices, digital and logic circuits. Students will learn to read electrical blueprints, including layout, types of lines, symbols, drawings, architects and engineer's scales and electrical specifications. Commercial, industrial, and residential wiring will be covered.

AED 90.03
INTRO TO LIGHTING RETROFITS  0.0 UNIT
Class hours: 1.2 Lecture/1.2 Laboratory
Prerequisite: Student must be part of Conservation Corps.

This course provides well-rounded competency-based understanding of lighting retrofit trade fundamentals through hands-on experience in commercial retrofit procedures and skills. Includes electrical
safety, policies, and practices as related to retrofit work.

AED 90.04
INTRODUCTION TO AUTOMOTIVE TOOLS AND EQUIPMENT 0.0 UNIT
Class hours: 4.0 Lecture/2.0 Laboratory

This course introduces students to basic hand tools, power tools, and equipment used in the automotive industry. Safety, technique, and proper handling are the emphasis of the course. This course also includes the creation of practical tools and focuses on application of tools. Quality craftsmanship and tool building techniques will be covered in laboratory.

This course is open entry/open exit.

AED 90.05
OSHA-10 TRAINING 0.0 UNIT
Class hours: 0.6 Lecture/0.9 Laboratory

This course is designed to deliver OSHA standards to individuals in various professions. It will introduce topics that OSHA prescribes for a 10-hour course. Students completing this course will earn an OSHA 10 certificate. This is an introductory course which requires little or no regulations/industry experience.

AED 90.06
MATH SUPPORT: STATISTICS 0.0 UNIT
Class hours: 2.5 Lecture/2.5 Laboratory

This course is a math support course. The concepts of this course will help students build skills and understanding in topics related to the introduction of descriptive and inferential statistics. Students will receive support in understanding mean, standard deviation, variance, probability, random variables, central limit theorem, hypothesis testing, confidence intervals, t-distribution, chi-square distribution, F-distribution, linear regression, and linear correlation. Students will gain conceptual knowledge and use analytical thinking to solve problems. The combination lecture/lab format will provide a foundation for introductory statistics.

This course is open entry/open exit.

AED 90.07
MATH SUPPORT: COLLEGE ALGEBRA 0.0 UNIT
Class hours: 2.0 Lecture/3 Laboratory

This course is a math support course. Students will build pre-college level math skills to prepare for college algebra. Students will gain conceptual knowledge and use analytical thinking to solve problems. The combination lecture/lab format will provide a foundation for college algebra.

This course is open entry/open exit.

AED 90.08
SOLAR ENERGY 0.0 UNIT
Class hours: 2.2 Lecture/2.2 Laboratory

This course is designed to prepare an individual for entry-level employment within the alternative energy industry as an integrator, designer, or as a maintenance or repair worker.

AED 90.09
SOLAR PANEL INSTALLATION 0.0 UNIT
Class hours: 2.5 Lecture/2.5 Laboratory

In this second level, lecture/laboratory course students build upon skills learned in Solar Energy. This course ties the design and implements a cost effective stand-alone photovoltaic (PV) system with battery backup. Student will learn how to evaluate the electrical status of the job site, how to acquire the logistical paperwork required for panel installation. Student will learn the steps in choosing and ordering material. Student will learn step by step in solar panel installation. Finally, the student will learn how to get approval interconnection of the panels and inverters needed for the job.

AED 90.37
LAUNCHING A SMALL BUSINESS 0.0 UNIT
Class hours: 2.0 Lecture

This course is for students who are interested in learning about establishing a small business. The class is an introduction to business concepts like understanding market research, identifying resources, registering a business, and identifying components of a business plan. It will introduce students to the types of business ownership structures such as: sole proprietorship, partnerships, and corporations. Students will be provided reference materials to help them start thinking about permits and licenses, patents and protection of ideas, and legal requirements and regulations for small businesses. The material in this course has been drafted with application as its focus.

AED 90.37S
LAUNCHING A SMALL BUSINESS (SPANISH) 0.0 UNIT
Class hours: 2.0 Lecture

This course is taught in Spanish and is for students who are interested in learning about establishing a small business. The class is an introduction to business concepts such as...
understanding market research, identifying resources, registering a business, and identifying components of a business plan. It will introduce students to the types of business ownership structures such as: sole proprietorship, partnerships, and corporations. Students will be provided reference materials to help them start thinking about permits and licenses, patents and protection of ideas, and legal requirements and regulations for small businesses. The material in this course has been drafted with application as its focus.

AED 90.39
SOCIAL MEDIA FOR SMALL BUSINESS OWNERS (SPANISH) 0.0 UNIT
Class hours: 2.0 Lecture
This course is taught with language support and introduces marketing systems focused on distributing goods and services throughout the community for business and consumer engagement, primarily through social media. Included are basic marketing and advertisement techniques for promotion through many available media venues, emphasizing free social media platforms. The course teaches an introductory understanding of consumer behavior, product design, advertising, pricing, budgeting, distribution approaches, and utilization of a marketing plan for a small business.

AED 90.41
INTRODUCTION TO SMALL BUSINESS FINANCES 0.0 UNIT
Class hours: 2.0 Lecture
This course is designed to introduce noncredit students with various introductory tools to manage monetary funds and make self-analysis for improvement on financial literacy decisions. Measurement techniques will demonstrate how to analyze, plan, and manage financial performances of a small business. Basic cash flow accounting will teach methods of managing money coming in and going out of the business such as record keeping. Introduction to accounting for materials, labor, overhead cost, expenses, and taxes are taught.

AED 90.43
GROWING A SMALL BUSINESS 0.0 UNIT
Class hours: 2.0 Lecture
Small business entrepreneurs will find the necessary skills and tools in order to scale their business. Existing small business owners will learn to analyze, evaluate, and take action to grow their value and avoid growth pitfalls. This course will teach English Language Learners the best ways to build value by scaling their existing business venture through innovation and decisions.

AED 90.43S
GROWING A SMALL BUSINESS (SPANISH) 0.0 UNIT
Class hours: 2.0 Lecture
This course is taught in Spanish for students who are small business entrepreneurs and who through this course will find the necessary skills and tools in order to scale their business and grow operations. Existing small business owners will learn to analyze, evaluate, and take action to grow their value and avoid growth pitfalls. This course will teach English Language Learners the best ways to build value by scaling their existing business venture through innovation and decisions.

TRANSFER MAJOR REQUIREMENTS

Information on the Cerritos College courses needed to meet four-year university major preparation requirements for the transfer majors listed below can be found at the following websites:

- Transfer Center: https://www.cerritos.edu/transfer-center/
- Articulation and Transfer Guides: https://www.cerritos.edu/transfer-center/articulation.htm
- ASSIST (for CSUs and UCs)

In Box labeled Transfer Information:

- Select Academic Year
- Select an Institution: Select Cerritos College
- Under “Agreements with Other Institutions”, select desired transfer institution destination.
- At top under “View Agreement” By, select major. If not available, select department.
- If only department articulation available, consult with a counselor.

CAREER PATHWAYS

In addition, Cerritos College courses needed for career pathways (listed in boldface) can be found at the Transfer Center website as well https://www.cerritos.edu/transfer-center/includes/transfer-and-major-paths.htm. Career Pathways inform students of common course requirements for professional preparation which can be completed at Cerritos College. Career Pathways such as pre-medical studies for medical school preparation are not majors offered at the university level and may not meet all requirements for various transfer majors in this area. Some Career Pathways provide students with a listing of the Cerritos College courses that meet requirements for selected professional programs such as Liberal Studies for elementary school teaching. Career Pathways detail courses that may be taken at Cerritos College and that may or may not count toward a specific major for BA/BS degree requirements. Students following a Career Pathway who plan to transfer should also complete the preparation for a major available for the university where they plan to transfer. Career Pathways do not lead to an AA or AS degree. Students should consult with a counselor regarding options for completing a related associate’s degree.

- Family and Consumer Science (Career Pathway)
- Pre-Chiropractic (Career Pathway)
- Pre-Dental (Career Pathway)
- Pre-Medical (Career Pathway)
- Pre-Optometry (Career Pathway)
- Pre-Pharmacy (Career Pathway)
- Pre-Physical Therapy (Career Pathway)
- Pre-Veterinary (Career Pathway)
- Social Work - Human Services (Career Pathway)
- Teaching Credential Preparation (Career Pathway)

CERTIFICATE OF ACHIEVEMENT

Cerritos College is authorized to award a Certificate of Achievement to any student who satisfactorily completes an organized curricula designed for a specific occupational goal. In order to obtain a Certificate, a student must satisfy the following requirements:

1. Complete the course requirements for the chosen program of study as detailed in the “Programs of Study” section of this catalog.
2. Maintain a minimum grade point average of “C” (2.0) in all required courses, including a GPA of 2.0 for all departmental courses specified, as well as a 2.0 for all course outside the major designated as requirements in the curriculum pattern.
3. A minimum of twelve (12) units of course work within the certificate must be taken at Cerritos College if Certificate of Achievement is to be awarded by this institution.
4. Upon completion of required course work, file a “Petition for Certificate of Achievement” form. The petitions are available in the Counseling Center.
5. Units earned toward the Certificate of Achievement
may be applied toward an Associate of Arts Degree.

6. Credit toward the Certificate of Achievement is not granted for classes taken as part of the Adult Education Program.

7. Courses completed for a Certificate of Achievement that are also to fulfill requirements for the major in an A.A. Degree must be completed with a grade of Pass, or “C” or better.

**REQUIREMENTS FOR THE ASSOCIATE OF ARTS FOR TRANSFER (AA-T) OR ASSOCIATE IN SCIENCE FOR TRANSFER (AS-T)**

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate of Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree.

California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a CSU program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To find out which CSU campus accepts each degree as similar, please meet with a Cerritos College counselor. You can also locate this information at https://www2.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx

An AA-T or AS-T degree may not be the best option for students intending to transfer to a specific CSU majors or campuses or to a university that is not part of the CSU system.

Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

**REQUIREMENTS**

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units. At least 12 of those units must be earned at Cerritos College.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an "AA-T" or "AS-T" major as detailed in the Majors, and Certificates section of the catalog. All courses in the major must be completed with a grade of “C” or better or “P” if the course is taken on a “pass-no pass” basis.
4. Certified completion of the California State University General Education –Breadth pattern (CSUGE Breadth-Plan B) OR the Intersegmental General Education Transfer Curriculum (IGETC-Plan C) pattern.

Students pursuing an ADT in Biology or Chemistry have the option of using CSU General Education for STEM or IGETC for STEM. The CSU General Education for STEM requirements can only be used by students pursuing the Biology or Chemistry ADT and the IGETC for STEM requirements can only be used by students pursuing the either the Biology or Chemistry ADT.

**FOR IGETC FOR STEM CERTIFICATION:**

Complete the following courses before transfer:

- All courses in Area 1 (except 1C for UC-bound students), 2, and 5 of the traditional IGETC; and
- One course in Area 3A; one course in Area 3B; and two courses in Area 4 from two different disciplines.
- Complete the following courses after transfer:
  - One remaining lower-division general education course in Area 3;
  - One remaining lower-division general education course in Area 4; and
  - One course in Area 6 for UC-bound students who have not satisfied it through proficiency.

*These deferred lower division courses must be replaced with calculus and/or science courses required by the major before transfer.

**FOR CSU**

If any specific AS-T degree allows IGETC for STEM Majors as its general education pattern, the specific courses that should replace the deferred lower division general education courses may be indicated on the Transfer Model Curriculum (TMC) for that discipline.

**FOR UC**

UC will accept IGETC for STEM if the UC school/college/major program to which the student transfers accepts partial IGETC certification.

**FOR CSU AND UC**

Alternatively, STEM students may complete the traditional IGETC. However, IGETC and IGETC for STEM Majors may not be appropriate for those colleges or majors which prefer that transfer students follow a more prescribed lower-division curriculum.
FOR CSU GE BREADTH FOR STEM CERTIFICATION

Complete the following courses before transfer:

- All courses in Areas A, B, and E of the traditional GE Breadth curriculum; and
- One course in Area C1 Arts and one course in Area C2 Humanities; and
- Two courses in Area D from two different disciplines
- Complete the following courses after transfer:
  - One remaining lower-division general education course in Area C*; and
  - One remaining lower-division general education course in Area D.*

* These deferred lower division courses must be replaced with calculus and/or science courses required by the major before transfer.

VERIFICATION OF COMPLETION

Locally approved certificate programs may consist of one or more courses that lead to an occupationally relevant set of skills.
ACCOUNTING

PROFESSIONAL ACCOUNTING

CERTIFICATE OF ACHIEVEMENT

The Professional Accounting Certificate of Achievement is for students working toward a career in accountancy. Mastery of this curriculum will help students lay the groundwork for becoming a Certified Public Accountant. The Professional Accounting education also helps students understand basic accounting functions, financial statement preparation and interpretation, and the role and contribution of accounting in an organization.

Program Student Learning Outcomes

ACCOUNTING CORE COURSES:  
ACCT 202 Intermediate Accounting II 3.5
ACCT 220 Accounting Ethics 4
ACCT 240 Cost Accounting 3.5
ACCT 250 Income Tax Accounting 3
or ACCT 130 Payroll Accounting (3)
ACCT 260 Governmental and Not-For-Profit Accounting 4
ACCT 270 Fundamentals of Auditing 3
or ACCT 280 Advanced Accounting (3)
FIN 51 Retirement Planning & Investing 1.5
FIN 125 Personal Finance 3
or FIN 125M Personal Finance (3)
or ACCT 60 QuickBooks Accounting (1.5)
and ACCT 61 Turbo Tax Accounting (1.5)

Total Certificate Requirement 42

ASSOCIATE OF ARTS DEGREE REQUIREMENTS
Complete a minimum of 60 units, including: (1) the required Accounting Department courses; (2) A.A. Degree General Education Requirements, and (3) additional elective courses as needed.

ACCOUNTING

VOCATIONAL ACCOUNTING

CERTIFICATE OF ACHIEVEMENT

The Vocational Accounting Certificate of Achievement is for students looking to obtain a job in the accounting field after completing their course of study at Cerritos College. Mastery of this curriculum will help students lay the groundwork for an entry-level job in the accounting field. The Vocational Accounting education also helps students understand basic accounting functions, financial statement preparation and interpretation, and the role and contribution of accounting in an organization.

Program Student Learning Outcomes

**Associate of Arts Degree Requirements**

Complete a minimum of 60 units, including: (1) the required Accounting major courses; (2) A.A. Degree General Education Requirements, and (3) additional elective courses as needed.

---

### Administration of Justice

**Associate of Arts**

The Administration of Justice program prepares students for a career in criminal justice. By completing the program requirements, students gain the ability to apply principles of the justice system, constitutional and procedural considerations affecting arrest, search and seizure, human relations, and concepts of criminal law as well as demonstrate proficiency in report writing and record keeping. Career options include police officer, corrections officer, homeland security, private security, and crime scene investigator.

**Program Student Learning Outcomes**

ASSOCIATE OF ARTS DEGREE REQUIREMENTS

Complete a minimum of 60 units, including: (1) the Administration of Justice Core and Department requirements, (2) A.A. Degree General Education requirements, and (3) additional elective courses as needed.

ADMINISTRATION OF JUSTICE

ASSOCIATE IN SCIENCE DEGREE FOR TRANSFER (AS-T)

Administration of Justice is the study of the causes, consequences and control of crime. The program leading to the Associate in Science in Administration of Justice for Transfer is designed to acquaint pre-service and in-service students with the principles and practices of criminal justice systems in America. Although the program’s curriculum allows for the development of depth in one of the subject's substantive subsystems (i.e. law enforcement, juvenile, courts or corrections), our objective is to familiarize students with activities in all the above areas. The program is both academic and professional in that it is an interdisciplinary attempt to relate intellectual issues and practitioner perspectives to the challenge of crime in a free society. Consequently, the program provides preparation for employment with a related agency and/or transfer to a college or university.
determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

### AMERICAN SIGN LANGUAGE

#### ASSOCIATE OF ARTS

The American Sign Language (ASL) Program at Cerritos College is an interdisciplinary program that fosters an awareness of the Deaf community and cultural awareness. The program consists of study goals that takes students with little or no knowledge of ASL and Deaf Culture and provides them with the skills needed to communicate comfortably in a wide variety of situations in the Deaf community.

**Program Student Learning Outcomes**

</table>

**LIST A:**
Select ONE of the following courses (3 units total)

| ASL 215 Beginning Interpreting and Ethics 1 | 3 |
| ASL 216 Beginning Interpreting and Ethics 2 | 3 |

**TOTAL MAJOR REQUIREMENTS**

22 units

**ASSOCIATE OF ARTS DEGREE REQUIREMENTS**

Meet the requirements above and complete General Education courses to achieve a minimum of 60 units.

### ANTHROPOLOGY

#### ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)

Anthropology teaches students the value of the scientific method and cultural relativism, which involves the understanding and appreciation of different societies and their practices and beliefs through cross-cultural comparison. Students with an Associate of Arts degree will be well prepared to further their studies in the field of Anthropology.

**Program Student Learning Outcomes**

| or WGS 205 The Anthropology of Sexuality and Gender (3) | |
| ANTH 206 The Anthropology of Death and Dying | 3 |
| SOC 101 Introductory Sociology Principles | 3 |
| SOC 210 Race and Ethnic Relations in the US | 3 |

**TOTAL UNITS FOR THE MAJOR**

18-20 units

**ASSOCIATE OF ARTS IN ANTHROPOLOGY FOR TRANSFER REQUIREMENTS:**

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

### APPLIED PHOTOGRAPHY

#### CERTIFICATE OF ACHIEVEMENT

This certificate helps the student focus on recognizing the variety of fields available to the novice photographer, and focusing on excellence in one or more area of specialization. Emphasis will be placed on garnering expertise in the fundamental technical skills of image capture, composition, digital image editing,
and output options. An awareness of business skills is encouraged. Completion of this certificate will prepare the student for entry-level employment in professional commercial photography.

Program Student Learning Outcomes

REQUIRED COURSES

APPRENTICESHIP:

FIELD IRONWORKERS REINFORCING

CERTIFICATE OF ACHIEVEMENT

Field Ironworkers will prepare the student to become a journeymen in the field ironworks field with the required work skills and tasks of the Ironworker including steel and cable reinforcing in concrete construction (rebar work), erections of steel skeleton of buildings, window wall and curtain wall exteriors, rigging of heavy machinery and welding in conjunction with all aspects of these job descriptions. In today’s workforce, having an industry certificate and journeyman license is required for employment in these positions. In addition, these workforce skills are necessary to maintain well-paying and sustainable jobs. Students must be a state indentured apprentice in order to qualify for the program.

### ASSOCIATE OF ARTS DEGREE REQUIREMENTS

Completion of a minimum of 60 semester units to include (1) total major requirements, (2) the general education requirements, and (3) a grade of “C” or better in all courses required by major.

### APPRENTICESHIP:

#### FIELD IRONWORKERS

**ASSOCIATES OF ARTS**

The Field Ironworkers A.S. degree prepares students for employment in the construction industry, primarily in ironwork. Through courses focusing on Reinforcing or Structural, students will learn the fundamental principles in basic and supervisory level functions in the construction ironwork industry for continuing academic achievement and professional success. Students can either choose the Reinforcing or Structural core units to complete the Field Ironworkers A.S. degree. Core topics include steel and cable reinforcing in concrete construction (rebar work), erections of steel skeleton of buildings, unbonded and bonded reinforcing post tensioning, rigging of heavy machinery, foreman training, and techniques for greater safety in reinforcing iron. Graduates are employed as journeyperson in the field of ironworks, or are self-employed. Spatial intelligence, cognitive ability, and eye-hand coordination are recommended for those entering the program.

### ARCHITECTURAL COMPUTER-AIDED DRAFTING AND DESIGN

**CERTIFICATE OF ACHIEVEMENT**

The Architectural Computer-Aided Drafting and Design (CADD) Certificate prepares students to work as computer-aided drafting/designers in industry and to upgrade the skills of persons presently employed as drafters/designers. This 16-unit certificate will train students in the major CAD programs utilized in industry.

**ARCHITECTURAL STUDIES**

**ASSOCIATE OF ARTS**

This program provides a diverse introduction to the field of architecture in preparation for careers in a variety of interdisciplinary and design-related fields. Students are provided with enough of an exposure to the architecture field to decide whether to pursue it professionally or not. In addition, the students can make informed decisions about their future endeavors and role in society.

ART HISTORY

ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)
The Cerritos College Art History Program seeks to provide courses that will fulfill part of the general education requirements for other majors. Our courses are necessary for many students to complete their General Education requirements and for seamless transfer to CSU. The Art History Program is committed to offering required courses to supplement majors in related disciplines, especially Art, Design, and/or Photography majors. For our students’ general knowledge and their own lives, art history and the study of visual culture more generally helps to promote a better understanding of an increasingly complex world and to learn tools to better cope with a rapidly changing cultural environment.

Program Student Learning Outcomes

REQUIRED CORE (12 UNITS) UNITS
ART 101 Art History I: Prehistory to Gothic 3
ART 102 Art History II: Renaissance to Rococo 3
and ART 103 Art History III: Neoclassical to Present 3

Total Units for the Major 21

ASSOCIATE OF ARTS IN ART HISTORY FOR TRANSFER REQUiREMENTS
(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

ART AND DESIGN

CERAMICS

ASSOCIATE OF ARTS
The Ceramics Program at Cerritos College teaches hand-building techniques and introduces students to the sculptural and three-dimensional use of clay. The classes explore traditional pottery forms. Students study the main directions of contemporary ceramics and are introduced to firing and glazing.

Program Student Learning Outcomes

REQUIRED FOUNDATIONAL COURSES (21 UNITS) UNITS
ART 102 Art History II: Renaissance to Rocco 3
or ART 103 Art History III: Neoclassical to Present (3)
ART 110 Freehand Drawing 3
ART 112 Life Drawing 3
ART 120 Two-Dimensional Design 3
ART 121 Three-Dimensional Design 3
ART 150 Introduction to Ceramics 3
ART 151 Ceramics – Beginning Wheelthrowing 3
Total Major Requirements 21

ASSOCIATE OF ARTS DEGREE REQUIREMENTS
Complete 60 units to include (1) the above core requirements, (2) the A.A. Degree General Education requirements, and (3) electives as needed.

ART AND DESIGN

DRAWING AND PAINTING

ASSOCIATE OF ARTS
The Painting and Drawing Program at Cerritos College prepares students with a foundation in the elements and principles of composition. These fundamental courses prepare students with the soft skills needed to succeed in every aspect of the creative workforce. These courses teach the creative process through project-based experiences that have historical and contemporary relevance. Studio courses combine creative process, critical analysis and technical development to deepen students understanding of their creative practice.

Program Student Learning Outcomes

REQUIRED FOUNDATIONAL COURSES (24 UNITS) UNITS
ART 102 Art History II: Renaissance to Rocco 3
or ART 103 Art History III: Neoclassical to Present (3)
ART 110 Freehand Drawing 3
ART 112 Life Drawing 3
ART 120 Two-Dimensional Design 3
ART 121 Three-Dimensional Design 3
ART 130A Fundamentals of Painting 3
ART 130B Fundamentals of Painting 3
ART 136 Painting for Art Majors 3
Total Major Requirements 24

ASSOCIATE OF ARTS DEGREE REQUIREMENTS

CERRITOS COLLEGE 2023–24
Complete 60 units to include (1) the above core requirements, (2) the A.A. Degree General Education requirements, and (3) electives as needed.

**ART AND DESIGN**

**PRINTMAKING**

**ASSOCIATE OF ARTS**
The printmaking program at Cerritos College offers 3 levels of instruction. Introductory courses start with history and fundamentals of relief print, intaglio, and screen-print. Intermediate and advanced levels explore the development of these processes through materials, creative thinking, and contemporary practice.

**Program Student Learning Outcomes**

**REQUIRED FOUNDATIONAL COURSES (24 UNITS)**

| Units |
|---|---|
| ART 102 | Art History II: Renaissance to Rococo 3 |
| or ART 103 | Art History III: Neoclassical to Present (3) |
| ART 110 | Freehand Drawing 3 |

**RECOMMENDED ELECTIVES**

| Units |
|---|---|
| BA 110 | Advertising 3 |
| PHOT 100 | Introductory Photography 3 |

**ASSOCIATE OF ARTS DEGREE REQUIREMENTS**

Complete a minimum of 60 units to include: (1) Above art courses and units’ requirements, (2) A.A. Degree General Education requirements and (3) electives as needed.

**ART AND DESIGN**

**STUDIO ARTS**

**ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)**
The Associate in Arts in Studio Arts for Transfer is intended for those transfer-directed students who plan to complete an AA in Art. In order to earn the degree, students must complete a maximum of 60 required semester units of CSU-transferable coursework which includes the CSU General Education Breadth or IGETC requirements with a minimum GPA of 2.0. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements. The Cerritos College Art Department wishes to expose students to study in a wide variety of media, and to prepare them to make societal contributions by becoming citizens who are visually literate, culturally aware, skilled in creative problem solving, and aesthetically sensitive.

**Program Student Learning Outcomes**

ASSOCIATE OF ARTS IN STUDIO ARTS FOR TRANSFER REQUIREMENTS
Complete the following (1) 60 semester or 90 quarter CSU – transferable units (2) The California State University-General Education-Breadth pattern (CSU GE-Breadth); or the Intersegmental General Education Transfer Curriculum (IGETC) pattern (3) A minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district (4) Obtainment of a minimum grade point average (GPA) of 2.0 (5) Earn a grade of “C” or better in all courses required for the major or area of emphasis.

ART AND DESIGN
DIGITAL ARTS–COMPUTER ANIMATION
ASSOCIATE OF ARTS
The Cerritos College Computer Animation AA Degree combines a solid core of art foundation courses to build visual literacy with current computer graphics technology. Students develop technical proficiency and problem-solving skills through both traditional and digital media. Students learn the fundamental concepts of visual literacy and critical thinking skills in three-dimensional design, 3D modeling and animation that will enable them to pursue upper division coursework or enter the workforce. Students develop personal professional portfolios of their artwork, which enable them to enter the workforce. The Computer Animation Associate of Arts course sequence is consistent with California State University requirements.

Program Student Learning Outcomes

REQUIRED COURSES
ART 102 Art History II: Renaissance to Rococo 3
or ART 103 ART History III: Neoclassical to Present (3)
or FILM 159 World Films (3)
ART 110 Freehand Drawing 3
ART 112 Life Drawing 3

ASSOCIATE OF ARTS DEGREE REQUIREMENTS
Complete a minimum of 60 units to include: (1) Above art courses and units requirements, (2) A.A. Degree General Education requirements, and (3) electives as needed.

ART 195  3D Modeling for Animation  3

Choose one of the following
ART 121  Three-Dimensional Design  3
ART 194A  Advanced Motion Picture Editing  3
ART 198  Motion Graphics and Postproduction Effects  3
ART 195B  Advance 3D Modeling  3

Total Certificate Requirements  30

**ART AND DESIGN**

**VISUAL AND CULTURAL STUDIES**

**ASSOCIATES IN ARTS**

The Visual and Cultural Studies major combines the breadth of an interdisciplinary major with a special focus on visual media. Its Interdisciplinary structure brings together approaches to visual media and cultural production that would usually be separated by discipline.

Program Student Learning Outcomes

CORE COURSES

Take 6 units (2 required courses)
HUM 100  The Art of Being Human  3
or ART 100  Introduction to World Art  (3)
ART 125  Introduction to Visual and Cultural Studies  3
or HUM 125  Introduction to Visual and Cultural Studies  (3)

SECTION A: VISUAL AND CULTURAL STUDIES

Take 6 units (Select 2 courses)
ART 108  Black Images in Popular Culture  3
or HUM 108  Black Images in Popular Culture  (3)
ART 109  Gender and Sexuality in Art  3
or HUM 109  Gender and Sexuality in Art  (3)
ART 113  Art, Science, and Technology  3
ART 118  History of Women in Visual Arts  3
or WGS 118  History of Women in Visual Arts  (3)
ART 119A  Introduction to Museum Studies  3
ART 124  Introduction to Media Studies  3
ART 200  Intermediate Visual and Cultural Studies Special Topics  3
or HUM 200  Intermediate Visual and Cultural Studies Special Topics  (3)
ART 207  Women in Media  3
or WGS 207  Women in Media  (3)

HUM 102  The Arab, The Muslim, and The West  3
HUM 107  Men and Masculinities: Constructing Manhood in America  3
or WGS 107  Men and Masculinities: Constructing Manhood in America  (3)
PHOT 150  Photography and Society  3

SECTION B: ART HISTORY

Take 6 units (Select 1 course in each category)
CATEGORY 1
ART 101  Art History I: Prehistory to Gothic  3
ART 102  Art History II: Renaissance to Rococo  3
ART 103  Art History III: Neoclassical to Present  3
CATEGORY 2
ART 104  African Art History  3
ART 105A  The Arts of Latin America and the Caribbean: Pre-Columbian  3
ART 105B  The Arts of Latin America and the Caribbean: Colonial to the Present  3
ART 107  Asian Art History  3
PHOT 160  History of Photography  3

SECTION C: GLOBAL STUDIES

Take 3 units (Select 1 course)
AFRS 112  Africana Cinema  3
ART 126  History of Furniture Design  3
or WMT 126  History of Furniture Design  (3)
ENGL 223  Chicana/Chicano Literature  3
ENGL 224  Native American Literature  3
ENGL 225  Mexican Literature and Translation  3
ENGL 226  African American Literature  3
or AFRS 226  African American Literature  3
ENGL 237  Asian American Literature  3
HIST 110  African American History  3
HIST 220  History of the Americas  3
HIST 221  History of the Americas  3
HIST 230  History of Mexico  3
HIST 235  History of Latin America  3
HIST 260  Survey of the History of Asia  3
HIST 265  Selected Problems in Contemporary Asian History  3
PHIL 104  Philosophy of Cultural Diversity: Challenge and Change  3
PHIL 200  World Religions  3
Total Major Requirements  21

ASSOCIATE OF ARTS IN VISUAL AND CULTURAL STUDIES REQUIREMENTS:

Complete the following (1) Total Major Requirements (2) General Education Requirements for the Associate in Arts Degree (Plan A) (3) Elective units, if necessary, for a total of 60 degree-applicable units.
AUTOMOTIVE COLLISION REPAIR AND STRUCTURAL DAMAGE

CERTIFICATE OF ACHIEVEMENT

The Automotive Collision Repair Structural Damage Certificate continues the course of study beyond the entry level certificate. Structural damage analysis, straightening, repair and replacement of structural panels and advanced welding techniques are emphasized within the program. Steering, suspension and power train damage including wheel alignment theory and practice for collision damaged vehicles for collision damaged vehicles are included within course content.

Program Student Learning Outcomes

REQUIRED COURSES      UNITS
AB 181   Non-Structural Damage Estimating  3
AB 51    Non-Structural Repair              4.5
AB 52    Structural Damage Repair          4.5
AB 53    Steering Suspension and Power Train Damage  4.5
AB 55    Structural Panel Replacement      4.5
AB 57    Structural Automotive Welding     2
Total Certificate Requirement  23

AUTOMOTIVE MULTI-COAT AND CUSTOM PAINT

CERTIFICATE OF ACHIEVEMENT

The Automotive Refinishing Multi-coat and Custom Paint Certificate continues the course of study beyond the entry level certificate. Two and three stage OEM finishes along with custom applications of pearl, mica and candy refinishing processes are delivered within the course of study. Lettering, striping and graphic design are included within the content of the certificate. The course of study is designed around the advancement of skills and knowledge obtained within the Automotive Refinishing Certificate.

Program Student Learning Outcomes

REQUIRED COURSES      UNITS
AB 181   Non-Structural Damage Estimating  3
AB 51    Non-Structural Repair              4.5
AB 61    Preparation and Spot Refinishing  3.0
AB 61L   Automotive Refinishing Lab        1.5
AB 62    Overall and Multi-coat Refinishing 4.5
AB 64    Automotive Air Brush Painting     2.5
AB 66    Lettering Striping and Design     2.5
AB 67    Automotive Custom Painting        2
Total Certificate Requirement  23.5

AUTOMOTIVE TECHNOLOGY

ALTERNATIVE FUELS SERVICE TECHNICIAN

CERTIFICATE OF ACHIEVEMENT

The Alternative Fuels Service Technician Certificate option prepares students for employment as an entry level alternative fuels service technician. Through courses focusing on electrical areas of the vehicles, students learn how to use specialty equipment and diagnostic tools found in automotive and alternative fuels service and repair facilities. Core topics include electric vehicle operation, three levels of automotive electrical, and a course in energy and transportation. Design, function, and operation of all these systems is also included in the certificate. Graduates are employed as entry level technicians, general service technicians, fleet and municipality technicians, or apprentice technicians.

Program Student Learning Outcomes

REQUIRED COURSES      UNITS
AUTO 103   Introduction to High Voltage Vehicles  3
AUTO 108   Energy and Transportation Systems      4
AUTO 160   Introduction to Automotive Electrical  5
AUTO 260   Intermediate Automotive Electrical     4
AUTO 265   Advanced Automotive Electrical         1
Total Certificate Requirements  17

## AUTOMOTIVE TECHNOLOGY

### AUTOMOTIVE DRIVETRAIN & AIR CONDITIONING

#### CERTIFICATE OF ACHIEVEMENT

This program focuses on manual and automatic transmission/ transaxles, drive axles diagnosis and service, and four-wheel drive/ all-wheel drive systems related to either Ford ASSET, Chrysler CAP, or the Import Technician Training Program (ITTP). The courses are designed to provide students with both theory and hands-on skills that will enable them to become entry level technicians at dealerships. After the first semester students will be gaining work experience in the field.

### AUTOMOTIVE TECHNOLOGY

### AUTOMOTIVE MANAGEMENT

#### CERTIFICATE OF ACHIEVEMENT

The Automotive Management certificate option prepares students for employment as an automotive service advisor or entry-level supervisor role. Through courses focusing on the management of personnel, customer service, information technology, and business logistics, students learn how to manage and serve customers’ needs at service and repair facilities. Core topics include basic maintenance and service, broad understanding of customer service, automotive dealer and small business management, accessing information specific to the automotive industry, and...
managing automotive fleets. Graduates are employed as entry-level supervisors, service advisors/writers, or are self-employed. Cognitive ability and critical thinking skills are recommended for those entering the program.

Program Student Learning Outcomes

REQUIRED COURSES | UNITS
--- | ---
AUTO 100 Automotive Maintenance and Operation | 4
AUTO 190 Automotive Management | 3
AUTO 193 Automotive Service Information Management | 3
AUTO 194 Retailing Automotive Service | 3
AUTO 195 Automotive Customer Relations | 3
Total Certificate Units | 16

ASSOCIATE OF ARTS DEGREE REQUIREMENTS
Complete a minimum of 60 units to include the above requirements, the General Education requirements, and electives as needed.

RECOMMENDED COURSES
AUTO 55, AUTO 101, AUTO 150

AUTOMOTIVE TECHNOLOGY

EMISSIONS ESSENTIALS SERVICE TECHNICIAN

CERTIFICATE OF ACHIEVEMENT
The Emissions Essentials Service Technician Certificate is needed to support students who desire to become state-licensed smog technicians. Air quality is one of the most important issues facing the automotive industry and there is a large need for new smog technicians. This program will provide students or incumbent technicians with the four most important courses that support air quality and prepare students for the state smog license test. Completers are employed as general service technicians, smog technicians electrical and diagnostic technicians, or are self-employed. Cognitive ability, hand-eye coordination are recommended for those entering the program. This program is designed to give the completer the necessary skills to excel in the automotive service industry or strengthen the knowledge of entry-level incumbent workers as they progress towards developing their career in Automotive Service.

Program Student Learning Outcomes

AUTO 170 Auto Air Conditioning | 4
AUTO 180 Electronic Engine Management | 5
AUTO 260 Intermediate Electrical | 4
AUTO 281 Emission Control Systems | 5
Total Certificate Requirement | 18

AUTOMOTIVE TECHNOLOGY

ENGINE MACHINING TECHNOLOGY

CERTIFICATE OF ACHIEVEMENT
The Engine Machining Certificate option prepares students for employment as an entry-level engine machinist. Through courses focusing on the mechanical areas of the vehicles, including basics in engines, equipment usage, engine rebuilding techniques, and machining practices, students learn how to use specialty equipment and measurement
tools found in engine-machinist facilities. Core topics include engine operation, measurement techniques, increasing engine power and torque, and engine modifications. Design, function, and operation of all these systems is also included in the certificate. Graduates are employed as entry-level engine machinists, general engine technicians, apprentice engine machinists, or are self-employed. Spatial intelligence, cognitive ability, and hand-eye coordination are recommended for those entering the program.

AUTOMOTIVE TECHNOLOGY

FLEET TECHNICIAN

CERTIFICATE OF ACHIEVEMENT

This program is designed to give the completer the necessary skills to succeed in the automotive service industry working with vehicle fleets in public and private organizations. Additionally, strengthening the knowledge of incumbent workers as they progress in their career in fleet automotive service. Through courses focusing on subjects unique to fleet vehicles, completers will be well prepared for employment in fleet service through the completion of courses covering compressed natural gas systems, hydraulic systems, and medium-duty brake systems.

Program Student Learning Outcomes

REQUIRED COURSES                      UNITS
AUTO 101 Automotive Tools and Equipment  4
AUTO 105 Hydraulics and Pneumatics       2
AUTO 155 Medium/Heavy Duty Brake Systems 2
AUTO 160 Introduction to Automotive Electrical  5
AUTO 183 Compressed Natural Gas Engines  4

Total Certificate Requirement          17

AUTOMOTIVE TECHNOLOGY

GENERAL MOTORS ADVANCED

CERTIFICATE OF ACHIEVEMENT

The General Motors Advanced Certificate option prepares students for employment as an entry-level automotive technician at a General Motors (GM) dealership. Courses focus on both the mechanical and electrical systems within a vehicle and how to diagnose and repair them. They include automatic transaxle/transmission, HVAC, advanced engine performance, hybrid and electric vehicle technology, and light duty diesel systems. Students will also increase their hands-on skills and experience by working in the field. Graduates are employed as entry-level technicians at GM dealers and have the ability to work as a bumper-to-bumper technician or as a specialized automotive repair technician.

Program Student Learning Outcomes

REQUIRED COURSES                      UNITS
First Semester
AUTO 202 General Motors Automatic Transaxle/Transmission  3
AUTO 207 General Motors HVAC Systems          3
AUTO 209 General Motors Diesel Technology    3
AUTO 73 Work Experience                     3

Second Semester
AUTO 226 General Motors Electrical Systems  3
AUTO 218 General Motors Engine Performance   3
AUTO 73 Work Experience                     3

Total Certificate Requirements         21

AUTOMOTIVE TECHNOLOGY

GENERAL MOTORS AUTOMOTIVE SERVICE EDUCATIONAL PROGRAM (GM ASEP)

ASSOCIATE OF SCIENCE

The General Motors Automotive Service Educational Program (GM ASEP) prepares students for employment as an entry-level automotive technician at a General Motors (GM) dealership. Courses focus on both the mechanical and electrical systems within a vehicle and how to diagnose and repair them. First year courses include fundamentals, braking systems, electrical systems, engine repair, manual drivetrain and axle, engine performance, and suspension and steering. Second year courses include automatic transaxle/transmission, HVAC, advanced engine performance, hybrid and electric vehicle technology, and light duty diesel systems. Students will also increase their hands-on skills and experience by
working in the field. Graduates are employed as entry-level technicians at GM dealers and have the ability to work as a bumper-to-bumper technician or as a specialized automotive repair technician.

**AUTOMOTIVE TECHNOLOGY**

**GENERAL MOTORS ESSENTIALS**

**CERTIFICATE OF ACHIEVEMENT**

The General Motors Essentials Certificate option prepares students for employment as an entry-level automotive technician at a General Motors (GM) dealership. Courses focus on both the mechanical and electrical systems within a vehicle and how to diagnose and repair them. They include fundamentals, braking systems, electrical systems, engine repair, manual drivetrain and axle, engine performance, and suspension and steering. Students will also increase their hands-on skills and experience by working in the field. Graduates are employed as entry-level technicians at GM dealers and have the ability to work as a bumper-to-bumper technician or as a specialized automotive repair technician.

**ASSOCIATE OF SCIENCE DEGREE REQUIREMENTS**

Complete a minimum of 60 units to include the above requirements, the Associate of Science Degree requirements, General Education requirements, and electives as needed.
AUTOMOTIVE TECHNOLOGY

GENERAL TECHNICIAN

CERTIFICATE OF ACHIEVEMENT

The General Technician Certificate option prepares students for employment as an entry-level automotive technician. Through courses focusing on the mechanical areas of the vehicles, including basics in engines, suspension, and brakes, students learn how to use specialty equipment and hand tools found in automotive service and repair facilities. Core topics include maintenance and service, engine operation, transmission service and repair, and suspension and brakes diagnosis and repair. Design, function, and operation of all these systems is also included in the certificate. Graduates are employed as entry-level technicians, general service technicians, quick service technicians, tire and brake technicians, apprentice technicians, or are self-employed. Cognitive ability and hand-eye coordination are recommended for those entering the program.

RECOMMENDED ELECTIVES

AUTO 101, AUTO 105, AUTO 109

AUTOMOTIVE TECHNOLOGY

INDUSTRIAL VEHICLE TECHNICIAN

CERTIFICATE OF ACHIEVEMENT

This program is designed to give the completer the necessary skills to enter the automotive service industry working with industrial vehicles in public and private organizations. Forklifts and material handling equipment have unique systems integrated within the vehicle. Entry level incumbent workers will benefit from increasing their skills as they move toward advancement in industrial vehicle service.

AUTOMOTIVE TECHNOLOGY

INTERMEDIATE LEVEL TECHNICIAN

CERTIFICATE OF ACHIEVEMENT

The Intermediate Level Technician certificate option prepares students for employment as an automotive technician. Through courses focusing on the electrical and mechanical areas of the vehicles, students learn how to use specialty equipment and hand tools found in automotive service and repair facilities. Core topics include maintenance and service, Electrical, Emissions, and Transmission service. The design, function, and operation of all these systems is also included. Completers are employed as general service technicians, quick service technicians, apprentice technicians, or are self-employed. Cognitive ability, hand-eye coordination are recommended for those entering the program. This program is designed to give the completer the necessary skills to enter the automotive service industry or strengthen the knowledge of entry-level incumbent workers as they progress in their careers in the automotive service industry.

Program Student Learning Outcomes

REQUIRED COURSES

UNITs
AUTO 120 Automatic Transmissions and Transaxles 5
AUTO 130 Manual Drivetrain and Axles 5
AUTO 265 Advanced Automotive Electrical 1
AUTO 110 Automotive Engines 5

BIOLOGY

ASSOCIATE IN SCIENCE DEGREE FOR TRANSFER (AS-T)

Upon completion of the Associate in Science in Biology for Transfer degree, students will have gained an understanding of the fundamental principles of biology and of the scientific process, and will be able to demonstrate the analytical, critical thinking, and communication skills needed for continuing academic achievement and professional success. This Associate in Science in Biology is for seamless transfer to a CSU.

Program Student Learning Outcomes

REQUIRED COURSES UNITS
Biol 200 Principles of Biology 5
Biol 201 Principles of Biology 5
Chem 111 General Chemistry 5
Chem 112 General Chemistry 5
Math 116 Calculus for Managerial, Biological, and Social Sciences 4
or Math 170 Analytic Geometry and Calculus I (4)
Phys 101 General Physics 4
Phys 102 General Physics 4
Total Major Requirements 32

ASSOCIATE DEGREE FOR TRANSFER COMPLETION REQUIREMENTS:
(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

CAREER OPPORTUNITIES: After transfer to a four-year college or university and completion of the bachelor's degree program, graduates qualify for graduate study and for professional careers in government, education, and private industry, including environmental consulting, biotechnology, biomedical technology, wildlife conservation, environmental management and conservation, research, healthcare and medicine, law and regulation, environmental and health policy, forensic science, and teaching.

BIOLOGY

ASSOCIATE OF ARTS

Biology studies the structures, functions, and origins of organisms. Upon completion of the Associate of Arts in Biology degree, students will have gained an understanding of the fundamental principles of biology and of the scientific process, and will be able to demonstrate the analytical, critical thinking, and communication skills needed for continuing academic achievement and professional success. The Associate of Arts in Biology degree is designed to give students a foundational degree to serve those students who wish to enter the workforce prepared with an associate degree. It may also be used as a basis for transfer to a four-year college or university, but students should consult with a counselor for guidance with their academic plan.

Program Student Learning Outcomes

REQUIRED COURSES UNITS
Biol 120 Introduction to Biological Science 4
Biol 200 Principles of Biology 5
Biol 201 Principles of Biology 5
Chem 111 General Chemistry 5
Chem 112 General Chemistry 5

Select one of the following two courses:
Math 116 Calculus for Managerial, Biological, and Social Sciences 4
or Math 170 Analytic Geometry and Calculus I (4)
Total Major Requirements 28
ADDITIONAL DEGREE REQUIREMENTS
Completion of a minimum of 60 semester units to include (1) the courses listed above, (2) the AA degree general education requirements, and (3) a grade of “C” or better in all courses required by major.

BIOTECHNOLOGY I: BASIC WET LAB
SKILLS
CERTIFICATE OF ACHIEVEMENT
Biotechnology utilizes biological systems or living organisms to create products and solve real-world problems. From employing bacteria to produce human insulin, to genetically changing a patient’s own immune system cells so they can better fight cancer, the biotech industry continues to expand and innovate. By acquiring a certificate of achievement in biotechnology, students will attain the necessary fundamentals in biology, chemistry, and wet-lab skills for entry-level positions in biotechnology-related laboratories and facilities, like manufacturing technician and laboratory assistant. The courses required for this certificate provide students the option of pursuing the Biotechnology Level 2 certificate, which focuses on skills needed for jobs in Biomanufacturing, and the Associate of Science degree in Biotechnology.

BIOTECHNOLOGY II: BIOMANUFACTURING

CERTIFICATE OF ACHIEVEMENT
Biomanufacturing combines the concepts of manipulation and use of biological systems explored in the biotechnology industry with the carefully monitored practices of large-scale production of the manufacturing industry. Products of the biomanufacturing industry include biopharmaceuticals, vaccines, monoclonal antibodies, growth factors, beer, new food, biofuels, etc. The certificate of achievement in biomanufacturing will develop the skills students need for entry-level jobs in the biomanufacturing industry, including manufacturing production technicians, quality control technicians, and environmental monitoring technicians. This certificate builds on the course sequence of the Level 1 Biotechnology: Wet Lab Skills certificate and provides students the option of pursuing an Associate of Science Degree in Biotechnology.

BIOTECHNOLOGY ASSOCIATE OF ART

Biotechnology utilizes biological systems or living organisms to create products and solve real-world problems. From employing bacteria to produce human insulin, to genetically changing a patient’s own immune system cells so they can better fight cancer, the biotech industry continues to expand and innovate. The Associate of Science Degree for Biotechnology is aimed at preparing students for positions in the biotechnology industry, including biological technicians and biomanufacturing production technicians. Students must demonstrate knowledge of basic biochemistry and biotechnology concepts, and industrial regulations. The program will produce conscientious technicians that can navigate the high demand, professional, and interdisciplinary environment of the biomanufacturing and related fields.

BLACK/AFRICANA STUDIES

CERTIFICATE OF ACHIEVEMENT

The Black/Africana Studies Certificate of Achievement is designed to provide students with the opportunity to study a precise scope of the history, culture, aesthetics, and social justice traditions of Black people – in and outside of the United States. Major themes highlighted in the curriculum are social justice, cultural resistance, and artistic production.

The goals and objectives of this program are to provide students with the opportunity to develop cultural competence and cross-cultural skills. This program may be of particular interest to students who wish to work in multicultural environments and with underrepresented, diverse populations.

Program Student Learning Outcomes

REQUIRED COURSES

UNITS
AFRS 100 Introduction to Black/Africana Studies 3
AFRS 108 Black Politics: Racial and Social Justice Movements 3
AFRS 112 African Cinema 3
AFRS 226 African American Literature (3)
or ENGL 226 African American Literature 3
ENGL 100 Freshman Composition 4
or ENGL 100S Enhanced Freshman Composition (4.5)
Total Certificate Requirement 16-16.5

BLACK/AFRICANA STUDIES

ASSOCIATE OF ARTS

The Black/Africana Studies degree program is an interdisciplinary program designed to provide students with the opportunity to critically study the lived experience, life history and culture of Black people. Undergirded by the three basic areas of focus of the discipline of Africana Studies – which are cultural grounding, academic excellence, and social responsibility – this program is comprised of a curriculum of multidisciplinary courses that meet the general education requirements for an associate of arts degree.

Program Student Learning Outcomes

REQUIRED CORE (9 Units)

UNITS
AFRS 100 Introduction to Africana Studies 3
AFRS 101 Theories and Methods in Black/Africana Studies 3
AFRS 108 Black Politics: Social and Racial Justice Movements 3
GEOG 102 Cultural Geography 3
MUS 103 Jazz in America 3
SOC 215 Sociology of Cultural Diversity 3
POL 280 Race, Gender & Sexual Identity in America 3
or ETHN 280 Race, Gender & Sexual Identity in America (3)
SOC 210 Race and Ethnic Relations in the U.S. 3
or ETHN 210 Race and Ethnic Relations in the U.S. (3)
Total Units for the Major: 18

ASSOCIATE OF ARTS DEGREE REQUIREMENTS

Complete a minimum of 60 units, including:
(1) the Administration of Justice Core and Department requirements,
(2) A.A. Degree General Education requirements, and
(3) additional elective courses as needed.

BOTANY

ASSOCIATE OF ARTS

Botany is a branch of biology that studies plants (e.g. structure, development, classification). Upon completion of the Associate of Arts in Botany degree, students will have gained an understanding of the fundamental principles of biology and of the scientific process, and will be able to demonstrate the analytical, critical thinking, and communication skills needed for continuing academic achievement and professional success. The Associate of Arts in Botany degree is designed to give students a foundational degree to serve those students who wish to enter the workforce prepared with an associate degree. It may also be used as a basis for transfer to a four-year college or university, but students should consult with a counselor for guidance with their academic plan.

Complete the Business Core courses (12 units) and the Certificate Specific courses (12 units) listed above with a grade of “C” or higher or “Pass.”

NOTES: Although many of these courses are transferable, this Certificate is nontransferable. Please see a Business Counselor or the respective department chairperson for additional alternatives.

BUSINESS ADMINISTRATION

BUSINESS ESSENTIALS

CERTIFICATE OF ACHIEVEMENT

The Business Administration Department is committed to offering courses to supplement majors
in related or vocational areas. For Business Administration students’ general knowledge and their own lives, Business helps to promote a better understanding of an increasingly complex world and learn tools to better cope with a rapidly changing world. The Business Administration programs are stacking and latticing all of the Business Administration certificates using a model that has been developed by the consortium of colleges from Alaska, California, Texas, and Oregon. To align this program with the model, classes were divided in business essential classes and core classes.

Program Student Learning Outcomes

Business Essentials Certificate of Achievement: Complete the BUSINESS CORE COURSES (12-12.5) with a grade point average of “C” or higher or “Pass.”

DEGREE SPECIFIC COURSES (12 UNITS):

BA 101 International Business 3

**CHINESE**

**ASSOCIATE OF ARTS**

Cerritos College Chinese Program seeks to provide courses that will fulfill part of the general education requirements for other majors. Our courses are necessary for many students to complete their General Education requirements. The purpose of this major is twofold: to develop proficiency in written and spoken communication as well as to foster an appreciation of cultural diversity and global awareness.

CHICANO STUDIES

ASSOCIATE OF ARTS

The mission of the Chicano Studies Department is to develop in students the academic tools to recognize, critically understand, and appreciate the social, historical, and continuing cultural significance of the Mexican American, Chicana(o), and all Latinx communities. Chicano Studies Faculty prepare students to major in Chicano Studies with the option to transfer to four-year universities, actively participate in the workplace, and to effect positive change as it relates to local, national, and global purposes. Through completion of courses from the fields of Chicano Studies, Ethnic Studies, Spanish, English, Health Occupations, Counseling, Interdisciplinary Studies, Art, History, Women's and Gender Studies, Sociology, Philosophy, Psychology, and Anthropology, the Chicano Studies Degree explores intersectionality globally, within the Mexican American, Chicana(o), all Latinx communities, and racialized societies. To enact change through civic advocacy, students are empowered to apply their knowledge and skills in the service of their communities and to act in accord with the acquired principles of racial and social justice.

Total Major Requirements 28-31

ASSOCIATE OF ARTS DEGREE REQUIREMENTS:

Complete the following (1) major requirements, (2) the A.A. Degree General Education requirements for, and (3) electives to achieve a minimum of 60 units.
CHILD DEVELOPMENT/EARLY CHILDHOOD

This program welcomes students from diverse cultural and ethnic backgrounds. Male students are encouraged to investigate career opportunities in Child Development. The Child Development Department offers several different options for the student interested in working with young children. It is important for you to know, as a Child Development major, when you observe in classrooms to complete your assignments, enroll in CDEC 164 Practicum AND when you apply for a job working in a licensed facility with young children, you will need the following due to the Health & Safety Code:

Section 1596.7995 (a)(1) Commencing September 1, 2016, a person shall not be employed or volunteer at a day care center if he or she has not been immunized against influenza, pertussis, and measles (according to most recent CDC Adult Schedule (Adult Immunization Schedules and Tools for Providers/CDC). Each employee and volunteer shall receive an influenza vaccination between August 1 and December 1 of each year.

- 2 Vaccines (MMR- Series of 2 & Pertussis- Tdap, every 10 years)
- FLU shot (between August 1st & December 1st) and
- TB test (within last 2 years, chest X-ray good for 5 years)

*Documentation of each vaccine, the flu shot and your TB test results will be required. See attached CDEC 164 Practicum form for more information, on page 11).

All full-time Child Development Instructors are available to advise students in all of the following areas:

CERTIFICATES OF ACHIEVEMENT - This is a carefully planned course of classes that will meet requirements of the Department of Social Services and the Child Development Permit as well as when combined with the required general education classes will lead to an A.A. and AS-T. This offers even greater career options. Petitions for the Certificate of Achievement must be made through the Cerritos College office of Admissions and Records. The deadline for submitting petitions is listed in the Schedule of Classes each semester.

A. CHILD DEVELOPMENT CORE

CERTIFICATE OF ACHIEVEMENT

The 12-unit Child Development CORE Certificate is designed to meet the minimum requirements of the Department of Social Services to teach in licensed private preschools and childcare programs. This is an entry level career choice. While students are encouraged to pursue additional units in Child Development to advance in the field, the goal is to provide students training to move directly into the workforce completion of the Core Certificate combined with work experience allows students to be eligible for the Associate Teacher level of the Permit.

B. CHILD DEVELOPMENT CORE PLUS

CERTIFICATE OF ACHIEVEMENT

The 18-unit CORE PLUS Certificate is designed to meet both the minimum requirements of the Department of Social Services to teach in licensed private preschools and childcare programs and to complete an early childhood education specialty focus. The goal is to provide students coursework to move directly into the workforce while working toward an AA degree. Completion of the CORE PLUS Certificate combined with work experience allows students to be eligible for the Associate Teacher level of the Permit.

</table>

Total Certificate Units 24

**NOTES:**

All four core classes must be completed before enrolling in CDEC 164. Completion of all 8 courses + 16 general education units + work experience allows you to be eligible for the Teacher level of the Permit.

**SPECIALTY OPTIONS** *(6 additional units required for CD CORE PLUS Certificate and A.A. Degree)*

- Specialties also meet the “6 specialization units” required at the Master Teacher level of the Permit
- Courses for specialties also meet general education required “elective” units. Meet with a counselor for accepted “elective” units.

### DEGREE OPTIONS

#### CHILD DEVELOPMENT/EARLY CHILDHOOD ASSOCIATE OF ARTS

This option requires one of the Certificates of Achievement (Child Development/Early Childhood + 6-unit Specialty Option OR Child Development/Preschool Director + 6-unit Specialty Option) and the required general education courses at Cerritos College. Some courses may be transferable; see college catalog and counselor for more information. Petitions for the Certificate of Achievement must be made through the Cerritos College office of Admissions and Records. The
Program Student Learning Outcomes

EARLY CHILDHOOD EDUCATION

ASSOCIATE OF SCIENCE FOR TRANSFER (AS-T)

This option is for students who are interested in transferring to a CSU or UC campus. Please meet with a counselor to discuss this option.

ASSOCIATE IN SCIENCE FOR TRANSFER DEGREE

REQUIREMENTS

Complete the following:

1. 60 semester or 90 quarter CSU-transferable units
2. The California State University General-Education-Breadth pattern (CSU GE-Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) pattern
3. A minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
4. Obtain a minimum grade point average (GPA) of 2.0
5. Earn a grade of “C” or higher in all courses required for the major or area of emphasis

Successful completion of all levels of course work is necessary for completion of, and graduation from, the program of study. In order to complete the program, the student must maintain a grade of “C” or higher whether enrolled in combined lecture/lab courses, practicums, or clinical experiences. When content is tiered, each level must be completed according to identified criteria.

*All courses not completed at Cerritos College must be comparable in content, units, and granted by a college or university accredited by the Western Association of School and Colleges. Equivalencies must be determined by the Child Development Department Chairperson.

TEACHER TRAC EARLY CHILDHOOD EDUCATION (ECE)

PATHWAY

The Cerritos College Teacher TRAC Early Childhood Education Pathway focuses on students interested in teaching in early childhood programs. Future ECE teachers attending Cerritos College have the opportunity to complete certificates, permits, an A.A. degree and/or AS-T degree.

Students can prepare for the workforce and/or transfer to the institution of their choice for a bachelor’s degree.

Opportunities Offered through the Teacher TRAC Program

1. Specialized Counseling with dedicated Teacher TRAC Counselors
2. Eligibility to Apply for Scholarships
3. Targeted Courses for and with other future teachers
4. Internships
5. Teaching Conferences and Workshops
6. Curriculum Pathways leading to partner universities

For more information about The Early Childhood Education Pathway visit the following link:
https://www.cerritos.edu/teachertrac/ECEPathway.htm or visit any fulltime child development faculty member.

CHILD DEVELOPMENT PERMIT OPTIONS

The Child Development Permit – The Child Development Permit is granted by the California Commission on Teacher Credentialing and entitles the holder to teach in state and federally funded programs. This is an expanded career choice and has levels of advancement. The Child Development Department recommends that all Child Development students aspire to the Child Development Permit. Application for the permit is made through the California Commission on Teacher Credentialing. (Please refer to the attached Child Development Permit Matrix.)

- Assistant Teacher
- Associate Teacher
- Teacher
- Master Teacher
- Site Supervisor
- Program Director

For more information about The Child Development Permit visit the following link:
https://www.cerritos.edu/child-development/child-development-permitmatri.htm or visit any fulltime child development faculty member.

COMMUNITY HEALTH WORKER

CERTIFICATE OF ACHIEVEMENT

The Certificate of Achievement for Community Health Worker (CHW) will prepare the student to assist individuals in accessing health care services, recognize the specific needs of the community, collect community data to improve health education efforts, and network with public health, clinical, and social service agencies. The student will learn to interpret and monitor community health data for improvement in population well-being, explore possible environmental or systemic causes of adverse health conditions, identify need for changes in policies to improve the health and safety of the community, and investigate legal and regulatory actions for greater understanding of services. Students will be able to assist specific populations in communities by improving access to health care services, increase access to health screenings, help the community
members in better understanding the health and social service system, facilitate communication between community members and health providers, provide increased use of health care services, work to improve adherence to health recommendations, and strive to reduce the need for emergency and specialty services.

COMMUNICATION STUDIES

ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)

The Associate of Arts Degree in Communication Studies for Transfer at Cerritos College provides students with seamless transfer into the CSU system to complete a baccalaureate degree in Communication Studies. By successfully completing the courses for the AA-T, students will gain practical and theoretical understanding for future communication studies work. They will also gain breadth and depth of communication competence to significantly impact future employment and promotion. Furthermore, while meeting the Associate of Arts Degree for Transfer in Communication Studies requirements, students can satisfy up to four different general education transfer requirements (Oral Communication, Social Science, Humanities and Critical Thinking) as well as earn a Certificate of Achievement (12 units) Certificate of Achievement (12 units).

ASSOCIATE OF ARTS IN COMMUNICATION STUDIES FOR TRANSFER REQUIREMENTS

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

COMMUNICATION STUDIES

ASSOCIATE OF ARTS

The Communication Studies Department at Cerritos College represents some of the most diverse and thorough course offerings at a community college in California. The department reflects its currency in the field by offering a variety of courses to satisfy different general education requirements, as well as offering courses that are reflective of trends in the field. Communication Studies is often referred to as one of the golden four because of its unique ability to solely satisfy a primary general education requirement, oral communication. The Communication Department helps students develop communication skills that prepare them to be productive participants in a global community.

## COMPUTER AND INFORMATION SCIENCES

### CLOUD COMPUTING

### CERTIFICATE OF ACHIEVEMENT

The Cloud Computing program prepares students to design solutions for Infrastructure as a Service (IaaS) architectures by provisioning computing instances, establishing virtual
private networks, managing databases and storage within a secure online environment. Students produce dynamic solutions responsive to information and computing technology workloads with on-demand pay-as-you-go pricing allowing flexibility for small business, entrepreneurship and enterprise adoption. Industry certifications are embedded to prepare for occupations in Cloud Architect, Cloud Support Associate, Cloud Engineer or Cloud Technicians. Some preparation in information technology or computer programming is recommended.

COMPUTER AND INFORMATION SCIENCES

IT SUPPORT SPECIALIST

ASSOCIATE OF SCIENCE

The IT Support Specialist program at Cerritos College is designed to prepare students for a career in the information industry, aiming to provide students opportunities for career change or advancement. Graduates of the program will have a good understanding of the current personal computing devices and commonly used operating systems, and will be equipped with the knowledge and skills needed to install hardware and software on various devices, and to troubleshoot common technical issues. There are no prerequisite skills or enrollment limitations for this program. The graduates of the program may have possible career opportunities include entry level technical support, computer technician, technical sales, etc. However, such opportunities and compensations are largely subject to the condition of the economy, employers' discretion, job applicants’ prior experience, and evaluations of the applicants’ overall qualifications. For students who plan to transfer to a baccalaureate institution, they may choose to major in the following fields, such as: computer science, computer engineering, information technology management, business information systems, etc. for their bachelor's degree. It's highly recommended that students meet with a counselor for specific transfer requirements by the respective baccalaureate institution. During the study in the program, students may also have the option to pursue IT industry

Graduates of the program will have a good understanding of the current personal computing devices and commonly used operating systems, and will be equipped with the knowledge and skills needed to install hardware and software on various devices, and to troubleshoot common technical issues. There are no prerequisite skills or enrollment limitations for this program. The graduates of the program may have possible career opportunities include entry level technical support, computer technician, technical sales, etc. However, such opportunities and compensations are largely subject to the condition of the economy, employers' discretion, job applicants’ prior experience, and evaluations of the applicants’ overall qualifications. For students who plan to transfer to a baccalaureate institution, they may choose to major in the following fields, such as: computer science, computer engineering, information technology management, business information systems, etc. for their bachelor's degree. It's highly recommended that students meet with a counselor for specific transfer requirements by the respective baccalaureate institution. During the study in the program, students may also have the option to pursue IT industry
certifications, such as Apple Certified Support Professional (ACSP), CompTIA IT Fundamentals, CompTIA A+, Microsoft Technology Associate (MTA). Please note students are responsible for the associated costs for these certifications exams, which are not included in the courses offered at the college.

ASSOCIATE OF SCIENCE DEGREE REQUIREMENTS

Meet the requirements for Certificate of Achievement in Computer and Information Sciences: IT Support Specialist, and complete General Education requirements and electives, to achieve a minimum of 60 units.

NOTES: Although many of these courses are transferable, this Certificate/AA. Degree is nontransferable. Please see counselors or the respective department for additional alternatives.

COMPUTER AND INFORMATION SCIENCES

NETWORK/SYSTEMS ADMINISTRATION

ASSOCIATE OF ARTS

The network/systems administration program at Cerritos College is designed to prepare students for a career in the information industry. Graduates of the program will have a comprehensive understanding of the current communication technologies and commonly used operating systems, will be equipped with the knowledge and skills needed to design and implement a network infrastructure, and will be able to deploy and administer multiple systems in an organization. The graduates of the program have possible career opportunities including the following occupations: entry-level technical support technician, system administrator, network technician, network administrator, and network engineer.

Associate of Arts Degree Requirements

Meet the requirements for a programmer associate of arts degree in computer and information sciences and complete general education requirements and electives to achieve a minimum of 60 units.
COMPUTER AND INFORMATION SCIENCES

COMPUTER SCIENCE

ASSOCIATE IN SCIENCE DEGREE FOR TRANSFER (AS–T)

Upon successful completion of the Associate in Science in Computer Science Transfer degree, students will be able to:

- apply structured and object-oriented approaches to the design and implementation of software systems
- use data structures and algorithms to solve a variety of problems
- design, implement, test, and debug computer programs using a structured language, a low-level language, or an object-oriented language.

This degree is for seamless transfer to CSU.

ASSOCIATE IN SCIENCE IN COMPUTER SCIENCE FOR TRANSFER REQUIREMENTS

(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

COMPUTER MUSIC PERFORMANCE

CERTIFICATE OF ACHIEVEMENT

The Computer Music Performance Certificate will prepare students to design and implement computer systems suitable for live electronic music performance. Students will also train on performing live with these systems and incorporate improvisation to their productions. This 17.5-unit certificate will train students how to develop computer performance rigs for a variety of environments such as solo performances, backing tracks for an ensemble, outdoor venues, and performance halls. Students will engage in creating professional audio solutions for these environments while integrating their experience with audio hardware and software systems.

**CULINARY ARTS**

Technical Standards/Essential Functions are available for your review on the program's website. They have been designed to give you more information about the profession and important skills/functions. This information will be helpful to assist you in deciding on your career path.

Program Progression/Completion Successful completion of all levels of course work is necessary for completion of and graduation from the program of study. In order to complete the program, the student must maintain a grade of "C" or higher for the courses listed above, (2) the general education requirements, and (3) a grade of "C" or higher in all courses required by major.

CAREER OPPORTUNITIES: Upon completion of the courses, students are eligible to receive either the Certificate and/or Associate in Art degree.

**CULINARY ARTS MANAGEMENT**

**ASSOCIATE OF SCIENCE**

The Culinary Arts Management program offers an in-depth, hands-on learning curriculum where students gain both knowledge and experience through the program's professional kitchen. It prepares students for employment in the foodservice industry and for transfer to university hospitality programs. By completing the degree students acquire knowledge on the fundamentals of foodservice, preparation of food production, management theory and supervision techniques and overall operations.

CAREER OPPORTUNITIES: Upon completion of the courses, employment is available in foodservice companies. Typical job opportunities can include but are not limited to: restaurant prep and line cooks, Hotel prep cooks, Line cooks and bakers, Corporate contracted foodservice, Amusement parks as cooks, prep cooks, bakers, Gaming and Casino foodservices, Personal and Private cooks, chefs and caterers.

CULINARY ARTS

PROFESSIONAL COOKING

CERTIFICATE OF ACHIEVEMENT

The Professional Cooking Certificate is the beginning certificate with our tiered program. This will give our students the knowledge, fundamentals, and skills to enter the world of professional cooking. Once the professional cooking certificate is completed, we offer various areas to continue your education: Culinary Arts Management, Baking & Pastry and Hospitality management.

ADDITIONAL EXPENSES: Students will be required to purchase a set of knives and two sets of uniforms from our approved vendors.

Program Student Learning Outcomes:

1. Demonstrate the proper application of cooking methods for a variety of foods.
2. Apply techniques to ensure the safe handling and storage of food and kitchen equipment.
3. Operate both independently and as a team member in a professional kitchen environment.
4. Research, design and prepare dishes and menus for a diversity of cultural preferences and needs.

ASSOCIATE OF ARTS DEGREE REQUIREMENTS
Completion of a minimum of 60 semester units to include (1) the courses listed above, (2) the general education requirements, and (3) a grade of "C" or better in all courses required by major.

ADDITIONAL EXPENSES: Students will be required to purchase a baking kit and two sets of uniforms from our approved vendor.

COMMERCIAL DANCE

CERTIFICATE OF ACHIEVEMENT

The goal of the Commercial Dance Certificate of Achievement is to prepare the student for the professional commercial dance field. Building on the skills, etiquette, and ethics built in the Dance Foundations Certificate of Achievement, the Commercial Dance Certificate of Achievement aims to ready dancers for the physical, creative, technical, and technological demands involved in auditioning, rehearsing, and performing in the professional world of commercial dance on stage or screen. Employment opportunities exist in a variety of areas: dance companies; dancer for commercial stage, television, and film; choreographer/performer in music videos; and production choreographer.

PREREQUISITES: Completion of the Dance Foundations Certificate of Achievement with a minimum GPA of 2.0.

Program Student Learning Outcomes

DANCE TEACHING

CERTIFICATE OF ACHIEVEMENT

The goal of the Dance Teaching Foundations Certificate is to familiarize students with basic methodologies to teach multiple dance genres in classroom and studio settings. Courses deepen studies into the historical, pedagogical, anatomical, and stylistic roots of techniques students are seeking to teach; while preparing them to apply for dance and dance-related jobs in studio, classroom, and alternative settings. Students must complete the required courses with a minimum 2.0 GPA.

PREREQUISITE: Completion of the Dance Foundations Certificate of Achievement with a minimum GPA of 2.0.

Program Student Learning Outcomes

DENTAL ASSISTING

Curriculum leads to a Certificate of Achievement and eligibility to write both the California State Board Examination as a Registered Dental Assistant and the National Certifying Board Examination as a Certified Dental Assistant. Technical Standards/Essential Functions are available for your review on the program’s website. They have been designed to give you more information about the profession and important skills/functions. This information will be helpful to assist you in deciding on your career path.

PROGRAM MISSION
The Dental Assisting Program integrates well into the educational philosophy, mission and vision of Cerritos College. The program promotes both students’ clinical and academic excellence to prepare them to become competent dental professionals. The program collaborates with faculty, administration, and the advisory committee to produce successful and proficient dental assistants to meet the needs of the dentist, patient, and the community it serves.

PROGRAM GOALS
1. To provide a high caliber curriculum that adheres to the current dental healthcare standards and business office management procedures in the dental field.
2. To develop a sense of responsibility in graduates to practice within the laws and regulations of California and the ethical principles of the American Dental Practice Act and Dental Assisting Code of Ethics.
3. To create a faculty focus on student success through effective teaching practice in both didactic and clinical activities and to provide learning opportunities incorporating modern equipment based on professional trends, oral and written research project, self and peer clinical evaluation and various community projects.
4. To prepare the student for employment as a safe, competent, and regulation-compliant dental healthcare professional.
5. To graduate individuals with the academic knowledge and skills to qualify for and successfully pass both the National Board and State Board examinations.
6. To lay the foundation and allow graduates to continue to plan, attain, and evaluate their educational and career goals regardless of age, gender, cultural, socioeconomic status, or ethnicity.
7. To develop effective written, verbal, and non-verbal communication skills for the benefit of patients, colleagues, and other members of the health care team.
8. To provide broad-based education that lays the groundwork for advancement into a variety of dental assisting careers.
9. To provide students the opportunities to develop competencies in the use of safety techniques, exposing, developing, and mounting radiographs.
10. To build in graduates a commitment to lifelong learning, a dedication to fulfillment of personal and professional potential, an a sense of dignity, value and personal worth.
11. To provide students with the following certificates upon satisfactory completion of relative course work:
   a. California State Radiation License
   b. Coronal Polish Certificate
   c. Pit and Fissure Sealant Certificate
   d. Infection Control Certificate
   e. Dental Practice Act Certificate

APPLICATION & ADMISSION PROCEDURES
1. Applicants must submit to the Health Occupations Division the following items no later than May 15, unless noted otherwise:
2. Selection Criteria
   a. The program director and faculty, in cooperation with appropriate institutional personnel establish admissions procedures which are non-discriminatory, contribute to the quality of the program and allow selection of students with potential for successfully completing the program. The following point system criteria will be utilized as our program selection process:
      i. High School Grade Point Average
      ii. College Grade Point Average
      iii. Completion of Higher Education College Degree’s
      iv. Completion of ENGL 52 or ENGL 72 or equivalent with a grade of “C” or higher, or a score on the English Assessment/Placement test sufficient for placement in ENGL 100
      v. Completed Dental Assisting application (with all required documents) by May 15
   b. Related work/volunteer experience (office or education) documented from the applications forms. Candidates will be notified of their application status by mail after May 30.
   c. Admitted students and alternates will be required to attend a mandatory orientation meeting in July. During the orientation, information will be given regarding textbooks, uniforms, registration procedures, required Cardiopulmonary Resuscitation (CPR), Immunizations and a physical exam. Students must provide their own “patients” to meet the following required competencies: Radiology Full Mouth (6-7), Pit and Fissure Sealants (4), and Coronal Polish (3). Details will be discussed during orientation and may incur additional costs.

HEALTH
1. Physical exam and immunization records must be completed after acceptance into the program and returned prior to the first day of class. All costs are the responsibility of the student.
2. A valid Cardiopulmonary Resuscitation (CPR) certification must be obtained after acceptance into the program and returned prior to the first day of class. It must be obtained through the American Heart Association or American Red Cross. The CPR card must be valid throughout the program. The cost to obtain the CPR card is the responsibility of the student.
3. Applicant must present evidence of physical fitness and ability to perform tasks required of a dental assistant. Employment in this field requires good vision, hearing, and the ability to communicate verbally, nonverbally, and through written word. Students must have the ability to comprehend, analyze, and evaluate patients’ charts in order to provide appropriate treatment. Students must be able to record in the patients’ charts and have manual dexterity to use small instruments to provide patient care. For further details see the Essential Functions section of the department’s website at www.cerritos.edu/dental-assisting
4. The essential requirements of a dental assistant are used in consideration of admission, retention and graduation from the Cerritos College program. Graduates are expected to be fully qualified to enter the profession as an Assistant. It is the responsibility of the student with disabilities to contact DSPS and provide verification of the disability and resulting limitations. Students are responsible to make advance request for those accommodations that he or she feel are reasonable and needed to execute the essential requirements described above.
5. Pregnancy Advisory: all clinical affiliates require immunizations. All students must be immunized to participate in clinical education. Pregnancy may affect immunization and or other program requirements. If you are pregnant or planning on pregnancy (while enrolled) please consult with the Program Director. A statement from the student’s healthcare provider noting the student may proceed through the program with “no limitations” will be required of all pregnant students.
6. Latex Advisory: the use of latex/latex based products may exist in the healthcare universal precautions and in environments such as but not limited to the classroom, labs, and clinical sites. Individuals with latex allergies should seek expert advice from their healthcare provider noting the student may proceed through the program with “no limitations” will be required of all pregnant students.
7. Immunization Advisory: immunization is required in order to participate in clinical education. Individuals with allergies to required immunizations should seek expert advice from their healthcare provider so that they may receive information to make an informed decision regarding their exposure to latex in the health care field.
8. Infection Control Guidelines: Applicants are advised of the following Infection Control Guidelines as outlined by the Center for Disease Control (CDC): The prevention of cross contamination and transmission of infection to all persons, including: patients, Dental Health Care
2. SUBJECT TO INFECTION CONTROL PROTOCOLS

Infection Control in Dental Health Care Setting – 2003, 12/19/03 52(RR17); 1-61. http://www.cdc.gov/mmwr/preview/mmwrhtml/rr5217a1.htm

EXPENSES

1. See Cerritos College Catalog for complete list of Cerritos College enrollment fees and out-of-state resident fees.
2. Students may expect to pay approximately $2,500 for dental assisting project fees, uniforms, and books.
3. Students are responsible for their own living accommodations, including uniform laundry, transportation to extended campuses, and parking fees at extended campuses and volunteer sites.
4. Physical exam, immunizations, and CPR card (BLS Provider or HealthCare Provider) expenses are the student's responsibility.
5. Upon successful completion of program requirements, the student is eligible to take the State Board Registered Dental Assisting exam and the National Certified Dental Assisting exam (approximately $700 - costs incurred by student).
6. Upon successful completion of all program requirements, the student will be eligible to receive and wear the Dental Assisting pin which is given at a graduation ceremony. The cost of the pin is incurred by the student.

ATTENDANCE, SCHOLARSHIP, PROMOTION

1. Attendance: Due to the nature of the Dental Assisting program all students are expected to observe the attendance requirements set by the Dental Assisting department at Cerritos College (see student handbook).
2. Scholarship and Promotion: Successful completion of all levels of course work is necessary for completion of and graduation from the program. Students are required to maintain a “C” or higher in each course in order to progress and complete the program. This is whether enrolled in combined lecture/ lab courses or clinical experiences. When content is tiered, each level must be completed according to identified criteria. Upon successful completion of all program requirements, students are eligible to receive either the Certificate and/or Associate of Arts degree.

GUIDELINES FOR WITHDRAWAL, DISMISSAL, AND REINSTATEMENT

1. Withdrawal
   a. Withdrawal (“W”) may be initiated by either the student or the instructor. Dates for withdrawal without a grade are indicated in the Cerritos College Schedule of Classes.
   b. When a student is failing clinically, he/she will be encouraged to withdraw from the course. If the clinical failure is related to unsafe clinical practice, and the student does not withdraw when advised to do so, the instructor shall drop the student from the course. A student who has withdrawn or been dropped from a course may not attend after the withdrawal date.

2. Dismissal (Failure) - Criteria for dismissal from course or program may include:
   a. Final grade below “C” in required dental assisting course.
   b. Failure to meet attendance requirements.
   c. Behavior not consistent with Dental Assisting Code of Ethics and the department’s “Code of Ethics and Responsibilities”.
   d. Failure to comply with established Cerritos College or Dental Assisting department regulations and policies.
   e. Failure to meet stated objectives in the coursework.
   f. Placing self or others in physical and/or emotional jeopardy.
   g. In critical cases, such as unsafe clinical performance, dismissal may occur without prior warning or probation. This action requires the concurrence of the Dental Assisting Program Director, Instructional Dean of Health Occupations and/or Vice President of Academic Affairs.

3. Reinstatement
   a. Students applying for readmission to the Dental Assisting Program after withdrawal or dismissal must write a letter requesting readmission, addressed to the Director of the Dental Assisting Program.
   b. Following information must be included in the letter:
      i. Circumstances surrounding the withdrawal or dismissal
      ii. Activities pursued in the interim that demonstrate improvement in the problem areas
      iii. School term for which readmission is requested
   c. Students seeking readmission after one withdrawal/dismissal from the Cerritos College
Dental Assisting Program/course will be reinstated contingent upon lab space availability in the priority order of date and time the readmission request is received in the Dental Assisting Department.

d. Readmission request letters will be accepted only after letters from the program director have been mailed acknowledging student withdrawal or dismissal. These letters are mailed after the end of the school term in which the withdrawal occurred and are mailed at the same time to all students who did not successfully complete the term. All students requesting readmission will have equal opportunity to apply for space available.

e. No student shall be reinstated after two withdrawals/dismissals from the Cerritos College Dental Assisting Program/course. A student who has acquired two withdrawals/dismissals shall have exceeded the repeat policy of the program and shall have no further chance of reentry.

f. A student who withdraws from the program for personal reasons (e.g. pregnancy, illness, family crisis, financial difficulties, etc.) will be given additional consideration through faculty review, upon the student’s request describing such reasons.

GRADUATION

1. Graduation Requirements:
   a. Completion of all Dental Assisting course work with a grade of “C” or higher.
   b. Completion of ENGL 52, or ENGL 72 or equivalent with a grade of a “C” or higher or satisfactory completion of the English Placement Process with eligibility for ENGL 100.
   c. Students who successfully complete the Dental Assisting Program will receive the following:
      i. Infection Control and Dental Practice Act Certificate of Completion
      ii. Oral Radiology Course Certificate of Completion
      iii. Coronal Polish Certificate (part of the RDA program certificate)
      iv. Pit and Fissure Sealant Certificate (part of the RDA program certificate)
      v. Dental Assisting Certificate of Achievement
      vi. Eligibility to apply for the State RDA exam and National Certification (CDA) Exam
   d. Completion of the program does not guarantee licensure or employment. The RDA license includes a written, law & ethics exam as well as a background check and fingerprinting. The RDA written, and the law & ethics combined exam is via computer at various computer testing sites. Coronal Polish, Pit and Fissure Sealants are duties that may only be performed with the RDA license. Students and graduates are responsible for understanding the ethical and legal ramifications of performing duties they are not legally allowed to perform even after completing the required educational courses for all RDA duties. After graduation from the program you must have a current RDA license to perform any RDA duties.

All students completing the program will have met the requirements for the 8 hours infection control and 2 hours Dental Practice Act and may perform Dental Assisting duties as assigned by the Dental Board of California.

LICENSURE

The State of California Board of Dental Auxiliaries requires all applicants for the RDA Exam to:
1. Supply their U.S. Social Security Number
2. Complete a Livescan Fingerprint record
   a. If the applicant has been convicted or plead guilty to any crime in the USA, its territories, military court or foreign country which includes a plea of no contest or any conviction that has been set aside or deferred pursuant to sections 1000 or 1203.4 of the Penal Code, including infractions, misdemeanors, and felonies must provide detail information regarding the conviction to complete the processing of the application and the State will determine if the individual does qualify to take the RDA exam.

DISCLAIMER The program has made every reasonable effort to determine that everything stated in the catalog is accurate. Matters contained herein, are subject to change without notice by the administration of the department for reasons related to student enrollment, level of financial support or for any reason, at the discretion of the Program. The Program further reserves the right to add, amend or repeal any of the rules, regulations, policies and procedures, consistent with applicable law.

SUMMER SESSION
DENTAL HYGIENE

A registered dental hygienist is a preventive oral health professional licensed in dental hygiene who provides educational, clinical and therapeutic services supporting total health through the promotion of optimal oral health.

The Dental Hygiene Program is a two-year degree program and includes one summer session. Upon completion of the program, graduating students will receive an Associate of Arts Degree in Dental Hygiene and will qualify to take the National Dental Hygiene Board Examination and a Clinical Board Examination. Successful passage of the examinations qualifies the graduate to apply for dental hygiene licensure in the State of California.

A career in dental hygiene offers multiple opportunities in a variety of settings. A registered dental hygienist may work in such practice settings as: private dental offices and dental clinics; federal, state and local health departments or associated institutions; hospitals and nursing homes; school districts or departments of education; educational programs for dental, dental hygiene and dental assisting students; private business/industry; correctional facilities; private and public centers for pediatric, geriatric and other individuals/groups with special needs; or health maintenance organizations. Technical Standards/ Essential Functions are available for you review on the program’s website. They have been designed to give you more information about the profession and important skills/functions. This information will be helpful to assist you in deciding on your career path.

Applicants desiring employment in this field are required to have good vision and the ability to communicate orally. In addition, they must have the capacity to comprehend, analyze, evaluate and record in patients’ charts, and have the dexterity to use small dental instruments to provide dental hygiene care.

GOALS AND PROGRAM COMPETENCIES

The philosophy of the Associate Degree Dental Hygiene Program was developed to reflect the philosophy of Cerritos College. The Dental Hygiene Department believes the program should provide opportunities for the student to reach her/his greatest potential in the profession of dental hygiene so she/he may achieve a sense of dignity, value, and personal worth in the community and in the world of work regardless of age, gender, or ethnicity.

THE GOALS OF THE DENTAL HYGIENE PROGRAM ARE AS FOLLOWS:

I. To graduate an individual who is competent in providing preventive, educational, and therapeutic dental health services.
   A. Graduates must be competent in providing dental hygiene care for the child, adolescent, adult, geriatric, and medically compromised patient.
   B. Graduates must be competent in providing the dental hygiene process of care which includes assessment, planning, implementation, evaluation, and documentation.
   C. Graduates must be competent in providing dental hygiene care for all types of periodontal disease including patients who exhibit moderate to severe periodontal disease.
   D. Graduates must be competent in providing appropriate life support measure for medical emergencies that may be encountered in dental hygiene practice.

II. To instill within the student a philosophical appreciation of ethical and moral values suited to the laws of the community as outlined by the American Dental Hygienist’s Association and the American Dental Association.
   A. Graduates must be competent in applying ethical, legal, and regulatory concepts to the provision and/or support of oral health care services.

III. To encourage the student to develop professional behavior that is founded in evidence-based decision making, self-directed learning, and self-assessment to enhance professional competence.
   A. A. Graduates must be competent in the application of self assessment skills to prepare them for life-long learning.
   B. B. Graduates must be competent in the evaluation of current scientific literature.
   C. C. Graduates must be competent in problem solving strategies related to comprehensive patient care and management of patients.

IV. To graduate an individual who is competent in providing health education programs to the community supporting total health through the promotion of optimal oral health.
   A. A. Graduates must be competent in interpersonal and communication skills to effectively interact with diverse population groups.
   B. B. Graduates must be competent in assessing, planning, implementing, and evaluating community-based oral health programs including health promotion and disease prevention activities.

V. To promote patient satisfaction of the dental hygiene care provided by the student clinician.

DENTAL HYGIENE PROGRAM REQUIREMENTS

I. PREREQUISITES
II. REQUIRED TESTS AND INFORMATION

A. Cerritos College Assessment Tests Battery
   Receive satisfactory scores on the Cerritos College Assessment/Placement Tests or achieve clearance by taking the appropriate college courses. A 12th grade reading level is required for admission into the program. Students must have clearance for ENGL 100, MATH 80, and READ 54 or equivalent.

B. Preliminary Transcript Evaluation
   It is the student's responsibility to make an appointment with the Counseling Department at Cerritos College to verify equivalent prerequisites and other courses required in the program. The Preliminary Transcript Evaluation must be filled out and signed by a Cerritos College counselor and then submitted to the Health Occupations Division Office along with your Dental Hygiene application. To complete this procedure, the student must have official copies of all transcripts from previously attended colleges and documentation of courses in progress.

C. Application forms
   If not presently enrolled in courses at Cerritos College, apply for admission to the college at the Admissions and Records Office in the Administration building or apply online at www.cerritos.edu. You will be assigned a student number which you will need to make an appointment with a Dental Hygiene counselor or to attend an application workshop.

D. Work Experience
   For every related work experience listed, a Verification of Dental Employment form must be completed and mailed to the Health Occupations Division Office. Additional forms are available upon request in the Health Occupations Division Office or online at www.cerritos.edu (dental hygiene). Letters of recommendation are not considered.

III. SELECTION PROCEDURES

A. Academic evaluation
   1. All required documents, including Dental Hygiene application, preliminary transcript evaluation, verification of dental employment forms, copy of RDA or RDAEF License, ALL official college transcripts, and work-in-progress must be in our possession in the Health Occupations Division Office, by April 1 (of the year of application). It is the applicants' responsibility to verify all information has been received by the deadline.
   2. Points will be earned for the following criteria:
      a. Grade Point Average in prerequisites
      b. Number of units completed up to 60 semester units
      c. Overall Grade Point Average for all college courses
      d. Additional science courses with a grade of "B" or higher
      e. Related dental work experience
   3. Selection will be based upon academic evaluation and data obtained from the application forms. Candidates will be notified of their application status by mail during the month of May. 4. There is no yearly waiting list. Candidates not selected must reapply each year and resubmit all application materials.

B. Health Forms
   Physical examinations, immunization, TB testing and background checks are required prior to patient care and taking the licensure examinations. Health and immunization forms will be issued to those applicants who are accepted in the program. Dental health professionals may be exposed to contagious diseases therefore strict compliance with CDC and OSHA standards are maintained. Policies on bloodborne and infectious diseases are available upon request from the Dental Hygiene Department or can be found on the Dental Hygiene website.

IV. EXPENSES
A. See Cerritos College catalog for enrollment and out-of-state resident fees.
B. The student may expect to spend approximately $13,000 to $15,000 for books and instruments, equipment, uniforms, immunizations, and miscellaneous fees. Students are strongly encouraged to join the Student American Dental Hygienists' Association (SADHA) ($65.00 annually). Fees are subject to change.
C. Students are responsible for their own living arrangements, uniform, laundry, and transportation to clinical agencies.

V. SCHOLARSHIP, ATTENDANCE, PROMOTION, GRADUATION

Scholarship and Promotion: Successful completion of all levels of course work is necessary for completion of and graduation from the program of study. In order to complete the program, he student must maintain a grade of “C” or higher whether enrolled in combined lecture/ lab courses, practicums, or clinical experiences. When content is tiered, each level must be completed according to identified criteria. Upon successful completion of all program requirements, students are eligible to receive an Associate of Arts degree.

A. Attendance All students are required to observe the attendance requirements of the college. Due to the nature of the Dental Hygiene program it is expected that student will attend all classes.
B. Scholarship and Promotion Students are required to maintain a grade of “C” or higher in each dental hygiene and dental education course in order to progress in the program. Courses are designed to prepare the student to successfully complete program competencies. The program requires the student to take as many as seven courses during any one semester. Consequently, commitment to a rigorous study schedule is imperative. Grade requirements of the college are to be met for all other courses.
C. Graduation Petition for graduation will be permitted if the student meets both the College and the Dental Hygiene program requirements for graduation. Upon completion of the program the graduate will be qualified to take the Dental Hygiene National Board and a Regional Board Examination.

VI. CRIMINAL BACKGROUND CHECKS

A. Clinical placements are a mandatory component of the curriculum and may require clearance of a criminal background check. Students who do not clear agency requirements are not eligible for clinical placement and will, consequently, be ineligible to continue in the program. If there is any concern regarding clearance of a criminal background check, please contact the Health Occupations Division for additional information.
B. Applicants for examination of licensure in the State of California must be fingerprinted and report information related to illegal use of controlled substances, infectious or contagious diseases and any convictions or pleas of no contender even if charges are dismissed. In addition, the application requires specific information related to convictions, misdemeanor or felony, associated with state or federal action. If there is any concern that may prevent licensure after graduation, direct inquiries to the Dental Hygiene Board of California, 2005 Evergreen Street, Suite 1050, Sacramento, CA 95815 prior to applying to the program.

ASSOCIATE OF ARTS DEGREE REQUIREMENTS

Please note, the Dental Hygiene Program requires the student to take as many as seven courses during any one semester. Consequently, commitment to a rigorous study schedule is imperative.

EDT 117
EDT 112
EDT 110

Core courses above not already used:

You must complete at least 7 units from the list below or any core courses above not already used:

EDT 110  Introduction to Educational Technology  2
EDT 112  Creating Virtual Curriculum  3
EDT 117  Creating Digital Project-Based Curriculum  3
EDT 118  Educational Technology  3
EDT 122  Fundraising/Grant Writing for Educators  2
EDT 123  Internet Tools for Educators  2
EDT 124  Mobile Technology in Education  3
EDT 127  Fundamentals of Multimedia for Education  2
EDT 132  Using Audio in the Classroom  2
EDT 136  Databases for Educators  3
EDT 137  Creating Educational Media  2
EDT 139  E-Portfolios for Education  2
EDT 140  Exploring Assistive Technology in Education  3
EDT 141  Web Design for Educators  2
EDT 150  Podcasting in Education  2
EDT 151  Online Communication for Educators  2
EDT 170  Using A CMS/LMS for Education  2

Total Certificate Requirements  18

To be awarded a Certificate of Achievement in Educational Technology by the college, a student must complete the 11 units of Core course requirements and 7 additional units to total a minimum of 18 units.

ECONOMICS

ASSOCIATES OF ARTS

Economics is a study of how we make choices as individuals and as institutions. These choices then determine what we produce, consume, the kind of jobs we have and our quality of life. Students pursuing an Associate’s degree in economics develop analytical, critical thinking and problem solving skills that can be used in upper division courses in economics and other allied disciplines in business and social sciences.

ASSOCIATE OF ARTS DEGREE REQUIREMENTS:
Completion of a minimum of 60 semester units to include (1) the courses listed above, (2) the Associate of Arts degree general education requirements, and (3) a grade of "C" or better in all courses required by major.

ECONOMICS

ASSOCIATE IN ARTS FOR TRANSFER DEGREE (AA-T)

Economics is essential for the understanding of our society. It is the study of how we make choices as individuals and as a society. This study of choices concerns decisions such as what we consume in our everyday lives, how we produce a variety of goods or services, and to whom we distribute these products. In pursuing the Associate of Arts in Economics for Transfer (AA-T) degree, students will learn to use theoretical models and empirical evidence to explain the behavior of individuals, firms, and nations insofar as it relates to the...
core elements of an economy—consumption, production, and distribution. Students majoring in economics develop analytical, critical thinking, problem solving, and communication skills. This program is for seamless transfer to CSU.

**ASSOCIATE OF ARTS IN ECONOMICS FOR TRANSFER REQUIREMENT:**

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

**ELEMENTARY TEACHER EDUCATION**

**ASSOCIATE IN ARTS FOR TRANSFER DEGREE (AA-T)**

The Associate of Arts in Elementary Teacher Education for Transfer Degree is designed to prepare students for a seamless transfer into the CSU system to complete a baccalaureate degree in Elementary Teacher Education, or similar major. Upon completion of the AA-T in Elementary Education, students will be able to:

- defend an educational position, view, or theory from more than one perspective using primary and secondary sources to understand the important arguments in the field of Education
- develop and defend their own educational philosophy and point of view
- demonstrate a basic understanding of pedagogical methodology relevant to each of the courses offered in the program
- demonstrate an enhanced ability to articulate ideas about educational issues
- identify/recognize consistencies and inconsistencies of specific educational theories or worldviews
- use educational language relevant to an issue or theory
- compare and contrast the core of an educational problem, issue, or question
- develop the skills to become responsible participants of complex democratic societies

**ASSOCIATE IN ARTS IN ELEMENTARY TEACHER EDUCATION FOR TRANSFER REQUIREMENTS:**

1. Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including
both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

ENGINNEERING

ASSOCIATE OF SCIENCE

An associate of science degree in engineering provides students with an introductory knowledge of physics and math and provides the skills necessary to pursue upper-division coursework at a four-year university as well as the experience needed for undergraduate research and entry-level internships. The degree program is composed of some common courses that are consistent with the transfer requirements to both UC and CSU systems and some elective and specialty courses that allow the student to tailor the degree to match the specific requirements of his or her transfer institution. This enables efficient completion of the A.S. degree while simultaneously completing transfer requirements, thus promoting timely completion of a bachelor's degree in electrical engineering. Electrical engineering does require a great deal of math and science preparation that may lead to a longer time in school and a higher number of units. This should be considered before following this path.

## ELECTRICAL AND ELECTRONIC ENGINEERING TECHNOLOGY

### ELECTRICAL AND ELECTRONIC ENGINEERING DESIGN TECHNICIAN

### CERTIFICATE OF ACHIEVEMENT

Cerritos College "Electrical and Electronics Engineering Technician" program provides a foundation in industrial electrical and electronics technology. Students learn principles of design, production and troubleshooting/maintenance of modern industrial electrical and electronics systems. Students learn about principles of electricity and electronics as applied to industrial systems, microcontroller systems, industrial robotics and mechatronics, industrial motor control, PLC/HMI technology and industrial maintenance systems. Graduate of this program find their job in variety of industrial position in maintenance, manufacturing, design and research and development.

## ELECTRICAL AND ELECTRONIC ENGINEERING TECHNOLOGY

**ENGINEERING TECHNOLOGY**

### ELECTRICAL AND ELECTRONIC ENGINEERING TECHNOLOGY

### CERTIFICATE OF ACHIEVEMENT

Engineering Technology focuses on application and implementation of concepts in the engineering field. Our program prepares students to become technicians in industry. Those technicians typically assist engineers on a daily basis. This field of study also provides a general understanding of technology that is very useful in any technical field. Students interested in continuing their
studies can transfer to Engineering Technology programs at universities.

Program Student Learning Outcomes

Total Certificate Requirements: 14-15

### Program Student Learning Outcomes

The Engineering Technology program prepares students for employment in technical fields. By completing the certificate, students acquire knowledge of the fundamentals of engineering technology and are able to specialize in one of three options. The first option is Electrical and Electronic Engineering Technology, the second option is Mechanical Engineering Technology and the third option is Industrial Engineering Technology. Careers in engineering technology involve assisting engineers in researching, developing, manufacturing, servicing, and maintaining a wide variety of products.

### RECOMMENDED COURSES:

ENGT 100, ENGT 102, ENGT 104, ENGT 105, ENGT 106, ENGT 153, ENGT 237, ENGT 258, ENGT 260, ENGT 261, ENGT 262, ENGT 263

### PROGRAMS

#### Electives

Add one of the below Options (22-23 UNITS)

### PROGRAMS

#### Associate of Arts

The Engineering Technology program prepares students for employment in engineering technology. By completing the Associates of Arts, students acquire knowledge of the fundamentals of engineering technology and choose to specialize in one of three options. The first option is Electrical and Electronic Engineering Technology, the second option is Mechanical Engineering Technology, and the third option is Industrial Engineering Technology. Careers in engineering technology include research and development, manufacturing, servicing, and maintaining a wide variety of products and production processes.

ENGT 100, ENGT 102, ENGT 104, ENGT 105, ENGT 106, ENGT 153, ENGT 237, ENGT 258, ENGT 260, ENGT 261, ENGT 262, ENGT 263

Add one of the below Options (22-23 UNITS)
one of three areas in literature study: survey classes (British, American, World, and Bible as literature), genre classes (novel, short fiction, poetry, drama, film), and classes in culture and diversity (including Asian American, African American, Native American, Chicano/a, Mexican Lit. in Translation, Literature of India, Women’s Lit, LGBT Lit, Children’s Lit, and Modern and Contemporary Lit.). Students may also pursue one of the Creative Writing Certificate as a means of expanding their writing skills and understanding of the stylistic and technical elements of writing and reading literature.

Program Student Learning Outcomes

RECOMMENDED COURSES:

ENGL 100, ENGL 102, ENGL 104, ENGL 105, ENGL 106, ENGL 153, ENGL 237, ENGL 258, ENGL 260, ENGL 261, ENGL 262, ENGL 263

ASSOCIATE OF ARTS DEGREE REQUIREMENTS:
Complete 60 units to include (1) completion of core courses (2) completion of one of the above options for major requirements, (3) completion of the Associate of Arts Degree General Education requirements; and (4) electives as needed.

ENGLISH

ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)
The English department offers a variety of literature and creative writing classes that assist majors in completing seamless transfer to CSU, as well as in discovering an affinity for literary periods, genres, and authors that inspire specialized study in upper-division coursework upon transfer. Literature classes are offered in 2-year cycles, while creative writing classes are offered annually, ensuring that students have the opportunity to complete transfer requirements while aiding in their educational planning. As students complete their major and degree requirements, or as they add GE or humanities electives, they may select from
CHIN 101 Elementary Chinese I 5

ENGL 248A Masterpieces of World Literature 3
ENGL 248B Masterpieces of World Literature 3
ENGL 249 LGBT Literature 3
Total Units for the Major 19-20.5
ASSOCIATE OF ARTS DEGREE REQUIREMENTS
Complete the following: (1) Major requirements, (2) the A.A. Degree General Education requirements, and (3) electives to achieve a minimum of 60 units.

EXERCISE SCIENCE
ATHLETIC INJURY MANAGEMENT
CERTIFICATE OF ACHIEVEMENT
The Athletic Injury Management Certificate is designed to prepare students to work in the athletic field and the allied health care industry. The required core courses provide students with academic preparation and skills needed for employment as an aide to a physical therapist, athletic trainer, a coach, orthopedic sales rep, and various other allied professions dealing with athletic injuries.

Program Student Learning Outcomes

DEPARTMENT REQUIREMENTS
KIN 102 Introduction to Athletic Training 3
KIN 110 Community First Aid and CPR 3
KIN 205 Anatomical Movement Analysis 3
KIN 206A Lower Extremity Injury Assessment and Reconditioning 2
KIN 206B Upper Extremity Injury Assessment and Reconditioning 2
KIN 207 Athletic Injury Taping, Bandaging, and Immobilization 1
Total Certificate Requirements 14

EXERCISE SCIENCE
ATHLETIC TRAINER AIDE
CERTIFICATE OF ACHIEVEMENT
The Athletic Trainer Aide Certificate is designed to prepare students to work in a clinical setting, a high school, a college or a professional athletic training facility as an aide to a Certified Athletic Trainer or other allied health professional.

Program Student Learning Outcomes

DEPARTMENT REQUIREMENTS
KIN 102 Introduction to Athletic Training 3
KIN 104 Fitness and Wellness 3
KIN 110 Community First Aid and CPR 3
KIN 202 Measurement and Interpretation of Fitness 3
KIN 203 Programs and Principles of Conditioning 3
KIN 206A Lower Extremity Injury Assessment and Reconditioning 2
KIN 207 Athletic Injury Taping, Bandaging, and Immobilization 1
KIN 271A Occupational Work Experience 1
MA 161 Medical Terminology 3
Total Certificate Requirements 27

Select a minimum of two PEX Activity Courses equaling at least 3 units
PEX 102 Adapted Cardiovascular Exercise 1
PEX 103 Adapted Strength Training 1
PEX 110 Aerobic Activities 1.5
PEX 112 STEP Aerobics 1.5
PEX 119 Basic Training and Physical Conditioning 1
PEX 124 Personal Fitness Program 1
PEX 134 Body Sculpting 1
PEX 136 Stretching and Relaxing 1
PEX 138 Walking for Fitness 1
PEX 141 Jogging for Fitness, Beginning 1
PEX 145 Circuit Weight Training, Beginning 1
PEX 151 Yoga 1
PEX 156 Pilates Conditioning 1
PEX 240 Jogging for Fitness, Intermediate 2
PEX 245 Circuit Weight Training, Intermediate/Advanced 2
Total Major Requirements 30

(For additional options please see the list of PEX Activity Courses meeting the Health and Wellness Proficiency for the Associate of Arts Degree)
ASSOCIATE OF ARTS DEGREE REQUIREMENTS
1. Complete the major requirements for the Exercise Science:
2. Fitness Specialist AA Degree
3. Complete the general education and electives to achieve a minimum of 60 units.

EXERCISE SCIENCE

FITNESS TRAINER

CERTIFICATE OF ACHIEVEMENT
The Exercise Science: Fitness Trainer Certificate of Achievement is designed to prepare students to work in the fitness industry. The required core courses provide students with the academic preparation and skills required for employment as a Fitness Specialist and to prepare for several national certification exams. Students completing the certificate are well prepared to work in their field of choice while continuing their education.

ASSOCIATE IN ARTS IN FILM, TELEVISION, AND ELECTRONIC MEDIA FOR TRANSFER REQUIREMENTS

(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

FINE ART PHOTOGRAPHY

CERTIFICATE OF ACHIEVEMENT

This certificate helps the student focus on a variety of photographic techniques and genres within contemporary fine art practice. Emphasis will be placed on achieving the ability to produce archival prints on the highest quality using both digital and traditional wet darkroom techniques. Technique is presented as a support for producing meaningful images grounded in a historical awareness of the medium. Understanding the ubiquity of photography in today's image culture is also stressed. Completion of this certificate will prepare the student for successful transfer to universities offering a baccalaureate Major Requirements, as well as entry-level expertise in gallery exhibition conventions.

Program Student Learning Outcomes

REQUIRED COURSES

Select a minimum of 16 units from the following:

PHOT 100 Introductory Photography 3
PHOT 102 Intermediate Photography 3
PHOT 122 Color Photography 3
PHOT 160 History of Photography 3
PHOT 150 Photography and Society 3
PHOT 230 Portrait Photography 3
PHOT 232 Approaches to Studio Lighting 3
PHOT 234 Portfolio Development 3
PHOT 235 The Photographic Book 3
PHOT 240 Experimental Photography 3
PHOT 250 Contemporary Photographic Expression 3
PHOT 252 Photography of the Landscape 3
PHOT 298 Directed Studies 1
PHOT 299 Directed Studies 2

Total Certificate Requirement 16-17

FRENCH

ASSOCIATE OF ARTS

The Cerritos College Associate Degree in French for transfer has been identified within its global linguistic Francophonie. French is spoken natively by more than 100 million people in the world (the Francophones). More important, French is the official administrative or/and business language in over 35 countries in Europe, Africa, the Americas, in the Caribbean and the Pacific Ocean. The Associate Degree in French enables students to become proficient in the second international language, understand the linguistics of a Romance Language, as well as the cultural/ethnic/religious differences. The students can have access to a broader hiring market within any field. This extremely high popularity of French outside France makes the students better connected to our global society.

GENERAL AUTOMOTIVE COLLISION REPAIR

ASSOCIATE OF ARTS DEGREE REQUIREMENTS
Complete the following: (1) Major requirements, (2) the A.A. Degree General Education requirements, and (3) electives to achieve a minimum of 60 units.

GENERAL EDUCATION

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

CERTIFICATE OF ACHIEVEMENT

Students may earn a certificate of achievement in General Education after completing the following transfer General Education requirements below. Intersegmental General Education Transfer Curriculum (IGETC) Certificate of Achievement Students must complete a minimum of 34 units used to satisfy the Intersegmental General Education Transfer Curriculum (IGETC) requirements (Plan C). Students must complete all the requirements for full certification of the breadth requirements, which includes a grade of “C” or better in Oral Communications, Written Communications, Critical Thinking, and Mathematical Concepts. Consult with a Cerritos College counselor or see the appropriate requirements in the Associate of Arts General Education section of the catalog.

GENERAL AUTOMOTIVE COLLISION REPAIR

CERTIFICATE OF ACHIEVEMENT

The General Automotive Collision Repair Certificate prepares the student for employment as an entry level technician in the automotive collision repair field. Students will learn the estimating process, parts identification, vehicle design, vehicle disassembly and assembly, panel repair, refinishing and welding processes used in the collision field. Graduates are employed as entry-level technicians, paint helpers, estimators, parts technicians, apprentice technicians or are self-employed. Spatial intelligence, cognitive ability and hand-eye coordination are recommended for those entering the program.

### GEOGRAPHY

**ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)**

The Associate in Arts Degree in Geography for Transfer prepares students for a successful transition to universities with coursework focused on the relationship between humans and the environment. Geography at Cerritos College is a student focused program that includes lecture, laboratory and field based research courses that develop critical thinking and communication skills. This holistic discipline examines the interconnections between cultural and physical processes with concentration on spatial patterns found on Earth. Geographers are interested in the
diversity of people and places still found on our increasingly globalized Earth and creating a more environmentally sustainable and socially just planet for future generations.

Program Student Learning Outcomes

REQUARED CORE (7 UNITS) UNITS
GEOG 101 Physical Geography 3
GEOG 101L Physical Geography Laboratory 1
GEOG 102 Natural and Cultural Geography 3

LIST A: Select 6-8 units
GEOG 105 World Regional Geography 3
GEOG 140 California Geography 3
ESCI 106 Weather and Climate 3
GEOG 160 Field Studies in Geography 2

LIST B: Select 6-8 units
Any course from LIST A not already used.
GEOG 103 Environmental Geography 3
MATH 112 Elementary Statistics 4
MATH 170 Analytic Geometry and Calculus I 4
BIOL 120 Introduction to Biological Science 4
ANTH 100 Cultural Anthropology 3
GEOL 102 Physical Geology Lecture 3
Total Units for the Major 19-23

ASSOCIATE IN SCIENCES IN GEOLOGY FOR TRANSFER COMPLETION REQUIREMENTS
(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

GEOLOGY

ASSOCIATE IN SCIENCE DEGREE FOR TRANSFER (AS-T)
The Associate in Science Degree in Geology for Transfer prepares students for a successful transition to universities by developing critical thinking and communication skills through lecture, laboratory, and field based exercises. This student-centered program explores the history, structure, materials, and processes of the physical Earth, while supporting diversity, equity, and inclusion among its participants. This program will also provide students with a greater appreciation of the world around them and a clear understanding of the research, internship and career opportunities in geology-related fields.

Program Student Learning Outcomes

REQUARED CORE: (26 UNITS) UNITS
GEOG 101 Physical Geography 4
or GEOG 102 Physical Geography Lecture (3)
and GEOG 102L Physical Geology Laboratory (1)
GEOG 201 Earth History 4
CHEM 111 General Chemistry 5
CHEM 112 General Chemistry 5
MATH 170 Analytic Geometry and Calculus I 4
MATH 190 Analytic Geometry and Calculus II 4
Total Units for the Major 26

ASSOCIATE OF ARTS

The German Program at Cerritos College offers a complete language program (including Scientific German, and German for International Commerce) to fulfill an Associate in Arts Degree. German is an important language for Global Economy. It is called the Powerhouse of Europe, and people who speak German have a very useful skill for the World Economy.

Program Student Learning Outcomes

MAJOR REQUIREMENTS UNITS
GERM 101 Elementary German 5
GERM 102 Elementary German 5
GERM 201 Intermediate German 4
GERM 202 Intermediate German 4
Total Major Requirements 18

ASSOCIATE OF ARTS DEGREE REQUIREMENTS
Complete the following: (1) Major requirements, (2) the A.A. Degree General Education requirements and (3) electives to achieve a minimum of 60 units

HEALTH EDUCATION

ASSOCIATE OF ARTS
The Health Education Associate of Arts degree will prepare students to enter a people-oriented, diverse field in promoting lifestyle wellness and improvement in health for all individuals of society. Community health workers assist individuals in changing behaviors and making responsible decisions to achieve a healthier lifestyle. Opportunities for community health education professionals include outreach programs, social support, assessing community needs, and collecting data.

Program Student Learning Outcomes

REQUIRED CORE COURSES (17 UNITS) UNITS
HED 100 Contemporary Health Problems 3
HED 110 Community First Aid and CPR 3

CERRITOS COLLEGE 2023−24
HIST 242

LIST A: Select two (6 units)
HIST 102
MATH 112
or MATH 112S
or PSYC 210

Select One Department Course (3 units)
HED 101
HED 103
or WGS 103
HED 105
HED 104
HED 201
HED 200

ASSOCIATE OF ART DEGREE REQUIREMENTS
To qualify for an Associates in Arts degree in Health Education, students must take the courses that are designated as having (health education emphasis - major requirements). Complete the General Education requirements and electives to achieve a minimum of 60 units.

HISTORY

ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)
Earning an Associate of Arts in History for Transfer degree provides students with a broad understanding of how the past has shaped the present-day United States and the world. Majors explore humanity’s social development, including racial and ethnic diversity, gender roles, and migration; examine cultural accomplishments, including language, religion, civilization, and arts; and analyze political shifts, including the rise and fall of nations, spread of political ideals, social movements, revolutions, leaders, and wars. The study of history strengthens students’ abilities to communicate clearly in writing and speech, and to evaluate claims and evidence to draw justified conclusions. Completing a History AA-T degree also prepares students for seamless transfer to History programs at California State University.

Program Student Learning Outcomes

REQUIRED CORE (6 UNITS) UNITS
HIST 102 Political and Social History of the United States: 1500s-1876 3
HIST 103 Political and Social History of the United States: 1877-Present 3

LIST A: Select two (6 units)
HIST 241 Western Civilization 3
or HIST 245 World Civilization from Antiquity to 1500 3
HIST 242 Western Civilization 3
or HIST 246 World Civilization from 1500 to Present 3

Or A non-western history course (any history course not pertaining to the US or Europe) articulated as fulfilling CSU GE Area C or D or IGETC Area 3 or 4:
HIST 230 History of Mexico 3
HIST 235 History of Latin America 3
HIST 260 Survey of the History of Asia 3
HIST 265 Selected Problems in Contemporary Asian History 3

ASSOCIATE IN ARTS DEGREE REQUIREMENTS
To qualify for an Associates in Arts degree in Health Education, students must take the courses that are designated as having (health education emphasis - major requirements). Complete the General Education requirements and electives to achieve a minimum of 60 units.

HISTORY

ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)

Program Student Learning Outcomes

REQUIRED CORE (6 UNITS) UNITS
HIST 102 Political and Social History of the United States: 1500s-1876 3
HIST 103 Political and Social History of the United States: 1877-Present 3

LIST A: Select two (6 units)
HIST 241 Western Civilization 3
or HIST 245 World Civilization from Antiquity to 1500 3
HIST 242 Western Civilization 3
or HIST 246 World Civilization from 1500 to Present 3

LIST B – Select one course from each area: (6 units)
AREA 1 DIVERSITY (3 units):
Any List A course not already used:
HIST 245 World Civilization from Antiquity to 1500 3
or HIST 246 World Civilization from 1500 to Present 3

Or A non-western history course (any history course not pertaining to the US or Europe) articulated as fulfilling CSU GE Area C or D or IGETC Area 3 or 4:
HIST 230 History of Mexico 3
HIST 235 History of Latin America 3
HIST 260 Survey of the History of Asia 3
HIST 265 Selected Problems in Contemporary Asian History 3

HIST 110 African-American History 3
HIST 204 Women in American History 3
or WGS 204 Women in American History 3

Or A language other than English which is articulated as fulfilling CSU GE Area C2 or IGETC Area 3B:
CHIN 101 Elementary Chinese 5
CHIN 102 Elementary Chinese 5
CHIN 201 Intermediate Chinese I 5
CHIN 202 Intermediate Chinese II 5

INDUSTRIAL ARTS EDUCATION
ASSOCIATE OF ARTS
An Associate of Arts Degree in Industrial Arts Education provides students with an introductory knowledge and variety of technical skills and experiences necessary for undergraduate research and entry-level internships.

Program Student Learning Outcomes
REQUIRED COURSES  UNITS
AUTO 100  Automotive Maintenance and Operation  4
ENGT 116  Blueprint Reading  2
ENGT 131  Design Fundamentals Including 3D Modeling  3
ET 102  Electronics for Engineering Technologists  3
MTT 100  Machine Tool Introduction  2
PMT 100  Plastics Technology  2
WMT 101  Introduction to Woodworking  3
Total Major Requirements  18.5

ASSOCIATE OF ARTS DEGREE REQUIREMENTS
Complete 60 units to include (1) the above required courses, (2) Complete the General Education requirements to achieve a minimum of 60 units.

INDUSTRIAL ENGINEERING
TECHNICIAN
CERTIFICATE OF ACHIEVEMENT
By completing the certificate, students acquire knowledge of the fundamentals of engineering Industrial Engineering Technology with emphasize on maintenance and servicing of electromechanical industrial systems. Careers in engineering technology involve assisting engineers in researching, developing, and manufacturing, servicing, and maintaining a wide variety of products.

Program Student Learning Outcomes
MAJOR CORE REQUIREMENT  UNITS

ET101  Principles of Engineering Technology  3
ET103  Industrial Process Control  2
ET105  Industrial Motor Control  2
ENGT103  Introduction to Engineering Design using Inventor  3

ADDITIONAL REQUIRED ELECTIVES
ET 102  Electronics for Engineering Technologist  3
ENGT 116  Blueprint Reading  2
MTT 110  Industrial Maintenance of Machine Tools  2
PMT 100  Plastics Technology  2
MTT 180  Robots for Computer Numerically Controlled Machines  3
Total Major Requirements  22

RECOMMENDED COURSES:
ENGT 100, ENGT 102, ENGT 104, ENGT 105, ENGT 106, ENGT 153, ENGT 237, ENGT 258, ENGT 260, ENGT 261, ENGT 262, ENGT 263

INDUSTRIAL TECHNOLOGY
AUTOMATED MANUFACTURING
ASSOCIATE OF ARTS
The Industrial Technology Automated Manufacturing - Associated of Arts program provides the diverse student body in the surrounding regional community with an education that combines Engineering Design Technology and Machine Tool Technology. Basic and advance training in industrial control, maintenance, numerical control machining and quality control form the fundamental skills necessary for the average and expected working knowledge in industrial technology. The AA in Industrial Technology provides students with technical skills of the field as well as the general education and prepare them for employment with potential for future advancement.

Program Student Learning Outcomes
REQUIRED COURSES  UNITS
MTT 52  Setup and Operation of CNC Milling Machines  2.5
MTT 68  Introduction Inspection Using Verisurf  2
MTT 100  Machine Tool Introduction  2
MTT 110  Industrial Maintenance of Machine Tools  2
MTT 111  Programmable Logic Controllers In Automated Manufacturing  2
MTT 112  Variable Frequency Drives in Automated Manufacturing  2
MTT 180  Robotics for Computer Numerically Controlled Machines  3
ENGT 259  SolidWorks Introduction  4
Total Major Requirements  19.5

ASSOCIATE OF ARTS DEGREE REQUIREMENTS
Students must complete the required major courses, the Cerritos College Associate of Arts General Education requirements, and electives as needed. Students must earn a
2.0 grade point average and earn a grade of “C” or higher in major/emphasis courses.

**INDUSTRIAL TECHNOLOGY**

**AUTOMATED MANUFACTURING**

**OPTION 2**

Socio-Cultural Option (select three courses)
ANTH 170  Introduction to Language and Culture  3
HUM 100  The Art of Being Human  3
PHIL 200  World Religions  3
SOC 215  Sociology of Cultural Diversity: Challenge and Change  3
COMM 110  Intercultural Communication  3
SOC 101  Introductory Sociology Principles  3
GEOG 102  Cultural Geography  3

NOTES: One year of Foreign Language study is recommended

ADDITIONAL ASSOCIATE DEGREE REQUIREMENTS:
Complete the 15 core units and nine units of one of the two options listed above for a total of 24 major units, and the general education requirements to achieve a minimum of 60 units.

INTERNATIONAL STUDIES

GLOBAL STUDIES

CERTIFICATE OF ACHIEVEMENT
The goal of the Cerritos College Certificate of Achievement in Global Studies is to prepare students for entry level jobs in global studies related careers. Students consider globalizing trends within themes of wealth and poverty; population, cultures, and human rights; environment and sustainability; and governance, conflict, and cooperation.

Program Student Learning Outcomes

Program Requirements: 15 units
Division Option Requirements (select one option): 9 units
Total Certificate requirements: 24 units

CORE REQUIREMENTS (15 UNITS)  UNITS
ANTH 100  Cultural Anthropology  3
ECON 201M  Principles of Macroeconomics  3
GEOG 105  World Regional Geography  3
HIST 275  Global Studies  3
POL 210  International Relations  3

DIVISION REQUIREMENTS (9 units) – Select one option

OPTION 1
Political-Economic Option (select three courses)
BA 101  International Business  3
ECON 102  Women in the Global Economy  3
or WGS 206  Women in the Global Economy  (3)

JOURNALISM

ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)
The goals and objectives of the Journalism AA are to prepare majors for college work in entry-level work in the industry as reporters, content creators, and editors. The program also seeks to provide courses that will fulfill part of the general education requirements for other majors. Students who learn the skill sets offered in the Journalism courses will be able to transfer these skills to a variety of career situations that require the ability to gather information from a variety of sources, synthesize or make sense of that information, and report findings to other audiences. They will also gain an understanding and appreciation for the rights and responsibilities associated with free speech and expression.

Program Student Learning Outcomes

REQUIRED CORE (9 UNITS)  
JOUR 100 Mass Communications and Society 3  
JOUR 101 Beginning Newswriting and Reporting 3  
JOUR 107A News Media Production 3  

LIST A: (Select one) 3 Units  
JOUR 121 Multimedia Reporting 3  
JOUR 157 Principles of Public Relations 3  
JOUR 159 or BA 157 Principles of Public Relations (3)  
JOUR 130 Photo Journalism 3  
or PHOT 130 Photo Journalism (3)  
JOUR 107B Intermediate News Media Production 3  

LIST B: (Select two) 6 Units  
PHOT 100 Introductory Photography 3  
ART 188 Design for Desktop Publishing 3  
MATH 112 Elementary Statistics 4  
POL 101 American Political Institutions 3  
POL 220 Comparative Government 3  
ENGL 103 Critical Thinking and Argumentative Writing 4  
PHIL 106 Introduction to Logic 3  
Any CSU Breadth courses from two different Areas with A-D  
Total Units for the Major 18  

ASSOCIATE OF ARTS IN JOURNALISM FOR TRANSFER REQUIREMENTS
(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth), (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

NOTES: Students should avoid accumulating additional journalism units as they complete their AA-T degree (which requires 60 unit). Additional units will create graduation problems as the upper division. Many programs require 80 units outside of journalism for the degree and each CSU may require up to 28 upper division units in the major.
## JOURNALISM

### ASSOCIATE OF ARTS DEGREE

The goals and objectives of the Journalism AA are to prepare majors for college work in entry-level work in the industry as reporters, content creators, and editors. The program also seeks to provide courses that will fulfill part of the general education requirements for other majors. Students who learn the skill sets offered in the Journalism courses will be able to transfer these skills to a variety of career situations that require the ability to gather information from a variety of sources, synthesize or make sense of that information, and report findings to other audiences. They will also gain an understanding and appreciation for the rights and responsibilities associated with free speech and expression. The Associate in Arts Degree in Journalism will prepare students for the sequences of journalism, mass communications, social media management, public relations, and/or advertising.

## KINESIOLOGY

### ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)

An Associate of Arts Degree in Kinesiology for transfer provides students with an introductory knowledge of the fundamental principles of kinesiology including the
historical development of physical education and sport in our society. Students will gain theoretical and scientific knowledge about the body, including the skeletal and muscular systems. Additionally, students will learn and execute motor/sports skills appropriate for personal development as well as proficiency in discussing the benefits of an active lifestyle. Students will display professionalism and communication/presentation skills with prep.

Program Student Learning Outcomes

REQUIRED CORE (14 UNITS) UNITS
KIN 100 Introduction to Kinesiology 3
A&P 150 Introduction to Human Anatomy 4
A&P 151 Introduction to Human Physiology 4
Movement Based Courses (3 unit minimum)
Select one (1) course maximum from any three (3) of the
following areas: Aquatics, Combatives, Team Sports,
Individual Sports, Fitness, Dance

AQUATICS
PEX 150A Swimming Beginning 1
PEX 184 Swimming, Novice 1
PEX 185 Swimming, Beginning 1
PEX 284 Swimming, Intermediate 2

PEX 189 Tennis, Beginning 1
PEX 261 Badminton, Intermediate/Advanced 2
PEX 276 Golf, Intermediate/Advanced 2
PEX 288 Tennis, Intermediate 2
PEX 289 Tennis, Advanced 2

TEAM SPORTS
PEX 163 Baseball, Beginning 1
PEX 165 Basketball, Novice 1
PEX 166 Basketball, Beginning 1
PEX 172 Flag Football 1
PEX 177 Futsal – Indoor Soccer 1
PEX 178 Soccer, Beginning 1
PEX 181 Softball, Beginning 1
PEX 191 Volleyball, Introduction 1
PEX 192 Volleyball, Beginning 1
PEX 263 Baseball, Intermediate/Advanced 2
PEX 265 Basketball, Intermediate 2
PEX 266 Basketball, Advanced 2
PEX 278 Soccer, Intermediate/Advanced 2
PEX 281 Softball, Intermediate/Advanced 2
PEX 291 Volleyball, Intermediate 2
PEX 292 Volleyball, Advanced 2

LIST A: (SELECT 2) 7-9 UNITS
KIN 110 Community First Aid and CPR 3
MATH 112 Elementary Statistics 4
or PSYC 210 Elementary Statistics (4)
CHEM 100 Introductions to Chemistry 4
or CHEM 111 General Chemistry (5)
PHYS 101 General Physics 4
or PHYS 201 Engineering Physics (4)
Total Units for Major 21-26

ASSOCIATE IN ARTS IN KINESIOLOGY FOR TRANSFER REQUIREMENTS

(1) Completion of 60 semester units or 90 quarter units that are
eligible for transfer to the California State University, including
both of the following: (A) The Intersegmental GE Transfer
Curriculum (IGETC) or the California State University GE-Breadth
Requirements (CSU GE-Breadth), (B) A minimum of 18 semester
units or 27 quarter units in a major or area of emphasis, as
determined by the community college district. (2) Obtainment
of a minimum grade point average of 2.0.
PARALEGAL

ASSOCIATE OF ARTS

The Associates of Arts in Paralegal degree program from our American Bar Association [ABA] approved Paralegal Program is designed to provide the necessities for the graduate to enter the workforce as a paralegal. Employment opportunities for paralegals include: private law practice; governmental agencies such as courts; the private sector in businesses such as title or other insurance companies, in-house patent division with larger corporations, or other businesses with staff attorneys; and in the community service field such as with legal clinics and self-help centers.

*Denotes legal specialty courses. The ABA requires a minimum of 18 units of legal specialty courses for degree candidates.

AA DEGREE CANDIDATES:

Must complete a total of 22 units of Core Requirements (Section “A”), 6 units of Legal Specialty courses designated by an (*) in Section “B,” and 5 units of any other courses from the Section “B” requirements. General Education requirements must also be completed to achieve a minimum of 60 degree-applicable units for an A.A. Degree in Paralegal.

No course may be taken as “Credit by Exam.” A minimum of 12 Paralegal Program units must be taken at Cerritos College. The remainder of the 21 units may be transferred from another American Bar Association approved Paralegal Program, provided the units correspond with the course description of the course seeking to be substituted and a Course Substitution Form is approved.

This program is approved by the American Bar Association (ABA)

Department Recommendation: It is strongly recommended that all graduates who wish to be assisted with job placement through the Law Department complete LAW 171-174 Legal Occupational Work Experience.

NOTES: Paralegal means a person who holds himself for herself out to be a paralegal, who is qualified by education, training, or work experience, who either contracts with or is employed by an attorney, law firm, corporation, government agency, or other entity, and who performs substantial legal work under the direction and supervision of an active member of the State Bar of California. A paralegal shall not provide legal advice or engage in conduct that constitutes the unauthorized practice of law (Business & Professional Code Section 6450) The Legal Minor does not prepare students for a career as a Paralegal and is not approved by the American Bar Association.

PARALEGAL

CERTIFICATE OF ACHIEVEMENT

The Paralegal Certificate of Achievement from our American Bar Association [ABA] approved Paralegal Program is designed to provide the necessities for the graduate to enter the workforce as a paralegal. Employment opportunities for paralegals include: private law practice; governmental agencies such as courts; the private sector in businesses such as title or other insurance companies, in-house patent division with larger corporations, or other businesses with staff attorneys; and in the community service field such as with legal clinics and self-help centers.

Total Requirements with an * for Section B: 6

Certificate Candidates: Must complete a total of 22 units of Core Requirements (Section “A”) and 6 units of Legal Specialty courses designated by an* in Section “B” for a total of 28 units. A student may earn a Paralegal Certificate of Achievement if the student has already completed an AA degree or BA degree from an accredited college or university. Official transcripts must be provided to admissions with proof of degree posted. Degrees earned from international colleges or universities must be evaluated by a Cerritos College-approved international evaluation service. At least 22 units must be taken at Cerritos College. Up to 6 units may be transferred from another American Bar Association approved Paralegal Program, provided the units correspond with the course description of the course seeking to be substituted and a Course Substitution Form is approved. Students must consult with the Counseling Department prior to entering the Certificate Program to verify eligibility. All Law courses that were taken prior to the completion of the student’s requisite A.A. or higher Degree will not be counted as part of the certificate units. No paralegal course may be taken as “Credit by Exam.”

This program is approved by the American Bar Association (ABA)

Department Recommendation: It is strongly recommended that all graduates who wish to be assisted with job placement through the Law Department complete Law 171-174 Legal Occupational Work.

NOTES: Paralegal means a person who holds himself or herself out to be a paralegal, who is qualified by education, training, or work experience, who either contracts with or is employed by an attorney, law firm, corporation, government agency, or other entity, and who performs substantial legal work under the direction and supervision of an active member of the State Board of California. A paralegal shall not provide legal advice or engage in conduct that constitutes the unauthorized practice of law (Business & Professional Code Section 6450). The Legal Minor does not prepare students for a career as a Paralegal and is not approved by the American Bar Association.

LGBT STUDIES

CERTIFICATE OF ACHIEVEMENT
The LGBT Studies Certificate program seeks to increase understanding and appreciation of the social, historical, and cultural contributions of the LGBTQ+ community. Students will learn the terminology utilized within the academic area of queer studies, and identify the differences between sexual orientation, gender identity, and gender expression. The program also promotes understanding of the intersections of LGBTQ+ identities with those of race, ethnicity, class, and age, among others. Students will also learn about LGBTQ+ individuals, their contributions to U.S. and international cultures, both historical and current, and their struggles and achievements toward equal rights.

LIBERAL ARTS AND SCIENCES

The Liberal Arts and Sciences Degree is designed to give students a foundational degree that may either be used as a basis for transfer to a four-year college or university, or to serve those students who wish to enter the workforce prepared with an associate degree. Students wishing to transfer must select General Education Plan B for transfer to a California State University or Plan C for transfer to either a California State University or a University of California.

Students planning this degree as preparation for the workforce may select Plan A. See the General Education section of this catalog for details. Meeting with a college counselor is highly recommended to prepare for completion of the degree.

In order to qualify for an A.A. Degree in Liberal Arts and Sciences, the following requirements must be met:

1. Completion of Plan A, B, or C of the General Education requirements and meet required proficiencies. These requirements and proficiencies are specified in the Associate of Arts Degree General Education requirements of the catalog.
2. Completion of a minimum of 60 degree-applicable units.
3. Completion of at least one area of emphasis among the following with a grade of Pass or “C” or higher in each course:
   - Art and Culture (21 units)
   - Communication (18 units)
   - Culture and Society (18 units)
   - Earth and Space Sciences (18 units)
   - Historical Perspectives (18 units)
   - Literature and Language (18 Units)
   - Media Studies (18 units)
   - Self-Development and Social Behavior (18 units)
   - Social and Behavioral Sciences (18 units)
   - Visual Communication (18 units)
4. Courses may be used to satisfy both a General Education requirement and a major or area of emphasis requirement. Whether it may be counted again for a different degree requirement is up to each transfer institution. 5. Repeatable courses may be counted toward an area of emphasis only once.
5. Courses that appear in more than one section of an area of emphasis may be applied only once in meeting the requirements for that area of emphasis.

LIBERAL ARTS AND SCIENCES

ART AND CULTURE

Students will begin with an overview of world art history, focusing on patterns within patterns within development of human cultural production. They will take a series of courses designed to introduce them to both Western and Non-Western artistic traditions in the visual, literary, and performing arts. They will complete their studies with advanced courses aimed at developing critical analytical skills as they relate to issues of identity and politics within the arts. Finally, they will choose from electives to broaden their understanding to art and culture today.

This area of emphasis will prepare students for possible baccalaureate degree majors within the fields of art history, arts and humanities, art criticism, theatre, and dance. Students pursuing these studies may seek careers in museum work, allied arts, art foundations, art criticism, theatre and the entertainment industry.

LIBERAL ARTS AND SCIENCES

COMMUNICATION

The Communication Area of Emphasis is designed to give the student both foundational and proficient knowledge and skill to communicate effectively in today's world. Students will apply principles of language for clear, concise expression and logical thought. The emphasis begins with courses in oral communication, reading, and written communication. The next level of courses uses these communication methods to express complex concepts and critical opinions in the education as well as the vocational setting. This area of emphasis will prepare students for possible baccalaureate degree majors in communication, communication studies, public speaking, philosophy, and education. Students pursuing these studies may seek careers in politics, public policy, education, law, and business. Courses that appear in more than one section of an area of emphasis may be applied only once in meeting the requirements for that area of emphasis.

LIBERAL ARTS AND SCIENCES

CULTURE AND SOCIETY

Courses in culture and society are an inter-disciplinary activity, developing a global perspective of how western and non-western societies interconnect and interact, and the dynamics of cultural change. Students will develop a critical framework for a better understanding of diverse cultural and historic identities in societal contexts through the study of...
history, language, literature, sociology, art and art history, and other humanities and social sciences.

This area of emphasis will prepare students for possible baccalaureate degree majors in history, anthropology, international studies, global studies, political science, and literature.

Students pursuing these studies may seek careers in writing, teaching, business, foreign service, social service, law, museum direction, and travel and tourism.

Select at least 6 units from Section 1, at least 6 units from Section 2, at least 6 units from Section 3, and at least 3 units from Section 4 for a total of 21 units.

Courses that appear in more than one section of an area of emphasis may be applied only once in meeting the requirements for that area of emphasis.

LIBERAL ARTS AND SCIENCES

EARTH AND SPACE SCIENCES

These courses emphasize the study of our home planet and its place in the universe, both present and past. Students will examine, explore, and synthesize theories relating to the origin and evolution of Earth, our solar system, and the universe in lecture and laboratory environments.

This area of emphasis will prepare students for possible baccalaureate degree majors in astronomy, earth sciences, geology, oceanography, global studies, environmental science and policy, astronomy and natural science.

Students pursuing these studies may seek careers in geology, oceanography, environmental analysis, science education, urban planning, policy administration, and consulting.

Complete at least seven units, including at least one laboratory from Section A; at least eight units, including one laboratory from Section B; at least three units from Section C; and additional units from any of the sections below for a combined total of 18 units.

Program Student Learning Outcomes

LIBERAL ARTS AND SCIENCES

HISTORICAL PERSPECTIVES

The Historical Perspectives area of emphasis gives the students a broad range look at various aspects of history. The courses include history of this region, state, and country; this world, and history of the arts and sciences. This area of emphasis will prepare students for possible baccalaureate degree majors in history, Eastern studies, Latin American studies, ethnic studies, anthropology, religious studies, and history of science. Students pursuing these studies may seek careers as an archivist, historian, politician, journalist, educator, or in business, research, government service, and public policy.

LIBERAL ARTS AND SCIENCES

LITERATURE AND LANGUAGES

The literature and language emphasis offers students two principal disciplines: the study of literature in English and/or the study of foreign languages. The literature discipline introduces British, American, and world literary history through the study of writers recognized for their significant literary merit. Courses explore the boundaries of literature through genre, period, theme, language, and culture. Students may train in critical and creative writing as well. The languages discipline is sequenced to provide practical competence in French, German, Japanese, Sign Language or Spanish, as well as elementary Chinese. Students perfect their linguistic skills and study original language literary texts to appreciate the nuances of language and global culture. This area of emphasis will prepare students for possible baccalaureate degree majors in anthropology, literature, cultural studies, and languages. Students pursuing these studies may seek careers in publications, communications, education, media, law, international business, entertainment, administration, the arts, translation, and Foreign Services.

Program Student Learning Outcomes

SECTION 1
Select 3 units from one of the following:

ANH 170    Introduction to Language and Culture 3
ENGL 110    Critical Thinking through Literature 4
ENGL 106    Introduction to Linguistics 3
These courses introduce the student to the role and impact of the mass media and their images in society and provide an exploratory introduction to several mass media major areas of study. This area of emphasis will prepare students for possible baccalaureate degree majors in journalism, mass communications, entertainment and media studies, broadcasting, film, and public relations. Students pursuing these studies may seek careers in screen writing, film and entertainment, mass communications, media, law, education, and journalism.

**LIBERAL ARTS AND SCIENCES**

**SELF-DEVELOPMENT AND SOCIAL BEHAVIOR**

This emphasis provides students with knowledge and understanding of social behavior theories, concepts, and principles as applied to self-development. It is designed to prepare students to use acquired knowledge to communicate and collaborate more effectively. These courses are intended to assist students with the application of this knowledge to their lives in meaningful ways, including student growth, purpose, and vitality. Students will learn to become productive citizens who care for themselves and others and will be prepared to work with people and their communities.

This area of emphasis will prepare students for possible baccalaureate degree majors in social, health, and human services majors. Students pursuing these studies may seek careers in service/community-oriented fields, fitness, and in health professions. Select at least 6 units from Section 1, at least 3 units from Section 2, and at least 3 units from Section 3. Then complete at least 6 additional units from any section or combination of sections (1, 2, or 3) to reach a total of 18 units.

**Program Student Learning Outcomes**

**FRENCH**
- FREN 101 Elementary French 5
- FREN 102 Elementary French 5

### LIBERAL ARTS AND SCIENCES

#### SOCIAL AND BEHAVIORAL SCIENCE
The following area of study allows students to take courses that will prepare them for possible majors within the field of social and behavioral science. Courses in the social and behavioral sciences focus on the human and social conditions of society. Courses explain how people behave within their societies and social institutions, including interactions between subcultures, creating an appreciation of human interaction and perceptions of reality. Using critical analysis, students will develop an awareness of social science research methods and theories in the social and behavioral sciences.

This area of emphasis will prepare students for possible baccalaureate degree majors in anthropology, economics, history, political science, and psychology, and sociology. Students pursuing these studies may seek careers in social work, counseling, probation and parole, politics, archiving, and business.

LIBERAL ARTS AND SCIENCES

VISUAL COMMUNICATION

This area of emphasis will focus on the power of images and serves as an introduction to techniques for improved visual communication. It starts with a study of images in culture, progresses to visual communication exploration, and culminates with learning hands-on skill development. This area of emphasis will prepare students for possible baccalaureate degree majors in art, graphic arts, graphic design, desktop publishing, communication, theatre, and photography. Students pursuing these studies may seek careers in film and entertainment, mass communications, media, publishing, photography, education, museum work, web design, theatre stage design, and journalism.

Program Student Learning Outcomes

SECTION 1 – CRITICAL ANALYSIS OF IMAGES
Select 3 units from the following courses:

- ART 108 Black Images in Popular Culture 3
- or HUM 108 Black Images in Popular Culture 3
- ART 109 Gender and Sexuality in Art 3
- or HUM 109 Gender and Sexuality in Art 3
- ART 113 Art, Science, and Technology 3
- ART 118 History of Women in Visual Arts 3
- or WGS 118 History of Women in Visual Arts 3
- ART 125 Introduction to Visual and Cultural Studies 3
- or HUM 125 Introduction to Visual and Cultural Studies 3
- PHOT 160 History of Photography 3

SECTION 2 – THEORIES OF VISUAL COMMUNICATION
Select 6 units from the following courses:

- ART 188 Design for Desktop Publishing 3
- JOUR 121 Multimedia Reporting 3
- JOUR 130 Photojournalism 3
- or PHOT 130 Photojournalism 3
- PHOT 100 Introductory Photography 3
- PHOT 110 Introduction to Digital Photography 3

SECTION 3 – APPLIED TECHNIQUES OF COMMUNICATION
Select 9 units from the following courses:

- ART 110 Freehand Drawing 3
- ART 114 Storyboard Animation Principles for Film 3
- ART 116 Beginning Printmaking 3
- ART 120 Two-Dimensional Design 3
- ART 130A Fundamentals of Painting 3
- ART 150 Introduction to Ceramics 3
- ART 182A Lettering and Typography 3
- ART 184 Graphic Design I 3
- FILM 101 Motion Picture Production 3
- FILM 102 Television Production 3
- TH 193 Motion Picture Editing 3

Total Units Visual Communication Area of Emphasis 18

MACHINE TOOL TECHNOLOGY

COORDINATE METROLOGY

CERTIFICATE OF ACHIEVEMENT

The certificate of achievement in coordinate metrology program prepares students to work with Coordinate Measuring Machines/Arms (CMMs). Those machines are either used during fabrication or machining to assist the machinist, after the fact when the first article is produced, or post production when the part is completed.

CAREER OPPORTUNITIES: Upon completion of the courses, employment is available in manufacturing companies where Coordinate Measuring Machines are utilized. Typical job titles can include but are not limited to Quality Control Inspector, Aerospace Engineering, Operations Technicians, Engineering Technicians.

Program Student Learning Outcomes

REQUIRED COURSES: UNITS

- ENGT 116 Blueprint Reading 2
- ENGT 117 Geometrical Dimensioning and Tolerancing 2
- MTT 56 CNC Shop Inspection 2
- MTT 68 Computer-Assisted Inspection 2
- MTT 78 Tool Building Using VeriSurf 1
- MTT 168 Advanced Computer-Assisted Inspection Using VeriSurf 1
- MTT 100 Machine Tool Introduction 2

Total Certificate Requirement 12
ASSOCIATE OF ARTS DEGREE REQUIREMENTS:
Students must complete the required major courses, the Cerritos College Associate of Arts General Education requirements, and electives as needed. Students must earn a 2.0 grade point average and earn a grade of “C” or higher in major/emphasis courses.

MACHINE TOOL TECHNOLOGY
MACHINIST OPTION
CERTIFICATE OF ACHIEVEMENT
The Department aims to provide basic to advanced training in manual or conventional machining, computer numerical programming and operation, and advanced multi-axis programming and operation. These form the fundamental skills necessary for the average and expected workload in the machining industry. Enrolled students are strongly positioned for employment in the machining industry throughout the course of the Program.

TOOL AND DIE MAKER OPTION

ASSOCIATE OF ARTS

The Department aims to provide basic to advanced training in manual or conventional machining, computer numerical programming and operation, advanced multi-axis programming and operation. These form the fundamental skills necessary for the average and expected workload in the machining industry. Enrolled students are strongly positioned for employment in the machining industry throughout the course of the Program.

MATH 112 Elementary Statistics 4

Select one (3 – 4 units)

MATH 190 Programming in C/C++ 3

MATH 225 Calculus II 4

Total Units for the Major 21-22

ASSOCIATE IN SCIENCE IN MATHEMATICS FOR TRANSFER REQUIREMENT

(1) Completion of 60 semester-units or 90 quarter-units that are eligible for transfer to the California State University, including both of the following:
   • The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education –Breadth Requirements.
   • A minimum of 18 semester-units or 27 quarter-units in a major or area of emphasis, as determined by the community college district.

(2) (2) Obtainment of a minimum grade point average of 2.0.

(3) Also required is that students must earn a “C” or better in all courses required for the major.

MEDICAL ASSISTANT

Cerritos College offers a Certificate of Achievement or an Associate of Arts in Medical Assisting. The student must achieve a grade of "C" or better in all required medical assisting courses to qualify for the Certificate of Achievement and/or Associate of Arts Degree in Medical Assisting. Twelve units of the Medical Assistant program must have been taken within the last five (5) years. Upon successful completion of program requirements, the student is eligible for a Cerritos College Medical Assistant pin.

1. MEDICAL ASSISTANT CERTIFICATE OF ACHIEVEMENT
   The Medical Assistant Program may be completed in two semesters when started in the fall semester. Both front office (administrative) and back office (clinical) training is available. A clinical lab experience is completed through an internship or occupational work experience.

2. MEDICAL ASSISTANT ASSOCIATE OF ARTS DEGREE
   The student must complete the requirements for a Certificate of Achievement in Medical Assisting and A&P 120, electives, and General Education requirements to achieve a minimum of 60 units

The program offers a day or evening program to students. Students starting in the fall semester (August) will be part of the evening program. The full-time student can complete this program in two (2) semesters (Spring, May). Students starting in the spring semester (January) will be part of the day program. The full-time student can complete this program in two (2) semesters (Fall, December). Discussion with the department chair regarding questions on course selection is encouraged.

FIRST SEMESTER: MA 60, MA 63, MA 64, MA 161, HO 53, HO 54, HO 55 (elective from list).
SECOND SEMESTER: MA 66, MA 67, MA 68 or MA 73 or MA 74, PSYC 101 or PSYC 150, or equivalent, and additional electives if needed.

The program is designed to help meet the needs of the part-time student as well. Course selection in numerical order is advised. Again, consult with the program chair regarding specific course selection questions. Some classes are offered in specific semesters and efficient planning is necessary

PROGRAM REQUIREMENTS

ACADEMIC REQUIREMENT

The student may obtain a Certificate of Achievement or an Associate of Arts in Medical Assisting. The student must achieve a grade of “C” or better in required medical assisting and General Education course work. (Twelve units of the Medical Assistant program must have been taken within the last five (5) years.) MA 67 and MA 68 have prerequisite courses, which must be completed with a grade of “C” or higher.

PROGRAM PROGRESSION/COMPLETION

Successful completion of all levels of course work is necessary for completion of and graduation from the program of study. In order to complete the program, the student must maintain a grade of “C” or higher whether enrolled in combined lecture/lab courses, practicums, or clinical experiences. When content is tiered, each level must be completed according to identified criteria. Upon successful completion of all program requirements, students are eligible to receive either the Certificate and/or Associate in Art degree.

EXPENSES

A. See the college catalog for enrollment fees.

B. The student may expect to spend approximately $600 for books, equipment (including watch with a second hand), and uniforms. Health screening will be at the student’s expense. This may include but is not limited to immunizations and CPR/First Aid certification completed at private agencies. Students are responsible for their own living accommodations, uniform laundry, and transportation to selected clinics. Essential requirements for the Medical Assistant Program Technical Standards/Essential Functions are available for you review on the program’s website. They have been designed to give you more information about the profession and important skills/functions. This information will be helpful to assist you in deciding on your career path.

HEALTH

Employment in this field requires good vision, hearing, and the ability to communicate verbally, nonverbally and through written word. In addition, students must have the ability to comprehend, analyze, and evaluate patients’ charts in order to provide appropriate treatment. Students must be able to record in the patients’ charts and have the manual dexterity to use small instruments to provide patient care. The student must be able to work as a team player and demonstrate efficient customer service skills.

INTERNSHIP AND OCCUPATIONAL WORK EXPERIENCE

Health clearance requirements will vary depending on where clinical lab experiences will be completed (MA 68, MA 73, MA 74). To be placed in a health care facility where direct patient contact will occur (MA 68, MA 73, MA 74), the student must present evidence of compliance with facility health standards and current certification in CPR and First Aid training. The health standards will include, but are not limited to, T.B. testing and immunization. The Medical Assistant Program Record of Immunizations, Vaccination, and Test forms (located in HS 106) must be completed before the first class session and prior to placement in the health care facility. Health clearance, CPR and First Aid requirements must be valid for the duration of the clinical affiliation. Student placements are predominately during the day hours.

CRIMINAL BACKGROUND CHECKS

Clearance of a criminal background check may be required prior to internship/work experience placement. Students who do not clear agency requirements are not eligible for clinical placement and will, consequently, be ineligible to continue in the course. If there is any concern regarding clearance of a criminal background check, please contact the Health Occupations Division for additional information.

ASSOCIATE OF ARTS DEGREE REQUIREMENTS
For an Associate of Arts Degree, a student must meet the requirements for a Certificate of Achievement in Medical Assisting. The student must take A&P 120, electives and General Education requirements to achieve a minimum of 60 units. See Cerritos College Graduation Requirements.

CAREER OPPORTUNITIES: Upon completion of program, employment is available as a medical assistant in a variety of settings: office clinic, hospitals, insurance companies, government agencies, pharmaceutical companies, and educational institutions. Job duties can entail front office (administrative) duties such as receptionist and insurance clerk to back office (clinical) duties such as assisting the provider of care of lab duties.

MEDICAL ASSISTANT
MENTAL HEALTH WORKER
ASSOCIATE OF ARTS
This program will train students to help a mentally ill individual with tasks such as gaining employment, finding housing, using community resources, becoming financially competent, and other activities that promote an independent life-style for the mentally ill. The training offered for the Certificate and AA degree is comprehensive and intensive. Students will learn the basics of Psychology, the foundations of Mental Illness (Abnormal Psychology), the concept of rehabilitation and recovery, how to help the mentally ill, and how to create a cooperative relationship with mentally ill individuals. Finally, students will be given the opportunity to practice the knowledge and skills that they have gained from classroom instruction, in a community mental health environment as a part of our Field Experience class.

RECOMMENDED COURSES
PSYC 103 Critical Thinking in Psychology 3
PSYC 150 Personal and Social Adjustment 3
PSYC 210 Elementary Statistics 4
PSYC 220 Research Methods 4
PSYC 241 Introductory to Psychobiology 3
PSYC 245 Drugs and Behavior 3
or HO 245 Drugs and Behavior 3
PSYC 251 Developmental Psychology 3
PSYC 261 Social Psychology 3
PSYC 275 Cultural Psychology 3

ASSOCIATES OF ARTS DEGREE REQUIREMENTS
A minimum of 60 units must be completed to include: the core courses listed above and A.A. Degree general requirements.

NOTES: Although all of these courses are transferable to transfer as a Psychology Major refer to Psychology Transfer Major Requirements.

MUSIC

ASSOCIATE OF ARTS DEGREE FOR TRANSFER (AA-T)
The Associate in Arts Degree for Transfer in Music (AA-T) is designed to prepare you for transfer to a four-year institution as a music performance major. You will learn in an environment modeled after leading four-year music universities. At the same time, you will be exposed to new technologies in music and develop professional skills to help you design and achieve your music career. The Music program offers individual instruction on a variety of instruments and voices in classical and contemporary styles such as pop, rock, and jazz. You have a choice of ensembles to perform in that best suit your instrument and musical style. As a music major you are required to take four semesters of music theory to prepare you for advanced studies at a four-year university. Entry into the AA-T is by audition only. You will also need to complete a music theory exam to test your musicianship. Auditions are held before the beginning of the Fall semester only.

Program Student Learning Outcomes

REQUIREDS: (16 UNITS)
MUS 180 Music Theory/Musicianship I 4
MUS 181 Music Theory/Musicianship II 4
MUS 280 Music Theory/Musicianship III 4
MUS 281 Music Theory/Musicianship IV 4

APPLIED MUSIC: (4 UNITS)
MUS 148 Private Study/Technique 1
MUS 149 Private Study/Musical Preparation 1
MUS 150 Private Study/Performance Practice 1
MUS 151 Private Study/Recital Preparation 1

ENSEMBLE:
(a combination of 4 units from the following courses)
(all courses are repeatable)
MUS 200E Beginning Band (1)
MUS 201E Concert Band (1)
MUS 202E Community Symphonic Band (1)
MUS 203E Community Band (1)
MUS 204E Orchestra (1)
MUS 205E Community Orchestra (1)
MUS 206E Stage Band (1)
MUS 207E Jazz Ensemble (1)
MUS 208E Pop/Rock Latin Ensemble (1)
MUS 210E String Ensemble (1)
MUS 216E Piano Ensemble (1)
MUS 217E Guitar Ensemble (1)
MUS 219E Collegiate Chorale (1)
Total Units for the Major 25

ASSOCIATE OF ARTS IN MUSIC FOR TRANSFER
REQUIREMENTS
Complete the following
(1) 60 semester or 90 quarter CSU – transferable units
(2) The California State University-General Education-Breadth pattern (CSU GE-Breadth); or the Intersegmental General Education Transfer Curriculum (IGETC) pattern
(3) A minimum of 18 semester or 27 quarter units in the major or area of emphasis as determined by the community college district
(4) Obtainment of a minimum grade point average (GPA) of 2.0 (5) Earn a grade of “C” or better in all courses required for the major or area of emphasis.

MUSIC

AUDIO SYSTEMS SOLUTIONS

CERTIFICATE OF ACHIEVEMENT
The Audio Systems Solutions Certificate will prepare students to design and implement audio network and DSP solutions in professional environments. This 15.5-unit
certificate will train students how to create audio solutions for a variety of environments such as recording studios, theaters, outdoor venues, and performance halls. Students will engage in creating professional audio solutions for these environments while integrating their experience with analog and digital audio technologies.

Program Student Learning Outcomes

REQUIRED COURSES:  
MUS 110  Music Technology Fundamentals  3  
MUS 112  Elementary Piano I  2  
MUS 113  Elementary Piano II  2  
MUS 135  This Business of Music  3  
MUS 144A  Electronic Synthesizers  2  
MUS 144B  Electronic Music Production  2  
MUS 146A  Recording Techniques  2  
MUS 146B  Mixing Techniques  2.5  
MUS 156  Contemporary Music Notation  2.5  
MUS 180  Music Theory/Musicianship I  4  
MUS 181  Music Theory/Musicianship II  4  
* Music Electives  2  
Total Major Requirements  31

* MUSIC ELECTIVES:
MUS 100, MUS 101, MUS 104B, MUS 105, MUS 114, MUS 115, MUS 116, MUS 117, MUS 118, MUS 120, MUS 121, MUS 122, MUS 123, MUS 143A, MUS 145A, 147, MUS 14B, MUS 149, MUS 150, MUS 151, MUS 157, MUS 201E, MUS 202E, MUS 203E, MUS 204E, MUS 205E, MUS 206E, MUS 207E, MUS 208E, MUS 216E, MUS 218E, MUS 219E, MUS 244A, MUS 245A, MUS 280, MUS 281

ASSOCIATE OF ARTS DEGREE REQUIREMENTS:
Completion of a minimum of 60 semester-units to include (1) the courses listed above, (2) the A.A. degree general education requirements, and (3) a grade of “C” or better in all courses required for the major.

RECOMMENDATIONS:

Students should strongly consider taking MUS 105, Music Fundamentals, as part of their General Education requirements.

MUSIC

COMMERCIAL MUSIC PRODUCTION

CERTIFICATE OF ACHIEVEMENT

The Certificate of Achievement in Commercial Music Production is designed for workforce training in entry-level positions with recording, film, and production studios. This is a terminal degree consisting of 38 units that focuses exclusively on music production. Students will learn professional workflows enabling to work as assistants in sound engineering, live production, music production, and post-production. As a Commercial Music student, you will learn to operate produce music on the following software platforms: Avid Pro Tools, Steinberg Cubase, and Ableton Live. You will also have access to learn and operate recording and live consoles by Avid and Yamaha. The program offers a range of courses recommended by our industry partners to prepare you for a career in the professional music industry. You can also to earn industry-recognized certification to add to your portfolio. Students wishing to enter the program must take MUS 110, Music Technology Fundamentals, which is offered in the Fall semester only.

Program Student Learning Outcomes

REQUIRED COURSES:  
MUS 110  Music Technology Fundamentals  3  
MUS 111  Electronic Piano I  2  
MUS 112  Electronic Piano II  2  
MUS 135  This Business of Music  3

ASSOCIATE OF SCIENCE – GENERAL

ASSOCIATE OF SCIENCE

The goal of the natural sciences associate of science degree is to provide students with a well-rounded introduction to the life and physical sciences. The degree program is designed to satisfy the curiosity of students interested in the natural world, facilitate advanced study in the sciences, or to supplement study of another field with a strong background in the concepts and methodologies of the natural sciences.

### ASSOCIATE OF SCIENCE DEGREE REQUIREMENTS

In order to qualify for an AS Degree in Natural Sciences - General, the following requirements must be met:

1. Completion of the AS degree general education and proficiency requirements;
2. Completion of a minimum of 60 degree-applicable units;
3. Choose at least 4 units from section A, at least 4 units from section B, and at least 3 units from section C;
4. Completion of another 7 units of science-related coursework from any section below, for a combined total of at least 18 units of science-related coursework.

### NEW PRODUCT DEVELOPMENT

**AUTOMOTIVE AFTERMARKET PRODUCT DEVELOPMENT OPTION**

**ASSOCIATE OF SCIENCE**

The New Product Development (NPD) program at Cerritos College addresses the competencies needed for technicians...
in the fields of automotive aftermarket, and professional, scientific, and technical service companies of Southern California. Particular emphasis is on either Automotive Aftermarket Product Development and New Product Development and Fabrication.

The program goals are multiple. The first goal is to provide students with the academic preparation needed for a career in the automotive aftermarket industries or other industries using similar technology. Students can do that by learning the program objectives from the set of classes that will allow them to take a virtual new product idea to market. Another goal of the program is to enable current students to get a double competency (3D inspection/NPD, Machining/NPD, Auto/NPD, Welding/NPD, Plastics/NPD, and Engineering Design/NPD). Finally, the last goal of the program is to provide continuous learning opportunities for industry employees. This in turn will provide industry with a framework of classes to further employee development and/or provide validation of professional experience and a path to an AS degree for current employees.

Program Student Learning Outcomes

NEW PRODUCT DEVELOPMENT AND FABRICATION OPTION

CERTIFICATE OF ACHIEVEMENT

Students in this option will focus their studies to the development of new or modified designs for the industries other than automotive. Students need to have a basic understanding of the electronic and robotic requirements of many new products and take classes to gain that familiarity. Students are also required to take an engineering technology project development class. Students then proceed to take classes to allow them to both Finalize their product design and obtain quotations. Other classes in the certificate requirements are product development related.

The program goals are multiple. The first goal is to provide students with the academic preparation needed for a career in the automotive aftermarket industries or other industries using similar technology. Students can do that by learning the program objectives from the set of classes that will allow them to take a virtual new product idea to market. Another goal of the program is to provide continuous learning opportunities for industry employees.

NURSING

ASSOCIATE OF ARTS

The Cerritos College Nursing Program, approved by the Board of Registered Nursing and accredited by the Accreditation Commission for Education in Nursing, Inc., offers an opportunity to prepare for a nursing career through mastery of a specific body of knowledge and skills. Technical Standards/ Essential Functions are available for your review on the program’s website. They have been designed to give
you more information about the profession and important t
skills/functions. This information will be helpful to assist
you in deciding on your career path. To qualify for the
program, students must successfully complete prerequisite
courses and other requirements as stated below. The generic
program (Option A) consists of four semesters of sequenced
courses.

Students may receive Pass for prior nursing courses to
facilitate advanced placement. These students include
Licensed Psychiatric Technicians, Licensed Vocational
Nurses, students transferring from other accredited
programs, and foreign-educated nurses.

For successful completion of the nursing program, the
student is required to achieve a minimum 75% in all nursing
and nursing-related courses. This is consistent with the
Board of Registered Nursing’s standard of competency for
nursing practice. Completion of the program meets
qualifications for the NCLEX-RN licensing exam.

ACCREDITATION
The Cerritos College Nursing Program is approved by the
California Board of Registered Nursing and accredited by the
Accreditation Commission for Education in Nursing.

Interested parties may contact the following agencies with
questions or comments regarding the nursing program
accreditation:

California Board of Registered Nursing
P.O. Box 944210
Sacramento, CA 94244-2100
Phone: (916) 322-3350; Hearing impaired individuals
call the TDD number: (800) 326-2297; www.rn.ca.gov.

Accreditation Commission for Education in Nursing
(ACEN)
3343 Peachtree Road NE, Suite 850
Atlanta, GA 30326
Phone: (404) 975-5000; www.acenursing.org

MISSION STATEMENT
The Cerritos College Nursing Program Mission is to prepare
nurses to meet the needs of diverse populations in an ever
changing health care environment.

PHILOSOPHY
Nursing is defined as a science, discipline and health care
practice that focuses on the assessment, diagnosis and
treatment of patients having health problems within the
domain of nursing. The goals of nursing practice focus on
health promotion, illness prevention, rehabilitation, and
supporting the resources of the person who is ill or
threatened with illness in adapting to changes within the
environment.

In addition to implementing the philosophy of the College,
the purpose of the Nursing Program is to provide the
community with registered nurses who are capable of
functioning in a variety of health care settings. To
accomplish this, the Roy Adaptation Model has been selected
as the primary conceptual framework. Within this framework,
nurses identify their patients as biopsychosocial beings in
constant interaction with the environment. In periods of
health, individuals have both innate and learned behavioral
mechanisms which enable them to cope with their complex
internal and external environments. In times of stress, the
patient’s coping mechanisms may be disrupted and the
individual is defined as ill. The patient’s health status is
defined on a continuum from wellness to illness.

Nursing practice focuses on adaptation of the patient in four
major modes: physiological, self-concept, role function, and
interdependence. The program prepares students to
understand individuals as total beings and to recognize and
respect a diversity of spiritual and cultural/ ethnic values.

COMPETENCIES EXPECTED OF THE ASSOCIATE DEGREE
NURSE
The Associate Degree Nurse (ADN) graduate is prepared and
expected to practice within the framework of the Educational
Competencies for Graduates of Associate Degree Nursing
Programs as identified by the NLN Council of Associate
Degree Nursing Competencies Task Force in 2000. As
identified by the Task Force, ADN graduates practice within
the framework of eight core components and competencies.
The core components of nursing practice are: professional
behaviors, communication, assessment, clinical decision
making, caring interventions, teaching and learning,
collaboration, and managing care. These core components
emphasize competencies related to diversity in healthcare,
clinical decision making, assessment, patient education,
continuity of care (including community aspects),
collaboration and leadership. In order to meet the expected
outcomes, the ADN graduate utilizes critical thinking and
demonstrates clinical competence and accountability as an
adaptable generalist who is committed to caring for others
and valuing the profession of nursing.

The Associate Degree Nurse is an entry level practitioner and
is competent to practice as a direct caregiver in a variety of
health care settings which include diverse patient
populations. ADN graduates are employed in a health care
delivery system that continues to grow and change.
Consequently, ADN graduates may pursue bachelors,
masters and doctoral degrees in preparation for advanced
levels of practice.

CONCEPT OF EDUCATION
Nursing faculty believe that nursing education is driven by
the application of critical thinking and
development/improvement of teaching/learning strategies
using innovative approaches and evidence-based research.
Nursing faculty also believe that the purpose of education is
to enlighten and enhance the quality of life for the student,
the community and patients for whom students and
graduates provide care. Education based on mastery learning
is viewed by nursing faculty as a collaborative process
involving college administrators and staff, nursing faculty
and nursing students. Each student enters the nursing
program with unique characteristics, capabilities, learning
styles, and motivation for learning. To address these
individual differences, learning experiences are structured
from simple to complex.

The program embraces the diversity of cultural, linguistic,
and philosophical differences represented in the student
body. Course experiences are designed to encourage
discussion, sharing and application of cultural practices that
are unique to the individuals and groups represented in the
campus and the community.

The goal of the program is to promote students’ creative and
critical thinking and personal growth based on successful
learning experiences. Achievement of this goal is fostered by
encouraging self-direction and by providing a variety of
individual and group learning experiences. Students are
expected to participate actively in the learning process.

CURRICULUM OVERVIEW
The nursing curriculum is currently based on the Nursing
Process and the Roy Adaptation Model. The Nursing Process
provides the framework for the application of the Roy
Adaptation Model. The Roy Adaptation Model for Nursing was
adopted by the Cerritos College nursing faculty in 1981.
Currently, the program utilizes essential elements of the Roy
Model to describe our beliefs about man, the environment,
health and illness and to design the goals of nursing care
and to organize the collection of assessment data related to
the patient’s health status. Cerritos College faculty use the
Educational Competencies for Graduates of Associate Degree
Nursing Programs, as identified by the National Council of
Associate Degree Nursing Competencies Task Force in 2000,
as the reference to guide and to structure curriculum
development, define and level competencies within the Major
Requirements and to identify competencies expected at
graduation. There are five steps to the Nursing Process:
assessments, diagnosis, planning, implementation and
evaluation. The Cerritos College nursing student utilizes the
Roy Model to collect and organize patient data during the
assessment stage of the Nursing Process.

The Roy Adaptation Model views the person/patient/client as
a biopsychosocial being in constant interaction with the
environment. As an adaptive organism, the person copes
with changes in the internal and external environments. In
this model, the person is also perceived as having four
adaptive modes that identify patient behavior in response to
illness or wellness. Behavior is assessed in each of the four
modes: the Physiologic Mode, Self-Concept Mode, Role
Function Mode and Interdependence Mode. The latter three
modes are referred to as the Psychosocial Mode. The
underlying needs of the Physiologic Mode is physiological
integrity. Components/Concepts of this mode are:
Oxygenation, Nutrition, Elimination, Activity and Rest,
Protection, Senses, Fluid and Electrolytes, Neurological
Function, and Endocrine Function. The curriculum addresses
normal (adaptive/effective) and abnormal
(maladaptive/ineffective) behaviors in each of these
Physiologic Mode components, including wellness and
disease prevention elements along with disease processes.
The goal of nursing, as expressed in the Roy Adaptation
Model, is to promote adaptation. Once a comprehensive,
holistic assessment is completed, the nurse identifies actual
and potential health alterations and designs a nursing
diagnosis. A plan to treat the nursing diagnosis is developed
by establishing patient outcomes which are measurable and
based on patient behaviors. Nursing interventions are
formulated and implemented so that the outcomes can be
accomplished. The nursing plan of care is aligned with the
medical plan of care. Evaluation of effectiveness of the plan
is determined by whether the outcomes have or have not
been achieved. If outcomes have not been met, reassessment occurs to determine whether outcomes and/or
interventions must be modified.

To develop the cognitive, psychomotor and affective abilities
necessary to function as a competent caregiver, the nursing
student gains knowledge in nursing concepts, principles,
processes, and skills. To support acquisition of this
knowledge, the Cerritos College curriculum includes
understanding of health, acute and chronic health
deviations, nutrition, pharmacology, communication, human
development, teaching learning principles, current
technology, humanities, and biological, social and behavioral
sciences. Anatomy, physiology, microbiology, and English are
prerequisite to the core nursing courses. To meet graduation
requirements, students may concurrently study
pharmacology, communication, fine arts and humanities
courses.

The Nursing Program is currently enduring a major
Curriculum Revision centered on Concept Based Learning. A
concept-based curriculum embraces core curriculum
concepts that are centered on biophysical and psychosocial
foundations, professional nursing concepts, health care
system concepts, QSEN standards, and National Patient
Safety Goals. During the course of study, students focus on
key, prevalent exemplars of these concepts and delve into
their interconnected relationships. Students learn to
recognize significant features of a condition and begin to
apply what they have learned to a variety of clinical
situations. Concept based curriculum challenges students to
think more critically, apply prior and current knowledge and
experiences, identify patterns across concepts, draw on
conceptual significance and relevance, and transfer
concepts from one patient’s bedside to the next. By doing
this, the student will facilitate early identification of risk
potential to patients and will take active measures to reduce
these risks and improve patient outcomes. This revised
curriculum will be completed and submitted for approval in
mid-2020.

Graduates of the Associate Degree Nursing Program will meet
Program Student Learning Outcomes:

STUDENT LEARNING OUTCOME #1: The graduate will
integrate physiological and psychosocial concepts, along
with critical thinking and clinical reasoning to apply nursing
process to promote quality, safe, patient centered care.

STUDENT LEARNING OUTCOME #2: The graduate will
promote and maintain a safe environment by integrating
current evidence-based practice, information technology,
and skill competency to deliver quality health care.
STUDENT LEARNING OUTCOME #3: The graduate will therapeutically communicate and collaborate with culturally diverse patients, families, and the interprofessional health care team to achieve quality patient centered care.

STUDENT LEARNING OUTCOME #4: The graduate will demonstrate the knowledge, skills, and attitude required of the professional nurse, embracing lifelong learning to improve the quality of health care.

The Associate Degree Nurse is prepared to apply for and take the state licensure exam NCLEX-RN to practice as an entry level RN. In this role, the graduate will provide care to patients with acute and chronic health care needs, and to individuals and families, groups and communities. The nurse uses an interdisciplinary, collaborative approach in working with the patient and with other health care providers. The graduate of an Associate Degree program plays a significant role in management of patient care. Managing care is characterized by planning, implementing, organizing, coordinating, delegating and facilitating the continuity of patient care. The graduate of an Associate Degree Nursing Program adheres to standards of professional practice, is accountable for her/ his own actions and behaviors, and practices within ethical, legal, and regulatory frameworks of nursing. Professional behaviors include the concern for others that is demonstrated by caring, valuing the profession of nursing, and participating in ongoing professional development.

NURSING APPLICANT ELIGIBILITY/ADMISSION REQUIREMENTS
The Cerritos College Nursing Program welcomes all applicants. The nursing program has six options of entry (Option A-F) into the program depending on the applicant’s needs and current training status. The various options are discussed in length in the Nursing Program Information Packet on the Nursing Website @ www.cerritos.edu/registered-nurse

NURSING PROGRAM ADMISSION OPTIONS:
• “Option A” - Associate of Arts Degree
• “Option B” - LPT-ADN Mobility Program
• “Option C” - LVN-ADN Mobility Program
• “Option D” - LVN 30 Unit Option
• “Option E” - Transfer and Challenge
• “Option F” - Board of Registered Nursing Referral

*The number of Option B, C, D, E and F admitted to the program is based on space availability.

To be considered for acceptance into the program, applicants must meet some initial requirements:
1. High school graduation or the equivalent. Applicant needs to be 18 years of age.
2. Completion of all Proficiency Requirements for the Associate of Arts Degree, ie: English 100, Math 80 or equivalent, and Reading 54 or equivalent with grades of “Pass” or “C” or higher or satisfactory completion of the college placement test process. (except Options D and F)
3. Completion of Prerequisite courses with grades of “C” or higher: A&P 150, A&P 151, MICR 200 and ENGL 100 (for most Options) with an overall grade point average of 2.5.

4. Only ONE of the above prerequisite courses (A&P 150, A&P 151, MICR 200, English 100) may be repeated if grade of “D” or “F” is earned in order to achieve a better grade. Two or more repeated prerequisites due to initial grades of “D” or “F” will disqualify the applicant (for most options).

5. It is HIGHLY recommended that A&P 150, A&P 151 and MICR 200 be completed within six (6) years of admission. Repeating courses for recency purposes will be accepted, as long as the first time the student took the course, they received a “C” or higher.

6. A cumulative grade point average of 2.5 for all college work taken. (for most options)

7. Completion of the Testing Of Essential Academic Skills (TEAS) Exam with a 62% or higher score or the HESI diagnostic assessment test with a 70% or higher. These assessment examinations are a test of basic Math, English, Reading, and Science. The nursing program conducts TEAS testing each year, however spaces are limited. Therefore, the program will accept scores from other testing sites. The TEAS V is no longer accepted.

Regulations regarding the TEAS EXAM can be found on the nursing website @ www.cerritos.edu/registered-nurse (except Options D and F)

8. Ability to provide a valid US Social Security number or Tax ID number prior to admission into the program due to clinical site requirements.

PROGRAM PREREQUISITES

Option B: Same as Option A.
Additional courses required for admission: HO 152, NRSG 25, NRSG 211, NRSG 213A, NRSG 251, and PSYC 251 or equivalent with grades of Pass or “C” or higher. Valid California LPT license.

Option C: Same as Option A.
Additional courses required for admission: NRSG 26, NRSG 215, NRSG 251, and PSYC 251 or equivalent with grades of Pass or “C” or higher. Completion of a medication calculation examination with a score of 80% or higher. Valid California LVN license and at least one (1) year of direct patient care experience in a skilled nursing or hospital based facility.

Option D: A&P 151, MICR 200, NRSG 215.
Additional requirements: Valid California LVN license and at least one (1) year of direct patient care experience in a skilled nursing or hospital based facility.
Optional courses: NRSG 26, NRSG 251 (strongly recommended), PSYC 251. Completion of the college placement test process for advisement purposes.

Option E: Same as Option A.
Additional courses required for admission: HO 152, NRSG 25 if entering prior to the middle of the second semester or NRSG 26 if entering at or following the middle of the second semester, NRSG 200, NRSG 215, NRSG 251, and PSYC 251 or equivalent with grades of Pass or “C” or higher. ENGL 100, MATH 80, and READ
54 or equivalent with grades of Pass or “C” or higher or satisfactory completion of the college placement test process. Completion of a medication calculation examination with a score of 80% or higher for entry at NRSG 220 or above. Students applying under this option will be notified individually for additional requirements relative to their entry points in the curriculum. When you meet with the program director. Refer to the information packet for required documentation needed prior to this meeting. Information packets are available in the Health Occupations Division office or online at www.cerritos.edu/ho. Transfer students are not admitted to the first course nor fourth semester.

Option F: NRSG 26 and NRSG 215. Applicants must meet with the Director of Nursing and submit a valid letter of referral from the California Board of Registered Nursing.

All applicants must complete the prerequisites listed above or equivalents with grades of Pass or “C” or higher.

Option A, B, C, and E applicants must show successful completion of ENGL 100, MATH 80, and READ 54 or equivalents with grades of Pass or “C” or higher or satisfactory completion of the college placement test process. Option D applicants are required to complete the placement test process for advisement purposes but are not required to complete these courses.

Option D, E, and F applicants will be notified individually for additional requirements relative to their entry point in the program.

For more information on updated program information or prerequisites, please call the Health Occupations Division Office at (562) 860-2451, Ext. 2550.

LENGTH OF PROGRAM AND ANTICIPATED EXPENSES
The core nursing program consists of sequenced courses over a four semester period. Prerequisite courses are completed prior to these four semesters. In addition, General Education courses are required for completion of the Associate of Arts Degree in Nursing (Associate Degree in Nursing — ADN). Some students may need to take additional courses to meet English, reading and mathematics requirements.

Each unit costs $46 for California residents and $263 for non-residents of California or international students.

A Student Activity Fee is $10 per semester and the Student Health Services Fee is $19 per semester.

During the four core semesters, Lab material fees total approximately $200; textbooks/resources cost approximately $2500; and uniforms and additional supplies and equipment cost approximately $350. Fees are subject to change. Students are responsible for their own living arrangements, uniform laundry and transportation to clinical agencies.

Upon completion of the program, application fees for licensure range – $500-$600.

ATTENDANCE
All students are expected to observe the attendance requirements of the Nursing Program as stated in the Nursing Program Student Handbook.

PROGRAM PROGRESSION/completion
In order to remain enrolled in, progress in, and complete the program, the student must maintain a “C” grade or higher in all nursing courses and those General Education courses specified by the California Board of Registered Nursing for completion of the nursing program. These courses include: PHIL 104, PSYC 275, COMM 100, COMM 120, COMM 130, COMM 132, OR COMM 150. In combined nursing lecture/lab courses, the student must receive a minimum of “C” in lecture and a satisfactory grade in lab in order to successfully complete the course.

Successful completion of all levels of course work is necessary for completion of and graduation from the program of study. In order to complete the program, the student must maintain a grade of “C” or higher whether enrolled in combined lecture/lab courses, practicums, or clinical experiences. When content is tiered, each level must be completed according to identified criteria.

Upon successful completion of all program requirements, students are eligible to receive the Associate of Arts degree.

CRIMINAL BACKGROUND CHECK
Clinical placements are a mandatory component of the curriculum and require clearance of a criminal background check and drug screen. While marijuana is now legal in California, applicants must drug screen negative to enter the program. This is required by all clinical sites. Students who do not clear agency requirements are not eligible for clinical placement and will, consequently, be ineligible to continue in the program. If there is any concern regarding clearance of a criminal background check or drug screen, please contact the Health Occupations Division for additional information.

REGISTERED NURSE LICENSE APPLICATION
At the completion of the fourth semester of the Nursing Program, the nursing student files an application for licensure (NCLEX-RN) with the Board of Registered Nursing. The application and examination registration fee is $300. In addition, the student may apply for an interim permit for $100. These fees are subject to change by the Board of Registered Nursing.

As stated in the Board of Registered Nursing’s application for licensure: Applicants are required under law to report all misdemeanor and felony convictions. “Driving under the influence” convictions must be reported. Convictions must be reported even if they have been expunged, adjudicated, or dismissed or even if court ordered diversion program has been completed under the Penal Code or under Article 5 of the Vehicle Code. Also, all disciplinary action against an applicant’s registered nurse, practical nurse, vocational
nurse, or other professional license must be reported. Failure to report prior convictions or disciplinary action is considered falsification of application and is grounds for denial of licensure or revocation of license. To make a determination [regarding eligibility for licensure] the Board considers the nature and severity of the offense, additional subsequent acts, registry of acts or crimes, compliance with court sanctions, and evidence of rehabilitation.

NURSING PROGRAM OPTIONS
There are six enrollment options in the Nursing Program:
A. Associate of Arts Degree (also referred to as the "generic" option or Associate Degree in Nursing)
B. LPT-ADN (Licensed Psychiatric Technician to Associate Degree in Nursing)
C. LVN-ADN (Licensed Vocational Nurse to Associate Degree in Nursing)
D. LVN-30 Unit Option (LVN + 30 units qualifying for NCLEX-RN, non-Degree)
E. Transfer and Challenge
F. Board of Registered Nursing Referral

The number of advanced placement candidates (Option B,C, D, E, and F) admitted into the program is based on space availability.

GENERAL EDUCATION REQUIREMENTS
For Options A, B, C, and E – To graduate with an Associate of Arts Degree in Nursing, the student is required to complete, in addition to the nursing core courses and nursing-related courses, the following General Education courses: PSYC 251, PHIL 104 and one (1) 3-unit course from U.S. History or American Government (U.S. History or American Government courses chosen from Plan A, Sections B1 or B2) as listed in the College’s General Education Requirements found in the College General Catalog and Schedule of Classes. Option A students desiring to matriculate to the CSU or UC system should also take PSYC 101 and SOC 101 or ANTH 100. For additional information, please refer to CSU or UC requirements.

NURSING

OPTION A – ASSOCIATE OF ARTS DEGREE
The Nursing Program offers eligible candidates who are selected for admission to the beginning of the program the opportunity to prepare for professional nursing through the pursuit of specific knowledge and skills. Graduates from the program, in addition to receiving an Associate of Arts Degree, are eligible for the NCLEX-RN examination for licensure as a registered nurse.

Program Student Learning Outcomes

PREREQUISITES:
A&P 150, A&P 151, ENGL 100, and MICR 200 or equivalents with grades of Pass or "C" or higher. Successful completion of ENGL 100, MATH 80, and READ 54 or equivalents with grades of Pass or "C" or higher or satisfactory completion of the college placement test process.

NURSING

OPTION B – LPT-ADN MOBILITY PROGRAM
The Nursing Program offers to qualified Licensed Psychiatric Technician applicants an opportunity to prepare for professional nursing through the pursuit of specific knowledge and skills. Eligible candidates receive advanced placement and upon completing the program are granted an Associate of Arts Degree and are eligible for the NCLEX-RN examination for licensure as a registered nurse.

Program Student Learning Outcomes

PREREQUISITES:
A&P 150, A&P 151, ENGL 100, and MICR 200 or equivalents with grades of Pass or "C" or higher. ENGL 100, MATH 80, and READ 54 or equivalents with grades of Pass or "C" or higher or satisfactory completion of the college placement test process. Additional courses required for admission: HO 152, NRSG 25, NRSG 211, NRSG 213A, NRSG 251, and PSYC 251 or equivalents with grades of Pass or "C" or higher. Valid California LPT license.

NURSING

OPTION C – LVN–ADN MOBILITY PROGRAM
The Nursing Program offers to qualified Licensed Vocational Nurse applicants advanced placement into the second year of the program. LVNs are given an opportunity to prepare for professional nursing through the pursuit of specific knowledge and skills. Graduates from the program, in addition to receiving an Associate of Arts Degree, are eligible for the NCLEX-RN examination for licensure as a registered nurse.

Program Student Learning Outcomes

PREREQUISITES:
A&P 150, A&P 151, ENGL 100, and MICR 200 or equivalent with grades of Pass or “C” or higher. Successful completion of READ 54, MATH 80, and ENGL 100 or equivalent with grades of Pass or “C” or higher or satisfactory completion of the college placement test process.

ADDITIONAL COURSES REQUIRED FOR ADMISSION: NRSG 26, NRSG 215, NRSG 251, and PSYC 251 or equivalent with grades of Pass or “C” or higher. Completion of a medication calculation examination with a score of 80% or higher. Valid California LVN license and at least one (1) year of direct patient care experience in a skilled nursing or hospital based facility.

NURSING

OPTION D – LVN–30 UNIT OPTION
The Nursing Program offers to qualified Licensed Vocational Nurse applicants advanced placement into the second year of the program. LVNs are given the opportunity to prepare for registered nurse licensure by completing thirty (30) units of college course work. The LVN who only completes the thirty units designated by Cerritos College is eligible for the NCLEX-RN examination for licensure as a “non-degree” registered nurse. This license is only valid in California.

Program Student Learning Outcomes

PREREQUISITES:
A&P 151, MICR 200, and NRSG 215 or equivalent with grades of Pass or “C” or higher.

ADDITIONAL REQUIREMENT: Valid California LVN license At least one (1) year of direct patient care experience in a skilled nursing or hospital based facility.

OPTIONAL COURSES: NRSG 26, NRSG 251 (strongly recommended), and PSYC 251. Completion of the college placement test process for advisement purposes.

NURSING

OPTION E – TRANSFER AND CHALLENGE
The Nursing Program offers applicants who have completed nursing program courses in another associate degree or baccalaureate degree program the opportunity to prepare for professional nursing through the pursuit of specific knowledge and skills. Eligible candidates will receive advanced placement into the Cerritos nursing program based on prior learning and course work. Transferring students must meet all admission criteria to be eligible to enter the Cerritos College nursing program. There are...
additional classes you will need to take to be eligible for admission. We do not admit into the first course nor fourth semester of the program. If you are seeking admission into the beginning of the program you will need to apply as an “Option A”.

Program Student Learning Outcomes

PREREQUISITES:
A&P 150, A&P 151, ENGL 100, and MICR 200 or equivalent with grades of Pass or “C” or higher. Additional courses required for admission: HO 152, NRSG 25 if entering prior to the middle of the second semester or NRSG 26 if entering at or following the middle of the second semester. NRSG 200, NRSG 215, NRSG 251, and PSYC 251 or equivalent with grades of Pass or “C” or higher. ENGL 100, MATH 80, and READ 54, or equivalent with grades of Pass or “C” or higher or satisfactory completion of the college placement test process. Completion of a medication calculation examination with a score of 80% or higher for entry at NRSG 220 or above. Students applying under this option will be notified individually for additional requirements relative to their entry points in the curriculum.

CREDIT GRANTING POLICY
Students who have successfully completed academic courses and/or have relevant knowledge and/or skills acquired in other than an accredited institution will be given advanced standing in the nursing program upon verification of such knowledge and/or skills.

TRANSFER PASS
A. Pass will be granted for related previous education completed in:
   1. Accredited Vocational or Practical Nursing courses
   2. Accredited Registered Nursing courses
   3. Accredited Psychiatric Technician courses
   4. Military Services Nursing courses
   5. Other related courses (e.g. Anatomy and Physiology, Nutrition)
B. Official transcripts and/or copies of certificates of completion must be submitted for Pass to be granted.
C. Course outlines and syllabi for transfer courses must be submitted for review.
D. Pass will be granted based upon the evaluation of grades, content, currency, units, and hours of the transferring courses.
E. Courses must be equivalent to courses in the Cerritos College Nursing Program.
F. The director or designee will evaluate the submitted documents to determine eligibility and level of entry into the nursing program.

Refer to the nursing website under Transferring Student for further information of the transfer process, eligibility requirements and additional courses needed to enter the program.

CHALLENGE CREDIT (COMPETENCY-BASED)

A. Pass may be granted for relevant knowledge and/or skills acquired through prior experience, courses in non-accredited institutions, and individual study which are essentially equivalent to a course for which Pass is being requested.
B. Pass shall be determined by successful completion of a comprehensive written examination and/or practical evaluation.
C. Objectives for both the written and/or practical examinations are made available to the student prior to evaluation.
D. Student must meet the requirements which govern Pass by examination as stated in the college catalog.
E. A minimum of twelve (12) units of the nursing curriculum must be in residency at Cerritos College in order to receive the Associate Degree in Nursing.

NURSING

OPTION F – BOARD OF REGISTERED NURSING REFERRAL
The Nursing Program offers applicants who completed their nursing education in another country and have been referred by the Board of Registered Nursing (BRN) the opportunity to complete the required content areas to be eligible to qualify for RN licensure. The program can only provide courses in Pediatrics, Obstetrics and Psychiatric nursing. We do not have medical-surgical availability.

Program Student Learning Outcomes

PREREQUISITES:
A valid letter of referral from the California Board of Registered Nursing for completion of a specified area. NRSG 26 and NRSG 215 or equivalents with grades of Pass or “C” or higher.

PHARMACY TECHNOLOGY

The pharmacy technician is a skilled technical health worker who performs a wide variety of non-discretionary pharmacy related tasks under the direct supervision of a registered pharmacist. Technical Standards/Essential Functions are available for your review on the program’s website. They have been designed to give you more information about the profession and important skills/functions. This information will be helpful to assist you in deciding on your career path. Successful completion of the Pharmacy Technology program qualifies one for registration with the California State Board of Pharmacy. Graduates are also encouraged to complete the Pharmacy Technician Certification Exam, the nationally recognized certification exam for pharmacy technicians.

LENGTH AND KIND OF PROGRAM
General Education and pharmacy technology classes are scheduled on the college campus. Correlated clinical experiences take place in selected hospitals and community pharmacies throughout the area. This broad based program is especially suited for those students who may later choose...
to pursue higher education in health care areas. Courses are taught by practicing registered pharmacists and pharmacy technicians.

**HEALTH**

Employment in this field requires applicants to have good vision, hearing, and the ability to communicate orally. Applicants must present evidence of physical fitness and ability to perform tasks required of a pharmacy technician. Lab, x-ray and immunization records meeting the standards of the clinical site must be completed after acceptance into the program.

**EXPENSES**

Students are expected to purchase a student body card. Enrollment fees, project fees, uniforms, books, and supplies will cost approximately $2,400.00. Students are responsible for their own living accommodations, uniform laundry, and transportation to selected hospitals and clinics.

**ATTENDANCE AND SCHOLARSHIP**

All students are expected to observe the attendance requirements of the college and of the Pharmacy Technician Program. To remain in the program, the student must maintain a “C” or higher in each required course. Scholarship and Promotion: Successful completion of all levels of course work is necessary for completion of and graduation from the program of study. In order to complete the program, the student must maintain a grade of “C” or higher whether enrolled in combined lecture/lab courses, practicums, or clinical experiences. When content is tiered, each level must be completed according to identified criteria. Students will be required to repeat certain courses if it has been more than four years since the course was originally passed. (see department for specific courses) Upon successful completion of all program requirements, students are eligible to receive either the Certificate and/or Associate in Arts degree.

**CRIMINAL BACKGROUND CHECKS**

Clearance of a criminal background check may be required prior to clinical placement. Students who do not clear agency requirements are not eligible for clinical placement and will, consequently, be ineligible to continue in the program. If there is any concern regarding clearance of a criminal background check, please contact the Health Occupations Division for additional information.

**REQUIRED DOCUMENTATION**

1. Submit proof of High School graduation or equivalent.
2. Submit an official transcript of all college work to the Admissions and Records Office and a copy to the Health Occupations Division.
3. Submit assessment test scores for English, Reading, and Math prior to enrolling in PHAR 57. If you have not taken these tests, proof of clearance by course work must appear on your college transcript. If you do not have course work or test scores to submit, apply to Cerritos College, obtain a student number, take the assessment/placement test at the Assessment Center.
4. It is advised that you make an appointment with a counselor to review test scores and college work. To make an appointment with a counselor, call (562) 860-2451, Ext. 2231.
5. Clearance of criminal background check and/or drugs of abuse testing and immunization status may be required prior to enrolling in PHAR 90 and PHAR 95.

Total Major Requirements 33-34

ASSOCIATE OF SCIENCE DEGREE REQUIREMENTS
Meet the major requirements in Pharmacy Technology and complete electives and General Education requirements to achieve a minimum of 60 units.

MATHEMATICS PROFICIENCY REQUIREMENT
This requirement can be met by one of the following options:
  a. Pass MATH 75, MATH 80, MATH 80B, a transfer-level math course, or PSYC 210 with a grade of "C" or higher or "Pass" at Cerritos College.
  b. Pass a math course equivalent to MATH 75, MATH 80, MATH 80B a transfer-level math course, or PSYC 210 with a grade of "C" or higher or "Pass" at another accredited college.
  c. Receive a score of 3 or better on a Math AP exam (AP Statistics, AP Calculus AB, AP Calculus BC). d. Receive credit by examination for MATH 75 or MATH 80 at Cerritos College.

READING PROFICIENCY REQUIREMENT
This requirement can be met by one of the following options:
  a. Completion of READ 54 or READ 97, READ 101, or READ 102 or equivalent with a grade of "C" or higher or "Pass".
  b. For other options, see your counselor.

WRITING PROFICIENCY REQUIREMENT
Completion of ENGL 100 or ENGL 100S or equivalent with a grade of "C" or higher or "Pass".

CAREER OPPORTUNITIES:
Employment as a Pharmacy Technician in community, hospital pharmacy, or any other fields of pharmacy assisting registered pharmacists in performance of assigned duties. See Cerritos College Graduation Requirements.

NOTES: Students applying for pharmacy school must carefully follow the specific college/university requirements as listed in the college catalog for transfer. Please contact a Pharmacy Technology Program Counselor for additional help.

PHILOSOPHY
ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)
Students who take philosophy courses at Cerritos College—whether or not as a major—will better appreciate Socrates’ famous declaration that “the unexamined life is not worth living.” They will learn how to read primary sources in all disciplines more carefully and critically; how to write well-meaning argumentative essays and research papers; and how to defend their own positions on important issues concerning art and beauty, ethics and justice, and science and technology. Acquiring these philosophical skills will prepare students to become responsible participants in complex democratic societies and to tackle the many challenges they will face as “citizens of the world.” Moreover, a solid background in philosophy will help students to prepare for, and obtain success in, such professional careers as education, law, health care, economics, and public administration.

Program Student Learning Outcomes
REQUIRED CORE: SELECT TWO (6 UNITS)
PHIL 100 Introduction to Philosophy 3
or PHIL 102 Introduction to Ethics (3)
PHIL 106 Introduction to Logic 3
or PHIL 160 Symbolic Logic 3

LIST A: Select one (3 Units)
PHIL 130 History of Ancient Philosophy 3
PHIL 140 History of Modern Philosophy 3
PHIL 201 Contemporary Philosophy 3
Or any course from Required Core not already used

LIST B: Select two (6 Units)
HIST 241 Western Civilization 3
HIST 242 Western Civilization 3
PHIL 203 Philosophy of Religion 3
Or any course from List A not already used

LIST C: Select one (3 Units)
PHIL 103 Philosophical Reasoning: Critical Thinking in Philosophy 3
PHIL 105 Philosophy of Art and Beauty 3
PHIL 107 Philosophy of Science and Technology 3
Or any course from List A or B not already used

Total Units for the Major 18

ASSOCIATE IN ARTS IN PHILOSOPHY FOR TRANSFER REQUIREMENTS
(1) Completion of 60 semester units that are eligible for transfer to the California State University, including both of the following:
(a) The California State University General Education Breadth Requirements (CSU GE-Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC).
(b) Obtainment of a minimum grade point average of 2.0
(2) Also required is that students must earn a “C” or better in all courses required for the major.

PHOTOGRAPHY
ASSOCIATE OF ARTS
The mission of the photography program is to educate students in photography by providing a balanced education in both the creative and technical aspects of the photographic medium, the history of photography and the
critical analysis of photographs. The mission is accomplished through course offerings that enable students to develop their technical skills, creativity and understanding of the social and historical role and relevance of the photographic medium.

Total Major Requirements 26

ASSOCIATE OF ARTS DEGREE REQUIREMENTS
A minimum of 60 units to include (1) the above course requirements, (2) the Associate of Arts Degree General Education requirements, and (3) electives as needed. Note: Each student is required to have access to, for the purposes of course work, a manually operable 35mm film camera, DSLR or mirrorless camera. Laboratory fees are also required. Refer to the class schedule for specific course fees.

NOTES: 35mm camera and film are provided by each student. Laboratory fees are also required. Refer to the class schedules for specific course fees.

PUBLIC RELATIONS

CERTIFICATE OF ACHIEVEMENT
The goals and objectives of the Public Relations Certificate are to prepare majors for college work in upper division Journalism or Mass Communications courses at a four-year institution and to prepare students for entry-level work in the industry as public relations professionals. Students who learn the skill sets offered in the Mass Communications courses will be able to transfer these skills to a variety of career situations that require the ability to gather information from a variety of sources, synthesize or make sense of that information, and report findings to other audiences. They will also gain an understanding and appreciation for advertising, social media, and the rights and responsibilities associated with free speech and expression.

Program Student Learning Outcomes

REQUIRED CORE Select four (12 units) UNITS
JOUR 100 Mass Communications & Society 3
JOUR 101 Beginning Newswriting and Reporting 3
JOUR 121 Multimedia Reporting 3
JOUR 157 Principles of Public Relations 3
or BA 157 Principles of Public Relations (3)

ELECTIVE REQUIREMENTS
(6 units minimum, any combinations)
ART 188 Design for Digital Publishing 3
ART 196 Web Design with Flash and Dreamweaver 3
BA 114 Marketing 3

PHOT 100 Introductory Photography 3
PHOT 110 Introduction to Digital Photography 3
Total Certificate Requirements 18

PHYSICAL EDUCATION

ASSOCIATE OF ARTS
An Associate in Arts degree in Physical Education provides students with an introductory knowledge of the fundamental principles of Physical Education, Physical Activity, Sport, and Exercise, as well as the application of these principles to overall health, wellness, and quality of life. Students also may gain knowledge leading to employment in parks and recreation, fitness, and coaching. Additionally, the degree provides the skills necessary to pursue upper division coursework at a four-year level and the courses are consistent with the transfer requirements.

Program Student Learning Outcomes

REQUIRED CORE COURSES UNITS
KIN 100 Introduction to Kinesiology 3
KIN 102 Introduction to Athletic Training 3
KIN 104 Fitness and Wellness 3
REQUIRED ACTIVITY COURSES (6 Units)
Activity courses must include at least 1 (one) unit from each of the following 5 (five) areas, for a total of 6 (six) units.

**ASSOCIATE OF ART DEGREE REQUIREMENTS**

In order to qualify for an A.A. degree in Physical Education the following requirements must be met:

1. Completion of the A.A. degree general education and proficiency requirements;
2. Completion of a minimum of 60-degree applicable units;
3. Completion of at least 25 units of physical education coursework from the following:
   a. Required Core Courses (16/20/22 units)
   b. Required Activity Courses (6 units)
   c. Required PEX Elective Courses (3 units)

**RECOMMENDED GENERAL EDUCATION ELECTIVES**

| PSYC 101 | General Introduction to Psychology | 3  |
| HED 100 | Contemporary Health Problems | 3  |
| SOC 101 | Introductory Sociology Principles | 3  |

---

**PHYSICAL THERAPIST ASSISTANT**

**ASSOCIATE OF SCIENCE**

The Physical Therapist Assistant is a skilled technical health worker who performs physical therapy interventions under the direction of a Physical Therapist. Technical Standards/Essential Functions are available for your review on the program's website. They have been designed to give you more information about the profession and important skills/functions. This information will be helpful to assist you in deciding on your career path.

**ACCREDITATION**

The Physical Therapist Assistant Program at Cerritos College is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 1111 North Fairfax Street, Alexandria, Virginia 22314-1488; telephone: 703-684-2782; email: accreditation@apta.org; website: [http://www.capteonline.org](http://www.capteonline.org).

**LENGTH AND KIND OF PROGRAM**

The program is four semesters in length. General Education and Physical Therapist Assistant classes are scheduled on the college campus. Correlated clinical experiences begin the second semester and continue throughout the program. These experiences take place at selected hospitals and clinics in Los Angeles, Orange, Riverside, Ventura, and San Bernardino counties usually during regular business hours.

**ADMISSION REQUIREMENTS (PREREQUISITES):**

1. General Education Requirements
   a. Completion of ENGL (English) 100 or equivalent with a grade of “C” or higher or satisfactory completion of the English Placement Process.
   b. Completion of MATH 80 (Intermediate Algebra) or equivalent with a grade of “C” or higher or satisfactory completion of the Math Placement Process.

---

CERRITOS COLLEGE 2023–24
c. Meet Reading proficiency requirement for AA Degree Plan A as described in the Cerritos College Catalog.

2. A&P 150 – Human Anatomy AND A&P 151-Human Physiology or equivalent courses with grades of “C” or higher. A five-unit minimum combined anatomy and physiology course with a lab can be substituted to meet this requirement. However, eight units of anatomy and physiology with lab is preferred.

3. An overall grade point average of 2.0 must be attained prior to admission to the Physical Therapist Assistant Program, and a grade of “C” or higher must be attained for each General Education course.

4. Courses in progress at the time of application must be verified by a work-in-progress report from the instructor showing a grade of “C” or higher. Those courses must then be completed with a grade of “C” or higher and verified by official transcript for admission to the program.

APPLICATION AND ACCEPTANCE PROCEDURES:

1. Complete application to the program. This can be obtained in the Health Occupations Division Office, or online at www.cerritos.edu/pta. The application and all supporting documents must be submitted by April 15. Incomplete and/or late applications will not be considered.

2. Submit one official transcript from each college attended to the Health Occupations Division office with your application no later than April 15. Official transcripts may be sent directly to the Health Occupations Division, 11110 Alondra Boulevard, Norwalk, CA 90650.

NOTES: Official transcripts sent to the Admissions and Records Office WILL NOT be forwarded to the Health Occupations Office for inclusion in the application file.

3. Work-in-progress reports from the instructor are due by April 15.

4. If you would like a counselor to review your transcript (optional), please make an appointment with the counseling department at (562) 860-2451, extension 2231. Many questions can be answered by e-mail via the online counseling link, www.cerritos.edu/counseling.

5. All work experience as a physical therapist aide must be verified by a letter from your employer stating you are/were a paid employee, giving your job title, and dates of employment. Work experience in related medical fields must also be verified in the same way. To receive credit for volunteer work, documentation from site must show at least six months of volunteer service. Students will only receive credit in one category of work experience (P.T. Aide or related medical field or volunteer).

6. Application packets will be evaluated after April 15. Documents to be reviewed include the application, official transcripts, work-in-progress reports, and work verification. It is the applicant’s responsibility to verify that all required documentation has been received by the Health Occupations Division before April 15. Clearances are verified and/or points are assigned using following considerations:

   a. Admission Requirements (Prerequisites)
   b. Verified/volunteer experience in the field or work experience in related medical fields
   c. Related course work in medical and science classes
   d. General Education requirements. Point system details are available on the program website.

7. Notification of acceptance or non-acceptance will be mailed after June 15.

AFTER ACCEPTANCE AND PRIOR TO ENROLLMENT:

1. CPR for Healthcare Provider - You must present a valid CPR card for Healthcare Provider offered through the American Heart Association prior to the beginning of the program. Card must be valid throughout the duration of the program.

2. Health Clearance - Applicants must present evidence of physical fitness and ability to perform tasks required of a physical therapist assistant. Physical exam, lab, x-rays, and immunization records must be cleared and verified after acceptance into the program.

3. Criminal Background Check - Clinical placements are a mandatory component of the curriculum and will require clearance of a criminal background check. Students who do not clear agency requirements are not eligible for clinical placement and will, consequently, be ineligible to continue in the program. If there is any concern regarding clearance of a criminal background check, please contact the Health Occupations Division for additional information.

4. A drug screen may be required depending on the internship site (determined during the clinical placement process).

5. If admitted to the program, failure to present the required documents described above by the deadline may result in reversal of acceptance or dismissal from the program.

EXPENSES

Enrollment fees, lab fees, uniforms, physical exam/immunizations, background check, books, and supplies will cost approximately $3,500. Students are responsible for their own living accommodations, uniform laundry, and transportation to selected hospitals and clinics. Upon successful completion of all program requirements, the student will be eligible to receive and wear the Physical Therapist Assistant pin which is given at a graduation ceremony. The cost of the pin is the responsibility of the student.

ATTENDANCE AND SCHOLARSHIP

All students are expected to comply with the attendance requirements of the College and of the Physical Therapist Assistant Program. To remain in the program, the student must maintain a “C” or higher in all courses. Uniforms are required in all hospital lab classes (PTA 126, PTA 236, and PTA 246).

PROGRAM PROGRESSION/COMPLETION
Successful completion of all levels of course work is necessary for completion of and graduation from the program of study. In order to complete the program, the student must maintain a grade of “C” or higher whether enrolled in combined lecture/lab courses, practicums, or clinical experiences. When content is tiered, each level must be completed according to identified criteria. Upon successful completion of all program requirements, students are eligible to receive the Associate in Science degree.

**LICENSURE**

Successful completion of the Physical Therapist Assistant Program and Associate in Science Degree qualifies the graduate to take the National Examination for Physical Therapist Assistants and the California Laws Test for Physical Therapist Assistant licensure. The California Physical Therapy Board requires all licensure applicants to provide a valid U.S. Social Security Number. Additional information regarding licensure requirements, fees, etc. can be found on their website: http://www.ptbc.ca.gov.

**ASSOCIATE IN SCIENCE DEGREE REQUIREMENTS**

Complete the requirements above and General Education Requirements for CSU transfer or IGETC and any needed electives for a minimum of 60 units. The following courses are recommended for Physical Therapist Assistant students to complete the general education requirements.

**PHYSICS**

**ASSOCIATE IN SCIENCE DEGREE FOR TRANSFER (AS-T)**

Upon successful completion of Cerritos College's Associate in Science in Physics for Transfer degree, students will demonstrate breadth and depth of understanding of physics. The degree is intended for students who are interested in the field of physics and are planning on transferring to a CSU and majoring in physics, astronomy, or one of many engineering specialties.

Physics graduates with their bachelor's degrees qualify for graduate studies in physics, engineering, medical physics, geophysics, and astronomy. Physicists find rewarding careers in teaching, medicine, and industrial and governmental scientific endeavors.

**ASSOCIATE IN SCIENCE IN PHYSICS FOR TRANSFER REQUIREMENTS**

Complete 60 CSU-transferable units to include: (1) the common lower division requirements and (2) the Associate of Arts degree general education requirements for transfer to CSU (Plan B) or for IGETC (Plan C). Double-counting courses in GE and the major is permissible. Students are not required to complete any additional local requirements.

All 60 units are CSU-transferable. Students must earn a minimum grade of “C” or “Pass” in all courses required for the major or area of emphasis. An overall minimum 2.0 grade point average is required for all courses used in the degree.
**PLASTICS/COMPOSITES**

**COMPOSITES MANUFACTURING**

**ASSOCIATE OF ARTS**

Composites Manufacturing allows the student to learn specific techniques related to composite fabrication, fiberglass technology, resin transfer, and how to repair potential manufacturing defects. The student also learns the basics of plastics technology and how this relates to blueprints prepared by engineers.

**PLASTICS/COMPOSITES**

**COMPOSITE INSPECTION**

**CERTIFICATE OF ACHIEVEMENT**

The Plastics Manufacturing Technology Program provides the diverse student body in the surrounding regional community with advanced education in plastics manufacturing technology and serves as a bridge between students who seek job skills, industry certifications or Certificate of Achievement for employment. The Program provides a high quality of instruction to achieve its objectives. The Department aims to provide basic to advanced training in composite manufacturing, composite inspection, composite tool design, and plastics manufacturing. These form the fundamental skills necessary for the average and expected workload in the plastic and composite industries. Enrolled students are strongly positioned for employment in both industries throughout the course of the Program.

seek job skills, industry certifications or a Certificate of Achievement for employment. The Program provides a high quality of instruction to achieve its objectives. The Certificate of Achievement in Composite Inspection allows the student to learn basic composite fabrication, processing, dimensioning, tolerancing, testing, measuring, and computer-assisted inspecting, in the PMT, MTT, and ENGT departments. The student is able to benefit from the cooperation of those three departments to get the best possible knowledge of composite inspection. Students who complete this certificate are well positioned for both composite and plastic projects inspection.

POLITICAL SCIENCE

ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)

The goal of the program is to introduce students to the major fields of study in political science as well as the theoretical and practical aspects of government and politics. A major in political science is of benefit to students seeking careers in law, journalism, foreign affairs, economics, business, public relations, and public administration. The program includes the study of American Politics (principles, institutions, and policies) and, depending upon the student’s chosen course of study, may also include Comparative Politics (institutional structures, processes, and political cultures), International Relations (structure and operation of the international system), and/or Political Philosophy (ideas about human nature, power, justice, and the state). Completion of the degree indicates that the student will have satisfied the lower division requirements for a seamless transfer into the California State University system for political science majors.

Program Student Learning Outcomes

REQUIRED CORE (3 UNITS)

- POL 101 American Political Institution: 3 units

LIST A (Select three) 9 units

- POL 201 Introduction to Political Science and American Government: 3 units
- POL 210 International Relations: 3 units
- POL 220 Comparative Government: 3 units
- POL 240 Introduction to Political Theory: 3 units
- PSYC 210 Elementary Statistics: 4 units
- or MATH 112 Elementary Statistics (4) units

LIST B (Select two) 6 units

Any course(s) from List A not already used

- POL 230 Contemporary Political Issues: Middle East: 3 units
- POL 250* Model United Nations: Theory and Practice: 3 units
- POL 280 Gender and Sexual Identity in American Politics: 3 units
Program Student Learning Outcomes

ASSOCIATE IN ARTS DEGREE IN POLITICAL SCIENCE FOR TRANSFER REQUIREMENTS

(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

PUBLIC HEALTH SCIENCE

ASSOCIATE IN SCIENCE DEGREE FOR TRANSFER (AS–T)

The Associate in Science degree in Public Health Science for Transfer is an interdisciplinary degree grounded in the biological and health sciences that is designed to prepare leaders who promote community health, prevent disease, and improve environmental conditions where people can be healthy. The study of public health explores the factors that affect the overall health of a population and the factors that contribute to the spread, treatment, and prevention of disease. Students completing this program will exemplify a high level of health literacy and will be exposed to a wide variety of disciplines. Through this preparation, they will improve their understanding of the relationship of the environment to health, global health, public policy, and recognize and evaluate the economic impact of changing demographics on health care, identify disease outbreaks, and develop interventions to promote healthy behavior. This program is for seamless transfer to CSU.

Program Student Learning Outcomes

ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA–T)

This degree is intended for those students who are interested in Psychology and/or are planning on seamless transfer to California State University to major in Psychology. The courses in the degree will also appeal to non-majors and those students who are seeking a certificate in mental health work, and/or are interested in social work, human development, human resources, human services or obtaining a minor in psychology after transfer to a four-year university. Graduate work is extremely important in Psychology. Those holding an M.A., or Ph.D. in Psychology may find employment opportunities limited.

CALIFORNIA REAL ESTATE
CERTIFICATE OF ACHIEVEMENT
The California Real Estate Certificate is currently awarded by 90 community colleges in California. Cerritos College participates in this Statewide program and awards the California Real Estate Certificate to any day, evening or distance education student who completes this prescribed program. A student may complete only those courses required for the California Real Estate Certificate, since this is awarded independently of the Associate of Arts degree. However, students who complete the full course of study leading to that degree will automatically have completed the
requirements for, and will be awarded, the California Real
Estate Certificate. Training for the Certificate is designed so
that those seeking entry employment may prepare
themselves to take the State licensing examination for real
estate salespersons, and so that those already employed in
various branches of real estate work may gain further
knowledge and develop additional competence.

REAL ESTATE LICENSE REQUIREMENTS

1. Salesperson's License: Under the provisions of AB 2429,
original salesperson examination applicants will be
required to submit evidence of completion of a three
semester, or quarter unit equivalent, college-level course
in Real Estate Principles, Real Estate Practice and one
additional course which should be chosen from the
following list of courses:

   i. Legal Aspects of Real Estate
   ii. Real Estate Office Administration
   iii. Introduction to Real Estate Appraisal
   iv. Real Estate Finance v. Property Management
   v. Fundamentals of Escrow
   vi. Common Interest Developments
   vii. Mortgage Loan Brokering and Lending
   viii. Computer Applications in Real Estate
   ix. Real Estate Economics
   x. Business Law
   xi. Introduction to Accounting

The Department of Real Estate (DRE) will implement AB 2429
as follows:

1. Salesperson examination applications are valid for a
two-year period. Original salesperson examination
applications post marked or submitted in person to the
DRE, that contain an acknowledgement that the
applicant is enrolled in or has completed a Real Estate
Principles course, Real Estate Practice course, and one
other approved DRE course found on the Department’s
website www.dre.ca.gov/

2. Examination applications that contain proper
verification that the applicant has completed all three
required courses will be entitled to take the examination
and apply for a four-year license upon the successful
completion of the salesperson examination.

3. Broker's License: Applicants for a Broker's License must
have completed eight 3-unit college-level courses in
addition to the experience requirement*. These courses
must include the following five courses:

   i. Real Estate Practice
   ii. Legal Aspects of Real Estate
   iii. Real Estate Appraisal
   iv. Real Estate Economics or Accounting
   v. Real Estate Finance

The remaining 3 courses are to be selected from the
following:

   1. Real Estate Office Administration—Advanced Legal
      Aspects of Real Estate
   2. Advanced Real Estate Appraisal—Practices of Escrow
   3. Real Estate Principles—Business Law
   4. Property Management—Fundamentals of Escrow
   5. Computer Applications in Real Estate Mortgage Loan
      Brokering and Lending
   6. Common Interest Development

*If an applicant completes both Accounting and Real Estate
Economics, only two additional courses are required.

*Experience requirement is fulfilled by any one of the
following:

1. Two years full-time as a real estate salesperson;
2. Bachelor's degree from an accredited college or
   university; or
3. Two years employment in related industries such as
   escrow offices, banks, savings and loans, or building
   industries.

Real Estate Scholarships are available:

Please see a Real Estate department chairperson or a
Business Counselor for more information.

RECOMMENDATIONS

ASSOCIATE OF ARTS

The Associate of Arts in Religious Studies administered by
the Department of Philosophy offers a coordinated set of
classes promoting an interdisciplinary and collaborative
learning environment that is designed for understanding
contemporary religious systems and practices as they are
exhibited in the global community. It also refines students’
basic understanding of secular, religious, and philosophical
elements of religious experiences across cultures. The
Associate of Arts in Religious Studies is organized around
general education transfer courses.
Program Student Learning Outcomes

**CORE REQUIREMENTS: (15 UNITS) UNITS**

- PHIL 200 World Religions 3
- PHIL 203 Philosophy of Religion 3
- PHIL 204 Philosophy of the Bible I (Hebrew Scriptures) 3
- PHIL 206 Philosophy of the Bible II (Christian Scripture) 3
- WGS 102 Women and Religion 3

Take one of the additional courses:

- ANTH 203 The Anthropology of Magic, Witchcraft, and Religion 3
- HIST 275 Global Studies 3
- ENGL 239 Literature of India 3

**Total Certificate Requirements**

19

ASSOCIATE OF ARTS DEGREE REQUIREMENTS:

Meet the requirements for an Associate of Arts Degree in Religious Studies and complete electives and General Education requirements to achieve a minimum of 60 units.

**RELIGIOUS STUDIES**

**CERTIFICATE OF ACHIEVEMENT**

The Associate of Arts in Religious Studies administered by the Department of Philosophy offers a coordinated set of classes promoting an interdisciplinary and collaborative learning environment that is designed for understanding contemporary religious systems and practices as they are exhibited in the global community. It also refines students’ basic understanding of secular, religious, and philosophical elements of religious experiences across cultures. The Associate of Arts in Religious Studies is organized around general education transfer courses.

**CORE REQUIREMENTS: (15 UNITS) UNITS**

- PHIL 200 World Religions 3

(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

**SOCIAL JUSTICE STUDIES**

**AFRICANA STUDIES**

**ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)**

The Associate of Arts in Social Justice Studies: Africana Studies for Transfer (AA-T) degree is an interdisciplinary program designed to prepare students for seamless transfer to a CSU and toward a major in Africana Studies or those majors pertinent to race, ethnicity, and/or social justice.

**Program Student Learning Outcomes**

**REQUIRED CORE: (9 UNITS) UNITS**

- SOC 202 Gender and Society 3
- SOC 210 Race and Ethnic Relations in the U.S 3
- AFRS 100 Introduction to Africana Studies 3

**LIST A: Select three courses from at least two of the following areas (9 units)**

**AREA 1: HISTORY OR GOVERNMENT**

- HIST 110 African American History 3

**AREA 2: Arts and Humanities**

- ART 104 African Art History 3
- ART 108 Black Images in Popular Culture 3
- or HUM 108 Black Images in Popular Culture (3)
- ART 109 Gender and Sexuality in Art 3
- or HUM 109 Gender and Sexuality in Art (3)

**AREA 3: Social Sciences**

- SOC 215 Sociology of Cultural Diversity 3

**AREA 4: Quantitative Reasoning and Research Methods**

- MATH 112 Elementary Statistics 4
- or PSYC 210 Elementary Statistics (4)
- or PSYC 220 Research Methods (4)

**Total Units for the Major 18-19**

This program is designed to provide students with an introduction to the theoretical principles and practices of Social Justice Studies. Additionally, this program pays particular attention to the study of the life history, culture, and social justice traditions of Black people. This program is designed to prepare students for seamless transfer to a CSU and toward a major in Africana Studies or those majors pertinent to race, ethnicity, and/or social justice.

**SOCIAL JUSTICE STUDIES**

**LGBTQ STUDIES**

**ASSOCIATES IN ARTS FOR TRANSFER (AA-T)**

The Associate in Arts in Social Justice Studies: LGBTQ Studies for Transfer degree is an interdisciplinary program designed to prepare students for transfer to a CSU. This program is designed to provide students with an introduction to the theoretical principles and practices of
Social Justice Studies. Additionally, students will learn the terminology utilized within the academic area of LGBTQ studies, and explore the concepts of sexual orientation, gender identity, and gender expression. The degree program also promotes understanding of the intersections of LGBTQ+ identities with those of race, ethnicity, class, gender, and age, among others. Students will also learn about LGBTQ+ individuals, their contributions to U.S. and international cultures, both historical and current, and their struggles and achievements toward equal rights. This program is designed to prepare students for seamless transfer to a CSU and toward a major in LGBTQ Studies, Women's and Gender Studies, or those majors pertinent to social justice studies.

Program Student Learning Outcomes

REQUIRED CORE: (9 UNITS)  
SOC 210 Race and Ethnic Relations in the U.S.  
3  
or ETHN 210 Race and Ethnic Relations in the U.S. (3)  
WGS 140 Introduction to LGBT Studies  
3  
WGS 101 Issues for Women in American Society  
3  
or SOC 202 Gender and Society  
3  
or WGS 202 Gender and Society (3)

LIST A: Select three courses from at least two of the following areas (9 units)  
Only one course from Area 4 may be used.  
Any REQUIRED CORE course not already used

AREA 1: HISTORY OR GOVERNMENT  
HIST 204 Women in American History  
3  
or WGS 204 Women in American History (3)

AREA 2: ARTS AND HUMANITIES  
ENGL 249 LGBT Literature  
3  
ART 109 Gender and Sexuality in Art  
3  
or HUM 109 Gender and Sexuality in Art (3)  
ENGL 236 Studies in Women's Literature  
3  
PHIL 109 Philosophy of the Body, Feminism, and Gender  
3  
or WGS 109 Philosophy of the Body, Feminism, and Gender (3)

AREA 3: SOCIAL SCIENCES  
SOC 215 Sociology of Cultural Diversity: Challenge and Change  
3  
SOC 120 Introduction to Human Sexuality  
3  
ANTH 205 Anthropology of Sexuality and Gender  
3  
or WGS 205 Anthropology of Sexuality and Gender (3)  
WGS 250 Foundations of Feminist, Gender, and Queer Theories  
3

AREA 4: QUANTITATIVE REASONING AND RESEARCH METHODS  
MATH 112 Elementary Statistics  
4  
or PSYC 210 Elementary Statistics (4)  
or SOC 205 Social Research Methods (3)  
Total Units for Major  
18-19

ASSOCIATE IN ARTS FOR TRANSFER REQUIREMENTS

(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth), (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

SOCIOMETRY

ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)

Upon completion of Cerritos College, students will demonstrate breadth and depth of understanding of sociological theories, methods, and concepts. The degree is intended for students who are interested in sociology and are planning on seamless transfer to a Cal state University and majoring in sociology. In addition, this degree will appeal to non-majors who are planning to major in human services, social work, criminal justice, criminology, or other social sciences. Career opportunities for Sociology majors include Public Relations, Non-Profit Organizations, Social Services, Management, Public Administration, Marketing, Program Support/Management, Professor/Teacher, and give a general preparation for many graduate programs.

Program Student Learning Outcomes

REQUIRED CORE (9 UNITS)  
SOC 101 Introductory Sociology Principles  
3  
SOC 201 Social Problems  
3  
SOC 205 Introduction to Social Research Methods  
3  
PSYC 210 Elementary Statistics  
4  
or MATH 112 Elementary Statistics (4)

LIST A: Select Two (6 units)  
SOC 205 Introduction to Social Research Methods  
3  
SOC 110 Marriage and the Family  
3  
SOC 202 Gender and Society  
3  
or WGS 202 Gender and Society (3)  
SOC 210 Race and Ethnic Relations in the U.S.

ASSOCIATE IN ARTS IN SOCIOLOGY FOR TRANSFER REQUIREMENTS

(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE
Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

SPANISH

ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)
The Associate in Arts Degree in Spanish for Transfer (AA-T) is to prepare students with high quality education that will lead them to communicate successfully in an increasingly complex global society. Our classes empower the college’s diverse student population to appreciate the Hispanic world and have better cultural understanding. The Spanish program offers courses that will satisfy the preparation requirements courses for Spanish majors seamless transfer to the California State University (CSU).

SPANISH LANGUAGE HERITAGE SPEAKER

CERTIFICATE OF ACHIEVEMENT

This certificate prepares bilingual students to acquire an understanding of Hispanic cultures and literature to attain fluency in the Spanish language in all areas: speaking, reading and comprehension, and writing. In addition, students will enhance their critical thinking skills, and will be introduced to a variety of Latinx authors. Likewise, it will prepare students to face various professional opportunities that require the Spanish language in the workplace.

Total Certificate Requirement 19

SPEECH-LANGUAGE PATHOLOGY ASSISTANT

ASSOCIATE OF SCIENCE

A licensed Speech-Language Pathology Assistant (SLPA) is a skilled technical worker who performs speech and language therapy and clinical tasks under the direction of a Speech-Language Pathologist. Successful completion of the degree requirements leads to eligibility for state licensure as a SLPA from the California Speech-Language Pathology, Audiology, and Hearing Aid Dispensers’ Board. Licensed SLPAs have the opportunity to apply for work settings such as: in-home health; public, non-public, and charter schools; and, medical settings such as rehabilitation centers and private clinics.
I. ADMISSION REQUIREMENTS

A. Academic Prerequisites

1. All prerequisite coursework must be completed prior to submitting an application. Transcripts documenting completed coursework should be submitted with the application packet.
2. Students must have completed coursework that satisfies the Reading, Writing, and Math proficiencies for the Associate of Science degree-Plan A prior to submitting their application.
3. Students must have completed the following courses or equivalent with a grade of “C” or higher (minimum 2.0 GPA) prior to submitting their application:
   a) General Education-Natural Science Requirement: A&P 120 (Human Anatomy & Physiology) OR Anatomy 150: (Human Anatomy)
   b) General Education-Humanities Requirement: ASL 110 (American Sign Language I)
   c) CD 110 (Child Development)
   d) CDSE 150 (Introduction to Children with Special Needs)
   e) CD 139 (Observation, Assessment, and Positive Guidance of Childhood Behavior)
   f) SLP 101 (Introduction to Communication Disorders)
   g) SLP 105 (Speech and Language Development in Children)
4. Course acceptance and equivalency is based on a transcript review by a Health Occupations counselor. Recency of speech language pathology related coursework should not exceed 6 years.
5. Prior to submission of their application, students must have obtained:
   • A minimum overall 2.5 GPA for all college coursework,
   • A minimum of a grade of “C” or higher (minimum 2.0 GPA) in each prerequisite course, and
   • A minimum overall 2.5 GPA for all prerequisite courses
6. Graduates with foreign or Bachelor degrees in Speech-Language Pathology, Communication Sciences, or Communication Disorders will not be given priority. Recency of course work still applies. All foreign bachelor degrees must be verified by a Cerritos College approved agency at the student’s expense.
B. Submit completed application to the program. The application can be obtained in the Health Occupations Division Office, or online at www.cerritos.edu/slpa. Submit one unofficial transcript of all college work with the application to the Health Occupations Division office no later than April 1.

NOTES: Official transcripts sent to the Admissions and Records office WILL NOT be forwarded to the Health Occupations office for inclusion in the application file. The application and all supporting documents must be submitted to the Health Occupations Division office (11110 Alondra Boulevard, Norwalk, California 90650) by the end of business hours on April 1. Incomplete and/or late applications will not be considered.

II. SELECTION PROCEDURES
A. All required documents, including the Speech-Language Pathology Assistant Program application, and all official college transcripts must be in possession of the Health Occupations Division Office by April 1.

B. Applications will be reviewed for:
   1. Completion of prerequisite coursework
   2. Minimum of 2.0 cumulative GPA for all college coursework, minimum of a grade of "C" or higher (minimum 2.0 GPA) in each prerequisite course, and a minimum overall 2.5 GPA for all prerequisite courses
   3. Submission of required documents (i.e., transcripts, completed application forms)

C. Application packets will be reviewed after the application deadline. Notification of acceptance or non-acceptance will be sent by U.S. mail no later than by the end of the spring semester.

III. PRIOR TO ENROLLMENT
A. Upon acceptance and before enrollment, students must complete the following at their own expense:
   1. CPR for Healthcare Providers—you must present a valid CPR card for Healthcare Providers offered through the American Heart Association prior to the beginning of the program. Card must be valid for the duration of the program.
   2. Health Clearance—students must show evidence of immunizations, physical exams, and TB testing prior to enrollment in the program. Health and immunization forms will be issued to those applicants who are accepted into the program. Health forms must be reviewed and completed by the student's physician, which include technical standards/essential functions for Speech-Language Pathology Assisting (available on the program website).
   3. Criminal Background check—clinical placements are a requirement of the curriculum and will require clearance of a criminal background check. Students admitted to the program will be given instructions for completing the background check. Students who do not clear agency requirements are not eligible for clinical placement, and will consequently, be ineligible to continue in the program. If there is any concern regarding clearance of a background check, please contact the Health Occupations Division for more information.
   4. Drug screening—a drug screening may be required by specific clinical sites (determined during the clinical placement process).
   5. Official transcripts of all college work admitted to Admissions and Records.

EXPENSES
Enrollment fees, CPR training, physical exam/immunizations, background checks, books, and supplies will cost approximately $3500. Students are responsible for their own living accommodations, transportation to and from selected clinical sites, background clearance, drug screening, CPR, health clearance, and any other costs required for clinical placement clearance procedures. See the Cerritos College catalog for enrollment and out-of-state resident fees.

ATTENDANCE
Students are expected to comply with the attendance requirements of the College and the Speech-Language Pathology Assistant Program for all coursework, including clinical placements: “Students who are in excess of 10% of the total class hours are subject to drop...Certain academic and career technical education areas may have stricter attendance requirements. Listed below are two types of absences which permit the making up of work missed, provided that the work is of such a nature that it can be made up.
   1. AUTHORIZED ABSENCE: for an approved educational field trip or school activity
   2. EXCUSED ABSENCE: for illness, injury or quarantine

SCHOLARSHIP, PROMOTION
Successful completion of all levels of course work is necessary for completion of and graduation from the program of study. Students are required to maintain a grade of “C" or higher in all Speech-Language Pathology Assistant classes in order to progress in the program. Upon successful completion of all degree requirements, students are eligible to receive an Associate in Science degree. This program uses a modified grading scale for all classes, in which 76% is considered a “C". It is recommended that students who are transferring to other colleges to obtain a Bachelor's degree in Speech-Language Pathology (or related field) should meet with a Health Occupations counselor to ensure they have completed the necessary coursework for transfer, which may require additional classes beyond what is required for the
Associate in Science—Plan A. Once the degree has been conferred, students may apply to the California Speech-Langauge Pathology, Audiology, and Hearing Aid Dispensers' Board for licensure. The application and its requirements can be found at www.speechandhearing.ca.gov. It is the responsibility of the student to submit all application materials to the Board, including the verification of fieldwork hours, which must be signed by the student and the SLPA Department Chair. Completion of the program does not guarantee licensure or employment.

**SPEECH-LANGUAGE PATHOLOGY AIDE**

**CERTIFICATE OF ACHIEVEMENT**

A speech-language pathology aide works as a support professional in the field of communication disorders. This is an entry-level position in which the aide assists a Speech-Language Pathologist (SLP) in completing clerical work or therapy-related tasks. A speech-language pathology aide may only work under the direct supervision of a licensed SLP. They are required to report their employment to the California Speech-Language Pathology, Audiology, and Hearing Aid Dispensers Board. Speech language pathology aides may be employed in schools, clinics, and medical centers.

**THEATRE ARTS**

**ASSOCIATE IN ARTS DEGREE FOR TRANSFER (AA-T)**

Students wishing to earn the Associate of Arts Degree for Transfer in Theater Arts must complete the 18.5-19 units described below, the California State University General Education Breath pattern (Plan B) or the Inter-Segmental
General Education Transfer Curriculum (IGETC) pattern (Plan C), and additional transfer level electives as needed for a total of 60 transferable semester units. Students must maintain a minimum grade point average of 2.0 and earn a grade of C or better in all courses required for the major or area of emphasis. Upon completion of the Associate of Arts Degree for Transfer in Theater Arts, students will have qualified coursework for transfer into the California State University System with a general education and lower division theatre arts background that will enable them to directly transition into the CSU upper division theatre courses required for their four-year degree.

Program Student Learning Outcomes

REQUIRED CORE (9-9.5 UNITS)  
TH 101 Introduction to the Theatre  3  
or TH 102 History of the Classical Theatre  3  
TH 110 Fundamentals of Acting  3.5

Select a combination of 3 units from one of the following two groups:

TH 130 Rehearsal and Performance for the Minor Role  1
and TH 131 Rehearsal and Performance for the Supporting Role  2
or TH 132 Rehearsal and Performance for the Leading Role  3
or TH 133 Stage Crew Activity  1
and TH 134 Technical Production  2

LIST A: select a minimum of 9-9.5 units from the following
TH 111 Intermediate Acting to Characterization  3.5
TH 112 Script Analysis  3
TH 222 Stage Lighting  3
TH 221 Costuming for the Stage  3
TH 123 Stage Make-up  3
TH 120 Theatre Stagecraft  3
Total Units for the Major  18.5-19

ASSOCIATE IN ARTS IN THEATRE FOR TRANSFER REQUIREMENTS:
(1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following: (A) The Intersegmental GE Transfer Curriculum (IGETC) or the California State University GE-Breadth Requirements (CSU GE-Breadth). (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district. (2) Obtainment of a minimum grade point average of 2.0.

THEATRE ARTS

ACTING OR TECHNICAL

ASSOCIATE OF ARTS

The Theatre program provides students with a comprehensive foundation in acting, technical theatre and theatre history and practice. Upon completion, students may choose to pursue a variety of theatre and entertainment-related careers and advanced degree options. In addition, this degree may appeal to students who are interested in pursuing careers outside the Performing Arts such as Law, Business, Criminal Justice, and Psychology, as the communication, critical thinking, relational and problem-solving skills learned in the study of Theatre are applicable across a broad spectrum of professions.

Program Student Learning Outcomes

Major Requirements

TH 101 Introduction to the Theatre  3
TH 102 History of the Classical Theatre  3
TH 103 History of the Modern Theatre  3
TH 110 Fundamentals of Acting  3.5

PROFESSIONAL CERTIFICATE OF ACHIEVEMENT

ARC WELDING

ASSOCIATE OF SCIENCE

The Associate of Science degree program in Arc Welding combines general education courses with courses designed to provide students with the skills required to obtain certification in the SMAW and FCAW welding processes (e.g., multiple structural steel welding certifications). The degree program requirements include technical math skills and reading blueprints used in the industry, as well as an Advanced Arc Welding Laboratory. Students completing this program will obtain the necessary technical knowledge, practical welding skills, and welding certifications required to enter the workforce as a Welder specializing in heavy construction. Various municipalities, fabrication companies, and local unions seek capable graduates with this training to construct and maintain large scale projects such as buildings, bridges, ships, and infrastructure.

Program Student Learning Outcomes

RECOMMENDED ELECTIVES:

- MTT 100: Machine Tool Introduction 2
- WELD 254L: Pipe Welding - Level 2 2
- WELD 256L: Pipe Welding - Level 3 2
- WELD 258L: Pipe Welding - Level 4 2
- WELD 159: Welding Metal Fabrication Safety 1
- WELD 281L: Shielded Metal Arc Welding (SMAW) Speciality Lab 1
- WELD 282L: Semiautomatic Welding Process Speciality Lab 1
- WELD 283L: Gas Tungsten Arc Welding (GTAW) Speciality Lab 2
- WELD 100: Welding Fundamentals 2.5
- WELD 172L: Advanced Structural Fabrication Lab 1
- WELD 212L: Shielded Metal Arc Welding (SMAW) Certification Lab 2
- WELD 214L: Flux Cored Arc Welding (FCAW) Certification Lab 2
- WELD 220: Certification and Licensing for Welders 2
- WELD 240L: Intermediate Gas Tungsten Arc Welding Lab 2
- WELD 250L: Advanced Gas Tungsten Arc Welding Lab 2
- WELD 260L: Gas Tungsten Arc Welding (GTAW) Aerospace Certification Lab 2
- WELD 270: Structural Layout 3

WELDING TECHNOLOGY

ASSOCIATE OF ARTS DEGREE REQUIREMENTS

A minimum of 60 units must be completed to include: 1) total major requirements 2) General Education requirements, and 3) electives as needed.
WELD 210L  |  Advanced Arc Welding Laboratory  |  2

**GAS TUNGSTEN ARC WELDING**  
**CERTIFICATE OF ACHIEVEMENT**  
This certificate program includes coursework that represents the first step in preparing students to enter the Aerospace Industry as a certified welder. In addition to a course in Gas Tungsten Arc Welding Fundamentals and a beginning Arc Welding class, students will complete coursework in technical math skills and reading blueprints used in the industry. Students completing this program will obtain the necessary technical knowledge, practical welding skills, and welding certifications required to enter the workforce as an Aerospace Welder. Various local aerospace companies seek capable graduates with this training to fabricate and weld critical components used in the construction of commercial and military airplanes, rockets, satellites, and spacecraft.

ASSOCIATE OF SCIENCE REQUIREMENTS
The student must complete (1) the major requirements, (2) electives, and (3) General Education to achieve a minimum of 60 units.

WELDING TECHNOLOGY
PIPE WELDING

CERTIFICATE OF ACHIEVEMENT
This program includes coursework that is specifically designed to teach students how to custom fabricate pipe into real world applications like those found in power plants and oil refineries. Students in the program will learn the technical aspects of pipe welding data and will develop the hands-on skills leading to Pipe Welding Certifications. The program also includes coursework (including an Advanced Arc Welding Laboratory) which prepares students for multiple structural steel welder certifications. Students completing this program will obtain the necessary technical knowledge, practical welding skills, and welding certifications required to enter the workforce as a Pipe Welder. Various municipalities, fabrication companies, and local unions seek capable graduates with this training to construct and maintain pipe systems and related components.

WELDING TECHNOLOGY
WELDING FABRICATION AND LAYOUT

CERTIFICATE OF ACHIEVEMENT
The Certificate program in Welding Fabrication and Layout combines general education courses with courses designed to teach students metal fabrication and welding techniques along with proper use of industrial metal fabrication equipment used in the industry to build and fabricate everything from racecars to high rise buildings. Coursework in the certificate program also includes beginning and intermediate Arc Welding courses, as well as coursework in technical math skills and reading blueprints used in the industry. Students completing this program will obtain the necessary technical knowledge, practical welding skills, and fabrication experience to enter all forms of the metal fabrication industry. Employers seek capable graduates with these valuable skills.

CERRITOS COLLEGE 2023-24
ASSOCIATE OF SCIENCE DEGREE REQUIREMENTS
The student must complete (1) the major requirements, (2) electives, and (3) General Education to achieve a minimum of 60 units.

WOMEN’S AND GENDER STUDIES
ASSOCIATE OF ARTS
The goals and objectives of the Cerritos College Women’s and Gender Studies Program are to prepare Women’s Studies majors for an Associates in Arts degree, to transfer to four-year universities and prepare them for college work in upper division Women’s and Gender Studies courses. As such, we are committed to offering a variety of interdisciplinary courses of interest to help students meet general education units.

To qualify for a degree in Women’s and Gender Studies, students must take courses listed above and complete all A.A. Degree General Education requirements for a total of at least 60 units.

WOMEN IN MANAGEMENT
ASSOCIATE OF ARTS
The Women’s and Gender Studies and the Business Administration departments are committed to offering courses to supplement majors in related or vocational areas. The core courses offered by both departments will increase general and technical knowledge in two important areas of scholarship. The course work of Women’s and Gender Studies and Business Essentials will foster a better understanding of an increasingly complex world. With this curriculum, students learn theories and tools to better navigate a rapidly changing world, in particular the business world.

WOODWORKING MANUFACTURING TECHNOLOGIES
CERTIFICATE OF ACHIEVEMENT
The goal of the Woodworking Manufacturing Technologies Department is to provide students with high-quality woodworking education programs leading to certificates, degrees, and jobs; provide the industry with highly capable cabinet and furniture makers; provide the community with high-quality avocational woodworking education programs; provide the industry with material, process, and equipment training programs; and support other schools in the promotion and delivery of woodworking education.

Program Student Learning Outcomes
BASIC CORE COURSES  
UNITs
WMT 101 Introduction to Woodworking 3  
WMT 102 Introduction to Solid Wood Casegoods 4  
WMT 103 Introduction to Tables 4  
WMT 107 Wood Finishing 3  
WMT 118 Introduction to Woodturning 2  
WMT 151 Introduction to Faceframe Cabinetmaking 4  
or WMT 153 Introduction to Frameless Cabinetmaking (4)  
WMT 154 Introduction to Cabinet Installation 4  
or WMT 155 Architectural Millwork (4)  
Total Major Requirement 24  

RECOMMENDED ELECTIVES
WMT 187 Woodworking Machine and Maintenance Repair 1.5  
WMT 123 Decorative Boxes 4  
WMT 144 Jig and Fixtures 2  

ASSOCIATE OF SCIENCE DEGREE REQUIREMENTS
Complete a minimum of (1) 60 units to include the above major requirements, (2) the Associate of Science Degree general education requirements, (3) and electives as needed.
WOODWORKING MANUFACTURING TECHNOLOGIES
CABINETMAKING

CERTIFICATE OF ACHIEVEMENT

The Cabinetmaking program option prepares students for employment in the woodworking industry, primarily in cabinet shops. Through courses focusing on different forms of cabinetmaking, including face frame, frameless, and CNC, students learn how to use traditional woodworking machinery, hand tools, and CNC machines. Core topics include CNC and cabinetmaking, as well as design. Electives include wood finishing, veneering, and running a woodworking business. Graduates are employed as cabinetmakers, general woodworkers, CNC operators, or are self-employed. Spatial intelligence, cognitive ability, and hand-eye coordination are recommended for those entering the program.

WOODWORKING MANUFACTURING TECHNOLOGIES

CNC WOODWORKING

CERTIFICATE OF ACHIEVEMENT
The CNC Woodworking certificate option prepares students for entry-level employment in the woodworking industry, including cabinetmaking, furniture-making, sign-making, and related fields. Students learn to use leading CAD/CAM and cabinet design software (Alphacam and Cabinet Vision) to program and operate CNC equipment. Graduates are employed as CNC programmers and CNC machine operators. Computer skills, spatial intelligence, cognitive ability, and eye-hand coordination are recommended for those entering the program.

Program Student Learning Outcomes

REQUIRED COURSES

- WMT 151 Introduction to Faceframe Cabinetmaking 4
- WMT 181 Introduction to Cabinet Vision 3
- WMT 182 Alphacam and the CNC Router 4
- WMT 184 Introduction to Digital Fabrication 4
- WMT 282 Intermediate Alphacam and the CNC Router 4

Total Certificate Requirement 19

RECOMMENDED COURSES

- WMT 180 Running a Woodworking Business 3
- WMT 181L Cabinet Vision Lab 1
- WMT 183 Sketchup for Woodworkers 3

WOODWORKING MANUFACTURING TECHNOLOGIES

FURNITURE MAKING

CERTIFICATE OF ACHIEVEMENT
The Furniture Making program option prepares students for employment in the woodworking industry, primarily in custom furniture shops. Through courses focusing on tables, casegoods, and other forms, students learn how to use traditional woodworking machinery and hand tools. Core topics include furniture design and finishing. Electives include advanced casegoods, advanced tables, advanced hand-tool topics, veneering, and SketchUp. Graduates are employed as furniture makers, general woodworkers, or are self-employed. Spatial intelligence, cognitive ability, and eye-hand coordination are recommended for those entering the program.

Program Student Learning Outcomes

OPTION ONE:

FULL-TIME STUDENTS

REQUIRED CORE COURSES

- WMT 171B Topics in Cabinetmaking 6.5
- WMT 171C Woodworking Design and Fabrication 6.5
- WMT 171L Furniture Intensive Lab 2

Total Certificate Requirements for Full-time Students 24.5

OPTION TWO:

PART-TIME STUDENTS

REQUIRED CORE COURSES

- WMT 101 Introduction to Woodworking 3
- WMT 102 Introduction to Solid Wood Casegoods 4
- WMT 103 Introduction to Tables 4
- WMT 130 Furniture Design 4
- WMT 184 Introduction to Digital Fabrication 4
- WMT 201 Woodworking with Hand Tools 4

Subtotal 23

Choose from the following for a minimum of four (4) units:

- WMT 180 Running a Woodworking Business 3
- WMT 187 Woodworking Machine Maintenance and Repair 1.5
- WMT 100 Woodworking Essentials 2
- WMT 107 Wood Finishing 3
- WMT 108 Wood Carving for Furniture 2.5
- WMT 117 Woodworking Appreciation 1
- WMT 118 Introduction to Woodturning 2
- WMT 123 Decorative Boxes 4
- WMT 126 History of Furniture Design 3
- WMT 135 Windsor Chair 4
- WMT 144 Jigs and Fixtures 2
- WMT 151 Introduction to Faceframe Cabinetmaking 4
- WMT 182 AlphaCAM and the CNC Router 4
- WMT 183 SketchUp for Woodworkers 3
- WMT 202 Advanced Furniture Casegoods 4
- WMT 204 Advanced Tables 4
- WMT 205 Veneering and Marquetry 4
- WMT 221 Advanced Handtools – Handplanes 2
- WMT 222 Advanced Handtools – Joinery 2

ASSOCIATE OF SCIENCE DEGREE REQUIREMENTS:

Completion of a minimum of 60 semester units to include (1) total major requirements, (2) the general education requirements, and (3) a grade of "C" or better in all courses required by major.

ZOOLOGY

ASSOCIATE OF ARTS

Zoology is a branch of biology that studies animal life (e.g. physiology, classification, structure). Upon completion of the Associate of Art in Zoology degree, students will have gained an understanding of the fundamental principles of biology and of the scientific process, and will be able to demonstrate the analytical, critical thinking, and communication skills needed for continuing academic achievement and professional success. The Associate of Arts in Zoology degree is designed to give students a foundational degree to serve those students who wish to enter the workforce prepared with an associate degree. It may also be used as a basis for transfer to a four-year college or university, but students should consult with a counselor for guidance with their academic plan.

**ADDITIONAL DEGREE REQUIREMENTS**
NONCREDIT CAREER DEVELOPMENT AND COLLEGE PREPARATION

CERTIFICATES CERTIFICATE OF COMPETENCY
A noncredit Certificate of Competency means a document confirming that a student enrolled in a noncredit educational program of noncredit courses has demonstrated achievement in a set of competencies that prepares students to progress in a career path or to undertake degree-applicable or non-degree-applicable credit courses (CCR, Title 5, §55151(i)).

CERTIFICATE OF COMPLETION
A noncredit Certificate of Completion means a document confirming that a student has completed a noncredit educational program of noncredit courses that prepares students to progress in a career path or to take degree applicable credit courses (CCR, Title 5 §55151(h)).

ADVANCED ENGLISH AS A SECOND LANGUAGE

CERTIFICATE OF COMPETENCY
The Non-Credit Certificate of Competency in Advanced English as a Second Language is designed for students successfully transitioning from the AED High Intermediate English as a Second Language course and for students who assess with moderate to high English language skills. English listening, speaking, reading, and writing will be taught using an integrated skills approach with the main objective being to help students advance in fluency and proficiency. Special emphasis will be placed on effective communication, and on developing critical thinking skills to prepare students for success in High Advanced ESL courses, success in GED courses, and success in their community and in their workplace. The goals and objectives of Cerritos College Adult Education program are to provide quality education in preparing adults to be college and career ready.

Adult Education programs assist students in gaining the skills necessary to advance in their adult education programs, move into mainstream college programs, and/or advance in the workforce.

Program Student Learning Outcomes

RECOMMENDED COURSE
AED 42.03B ESL Conversation B 108 hours
AED.60.01 Citizenship 72 hours
AED. 48.03 Creative Writing for Seniors 36 hours

CAREER OPPORTUNITIES:
In today's workforce having a fluency in the English language is essential. The certificate in Advanced English as a Second Language will provide the English language competency skills to continue their education and obtain high school equivalency and/or continue in higher education programs.

CAREER PATHWAYS:

AUTOMOTIVE TOOLS AND EQUIPMENT

CERTIFICATE OF COMPLETION
This program is an introduction to basic hand tools, power tools, and equipment used in the automotive industry. This introductory course will provide students with little or no knowledge of the regulations and standards to enter this field and build their skills necessary to enter a CTE pathway in the automotive field. The courses will familiarize students with safety, technique, and proper handling of tools. The courses also includes the creation of practical tools and focus on application of tools. Quality craftsmanship and tool building techniques will be covered in laboratory.

Program Student Learning Outcomes

STUDENT WILL COMPLETE THE FOLLOWING COURSES:

<table>
<thead>
<tr>
<th>COURSE</th>
<th>HOURS</th>
</tr>
</thead>
<tbody>
<tr>

<td></td>
</tr>
<tr>
<td>or AED 90.07 Math Support: College Algebra</td>
<td></td>
</tr>
</tbody>
</table>
The Non-Credit Certificate of Completion College Readiness will prepare the student to successfully matriculate into college.

As a noncredit basic skills student, the transition to college will be facilitated so that enrollment and completion in the chosen career path will occur.

**COURSES IN GED TEST PREPARATION**

**IN SPANISH**

**CERTIFICATE OF COMPLETION**

DIVISION/DEPARTMENT REQUIREMENTS
AED 42.10  Spanish GED Test Prep - A
AED 42.11  Spanish GED Test Prep - B

Program Student Learning Outcomes

CAREER OPPORTUNITIES
In today's workforce having a GED certificate or high school diploma is required for many employment positions. In addition, basic skills are necessary to maintain most sustainable wage jobs.

CAREER PATHWAYS
These two courses will prepare the student to pass the GED examination consisting of social studies, science, English and math.

**COURSES IN ENGLISH AS A SECOND LANGUAGE**

**CERTIFICATE OF COMPLETION**

The Certificate of Competency is a series of ESL courses that may guide students in their English skills. The Certificate increases students' knowledge of English grammar, reading, writing, listening, and improved speaking to meet students' need for English in an academic setting, work environment, or personal goal.

Program Student Learning Outcomes

DIVISION/DEPARTMENT REQUIREMENTS
AED 42.03  Survival English as a Second Language
AED 42.14  Low Beginning English as a Second Language
AED 42.15  High Beginning ESL
AED 42.16  Low Intermediate ESL
AED 42.17  High Intermediate ESL

CAREER OPPORTUNITIES
This sequence of courses prepares students to have a working knowledge of basic English skills that will facilitate job interviews and better employment opportunities.

CAREER PATHWAYS

Upon completion of the sequence of courses students are prepared to transition to credit ESL course or credit programs at Cerritos.

**COURSES IN CAHSEE PREPARATION**

**CERTIFICATE OF COMPLETION**

COURSE REQUIREMENTS
AED 49.04  CAHSEE Math A Preparation
AED 49.05  CAHSEE Math B Preparation
AED 49.06  CAHSEE English Preparation

Program Student Learning Outcomes

**COLLEGE PLACEMENT TESTING STRATEGIES**

**CERTIFICATE OF COMPLETION**

The Non-Credit Certificate of Completion in College Placement Testing Strategies will assist students to gain conceptual knowledge about the college assessment test and improve their math, reading and writing skills.

Program Student Learning Outcomes

THE STUDENT WILL TAKE THE FOLLOWING COURSES:
AED 42.98  College Placement Testing Strategies A
AED 42.99  College Placement Testing Strategies B

CAREER OPPORTUNITIES
This certificate is intended to provide the fundamental skills in college assessment testing. Having successful and accurate assessment into college will assist with entrance to programs with many career options.

CAREER PATHWAYS
The Non-Credit Certificate of Completion College Placement Testing Strategies will prepare the student to successfully matriculate into college. As a noncredit basic skills student, the transition to college will be facilitated so that enrollment and completion in the chosen career path will occur.

**ENERGY CORPS**

**CERTIFICATE OF COMPLETION**

The Adult Education Energy Corps Certificate of Completion prepares students to work for businesses in residential and commercial energy auditing; electrical wiring and commercial lighting retrofit trade industries. Construction is one of the largest industries, offering excellent opportunities for high earnings, career advancement, and business ownership. These workforce skills are necessary to maintain well-paying and sustainable jobs. The certificate takes the student through several levels of expertise. To obtain a Certificate of Completion, students are required to complete the four (4) courses outlined below. AED 90.01 must be completed prior to enrolling in AED 90.02.
Program Student Learning Outcomes

REQUIRED COURSES
AED 90.01 Introduction to Energy Surveying
AED 90.02 Basic Electricity and Wiring Fundamentals
AED 90.03 Introduction to Lighting Retrofits
AED 90.05 OSHA-10 Training

OPTIONAL ELECTIVE
AED 90.08 Solar Energy
AED 90.09 Solar Panel Installation

This Certificate of Completion prepares students for job placement and career advancement in the fields of Energy Surveying, Basic Electricity, Wiring Fundamentals and Lighting Retrofits. In today’s workforce, having an industry certificate is highly desirable for employment in these positions. In addition, these workforce skills are necessary to enter well paying and sustainable jobs.

ENTREPRENEURSHIP SMALL BUSINESS GROWTH

CERTIFICATE OF COMPLETION
The Non-Credit Certificate of Completion in Entrepreneurship- Small Business Growth is tailored to help students build on the basics of expanding a small business. This certificate will prepare students in a broad range of knowledge in several business-related areas such as goal setting, technology, clear and effective written and oral communication, collaboration skills, and business resources. The curriculum will provide students with topics related to small business growth. These business concepts and skills are necessary to excel and identify entrepreneurial activities. There are many opportunities in entry level business support jobs, micro businesses, home-based businesses, and self-employment. The goal and objectives of Cerritos College Adult Education program are to provide quality education in preparing adults to be college and career ready. Adult Education programs assist students in gaining the skills necessary to move into mainstream college programs and/or advance in the workplace.

Student will complete the following courses:

Program Student Learning Outcomes

REQUIRED COURSES
AED 90.43 Growing a Small Business 36 hours
AED 90.41 Introduction to Small Business Finances 36 hours
Total Hours 72 hours

OR
AED 90.43S Growing a Small Business (Spanish) 36 hours
AED 90.41S Introduction to Small Business Finances (Spanish) 36 hours

GLOSSARY OF TERMS

A.A.
A.A. stands for "Associate in Arts" and can be earned at community colleges.

A.S.
A.S. stands for "Associate in Science" and can be earned at community colleges.

AD-T
AD-T stands for "Associate Degree for Transfer" and can be earned at community colleges.

Academic Probation
All colleges require students to maintain a minimum cumulative grade point average (GPA) to remain in school. Any student not maintaining satisfactory progress toward his/her educational objectives will be placed on probation for a semester.

Alumni
Graduates or former student of the college.

B.A.
B.A. stands for "Bachelor of Arts" and can be earned at a four-year institution.

Bookstore
All colleges have bookstores. It will generally stock all the books and other materials required in all the courses offered at the institution as well as providing basic sundries and clothing items.

B.S.
B.S. stands for "Bachelor of Science" and can be earned at a four-year institution.

Certificate
A short-term training program.

Class Number
A number that is used to distinguish between multiple classes of the same course. This number is used to register for the course.

Commuter
A commuter is a student who lives off-campus and drives to class, or commutes.

Co-Requisite
A course you must take concurrently with another course.

Credit Hours
Credit is given for attending one lecture hour of class each week.

Degrees
Academic titles conferred by universities and colleges as an indication of the completion of a course of study, or as an honorary recognition of achievement.

Elective
Courses students can take for credit toward their degree, but are not needed for General Education or major requirements.

FAFSA
Free Application for Federal Student Aid. The almost universal application for financial aid, including loans, grants, college work-study and other federal and state programs. It is often required before a student can be considered for scholarships also.

Full-Time Student
A student enrolled in 12 or more units in one semester.

General Education
A group of courses required to earn a degree; provides a broadly based education.

Learning and Career Pathways
Broad clusters of related majors that are groups together based on similarities across educational and career interests. They were designed to help students narrow down their interests early in their academic careers and decide on a major. All of the degree and certificate programs offered at Cerritos College...
have been grouped into one of these LCPs to help students stay on track with their educational journey.

**Major**
A concentration of courses in a specific educational area leading to a degree.

**Part-Time Student**
A student enrolled in less than 12 units in one semester.

**Pre-requisite**
A course that must be taken prior to enrollment in another course.

**Student Education Plan**
A roadmap that you and your counselor co-create together outlining the courses you need each semester to reach your educational goal of a certificate, associate’s degree, or transfer.

**Syllabus**
An outline of the course that you will be taking that provides important information such as exam dates, due dates for homework, assignments, policies, and expectations.

**Transfer**
The movement from one college or university to another. This can be transfer from another college/university to Cerritos College or from Cerritos College to the 4-year College/University. If you are transferring into Cerritos College you will work with the Counseling Office for course advisement. If you are transferring out of Cerritos College you will work with the Transfer Center.

**Transfer Credit**
Courses numbered 100 or above that meet CSU or UC requirements.

**Units**
Credit is given for attending one lecture hour of class each week.

**Waitlist**
A student is placed on the waitlist for the course when the class has reached the maximum capacity. The student should still attend the first day of the course, but it will be up to the professor to determine if the student is added.
ABRUZZESE, MARK (2005)  
Assistant Professor, Anthropology  
B.A., California State University, Fullerton  
M.A., State University of New York, Binghamton

ABING, JOSEPH (2003)  
Assistant Professor/Coach, Physical Education/ Athletics  
B.A., University of California, Los Angeles  
M.Ed., Azusa Pacific University

AGUAYO, ROBERT (2016)  
Counselor/Instructor  
B.A., California State University, Long Beach  
M.S., University of La Verne

AGUilar, Marisol (2016)  
Counselor/Assistant Professor, EOPS  
B.A., California State University, Long Beach  
M.A., California State University, Northridge

AGuilar Bastida, Rocio (2023)  
Instructor, Mathematics  
B.S., California State University, Los Angeles  
M.S., California State University, Long Beach

AGuirre, Carlos (2023)  
Program Manager, MESA  
Ph.D., Skaggs Graduate School of Chemical and Biological Sciences

Alexander, Cynthia (2000)  
Professor, Educational Technology  
B.A., California State University, Long Beach  
J.D., Western State University

Allen, Albert (2017)  
Instructor, Welding  
AA, Cerritos College

Alvarez, Lydia (2000)  
Associate Professor, English  
B.A., Pomona College  
M.A., California Polytechnic State University, Pomona

Amador, Luisito C. (2020)  
Dean, Student Equity & Success  
B.A., University of California, Santa Cruz  
M.A., Claremont Graduate University  
Ed.D, California State University, Long Beach

Andrade, Olga (2012)  
Professor, Child Development  
B.A., California State University, Long Beach

Artiga, Benjamin (2007)  
Assistant Professor, Physical Education/ Athletics  
M.A., California State University, Long Beach

Aslanyan, Kristine (2016)  
Counselor/Associate Professor, EOPS  
B.S., MA, California State University, Los Angeles

Babiar, Ryan (2016)  
Instructor, Anatomy & Physiology  
B.S., D.C., National College of Chiropractic

Bai, Xi (2023)  
Instructor, Business Administration  
B.A., Marquette University

Banuelos, Javier (2016)  
Manager, Information Technology  
B.S., M.B.A., California State University, Long Beach

Barahona, Gonzalo (2023)  
Instructor, Auto Repair  
AA, Cerritos College

Baskette, Shawna (2015)  
Dean of Academic Success  
B.A., Simon Fraser University  
M.L.I.S., University of British Columbia

Beck, Angela (2004)  
Associate Professor, Child Development  
B.A., California State University, Long Beach  
M.A., Pacific Oaks College

Bello, Francesca (2015)  
Counselor/Instructor  
B.A., California State University, Fullerton  
M.S., University of La Verne

Belroy, Barbara (2000)  
Associate Professor, Reading  
B.A., M.S., California State University, Fullerton  
M.A., California State University, Long Beach

Betancourt, David (1999)  
Professor/Director of Bands, Music  
B.M., Berklee College of Music  
M.M., N. Arizona University  
DMA, University of Southern California

Beyene, Aemiro (2013)  
Associate Professor, Mathematics  
B.S., M.S., California State University, Northridge

Binning, Michael (2015)  
Assistant Professor, English  
B.A., University of California, Santa Barbara  
J.D., University of California, Davis School of Law

Bodmer, Ryan (2022)  
Instructor, Administration of Justice  
B.S., University of Phoenix  
MPA, Chapman University

Borio, Steve (2023)  
Instructor, Auto Repair  
AA, Cerritos College

Bonness, Nicholas Sean (2016)  
Associate Professor, Chemistry  
B.S., University of California, Los Angeles  
Ph.D, University of California, Santa Barbara
BRACAMONTES, APRIL (2012)  
Professor/Director of Forensics/Speech  
B.A., Point Loma Nazarene  
M.S., Pepperdine University  
Ed.D., California State University, Fullerton

BRADLEY, JEFFERY (1999)  
Professor, Chemistry  
B.S., Biola University  
M.S., California State Polytechnic University, Pomona

BRADY, MARY ELLEN (2004)  
Professor, Real Estate  
A.A., Cerritos College  
B.A., Azusa Pacific University

BRAMMER, ROBYN DANIELLE (2004)  
Vice President of Student Services/Assistant Superintendent  
B.A., Westmont College, Santa Barbara  
M.A., Trinity International University, Illinois  
Ph.D., University of Southern California, Los Angeles

BROOKS, KELLI (2006)  
Professor, Nursing  
B.S., M.S., California State University, Dominguez Hills

BROWN, CHRISTIAN (2017)  
Instructor, Journalism  
M.S., University of Southern California

BROWN FARR, NADINE A. (2019)  
Professor, Nursing  
M.P.H., University of the West Indies  
M.S.N., Charles Drew University of Medicine & Science  
D.N.P., California State University, Consortium

BUDARIN, DMITRI (2003)  
Professor, Mathematics  
B.S., M.S., Moscow State University

BUENO, NI (2005)  
Assistant Professor, Fitness  
B.S., University of South Florida  
M.S., United States Sports Academy  
Ed.D., Pepperdine University

BURGOS, KATHRYN (2015)  
Accounting Manager  
B.A., California State University, Dominguez Hills

BUVINGER, NANCY (2017)  
Director of Human Resources/Risk Management  
B.S., Phillips University  
M.A., California State University, Bakersfield

BYUN, EUI WON JAMES (2004)  
Associate Professor, Mathematics  
B.A., M.A., California State University, San Bernardino

CAMINITI, CAROL (2005)  
Professor, Nursing  
A.S., Long Beach City College  
B.S., California State University, Fullerton  
M.S., California State University, Long Beach

CAMPOLO, ROBERT B. (1997)  
Professor, Film  
B.F.A., School of Visual Arts  
M.F.A., University of California, Los Angeles

CARRILLO, ROSA (2012)  
Counselor/Associate Professor  
B.A., California State University, Long Beach  
M.A., San Diego State University

CARTER, SHERYL (2021)  
Manager, Partnership for Adult Academic and Career Education  
B.A., M.A., National University  
Ed.D., University of Southern California

CASAS, RALPH P. (1995)  
Professor, Pharmacy Technology  
A.A., Whittier College  
M.A., Fuller Theological Seminary  
Ph.D., University of Southern California

CASILLAS, ROCIO (2003)  
Counselor/Assistant Professor  
B.A., University of Southern California  
M.A., Loyola Marymount University

CASTILLO, KEVIN (2022)  
Counselor  
A.A., Rio Hondo College  
B.A., California State University, Fullerton  
M.S., California State University, Long Beach

CASTRO, MARIA (2019)  
Athletic Director  
B.S., California State University, Fullerton  
M.S., University of Nevada, Las Vegas

CASTRO, RIGOBERTO (2015)  
Counselor/Instructor  
B.A., M.S., California State University, Long Beach

CERROS GUTIERREZ, MERCEDES (2022)  
Vice President of Human Resources/Assistant Superintendent  
B.A., M.A., Loyola Marymount University  
M.A., California State University, Los Angeles  
Ph.D., California State University, Pomona

CHEATHAM, TERESA (2012)  
Associate Professor, English  
B.S., California State University, Dominguez Hills

CHEN, KEVIN (2022)  
Instructor, Chemistry  
B.S., University of California, San Diego  
M.S., California State University, Fullerton  
Ph.D., University of California, Irvine
CHEW, HARVEY (2022) Counselor  
B.S., M.A, California State University, Long Beach

CHI, WINSTON EDWARD (2019)  
Associate Professor, Economics  
B.S., Stanford University  
M.A., University of California, Irvine  
Ph.D., University of Southern California

CHISUM, ANTHONY (2017)  
Assistant Professor, Automotive Collision Repair  
AA, Cerritos College  
B.A., Northwood University

CHO, ANGELA (2013)  
Associate Professor, Mathematics  
B.A., University of California, Los Angeles  
M.A., University of California, Riverside

CHRISTENSEN, VALERIA (2010)  
Instructor, Physical Therapist Assistant  
B.S., D.P.T., University of Southern California

CLIFFORD, STEPHEN (2003)  
Professor, English  
B.A., Assumption College  
M.A., Marquette University  
Ph.D., University of Washington

COLE, ERIN (2017)  
Assistant Professor, English  
B.A., University of California, Riverside  
M.A., Chapman University

CONLEY, ANGELA (2004)  
Associate Professor, Mathematics  
B.A., M.A, California State University, Fullerton

CONTRERAS, ANNE C. (2019)  
Instructor, Dental Assisting  
B.A., Brandman/Chapman University  
M.Ed, University of San Diego

COOK, SHAUN (2022)  
Instructor, Chemistry  
B.A., M.S, California State University, Fullerton  
Ph.D, Pepperdine University

COOKE, MELODIE (2004)  
Professor, Nursing  
A.S., San Bernardino Valley College  
B.S., B.S.N, M.S.N, University of California, Los Angeles

CORONA RAMIREZ, DESIREE (2023)  
Counselor  
B.S., California State University, Long Beach  
M.S., Azusa Pacific University

CORTÉZ, DANIELA (2016)  
Assistant Professor, Mathematics  
B.S., M.S, California State University, Long Beach

COSIO, LYDIA (2008)  
Professor, Dental Assisting  
AA, Cerritos College  
B.S., California State University, Long Beach

COVILL, MATTHEW (2004)  
Associate Professor, Biological Sciences  
B.S., M.S, California State University, Long Beach

DALTRO, MARCELA (2016)  
Associate Professor, Business Administration  
B.A., California State University, Fullerton  
M.S., Chapman University

DANIELO, JA’NET (2012)  
Associate Professor, English  
B.A., New York University  
M.F.A, California State University, Long Beach

DAVIS, JULIE E. (2011)  
Associate Professor, History  
B.A., M.A, California State University, Fullerton

DEKRAKER, DANIEL (2011)  
Professor, Earth Science  
B.A., Calvin College  
M.A, California State University, Fullerton

DELAWALLA, NOORALI (2012)  
Director of Fiscal Services  
B.S., Premier College

DEMICHELE, ANNA (2004)  
Professor, Music  
M.A, Ph.D, Claremont Graduate University

DUFF, KIMBERLEY (1999)  
Professor, Psychology  
B.A., University of California, Santa Barbara  
M.A, Ph.D, University of Illinois, Chicago

DUNK, JASON (2022)  
Instructor, Theatre  
BFA, M.F.A, University of Idaho

DUNN, MATTHEW (2017)  
Instructor, Sociology  
M.A, Ph.D, University of California, Riverside

EDWARDS, CARRIE E. (1997)  
Professor, Health, Fitness/Wellness  
B.A., New York University  
M.A, PhD, University of Southern California

ELQUIZABAL, CHRISTOPHER (2021)  
Dean, Student Accessibility Wellness  
B.A, California State University, Long Beach  
M.A. Ed, Harvard Graduate School of Education  
Ed.D, University of California, Los Angeles

FAGUNDES, MICHELLE (2015)  
Instructor, English  
B.A, California State University,Fullerton  
M.A, California State University, Long Beach

FALCON, DENNIS P. (1997)  
Assistant Professor, Political Science  
B.A, California State University, Long Beach  
M.P.A, Southern Illinois University

FERNLEY, NATHAN (2023)  
Instructor, Kinesiology; Coach, Baseball  
B.A, M.S, United States Sports Academy

FERNANDEZ, CHRISTINA (2001)  
Associate Professor, Photography  
B.A, University of California, Los Angeles  
M.F.A, California Institute of Arts

Professor, History  
B.A, M.A, M.A, California State University, Northridge

FERRE, CAMERON ROBERT (2019)  
Instructor, Automotive Collision Repair  
B.A, California State University, Fullerton

FIERRO, JOSE L. (2015)  
President/Superintendent  
D.V.M, University of Applied Sciences, Bogota, Columbia  
M.S, Nova Southeastern University  
Ph.D, Northcentral University

FIGUEROA, MELISSA (2023)  
Instructor, Welding  
B.A, University of California, Irvine
FISHER, CHELENA (2015)  
Counselor/Associate Professor  
B.A., California State University, Long Beach  
M.S., University of La Verne  
Ed.D., California State University, Long Beach

FLANAGAN, ELIZABETH (2023)  
Instructor, Business Communication, Office Technology  
B.A., Harvard University  
M.B.A., University of Virginia

FLORES, JOHN (2023)  
Instructor, Chemistry  
B.S., M.S., San Francisco State University

FOAT, REUBEN (2016)  
Professor, Woodworking  
B.S., University of Wisconsin  
M.F.A., San Diego State University

GALLARDO, BERENICE (2015)  
Counselor/Associate Professor  
B.A., University of California, Santa Barbara  
M.S., University of La Verne

GARCIA, ALIETY (2016)  
Counselor/Instructor, Adult Education  
B.A., California State University, Fullerton  
M.A., Capella University

GARDNER, DANIEL (2015)  
Instructor, English  
B.A., M.A., Ph.D., University of California, Los Angeles

GARRIOTT, DONALD (2008)  
Specialist DSPS/Assistant Professor (LD) Student Accessibility Services  
B.A., California State University, Dominguez Hills  
M.S., National University

GEORGE, PATTY (1999)  
Professor, Mathematics  
B.A., M.A., M.S., University of California, Riverside

GIBSON, DIONNE (2015)  
Associate Professor, Child Development  
B.S., California State University, Fullerton  
M.A., California State University, Long Beach

GOMEZ, BELLEGRAN (2011)  
Director of Community Advancement  
B.S., M.P.L., University of Southern California

GONZALEZ, JOANA (2002)  
Assistant Professor, English  
B.A., M.A., University of California, Irvine

GONZALEZ, KERI (2010)  
Professor, Nursing  
A.A., Cerritos College  
B.S.N., M.S.N., University of Phoenix

GONZALEZ, RUBEN (2014)  
Instructor/Coach, Physical Education/Athletics  
B.A., California State University, Los Angeles  
M.A., Loyola Marymount University  
California State University, Dominguez Hills

GOODE, RYAN (2017)  
Instructor, Geography  
M.A., California State University, Long Beach  
Ph.D., University of California, Santa Barbara

GRADIN, SUSAN (1999)  
Professor, Child Development  
B.A., University of California, Santa Barbara  
M.A., Pepperdine University

GRAF, MARVELINA (2004)  
Counselor/Assistant Professor  
B.A., University of California, Santa Barbara  
M.S., University of La Verne

HEMMERLING, KARI (2016)  
Instructor, Reading  
B.S., University of Southern California  
M.A., Concordia University

HELMERLING, KARI (2016)  
Instructor/Coach, Health/Physical Education/Volleyball  
B.S., University of California, Irvine  
M.A., Concordia University

HENDERSON, SCOTTIE (2010)  
Professor, Biology  
B.A., University of California, Santa Cruz  
Ph.D., University of Washington
HERNANDEZ-GARCIA, NELLIE (2016) Counselor/Assistant Professor, CalWORKs
BA, MS, California State University, Los Angeles

HERRERA, VERONICA (2011) Counselor/Professor
BA, MS, California State University, Long Beach

HILL, SHELIA (2012) Counselor/Instructor
B.A., M.Ed., University of South Carolina
Ed.D., California State University, Long Beach

HILL, BRIAN (2023) Captain, Campus Police

HIROHAMA, STEVEN (2005) Professor, Film
BA, B.F.A., University of Hawaii, Manoa
M.F.A., University of California, Los Angeles

HIVELEY, RACHEL L. (2019) Assistant Professor, Nursing
B.S.N., M.S.N., University of Texas at Arlington

HOLLINESS, DAHLENE (2015) Assistant Professor/Counselor, Student Accessibility Services
B.S., Union Institute and University M.S., University of La Verne

HOLZGANG, AMY (2001) Professor, Sociology
BA, University of California, San Diego
MA, Ph.D., Syracuse University

BA, MA, Ed.D, California State University, Fullerton

HOYOS VENCES, ELIZA ANABEL (2022) Dean, Counseling Services
BA, University of California, San Diego
MA, Loyola Marymount University
Ed.D., California State University, Long Beach

HROCH, AMBER MICHELLE (2020) Director, Institutional Effectiveness, Research, & Planning
B.S., California State University, Santa Barbara
M.Ed., University of Southern California
Ph.D., University of California, Los Angeles

HU, JIANLI (2015) Professor, Business Administration
MA, Ph.D., Washington State University

HUA, LINDA (2014) Instructor, English
BA, Loyola Marymount University
MA, California State University, Long Beach

HUESCA, CLAUDIA (2022) Instructor, Spanish
BA, University of California, Berkeley
MA, California State University, Long Beach
M.A., California State University, Dominguez Hills

HURTADO, HENRIETTA (2001) EOPS Counselor/Assistant Professor
BA, California State University, San Diego
MA, University of Redlands

INGSTAD, CHRISTOPHER MARK (2019) Associate Professor, Physical Therapist Assistant
BA, California State University, Dominguez Hills
D.P.T., University of St. Augustine for Health Sciences

IWAZ, NICOLE (2016) Associate Professor, Geology
B.S., M.S., University of California, San Diego

JANKOWSKI, JERRY (2023) Instructor, Graphic Designer
B.F.A., Arizona State University
M.F.A., University of Illinois

JARRETT, GEORGE (2004) Professor, History
BA, University of California, Santa Cruz
MA, University of California, Davis

B.S., California State University, Fullerton
M.S., Louisiana Tech University

JIMENEZ, FERNANDO (2017) Instructor, Administration of Justice
B.S., University of Phoenix
M.S., Tiffin University

JOHNSON, DEBRA L. (1990) Professor, Accounting
BA, California State University, Fullerton

JUNTILLA, TIMOTHY J. (1997) Professor, English
BA, California Lutheran University
M.S., Illinois State University

KALT, KOLEEN (2011) Professor, English
BA, Boston University
MA, California State University, Long Beach

KAYSER, LANCE (2006) Professor, English
BA, Biola University
MA, California State University, Fullerton

KOZLOWSKI, TRISHA (2015) Instructor/Coach, Physical Education/Athletics
BA, California State University, San Bernardino
M.S., California State University, Fullerton

LA VIGNE, STEVEN (2012) Counselor/Professor, Student Accessibility Services
MA, M.S., B.S., Eastern Washington University
Ed.D, Brandman University

LACY, TOR (2005) Associate Professor, Earth Science
B.S., University of California, Santa Barbara
M.S., California State University, Long Beach

LANTZ, TERESA (2002) Professor, Accounting/Finance
B.S., M.B.A, California State University, Long Beach

LAVARIERE, CYNTHIA (2000) Professor, Assistant Director of Forensics/Speech Communication
BA, Point Loma Nazarene College
MA, California State University, Fullerton
Ed.D., University of Phoenix

LEE, RANDY (2016) Career Counselor/Instructor
BA, California State University, Long Beach
M.S., University of Southern California

LEON, JR. RUBEN (1990) Assistant Professor, Mathematics
B.A., M.A., California State University, Long Beach
LEW, ERNEST (2011)  
Instructor, Culinary Arts  
B.A., University of California, Irvine  
M.B.A., California State University, Fullerton

LEWANDOWSKI, PAMELA (2000)  
Assistant Professor, Mathematics  
B.S., M.S., California State University, Long Beach

LEWANDOWSKI, THOMAS (2002)  
Assistant Professor, Mathematics  
B.S., University of Wisconsin  
M.S., California State University, Long Beach

LEWELLEN, RITA (2002)  
Professor, Psychology  
B.A., M.A., California State University, San Marcos  
Ed.D., Argosy University

LI, DEJUN (2016)  
Associate Professor, Engineering Design  
B.S., M.S., Shan Dong University of Technology

LIVINGSTON, ROBERT (2001)  
Professor, Business Administration  
B.S., M.A., University of San Francisco  
Ph.D., Capella University

LO VETERE, CRYSTAL (2004)  
Professor, Earth Science  
A.A., Fullerton College  
B.A., M.A., California State University, Fullerton  
Ed.D., University of Southern California

LOEKA, DIANE M. (2007)  
Assistant Professor, Dental Hygiene  
B.S., M.S., California State University, Long Beach

LOGAN, MARK B. (2012)  
Director of Procurement & Contract Services  
A.A., Saddleback College  
B.A., California State University, Fullerton  
M.P.A., California State University, Long Beach

LOPEZ, FELIPE (2017)  
Executive Vice President of Business Services  
B.A., California Baptist University

LOPEZ, JESUSITA (2007)  
Assistant Professor, Culinary Arts  
A.A., Cerritos College  
B.S., California State University, Long Beach

LOPEZ, MANUEL (2001)  
Professor, Mathematics  
B.S., M.A., University of California, Los Angeles  
M.A., California State University, Fullerton

LOPEZ, MONICA (2004)  
Associate Professor/Librarian, Library  
B.A., California State University, Fullerton  
M.L.I.S., San Jose State University

LOPEZ CALDERON, ALEJANDRA (2023)  
Instructor, Mathematics  
B.S., M.S., California State University, Long Beach

LOU, RENAI ZHIHONG (2007)  
Professor, Chemistry  
M.S., The State University of New Jersey, Rutgers  
Ed.D., University of Southern California

LOU, ZHENG (2000)  
Professor, Computer & Information Sciences  
B.E., University of Shanghai for Sciences & Technology  
M.S., University of Massachusetts, Amherst

LOUCKS, ERIC (2023)  
Instructor, Woodworking Manufacturing  
B.A., University of California, Santa Barbara  
M.F.A., Rhode Island School of Design

LOVEJOY-ROBOLD, NICOLE M. (2011)  
Instructor, English  
B.A., M.A., Claremont Graduate University

LUNA, MERCEDES (2023)  
Instructor, Kinesiology  
B.S., California State University, Long Beach  
M.A., Fresno Pacific University  
Ph.D, California State University, Fullerton

LUNDEEN, BRITTANY (2004)  
Counselor/Assistant Professor  
B.A., California State University, Fullerton  
M.S., California State University, Long Beach

MACDEVITT, JAMES (2005)  
Associate Professor, Art History  
B.A., M.A., University of California, Riverside

MACIAS, JOHN (2016)  
Assistant Professor, History  
B.B.A., Loyola Marymount University  
M.A., Ph.D., Claremont Graduate University

MACIAS, SERGIO (2005)  
Assistant Professor, Athletics  
B.A., Whittier College  
M.A., California State University, Los Angeles

MAHONEY, MICHELLE (2016)  
Counselor/Associate Professor  
B.S., Woodbury University  
M.S., Ph.D., California State University, Long Beach

MAKAREM, NASIBA (2011)  
Professor, Pharmacy Technology  
Ph.D., University of the Pacific

MALIG, JANET (2009)  
Director of Advanced Transportation Technologies Project  
B.A., California State University, Fullerton  
M.B.A., Chapman University

MARIANI, ILVA (2000)  
Associate Professor, Mathematics  
B.S., University of Zagreb, Croatia  
M.S., California State University, Long Beach

MARINELLI, ANALIA (2023)  
Instructor, English  
A.S., Mt. San Antonio College  
B.A., Pitzer College  
M.A., California State University, Fullerton

MARTINEZ, ANGEL (2023)  
Instructor, History  
B.A., M.A., California State University, Long Beach
MARTINEZ, MAYRA (2023)
Instructor, English as a Second Language
B.A., M.A., California State University, Dominguez Hills

MARTINEZ, RACHEL (2016)
DSPS Disability Specialist/Assistant Professor Student Accessibility Services
B.A., California State University, Fullerton
M.A., California State University, Dominguez Hills

MATSUURA, KENNETH (1990)
Counselor/Professor
B.A., California State Polytechnic University, Long Beach
M.A., University of California, Los Angeles

MATTHEWS, NICHOLAS (2016)
Assistant Professor, Forensics/Speech
B.A., University of California, Los Angeles
M.A., Ph.D., University of California, Los Angeles

MATTHEWS, NICHOLAS (2016)
Assistant Professor, Forensics/Speech
B.A., University of California, Los Angeles
M.A., Ph.D., University of California, Los Angeles

MAY, RUSSELL (2010)
Instructor, Health, Physical Education/Athletics
A.A., Cerritos College
B.A., California State Polytechnic University, Pomona
M.Ed., Azusa Pacific University

MAZ, ANDREW (2012)
Professor, Commercial Music
M.M., D.M.A., University of Southern California
M.A., University of California, Los Angeles

MCCANCE, IAN (2012)
Associate Professor, Mathematics
B.S., M.S., California State University, Long Beach

MCDONALD, SUSAN L. (2011)
Instructor, Speech Language Pathology
B.A., Western Washington University
M.S., University of Vermont

MCGAUGHEY-GILREATH, CHRISTEN (2022)
Instructor, English
B.A., University of California, Irvine
M.A., California State University, Fullerton

MCILROY, LEEANNE (2016)
Instructor, ESL
B.A., University of California, Los Angeles
M.A., California State University, Long Beach

MCKINLEY, COLLEEN (2016)
Director, Educational Partnerships & Programs
B.A., University of California, Irvine
M.A., California State University, Fullerton

MCNULTY, JACOB (2017)
Assistant Professor, Physics
B.S., California State University, Fullerton

MELAS, DEAN (2000)
Professor, Computer & Information Sciences
B.A., B.S., California State University, Fullerton

MENDEZ, MARIA (2000)
PeopleSoft Database Administrator
B.A., California State University, Long Beach

MENNELLA, HILLARY (2014)
Associate Dean of Student Health & Wellness Services
B.S., John Hopkins School of Nursing
B.S., Virginia Polytechnic Institute & State University
M.A., California State University, Long Beach
D.N.P., Duke University School of Nursing

MERA, CARLOS (2015)
Instructor, Physics
B.S., California State University, Fullerton

MICIC, MIODRAG (2012)
Professor, Engineering Technology
Sc.D., M.Sc., B.Sc., B.Ed., University of Belgrade
B.Eng., Polytechnic Academic
M.T.M., Washington State University
Ph.D., University of Miami

MILLER, ELIZABETH (2017)
Dean, Student Services
B.A., MA, California State University, Long Beach
Ed.D, California State University, Long Beach

MILES, ERIN (2021)
Director, Diversity, Compliance, and Title IX Coordinator
B.A, California State University, Fullerton
J.D., University of District Columbia

MITCHELL-LAMBERT, JANET (2017)
Assistant Professor, English
B.A., University of California, Los Angeles
M.A., California State University, Los Angeles

MITTENDORF, ROBERT WILLIAM (2019)
Assistant Professor, Philosophy
B.A., Pitzer College
M.A., Ph.D., Claremont Graduate University

Vice President, Academic Affairs
B.A., Drake University
M.A., California State University, Long Beach
Ph.D., University of Georgia

MOLONEY, PETER (2002)
Professor, Accounting/Finance
B.S., M.B.A., California State Polytechnic University, Pomona

MOORE, DEBRA (2001)
Professor, Librarian
B.A., Oberlin College
M.A., Division, Andover Newton Theological School
M.L.S., University of California, Los Angeles

MORALES, MANUEL (2016)
Assistant Professor, Mathematics
B.A., San Diego State University
M.S., California State University, Los Angeles

MORENO, JUDE (2014)
Assistant Professor, Nursing
B.S.N., M.S.N., Mount St. Mary’s College

MORIARTY, CYNTHIA (1992)
Professor, Business Administration
A.A., Fullerton Junior College
B.S., California State University, Fullerton
M.B.A., University of La Verne

MOSKUN, AMY (2016)
Professor, Chemistry
B.A., Linfield College
Ph.D., University of Southern California

MUeller, DONALD M. (2020)
Chief, Campus Police
B.A., University of California, Irvine
RAMIREZ, JORGE (2022)
Instructor, Business Administration
MBA, PhD, La Sierra University

RAMIREZ-HAN, JANET (2016)
Instructor, Cosmetology
B.S., California State University, Long Beach

RAMOS, GERARDO R. (2011)
Professor, Business Administration
BA, M.B.A, California State University, Fullerton

REAL, YANNICK (2000)
Instructional Dean, Technology, Machine Tool Technology
B.S., University of Metz
M.S., California State University, Long Beach
Engt., University of Southern California
Ed.D., Pepperdine University

REITER, BRANDT (2016)
Associate Professor, Theatre/Acting
BA, Temple University
M.F.A, Sarah Lawrence College

REYES, JESUS (2023)
Instructor, Anatomy & Physiology
B.S, M.S., California State University, Long Beach

RICHARDSON, CHRISTOPHER (2012)
Instructor/Coach, Physical Education/Athletics
BA, California State University, Long Beach
MA, Concordia University

RIEDEL, PATRICIA (2003)
Professor, Nursing
B.S., California State University, Los Angeles
M.S., California State University, Long Beach

RIGBY, JEFFREY (1991)
Professor, Anthropology
BA, M.A, University of California, Los Angeles

RILEY, ELIZABETH IONA (2022)
Instructional Dean, Health Occupations
BA, Chapman University
MA, Ph.D, Southern Methodist University

ROBERTO FLORES, JOSE (2023)
Instructor, Spanish
BA, University of California, Irvine
MA, University of Texas
Ph.D, Arizona State University

ROBERTSON, REBECCA ANN (2022)
Manager, Interim Facilities

ROBBINS II, HAROLD J. (2012)
Instructor, Nursing
M.S.N, University of Phoenix

ROBINSON, DONNA R. (2021)
Instructor, Art
BA, Kansas City Art Institute
MA, California State University, San Bernardino

RODARTE, DAVID (2017)
Counselor/Instructor, Student Accessibility Services
M.S, California State University, Long Beach

ROJAS, SANTOS (2012)
Assistant Professor, Microbiology
B.S, Arizona State University
Ph.D, University of California, Irvine

ROMERO, GUSTAVO (2015)
Counselor/Instructor
BA, California State University, Los Angeles
MS, California State University, Long Beach

ROMO, SIENNA (2023)
Instructor, Nursing
AA, Cerritos College
B.S, University of Phoenix
M.S, Capella University

RONQUILLO-ADACHI, JACLYN (2011)
Professor, Psychology
MA, Ph.D, University of Southern California

ROSENBLATT, STEPHANIE (2012)
Professor/Librarian
BA, B.S, University of Texas M.L.S., Queens College
M.S, Pace University

ROSENFELD, KIMBERLY (1999)
Professor, Speech Communication
BA, M.A, California State University, Fullerton
Ph.D, University of California, Los Angeles

ROSS, CLARA (2014)
Career Counselor/Associate Professor
BA, University of California, Berkeley
MA, California State University, Long Beach

RUZ, MONICA (2023)
Counselor
BA, California State University, Long Beach
M.Ed., University of Southern California

SAID, ASMA WASEF (2019)
Instructor, Physics
B.S, M.S, Kuwait University
Ph.D, Capella University

SALAZAR, FELIPE (2014)
Veterans/General Counselor/Instructor
BA, California State Polytechnic University, Pomona
M.S, University of La Verne

SALAZAR, MICHAEL (1998)
Administrator, Peoplesoft Database
AA, Cerritos College

SANCHEZ, VERONICA (2015)
Associate Professor, Psychology
BA, California State University, Long Beach
MA, Ph.D, University of California, Riverside

SARTIN, NATALIE (2016)
Associate Professor, English
BA, MA, California State University, Dominguez Hills
MA, California State University, Long Beach
Ed.D, California State University, Fullerton

SCOTT, KAITLIN (2016)
Instructor, Librarian (Instructional Specialist)
BA, University of California, Los Angeles
M.L.I.S., San Jose State University
MA, University of California, Irvine

SELORIO, CONRAD (2014)
Manager, Budget
BA, University of Southern California

SEPULVEDA, PAMELA MARIE (2020)
Case Manager, Basic Needs
B.S, California State University, Fullerton
M.S.W, University of Southern California

SERA, JUAN CARLOS (2018)
Manager, Operations

SERWIN, LYNN A. (1997)
Professor, English
BA, California State University, Fullerton
MA, California State Polytechnic University, Pomona
SHAH, NISHI (2004)  
Professor, English  
B.A., M.A., California State University, Fullerton

SIMOTAS, MICHELLE (2022)  
Dean, Academic Affairs and Strategic Initiatives  
B.A. San Francisco State University  
M.A., Mills College  
M.S., California State, East Bay

SHORE, MARLENA (2015)  
Instructor, Dental Hygiene  
B.S., Northern Arizona University  
M.S., Loma Linda University

SMITH, PATRICIA ROBBINS (2002)  
Director, Special Support Programs  
B.A., University of California, Los Angeles  
M.S., California State University, Fullerton  
Ed.D., University of California, Irvine

ST. JOHN, H. KATE (2016)  
Instructor, Psychology  
B.A., MA, Auburn University  
MA, Claremont Graduate University

STIEBER, MICHELLE (2011)  
Assistant Professor, Biology  
B.S., University of California, Los Angeles  
Ph.D., City of Hope

STOLZE, TED (2004)  
Professor, Philosophy  
B.S., Davidson College  
MA, Ph.D., Claremont Graduate University

SUGIHARA-CHEETHAM, JOANN (2002)  
Assistant Professor, English as a Second Language  
B.S., University of California, Riverside  
M.A., California State University, San Francisco

SZABO, THAD (2009)  
Professor, Physics/Astronomy  
B.A., University of Pennsylvania  
M.A., Florida State University  
Ph.D., University of Southern California

TAFOYA, YVETTE (2004)  
Dean, Enrollment Services  
AA, Cerritos College  
B.A. California State University, Fullerton  
M.S., California State University, Long Beach

Professor, Welding  
AA, Cerritos College  
B.V.E., California State University, Long Beach

TCHULLUAN, LAURA (2023)  
Professor, Paralegal  
BA, University of California, Riverside  
J.D., University of the Pacific, McGeorge School of Law

TERAN, SERGIO (2014)  
Instructor, Art  
BA, Art Center of Design  
MA, New York University

TORRES, MARIA DE LA LUZ (2009)  
Assistant Professor, Mathematics  
B.S., MA, California State University, San Bernardino

TRAGER, JULIE (2001)  
Professor, Art History  
B.F.A., Rhode Island School of Design  
M.F.A., Bard College

TRINH, THANH (2017)  
Associate Professor, Instructor, Mathematics  
M.S., California State University, Long Beach

TSANG, WILLIAM (2016)  
Instructor, Accounting  
B.A., University of California, Berkeley  
M.B.A., University of Southern California

TSUHAKO, JOY JUNJI (2019)  
Instructor, Sociology  
B.A., California State University, Long Beach  
M.A., California State University, Fullerton

TVDILL, CAROL C. (2011)  
Professor, Anatomy & Physiology  
B.S., DVM, University of California, Davis

UGALDE, MARIA (2016)  
Instructor, Spanish  
B.A., M.A., California State University, Long Beach

UKITA, TRACI (2001)  
Counselor/Associate Professor  
B.A., University of California, Los Angeles  
M.S., California State University, Long Beach

VALCARCEL, ANNA (2012)  
Assistant Professor, Biology  
M.S., California State University, Long Beach

VITELA, LISA (2012)  
Professor, Art History  
M.A., Ph.D., University of California, Los Angeles

WALDMAN, LINDA S. (1997)  
Professor, Chemistry  
A.S., Cypress Community College  
B.S., California State University, Long Beach  
M.S., Ph.D., University of California, Irvine

WALSH, MIA SARAH (2017)  
Counselor/Assistant Professor  
M.S.W., California State University, Fullerton
WANG, LYNN (2015)  
Counselor/Associate Professor, Financial Aid  
B.A., University of California, Berkeley  
M.A., California State University, Long Beach  
Ed.D., California State University, Fullerton

WARD, DEBRA SUE (2007)  
Director of Child Development Center  
B.A., University of Redlands  
M.S., University of La Verne

WATANABE-LONSBURY, SUSAN (1991)  
Professor, Theatre Arts  
B.A., California State University, Dominguez Hills  
M.F.A., University of Southern California

WHITESIDE, CHRISTOPHER (2023)  
Instructional Dean, Business Education  
B.S., M.S. National University

WILSON, CHRISTOPHER (2000)  
Associate Professor, Art & Design  
B.A., University of California, Irvine  
M.F.A., Loyola Marymount University

WILLIAMS, ANGELA TAI (2023)  
Licensed Clinical Social Worker  
B.A., University of Washington  
M.S.W., California State University, Long Beach

WITTIG, ANDREA (2023)  
Manager, Office of the President, Trustee Services & Strategic Initiatives

WORREL, DARA (2004)  
Associate Professor, Mathematics  
B.S., M.S., California State University, Long Beach

WHITFIELD, ISAIAH JAMAL (2022)  
Counselor  
B.A., M.S., California Baptiste University, Riverside

WRIGHT, WENDY (2016)  
Associate Professor, Business Administration  
B.A., University of La Verne  
M.B.A., Claremont Graduate University

ZHOU, WEI (2022)  
Interim Instructional Dean, Humanities & Social Services  
B.S., M.S., Fudan University  
Ph.D., University of Texas, Austin

ZHOU, YIRAN (2012)  
Instructor, Chinese  
M.A., Missouri State University  
M.S., University of Kentucky
EMERITI FACULTY, EDUCATIONAL ADMINISTRATORS, & MANAGERS

ABORN, LUCINDA (2006-2018)
Dean of Disabled Student Programs & Services

ACKLAND, DEAN (1987-2010)
Coordinator of Student Activities

Dean of Vocational Education/Extended Day

AGUIRRE, RUDOLPH (1959-1987)
Art

ALLEGRE, JEAN (1964-1991)
French

ALLEN, ROBERT (1965-1991)
Business-Accounting

ANDERSON, LOWELL (1962-2003)
Real Estate

ANGLE, NANCY (1989-1999)
Mathematics

ARAGON, RICHARD (1994-2012)
Automotive Mechanical Repair

ARCE, CARLOS (1991-2018)
Foreign Language

ARCHER, DONNY (1961-1981)
Mathematics

ARFWEDSON, CHRISTINE (1997-2013)
Nursing

ASHE, SUZANNE (1986-2018)
English

ASPEREN, ROBERT (1979-2011)
Automotive Collision Repair

AUSTIN, ANTHONY (1980-2009)
Electronics

BAIRD, MARGARET W. (1965-1983)
Office Occupations

Chemistry

BALCH, DONALD (1962-1979)
English

Mathematics/Computer Science

BALMAGES, MARY (1992-2013)
Court Reporting

BARAMKI, HENRIETTA (1977-2003)
Nursing

BARCLAY, LOIS (1964-1979)
Cosmetology

BARKER, MATILDA (1989-2000)
Sociology

BARRETT, BONNIE R. (1998-2021)
Graphic Design/Computer Graphics

BATHKE, JULIE (2002-2019)
Physical Therapist Assistant

BAXTER, DORRIS (1957-1984)
Chemistry

BAYER, CONNIE (1966-2002)
Health & Physical Education

BEALE, DARRYL (1973-2009)
Psychology

BEAM, ROGER D. (1975-1993)
Automotive Technology

BEHRENS, SHARON (1976-1996)
Nursing Education

BELLAS, MONICA (2000-2019)
Professor, Anthropology

BELLO-GARDNER, SYLVIA (1987-2020)
Counselor

BELLUGUE, ROLAND (1991-2000)
French

BELROY, ALEXANDER (1964-2003)
English

BENDER, W. JON (1988-2021)
Automotive Technology

BENGSTON, CARL (2009-2015)
Dean of Library

BERKLITE, STEVEN L. (1985-2011)
Instructional Dean of Technology

BERRY, PATRICIA A. (1978-2011)
English as a Second Language

Dean of Academic Affairs

Economics

BEULIGMANN, MARIE (1981-1999)
Nursing

Counselor

English

Accounting

BLACK, RHEA G. (1964-1999)
