1 BP 7280 TELECOMMUTING/REMOTE WORK

2 The Board of Trustees delegates to the President/Superintendent the authority to
3 establish and implement general procedures for considering and permitting certain
4 District employees the use of telecommuting/remote work on a discretionary basis as a
5 viable work option where there are clearly defined benefits for the operations of the District
6 and the support of its students. The District recognizes the benefits of such work options
7 for employees when both District and employee needs can be addressed.

8 The implementation of the District's telecommuting/remote work policy and agreement is
9 at the discretion of the District and should not be considered a right, benefit, replacement
10 for leave, or an ADA accommodation.

11 This policy is discretionary and may be discontinued at any time and for any reason.
