**3 Title 5, Section 55022**

**4 Courses may be offered in either or both of the following categories:**

- 5 • Courses in which all students are evaluated on a "pass/no pass" basis.**
- 5 • Courses in which each student may elect until the last day of instruction, defined as the Friday of the week before the last week of the session, whether the basis of evaluation is to be "pass/no pass" or a letter grade.**

**6 A student electing to be evaluated on the "pass/no pass" basis will receive both course credit and unit credit upon satisfactory completion of the course. In computing a student's grade-point average, grades of "pass/no pass" are omitted; however, units attempted for which a student earns a grade of "NP" will be considered in probation or dismissal determinations.**

**11 A pass grade is granted for performance that is equivalent to the letter grade of "C" or better. A student who fails to perform satisfactorily will be assigned a "no pass" grade.**

**13 The student is held responsible for all assignments and examinations required in the course. The standards of evaluation are identical for all students in the course.**
