

**FIELD IRONWORKER  
APPRENTICESHIP  
PROGRAM**

# Build Your Future in IRONWORK

Start building the future you've always dreamed of. The Field Ironworker (FIW) Apprenticeship Program at Cerritos College offers hands-on training to become a skilled journeyman/journeywoman in the ironworking trade.

Our unique program allows students to earn industry-recognized credentials giving them access to a variety of high-paying, sustainable careers.
