The Bachelor of Science in Criminal Justice program is impacted. The CSU designates major programs as impacted when more applications are received in the initial filing period from CSU eligible applicants than can be accommodated by the campus. Impacted majors are authorized to use supplementary admission criteria and/or higher admission standards than the CSU minimum requirements in considering applicants to the program. These criteria are applied equally to continuing CSULB students and entering upper-division transfer students. Please refer to the admissions website for impaction admission details. [http://www.csulb.edu/depts/enrollment/admissions/impacted_major.html](http://www.csulb.edu/depts/enrollment/admissions/impacted_major.html).

Transfer students may not enter at the upper division (junior) level. You are considered an upper division transfer student if you will have completed 60 or more transferable semester units by the end of the prior summer term. For fall entrance or the prior fall term for spring entrance. As an upper division transfer student, you must also meet minimum CSU admission requirement to be considered for admission. Be aware that some admission requirements must be met earlier. The CSU GE (General Education) requirements in written communication, oral communication, critical thinking and mathematics/quantitative reasoning must be completed with a grade of “C” or higher by the end of the prior spring term for fall admission or by the end of the prior summer term for spring admission.
